Item 1.01 Entry into a Material Definitive Agreement

On April 21, 2005, Comcast Corporation, a Pennsylvania corporation (“Comcast”), announced that it had entered into an asset purchase agreement, dated as of April 20, 2005 (the “Comcast Adelphia Purchase Agreement”) with Adelphia Communications Corporation, a Delaware corporation (“Adelphia”), pursuant to which Comcast will, on the terms and subject to the conditions thereof, purchase certain assets and assume certain liabilities from Adelphia and certain of its affiliates and related parties (the “Comcast Adelphia Acquisition”). Concurrently, Time Warner Inc., a Delaware corporation (“Time Warner”), announced that Time Warner NY Cable LLC, a Delaware limited liability company (“TW NY”) and a subsidiary of Time Warner and of Time Warner Cable Inc., a Delaware corporation (“TWC”), entered into an asset purchase agreement, dated as of April 20, 2005 (the “TW Adelphia Purchase Agreement” and, together with the Comcast Adelphia Purchase Agreement, the “Adelphia Purchase Agreements”), with Adelphia, pursuant to which TW NY will, on the terms and subject to the conditions thereof, purchase certain assets and assume certain liabilities from Adelphia and certain of its affiliates and related parties (the “TW Adelphia Acquisition” and, together with the Comcast Adelphia Acquisition, the “Adelphia Acquisitions”). The Adelphia Acquisitions include substantially all of the cable systems currently managed by Adelphia. The aggregate consideration payable by Comcast in connection with the Comcast Adelphia Acquisition is \$3.5 billion in cash (the “Purchase Price”). The aggregate consideration payable by TW NY in connection with the TW Adelphia Acquisition consists of approximately \$9.2 billion in cash and shares of TWC’s Class A Common Stock, par value \$0.01 per share (“TWC Class A Common Stock”), which are expected to represent 16% of the common stock of TWC as of the closing (the “Adelphia Closing”) of the transactions contemplated by the TW Adelphia Purchase Agreement and assuming the redemption of Comcast’s interest in TWC, as described below. Following the Adelphia Closing, the shares of TWC Class A Common Stock will be publicly traded.

Comcast and certain of its affiliates, on the one hand, and TWC and certain of its affiliates, on the other hand, also entered into two redemption agreements, each dated as of April 20, 2005 (the “TWC Redemption Agreement” and the “TWE Redemption Agreement,” respectively), pursuant to which, among other things, Comcast’s interests in TWC and Time Warner Entertainment Company, L.P., a Delaware limited partnership and a subsidiary of Time Warner and of TWC (“TWE”), respectively, will be redeemed (the “TWC Redemption” and the “TWE Redemption,” respectively, and, collectively, the “Redemptions”), on the terms and subject to the conditions thereof. Currently, trusts established for the benefit of Comcast own 17.9% of the common stock of TWC and a 4.7% residual equity interest in TWE, which collectively represents a 21% effective interest in TWC’s business.

In addition, Comcast and TWC and certain of their respective affiliates entered into an exchange agreement, dated as of April 20, 2005 (the “Exchange Agreement”), pursuant to which, among other things, Comcast and TWC or such affiliates will exchange certain cable systems, some of which are to be acquired in the Adelphia Acquisitions (the “Exchange” and, together with the Adelphia Acquisitions and the Redemptions, the “Transactions”).

The Transactions and certain related transactions are described in greater detail below.

The Comcast Adelphia Purchase Agreement

Adelphia’s operations primarily consist of providing analog and digital video services, high-speed Internet access and other advanced services over broadband networks. In June 2002, Adelphia and substantially all of its domestic subsidiaries filed voluntary petitions for reorganization under chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”) and are currently subject to chapter 11 proceedings in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”).

The Comcast Adelphia Acquisition will be effected pursuant to a plan under chapter 11 of the Bankruptcy Code satisfying the requirements of the Adelphia Purchase Agreements (the “Plan”). The Comcast Adelphia Acquisition includes (i) Adelphia’s controlling interests in two joint ventures that own cable systems serving approximately 1,092,000 subscribers (approximately 784,000 subscribers after pro rating for minority interests) (as of December 31, 2004) and (ii) cable systems serving approximately 138,000 subscribers (as of December 31, 2004). Comcast currently owns the minority interests in the two Adelphia-controlled joint ventures: the Century-TCI joint venture, which owns cable systems in the Los Angeles, California area and the Parnassos joint venture, which owns cable systems in Ohio, Pennsylvania and Western New York.

The Purchase Price is subject to customary adjustments to reflect changes in Adelphia's net liabilities and subscribers as well as any shortfall in Adelphia's capital expenditure spending relative to its budget during the interim period between the execution of the Comcast Adelphia Purchase Agreement and the Adelphia Closing (the "Interim Period"). At the Adelphia Closing, 4% of the Purchase Price will be deposited into escrow to secure Adelphia's obligations in respect of any post-closing adjustments to the Purchase Price and its indemnification obligations for, among other things, breaches of its representations, warranties and covenants pursuant to the Comcast Adelphia Purchase Agreement.

Adelphia and Comcast have made customary representations, warranties and covenants in the Comcast Adelphia Purchase Agreement, including, among others, covenants that (i) require the parties to commence appropriate proceedings before the Bankruptcy Court to obtain approval of the Plan and to use commercially reasonable efforts to obtain the regulatory and other approvals required in connection with the Comcast Adelphia Acquisition and (ii) subject to certain customary exceptions, prohibit Adelphia from soliciting, encouraging or responding to proposals relating to alternative business combination transactions (including pursuing an alternate plan under chapter 11 of the Bankruptcy Code). The Comcast Adelphia Purchase Agreement contains certain termination rights for both Comcast and Adelphia, and further provides that, upon termination of the Comcast Adelphia Purchase Agreement under specified circumstances, Adelphia may be required to pay Comcast a termination fee of approximately \$87.5 million.

The Adelphia Closing is subject to the satisfaction or waiver of conditions customary to transactions of this type, including, among others, (i) receipt of applicable regulatory approvals, including the consent of certain local franchising authorities to the change in ownership of the cable systems operated by Adelphia, (ii) expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iii) approval of the Plan by the stakeholders of Adelphia, (iv) satisfactory settlement by Adelphia of the claims and causes of actions brought by the Securities and Exchange Commission and the investigations by the Department of Justice, (v) entry by the Bankruptcy Court of a final order confirming the Plan and (vi) the number of basic subscribers served by Adelphia's cable systems as of a specified date prior to the Adelphia Closing not being below an agreed upon threshold. The Adelphia Closing is expected to occur toward the end of 2005 or in the first quarter of 2006.

The Adelphia Acquisitions are not subject to the consummation of the Redemptions and the Exchange; accordingly, it is possible that the Adelphia Acquisitions will occur but that any or all of the Redemptions and the Exchange will not occur.

The TW Adelphia Purchase Agreement has similar terms to the Comcast Adelphia Purchase Agreement, with certain additional provisions relating to the issuance TWC Class A Common Stock and customary representations and covenants regarding TWC's business. The consummation of each of the Adelphia Acquisitions is conditioned on the contemporaneous consummation of the other.

If the Comcast Adelphia Purchase Agreement is terminated prior to the Adelphia Closing as a result of actions by, or failure to obtain governmental authorizations from, the Federal Communications Commission or any government entity with jurisdiction over the enforcement of U.S. antitrust law, TW NY has agreed that it will also acquire the cable operations of Adelphia that would have been acquired by Comcast pursuant to the Comcast Adelphia Purchase Agreement. In such event, TW NY would be required to pay the \$3.5 billion purchase price to have been paid by Comcast, less Comcast's allocable share of the liabilities (between \$550 and \$600 million) of the Century-TCI and Parnassos joint ventures that are being assumed by Adelphia. This purchase price may be satisfied at TW NY's election in any combination of shares of TWC Class A Common stock and cash. In such event, the Exchange would not take place and Comcast would retain its minority interests in the Century-TCI and Parnassos joint ventures, which would be managed by TWC. Pursuant to a letter agreement dated April 20, 2005 (the "Expanded Transaction Agreement"), among Comcast, TW NY and Adelphia, the parties have agreed that in such an event, the subsidiaries of Comcast that are parties to the Century-TCI and Parnassos joint ventures will contribute to the joint ventures an amount of cash equal to their allocable share of the liabilities of the joint ventures being assumed by Adelphia, and Adelphia or its subsidiaries will receive a distribution equal to the amount of that contribution.

The TWC Redemption Agreement

Also on April 20, 2005, Comcast and certain of its affiliates and related parties, including TWE Holdings II Trust, a Delaware statutory trust that holds Comcast's shares in TWC ("Comcast Trust II") entered into the TWC Redemption Agreement with Time Warner, TWC and

Cable Holdco II, Inc., a Delaware corporation and a newly formed subsidiary of TWC (“Cable Holdco II”). Pursuant to the TWC Redemption Agreement, TWC will redeem all of the shares of TWC Class A Common Stock held by Comcast Trust II in exchange for 100% of the common stock of Cable Holdco II. At the time of the exchange, Cable Holdco II will own certain cable systems currently owned directly or indirectly by TWC serving approximately 550,000 basic subscribers (as of December 31, 2004), plus approximately \$1.9 billion in cash.

The closing of the transactions contemplated by the TWC Redemption is subject to the satisfaction of the conditions to the TW Adelpia Acquisition. If the conditions to the TW Adelpia Acquisition are not satisfied, the parties to the TWC Redemption Agreement are under no obligation to effect the TWC Redemption. In addition, the closing of the transactions contemplated by the TWC Redemption Agreement is subject to the satisfaction or waiver of conditions customary to transactions of this type, including receipt of required regulatory approvals.

The TWE Redemption Agreement

Also on April 20, 2005, Comcast and certain of its affiliates and related parties, including TWE Holdings I Trust, a statutory trust that holds Comcast’s interest in TWE (“Comcast Trust I”), entered into the TWE Redemption Agreement with Time Warner, TWC, TWE and Cable Holdco III LLC, a Delaware limited liability company and a newly formed subsidiary of TWE (“Cable Holdco III”). Pursuant to the TWE Redemption Agreement, TWE will redeem all of the TWE limited partnership interests held by Comcast Trust I in exchange for 100% of the limited liability company interests of Cable Holdco III. At the time of such exchange, Cable Holdco III will own certain cable systems currently owned directly or indirectly by TWE serving approximately 159,000 basic subscribers (as of December 31, 2004), plus approximately \$133 million in cash.

The closing of the transactions contemplated by the TWE Redemption Agreement is subject to the satisfaction or waiver of conditions customary to transactions of this type, including receipt of applicable regulatory approvals and the satisfaction or waiver of other customary conditions. If the conditions to the TW Adelpia Acquisition are not satisfied, the parties to the TWE Redemption Agreement are under no obligation to effect the TWE Redemption, except as described below.

The Exchange Agreement

Also on April 20, 2005, Comcast and certain of its affiliates (collectively, the “Comcast Group”) entered into the Exchange Agreement with TWC and certain of its affiliates (collectively, the “TW Group”). Pursuant to the Exchange Agreement, the TW Group will transfer all outstanding limited liability company interests of certain newly formed limited liability companies that are to be indirect subsidiaries of TWC (collectively, the “TW Newcos”) to the Comcast Group in exchange for all limited liability company interests of certain newly formed limited liability companies or trusts that are to be indirect subsidiaries of Comcast (collectively, the “Comcast Newcos”). At the time of the Exchange, the TW Newcos will own cable systems, all but one of which are systems to be acquired by TW NY in the TW Adelpia Acquisition, serving approximately 2,031,000 basic subscribers (as of December 31, 2004), and the Comcast Newcos will own cable television systems, including certain systems to be obtained by Comcast in the Comcast Adelpia Acquisition, serving approximately 2,203,000 basic subscribers (as of December 31, 2004). The cable systems to be transferred to Comcast include systems located in West Palm Beach, Florida, and suburbs of the District of Columbia. The cable systems to be transferred to TWC include systems that are owned by the Century-TCI joint venture in the Los Angeles, California area and the Parnassos joint venture in Ohio and Western New York, as well as cable systems currently owned by Comcast located in the following areas: Dallas, Texas; Los Angeles, California; and Cleveland, Ohio.

The closing of the transactions contemplated by the Exchange Agreement is subject to consummation of the TW Adelpia Acquisition and the Comcast Adelpia Acquisition. In addition, the closing of the transactions contemplated by the Exchange Agreement is subject to the satisfaction or waiver of conditions customary to transactions of this type, including receipt of applicable regulatory approvals.

TKCCP Agreement

Also on April 20, 2005, Comcast and TWC entered into an agreement (the “TKCCP Agreement”) pursuant to which the parties agreed that if the Adelpia Acquisitions and the Exchange occur and if Comcast receives certain cable systems located in Southwest Texas (the “SW Texas Systems”) upon dissolution of Texas and Kansas City Cable Partners, L.P. pursuant to the Limited Partnership Agreement of Texas and Kansas City Cable Partners, L.P., dated as of June 23, 1998, as amended, Comcast will have a period of six months commencing on the first anniversary of the date Comcast receives such cable systems in such dissolution to cause TWC to transfer to Comcast certain cable systems

serving approximately 400,000 basic subscribers (as of December 31, 2004), and in exchange therefor, Comcast will transfer to TWC the SW Texas Systems, serving approximately 480,000 basic subscribers (as of December 31, 2004). Such numbers of subscribers were determined by TWC in accordance with its subscriber counting policies. To the extent the value of the systems being transferred by either party is different from the value being received, an appropriate cash adjustment will be made to equalize value. If Comcast exercises its option to cause such exchange, the closing of the exchange will be subject to customary terms and conditions.

Amendments to Existing Arrangements

Registration Rights Agreement

In conjunction with the restructuring of TWE completed in 2003 (the "TWE Restructuring"), TWC granted Comcast Trust II registration rights relating to the shares of TWC Class A Common Stock acquired by it in the TWE Restructuring. In December 2003, Comcast Trust II requested that TWC register its shares of TWC Class A Common Stock for sale in a public offering. Pursuant to the TWC Redemption Agreement, Comcast Trust II has agreed not to exercise or pursue registration rights with respect to the TWC Class A Common Stock owned by it until the earlier of (i) the date upon which the TWC Redemption Agreement is terminated in accordance with its terms and (ii) the date upon which TWC's offering of securities to the public for cash for its own account in one or more transactions registered under the Securities Act of 1933, as amended (other than as consideration in an acquisition transaction or as compensation to employees), exceeds \$2.1 billion. Among other things, the parties have agreed that Comcast Trust II will have full priority in respect of any request by it to register its shares of TWC Class A Common Stock for a period to begin on November 1, 2006 and ending on November 18, 2007. TWC has also agreed to use all commercially reasonable efforts to file a shelf registration statement on June 1, 2006 registering the resale of all shares of TWC Class A Common Stock held by Comcast Trust II.

Partnership Interest Sale Agreement

As part of the TWE Restructuring, Comcast, Comcast Trust I, Time Warner and TWC entered into a Partnership Interest Sale Agreement, dated as of March 31, 2003 (the "Partnership Interest Sale Agreement"), that provided, among other things, that under certain circumstances Comcast Trust I could cause Time Warner or TWC to acquire Comcast Trust I's interest in TWE for consideration consisting of either cash or stock of Time Warner or TWC. Pursuant to the TWE Redemption Agreement, Comcast Trust I has agreed not to exercise its rights to cause either Time Warner or TWC to purchase its interest in TWE under the Partnership Interest Sale Agreement until the earlier of such time as the TWE Redemption Agreement is terminated, the date TWC delivers a termination notice and December 31, 2006. Under certain circumstances, Comcast is entitled to deliver a termination notice to Time Warner and TWE, whereupon Time Warner and TWE can elect either to (i) proceed with the TWE Redemption and waive the condition that the conditions to the TW Adelpia Acquisition have been satisfied or (ii) permit the TWE Redemption Agreement to be terminated. In addition, Time Warner and TWC have agreed that if Comcast exercises its rights to cause Time Warner or TWC to purchase its interest in TWE, the consideration will not include TWC stock.

Amendment to the Tolling and Optional Redemption Agreement

Also on April 20, 2005, Comcast and certain of its affiliates, including Comcast Trust II, and TWC and Cable Holdco, Inc., a Delaware corporation and a subsidiary of TWC ("Cable Holdco"), entered into an Amendment No. 2, dated as of April 20, 2005 ("Amendment No. 2"), to the Tolling and Optional Redemption Agreement, dated as of September 24, 2004, (as amended by Amendment No. 1, dated as of February 17, 2005, and by Amendment No. 2, the "Optional Redemption Agreement"). Pursuant to the Optional Redemption Agreement, the parties agreed that if

the TWC Redemption Agreement terminates, TWC will redeem 23.8% of the TWC Class A Common Stock held by Comcast Trust II in exchange for 100% of the common stock of Cable Holdco. At the time of the exchange, Cable Holdco will own certain cable systems currently owned directly or indirectly by TWC or TWE, serving approximately 143,000 basic subscribers (as of December 31, 2004), plus approximately \$422 million in cash.

The closing of the transactions contemplated by the Optional Redemption Agreement is subject to, and can only occur, following the termination of the TWC Redemption Agreement. In addition, the closing of the transactions contemplated by the Optional Redemption Agreement is subject to satisfactory due diligence by Comcast of certain of the cable systems it is to receive and the satisfaction or waiver of

conditions customary to transactions of this type, including receipt of applicable regulatory approvals. The parties to the Optional Redemption Agreement have agreed pursuant to a letter agreement dated April 20, 2005 that, if at the time the conditions to the closing of the Optional Redemption Agreement have been satisfied the closing under the TWE Redemption Agreement has not occurred and the TWE Redemption Agreement has not been terminated, then certain of the cable systems subject to the Optional Redemption Agreement will be substituted with alternative cable systems (serving approximately the same number of basic subscribers as of December 31, 2004).

Section 2.8 Closing Adjustment Amount.

(a) No later than ten Business Days prior to the Closing Date, Seller shall prepare, or cause to be prepared, and deliver to Buyer, with respect to each Specified Business, a statement (each, a "Seller's Statement"), which shall set forth Seller's good faith estimate of the Closing Adjustment Amount which shall be determined in accordance with this Agreement (the "Estimated Closing Adjustment Amount"). Each Seller's Statement shall be accompanied by a certification of Seller's Chief Financial Officer to the effect that such Seller's Statement has been prepared in good faith in accordance with this Agreement based on the books and records of such Specified Business and be reasonably satisfactory to Buyer. If the sum of the Estimated Closing Adjustment Amounts for the Specified Businesses is a negative number, then the Purchase Price payable at the Closing shall be decreased by the absolute value of such sum. If the sum of the Estimated Closing Adjustment Amounts for the Specified Businesses is a positive number, then the Purchase Price payable at the Closing shall be increased by such sum.

(b) As soon as practicable but in no event more than 90 days following the Closing, Buyer shall prepare, or cause to be prepared, and deliver to Seller, with respect to each Specified Business, a statement (each, a "Buyer's Statement") of the actual Closing Adjustment Amount, as of the Closing Date, which shall be determined in accordance with this Agreement. Each Buyer's Statement shall be accompanied by a certification of Buyer's Chief Financial Officer to the effect that such Buyer's Statement has been prepared in accordance with this Agreement based on the books and records of such Specified Business.

(c) Seller and Seller's accountants shall complete their review of each of the Buyer's Statements and Buyer's calculations of the Closing Adjustment Amount within 30 days after delivery thereof by Buyer. In the event that Seller determines in good faith that any Buyer's Statement has not been prepared in accordance with this Agreement, Seller shall, on or before the last day of such 30-day period, so inform Buyer in writing setting forth a specific description of the basis of Seller's determination and the adjustments to such Buyer's Statement and the corresponding adjustments to the applicable Closing Adjustment Amount that Seller believes should be made in accordance with this Agreement (a "Seller's Objection"). If no Seller's Objection is

received by Buyer on or before the last day of such 30 day period, then the Closing Adjustment Amount set forth in a Buyer's Statement shall be final and binding upon Seller. Buyer shall have 30 days from its receipt of a Seller's Objection to review and respond to such Seller's Objection.

(d) If Seller and Buyer are unable to resolve all of their disagreements with respect to the proposed adjustments set forth in any Seller's Objection within 15 days following the completion of Buyer's review of such Seller's Objection, they shall refer any remaining disagreements to the CPA Firm which, acting as experts and not as arbitrators, shall determine, in accordance with this Agreement based on the books and records of the applicable Specified Business, and only with respect to the remaining differences so submitted (and within the range of dispute between Buyer's Statement and Seller's Objection with respect to each such difference), whether and to what extent, if any, any Closing Adjustment Amount requires adjustment. Buyer and Seller shall instruct the CPA Firm to deliver its written determination to Buyer and Seller no later than 30 days after the remaining differences underlying any such Seller's Objection are referred to the CPA Firm. The CPA Firm's determination shall be conclusive and binding upon Buyer

and Seller and their respective Affiliates. With respect to each Seller's Objection, the fees and disbursements of the CPA Firm shall be borne equally by Seller and Buyer. Buyer and Seller shall make readily available to the CPA Firm all relevant books and records and any work papers (including those of the parties' respective accountants, to the extent permitted by such accountants) relating to the determination of any Closing Adjustment Amount and all other items reasonably requested by the CPA Firm in connection therewith.

(e) Buyer shall provide to Seller and its accountants full access to the books and records of each Specified Business and to any other information, including work papers of its accountants (to the extent permitted by such accountants), and to any employees during regular business hours and on reasonable advance notice, to the extent reasonably necessary for Seller to review each Buyer's Statement, to prepare a Seller's Objection, if any, and to prepare materials for presentation to the CPA Firm in connection with Section 2.8(d). Seller and its accountants shall have full access to all information used by Buyer in preparing such Buyer's Statement, including the work papers of its accountants (to the extent permitted by such accountants).

(f) Upon satisfaction of the applicable procedures of this Section 2.8, the Purchase Price shall be adjusted with respect to each Specified Business by an amount equal to (i) the Final Adjustment Amount of such Specified Business *minus* (ii) the Estimated Closing Adjustment Amount of such Specified Business (the "Subsequent Adjustment Amount"). If the Subsequent Adjustment Amount is a positive number, then the Purchase Price allocated to such Specified Business shall be increased by the Subsequent Adjustment Amount and Buyer shall promptly (and in any event within five Business Days) after the final determination thereof pay to the Escrow Agent, for deposit into the Escrow Account, the Subsequent Adjustment Amount, plus interest from the Closing Date to the date of payment at LIBOR calculated on a 365-day basis, by wire transfer of immediately available funds to the Escrow Account. If the Subsequent Adjustment Amount is a negative number, then the Purchase Price allocated to such

Specified Business shall be decreased by the absolute value of the Subsequent Adjustment Amount and Buyer shall be entitled to payment of the Subsequent Adjustment Amount from the Escrow Account promptly (and in any event within five Business Days) after the final determination of the Subsequent Adjustment Amount, plus interest from the Closing Date to the date of payment at LIBOR calculated on a 365-day basis, by wire transfer of immediately available funds to an account designated by Buyer; provided, however, that, to the extent the payment obligations pursuant to this sentence exceed the remaining funds in the Escrow Account, Seller shall promptly (and in any event with five Business Days) after the final determination of the Subsequent Adjustment Amount, pay such excess amount to Buyer by wire transfer of immediately available funds to an account designated by Buyer.

Section 2.9 Group 2 Systems.

(a) Notwithstanding anything to the contrary contained herein, if any Group 2 System has not been finally determined to be wholly-owned by Seller or its wholly-owned Subsidiaries (it being understood that, for purposes of this Section 2.9(a), if Seller has the right to cause the transfer of good and marketable title to the Assets of any Group 2 System (free and clear of all Encumbrances other than Permitted Encumbrances) to Buyer (or has otherwise arranged for such transfer to occur at the Closing to the reasonable satisfaction of Buyer), such Disputed MCE System shall be deemed to be wholly owned by Seller) or has been finally determined to be so owned but as to which there has not been an MCE Discharge as of the date on which the Seller's Statements are delivered under Section 2.8(a) (each such MCE System, a "Disputed MCE System"), then (i) the geographical areas serviced by such Disputed MCE System shall be deemed not to be listed on Schedule A of the Seller Disclosure Schedule and such Disputed MCE System shall be deemed not to be included in the Group 2 Business or otherwise Related to the Group 2 Business or the Acquired Business, (ii) any Assets, Liabilities or Employees that would, but for clause (i) above, have been

Transferred Assets, Assumed Liabilities or Transferred Employees shall be deemed not to be Transferred Assets, Assumed Liabilities or Transferred Employees, respectively, (iii) the Closing shall be effected without such Disputed MCE System, (iv) the Purchase Price (before adjustment under Section 2.8) shall be reduced by an aggregate amount equal to the product of (A) the MCE Purchase Price multiplied by (B) the quotient obtained by dividing (1) the aggregate number of Basic Subscribers served by all such Disputed MCE Systems as of December 31, 2004 by (2) the aggregate number of Basic Subscribers served by all Group 2 Systems as of December 31, 2004 (such amount with respect to each such Disputed MCE System, the “Initial MCE Purchase Price”), (v) the Seller’s Statement delivered in respect of the Group 2 Business shall be prepared to reflect the foregoing and (vi) with respect to the Disputed MCE Systems, the determination of the Closing Adjustment Amount (calculated as to each such Disputed MCE System separately as if it were its own Specified Business and assuming the Net Liabilities Adjustment Amount for each such Disputed MCE System is zero) shall be made in accordance with Section 2.8 except that the Subscriber Cap shall not apply to the determination of the Subscriber Adjustment Amount and there shall be no adjustment to the Purchase Price at the Closing as a result of such determination (the amount by which the Purchase Price would have been adjusted (expressed as a negative if decreased and as

a positive if increased) in respect of each such Disputed MCE System as determined pursuant to this clause (vi), the “Initial Disputed MCE System Adjustment Amount”).

(b) With respect to any Disputed MCE System, Seller shall (i) use commercially reasonable efforts to cause each such Disputed MCE System to be bound by a written management agreement with Buyer (or its designee) as of the Closing, in form and substance reasonably acceptable to Buyer and Seller (each such agreement, an “MCE Management Agreement”) and (ii) continue during the succeeding 15 months (the “MCE Period”) using commercially reasonable efforts to obtain full direct or indirect ownership of, and an MCE Discharge with respect to, such Disputed MCE System (it being understood that, for purposes of this Section 2.9(b), if Seller has the right to cause the transfer of good and marketable title to the Assets of any Group 2 System (free and clear of all Encumbrances other than Permitted Encumbrances) to Buyer (or has otherwise arranged for such transfer to occur at the MCE Closing to the reasonable satisfaction of Buyer), such Disputed MCE System shall be deemed to be wholly owned by Seller) (an “MCE Resolution”). Buyer shall not have any obligation to enter into an MCE Management Agreement unless Buyer is provided with reasonably satisfactory evidence of (A) the enforceability of such MCE Management Agreement from and after the Closing, (B) the authority of the counterpart(ies) to enter into and perform such MCE Management Agreement and to bind such Disputed MCE System and (C) the creditworthiness of such Group 2 System (or such other Person who or such instrument that guarantees the Liabilities of such Group 2 System pursuant to the applicable MCE Management Agreement). Seller shall notify Buyer of any MCE Resolution as promptly as practicable and in any event within three Business Days of obtaining any such MCE Resolution and shall provide Buyer with such information and documentation related thereto as Buyer reasonably requests.

(c) As to any Disputed MCE System that is the subject of an MCE Resolution that occurs prior to the expiration of the MCE Period, and with respect to which (i) Buyer (or its designee) enters into an MCE Management Agreement that has not been terminated in accordance with its terms (other than by Seller as a direct result of a breach by Buyer (or its designee)) or rejected and remains in full force and effect until the completion of the MCE Closing (a “Buyer Managed MCE System”) or (ii) Buyer (or its designee) does not enter into such an MCE Management Agreement but, within 60 days of such MCE Resolution, Buyer makes an election to purchase such Disputed MCE System, the parties agree that Seller shall sell, or cause to be sold, to Buyer and Buyer shall purchase from Seller (or the applicable transferor which Seller causes to sell) the Assets of such Disputed MCE Systems in exchange for an amount of cash equal to the Final MCE Purchase Price to be delivered by wire transfer of immediately available funds to one or more accounts designated by Buyer, at a single closing (the “MCE Closing”) that, subject to satisfaction of the conditions

set forth in Sections 6.1, 6.2 (other than, without limiting Section 2.9(d)(ii), Sections 6.2(a), 6.2(f) (but only if Buyer is a Proximate Cause Party) and 6.2(h)) and 6.3 (other than, without limiting Section 2.9(d)(ii) and Section 6.3(a)) (applied with respect to such Disputed MCE Systems (treating such Systems as a Specified Business) *mutatis mutandis*), shall occur on the fifth Business Day following the earlier of (A) the expiration of the MCE Period and (B) the date all Disputed MCE Systems have been subject to an MCE Resolution; provided,

49

however, that 4% of the cash so delivered will be deposited in the Escrow Account. At the MCE Closing, the parties will assign or assume, as applicable, the Transferred Assets and Assumed Liabilities with respect to each such Disputed MCE System (treating such System as a Specified Business) that would have been assigned and assumed as if the Closing had been delayed until the date of the MCE Closing and shall execute such conveyance, assumption and other instruments as are required pursuant to Sections 2.11 and 2.12 (applied with respect to such Disputed MCE Systems (treating such Systems as a Specified Business) and applied with respect to the MCE Purchase Shares (treating such MCE Purchase Shares as Purchase Shares) *mutatis mutandis*. Business, at and for the fiscal year ended December 31, 2003 (but not including, except with respect to the unaudited statements of income, Unallocated Shared Assets and Liabilities), in each case derived from the Audited Financial Statements for the corresponding time period (the "Derivative 2003 Financial Statements") and (iii) the unaudited balance sheet and unaudited statements of income, stockholders' equity and cash flows for each Specified Business, but including the Excluded Assets and the Excluded Liabilities Related to such Specified Business, at and for the fiscal year ended December 31, 2004 (but not including, except with respect to the unaudited statements of income, Unallocated Shared Assets and Liabilities) (the "Derivative 2004 Financial Statements") and (iv) the unaudited balance sheet and unaudited statements of income, stockholders' equity and cash flows for the Unallocated Shared Assets and Liabilities at and for the fiscal year ended December 31, 2004 (the "Derivative Unallocated 2004 Financial Statements"). The Audited Financial Statements have been prepared from the books and records of Seller and its Affiliates in accordance with GAAP consistently applied (except as may be indicated in the notes thereto), and fairly present, in all material respects, the financial condition and results of operations, stockholders' equity and cash flows of Seller and its Affiliates (assuming the exclusion of the Group 2 Systems and the MCE Systems (as defined in the Friendco Purchase Agreement) from the Business) as of the dates thereof or for the periods then ended. The Derivative 2003 Financial Statements and the Derivative 2004 Financial Statements have been specially prepared from the books and records of Seller and its Affiliates in accordance with GAAP consistently applied (except as may be indicated in the notes thereto) and fairly present, in all material respects, the financial condition and results of operations, stockholders' equity and cash flows of each such Specified Business (including the Group 2 Systems) as of the dates thereof or for the periods then ended, subject to the absence of footnotes and similar presentation items therein and excluding the Unallocated Shared Assets and Liabilities (other than the related revenues and expenses). management or other employees who have a significant role in Seller' s or any of Seller' s Subsidiaries' internal controls. Copies of all disclosures described in the foregoing sentence have been made available to Buyer. Seller and its consolidated Subsidiaries have established and maintain disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Exchange Act); such disclosure controls and procedures are designed to ensure that material information relating to Seller, including its consolidated Subsidiaries, is made known to Seller' s Chief Executive Officer and its Chief Financial Officer by others

within those entities; and such disclosure controls and procedures are effective in alerting Seller' s Chief Executive Officer and its Chief Financial Officer to material information of the nature required to be disclosed in periodic reports pursuant to the Exchange Act in a timely fashion.

Confirmation Order, will be in full force and effect and will be enforceable against each party thereto in accordance with the express terms thereof and will not require any consent of any Person or any payment thereunder in respect of such assignment (unless such payment is made by Seller or any of its Affiliates on or prior to the Closing) and any violation, breach or event of default, or event or condition that, after notice or lapse of time or both (to the extent required), would constitute a violation, breach or event of default thereunder on the part of Seller or any of its Affiliates existing prior to such assumption and assignment

will be fully discharged and none of Buyer nor any of its Affiliates shall have any responsibility therefor. To the Knowledge of Seller, no other party to any Transferred Real Property Lease or Transferred Right-of-Way is in default, violation or breach of such Transferred Real Property Lease or Transferred Right-of-Way and there are no disputes pending or threatened thereunder other than those defaults, violations, breaches and disputes that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Except to the extent of any Claims that will be discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional Discharge), each Specified Business has no Liabilities and there is no existing condition, situation or set of circumstances that, individually or in the aggregate, would reasonably be expected to result in a Liability of any Specified Business, other than (a) Liabilities specifically reflected, reserved against or otherwise disclosed in the Derivative 2004 Financial Statements or, only with respect to Liabilities included in the Unallocated Shared Assets and Liabilities that become Assumed Liabilities pursuant to Section 2.5, the Derivative Unallocated 2004 Financial Statements, (b) Excluded Liabilities and (c) Liabilities that were incurred in the Ordinary Course of Business since the date of the Derivative 2004 Financial Statements and that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

prior to the Closing, be governed by the terms of the Seller Confidentiality Agreement. No information or knowledge obtained in any investigation by Buyer pursuant to this Section 5.1(a) shall affect or be deemed to modify any representation or warranty made by Seller hereunder.

(b) Following the Closing and until all applicable statutes of limitations (including periods of waiver) have expired, Buyer agrees to retain all Books and Records in existence on the Closing Date, and to the extent permitted by Law and confidentiality obligations existing as of the Closing Date, grant to Seller and its representatives during regular business hours and subject to reasonable rules and regulations, the right, at the expense of Seller, (i) to inspect and copy the Books and Records and (ii) to have personnel of Buyer made reasonably available to them or have Buyer otherwise cooperate to the extent reasonably necessary, including in connection with (A) preparing and filing Tax Returns and/or any Tax inquiry, audit, investigation or dispute, (B) any litigation or investigation or (C) the claims resolution, plan administration and case closing processes in the Reorganization Case; provided, however, that in no event shall Seller have access to any information that, based on advice of Buyer' s counsel, would (1) reasonably be expected to create Liability under applicable Laws, including U.S. Antitrust Laws, or waive any material legal privilege (provided, that in such latter event Buyer and Seller shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of such legal privilege), (2) result in the disclosure of any trade secrets of third parties or (3) violate any obligation of Buyer with respect to confidentiality (provided, that with respect to clause (3), to the extent specifically requested by Seller, Buyer has in good faith sought to obtain a waiver regarding the possible disclosure from the third party to whom it owes an obligation of confidentiality). In no event shall Seller or its representatives have access to the Tax Returns of Buyer. No Books and Records shall be destroyed by Buyer without first advising Seller in writing and giving Seller a reasonable opportunity

to obtain possession thereof at the transferee' s expense. All information received pursuant to this Section 5.1(b) shall be governed by the terms of Section 5.1(d) .

reasonably available to them or have Seller otherwise cooperate to the extent reasonably necessary, in each case, including in connection with (A) preparing and filing Tax Returns and/or any Tax inquiry, audit, investigation or dispute or (B) any litigation or investigation; provided, however, that in no event shall Buyer or its representatives have access to any information that, based on advice of Seller' s counsel, would (1) reasonably be expected to create Liability under applicable Laws, including U.S. Antitrust Laws, or waive any material legal privilege (provided, that in such latter event Buyer and Seller shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of such legal privilege), (2) result in the disclosure of any trade secrets of third parties or (3) violate any obligation of Seller with respect to confidentiality (provided, that with respect to clause (3), to the extent specifically requested by Buyer, Seller has in good faith sought to obtain a waiver regarding the possible disclosure from the third party to whom it owes an obligation of confidentiality). No Retained Books and Records shall be destroyed by Seller without first advising Buyer in writing and giving Buyer a reasonable opportunity to obtain possession thereof at the transferee' s expense.

(d) From and after the Closing, Seller and its Affiliates shall keep confidential any non-public information in their possession Related to the Business or related to the Transferred Assets (any such information that is required to keep confidential pursuant to this sentence shall be referred to as “Confidential Information”). Neither Seller nor its Affiliates shall disclose, or permit any of their respective directors, officers, employees or representatives to disclose, any Confidential Information to any other Person or use such information to the detriment of Buyer or its Affiliates; provided, that such party may use and disclose any such information (i) once it has been publicly disclosed (other than by such party in breach of its obligations under this Section 5.1(d)) or (ii) to the extent that such party may, in the reasonable judgment of its counsel, be compelled by Law to disclose any of such information, such party may disclose such information if it has used commercially reasonable efforts, and has afforded Buyer the opportunity, to obtain an appropriate protective order, or other satisfactory assurance of confidential treatment, for the information compelled to be disclosed. Except in respect of Excluded Assets and Excluded Liabilities, the Seller Confidentiality Agreement shall terminate upon the Closing with no further liability thereunder on the part of any party thereto.

Section 5.2 Conduct of Business. (k) not make any material loans, advances or capital contributions to, or investments in, any other Person (other than, to the extent not in violation of applicable Law, customary loans or advances to employees in amounts not material to the maker of such loan or advance and other than to any Subsidiary of Seller in the Ordinary Course);

(y) not file a cost-of-service rate justification;

(z) use commercially reasonable efforts to launch telephony and video on demand services in the Cable Systems identified on Schedule 5.2(z) of the Seller Disclosure Schedule substantially in accordance with the timetable set forth on such Schedule 5.2(z), and provide Buyer with written notice promptly following any such launch;

(dd) give or cause to be given to Buyer, and its counsel, accountants and other representatives, (i) as soon as reasonably possible, but in any event prior to the date of submission to the appropriate Government Entity, copies of all FCC rate Forms 1205, 1210, 1235, and 1240, and simultaneous with, or as soon as reasonably possible after submission to the appropriate Government Entity, any other FCC Forms required under the regulations of the FCC promulgated under the Cable Act that are prepared with respect to any of the Cable Systems and (ii) as soon as reasonably possible after filing copies of all copyright returns filed in connection with any Cable System; provided, that in the case of clause (i), before any such FCC Forms 1205, 1210, 1235, or 1240 are filed, Seller and Buyer shall consult in good faith concerning the contents of such forms; and

(ee) not announce an intention, authorize or enter into any agreement or commitment with respect to any of the foregoing.

Section 5.3 Commercially Reasonable Efforts.

(a) Subject to the Bankruptcy Code and any orders of the Bankruptcy Court, Seller and Buyer shall cooperate and use their respective commercially reasonable efforts to fulfill as promptly as practicable the conditions precedent to the other party's obligations hereunder and shall use their respective commercially reasonable efforts to fulfill as promptly as practicable the conditions precedent to their obligations hereunder to the extent they have the ability to control the satisfaction of such obligations. Without limiting the generality of the foregoing, Seller and Buyer shall (i) make all filings and submissions required by the U.S. Antitrust Laws and any other Laws, and promptly file any additional information requested as soon as practicable after receipt of such request therefor and promptly file any other information that is necessary, proper or advisable to permit consummation of the Transaction and the Exchange and (ii) use commercially reasonable efforts to obtain and maintain all Seller Required Approvals and Buyer Required Approvals in form and substance reasonably satisfactory to Buyer and Seller. In connection with the foregoing, Seller and Buyer will endeavor to consummate the Transaction without (or with minimal) costs, conditions, limitations or restrictions associated with the grant of such Seller Required Approvals and Buyer Required Approvals.

(b) Notwithstanding anything to the contrary herein, nothing in this Agreement shall require Buyer to agree to or to effect any divestiture, hold separate or similar agreement with respect to any business or Assets or agree to enter into, or amend, or agree to amend, any Contracts or governmental authorizations or take or refrain from taking any other action or conduct any business in any manner if doing so would reasonably be expected, individually or in the aggregate, to have an adverse impact that is material to the Buyer Business or the Transferred Assets or would materially constrain the operations of Buyer and its Subsidiaries or of the Transferred Assets; it being understood that the incurrence of legal, accounting, investment banking and other customary forms of transaction expenses and the

commitment of reasonable management time and effort shall not be considered an adverse impact for the purpose of this Section 5.3(b) .

(c) No later than 45 days following the date hereof, Buyer and Seller shall provide each other (or shall cause their respective Subsidiaries to provide) with all necessary documentation to allow filing of FCC Forms 394 with respect to the Franchises with respect to which a LFA Approval is or may be required. Buyer and Seller shall use commercially reasonable efforts to cooperate with one another and, no later than 60 days following the date hereof, file with the applicable Government Entity FCC Forms 394 for each of the Franchises with respect to which a LFA Approval is required. Buyer and Seller shall cooperate and use their commercially reasonable efforts to have Buyer enter into a substitute performance bond arrangement with respect to those Assets of each Specified Business the transfer of which to Buyer would require Buyer to enter into such a substitute bond arrangement, on substantially the same terms as the substitute bond arrangement with respect to such Assets in effect as of the date hereof. Notwithstanding anything to the contrary herein, Seller shall not accept, agree to or accede to any modifications or amendments to, or in connection with, or any conditions to the transfer

of, any Franchises that are not approved by Buyer in writing, such approval not to be unreasonably withheld; provided, however, that if Seller affords Buyer reasonable notice of, and opportunity to attend and participate in, meetings or other discussions relating to LFA Approvals where modifications, amendments or conditions are expected to be discussed or negotiated, Buyer shall approve any such modifications, amendments or conditions that are approved by Seller so long as such modifications, amendments or conditions are commercially reasonable and are similar in nature, extent and impact (giving due consideration to such factors as the relative size of the Franchise involved, the proximity of other Franchises, the financial and operational impact of the change and the precedential impact thereof) to modifications, amendments or conditions agreed to by Buyer or Friendco Parent in connection with material acquisitions of cable assets effected since 2001. In addition, if Buyer seeks any LFA Approval pursuant to this Transaction, Buyer shall agree to any modifications, amendments or conditions that are commercially reasonable and are similar in nature, extent and impact (giving due consideration to such factors as the relative size of the Franchise involved, the proximity of other Franchises, the financial and operational impact of the change and the precedential impact thereof) to modifications, amendments or conditions agreed to by Buyer or Friendco Parent in connection with material acquisitions of cable assets effected since 2001.

(d) Each of the parties hereto agrees to execute and deliver such other documents, certificates, agreements and other writings and to take such other commercially reasonable actions as may be necessary or desirable in order to evidence, consummate or implement expeditiously the transactions contemplated by this Agreement and to vest in Buyer good and marketable title to the Transferred Assets to the same extent as held by Seller and its Affiliates (other than the Transferred Assets to be retained by a Transferred Joint Venture Entity), and to vest in the Transferred Joint Venture Entities good and marketable title to the Transferred Assets to be retained by such Transferred Joint Venture Entity, in each case free and clear of all Encumbrances other than, in the case of Transferred Assets other than the JV Interests and the Transferred Investments, Permitted Encumbrances, in the case of the JV Interests, Encumbrances under the JV Documents, and in the case of the Transferred Investments, Encumbrances under the Investment Documents and, in each case, Encumbrances created by Buyer or any of its Affiliates (other than, prior to the Closing, any Transferred Joint Venture Entity or the Palm Beach Joint Venture).

(e) Seller and Buyer shall cooperate with each other and shall furnish to the other party all information reasonably necessary or desirable in connection with making any filing under the HSR Act, and in connection with resolving any investigation or other inquiry by any Government Antitrust Entity with respect to the Transaction and the Exchange; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller

as a result of such cooperation solely to the extent it relates to the consummation of the Exchange. Each of the parties shall promptly inform the other party of any communication with, and any proposed understanding, undertaking or agreement with, any Government Entity regarding any such filings or any such transaction. Seller and Buyer shall not participate in any meeting with any Government Antitrust Entity in respect of any such filings, investigation or other inquiry without giving the other party prior notice of, and the opportunity to participate in, such

meeting. The parties hereto will consult and cooperate with one another in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party hereto in connection with all meetings, actions and proceedings under or relating to the HSR Act (including, with respect to making a particular filing, by providing copies of all such documents (other than those that will not be publicly available) to the non-filing party and their advisors prior to filing and, if requested, giving due consideration to all reasonable additions, deletions or changes suggested in connection therewith); provided, however, that in no event shall Buyer or Seller be required to furnish any information that, based on advice of such party's counsel, would reasonably be expected to create any potential Liability under applicable Laws, including U.S. Antitrust Laws, or would constitute a waiver of any material legal privilege (provided, that in such latter event Buyer and Seller shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of such legal privilege).

(f) In furtherance and not in limitation of the foregoing, each of Buyer and Seller agrees to make, as promptly as practicable, (i) an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the Transaction and the Exchange (which filing shall be made in any event within 20 Business Days of the date hereof), (ii) appropriate filings with the FCC, and any state public service commissions having jurisdiction over any Transferred Assets or any services provided by any Specified Business or the Assets of or services provided by the Buyer Business with respect to the Transaction and the Exchange, and (iii) all other necessary filings with other Government Entities relating to the Transaction and the Exchange, and to use commercially reasonable efforts to cause the expiration or termination of the applicable waiting periods under the HSR Act and the receipt of the Seller Required Approvals and the Buyer Required Approvals under such other Laws or from such authorities or third parties as soon as practicable; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(g) Each of Seller and Buyer shall give (or shall cause their respective Subsidiaries to give) any notices to third parties, and use, and cause their respective Subsidiaries to use, commercially reasonable efforts to obtain any third party (excluding Government Entities) consents related to or required in connection with the Transaction and the Exchange that are Seller Required Approvals or Buyer Required Approvals; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(h) Notwithstanding anything in this Agreement to the contrary, Buyer shall have the sole responsibility for any filing, submission or other action (including, for the avoidance of doubt, obtaining any required LFA Approval) that is necessary, proper or advisable to permit the consummation of the Exchange (it being understood that Seller shall use its commercially reasonable efforts to cooperate with Buyer with respect to any action required to be taken by Buyer pursuant to this sentence; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by

Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(i) After the Closing, Buyer shall, in the ordinary course of business of Buyer, use its commercially reasonable efforts to bill and collect from each Basic Subscriber that is potentially a Qualified Customer any amounts due and payable in respect of services delivered to such Basic Subscriber prior to the Closing.

Section 5.4 Tax Matters.

(a) Proration of Taxes. To the extent necessary to determine the liability for Taxes for a portion of a taxable year or period that begins before and ends after the Closing, the determination of the Taxes for the portion of the year or period ending on, and the portion of the year or period beginning after, the Closing shall be determined by assuming that the taxable year or period ended as of the close of business on the Closing, except that those annual property taxes and exemptions, allowances or deductions that are calculated on an annual basis shall be prorated on a time basis. For the avoidance of doubt, (i) any Taxes that are apportioned to the portion of a taxable period that ends on the Closing pursuant to this Section 5.4(a) shall be Excluded Taxes and (ii) any Taxes that are apportioned to the portion of a taxable period beginning after the Closing pursuant to this Section 5.4(a) shall be Assumed Taxes.

(b) Tax Returns. (i) Seller shall file or cause to be filed when due all Tax Returns that are required to be filed by or with respect to all Transferred Joint Venture Entities for taxable years or periods ending on or before the Closing Date and shall pay any Taxes due in respect of such Tax Returns (which for the avoidance of doubt shall not include income Taxes payable by any partner in a Transferred Joint Venture Parent), and Buyer shall file or cause to be filed when due all Tax Returns that are required to be filed by or with respect to all Transferred Joint Venture Entities for taxable years or periods ending after the Closing Date.

(ii) Except as provided in Section 5.4(c), if either party shall be liable hereunder to pay over to the other party any portion of the Tax (including, for the avoidance of doubt, by reason of the inclusion of such Tax in Assumed Taxes or Excluded Taxes) of a Transferred Joint Venture Entity shown due on any such Tax Return required to be filed by the other party with respect to a taxable period that includes the Closing Date, the party preparing such Tax Return shall deliver a copy of the relevant portions of such Tax Return to the party so liable for its review and approval not less than 30 days prior to the date on which such Tax Return is due to be filed (taking into account any applicable extensions). If the parties disagree as to any item reflected on any such Tax Return, the non-preparing party shall notify the preparing party of such disagreement and its reasons for so disagreeing, in which case the parties shall attempt to resolve such disagreement. To the extent that Seller and Buyer cannot reach agreement with respect to such disputed item, the resolution of such dispute shall be made by the CPA Firm, or such nationally recognized firm of independent accountants agreed upon by Seller and Buyer, whose decision shall be final and binding and whose expenses shall be shared equally by Seller and Buyer. The party liable to pay over to the other party any

portion of a Tax under Section 5.4(b) that is payable with a Tax Return to be filed by the other party with respect to a taxable period that includes the Closing Date, shall pay the other party at least 10 days prior to the due date for the filing of such Tax Return.

(iii) Buyer shall not file any amended Tax Returns with respect to any Transferred Joint Venture Entity that includes a period ending on or before the Closing Date without Seller's written consent, which shall not be unreasonably withheld or delayed.

(c) Transfer Taxes. (i) To the extent not otherwise exempt to the fullest extent permitted by section 1146(c) of the Bankruptcy Code and except as otherwise provided in this Section 5.4(c)(i), all federal, state, local or foreign or other excise, sales, use, value added, transfer (including real property transfer or gains), stamp, documentary, filing, recordation and other similar taxes and fees that may be imposed or assessed as a result of the Transaction, together with any interest, additions or penalties with respect thereto and any interest in respect of such additions or penalties ("Transfer Taxes"), shall, subject to the provisos to Sections 5.4(c)(iii) and 5.4(c)(v), be borne by Buyer.

(ii) Any Tax Returns that must be filed in connection with Transfer Taxes ("Transfer Tax Returns") shall be prepared by Buyer, and Buyer shall prepare such Transfer Tax Returns in a manner consistent with the allocation of the consideration that is agreed pursuant to Section 5.4(d); provided, however, that if Buyer and Seller do not jointly agree to a Purchase Price Allocation Schedule as provided in Section 5.4(d) and except as provided in Section 5.4(c)(iii), any such Transfer Tax Return shall be prepared by Buyer in good faith in a manner consistent with the purchase price allocation of Buyer or Seller that Buyer and Seller, as the case may be, use for Tax purposes that results in the higher aggregate Transfer Tax liability with respect to each applicable jurisdiction. The party filing any Transfer Tax Return (or similar form claiming an applicable exemption from Transfer Taxes) pursuant to this Section 5.4 shall furnish a copy of such Transfer Tax Return (or similar form) to the other party.

(iii) Except as provided in the following proviso, all Transfer Tax Returns shall be filed by Buyer, and Buyer shall be responsible for remitting all amounts shown as due on such Transfer Tax Returns to the appropriate Government Entity; provided, however, that, in the case of any Transfer Tax Return in which Seller's purchase price allocation would result in a higher aggregate Transfer Tax liability than Buyer's purchase price allocation (w) Buyer shall prepare such Transfer Tax Return unless Seller reasonably determines that the positions taken on such Transfer Tax Return as prepared by Buyer would reasonably be expected to give rise to a material risk of civil and/or criminal penalties (other than interest) if challenged by the applicable Government Entity, in which case, Seller may prepare such Transfer Tax Return, (x) Seller shall be responsible for filing such Transfer Tax Return and for remitting all amounts shown as due thereon to the appropriate Government Entity, (y) notwithstanding any other provision of this Section 5.4(c) to the contrary, Buyer shall pay to Seller an amount equal to the Transfer Tax liability that would have resulted if such return had been prepared by Buyer (it being understood that, for purposes of this clause (y), the Transfer Tax Return

that would have been prepared by Buyer shall be determined by using (1) the Buyer's purchase price allocation, and (2) Buyer's interpretation of applicable Tax Law as reflected in the Transfer Tax Return prepared by Buyer pursuant to clause (x) hereof), and (z) Seller shall have sole responsibility for the balance of the Transfer Tax liability with respect to such Transfer Tax Return. Buyer and Seller shall (and shall cause each of their respective Affiliates to) cooperate in the timely completion and filing of all such Tax Returns, and Buyer and Seller shall (and shall cause each of their respective Affiliates to) execute such documents in connection with such filings as shall have been required by Law or reasonably requested by the other party.

(iv) Buyer shall control the conduct of any audit, claim, contest or administrative or judicial proceeding relating to such Transfer Taxes, subject to Seller's right to make any statement or report to any tax authority reflecting the purchase price allocation prepared by Seller; provided, however, that Seller shall be entitled to make any such statement and/or report only (A) to the extent Seller reasonably determines is reasonably necessary to rebut any

presumption under applicable Tax Law that would otherwise deem Seller to have agreed to and adopted the purchase price allocation prepared by Buyer in the absence of such statement or report and (B) if such presumption could reasonably be expected to result in an adverse effect on Seller other than a *de minimis* adverse effect. If Buyer or Seller receives any written notice of assessment or other claim from any Government Entity with respect to Transfer Taxes for which the other party may be liable pursuant to this Section 5.4(c), the notified party shall notify the other party in writing of the receipt of such notice of assessment or other claim promptly after the receipt thereof.

(v) Any additional Transfer Taxes resulting from an adverse determination by a Government Entity shall be borne by Buyer; provided, however, that, so long as the adverse determination by the applicable Government Entity does not relate directly to purchase price allocation, Seller shall be responsible for any such additional Transfer Taxes to the extent that such additional Transfer Taxes are attributable to the use of Seller's purchase price allocation rather than Buyer's purchase price allocation.

(vi) Any Transfer Taxes resulting from any subsequent increase in the Purchase Price pursuant to this Agreement shall be borne in accordance with the provisions of this Section 5.4(c) .

(vii) Buyer and Seller shall cooperate in good faith to minimize the amount of Transfer Taxes that may be imposed or assessed as a result of the Transaction, including pursuant to one or more restructuring transactions consummated pursuant to the Plan prior to the Closing; provided, that Buyer and Seller conclude in good faith that such restructuring would have a more likely than not probability of prevailing if challenged by the applicable Government Entity.

(d) Determination and Allocation of Purchase Price. Seller and Buyer undertake to act in good faith to jointly agree to a schedule setting forth the allocation of the consideration in the Transaction (including, as appropriate for Tax purposes, assumptions of liabilities) among the Transferred Assets (the "Purchase Price Allocation

Schedule") for Tax purposes. If Seller and Buyer so agree within 180 days of the Closing Date, Seller and Buyer shall, and Seller and Buyer shall cause each of their respective Affiliates, (i) to report the federal, state, and local income and other Tax consequences of the Transaction contemplated herein in a manner consistent with such Purchase Price Allocation Schedule and (ii) not to take any position inconsistent therewith for any Tax purposes (unless required by a change in applicable Tax Law or as a result of a good faith resolution of a contest). If Seller and Buyer do not so agree within 180 days of the Closing Date, each of Seller and Buyer may prepare their own purchase price allocation and, for the avoidance of doubt and except as provided in Sections 5.4(c)(iii) and 5.4(c)(v), each of Buyer and Seller will have no liability to the other for any additional Taxes that may be imposed by any Government Entity as a result of inconsistencies between the respective allocations of Buyer and Seller.

(e) Employee Withholding and Reporting Matters. With respect to those Transferred Employees who are employed by Buyer within the same calendar year as the Closing, Buyer shall, in accordance with and to the extent permitted pursuant to Revenue Procedure 2004-53, 2004-34 I.R.B. 320, assume all responsibility for preparing and filing Form W-2, Wage and Tax Statement, Form 941, Employer's Quarterly Federal Tax Return, Form W-4, Employee's Withholding Allowance Certificate and Form W-5, Earned Income Credit Advance Payment Certificate. Seller and Buyer agree to comply with the procedures described in Section 5 of the Revenue Procedure 2004-53. Notwithstanding any provision of this Agreement, all Taxes required to have been withheld by Seller and its Subsidiaries from their respective employees and independent contractors with respect to any taxable periods, or portions thereof, ending on or before the Closing shall be Excluded Liabilities and shall not be treated as Assumed Liabilities.

(f) Section 754 Elections.

(i) Seller agrees to use commercially reasonable efforts to cause each Transferred Joint Venture Parent to make a valid Section 754 Election (or comparable election, if provided for under applicable state or local law) for a taxable year ending on or prior to the Closing Date. Seller shall not take any action or permit any of its Affiliates (including any Transferred Joint Venture Parent) to take any action that would cause any such Section 754 Election to become void or invalid.

(ii) If Seller or any of its Affiliates reports any Subsidiary of a Transferred Joint Venture Parent as a partnership for U.S. federal income Tax purposes, Seller agrees to use commercially reasonable efforts to cause such Subsidiary to make a valid Section 754 Election (or comparable election, if provided for under state or local law) for a taxable year ending on or prior to the Closing Date.

Section 5.5 Post-Closing Obligations of each Specified Business to Certain Employees.

(a) Seller shall provide to Buyer not later than 14 Business Days following the date hereof, a copy of each employment agreement or other individual agreement governing the terms and conditions of any Applicable Employee' s

employment entered into with any Applicable Employee and a schedule of each Applicable Employee with his or her title, job location, employer, primary place of residence, salary or wage rate, commission status, bonus opportunity, date of hire, level or other job classification, full or part time status, "exempt" or "non-exempt" status, whether such Applicable Employee is part of a collective bargaining unit and regularly scheduled work shift, as applicable, and shall supplement such schedule not later than 60 Business Days following the date hereof, indicating for each Applicable Employee, such Applicable Employee' s direct supervisor and most recent performance rating or evaluation. In addition, not later than 55 Business Days prior to the Closing Date, Seller shall update such schedule, including with respect to each Applicable Employee' s direct supervisor and most recent performance rating or evaluation. Not later than 40 Business Days prior to the Closing Date, Buyer shall make offers of employment commencing on the Closing Date to all Applicable Employees, and such offers shall be contingent upon (i) the Closing, (ii) such Employee being an Applicable Employee on the Closing Date and (iii) such Applicable Employee' s satisfaction of customary employment conditions applicable to all Buyer employees which customary employment conditions are set forth on Schedule 5.5(a)(i) of the Buyer Disclosure Schedule (it being understood that such conditions will not include the evaluation of prior performance) (the "Background Check"); provided, however, that Buyer shall have no obligation to extend an offer of employment to any Employee who as of the date hereof or as of the Closing Date is identified by job function, description or title or otherwise noted on Schedule 5.5(a)(ii) of the Seller Disclosure Schedule; and provided, further that Buyer need not extend an offer to any Applicable Employee who is employed by a Transferred Joint Venture Entity (such employees, other than those set forth on Schedule 5.5(a)(ii) of the Seller Disclosure Schedule, the "Joint Venture Employees"). Joint Venture Employees who have, as of the Closing Date, satisfied the Background Check and who are Applicable Employees on the Closing Date ("Transferred Joint Venture Employees") shall remain employees of the applicable Transferred Joint Venture Entity as of immediately following the Closing and shall be entitled to compensation and benefits in accordance with the terms set forth in this Section 5.5. Buyer shall cooperate with Seller from and after the date hereof to communicate with Applicable Employees other than those set forth on Schedule 5.5(a)(ii) of the Seller Disclosure Schedule regarding (i) the anticipated offers of employment to be made by Buyer to such Applicable Employees hereunder or (ii) the continuation of such Applicable Employee' s

employment with the applicable Transferred Joint Venture Entity, as the case may be. Offers of employment required by this Section 5.5(a) shall be for a position of similar or greater status, authority, duties and aggregate compensation (excluding any equity-based compensation, severance, retention, sale, stay, special bonus, emergence or other change in control payments or awards or any similar compensation or award) as such Employee enjoys with Seller and/or its Affiliates immediately prior to the Closing Date, that is within a 50-mile radius from such Employee's primary place of residence as of the Closing Date, and with any such additional rights and benefits as are prescribed by this Section 5.5. Consistent with and subject to the foregoing and the other terms of this Agreement, Buyer shall have the right to establish the terms and conditions under which such offers will be made. Not later than two Business Days following the date offers are required to be made hereunder, Buyer shall provide to Seller a list of the Applicable Employees who do not satisfy the Background Check, by job position or

name and region, and as to whom Buyer as a result of such Background Check failure has not made offers of employment pursuant to this Section 5.5(a). The parties hereto shall cooperate with each other to give effect to this Section 5.5(a) and neither Seller nor its Affiliates shall take any actions that would interfere with the Applicable Employees so offered employment from becoming employed by Buyer or the Joint Venture Employees becoming Transferred Joint Venture Employees, as the case may be, as of the Closing Date. Immediately prior to the Closing, the Transferred Joint Venture Entities shall employ no individuals other than those Employees who are or will be Transferred Joint Venture Employees Related to the applicable Joint Venture Business. If any Employee, other than a Transferred Employee, becomes entitled to any payments or benefits under any severance policy, plan, agreement, arrangement or program which exists or arises or may be deemed to exist or arise, under any applicable Law or otherwise, as a result of the consummation of the Transaction or otherwise, Seller shall be liable for such amounts, which Liability shall constitute an Excluded Liability except to the extent Buyer does not comply with the requirement to offer employment on the terms set forth in this Section 5.5(a).

(b) Beginning on the Closing Date and ending no earlier than the first anniversary of the Closing Date, Buyer shall provide each Transferred Employee, other than any Transferred Employee included in a collective bargaining unit covered by the Collective Bargaining Agreements as in effect on the Closing Date (each, a "Union Employee") with, at Buyer's sole discretion, either compensation and employee benefits that are (i) no less favorable in the aggregate (excluding any equity-based compensation, severance, retention, sale, stay, special bonus, emergence or other change in control payments or awards or any similar compensation or award) than the compensation and employee benefits provided to each such Transferred Employee immediately prior to the Closing Date or (ii) substantially comparable in the aggregate (excluding any severance) to the compensation and employee benefits provided to similarly situated employees of Buyer; provided, that for purposes of any equity-based compensation, such employees shall be deemed newly hired employees of Buyer. In addition, to the extent Buyer maintains a tax-qualified defined benefit pension plan, from and after the date each Transferred Employee satisfies the applicable eligibility and service requirements of any such plan as in effect on any date of determination, such Transferred Employee shall participate in such plan to the same extent as similarly situated employees of Buyer. With respect to Union Employees, Buyer will retain any and all of the rights and obligations it may have pursuant to applicable labor Law.

(c) Notwithstanding Section 5.5(b), beginning on the Closing Date, Buyer shall, for a period ending no earlier than the first anniversary of the Closing Date, maintain a severance plan for the benefit of each Transferred Employee, other than any Union Employee, that is no less favorable to Transferred Employees than the Amended and Restated Adelpia Communications Corporation Severance Plan effective September 21, 2004 (the "Seller Severance Plan") and which includes the same general terms and conditions regarding eligibility and exclusion from eligibility for severance pay and benefits as the Seller Severance Plan. It is intended that this Section 5.5(c) shall not result in any duplication of benefits to any Transferred Employee.

(d) To the extent (and only to the extent) set forth on Schedule 5.5(d) of the Seller Disclosure Schedule, Buyer shall assume all Liabilities and obligations to provide any severance pay and benefits to any Transferred Employee whose employment is terminated following the Closing. Buyer shall reimburse Seller for any severance costs incurred with respect to any Employee who is not offered employment by Buyer pursuant to this Transaction in the event Buyer or any of its Subsidiaries hires such Employee within three months after the Closing.

(e) For purposes of this Agreement, (i) “Applicable Employees” means all of the following:

(A) All persons who are active Employees on the Closing Date, including Employees on vacation and Employees on a regularly scheduled day off from work. Employees on temporary leave for purposes of jury or annual two-week national service/military duty shall be deemed to be active Employees;

(B) Employees who on the Closing Date are on nonmedical leave of absence; provided, however, that no such Employee shall be guaranteed reinstatement to active service if his return to employment is contrary to the terms of his leave, unless otherwise required by applicable Law (for purposes of the foregoing, nonmedical leave of absence shall include maternity or paternity leave, leave under the Family and Medical Leave Act of 1993, educational leave, military leave with veteran’s reemployment rights under federal Law, or personal leave, unless any of such is determined to be a medical leave); and

(C) Employees who on the Closing Date are on disability or medical leave and for whom it has been 180 calendar days or less since their last day of active employment; provided, however, that no such Employee shall be guaranteed reinstatement to active service if he is incapable of working in accordance with the policies, practices and procedures of Buyer; and

(ii) “Transferred Employees” means those Applicable Employees who accept offers of employment with Buyer and the Transferred Joint Venture Employees.

(f) Seller shall retain responsibility for and continue to pay all medical, life insurance, disability and other welfare plan expenses and benefits for each Transferred Employee with respect to claims incurred by such Transferred Employee or his or her covered dependents prior to the Closing Date except to the extent (and only to the extent) such liabilities are reflected in the determination of the Closing Net Liabilities used in the determination of the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed. Buyer shall be responsible for all expenses and benefits with respect to claims incurred by Transferred Employees or their covered dependents on or after the Closing Date. For purposes of this paragraph, a claim is deemed incurred: (i) in the case of medical or dental benefits, when the services that are the subject of the claim are performed, (ii) in the case of life insurance, when the death occurs, (iii) in the case of long-term disability benefits, when the Employee

becomes disabled, and (iv) in the case of workers compensation benefits, when the event giving rise to the benefits occurs.

(g) With respect to any plan that is a “welfare benefit plan” (as defined in Section 3(1) of ERISA), or any plan that would be a “welfare benefit plan” (as defined in Section 3(1) of ERISA) if it were subject to ERISA, maintained by Buyer, Buyer shall (i) provide coverage for Transferred Employees under its medical, dental and health plans as of the Closing Date in accordance with the terms of such plans, (ii) cause there to be waived any pre-existing conditions, actively at work requirements and waiting periods or other eligibility requirements to the extent such conditions, requirements or waiting periods were satisfied by a Transferred Employee under a corresponding Benefit Plan, and (iii) cause such plans to honor any expenses incurred by the Transferred Employees and their dependents or beneficiaries under similar plans of Seller and its Affiliates during the portion of the calendar year in which the Closing Date occurs for purposes of satisfying applicable deductible, co-insurance and maximum out-of-pocket expenses.

(h) Transferred Employees shall be given credit for purposes of eligibility and vesting and other entitlement to benefits or rights, under each employee benefit plan of Buyer (each a “Buyer Plan”) in which such Transferred Employees are or become eligible to participate, for all service (including service with Seller or any of its Affiliates) for which such Transferred Employees were credited for such purposes under a corresponding Benefit Plan of Seller prior to the Closing Date; provided, however, that nothing in this Section 5.5(h) shall result in any duplication of benefits.

(i) Except as required by applicable Law, as of the Closing Date, the Transferred Employees shall cease to accrue further benefits under the employee benefit plans and arrangements maintained by Seller and its Affiliates. From and after the Closing, Seller shall remain solely responsible for any and all Liabilities in respect of the Employees, including the Transferred Employees, related to the Benefit Plans, except as otherwise provided in this Section 5.5. None of Buyer or any of its Affiliates shall assume or have transferred to them the sponsorship of any of the Benefit Plans or any other benefit plans or arrangements maintained by Seller or any of its Affiliates; including any non qualified deferred compensation or rabbi trust plans or arrangements, pursuant to or in connection with the Transaction.

(j) Seller shall take all actions necessary to fully vest the Transferred Employees in their account balances under Seller’ s tax-qualified 401(k) plan (“Seller’ s 401(k) Plan”) effective as of the Closing Date. In accordance with the terms of the applicable plan, each Transferred Employee shall be eligible to participate in a Buyer-sponsored defined contribution plan intended to qualify under Sections 401(a) and 401(k) of the Code (“Buyer’ s 401(k) Plan”). Buyer shall take all actions reasonably necessary to permit beginning as soon as reasonably practical following the Closing Date each Transferred Employee who has received an eligible rollover distribution (as defined in Section 402(c)(4) of the Code) from Seller’ s 401(k) Plan to roll over the distribution, to an account in Buyer’ s 401(k) Plan; provided, that any Transferred Employee with less than six months of service with Seller or any of its Affiliates immediately prior to the Closing Date will only become a participant in the Buyer’ s 401(k) Plan after completing

six months of combined continuous service with Seller or any of its Affiliates and Buyer and any of its Affiliates (without duplication).

(k) With respect to any accrued but unused vacation time (including flexible time-off and sick pay) to which any Transferred Employee is entitled pursuant to the vacation policy applicable to such Transferred Employee immediately prior to the Closing Date, Buyer shall, to the extent permitted by applicable Law, assume the liability for such accrued vacation and allow such Transferred Employee to use such accrued vacation to the extent such Transferred Employee would have been entitled to such accrued vacation based on his level and years of service under the vacation policy of Buyer in effect as of the Closing Date as if such Transferred Employee had been employed by Buyer during such

Transferred Employee' s employment with Seller; provided, however, that if the Transferred Employee' s accrued vacation is greater than the amount of vacation to which such Transferred Employee would have been entitled under Buyer' s vacation policy, Buyer shall pay to such Transferred Employee within 90 days of the Closing Date an amount in cash equal to the difference but only to the extent of the amount reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed. With respect to any sale bonuses under the Sale Bonus Program, Seller shall be responsible for the payment to all Employees of that portion of the bonus that is to be paid on the "First Sale Bonus Payment Date" (as defined in the Sale Bonus Program), which bonuses shall be paid prior to or on the Closing. Buyer shall be responsible for the payment to Transferred Employees on a timely basis of any sale bonuses under the Sale Bonus Program to be paid after the "First Sale Bonus Payment Date" but only to the extent of the amount reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed.

(l) Buyer shall be responsible for providing or discharging any and all notifications, benefits and liabilities to Transferred Employees and governmental authorities required by WARN or by any other applicable Law relating to plant closings or employee separations that are required (i) to be provided after the Closing or (ii) with respect to any plant closing or mass layoff that occurs within the 60-day period immediately following the Closing. Seller agrees to cooperate in preparing and distributing any notices that Buyer may desire to provide prior to the Closing. No later than five Business Days prior to the Closing Date, Seller shall provide Buyer with a schedule setting forth each Employee whose employment was terminated or is anticipated to be terminated during the six month period prior to the Closing Date and the work location of such Employee.

(m) Buyer shall assume any liability under COBRA arising from the actions (or inactions) of Buyer or its Affiliates with respect to the Transferred Employees after the Closing Date. Seller shall retain all obligations with respect to continued coverage under COBRA (and any similar state Law), Section 4980B of the Code and Part 6 of Subtitle B of Title I of ERISA and the regulations thereunder for all Employees, including Applicable Employees, who do not become Transferred Employees. Notwithstanding the immediately preceding sentence, to the extent required by Treasury

Regulation Section 54.4980B -9, Q&A-8(c), Buyer shall perform all obligations under COBRA and the foregoing provisions of the Code and ERISA with respect to each employee of Seller who is an "M&A qualified beneficiary" with respect to the Transaction, as such term is defined by Treasury Regulation section 54.4980B -9, Q&A-4.

