

2014 Wild Rose Nominations

NOTE: It really is an honor to be chosen as a 2014 Wild Rose Official Selection from the nearly 500 submissions. Due to the greatly increased number of high quality submissions and the much larger number of Official Selections chosen this year (at 66 films in competition, there are 20 plus more than usually accepted), the Wild Rose judges have nominated more in some categories than in previous years. Winners will either receive a "Best of" Plaque or a Distinctive Achievement Award Certificate. There may be ties in some categories.
