Alfred Edward Barnes (1892-1960) Architectural Records
1888-1959
ca. 150 cubic feet

Architectural drawings, renderings, photographs, specifications and correspondence of the architectural firm Hoit, Price and Barnes and its predecessors.

BIOGRAPHY:

Alfred E. Barnes, grandson of Asa Beebe Cross, Kansas City's first professional architect, was born in Kansas City on March 5, 1892. He attended Kansas City schools and found work with Kansas City architect Henry F. Hoit as a draftsman in 1909. He became a member of the firm of Hoit, Price, and Barnes in 1919 and remained with that firm until it was dissolved in 1941. Thereafter he worked as coordinating engineer at the Lake City Arsenal and later was associated with the Long Construction Company. He retired in 1958 and died in Kansas City on May 11, 1960.

PROVENANCE:

These records were a contract gift to the Western Historical Manuscript Collection from Mrs. Alfred E. Barnes. The materials were received as accession KA0004 on April 21, 1980.

COPYRIGHT AND RESTRICTIONS:

The Donor has given and assigned to the University of Missouri all rights of copyright which the Donor has in the Materials and in such of the Donor's works as may be found among any collections of University from others.

PREFERRED CITATION:
