

# SOEM/SOES CONTRIBUTOR LICENSE AGREEMENT

Thank you for your interest in the SOES and SOEM projects. In order to clarify the intellectual property license granted with contributions of software from any person or entity (the "Contributor"), rt-labs AB would like to have a Contributor License Agreement on file that has been signed by the Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor of software to SOES and SOEM projects and does not change your right to use your own contributions for any other purpose.

If you have not already done so, please complete this Agreement and send a copy by regular mail to **rt-labs AB, Värmlandsgatan 2, SE-413 28 Göteborg, Sweden** or by e-mail to **openethercatsociety@rt-labs.com**.

Please read this document carefully before signing and keep the original for your records.

1. You and rt-labs AB hereby accept and agree to the following terms and conditions: Your "Contributions" means all of your past, present and future contributions of object code, source code and documentation to SOES and SOEM projects, however submitted to SOES and SOEM projects, excluding any submissions that are conspicuously marked or otherwise designated in writing by You as "Not a Contribution."
2. You hereby grant to rt-labs a non-exclusive, irrevocable, worldwide, no-charge, transferable copyright license to use, execute, prepare derivative works of, and distribute (internally and externally, in object code and, if included in your Contributions, source code form) your Contributions. Except for the rights granted to rt-labs in this paragraph, You reserve all right, title and interest in and to your Contributions.
3. You represent that you are legally entitled to grant the above license. If your employer(s) have rights to intellectual property that you create, you represent that you have received permission to make the Contributions on behalf of that employer, or that your employer has waived such rights for your Contributions to SOES and SOEM projects.
4. You represent that, except as disclosed in your Contribution submission(s), each of your Contributions is your original creation. You represent that your Contribution submissions(s) included complete details of any license or other restriction (including, but not limited to, related patents and trademarks) associated with any part of your Contributions)(including a copy of any applicable license agreement). You agree to notify rt-labs of any facts or circumstances of which you become aware that would make Your representations in the Agreement inaccurate in any respect.
5. You are not expected to provide support for your Contributions, except to the extent you desire to provide support. You may provide support for free, for a fee, or not at all. Your Contributions are provided as-is, with all faults, defects and errors, and without any warranty of any kind (either express or implied) including, without limitation, any implied warranty of merchantability and fitness for a particular purpose and any warranty of non-infringement.
