

Eugene Buchanan Architectural Records (K1373)

Collection Number: K1373

Collection Title: Eugene Buchanan Architectural Records

Dates: 1911-1998, bulk 1971-1998

Creator: Buchanan, Eugene

Abstract: The architectural records of Eugene Buchanan primarily consists of 76 architectural drawings, the bulk of which were drafted between 1971 and 1998. These buildings were primarily built in Kansas and Missouri and were designed and constructed by Buchanan Architects and Associates, Chartered.

Collection Size: 14.17 cubic feet
(7 folders, 76 rolled items)

Language: Collection materials are in English.

Repository: The State Historical Society of Missouri

Restrictions on Access: Collection is open for research. This collection is available at [The State Historical Society of Missouri Research Center-Kansas City](#). If you would like more information, please contact us at kansascity@shsmo.org. Collections may be viewed at any research center.

Restrictions on Use: Materials in this collection may be protected by copyrights and other rights. See [Rights & Reproductions](#) on the Society's website for more information about reproductions and permission to publish.

Preferred Citation: [Specific item; box number; folder number] *Eugene Buchanan Architectural Records* (K1373); The State Historical Society of Missouri Research Center-Kansas City [after first mention may be abbreviated to SHSMO-Kansas City].

Donor Information: The records were donated to the State Historical Society of Missouri by Vince LaTona on January 12, 2018 (Accession No. KA2399).

Processed by: Processed by Rachel Forester, March 2018

Historical Note:

Little historical evidence for Eugene Buchanan or his architectural firm, Buchanan Architects and Associates, Chartered can be found. It appears the firm operated primarily in Kansas and Missouri with a concentration in the Kansas City area from the 1960s to the late 1990s.

Arrangement:

The collection has been arranged into the following two series, and the items within the series have been arranged alphabetically:

Oversize
Architectural Drawings

Scope and Content Note:

Oversize

This series contains materials related to the Convention Center and the Huron Park and Cemetery, both of which are located in Kansas City, Kansas. Items within this series include a carpet design and a negative floor plan for the Convention Center, both are undated. Also, there are three Huron Cemetery Grave Marker Locations booklets which include a loose draft copy, a revised bound copy, and a finished copy. All three booklets are undated. Other items include a sketch of the master plan for Huron Park, dated 1975, and a sketch of the master plan and entrance for Huron Place, both of which are undated.

Architectural Drawings

This series consists of 76 sets of architectural drawings drafted in 1911, 1960, 1962, and between 1971 and 1998. The bulk of the drawings were drafted between the latter dates. There are several examples of commercial buildings, governmental buildings, medical buildings, primary and secondary educational institutions, recreational facilities and parks, a museum, three fire stations, and three residences. These buildings were built in Kansas and Missouri and were primarily designed and constructed by Buchanan Architects and Associates, Chartered.

In addition to Buchanan Architects, architects also included in this collection are John W. McKecknie, William E. Behrman, and Frank Lloyd Wright. Note that designers C. Shaw and J. P. Nathaway along with the engineering firms of Ivan L. Roenigk and Theodore B. Bredson, Tuttle, Ayers, and Woodward, and Riggs Engineering Services were consulted on several drawings.

Of interest, is a photocopied set of drawings of an addition to the home of Mr. and Mrs. Arnold Adler designed by architect Frank Lloyd Wright and located in Kansas City, Missouri, drawings associated with the Conventional Center located in Kansas City, Kansas, and the Toy and Miniature Museum located in Kansas City, Missouri.