(n) For Employees who participate in Seller' s short term incentive bonus program, including the Short-Term Incentive Plan, Sales Incentive Plan and Marketing Incentive Plan, Seller shall be responsible for paying their respective annual bonuses for the period from the January 1 immediately preceding the Closing Date through the Closing (pro-rated for the partial year) and shall pay such bonuses to such Employees not later than the Closing; and, solely with respect to Transferred Employees who participated immediately prior to the Closing Date in such Seller' s short term incentive bonus programs, Buyer shall be responsible for paying respective annual bonuses for the period from the Closing Date through the December 31 immediately following the Closing Date pro-rated for the partial year.

(o) With respect to any Transferred Employee who becomes employed by Friendco or any of its Affiliates pursuant to the Exchange Agreement, references to any benefit plans maintained by Buyer shall be deemed to be references to benefit plans maintained by Friendco or its Affiliates and references to similarly situated employees of Buyer shall be deemed to be references to similarly situated employees of Friendco or its Affiliates.

(p) The parties hereto hereby acknowledge and agree that no provision of this Agreement shall be construed to create any right to any compensation or benefits whatsoever on the part of any Employee or other future, present or former employee of Seller or any of its Affiliates. Nothing in this Section 5.5 or elsewhere in this Agreement shall be deemed to make any employee of the parties or their respective Affiliates a third party beneficiary of this Section 5.5 or any rights relating hereto.

(q) The parties hereto hereby acknowledge and agree that Buyer shall have no Liability in respect of any award to any Employee, director, consultant, independent contractor or other service provider of Seller or its Affiliates with respect to any shares of Seller's Equity Securities, whether existing on the date hereof or arising in the future ("Stock Awards"), and that all Liabilities related to such Stock Awards shall be Excluded Liabilities.

(r) Seller agrees that, notwithstanding anything in this Agreement to the contrary, the payments of awards under the Amended and Restated Adelphia Communications Corporation Performance Retention Plan shall in no event be made in Equity Securities of Buyer or any Affiliate of Buyer and shall be satisfied in full by Seller prior to or on the Closing.

Section 5.6 Ancillary Agreements. At the Closing, Seller shall and shall cause each of its Affiliates party to an unexecuted Ancillary Agreement to, execute and deliver each unexecuted Ancillary Agreement to which it is a party, and Buyer shall execute and deliver each of the unexecuted Ancillary Agreements to be executed by it.

Section 5.7 Transfer and Assignment of Assets and Certain Employees of Transferred Joint Venture Entities. At or prior to the Closing, Seller shall (a) cause each Transferred Joint Venture Entity to transfer to the applicable Seller JV Partner all Excluded Assets held by such Transferred Joint Venture Entity (b) terminate the employment of all individuals who are then employed by a Transferred Joint Venture Entity and who are not or will not be Transferred Joint Venture Employees Related to the applicable Joint Venture Business and (c) cause such Seller JV Partner to, assume and discharge or perform when due all Excluded Liabilities to which such Transferred Joint Venture Entity is subject, in each case pursuant to agreements, instruments or other documents in form and substance reasonably satisfactory to Buyer.

Section 5.8 Acquisition Proposals. Except as otherwise provided in this Section 5.8, Seller agrees that neither it nor any of its Subsidiaries nor any of their respective directors, officers or employees shall, and that it shall direct its Subsidiaries and its and its Subsidiaries' agents and representatives and use its best efforts to cause its and its Subsidiaries' agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, directly or indirectly, initiate, solicit or encourage any inquiries or the making of any proposal or offer with respect to a merger, reorganization (including an Alternate Plan), share exchange, consolidation or similar transaction involving (directly or indirectly), or any purchase (directly or through a proposed investment in Equity Securities, debt securities or claims of creditors) of 10% or more of the Transferred Assets Related to the Business or of the outstanding Equity Securities of Seller or any of its Affiliates directly or indirectly owning Assets Related to the Business (any such proposal or offer being hereinafter referred to as an "Acquisition Proposal" and any such transaction, an "Acquisition"); provided, however, that the foregoing shall not restrict Seller from renewing the "exit financing" of the Debtors on substantially the same terms as in effect as of March 31, 2005. Seller further agrees that neither it nor any of its Subsidiaries nor any of their respective directors, officers or employees shall, and that it shall direct its Subsidiaries and its and its Subsidiaries' agents and representatives and use its best efforts to cause its and its Subsidiaries' agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, directly or indirectly, engage in any negotiations concerning, or provide any confidential information or data to or have any discussions with any Person relating to, an Acquisition Proposal, or otherwise facilitate any effort or attempt to make or implement an Acquisition Proposal. Seller agrees that it will take

the necessary steps to promptly inform the Persons referred to in the first sentence of this Section 5.8 of the obligations undertaken in this Section 5.8 and to cause them to cease immediately any current activities that are inconsistent with this Section 5.8. Notwithstanding the foregoing, nothing contained in this Agreement shall prevent Seller or its board of directors (the “Board”) from:

(a) (i) complying with its disclosure obligations under Law or the Bankruptcy Code with regard to an Acquisition Proposal, or (ii) prior to the commencement of the Confirmation Hearing, in response to an unsolicited bona fide Acquisition Proposal, (A) (1) providing information to (including discussing any due diligence issues, requests or clarifications with) a Person with whom Seller executes a

101

confidentiality agreement on terms no less favorable to Seller than those contained in the Seller Confidentiality Agreement (as in effect prior to amendment on the date hereof), other than any restrictions on such Person’s ability to make or amend an Acquisition Proposal and (2) following receipt of a bona fide unsolicited Acquisition Proposal from such a Person, engaging in discussions with such Person to the extent such discussions are confined to clarifying any term of such Acquisition Proposal or (B) engaging in any negotiations or discussions with any Person who has made such an Acquisition Proposal if and only to the extent that, in each such case referred to in clauses (A) and (B) above, (1) the Board determines in good faith after consultation with outside legal counsel that the directors of Seller should take such action in order to comply with their fiduciary duties under applicable Law, (2) such Acquisition Proposal involves the direct or indirect acquisition by one or more third parties of at least 66 2/3% of (x) all Assets Related to the Business or (y) the outstanding Equity Securities of Seller and (3) in each such case referred to in clause (B) above, the Board determines in good faith (after consultation with its financial and legal advisors) that such Acquisition Proposal, if accepted, is reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of the proposal and the Person making the proposal, and if consummated, would result in a transaction more favorable (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b)) to Seller’s stakeholders from a financial point of view than the Transaction (any such more favorable Acquisition Proposal being referred to in this Agreement as a “Superior Proposal”). Seller or any of its Subsidiaries shall notify Buyer promptly (but in no event later than 24 hours) after receipt by Seller or any of its Subsidiaries (or any of their respective directors, officers, employees or advisors) of any Acquisition Proposal, any indication that a third party is considering making an Acquisition Proposal or any request for information relating to the Transferred Assets, any Specified Business, Seller or any of its Subsidiaries or for access to any Specified Business or any of the Transferred Assets by any third party that may be considering making, or has made, an Acquisition Proposal. Seller shall provide such notice orally and in writing and shall identify the third party making, and the terms and conditions of, any such Acquisition Proposal, indication or request. Seller shall keep Buyer fully informed, on a current basis, of the status and details of any such Acquisition Proposal, indication or request. Seller shall promptly provide Buyer with any non public information concerning Seller’s business, present or future performance, financial condition or results of operations, provided to any third party that was not previously provided to Buyer; and

(b) (i) prior to the commencement of the Confirmation Hearing, engaging in any negotiations or discussions concerning an Alternate Plan with the Committees, the stakeholders of Seller or its Affiliates or their respective advisors (in each case (other than in the case of Committees) with whom Seller enters into, or has entered into, a confidentiality agreement on customary terms under the circumstances that restricts such stakeholder (other than with respect to any other stakeholder who is subject to a substantially similar confidentiality agreement or to the Committees) from (x) disclosing any confidential information regarding Seller and its Affiliates, Buyer and its Affiliates, or information regarding an Alternate Plan, including the status thereof, and (y) making public statements regarding any of the foregoing), but only to the extent that (A) the Board determines in good faith after consultation with outside legal counsel that

the directors of Seller should take such action in order to comply with their fiduciary duties under applicable Law and (B) the Board determines in good faith (after consultation with its financial and legal advisors) that such Alternate Plan, if pursued and assuming (for purposes of determining the right to engage in negotiations or discussions pursuant to this Section 5.8(b), but not for purposes of the definition of “Superior Alternate Plan”) the support of Seller’s stakeholders therefor, is reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of the proposed Alternate Plan and, if consummated, would result in a transaction more favorable (taking into account, without limitation, the financial terms of any termination fee that may be paid pursuant to Section 8.5(b)) to the stakeholders of Seller and its Affiliates from a financial point of view than the Transaction (any such more favorable Alternate Plan being referred to in this Agreement as a “Superior Alternate Plan”) or (ii) after entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g) (but only for so long as such Confirmation Order is in effect), planning for an Alternate Plan that involves the emergence of Debtors as standalone entities with no greater than a 10% additional equity contribution (other than existing Claims), including engaging in any negotiations or discussions concerning an Alternate Plan with stakeholders of Seller or its Affiliates or their advisors, preparing (but not filing) a disclosure statement with respect to such Alternate Plan and preparing and negotiating any intercreditor agreements; provided, however, that such Alternate Plan provides that it can only be confirmed and effective if this Agreement is terminated in accordance with its terms and such planning does not involve any action or omission that could reasonably be expected to materially impair or materially delay the Transaction; provided, further, that nothing in this Section 5.8(b) shall permit any public statements or filings with the Bankruptcy Court or any other court by or on behalf of Seller or its Affiliates. Seller shall notify Buyer of its engagement in discussions concerning an Alternate Plan and shall keep Buyer reasonably informed, on a current basis, of material developments that could reasonably be expected to result in an Alternate Plan. For purposes of this Agreement, an “Alternate Plan” is any plan under chapter 11 of the Bankruptcy Code (other than the Plan) or any liquidation under chapter 7 of the Bankruptcy Code. Without limiting any other obligation set forth in this Agreement, Seller shall, in connection with the activities permitted under this Section 5.8(b), use commercially reasonable efforts to enforce any confidentiality obligations of the Committees and any obligations under the confidentiality agreements described in this Section 5.8(b) .

Section 5.9 Additional Financial Information.

(a) Seller shall use commercially reasonable efforts, and shall cause its Affiliates to use commercially reasonable efforts, to provide Buyer with financial statements and related information (collectively, “Financial Information”) sufficient to permit Buyer or its Affiliates to fulfill their obligations to include financial disclosure relating to each Specified Business and, if required, the Friendco Business and the Group 2 Systems, on a timely basis under the Exchange Act and, if Buyer or any of Buyer’s Affiliates undertakes an offering of securities prior to the Closing, the Securities Act (it being understood that the foregoing shall not require Seller to file or furnish any periodic or current reports that are required to be filed prior to the date hereof under the Exchange Act with the SEC). If some or all of the Financial Information is included in or

incorporated by reference into a prospectus for an offering of securities by Buyer or any of Buyer’s Subsidiaries prior to the Closing, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to cause the independent auditors of Seller to provide customary assistance to Buyer or such Subsidiary and its underwriters in connection with such financing, including the provision of consent and comfort letters addressed to the SEC, comfort

letters addressed to the underwriters, participation in due diligence matters with respect to such offering and assistance in responding to comments or questions from the SEC with respect to the Financial Information. Buyer shall reimburse Seller for the reasonable costs and expenses incurred by Seller pursuant to this Section 5.9(a), including reasonable out-of-pocket costs and any incremental costs and expenses necessary to comply with this Section 5.9(a) (including all necessary incentive compensation) (unless and to the extent compliance with this Section 5.9(a) is waived by Buyer prior to the incurrence of such costs and expenses). Seller shall give Buyer reasonable advance notice of the type and the amount of such costs and expenses prior to the incurrence thereof.

(b) As soon as reasonably practicable (and, in any event, prior to the Closing), Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts, to provide Buyer with a copy of (i) the consolidated audited balance sheets and audited statements of income, stockholders equity and cash flows for each Specified Business reflecting the allocation of Shared Assets and Liabilities pursuant to the Designated Allocation and Section 2.5 (provided, that, but subject to clause (iii) below, such financial statements do not need to be provided for the Group 2 Business for any period prior to January 1, 2004), at and for the fiscal years ended December 31, 2002 (unless statements at and for the fiscal year ended December 31, 2005 are provided as set forth below), December 31, 2003, December 31, 2004, and, if the Closing shall not have occurred on or prior to March 31, 2006 (or if such statements are otherwise available) December 31, 2005 (as modified by the proviso to clause (i) of this Section 5.9(b), the “Derivative Audited Financial Statements”), (ii) the consolidated audited balance sheets and audited statements of income, stockholders’ equity and cash flows for Seller and its Affiliates for the fiscal years ended December 31, 2004, and, if the Closing shall not have occurred on or prior to March 31, 2006 (or if such statements are otherwise available), December 31, 2005 (the “Seller Audited Financial Statements”), and (iii) the unaudited balance sheets and unaudited statements of income, stockholders’ equity and cash flows for each Group 2 System for the fiscal years ended December 31, 2002 (unless the Derivative Audited Financial Statements include consolidated audited balance sheets and audited statements of income, stockholders equity and cash flows for each Specified Business for the fiscal year ended December 31, 2005 are provided as set forth above), and December 31, 2003 (the “MCE Financial Statements” and, together with the Derivative Audited Financial Statements and the Seller Audited Financial Statements, the “Additional Financial Statements”); provided, that Buyer shall reimburse Seller for the reasonable costs and expenses incurred by Seller in connection with the preparation of the Derivative Audited Financial Statements and the MCE Financial Statements, including reasonable out-of-pocket costs and any incremental costs and expenses necessary to comply with this Section 5.9(b) (including all necessary incentive compensation). Seller shall give Buyer reasonable advance notice of the type and the amount of such costs and expenses prior to the incurrence thereof.

(c) Buyer shall use its commercially reasonable efforts to obtain relief from the staff of the SEC from Buyer’s obligations to include financial statements with respect to periods ending on or prior to December 31, 2002 required by Section 5.9(a) or Section 5.9(b) in Buyer’s filings under the Securities Act or Exchange Act. Seller shall cooperate with Buyer in respect of the obtaining of any such relief.

Section 5.10 Post Closing Consents.

(a) Subsequent to the Closing, and subject to Section 2.13, Seller shall and shall cause its Affiliates to continue to use commercially reasonable efforts to obtain in writing as promptly as possible any consent, authorization or approval necessary or commercially advisable in connection with the Transaction which was not obtained on or before the Closing in form and substance reasonably satisfactory to Buyer.

(b) Without limiting Section 5.10(a), in the event that a Closing under this Agreement occurs without the receipt of all LFA Approvals, Buyer and Seller shall act in good faith to obtain any remaining LFA Approvals following the

Closing. Until such time as all LFA Approvals have been obtained, Buyer covenants and agrees to use commercially reasonable efforts to satisfy all obligations of Seller or any of its Affiliates arising after the Closing under each Franchise agreement corresponding to a LFA Approval that has not been obtained. Buyer and Seller agree to enter into such arrangements as are reasonably necessary to cause Seller not to be in breach under each such Franchise agreement and to permit Buyer to receive the economic benefits of each such Franchise agreement.

(c) Buyer and Seller agree, assuming as set forth in Section 5.10(b) that all or substantially all of the economic benefits relating to a remaining Franchise inure to Buyer, (i) that any remaining Franchises described in Section 5.10(b) shall be treated for all income Tax purposes as Assets of Buyer as of the Closing and (ii) not to take, and to prevent any of their respective Affiliates from taking, any position inconsistent with such treatment for any income Tax purposes (unless required by a change in applicable income Tax Law or a good faith resolution of a contest).

Section 5.11 Bankruptcy Proceedings.

(a) Seller shall, as soon as reasonably practicable after the date hereof, but no later than 45 days hereafter, file with the Bankruptcy Court (i) a Disclosure Statement with respect to the Plan intended to meet the requirements of section 1125(b) of the Bankruptcy Code and this Section 5.11(a) (as amended from time to time in accordance with this Agreement, the “Disclosure Statement”), (ii) a motion to approve, among other things, the Disclosure Statement (the “Disclosure Statement Motion”) and (iii) the Plan. Seller shall, and shall cause each of its Affiliates to, commence appropriate proceedings before the Bankruptcy Court and otherwise use commercially reasonable efforts to obtain approval of the Disclosure Statement and the Plan as expeditiously as possible. Seller shall, and shall cause its Affiliates to, provide in the Disclosure Statement a range of values determined by Seller after consultation with Buyer; provided, that the midpoint of such range shall equal the Aggregate Value of the Purchase Shares);

105

provided, however, that, based on changes, events or circumstances first arising or occurring following the date hereof, Seller may, after consultation with Buyer and its counsel, change the midpoint, and the range in order that the statements contained in the Disclosure Statement in respect of the value of the Purchase Shares would not be misleading or result in a violation of any applicable Law by Seller. The Plan, any and all exhibits and attachments to the Plan, the Disclosure Statement, and the Disclosure Statement Motion and the orders approving the same (including the Confirmation Order), and any amendment or supplement to any of the foregoing, (A) to the extent affecting the terms of the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders), shall be in all material respects reasonably acceptable in form and substance to, and shall not be filed until consented to by, Buyer, which consent shall not be unreasonably withheld, (B) shall not otherwise contain any provision (including any provision relating to the allocation of distributable proceeds among Seller’s stakeholders), or otherwise have an effect, that would, individually or in the aggregate, reasonably be expected to materially impair or materially delay the Transaction; it being understood that any allocation of distributable proceeds that does not violate the absolute priority rule or any proposed waiver of the absolute priority rule as may be contemplated by the Plan that is reasonably expected to be consented to by the affected classes shall not be deemed to materially impair or materially delay the Transaction, (C) shall not contain any provision providing for an Alternate Plan, including the so-called “toggle plan”, (D) shall not treat Buyer or its Affiliates, in their capacities as creditors or equityholders, in a discriminatory manner as compared to similarly classified stakeholders, (E) except to the extent expressly set forth herein, shall not modify, alter, amend or otherwise impair the rights of any of the Buyer JV Partners in their capacity as equity security holders (and not as holders of claims) set forth in the JV Documents or otherwise impair or alter the terms of any Joint Venture Securities and (F) without limiting the generality of the

foregoing, in the case of the Confirmation Order, shall contain the finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code unless Buyer's actions which have been determined by the Bankruptcy Court to have not been in good faith preclude such a finding. Buyer shall refrain from taking any actions in connection herewith that are not in good faith (as determined by the Bankruptcy Court) and that would preclude a finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code. Seller shall provide Buyer and its counsel with copies of all material motions, applications, supporting papers and notices prepared by Seller (including forms of orders and notices to interested parties) relating in any way to the Disclosure Statement, the Plan or the Transaction prior to the filing of such documents and shall provide Buyer, to the extent practicable, with a reasonable opportunity to review and comment on same. Seller shall consult with Buyer prior to taking any action in or with respect to the Reorganization Case that could reasonably be expected, individually or in the aggregate, to (x) be inconsistent with this Agreement or the Transaction, (y) materially impair or materially delay the Transaction or (z) relate to any material information provided by Buyer for inclusion in the Disclosure Statement or have

an adverse effect on the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders). Buyer shall provide Seller with all information concerning Buyer as is required (or, with respect to Systems to be received by Friendco or its Affiliates in the Exchange, reasonably advisable) to be included in the Disclosure Statement and is requested by Seller. Any information delivered by Buyer or Seller for inclusion in the Disclosure Statement will be intended to satisfy the requirements of section 1125(a) of the Bankruptcy Code.

(b) No later than 70 days prior to the Confirmation Hearing, Seller shall deliver to Buyer a true and complete list of all Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) entered into prior to such seventieth day (provided, that between such seventieth day and the Confirmation Hearing, Seller shall promptly update such list to reflect Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) entered into during such period) which shall include the following, each of which must be satisfactory in form and substance to Buyer in its reasonable discretion: (i) a list of Contracts (other than Programming Agreements but including retransmission consent agreements) which Seller or any Affiliate has rejected pursuant to an order of the Bankruptcy Court (the "Rejected Contracts"); (ii) a list of Contracts (other than Programming Agreements but including retransmission consent agreements) which Seller or any Affiliate has assumed pursuant to an order of the Bankruptcy Court; (iii) with respect to each such Contract that is not a Rejected Contract, (A) Seller's good faith estimate of the Cure Costs in respect of such Contract, (B) Seller's good faith estimate of the Rejection Claims in respect of such Contract and (C) whether such Contract was entered into on or following the Petition Date. No later than 40 days prior to the Confirmation Hearing, Buyer shall provide Seller with a list of Contracts to be assumed, if applicable, by Seller or any of its Affiliates and assigned by Seller or any of its Affiliates to Buyer (or, in the case of Contracts to which any Transferred Joint Venture Entity is party, assumed and retained by such Transferred Joint Venture Entity) with respect to each Specified Business (as further identified by Buyer pursuant to the provisions of this Section 5.11(b), the "Assigned Contracts"). As promptly as practicable following the determination of the Assigned Contracts by Buyer and in any event no later than 20 days prior to the Confirmation Hearing, Seller or its Affiliates, as the case may be, shall commence appropriate proceedings before the Bankruptcy Court and otherwise take all necessary actions in order to determine Cure Costs with respect to any Assigned Contract entered into prior to the Petition Date. Notwithstanding the foregoing, prior to the Closing, Buyer may identify (x) any Assigned Contract as one that Buyer no longer desires to have assigned to it (or retained by a Transferred Joint Venture Entity, as applicable) and such Contract shall for all

purposes of this Agreement, including Section 5.11(d) and any Ancillary Agreement be deemed not to be an Assigned Contract and (y) any Contract entered into by Seller of any of its Affiliates following entry of the Confirmation Order that is Related to any Specified Business as an Assigned Contract and such Contract shall for all purposes of this Agreement be deemed to be an Assigned Contract. At the direction of Buyer, Seller shall

or shall cause its Affiliates to, as the case may be, take all necessary actions and, if necessary, promptly commence appropriate proceedings before the Bankruptcy Court in order to effect the assumption of any Assigned Contract by Seller or any of its Affiliates and the assignment of such Contract to Buyer at the Closing (or, in the case of Assigned Contracts to which any Transferred Joint Venture Entity is party, the assumption and retention by such Transferred Joint Venture Entity) pursuant to the Plan. Following the Closing, Seller shall not, and shall cause each of its Affiliates not to, amend, modify, terminate or abrogate any Assigned Contract. Seller shall, and shall cause each of its Affiliates to, take all actions such that each OCB Contract that is not an Assigned Contract shall be terminated or rejected as of the Closing.

(c) Seller shall use its commercially reasonable efforts to make available to Buyer as promptly as practicable after the date hereof (or, in the case of Contracts entered into after the date hereof, as promptly thereafter as practicable) true and complete copies of each of the Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) and of each of the Contracts listed, or required to be listed, in Schedule 3.15(b) of the Seller Disclosure Schedule, and true and complete summaries of the terms of any such oral Contracts; it being understood that, in any event, such copies and summaries shall be made available in respect of the Contracts listed on the list delivered pursuant to the first sentence of Section 5.11(b) no later than 70 days prior to the Confirmation Hearing.

