REPUBLIC LANDS TOP SPOT OVERALL

Republic Top 40 Champ

Island Def Jam Takes Rhythmic & Urban

Republic took the top spot for the 2012 chart year, which went from November 20, 2011-November 17, 2012. The label was also #1 at Top 40 and Triple A, while finishing #2 at Rhythmic, #3 at Urban, and #4 at AC. Their overall share was 13.5%. Leading the way for Republic was newcomer Gotye, who had one of the year's biggest hits with "Somebody That I Used To Know." A big year from Drake and Nicki Minaj also contributed to the label's success, as well as strong performances for Florence + The Machine, Volbeat, and Of Monsters And Men to name a few.

Coming in second overall at 12.2% was **RCA**. They had top five finishes at Hot AC and Urban AC (#1), Urban (#2), AC and Rhythmic (#3), as well as Top 40 and Rock (#4). A diverse roster was led by Kelly Clarkson, who scored the #1 song at Hot AC, and the Foo Fighters, who were Rock's top artist. RCA's multi-format powerhouse artists including Usher, Pink and Chris Brown delivered mega hits for the label during 2012, as well as Anthony Hamilton and R. Kelly who both had giant years at Urban AC.

Island Def Jam was a solid third with a 12.1% share, up from 11.3% in 2011. It goes without saying that Rihanna and Justin Bieber were two key elements to the label's success. IDJMG was a dominant force at Rhythmic and Urban, where they were the top label. 2 Chainz, Kanye West, Big Sean were just a few of the catalysts.

Interscope nabbed a strong fourth with 10.6%, with a huge year from Maroon 5, Ellie Goulding, Imagine Dragons, and Carly Rae Jepsen.

Columbia rounds out the top five with a 9.7% share, led by Adele, One Direction, J. Cole, Beyonce, and the multi-format hits by Train. The label also scored big at both the AC (#1) and Hot AC (#2) formats.

Atlantic landed in the sixth slot with 8.8%, thanks to a huge year from Flo Rida, who garnered the most played artist honors at Top 40. The label's versatile year also reflected multiple hits from Trey Songz, as well as rock format success from Grouplove and Shinedown.

In seventh place with 8.1% is **Capitol**. Leading the way for the label, was a stellar year for David Guetta (the #2 artist at Top 40), as well as the usual plethora of multi-format hits for Katy Perry. On the rock side, was the resurgence of Slash, along with Adelitas Way, and a major AC year for Lady Antebellum.

Coming in eighth is **Roadrunner**, who broke one of the year's most notable new groups with Fun. Roadrunner also scored hits with Wiz Khalifa, Jason Mraz, Christina Perri, Theory Of A Deadman and Nickelback.

In ninth place was **Warner Bros.**, who took the #1 spot at Alternative and Active Rock. Led by a powerhouse rock lineup including the Black Keys, Avenged Sevenfold, and Linkin Park. 2012 marked one of the label's biggest years at both Rhythmic and Urban, with success stories from Wale (who had the #1 Urban song of the year), Kirko Bangz, and Meek Mill.

Finishing up the top 10 was **Epic** at 3.7%. Future, Ca\$h Out, Karmin, and Chevelle were key elements for the label.
