COMPETITION FORMAT AND RULES WRESTLING

As of 23 JUN 2014

Youth Olympic Competition Format

There are three styles in Olympic Wrestling competition: Greco-Roman, Men's Freestyle and Women's Freestyle.

There are 10 men's events and four women's events in the Youth Olympic Wrestling programme as follows:

Greco-Roman:	Men's Freestyle:	Women's Freestyle:
42kg	46kg	46kg
50kg	54kg	52kg
58kg	63kg	60kg
69kg	76kg	70kg
85kg	100kg	

The Greco-Roman and the Freestyle basically differ as follows:

- In Greco-Roman Wrestling, it is strictly forbidden to grasp the opponent below the belt line, to trip him or to use the legs actively to perform any action.
- In Freestyle Wrestling, however, it is permissible to grasp the legs of the opponent to trip him and to use the legs actively to perform any action.
- Double nelsons are strictly forbidden in Women's Freestyle.

There are six to ten wrestlers qualified in each of the 14 weight categories.

The competition starts with a pool phase with two groups. Wrestlers who draw an even number are placed in group B and wrestlers who draw an odd number are placed in group A. A round-robin format is used within each group (the Nordic tournament system is used as the ranking criterion within each group). Ranking within the groups is used to determine the pairings for the final phase. Winners of each group will compete for the gold and silver medals; second placed wrestlers will compete for the bronze medal and fourth place; the third placed wrestlers will compete for fifth and sixth place; the fourth placed wrestlers in each group will compete for seventh and eighth place; the fifth placed wrestlers in each group will compete for ninth and tenth place. In case of a single fifth wrestler in a group, he will be ranked last of his category.

Each weight category is completed within a single day with the weigh-in taking place on the day before.

The competition comprises two phases:

- Qualification Pools (groups A&B)
- Finals

Each bout has two periods of two minutes with a thirty second break. The winner is the wrestler who scored most at the end of the bout. Evident superiority of eight points in Greco-Roman and ten points in Freestyle automatically leads to victory. For all the competitions, the timing will run from zero to four minutes on the mat scoreboards.

A fall automatically stops the bout in any period.

In the exceptional case - if after two minutes in the first period, no wrestler has scored in Men's Freestyle and Women's Freestyle, the referee must obligatorily designate the passive wrestler.

In the case where a bout ends by 0-0 in the Men's Greco-Roman, the victory goes to the last most active wrestler.

Differences between the FILA Junior World Championships and the Youth Olympic Games

The FILA Junior World Championships contains more competitors due to higher quotas allocated to each NOC and has different and additional weight categories. In addition, the competition format is different. A Nordic System (round-robin) format which decides the pairing for the final bouts is used at the Youth Olympic Games, but in the FILA Junior World Championships a direct elimination format is used.

Changes since the Singapore 2010 Youth Olympic Games

The scoring system has been changed to be cumulative over the bout instead of per addition of period wins/lose.

Sport Rules and Procedures

A bout may be won by:

- A "fall"
- By injury, withdrawal, default or disqualification of the opponent
- By technical superiority
- By points

If the wrestler executes a "grande amplitude" five points hold, he/she will be declared the winner of the bout whatever the score.

In case of a tie by points, the winner will be declared by successively considering the highest value of holds, the least amount of cautions and the last technical points scored.

A wrestler receiving three cautions during a bout will be disqualified.

Tie Break Rules

The wrestlers of each weight category will be ranked in the following manner:

The classification points determine the rank of wrestlers in each group. In case of a ranking tie (equal number of classification points), there are two scenarios:

A: If two wrestlers are tied:

- Their direct fight will determine the winner (the wrestler who won against his opponent will be ranked before the other)

B: If more than two wrestlers are tied:

- The last in the tied group will be classified following these criteria until only two wrestlers remain:
 - The fewest victories by "Fall"
 - The fewest bout wins by superiority
 - The fewest technical points scored in the whole competition
 - The most technical points received in the whole competition

Final Classification:

The final ranking is calculated based upon the result of each final bout (1-2 / 3-4 / 5-6 / 7-8 / 9-10).

Penalties / Disqualification Rules

Each bout should have a winner, as mentioned earlier, except in the case of a double disqualification.

Protests / Appeals / Challenge

- No protest may be lodged after the end of a bout. Under no circumstances may the result of a bout be modified after victory has been declared on the mat. If the FILA President or the Refereeing Department notes that the refereeing body has abused their power to modify a bout result, they can examine the video and, with the agreement of the FILA Bureau, sanction those responsible as laid down in the provisions of the Regulations for International Refereeing Bodies.
- The Jury of appeal is formed by the FILA President or his substitute and is made up of three persons chosen among the Instructors, the Bureau members, or knowledgeable refereeing people according to the different matches and wrestlers' nationality. There is one Jury of appeal per mat.

The Jury of appeal is responsible for ensuring that all rules governing a wrestling match have been applied by the refereeing body before the winner of the bout can be declared by the mat chairman.

One member of the Jury of appeal will be appointed as coordinator and will be in charge of announcing the Jury's decisions on behalf of all.

- Challenge: the challenge is the action through which the coach is allowed, on behalf of the wrestler, to stop the action and request the refereeing body to watch the video evidence in case of a disagreement with the call.

The coach must request the challenge by throwing a soft object on the mat, immediately after the refereeing body has awarded or refused the points to the contested situation. If the wrestler disagrees with the coach's decision, then the match continues.

Video System

During the bout, the mat chairman and the controller may consult the video system in order to check actions and decide on the score.

Officials

In all competitions, the officials for each bout will consist of the following:

- One referee
- One judge
- One mat chairman

Replacement of an official during a bout is strictly prohibited, except in the case of serious illness that is medically confirmed. In no case may two officials be of the same nationality. Furthermore, it is strictly forbidden for an official to officiate in bouts involving compatriot wrestlers.