(d) Other than the Assumed Cure Costs, Seller shall be liable for all Cure Costs, and Buyer shall have no Liability to any Seller Indemnified Party, the estate of Seller or any of its Affiliates or to any non-debtor party to any Contract in connection therewith; provided, however, that if the amount of the Cure Costs in respect of any Assigned Contract that is not an OCB Contract is greater than the amount that would be paid to the non-debtor party to such Contract on account of a Rejection Claim in respect of such Contract, taking into consideration the likely recovery on account of such Rejection Claim under the Plan (as Seller and Buyer mutually agree, or, in the absence of such agreement, as may be determined by the Bankruptcy Court), then such excess, but only such excess, shall be deemed to constitute an Assumed Cure Cost. Seller shall also be liable for all Claims, including Rejection Claims, in respect of any Contract that is not an Assigned Contract, and Buyer shall have no Liability to any Seller Indemnified Party, the estate of Seller or any of its Affiliates or to any non-debtor party to any such Contract in connection therewith; provided, however, that if the amount that would be paid to the non-debtor party to an OCB Contract that is not an Assigned Contract on account of a Rejection Claim in respect of such OCB Contract, taking into consideration the likely recovery on account of such Rejection Claim under the Plan, is greater than the Cure Costs with respect to such OCB Contract (in either case as Seller and Buyer mutually agree, or, in the absence of such agreement, as may be determined by the Bankruptcy Court), then, subject to such OCB Contract having been made available to Buyer for at least 70 days prior to the Confirmation Hearing (or, in the case of Contracts entered into after such seventieth day, as promptly thereafter as practicable), such excess, but only such excess, shall constitute an Assumed Liability. Subject to approval of the Bankruptcy Court (which approval Seller shall use commercially reasonable efforts to obtain), Buyer (or its designee) shall be entitled to assume and maintain control, on

behalf of Seller and any of its Affiliates, of the litigation and settlement of any dispute over any Assumed Cure Costs with respect to any Franchise or, in respect of any OCB Contract, any Rejection Claim that is an Assumed Liability. Seller shall not, and shall cause each of its Affiliates not to, without the prior written consent of Buyer (not to be unreasonably withheld), settle, compromise or offer to settle or compromise any Liability in respect of (i) Cure Costs under such Assigned Contract that is not an OCB Contract or under any Franchise unless Seller shall have assumed all Liabilities in respect thereof and shall have agreed to release Buyer from all Liabilities in respect of any and all Cure Costs under such Assigned Contract or such Franchise or (ii) any Rejection Claim in respect of any OCB Contract unless Seller shall have assumed all Liabilities in respect thereof and shall have agreed to release Buyer from all Liabilities in respect of any and all Rejection Claims caused by or arising out of any such settlement or compromise and Seller shall consult with and, in each case, provide Buyer a meaningful opportunity to participate in any such litigation or settlement.

(e) Any motion, application or other court document filed with, and the proposed orders submitted to, the Bankruptcy Court seeking authorization to assume and assign or reject or terminate any Contracts Relating to any Specified Business or the Business shall be provided to Buyer in advance of filing (with a reasonable opportunity to review and comment on same) and shall be in form and substance reasonably satisfactory to Buyer in all material respects. On or prior to the Closing, Seller shall, and shall cause its Affiliates to, cure any and all defaults and breaches under and satisfy (or with respect to any Assumed Liability or obligation that cannot be rendered non-contingent and liquidated prior to the Closing Date, make effective provision satisfactory to Buyer and the Bankruptcy Court for satisfaction from funds of Seller) any Liability (other than as to Assumed Cure Costs) arising from or relating to pre-Closing periods under the Assigned Contracts so that such Contracts may be assumed by Seller or its Affiliates and assigned to Buyer in accordance with the provisions of section 365 of the Bankruptcy Code and this Agreement. On or prior to the Closing, Seller shall, and shall cause its Affiliates to, pay or make adequate reserve for all Cure Costs other than the Assumed Cure Costs.

(f) Seller shall, and shall cause its Affiliates to, and Buyer shall, each use commercially reasonable efforts, and cooperate, assist and consult with each other, as promptly as practicable, to secure approval of the Disclosure Statement, confirmation of the Plan and consummation of the transactions contemplated by the Plan and this Agreement. Neither the Plan nor the Disclosure Statement nor any other material document relating to the transactions contemplated hereby shall be amended, modified, supplemented, withdrawn or revoked (i) if such amendment, modification, supplement, withdrawal or revocation affects the terms of the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders) without the consent of Buyer (provided, that such consent shall not be unreasonably withheld) or (ii) if such amendment, modification, supplement, withdrawal or revocation would contain or alter any provision (including as to the allocation of distributable proceeds among Seller's stakeholders), that would, individually or in the aggregate, reasonably be expected to

materially impair or materially delay the Transaction. For the avoidance of doubt, the parties hereto acknowledge and agree that it would not be unreasonable for Buyer to decline to consent to any Plan modification which would require the payment of additional consideration by Buyer under the Plan or which would reduce or impair the Transferred Assets or increase the Assumed Liabilities.

(g) If an order, judgment or ruling of a court of competent jurisdiction in the Reorganization Case is entered denying entry of (or vacating), or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), Seller and Buyer will cooperate and otherwise use commercially reasonable efforts to prosecute diligently the entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g). If the Confirmation Order or any other orders of the Bankruptcy Court relating to this Agreement, the Disclosure Statement, the solicitation of acceptances of the Plan or confirmation of the Plan shall be appealed by any party (or a petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to any such order), Seller and Buyer will cooperate in taking such steps to prosecute diligently such appeal, petition or motion, each of Seller and Buyer shall use commercially reasonable efforts to obtain an expedited resolution of any such appeal, petition or motion and any expenses incurred by Seller in connection therewith shall be borne by Seller.

(h) Seller shall either (i) (A) cause the Subsidiaries of Seller listed on Schedule 5.11(h) of the Seller Disclosure Schedule or any other non-debtor Subsidiary of Seller that acquires Assets Related to the Acquired Business (the “Non-Debtor Subsidiaries”) to file a petition for relief under chapter 11 of the Bankruptcy Code (the “Additional Reorganization Case”), (B) take all steps reasonably necessary to obtain approval by the Bankruptcy Court of the Transaction as it relates to the Non-Debtor Subsidiaries and (C) obtain an Additional Discharge for the Non-Debtor Subsidiaries, in each case as expeditiously as possible under the Bankruptcy Code and the Bankruptcy Rules, and in any event prior to Closing or (ii) subject to the prior approval of the Bankruptcy Court, cause each Non-Debtor Subsidiary to transfer any Assets of such Non-Debtor Subsidiary to a Debtor (other than a Transferred Joint Venture Entity) in exchange for payment of adequate consideration (provided, that such transfer shall be reasonably satisfactory to Buyer in all material respects and shall render such Assets subject to the Discharge) (such transfer, a “Non-Debtor Transfer”). Seller shall, and shall cause each Non-Debtor Subsidiary to, (x) provide Buyer and its counsel with copies of all material motions, applications, supporting papers and notices prepared by Seller or such Non-Debtor Subsidiary (including forms of orders and notices to interested parties) relating in any way to an Additional Reorganization Case or Non-Debtor Transfer prior to the filing of such documents and (y) provide Buyer, to the extent practicable, with a reasonable opportunity to review and comment on same. Seller shall, and shall cause each Non-Debtor Subsidiary to, consult with Buyer prior to taking any action in or with respect to any Additional Reorganization Case or Non-Debtor Transfer. For purposes of Sections 2.1, 2.3 and 2.5 (including any related definitions), unless otherwise directed in writing by Buyer (and only to the extent set forth in such writing), each Non-Debtor Subsidiary shall only be considered an Affiliate of Seller if and only to the extent such

Non-Debtor Subsidiary shall have performed the actions and satisfied the requirements set forth in clause (i) or (ii) of this Section 5.11(h).

(i) Seller shall, and shall cause each of its Affiliates to, use commercially reasonable efforts to maintain the exclusive periods pursuant to section 1121(d) of the Bankruptcy Code during which the Debtors may file a plan or plans of reorganization and solicit acceptances thereof.

Section 5.12 Name of Business. Buyer shall cause the Acquired Business, within six months following the Closing Date, not to use or conduct business using any such terms, or other names, marks, logos or indicia of Seller, other than to use the name “Adelphia” to notify Persons of their name changes in connection with the Transaction. During such six month period such use shall be permitted consistent with past practices. The Business may, notwithstanding any expiration of such six month period, continue to use reproductions of such names or marks that are affixed to converters, remotes and other items already in use as of the Closing Date in customer homes or properties or that are already in use as of the Closing Date in similar fashion making such removal or discontinuation impracticable;

provided that Buyer shall discontinue use of such items bearing such reproductions upon it becoming reasonably practicable to do so (e.g., upon their return to Buyer or removal from service).

Section 5.13 Equipment Leases. Seller shall, and shall cause its Affiliates to, pay the remaining balances on any Equipment Leases and shall deliver title to all vehicles and Fixtures and Equipment covered by such Equipment Leases free and clear of all Encumbrances to Buyer at the Closing.

Section 5.14 Environmental Matters.

(a) Environmental Self-Audit. Seller shall provide copies of all correspondence, audits, assessments, agreements, proposals and other documentation relating to the Environmental Self-Audit to Buyer. Prior to the Closing Date, Seller shall cooperate and consult with Buyer in the (i) negotiation of any agreement with the United States Environmental Protection Agency or any other relevant Government Entity relating to the Environmental Self-Audit, (ii) development and negotiation of the scope of the Environmental Self-Audit and (iii) development and negotiation of corrective action and remedies with respect to the Environmental Self-Audit Deficiencies. In any agreement with the United States Environmental Protection Agency or any other relevant Government Entity entered into prior to the Closing Date with respect to the Environmental Self Audit, Seller shall not agree to any remedies that impose obligations to act or refrain from acting after the Closing Date except to the extent that such remedies (A) can be satisfied solely through the payment of monetary damages or (B) are reasonably acceptable to Buyer; provided, that Buyer shall not be required to agree to non-monetary obligations that could reasonably be expected to involve more than *de minimis* expenditures by Buyer or its Affiliates after the Closing.

(b) Property Transfer Laws. Seller shall take all actions required by the Connecticut Transfer Act and the New Jersey Industrial Site Recovery Act, to the

extent such actions are required as a result of this Transaction, provided that Seller shall not take any actions or enter into any agreement relating to the Connecticut Transfer Act or the New Jersey Industrial Site Recovery Act that will impose binding obligations to act or refrain from acting after the Closing Date except to the extent that such remedies (i) can be satisfied solely through the payment of monetary damages or (ii) are reasonably acceptable to Buyer; provided, that Buyer shall not be required to agree to non-monetary obligations that could reasonably be expected to involve more than *de minimis* expenditures by Buyer or its Affiliates after the Closing.

(c) Notice and Information. If at any time prior to the Closing, any material environmental investigation, study, audit, test, review or other analysis in relation to any Owned Real Property or Transferred Asset is conducted, Seller shall (i) promptly notify Buyer thereof and (ii) subject to applicable Law, keep Buyer informed as to the progress of any such proceeding.

Section 5.15 SOA Compliance. Prior to the Closing, Seller shall use reasonable efforts, and shall cause its Affiliates and its and their respective representatives to use reasonable efforts, to take all actions that Buyer may reasonably request, and to cooperate and to cause the representatives of Seller and its Affiliates to cooperate in the taking of such actions, to enable each Specified Business, immediately following the Closing, to satisfy the applicable obligations under Sections 302, 404 and 906 of the SOA and the other requirements of the SOA with respect to the Cable Systems, including establishing and maintaining adequate disclosure controls and procedures and internal

controls over financial reporting as such terms are defined in the SOA; it being understood that Seller has material weakness in its internal controls.

Section 5.16 Franchise Expirations. From and after the date hereof until the Closing, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to obtain renewals or valid extensions of any Franchises which expire on or before December 31, 2007, in the Ordinary Course of Business. Seller shall not, and shall cause its Affiliates not to, agree or accede to any material modifications or amendments to or in connection with, or the imposition of any material condition to the renewal or extension of, any of the Franchises that are not reasonably acceptable to Buyer determined in a manner consistent with the proviso to Section 5.3(c); provided, however, that if the LFA Approval in respect of such Franchise is not obtained in connection with any such renewal or extension (after Buyer has complied with its obligations under Section 5.3(c)) Seller shall only agree or accede to any such modifications or amendments that are reasonably acceptable to Buyer (without regard to the proviso to Section 5.3(c)). Upon reasonable prior notice, Seller shall, and shall cause its Affiliates to, allow representatives of Buyer to attend meetings and hearings before applicable Government Entities in connection with the renewal or extension of any Franchise or Governmental Authorization. Nothing in this Section 5.16 shall limit the obligations of Buyer or Seller pursuant to Section 5.3(c).

Section 5.17 Cooperation upon Inquiries as to Rates. If at any time prior to Closing, any Government Entity commences a Rate Regulatory Matter with respect to a Cable System, Seller shall (a) promptly notify Buyer and (b) subject to applicable Law,

keep Buyer informed as to the progress of any such proceeding. Without the prior consent of Buyer, which consent shall not be unreasonably withheld or delayed, Seller shall not, and shall cause its Affiliates not to, settle any such Rate Regulatory Matter, either before or after Closing, if (i) Buyer or any of its Affiliates would have any Liability under such settlement other than an obligation to pay money in an amount not greater than \$50,000, which obligation is fully reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount, or (ii) such settlement would reduce the rates permitted to be charged by Buyer after the Closing below the rates set forth on Schedule 3.18 of the Seller Disclosure Schedule or otherwise then in effect.

Section 5.18 Third Party Confidentiality Agreements. After the Closing and for so long as reasonably necessary, Seller shall use reasonable efforts to, and shall cause its applicable Affiliates to use reasonable efforts to, enforce each confidentiality agreement entered into by Seller or any such Affiliate with any third party in connection with the Sale Process or otherwise in connection with the Reorganization Case (each, a “Third Party Confidentiality Agreement”) on behalf of Buyer and its Affiliates to the extent such confidentiality agreement relates to the Acquired Business.

Section 5.19 Subscriber Reports. Within 30 days following the end of each calendar month commencing August 2005 through the Closing, Seller shall provide Buyer with a written report setting forth the following information with respect to each Specified Business as of the end of such calendar month: (a) the number of Basic Subscribers served by such Specified Business, (b) the number of Basic Subscribers in such Specified Business whose rate of service is subject to any discount or promotion (or rebates or similar programs) as of the subscriber cut off date for such calendar month and (c) the discounts or promotions (or rebates or similar programs) offered by such Specified Business during such calendar month, and the geographic areas in which each such discount or promotion (or rebate or similar program) is offered. Seller shall, in consultation with Buyer commencing as promptly as practicable following the date hereof, develop and, no later than 90 days prior to the Closing, implement, an accounting system reasonably acceptable to Buyer, (i) which would reasonably be expected to accurately track the number of Eligible Basic Subscribers (in accordance with the definition thereof) and (ii) the results of which are traceable to Seller’s billing

system and capable of being verified, using commercially reasonable efforts, as part of the computation of and resolution of disputes regarding the Subscriber Adjustment Amount pursuant to Section 2.8 (such accounting system, the “Subscriber Accounting System”).

Section 5.20 Palm Beach Joint Venture. Notwithstanding anything herein to the contrary, the Palm Beach Joint Venture will be disregarded for purposes of calculating the Closing Adjustment Amount and the components thereof. If, prior to the Closing, the Palm Beach Joint Venture is liquidated, or Seller’s or its Affiliate’s interest therein is purchased, pursuant to the Investment Documents relating thereto, the proceeds received by Seller and its Affiliates therefrom will be treated as Condemnation Proceeds. Notwithstanding anything herein to the contrary, the Assets and Liabilities of the Palm Beach Joint Venture will not be transferred to or assumed by Buyer hereunder and neither Buyer nor any of its Affiliates (other than, after the Closing, the Palm Beach Joint Venture) shall have any Liability in respect thereof other than Liabilities of the direct

holder of the Palm Beach Joint Venture as a result of such direct holder being a general partner of the Palm Beach Joint Venture. If none of the Group 2 Systems are transferred to Buyer at the Closing then, notwithstanding anything in Schedule 1.1(s)(i) of the Seller Disclosure Schedule to the contrary, the Palm Beach Joint Venture will be treated as part of the Group 1 Business for purposes of Article VII.

Section 5.21 Transitional Services. Seller shall provide to Buyer, with respect to each Specified Business, upon written request from Buyer received by Seller no later than 30 days prior to the Closing Date, such services as may be reasonably requested by Buyer in connection with the operation of such Specified Business for a commercially reasonable transition period following the Closing to allow for conversion of existing or replacement services, in each case to the extent and only to the extent Seller or its Affiliates retains the Assets and employees necessary to allow the provision of such services (“Transitional Services”). In addition, between the date hereof and the Closing, Seller shall use commercially reasonable efforts to cooperate with Buyer to assist Buyer in developing and implementing a plan of transition. Buyer shall promptly reimburse Seller for the reasonable out-of-pocket costs and any incremental costs and expenses necessary to provide Transitional Services. All other terms and conditions for the provision of Transitional Services shall be reasonably satisfactory to both Buyer and Seller and subject to applicable Law.

Section 5.22 Western. No later than five Business Days prior to the Closing Date, Seller shall deliver to Buyer a list setting forth, to Seller’s Knowledge after reasonable inquiry, all Assets of Western and its Subsidiaries. If Buyer so elects, such election to be made no later than two Business Days prior to the Closing Date, the JV Interests in Western and the Joint Venture Securities of Western’s Subsidiaries, and all of their respective Assets, shall be designated as Excluded Assets, the Liabilities of Western shall be designated as Excluded Liabilities and each Contract to which Western is a party shall be treated as not an OCB Contract. If Buyer so elects, such election to be made no later than two Business Days prior the Closing Date, Buyer shall be entitled to shift in its reasonable discretion pro rata portions of the upper and lower limits of the Buyer Discharge Amount of Parnassos from Parnassos to Western.

Section 5.23 Excluded Books and Records. Following the date hereof and prior to the Closing, Seller shall institute a system that is reasonably satisfactory to Buyer and will permit a third party to readily identify Excluded Books and Records and to distinguish Excluded Books and Records from any other Books and Records.

ARTICLE VI

CONDITIONS TO CLOSING

Section 6.1 Conditions to the Obligations of Buyer and Seller. The obligations of the parties hereto to effect the Closing are subject to the satisfaction (or waiver by both parties) prior to the Closing of the following conditions; provided that if

114

the failure to satisfy any condition set forth in this Section 6.1 is solely with respect to the Group 2 Business or the transactions contemplated herein with respect to the Group 2 Business, Buyer will be relieved only of the obligation to complete the Closing with respect to the Group 2 Business and the Purchase Price shall be reduced as if all the Group 2 Systems were Disputed MCE Systems:

(b) Consummation of the Plan. All conditions precedent to consummation of the Plan shall have been satisfied or waived in accordance with the terms of the Plan and the Plan shall be consummated substantially contemporaneously with the Closing.

Section 6.2 Conditions to the Obligation of Buyer. The obligation of Buyer to effect the Closing is subject to the satisfaction (or waiver by Buyer) prior to the Closing of the following conditions; provided that if Seller's failure to satisfy any condition set forth in this Section 6.2 is solely with respect to the Group 2 Business or the transactions contemplated herein with respect to the Group 2 Business, Buyer will be relieved only of the obligation to complete the Closing with respect to Group 2 Business and the Purchase Price shall be reduced as if all the Group 2 Systems were Disputed MCE Systems.

(a) Representations and Warranties. The representations and warranties in Section 3.1, Sections 3.2(a) (other than the first sentence thereof) through 3.2(e), Sections 3.3 through 3.6 and Sections 3.24 through 3.26 (the "Class 1 Representations and Warranties"; all other representations and warranties contained in Article III, the "Class 2 Representations and Warranties") that are qualified as to materiality or Material Adverse Effect shall be true and correct, and the Class 1 Representations and Warranties that are not so qualified shall be true and correct in all material respects, in each case, at the time made and as of the Closing Date as if made at and as of such time (except, in each case, to the extent expressly made as of an earlier

115

date, in which case as of such earlier date). The Class 2 Representations and Warranties (other than Section 3.19 (but only to the extent related to any event, occurrence, condition or circumstance first occurring after the date hereof), Section 3.20(b) or the first two sentences of Section 3.20(c), assuming, as to Sections 3.20(b) and 3.20(c), the information delivered pursuant to such Sections was prepared by Seller in good faith) shall be true and correct (without giving effect to any materiality or Material Adverse Effect qualifiers set forth therein) at the time made and as of the Closing Date as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of such Class 2 Representations and Warranties to be true and correct has not and would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(b) Covenants. Each of the covenants and agreements of Seller to be performed on or prior to the Closing shall have been duly performed in all material respects.

(c) Ancillary Agreements. Seller and its Affiliates shall have executed and delivered the Ancillary Agreements to which they are a party except (i) those Ancillary Agreements the failure of which to have been executed and delivered would not reasonably be expected, individually or in the aggregate, to impair the benefit of the Transaction to Buyer (other than in a *de minimis* manner), taking into account Section 2.13, (ii) in respect of LFA Approvals not obtained as of the Closing and (iii) those Ancillary Agreements required to be delivered pursuant to Section 2.12(u) the failure of which to have been delivered would not reasonably be expected, individually or in the aggregate, to materially impair the benefit of the Transaction to Buyer.

(d) Certificate. Buyer shall have received a certificate, signed on behalf of Seller by the Chief Executive Officer or Chief Financial Officer of Seller, dated the Closing Date, to the effect that the conditions set forth in Sections 6.2(a), 6.2(b) and 6.2(f) have been satisfied.

(e) Franchises. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, all LFA Approvals shall have been obtained, and all Purchase Rights (other than in connection with the Exchange) shall have been waived, in respect of each Specified Business on or prior to the Closing; provided, that this condition shall be deemed not to have been satisfied until the earliest of (i) the date upon which this condition would be satisfied if the foregoing Material Adverse Effect exception were omitted, (ii) 30 days following the date the condition would have been satisfied but for this proviso and (iii) six Business Days prior to the Outside Date.

(f) No Material Adverse Change. Since the date of this Agreement, no event or condition has occurred that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect.

(g) Bankruptcy Plan and Confirmation Order. The Confirmation Order and the Plan confirmed by the Bankruptcy Court shall, to the extent relating to or

affecting the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan

distribution matters, equityholders), be in all material respects satisfactory to Buyer in its reasonable discretion and, without limiting the generality of the foregoing, the Confirmation Order shall contain the finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code unless Buyer's actions have been determined by the Bankruptcy Court to have not been in good faith preclude such a finding.

(h) Subscribers. At least 60 days prior to the Closing, Seller shall have implemented the Subscriber Accounting System. The number of Eligible Basic Subscribers served by each Specified Business (in the case of the Group 1 Specified Business, adjusted for minority interests in the same manner as in the definition of "Closing Subscriber Number") shall be at least equal to (i) the Base Subscriber Number for such Specified Business *minus* (ii) the Subscriber Basket for such Specified Business *minus* (iii) the Subscriber Cap for such Specified Business.

(i) [Intentionally Omitted.]

(j) Section 754 Election. Each Transferred Joint Venture Parent (and any Subsidiary of a Transferred Joint Venture Parent that Seller has reported as a partnership for U.S. federal income tax purposes on or after January 1, 2002), (i) shall have filed a Section 754 Election and (ii) with respect to such entity, Seller shall have delivered to Buyer an opinion of Sullivan & Cromwell LLP to the effect that, assuming the entity for which the Section 754 Election described in clause (i) was made is classified as a partnership for U.S. federal income tax purposes, any form that is required to cause such Section 754 Election to be valid (including, if necessary under applicable Tax Law, a U.S. federal income tax return) has been validly filed and such Section 754 Election is valid for U.S. federal income tax purposes as of the Closing; provided, however, that (x) if Buyer takes any action that prevents Seller from making a Section 754 Election that is valid as of the Closing with respect to a Transferred Joint Venture Entity, the condition set forth in this Section 6.2(j) shall be waived with respect to such Transferred Joint Venture Entity, and (y) if Buyer and Seller, each in its sole discretion and acting in good faith, agree that because of a change in Tax Law occurring between the date hereof and the Closing Date, a Section 754 Election is not required in order for the adjustments described in Section 743(b) of the Code to apply to Buyer's acquisition of any Transferred Joint Venture Entity, the condition set forth in this Section 6.2(j) shall be deemed satisfied with respect to such Transferred Joint Venture Entity.

(k) Financial Information. Seller shall have provided Buyer with all Financial Information and the Additional Financial Statements contemplated by Section 5.9 (disregarding for this purpose all references therein to "commercially reasonable efforts") except to the extent Buyer has obtained relief from the SEC with respect thereto or has failed to comply with its obligations under Section 5.9(c) .

Section 6.3 Conditions to the Obligation of Seller. The obligation of Seller to effect the Closing is subject to the satisfaction (or waiver by Seller) prior to the Closing of the following conditions:

(a) Representations and Warranties. The representations and warranties in Article IV that are qualified as to materiality shall be true and correct, and the representations and warranties in Article IV that are not so qualified shall be true and correct in all material respects, in each case, at the time made and as of the Closing Date as if made at and as of such time (except, in each case, to the extent expressly made as of an earlier date, in which case as of such earlier date).

(b) Covenants. Each of the covenants and agreements of Buyer to be performed on or prior to the Closing shall have been duly performed in all material respects.

(c) Ancillary Agreements. Buyer shall have executed and delivered the Ancillary Agreements to which it is a party except (i) those Ancillary Agreements the failure of which to have been executed and delivered would not reasonably be expected, individually or in the aggregate, to impair the benefit of the Transaction to Seller (other than in a de minimis manner), (ii) in respect of LFA Approvals not obtained as of the Closing and (iii) the Ancillary Agreements required to be delivered pursuant to Section 2.11(d)(xii) the failure of which to have been delivered would not reasonably be expected, individually or in the aggregate, to materially impair the benefit of the Transaction to Seller.

(d) Certificate. Seller shall have received a certificate, signed on behalf of Buyer by the Chief Executive Officer or Chief Financial Officer of Buyer, dated the Closing Date, to the effect that the conditions set forth in Sections 6.3(a) and 6.3(b) have been satisfied.

(e) Bankruptcy Plan and Confirmation Order. The Confirmation Order and the final Plan shall not differ in a manner that would be materially adverse to Seller and its Affiliates from the confirmation order and the Plan, respectively, proposed by Seller to the Bankruptcy Court in accordance with Section 5.11.

ARTICLE VII

SURVIVAL; INDEMNIFICATION; CERTAIN REMEDIES

Section 7.1 Survival. The representations and warranties of Buyer contained in this Agreement shall expire upon the Closing. The representations and warranties of Seller contained in this Agreement shall survive the Closing for the period set forth in this Section 7.1. Subject to Section 2.9(d), all representations and warranties made by Seller contained in this Agreement and all claims with respect thereto shall terminate upon the expiration of twelve months after the Closing Date (the “Buyer Indemnification Deadline”); it being understood that in the event notice of any claim for indemnification under this Article VII has been given (within the meaning of Section 9.1)

118

prior to the Buyer Indemnification Deadline, the representations and warranties that are the subject of such indemnification claim shall survive with respect to such claim until such time as such claim is finally resolved.

Section 7.2 Indemnification by Seller.

(a) Seller hereby agrees that from and after the Closing it shall indemnify, defend and hold harmless Buyer, its Affiliates, and their respective directors, officers, shareholders, partners, members, attorneys, accountants, agents, representatives and employees (other than the Transferred Employees) and their heirs, successors and permitted assigns, each in their capacity as such (other than, in the case of clauses (i) and (ii), Buyer or any of its Affiliates solely in their capacity as direct or indirect holders of Joint Venture Securities prior to the Closing (but without limiting the definition of “Retained Claims”) the “Buyer Indemnified Parties” and, together with the Seller Indemnified Parties, the “Indemnified Parties”) from, against and in respect of any damages, losses, charges, Liabilities, claims, demands, actions, suits, proceedings, payments, judgments, settlements, assessments, deficiencies, taxes, interest, penalties, and costs and expenses (including removal costs, remediation costs, closure costs, fines, penalties and expenses of investigation and ongoing monitoring, reasonable attorneys’ fees, and reasonable out of pocket disbursements) (collectively, “Losses”) imposed on, sustained, incurred or suffered by, or asserted against, any of the Buyer Indemnified Parties, whether in respect of third party claims, claims between the parties hereto, or otherwise, directly or indirectly relating to, arising out of or resulting from (i) subject to Section 7.2(b), any breach of any representation or warranty made by Seller contained in this Agreement for the period such representation or warranty survives, (ii) any breach of any covenant or agreement of Seller contained in this Agreement and (iii) any Excluded Asset or

Excluded Liability (provided that the indemnification under this clause (iii) shall not permit Buyer or any of its Affiliates in their capacity as a direct or indirect holder of Joint Venture Securities prior to the Closing to make any claim against Seller to the extent an Excluded Liability was paid prior to Closing, except to the extent relating to a third party claim in respect thereto).

(b) Seller shall not be liable to the Buyer Indemnified Parties for any Losses with respect to the matters contained in Section 7.2(a)(i):

(i) until any such Losses in respect of the Group 1 Business exceed an aggregate amount equal to the Group 1 Threshold Amount, and then for all such Losses in excess of \$17,000,000, up to an aggregate amount not to exceed the Group 1 Cap Amount; provided, however, that the limitations herein regarding the Group 1 Threshold Amount shall not apply to the Class 1 Representations and Warranties; and

(ii) until any such Losses in respect of the Group 2 Business exceed an aggregate amount equal to the Group 2 Threshold Amount, and then for all such Losses in excess of \$3,000,000, up to an aggregate amount not to exceed the Group 2 Cap Amount; provided, however, that the limitations herein regarding the Group 2 Threshold Amount shall not apply to the Class 1 Representations and Warranties.

(c) Subject to Section 7.8, the Buyer Indemnified Parties shall be entitled to receive payment only from the Escrow Account with respect to any Liability of Seller for any Losses under Section 7.2(a) and, with respect to each Specified Business, only up to an aggregate amount not to exceed the Cap Amount applicable to such Specified Business. Notwithstanding anything to the contrary in this Agreement, Seller shall not be liable for any Losses that (i) are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount to the extent and only to the extent so reflected or (ii) have been actually discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional Discharge) to the extent and only to the extent so discharged (or such functional equivalent).

Section 7.3 Indemnification by Buyer. Buyer hereby agrees that from and after the Closing it shall indemnify, defend and hold harmless Seller and its Affiliates, and their respective directors, officers, stakeholders, partners, members, attorneys, accountants, agents, representatives and employees and their heirs, successors and permitted assigns, each in their capacity as such (the “Seller Indemnified Parties”) from, against and in respect of any Losses imposed on, sustained, incurred or suffered by, or asserted against, any of the Seller Indemnified Parties, whether in respect of third party claims, claims between the parties hereto, or otherwise, directly or indirectly relating to, arising out of or resulting from (a) the Assumed Liabilities Related to each Specified Business, (b) any breach of a covenant or agreement of Buyer contained in this Agreement or (c) the Transferred Assets Related to each Specified Business, each Specified Business or the Transferred Employees to the extent attributable to the operation or ownership of the Transferred Assets Related to such Specified Business or such Specified Business, or the employment of the Transferred Employees following the Closing.

Section 7.4 Third Party Claim Indemnification Procedures.

(a) In the event that any written claim or demand for which an indemnifying party (an “Indemnifying Party”) may have liability to any Indemnified Party hereunder is asserted against or sought to be collected from any Indemnified Party by a third party (a “Third Party Claim”), such Indemnified Party shall promptly, but in no event more than thirty days following such Indemnified Party’s receipt of a Third Party Claim, notify the Indemnifying Party in writing of

such Third Party Claim, the amount or the estimated amount of damages sought thereunder to the extent then ascertainable (which estimate shall not be conclusive of the final amount of such Third Party Claim), any other remedy sought thereunder, any relevant time constraints relating thereto and, to the extent practicable, any other material details pertaining thereto (a “Claim Notice”); provided, however, that the failure timely to give a Claim Notice shall not affect the rights of an Indemnified Party hereunder except to the extent that such failure has a material prejudicial effect on the defenses or other rights available to the Indemnifying Party with respect to such Third Party Claim. The Indemnifying Party shall have 15 days (or such lesser number of days set forth in the Claim Notice as may be required by court proceeding in the event of a litigated matter) after receipt of the Claim Notice (the

“Notice Period”) to notify the Indemnified Party that it desires to defend the Indemnified Party against such Third Party Claim; provided, however, that the Indemnifying Party shall not be entitled to assume or maintain control of the defense of any Third Party Claim and shall pay the fees and expenses of counsel retained by the Indemnified Party if (i) the Third Party Claim relates to or arises in connection with any criminal proceeding, action, indictment, allegation or investigation, (ii) the Third Party Claim seeks injunctive or equitable relief against the Indemnified Party, (iii) the Indemnifying Party has failed to defend or is failing to defend in good faith the Third Party Claim, (iv) the Indemnifying Party and the Indemnified Party are both named parties to the proceedings and the Indemnified Party shall have reasonably concluded that representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them or (v) in the case of a Buyer Indemnified Party, it is reasonably likely that the Losses arising from such Third Party Claim will exceed the amount such Buyer Indemnified Party will be entitled to recover as a result of the limitations set forth in Section 7.2(b); provided, further, that prior to assuming control of such defense, the Indemnifying Party must acknowledge that it would have an indemnity obligation for any Losses resulting from such Third Party Claim.

(b) In the event that the Indemnifying Party notifies the Indemnified Party within the Notice Period that it desires to defend the Indemnified Party against a Third Party Claim and subject to Section 7.4(a), the Indemnifying Party shall have the right to defend the Indemnified Party by appropriate proceedings and shall have the sole power to direct and control such defense at its expense. Once the Indemnifying Party has duly assumed the defense of a Third Party Claim, the Indemnified Party shall have the right, but not the obligation, to participate in any such defense and to employ separate counsel of its choosing. Subject to Section 7.4(a), the Indemnified Party shall participate in any such defense at its expense. The Indemnifying Party shall not, without the prior written consent of the Indemnified Party, settle, compromise or offer to settle or compromise any Third Party Claim unless (i) the Indemnifying Party shall have agreed to indemnify and hold the Indemnified Party harmless from and against any and all Losses caused by or arising out of any such settlement or compromise, (ii) such settlement or compromise shall include as an unconditional term thereof the giving by the claimant of a release of the Indemnified Party, reasonably satisfactory to the Indemnified Party, from all Liability with respect to such Third Party Claim and (iii) such settlement or compromise would not result in (A) the imposition of a consent order, injunction or decree that would restrict the future activity or conduct of the Indemnified Party or any of its Affiliates, (B) a finding or admission of a violation of Law or violation of the rights of any Person by the Indemnified Party or any of its Affiliates, (C) a finding or admission that would have an adverse effect on other claims made or threatened against the Indemnified Party or any of its Affiliates, or (D) any monetary liability of the Indemnified Party that will not be promptly paid or reimbursed by the Indemnifying Party.

(c) If the Indemnifying Party (i) is not entitled to defend a Third Party Claim, (ii) elects not to defend the Indemnified Party against a Third Party Claim, whether by not giving the Indemnified Party timely notice of its desire to so defend or otherwise or (iii) after assuming the defense of a Third Party Claim, fails to take

reasonable steps necessary to defend diligently such Third Party Claim within ten days after receiving written notice from the Indemnified Party to the effect that the Indemnifying Party has so failed, the Indemnified Party shall have the right but not the obligation to assume its own defense; it being understood that the Indemnified Party's right to indemnification for a Third Party Claim shall not be adversely affected by assuming the defense of such Third Party Claim. The Indemnified Party shall not settle a Third Party Claim for which the Indemnifying Party shall have monetary liability hereunder without the consent of the Indemnifying Party, which consent shall not be unreasonably withheld.

Section 7.5 Consequential Damages; Materiality; Interest. Notwithstanding anything to the contrary contained in this Agreement, no Person shall be liable under this Article VII for any consequential, punitive, special, incidental or indirect damages, including lost profits, except to the extent awarded by a court of competent jurisdiction in connection with a Third Party Claim, except to the extent the Loss arises out of an intentional or willful breach by the non-claiming party and the Loss was reasonably foreseeable. Any computation of Losses hereunder in respect of a breach of representation or warranty shall measure such Losses without giving effect to any qualifier for materiality or Material Adverse Effect set forth therein. Amounts payable in respect of any Losses under Section 7.2 or 7.3 shall bear interest at LIBOR calculated on a 365-day basis from the date notice of the Losses for which indemnification is sought was delivered until the date of payment of indemnification by the Indemnifying Party.

Section 7.6 Payments. The Indemnifying Party shall pay all amounts payable pursuant to this Article VII, promptly following receipt from an Indemnified Party of a bill, together with all accompanying reasonably detailed back up documentation, by wire transfer of immediately available funds from the Escrow Account, subject to the proviso to the last sentence in Section 2.8(f) with respect to the matters set forth in Section 2.8(f) (including as applied to any Group 2 System in accordance with Section 2.9(c)) in an amount equal to the Loss that is the subject of indemnification hereunder, unless the Indemnifying Party in good faith disputes the Loss, in which event it shall so notify the Indemnified Party. In any event, the Indemnifying Party shall pay to the Indemnified Party (i) in the case of a payment by Seller, by wire transfer of immediately available funds from the Escrow Account, subject to the proviso to the last sentence in Section 2.8(f) with respect to the matters set forth in Section 2.8(f) (including as applied to any Group 2 System in accordance with Section 2.9(c)) and (ii) in the case of a payment by Buyer, by wire transfer of immediately available funds, in each case in an amount equal to the amount of any Loss (and any interest thereon) for which it is liable hereunder no later than three days following any final determination of such Loss and the Indemnifying Party's liability therefor. A "final determination" shall exist when (A) the parties to the dispute have reached an agreement in writing, (B) a court of competent jurisdiction shall have entered a final and non appealable order or judgment, or (C) an arbitration or like panel shall have rendered a final non appealable determination with respect to disputes the parties have agreed to submit thereto.

Section 7.7 Characterization of Indemnification Payments. All payments made by an Indemnifying Party to an Indemnified Party in respect of any claim

pursuant to this Article VII shall be treated as adjustments to the Purchase Price for all income Tax purposes but shall not affect the Escrow Amount (other than to the extent of any payment hereunder); provided, however, that any payments pursuant to this Article VII that represent interest payable under Section 7.5 shall be treated as (a) deductible to the Indemnifying Party and (b) taxable to the Indemnified Party. The parties agree to treat, and to cause their respective Affiliates to treat, any such payments in the foregoing manner, for all income Tax purposes (unless otherwise required by a change in applicable income Tax Law or as a result of a good faith resolution of a contest).

Section 7.8 Remedies. From and after the Closing, the rights and remedies of Seller and Buyer under this Article VII shall be exclusive and in lieu of any and all other rights and remedies which Seller and Buyer may have under this Agreement or otherwise against each other with respect to the Transaction for monetary relief with respect to (a) any breach of any representation or warranty or any failure to perform any covenant or agreement set forth in this Agreement, other than those which are intentional or willful and other than those in the proviso to the last sentence in Section 2.8(f) (including as applied to any MCE System in accordance with Section 2.9(c)), and (b) the Assumed Liabilities or the Excluded Liabilities, and Buyer and Seller each expressly waives any and all other rights or causes of action it or its Affiliates may have against the other party or its Affiliates for monetary relief now or in the future under any Law with respect to the Transaction.

ARTICLE VIII

TERMINATION

Section 8.1 Termination by Mutual Consent. This Agreement may be terminated at any time prior to the Closing by mutual written agreement of Seller and Buyer.

Section 8.2 Termination by Either Buyer or Seller. This Agreement may be terminated at any time prior to the Closing by Buyer or Seller, by giving written notice of termination to the other party, if (a) subject to Section 2.10(b), the Closing shall not have occurred on or before July 31, 2006 (the "Outside Date") so long as the party proposing to terminate has not breached in any material respect any of its representations, warranties, covenants or other agreements under this Agreement in any manner that shall have proximately contributed to the failure of the Closing to so occur (such breaching party, a "Proximate Cause Party"); provided, however, that if any Government Antitrust Entity has not completed its review of the Transaction or the transactions contemplated by the Friendco Purchase Agreement by such time, or either party determines in good faith at such time that additional time is necessary in order to forestall any action to restrain, enjoin or prohibit the Transaction or the transactions contemplated by the Friendco Purchase Agreement by any Government Antitrust Entity, and, in either such case, all conditions set forth in Article VI (other than Section 6.1(d)) have been satisfied or waived in writing by the party entitled to the benefit thereof or are immediately capable of being satisfied, then in either such case, such date may be extended by either party to a date not beyond October 31, 2006 (the "Extended Outside Date") or (b) any

Law (other than an order, judgment or ruling contemplated by Section 8.3(d)(ii) or Section 8.4(c)(ii)) permanently restraining, enjoining or otherwise prohibiting consummation of the Transaction shall become final and non-appealable.

Section 8.3 Termination by Seller. This Agreement may be terminated at any time prior to the Closing by Seller, by written notice to Buyer:

(a) prior to the commencement of the Confirmation Hearing, if (i) as of the date of such termination, Seller is not in breach of Section 5.8, (ii) the Board authorizes Seller, subject to complying with the terms of this Agreement, to enter into a binding written agreement concerning a transaction that constitutes a Superior Proposal and Seller notifies Buyer in writing that it intends to enter into such an agreement, attaching the most current version of such agreement (and all related agreements) to such notice (provided, that if such intention changes Seller shall promptly notify Buyer of that fact) and (iii) Buyer does not make, within five Business Days of receipt of Seller' s written notification of its intention to enter into a binding agreement for a Superior Proposal, an offer which, thereafter, the Board determines, in good faith after consultation with its financial advisors, is at least as favorable to the stakeholders of Seller as is the Superior Proposal (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b) and the likelihood of consummation);

(b) if there has been a breach of any representation, warranty, covenant or agreement made by Buyer in this Agreement such that an executive officer of Buyer would be unable to deliver the closing certificate to Seller regarding Buyer' s representations and warranties and Buyer' s performance of its obligations as required pursuant to Section 6.3(a) and Section 6.3(b), respectively, and such breach or condition is not curable or, if curable, is not cured within 60 days after written notice thereof is given by Seller to Buyer; provided, however, that if, with respect to any such breach or condition that cannot reasonably be expected to be cured within 60 days, Buyer is diligently proceeding to cure such breach, this Agreement may not be terminated pursuant to this Section 8.3(b) for so long as (i) such breach is reasonably likely to be cured prior to the date on which this Agreement would otherwise be terminated under Section 8.2 and (ii) Buyer continues such efforts to cure; provided, further, that the right to terminate this Agreement pursuant to this Section 8.3(b) shall not be available to Seller if as of such time it is a Proximate Cause Party;

(c) prior to the commencement of the Confirmation Hearing, if (i) as of the date of such termination, Seller is not in breach of Section 5.8, (ii) the Board authorizes Seller to file a Superior Alternate Plan with the Bankruptcy Court and Seller notifies Buyer in writing that it intends to file such Superior Alternate Plan, attaching the most current version of such Superior Alternate Plan (and all related agreements and supporting documentation) to such notice (provided, that if such intention changes Seller shall promptly notify Buyer of that fact) and (iii) Buyer does not make, within ten Business Days of receipt of Seller' s written notification of its intention to file a Superior Alternate Plan, an offer which, thereafter, the Board determines, in good faith after consultation with its financial advisors, is at least as favorable to the stakeholders of

Seller as is the Superior Alternate Plan (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b) and the likelihood of consummation); or

(d) if (i) at any time after the conclusion of voting on the Plan as established by the Bankruptcy Court, Seller' s stakeholders who are entitled to vote on the Plan vote in sufficient number and amount against the Plan such that the Plan is not otherwise capable of being confirmed by the Bankruptcy Court or (ii) subject to compliance by Seller with the first sentence of Section 5.11(g), at any time after the expiration of 150 days following the entry of an order, judgment or ruling by a court of competent jurisdiction in the Reorganization Case denying entry of (or vacating, or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), the Bankruptcy Court shall not have thereafter entered a Confirmation Order satisfying the condition set forth in Section 6.2(g); provided, however, that Seller may only terminate this Agreement pursuant to this Section 8.3(d)(ii) if at such time it would not reasonably be expected that a Confirmation Order satisfying the condition set forth in Section 6.2(g) shall be entered prior to the Outside Date.

Section 8.4 Termination by Buyer. This Agreement may be terminated at any time prior to the Closing by Buyer, by written notice to Seller:

(a) if there has been a breach of any representation, warranty, covenant or agreement made by Seller in this Agreement (assuming entry of the Confirmation Order) such that an executive officer of Seller would be unable to deliver the closing certificate to Buyer regarding Seller's representations and warranties and Seller's performance of its obligations as required pursuant to Section 6.2(a) and Section 6.2(b), respectively, and such breach is not curable or, if curable, is not cured within 60 days after written notice thereof is given by Buyer to Seller; provided, however, that if, with respect to any such breach or condition that cannot reasonably be expected to be cured within 60 days, Seller is diligently proceeding to cure such breach, this Agreement may not be terminated pursuant to this Section 8.4(a) for so long as (i) such breach is reasonably likely to be cured prior to the date on which this Agreement would otherwise be terminated under Section 8.2 and (ii) Seller continues such efforts to cure;

(b) if (i) Seller has not, by October 15, 2005, filed all motions reasonably necessary to obtain the Confirmation Order or (ii) if the Protections Order is vacated or modified in any material respect following the date hereof;

(c) if (i) at any time after the conclusion of voting on the Plan as established by the Bankruptcy Court, Seller's stakeholders who are entitled to vote on the Plan vote in sufficient number and amount against the Plan such that the Plan is not otherwise capable of being confirmed by the Bankruptcy Court or (ii) subject to compliance by Buyer with the first sentence of Section 5.11(g), at any time after the expiration of 150 days following the entry of an order, judgment or ruling by a court of competent jurisdiction in the Reorganization Case denying entry of (or vacating), or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), the Bankruptcy Court shall not have thereafter entered a Confirmation

125

Order satisfying the condition set forth in Section 6.2(g); provided, however, that Buyer may only terminate this Agreement pursuant to this Section 8.3(c)(ii) if at such time it would not reasonably be expected that a Confirmation Order satisfying the condition set forth in Section 6.2(g) shall be entered prior to the Outside Date; or

(d) following (i) the conversion of the Reorganization Case into one or more cases under chapter 7 of the Bankruptcy Code or (ii) the appointment of a chapter 11 trustee in the Reorganization Case; provided, however, that the right to terminate this Agreement pursuant to Section 8.4(a), (b) or (c) shall not be available to Buyer if as of such time it is a Proximate Cause Party.

Section 8.5 Effect of Termination.

(a) In the event of the termination of this Agreement in accordance with Article VIII, this Agreement shall thereafter become void and have no effect, and no party hereto shall have any Liability to the other party hereto or their respective Affiliates, or their respective directors, officers or employees, except for the obligations of the parties hereto contained in this Section 8.5, the last sentence of Section 5.22 and in Sections 9.1, 9.4, 9.6, 9.7, 9.10, 9.11 and 9.13 (and any related definitional provisions set forth in Article I), and except that nothing in this Section 8.5 shall relieve any party from liability for any willful breach of this Agreement that arose prior to such termination.

(b) In the event that (i) this Agreement is terminated by Seller pursuant to Section 8.2(a) prior to the entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g) which has not been vacated by a court of competent jurisdiction and Buyer is not a Proximate Cause Party as of the date of such termination or (ii) this Agreement is terminated (A) by Seller pursuant to Sections 8.3(a), 8.3(c) or 8.3(d) or (B) by Buyer pursuant to Section

8.4(a) (but, with respect to the representations and warranties of Seller, only in the case of a willful breach by Seller), 8.4(b) or 8.4(c) except, in the case of this clause (ii)(B), in the event that Buyer is a Proximate Cause Party as of the date of such termination, then Seller shall pay Buyer, by wire transfer of immediately available funds, a termination fee of \$87,500,000 payable upon the earlier of consummation of an Acquisition or the effective date of a chapter 11 plan of Seller and/or one or more of its Affiliates approved by the Bankruptcy Court, which plan involves a substantial portion of the Assets of Seller and its Affiliates.

(c) The obligation of Seller to pay the amount payable under Section 8.5(b) (and the payment thereof) shall be absolute and unconditional; such payment shall be an administrative expense under section 507(a)(1) of the Bankruptcy Code and shall be payable as specified herein and not subject to any defense claim, counterclaim, offset, recoupment, or reduction of any kind whatsoever.

Section 9.2 Amendment; Waiver. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by Buyer and Seller, or in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law except as otherwise specifically provided in Article VII.

Section 9.3 No Assignment or Benefit to Third Parties. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, legal representatives and permitted assigns. No party to this Agreement may assign any of its rights or transfer or delegate any of its obligations under this Agreement, by operation of Law or otherwise, without the prior written consent of the other party hereto, except, in whole or in part, (a) as provided in Section 9.5, (b) with respect to Seller's rights and obligations, following the Closing to any entity acting on behalf of Seller's estate (provided, that no such assignment by Seller under this clause (b) will relieve Seller of its Liabilities hereunder), (c) to Friendco under the Exchange Agreement (provided, that in the event of any such assignment (i) and only so long as Friendco does not provide any Excluded Books and Records to Buyer or any of its Affiliates, the Books and Records shall be deemed to include the Excluded Books and Records, the final proviso to the definition of "Books and Records" shall be deemed deleted and upon request of Buyer the Excluded Books and Records will be delivered to Friendco and (ii) Friendco shall not be entitled to any Retained Claims or the proceeds thereof) and (d) by Buyer to one or more direct or indirect wholly owned Subsidiaries of Buyer (provided, that Buyer identifies such Subsidiary and the rights and obligations to be assigned on or before Closing; provided, further, that no such assignment by Buyer to a wholly owned Subsidiary under this clause (d) will relieve Buyer of its Liabilities hereunder). Any assignment or transfer permitted hereunder shall be evidenced in writing signed by the assignor and assignee, a copy of which shall be delivered to the other party hereto. In connection with any assignment, transfer or delegation by Buyer to Friendco as permitted above, Buyer shall be relieved of any Liability so assigned, transferred

or delegated, to the extent Seller has the right to enforce in full against Friendco any such Liability. Nothing in this Agreement, express or implied, is intended to confer upon any Person other than Buyer, Seller, the Indemnified Parties and their respective successors, legal representatives and permitted assigns, any rights or remedies under or by reason of this Agreement.

Section 9.4 Entire Agreement. This Agreement (including all Schedules and Exhibits) and the Ancillary Agreements executed as of the date hereof

128

contain the entire agreement between the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, except for the Buyer Confidentiality Agreement and the Seller Confidentiality Agreement, which shall remain in full force and effect except as otherwise provided herein.

Section 9.5 Debtor Obligations Joint and Several; Fulfillment of Obligations. Seller shall, and shall cause each of its Affiliates to, cause each and every Debtor, including each that is an Asset Transferring Subsidiary hereunder, to agree for the benefit of Buyer, except to the extent any Liability is limited to the Escrow Account as a result of the limitations set forth in Article VII, to be jointly and severally liable for any breach or violation of Seller's representations, warranties or covenants hereunder and to execute and deliver such Contracts and take such further action as may be reasonably requested by Buyer to evidence the intent and effect of the foregoing (including, for the avoidance of doubt, the inclusion, except to the extent any Liability is limited to the Escrow Account as a result of the limitations set forth in Article VII, of an express undertaking of such joint and several liability in the Plan). Any obligation of any party to any other party under this Agreement, or any of the Ancillary Agreements, which obligation is performed, satisfied or fulfilled completely and without any adverse legal implications to the obligee, by an Affiliate of such party, shall be deemed to have been performed, satisfied or fulfilled by such party.

Section 9.6 Public Disclosure. Section 9.8 Schedules. The disclosure of any matter in any Section relating to representations of the Seller Disclosure Schedule or the Buyer Disclosure Schedule shall not be deemed to constitute an admission by Seller or Buyer or to otherwise imply that any such matter is material for the purposes of this Agreement, unless the inclusion of such matter in such Schedule is required to make the representation true. A matter set forth in one Schedule of the Seller Disclosure Schedule or Buyer Disclosure Schedule pertaining to Article III or IV, as applicable, need not be set forth in any other Schedule of such disclosure schedule pertaining to Article III or IV, as applicable, or on a Schedule corresponding to any other Section of Article III or

No matter added to Schedule 3.8(a) or Schedule 3.8(b) of the Seller Disclosure Schedule pursuant to the preceding sentence will be treated as set forth on any other Schedule as a result of the second sentence of this Section 9.8. When an area is set forth on one Schedule A Part as a primary Cost Center and another Schedule A Part as a non-primary Cost Center, the following shall apply in determining the Systems and System Group to which it relates: (i) for the Schedule A Part with respect to which such area is the primary Cost Center, such Schedule will be deemed to exclude the Subscribers, and Assets primarily related to those Subscribers, included in the applicable non-primary Cost Center(s) and (ii) for any given Schedule A Part with respect to which such area is a non-primary Cost Center, such Schedule A Part will be deemed to include only the Subscribers, and Assets primarily related to those Subscribers, included in the applicable non-primary Cost Center.

jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto and (iv) agrees that service of process upon such party in any such action or proceeding shall be effective if notice is given in accordance with Section 9.1. Seller irrevocably designates The Corporation Trust

Company as its agent and attorney-in-fact for the acceptance of service of process and making an appearance on its behalf in any such claim or proceeding and for the taking of all such acts as may be necessary or appropriate in order to confer jurisdiction over it before the Chosen Courts and Seller stipulates that such consent and appointment is irrevocable and coupled with an interest. Each party hereto irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

Section 9.11 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same Agreement.

The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.14 Specific Enforcement. The parties agree that irreparable damage would occur and that the parties would not have any adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of Section 5.8 or Article VIII and to enforce specifically the terms and provisions of such Sections and, following entry of the Confirmation Order, the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, such rights being in addition to any other remedy to which the parties are entitled at Law or in equity. The parties waive any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award or injunctive, mandatory or other equitable relief.

IN WITNESS WHEREOF, the parties have executed or caused this Agreement to be executed as of the date first written above.

It is understood that

the representations and warranties set forth in Articles 4 and 5 are qualified by the disclosure letter delivered by Comcast Subsidiary to Time Warner Cable on the date hereof in connection with this Agreement. Unless otherwise expressly provided in this Agreement: (a) accounting terms used in this Agreement shall have the meaning ascribed to them under GAAP; (b) words used in this Agreement, regardless of the gender used, shall be deemed and construed to include any other gender, masculine, feminine, or neuter, as the context requires; (c) the word “include” or “including” is not limiting, and the word “or” is not exclusive; (d) the capitalized term “Section” refers to sections of this Agreement; (e) references to a particular Section include all subsections thereof, (f) references to a particular statute or regulation include all amendments thereto, rules and regulations thereunder and any successor statute, rule or regulation, or published clarifications or interpretations with respect thereto, in each case as from time to time in effect; (g) references to a Person include such Person’s successors and assigns to the extent not prohibited by this Agreement; and (h) references to a “day” or number of “days” (without the explicit qualification “Business”) shall be interpreted as a reference to a calendar day or number of calendar days. “Knowledge” (whether or not capitalized) and words of similar import, when used with reference to Time Warner Cable, means the actual knowledge of a particular matter of any of the individuals listed on Schedule 1.3.

ARTICLE 2

Redemption; Tolling

Section 2.1 Redemption.

(a) GP Redemption; Holdco Transaction; TWC Redemption. Subject to the terms and conditions set forth in this Agreement:

(i) Subject to Section 2.1(d), prior to the consummation of the Holdco Transaction, (a) pursuant to the terms and conditions of the GP Redemption and Amendment Agreement, the GP Redemption shall be effected and (b) the Subsidiary Transfers shall be effected. Subject to Section 2.1(d), following the

20

consummation of the GP Redemption and the Subsidiary Transfers, and prior to the consummation of the TWC Redemption, (a) Time Warner Cable shall (or shall cause its Affiliates to) assign, transfer, convey and deliver to Holdco and Holdco shall accept from Time Warner Cable (and its Affiliates), all of its (and their) right, title and interest in and to the Transferred Assets and (b) Holdco shall assume and agree to pay and discharge, as and when they become due, the Assumed Liabilities. The transactions contemplated by clauses (a) and (b) of the immediately preceding sentence are referred to together as the “Holdco Transaction” and shall be consummated pursuant to one or more Bills of Sale and Assignment and Instrument of Assumption in form and substance reasonably acceptable to Time Warner Cable and Comcast Subsidiary, and such other instruments of transfer or assignment as may be reasonably necessary to effect the Holdco Transaction, in each case in form and substance satisfactory to Comcast Subsidiary. For the avoidance of doubt, both the GP Redemption and the Holdco Transaction shall take place prior to the Closing.

(ii) At the Closing, (a) Time Warner Cable shall transfer to Comcast Trust (or, if such transfer would be permitted under applicable FCC Trust Requirements, to Comcast Subsidiary) all outstanding securities of Holdco (the “Holdco Shares”) in exchange for and in complete redemption of the Redemption Securities and (b) Comcast Trust shall deliver to Time Warner Cable a stock certificate evidencing the Redemption Securities which shall be in definitive form and registered in the name of Comcast Trust, in proper form for transfer and, if requested by Time Warner Cable, execute, acknowledge and deliver a stock power or such other customary instruments of transfer as Time Warner

Cable may reasonably request. The transactions contemplated by the preceding sentence are referred to as the “TWC Redemption.”

(iii) If the Holdco Shares are delivered to Comcast Trust (rather than Comcast Subsidiary) pursuant to Section 2.1(a)(ii), then immediately after such transaction, Comcast Trust will transfer the Holdco Shares to Comcast Subsidiary (the “Comcast Subsidiary Transfer”). For purposes of Section 2.1(d)(i) and all Authorizations required or obtained in connection with the transactions contemplated by this Agreement at the Closing, the Comcast Subsidiary Transfer will be considered as part of such transactions so that such Authorizations will allow such transfer.

(iv) Each of the parties hereto hereby agrees that its execution of this Agreement shall constitute its consent and approval of the GP Redemption, the Holdco Transaction, the TWC Redemption, the Comcast Subsidiary Transfer, if any, and the Time Warner Cable Asset Purchase Transaction, for all purposes. Without limiting the foregoing, Comcast Trust I hereby agrees to execute and deliver the GP Redemption and Amendment Agreement at such time prior to the Closing as Time Warner Cable shall request.

(viii) Insurance and Condemnation Proceeds. All rights to insurance and condemnation proceeds received or receivable after Closing in respect of any Assumed Liabilities, all insurance and condemnation proceeds (to the extent not already expended by Time Warner Cable to restore or replace the lost, damaged or condemned asset, which replacement asset shall be a Transferred Asset) received or receivable in respect of any asset damaged, lost or condemned after December 31, 2004 and which if not so damaged, lost or condemned would have been a Transferred Asset and all insurance and condemnation proceeds received or receivable in respect of business interruption of the Transferred Systems to the extent relating to any period after Closing, in each case on an effective after-tax basis as if TWE and TWE-A/N are, in each case, instead of being partnerships, stand-alone corporations;

in the case of each of the foregoing, if such property is owned, held for use, leased, licensed or used primarily in the operation of the Transferred Systems and then only to the extent of Time Warner Cable’s and its Affiliates’ right, title and interest therein.

For the avoidance of doubt, and subject to Section 2.1(d), the parties intend that to the fullest extent permitted all record and beneficial ownership interests of Time Warner Cable and its Affiliates in the Transferred Assets will be transferred to Holdco in the Holdco Transaction and if any Transferring Person holds beneficial ownership in assets of the type described above while another Transferring Person holds record ownership in such assets, all of such ownership interests would be transferred to Holdco in the Holdco Transaction.

(c) Excluded Assets. Notwithstanding anything to the contrary set forth herein, all right, title and interest of Time Warner Cable and its Affiliates in, to and under the following (collectively, the “Excluded Assets”), in each case regardless of whether related to the Transferred Systems, shall not be transferred to Holdco pursuant to the Holdco Transaction and shall be retained directly or indirectly by Time Warner Cable from and after the Closing: (i) any and all cable programming services agreements (including cable guide contracts but excluding system specific programming agreements listed on Schedule 2.1(b)(v)) and any payments received or to be received with respect thereto; (ii) any and all insurance policies and rights and claims thereunder other than the matters described in Section

23

12.16, (E) cash received as advance payments from subscribers that are not received in the ordinary course of business, (F) cash proceeds (on an effective after-tax basis as if TWE and TWE-A/N are, in each case, instead of being partnerships, stand-alone corporations) of any exercise of a Transferred System Option and (G) the Cash Amount (clauses (B) except to the extent relating to an Assumed Liability), (D), (E), (F) and (G), the “Excluded Transferred Cash”); (v) any and all patents, copyrights, trademarks, trade names, service marks, service names, logos and similar proprietary rights, including the “Time Warner Cable” or “Road Runner” name and any derivations thereof (subject to Section 3.2 and excluding those items (other than those incorporating the “Time Warner” or “Road Runner” name) owned, licensed, used or held for use exclusively in connection with the operation of the Transferred Systems); (vi) any and all Contracts for subscriber billing services and any equipment leased with respect to the provision of services under such Contracts (subject to Section 7.9); (vii) any and all Contracts relating to national advertising sales representation; (viii) any and all agreements with Road Runner Holdco LLC or any other Internet service provider; (ix) any and all Contracts pursuant to which Time Warner Cable or any of its Affiliates procures goods or services for both the Transferred Systems and the Time Warner Cable Retained Cable Systems; (x) any and all retransmission consent agreements, except as provided in Section 7.5 with respect to certain Local Retransmission Consent Agreements as elected by Comcast Subsidiary; (xi) any and all agreements governing or evidencing an obligation of Time Warner Cable or any of its Affiliates for borrowed money; (xii) the assets described on Schedule 2.1(c); (xiii) any surplus inventory in excess of amounts of inventory held consistent with Time Warner Cable Retained Cable Systems practice; (xiv) any and all Authorizations of Governmental Authorities to provide telephony service held, directly or indirectly, by Time Warner Cable or any of its Affiliates; (xv) any and all assets relating to the Time Warner Cable 401(k) Plan and the Time Warner Cable Pension Plans; (xvi) any and all account books of original entry, general ledgers, and financial records used in connection with the Transferred Systems; (xvii) any assets of the type that would be excluded from financial statements by reason of the GAAP Adjustments; and (xviii) any intercompany account receivable created to record cash swept from the Transferred Systems prior to Closing (except to the extent such cash would be excluded from the definition of “Excluded Assets” pursuant to clause (iv) above and such cash amount is not otherwise transferred to Holdco in the Holdco Transaction); provided, that Time Warner Cable shall, at Comcast Subsidiary’s request and expense, provide copies of, or information contained in, such books, records and ledgers referred to in clause (xvi) above (other than information pertaining to programming agreements that are not Transferred System-specific programming or, to the extent necessary to protect the legitimate legal, business and/or confidentiality concerns of Time Warner Cable but taking into account Holdco’s and Comcast Subsidiary’s need for such information, other information that is competitively sensitive, is subject to confidentiality restrictions or that contains trade secrets or other sensitive information) to the extent reasonably requested by Holdco or Comcast Subsidiary after the Closing Date.

24

(d) Authorizations and Consents.

(i) If and to the extent that the transfer or assignment from TWE to TWE Holdco 1, from any Transferring Person to Time Warner Cable or from Time Warner Cable or any of its Affiliates to Holdco of any Transferred Asset (or following such transfer or assignment, the transfer of Holdco Shares to Comcast Trust or Comcast Subsidiary, or from Comcast Trust to Comcast Subsidiary, as the case may be) would be a violation of applicable Legal Requirements with respect to such Transferred Asset, require any Authorization with respect to such Transferred Asset or otherwise adversely affect the rights of the applicable transferee thereunder then the transfer or assignment to Time Warner Cable or Holdco, as applicable, of such Transferred Asset (each a “Delayed Transfer Asset”) shall be automatically deemed deferred and any such purported transfer or assignment shall be null and void until such time as all legal impediments are removed and/or such Authorizations have been made or obtained. Notwithstanding the foregoing, any such Delayed Transfer Asset shall be deemed a Transferred Asset for purposes of determining whether any Liability is an Assumed Liability.

(ii) If the transfer or assignment of any Transferred Asset intended to be transferred or assigned hereunder is not consummated prior to or at the Closing, whether as a result of the provisions of Section 2.1(d) or for any other reason, then Time Warner Cable (or its Affiliate) shall thereafter, directly or indirectly, hold such Transferred Asset for the use and benefit, insofar as reasonably possible and not prohibited under the terms of any applicable Contract, of Holdco (at the expense of Holdco). In addition, Time Warner Cable shall take or cause to be taken such other actions as may be reasonably requested by Holdco in order to place Holdco, insofar as reasonably possible, in the same position as if such Transferred Asset had been transferred as contemplated hereby and so that all the benefits and burdens relating to such Transferred Assets including possession, use, risk of loss, potential for gain, and dominion, control and command over such Transferred Asset, are to inure from and after the Closing to Holdco. To the extent permitted by Legal Requirements and to the extent otherwise permissible in light of any required Authorization, Holdco shall be entitled to, and shall be responsible for, the management of any Transferred Assets not yet transferred to it as a result of this Section 2.1(d) and the parties agree to use reasonable commercial efforts to cooperate and coordinate with respect thereto. For the avoidance of doubt, Time Warner Cable will cause TWE and each other Transferring Person to comply with the provisions hereof as if TWE or such other Transferring Person were a party hereto to the extent any Transferred Asset was intended to be, but was not, transferred in the GP Redemption, Subsidiary Transfers or the Holdco Transaction, as applicable.

(iii) If and when the Authorizations, the absence of which caused the deferral of transfer of any Transferred Asset pursuant to this Section 2.1(d), are obtained, the transfer of the applicable Transferred Asset to Holdco shall automatically and without further action be effected in accordance with the terms of this Agreement and the applicable Transaction Documents.

25

(iv) Neither Time Warner Cable nor any Affiliate thereof shall be obligated, in connection with the foregoing, to expend any money unless the necessary funds are advanced by Holdco, other than reasonable out-of-pocket expenses, attorneys’ fees and recording or similar fees, all of which shall be promptly reimbursed by Holdco except as otherwise specifically provided in this Agreement, including for this purpose Section 3.4.

(v) Prior to the Holdco Transaction, Time Warner Cable shall deliver to Holdco a list identifying, in reasonable detail and to Time Warner Cable’s knowledge, the Delayed Transfer Assets and the Authorizations required therefor.

(vi) The parties hereto further agree (A) that any Delayed Transferred Assets referred to in this Section 2.1(d) shall be treated for all Income Tax purposes as assets of Holdco (or any successor thereof) and (B) not to report or take any Tax position (on a Tax Return or otherwise) inconsistent with such treatment (unless required by a change in applicable Tax law or a good faith resolution of a contest, provided that if such a resolution would result in Time Warner Cable taking a position that is inconsistent with any reporting position required to be taken under the Tax Matters Agreement the provisions of the Tax Matters Agreement shall apply).

Section 2.2 Assumed Liabilities. At the Closing and except as otherwise provided for herein, Holdco shall assume, and, from and after the Closing, Holdco shall pay, discharge and perform as and when due, all (a) Liabilities of Time Warner Cable and its Affiliates to the extent arising out of, resulting from or associated with the ownership and operation of the Transferred Assets and/or the Transferred Business prior to Closing, or the transfer of such Transferred Assets and/or Transferred Business at Closing, including all Master Pre-Closing Liabilities, but in each case only to the extent such Liabilities are reflected in the Closing Net Liabilities Amount used to calculate the Final Closing Adjustment Amount and (b) all Liabilities to the extent relating to, arising out of or resulting from the ownership and operation of the Transferred Assets and/or the Transferred Business after the Closing, including all Specified Launch Support Liabilities, (clauses (a) and (b) collectively, the “Assumed Liabilities”). The Assumed Liabilities shall not include (i) Excluded Tax Liabilities, (ii) Liabilities set forth on Schedule 2.2, (iii) Liabilities for long-term debt (including the current portion thereof), (iv) Liabilities to the extent arising out of, resulting from or associated with the use, ownership or operation of the Excluded Assets other than Master Pre-Closing Liabilities and Specified Launch Support Liabilities, (v) any Liabilities of Time Warner Cable or its Affiliates other than Assumed Liabilities, (vi) any Liabilities of the type that would be excluded from financial statements by reason of the GAAP Adjustments or (vii) any intercompany payable created to record cash lent to the Transferred Systems prior to Closing (clauses (i) through (vii) collectively, “Excluded Liabilities”).

Section 2.3 Registration Rights Agreement.

26

(a) Comcast Trust and Time Warner Cable each hereby acknowledge and agree that any request by Comcast Trust for a demand registration under the Registration Rights Agreement prior to the date hereof (the “Previous Request”) will be treated for all purposes as if it had not been made. Except as set forth in Section 2.3(g) hereof, unless and until a subsequent request for a demand registration is delivered to Time Warner Cable in accordance with the Registration Rights Agreement, Time Warner Cable will not be required to take any action under the Registration Rights Agreement in respect of any request for a registration thereunder.

(b) Comcast Trust hereby agrees on behalf of itself and its Controlled Affiliates that, except as set forth in this Section 2.3, from the date hereof until the earlier of (i) the date upon which this Agreement is terminated in accordance with its terms and (ii) the date upon which Time Warner Cable’s offering of Issuer Securities (as defined in the Registration Rights Agreement) to the public for cash for its own account in one or more transactions registered under the Securities Act (other than as consideration in an acquisition transaction or as compensation to employees) equals or exceeds \$2.1 billion (or such higher amount as may be expressly approved by Comcast Trust) (such period, the “Lock-Up Period”) it shall not exercise (or cause to be exercised) (or make any request with respect thereto) any of its registration rights under the Registration Rights Agreement with respect to any “Registrable Securities” (as defined in the Registration Rights Agreement) beneficially owned by it or any of its Controlled Affiliates or otherwise.

(c) Comcast Trust hereby agrees on behalf of itself and its Controlled Affiliates that, except as set forth in Section 2.3(g) hereof, it shall not transfer (or cause to be transferred), dispose (or cause to be disposed of) or otherwise

monetize, in any such case directly or indirectly, any of the Registrable Securities beneficially owned by it or any of its Controlled Affiliates until such time, if any, as this Agreement is terminated in accordance with its terms. Notwithstanding any other provision of this Section 2.3(c), Comcast Trust may, at any time, directly or indirectly transfer all or any of its Registrable Securities to Comcast Parent or any Subsidiary of Comcast Parent if such Person agrees in writing to be bound by, and entitled to the benefits of, this Section 2.3 as if a party hereto and delivers a written acknowledgment of the same to Time Warner Cable (including with respect to any subsequent transfers or dispositions), *provided* that such transfer is otherwise permitted under this Agreement (disregarding this Section 2.3).

(d) For purposes of offerings made pursuant to the Demand Registrations contemplated by Section 2.3(g) hereof or any offering in respect of which Comcast Trust has the opportunity to exercise incidental registration rights pursuant to Article V of the Registration Rights Agreement, from the Comcast Priority Start Date until the Comcast Priority Termination Date, each of the Registration Rights Agreement and the TWX Registration Rights Agreement shall be amended by deleting clauses (a), (b) and (c) and the final sentence of Section 6.10 of each such agreement and replacing them in their entirety with the following:

“(a) First, such offering shall include any Registrable Securities proposed to be included in such offering; and

(b) Second, (i) if such offering occurs prior to the AOLTW Registration Date, such offering shall include any other securities proposed to be included in such offering, which securities shall (A) first, include any Issuer Securities not already included in such offering and (B) second, include any AOLTW Securities requested to be included in such offering; and (ii) if such offering occurs on or after the AOLTW Registration Date, such offering shall include any other securities proposed to be included in such offering, which securities shall be divided equally between (x) any such securities that are Issuer Securities not already included in such offering and (y) any such securities that are AOLTW Securities not already included in such offering, in each case until all such securities requested to be registered have been included in such offering.”

Immediately following the Comcast Priority Termination Date, (1) Section 6.10 of each of the Registration Rights Agreement and the TWX Registration Rights Agreement shall be amended so as to read as such Section read immediately prior to the amendment effected by this Section 2.3(d); and (2) for purposes calculating the amount of securities to be included in any offering pursuant to Section 6.10(c) of each of the Registration Rights Agreement and the TWX Registration Rights Agreement, any Registrable Securities sold by any Stockholder pursuant to the Section 2.3 Registration Statement for Cumulative Net Proceeds (as defined in each such agreement) in excess of \$3.0 billion (“Excess Section 2.3(g) Securities”) shall be deemed to have been included in such offering pursuant to Section 6.10(c) until all such Excess Section 2.3(g) Securities have been deemed included in an offering pursuant to this subclause (2).

(e) Notwithstanding Section 6.8(a) of the Registration Rights Agreement, but subject to Section 2.3(g)(ix), (i) prior to the Comcast Priority Start Date, Comcast Trust shall not be required to enter into any Lock-up Agreement (as defined in the Registration Rights Agreement) that does not terminate on or prior to the Comcast Priority Start Date and (ii) after the Lock-Up Period, Comcast Trust shall not be required to enter into any Lock-up Agreement unless Comcast Trust has the opportunity to exercise incidental registration rights pursuant to Article V of the Registration Rights Agreement with respect to such offering, subject to the limitations and provisions of the Registration Rights Agreement, as amended hereby.

(f) Time Warner Cable acknowledges that Comcast Trust is obligated to dispose of the Redemption Securities pursuant to the FCC Trust Requirements and agrees to reasonably cooperate with Comcast Trust, Comcast Parent and Comcast Subsidiary in effecting such disposition pursuant to the Registration Rights Agreement, as amended hereby.

(g) Execution of this Agreement shall be deemed a written request, pursuant to Section 4.1 of the Registration Rights Agreement, by Comcast Trust to the Issuer to use all commercially reasonable efforts to file, on (but not prior to) the Demand Filing Date, a registration statement that registers the offer and sale of all

Registrable Securities of Issuer beneficially owned by Comcast Trust or any of its Controlled Affiliates. Such Demand Registration shall be subject to the terms of the Registration Rights Agreement, which agreement shall be deemed amended, from the date hereof until the Comcast Priority Termination Date, as follows:

(i) *Frequency of Demand Registrations.* Section 4.1(a)(i) of the Registration Rights Agreement shall be replaced with the following: “more than one such Demand Registration in any period of 90 days.”

(iv) *Shelf Registration Statement.* Notwithstanding Section 6.1(a) of the Registration Rights Agreement, the registration statement (the “Section 2.3 Registration Statement”) in respect of the Demand Registration contemplated by this Section 2.3(g) will be on Form S-1 (or on Form S-3 if the Issuer is eligible to use such form) registering an offering to be made on a continuous or delayed basis pursuant to Rule 415(a)(1)(i) under the Securities Act; each takedown under such Section 2.3 Registration Statement shall constitute a separate Demand Registration for purposes of Section 4.1(a)(ii) of the Registration Rights Agreement, *provided* that the Demand Registration contemplated by this Section 2.3(g) and the first takedown thereunder shall collectively constitute a single such Demand Registration; and, Comcast Trust shall give Issuer reasonable, but no less than ten (10) Business Days’ , prior notice of its intent to effect a takedown under

such Demand Registration. Notwithstanding the foregoing, to the extent the Issuer is eligible to use Form S-3 and to the extent the original Section 2.3 Registration Statement was filed on Form S-1, the Issuer may file an additional Section 2.3 Registration Statement on Form S-3 and on the date the Securities and Exchange Commission declares such additional Section 2.3 Registration Statement effective, Comcast Trust shall not initiate any new takedowns under the original Section 2.3 Registration Statement and, upon the completion of any then pending distributions of Registrable Securities under the original Section 2.3 Registration Statement, Issuer shall be entitled to withdraw such original Section 2.3 Registration Statement pursuant to Rule 477 under the Securities Act.

(vi) *Effectiveness of Shelf Registration Statement.* Section 6.1(b) of the Registration Rights Agreement shall be replaced in its entirety with the following:

“(b) the Issuer shall, as expeditiously as practicable, use all commercially reasonable efforts to prepare and file with the Commission such amendments and supplements to such Registration Statement and the Prospectus as may be necessary to keep such Registration Statement effective as set forth in Section 4.2 hereof, provided that the Issuer shall not be required (i) to supplement the Prospectus until five (5) Business Days after it first announces earnings in respect of its first, second or third fiscal quarters or (ii) to file any post-effective amendment required in respect of its annual report on Form 10-K until ten (10) Business Days after it files such annual report (such ten Business Day period shall constitute a Deferral Period not subject to the limitations set forth in Section 6.3(c) hereof); and the Issuer shall comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during such period in accordance with the intended methods of disposition by the sellers thereof set forth in such Registration Statement; notwithstanding anything to the contrary in this Agreement, the Issuer shall not be required to file or have declared effective more than one post-effective amendment of the Section 2.3 Registration Statement (as defined in the Redemption Agreement)

(excluding any post-effective amendments required pursuant to Regulation S-K, Item 512(a)(1)(ii) and excluding any post-effective amendments necessitated by the Issuer having to file any amended annual report on Form 10-K/A) and shall not be required to file more than five supplements to the Prospectus contained in such Section 2.3 Registration Statement (*provided* that any preliminary or final prospectus supplement relating to a single underwritten public offering shall collectively be

deemed to constitute one supplement to the Prospectus and any preliminary or final supplement filed in connection with the first takedown under such Section 2.3 Registration Statement shall not be counted as a supplement);”.

(vii) *Deferral Periods*. Notwithstanding Section 6.3(b) of the Registration Rights Agreement, the Issuer shall not be entitled to voluntarily withdraw the Section 2.3 Registration Statement (*provided* that the Issuer shall be entitled to suspend any and all sales of Registrable Securities by a holder thereof pursuant to such Section 2.3 Registration Statement as contemplated by Section 6.3 of the Registration Rights Agreement and may withdraw such Section 2.3 Registration Statement as provided by Section 2.3(g)(iv) or if required to do so by applicable law, rule, regulation, order or request by the SEC, a court or other governmental or regulatory body having jurisdiction over the Issuer); from the Demand Filing Date through the Demand Registration Termination Date, the 120 days referred to in Section 6.3(c) of the Registration Rights Agreement shall be deemed to be 90 days.

(viii) *Restrictions on Covered Transactions*. Section 6.7 of the Registration Rights Agreement shall be amended by adding the following clause (e) thereto:

“(e) Notwithstanding anything to the contrary contained in this Agreement, from the Comcast Priority Start Date through the Comcast Priority Termination Date, the Issuer shall not effect any Covered Transactions other than as provided in Section 6.7(b)(ii) hereof, but Trust II shall be permitted to effect any Covered Transactions, Regulatory Sales or Deemed Sales.”

(ix) *Restrictions on Public Sales*. From the Comcast Priority Start Date through the Comcast Priority Termination Date, Section 6.8(a)(i) of the Registration Rights Agreement and the TWX Registration Rights Agreement shall be amended (A) by replacing “180 days” with “90 days (or such longer period, not to exceed 180 days, as Trust II shall determine)” and (B) by adding the following as the final sentence thereof: “Notwithstanding the foregoing, any Lockup Agreement entered into by the Issuer shall permit the Issuer to issue

shares of Common Equity as consideration in an acquisition transaction or as compensation to employees.”

(x) *Transferability of rights under this Section 2.3(g)*. Notwithstanding anything in this Agreement or the Registration Rights Agreement to the contrary, (A) only Comcast Trust, on behalf of itself, any of its Controlled Affiliates and any transferee under Section 2.3(c) hereof, shall be entitled to the benefits of this Section 2.3(g) and Comcast Trust shall direct all actions hereunder, *provided* that, if Comcast Trust ceases to exist and, pursuant to Section 2.3(c) hereof, has transferred all of the Registrable Securities beneficially owned by it and its Controlled Affiliates to Comcast Parent or its Affiliates, then Comcast Parent shall direct all actions hereunder; and (B) from the Comcast Priority Start Date until the Comcast Priority Termination Date, no Stockholder other than Comcast Trust or any of its Controlled Affiliates (and Comcast Parent and its Controlled Affiliates as provided in the proviso to subclause (A) hereof) under the Registration Rights Agreement shall be permitted to exercise its registration rights under the Registration Rights Agreement.

(h) The foregoing shall be deemed to amend, modify and supplement the Registration Rights Agreement and the TWX Registration Rights Agreement; provided, that, it is acknowledged and agreed by Time Warner Cable that nothing contained in this Section 2.3 shall be deemed a revocation by Comcast Trust for purposes of Section 4.1(c) of the Registration Rights Agreement. In its capacity as the ultimate indirect beneficiary of the Comcast Trust, Comcast Parent hereby expressly acknowledges and approves of the agreement made by Comcast Trust in this Section 2.3. TWX hereby expressly acknowledges and approves the amendment, modification and supplement to the Registration Rights Agreement and the TWX Registration Rights Agreement set forth in this Section 2.3.

(i) Upon the date that the FCC Trust Requirements are terminated or amended so as to require disposition of the Class A Common Stock as of a date that is no earlier than August 18, 2008, Sections 2.3(d), (e), (f) and (g) hereof shall be of no further force or effect.

Section 2.4 [Intentionally Omitted]

No later than two Business Days prior to the Closing Date, Time Warner Cable will deliver to Comcast Trust and Comcast Subsidiary a good faith estimate of the Subscriber Adjustment Amount (the "Estimated Subscriber Adjustment Amount"), if any, and a good faith estimate of the Closing Net Liabilities Adjustment Amount (the "Estimated Closing Net Liabilities Adjustment Amount"), if any, together with appropriate documentation supporting such estimates. The sum of the Estimated Subscriber Adjustment Amount and the Estimated Closing Net Liabilities Adjustment Amount is

32

referred to herein as the "Estimated Closing Adjustment Amount" and may be a positive or a negative amount.

Section 2.6 Final-Closing Adjustment Amount.

(a) No later than ninety (90) days following the Closing Date (the "Delivery Date"), (i) Comcast Subsidiary will deliver to Time Warner Cable (A) its determination of the Closing Net Liabilities Amount for Holdco and based on the foregoing, the Closing Net Liabilities Adjustment Amount, (B) its determination of the Transferred Closing Subscriber Number and the Transferred Base Subscriber Number and (C) appropriate documentation supporting such determinations (the "Comcast Statement") and (ii) Time Warner Cable will deliver to Comcast Subsidiary (A) its determination of the Retained Closing Subscriber Number and the Retained Base Subscriber Number and (B) appropriate documentation supporting such determinations (the "Time Warner Cable Statement"). Each such statement shall be prepared in good faith in accordance with this Agreement based on the books and records of the Transferred Systems held by Holdco or based on the books and records of the Time Warner Cable Retained Cable Systems held by Time Warner Cable, as the case may be.

(b) If Time Warner Cable disagrees with any item in the Comcast Statement delivered pursuant to Section 2.6(a)(i), Time Warner Cable may, within ninety (90) days after the Delivery Date, deliver a notice to Comcast Subsidiary disagreeing with such item and setting forth Time Warner Cable's calculation of such item, together with appropriate documentation supporting such determination. Any such notice of disagreement shall specify those items or portions thereof as to which Time Warner Cable disagrees, and Time Warner Cable shall be deemed to have agreed with all other items and portions of items contained in the Comcast Statement delivered to it pursuant to Section 2.6(a)(i). If Comcast Subsidiary disagrees with any item in the Time Warner Cable Statement delivered pursuant to Section 2.6(a)(ii), Comcast Subsidiary may, within ninety (90) days after the Delivery Date, deliver a notice to Time Warner Cable disagreeing with such item and setting forth Time Warner Cable's calculation of such item, together with

appropriate documentation supporting such determination. Any such notice of disagreement shall specify those items or portions thereof as to which Comcast Subsidiary disagrees, and Comcast Subsidiary shall be deemed to have agreed with all other items and portions of items contained in the Time Warner Cable Statement delivered to it pursuant to Section 2.6(a)(ii). Any such notice shall be prepared in good faith in accordance with this Agreement based on the books and records of the Transferred Systems held by Holdco or the Time Warner Cable Retained Cable Systems, as the case may be.

(c) If a notice of disagreement shall be duly delivered pursuant to Section 2.6(b), Time Warner Cable and Comcast Subsidiary shall, during the thirty (30) days following such delivery, use their commercially reasonable efforts to reach agreement on the disputed items and amounts. If during such period, Time Warner Cable and Comcast Subsidiary are unable to reach such agreement, they shall promptly jointly retain a nationally recognized accounting firm that is not the principal independent accountant of either Comcast Parent or Time Warner Cable's ultimate

33

parent (the "Accounting Referee") to resolve the disputed items or amounts. In making its determinations of the propriety of items and amounts, the Accounting Referee shall consider only those items (or portions thereof) or amounts as to which Time Warner Cable and Comcast Subsidiary disagree and, with respect to each item (or portion thereof) or amount, shall select a number within the range of the dispute between Time Warner Cable and Comcast Subsidiary. The Accounting Referee shall deliver to Time Warner Cable and Comcast Subsidiary, as promptly as practicable (but, in any event, within thirty (30) days after submission of the dispute to it), a report setting forth its resolution of the disputed items and amounts and based thereon (and on the items (or portions thereof) and amounts not in dispute) the Closing Adjustment Amount. Such report shall be final and binding upon Time Warner Cable and Comcast Subsidiary. The costs of the Accounting Referee shall be shared equally by Time Warner Cable and Comcast Subsidiary. Holdco and Time Warner Cable will, and will cause their Affiliates and independent accountants to, cooperate and assist each other and the Accounting Referee in conducting their respective reviews of the amounts referred to in this Section 2.6, including without limitation, making available to the extent necessary any books, records, work papers and personnel.

(d) As used herein, the term "Final Closing Adjustment Amount" means, with respect to any determination of the Closing Adjustment Amount (as defined below): (1) if no notice of disagreement is delivered by either party in accordance with Section 2.6(b) with respect to the other party's determination of an element used to calculate the Closing Adjustment Amount, the Closing Adjustment Amount calculated based on the amounts in the Comcast Statement and the Time Warner Cable Statement; (2) if either party delivers a notice of disagreement in accordance with Section 2.6(b) and the parties reach agreement on all disputed items within 30 days following such delivery, the Closing Adjustment Amount as determined in accordance with such agreement; or (3) if either party delivers a notice of disagreement in accordance with Section 2.6(b) and the parties fail to reach agreement within 30 days, the Closing Adjustment Amount as calculated based on the undisputed amounts in the Comcast Statement and Time Warner Cable Statement and with respect to disputed items, as determined by the Accounting Referee. As used herein, the term "Closing Adjustment Amount" means the sum of the Subscriber Adjustment Amount and the Closing Net Liabilities Amount.

(e) If the Final Closing Adjustment Amount exceeds the Estimated Closing Adjustment Amount, Time Warner Cable will pay to Holdco the amount of such excess. If the Estimated Closing Adjustment Amount exceeds the Final Closing Adjustment Amount, Holdco will pay to Time Warner Cable the amount of such excess. Any payment pursuant to this Section 2.6(e) shall be made in cash at a mutually convenient time and place within three (3) days following the determination of the Final Closing Adjustment Amount. The amount of any payment to be made

pursuant to this Section 2.6(e) shall bear interest from and including the Closing Date to and including the date of payment at the Base Interest Rate.

(f) Tax Treatment of Adjustment Payments and Interest.

(i) For all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest) the parties hereto agree to treat and to cause their respective Affiliates to treat any payment pursuant to Section 2.6(e) to Holdco by Time Warner Cable (a "Time Warner Cable Adjustment Payment") or to Time Warner Cable by Holdco (a "Holdco Adjustment Payment" and, each, an "Adjustment Payment") as (x) with respect to a Time Warner Cable Adjustment Payment, a contribution by Time Warner Cable to Holdco occurring immediately prior to the Closing, and (y) with respect to a Holdco Adjustment Payment, an adjustment to the Cash Amount transferred by Time Warner Cable to Holdco pursuant to the Holdco Transaction occurring immediately prior to the Closing.

(ii) Notwithstanding Section 2.6(f)(i) above, any Adjustment Payments that represent interest payable under Section 2.6(e) hereof shall be treated for all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest), as (1) deductible to the payor and (2) taxable to the payee.

(g) As used herein, the term "Closing Net Liabilities Adjustment Amount" means the excess, if any, of the Closing Net Liabilities Amount over \$74,300,000. The "Closing Net Liabilities Amount" shall equal the amount of all Liabilities of Holdco (other than the Holdco Transaction Liabilities) as of the Closing (after giving effect to the Closing), less the amount of all current assets (other than inventory and the Excluded Transferred Cash) of Holdco as of the Closing (after giving effect to the Closing), in each case as would be reflected on the face of a balance sheet (excluding any footnotes thereto) prepared in accordance with GAAP; provided that, if Comcast Subsidiary or one of its Affiliates shall have made the request provided in the first sentence of Section 3.1(g)(v), the Actuarial Amount shall be treated as a Liability on the face of such balance sheet prepared in accordance with GAAP for purposes of this calculation and if Comcast Subsidiary or any of its Affiliates has not made such request the Liabilities assumed by Comcast Subsidiary pursuant to the last sentence of Section 3.1(g)(v) shall be treated as a Liability on the face of such balance sheet prepared in accordance with GAAP for purposes of this calculation. The Closing Net Liabilities Amount shall be deemed to include (without duplication) assets or Liabilities of Comcast Subsidiary or its Affiliates or Holdco conveyed or assumed (as applicable) pursuant to Section 3.1, to the extent such assets or Liabilities would be reflected on the face of a balance sheet of the Transferred Business (excluding any footnotes thereto) prepared in accordance with GAAP as of the Closing Time, but without giving effect to the Closing. Current assets shall include, but shall not be limited to, all cash and cash equivalents (including the cash paid to Comcast Subsidiary pursuant to Section 3.1(h) but excluding the Excluded Transferred Cash), prepaid expenses, funds on deposit with third parties, and accounts receivable other than (i) the portion of any account receivable resulting from cable, telephony, data or Internet service sales that is sixty (60) days or more past due as of the Closing Date, (ii) the portion of any national agency account receivable resulting from advertising sales that is one hundred and twenty (120) days or more past due as of the Closing Date, (iii) any non-national agency account receivable resulting from advertising sales any portion of which is

ninety (90) days or more past due as of the Closing Date, (iv) accounts receivable from customers whose accounts are inactive as of the Closing Date or (v) any accounts receivable that have not arisen from a bona fide transaction in the ordinary course of business. For purposes of making the foregoing “past due” calculations, the billing statements of a Transferred System will be deemed to be due and payable consistent with ordinary accounting practice. Current Assets shall include the total SMATV Consideration paid in respect of any Excluded SMATV Acquisition. For the avoidance of doubt, Liabilities shall include, but are not limited to, the Actuarial Amount (if Comcast Subsidiary or any of its Affiliates shall have made the request provided in the first sentence of Section 3.1(g)(v)), Specified Launch Support Liabilities, accounts payable, accrued expenses (including all accrued vacation time, sick days, other accrued paid time off, copyright fees, programming expenses, Applicable Taxes, franchise fees and other license fees or charges), capitalized lease obligations, Contract obligations that are due and payable (including lease obligations), due and payable obligations that are subject to materialmen’s, mechanic’s and similar Liens, Liabilities with respect to unearned income and advance payments (including subscriber prepayments and deposits for converters, encoders, cable television service and related sales) and interest, if any, required to be paid on advance payments.

(h) “Subscriber Adjustment Amount” means an amount (which may be positive or negative) equal to the product of (x) \$3,587 times (y) the Relative Percentage Amount times (z) the Transferred Base Subscriber Number. As used herein, the term “Relative Percentage Amount” means an amount (which shall be expressed as a percentage and may be positive or negative) equal to (i) the Retained Percentage (as defined below) minus (ii) the Transferred Percentage (as defined below). As used herein, the term “Retained Percentage” means a fraction (expressed as a percentage) the numerator of which is the number of Individual Subscribers of the Time Warner Cable Retained Cable Systems as of the Closing Date (the “Retained Closing Subscriber Number”) and the denominator of which is the number of Individual Subscribers of the Time Warner Cable Retained Cable Systems as of the date that is 12 months prior to the Closing Date (the “Retained Base Subscriber Number”). As used herein, the term “Transferred Percentage” means a fraction (expressed as a percentage) the numerator of which is (A) the number of Individual Subscribers of the Transferred Systems as of the Closing Date *minus* (B) the number of Individual Subscribers of the Transferred Systems acquired pursuant to any Excluded SMATV Acquisition (the “Transferred Closing Subscriber Number”) and the denominator of which is the number of Individual Subscribers of such Transferred Systems as of the date that is 12 months prior to the Closing Date (the “Transferred Base Subscriber Number”).

Section 3.1 Employees.

(a) Employees. Each Transferred System Employee who is an employee of Time Warner Cable or one of its Subsidiaries as of immediately prior to the Holdco Transaction, including individuals on leave of absence, short-term disability

36

and long-term disability, shall become an employee of Holdco as of the consummation of the Holdco Transaction. Employees who commence employment with Holdco in accordance with the preceding sentence shall be referred to herein as “Comcast Transferred System Employees.” For the avoidance of doubt, if any employee holding the job title as of the date hereof listed on Schedule 3.1(l)(i) (as previously identified by name to Comcast Subsidiary by Time Warner Cable) remains employed by Time Warner Cable or its Affiliates on the Closing Date as permitted by Section 3.1(l) hereof, such employee shall not be a Comcast Transferred System Employee. For purposes of this Article 3, “Transferred System Employees” shall not include those employees holding the job titles as of the date hereof listed

on Schedule 3.1(a) (as previously identified by name to Comcast Subsidiary by Time Warner Cable) (such employees, the “Retained Employees”) and none of Holdco, Comcast Subsidiary or any of their respective Affiliates shall have any obligation or Liability with respect to any of the Retained Employees. Holdco (or its Affiliates as of the Closing) shall take such actions as are reasonably necessary to effectuate the transfer of employment described in this Section 3.1(a), including, without limitation, making a general offer of employment to each such Transferred System Employee. The parties hereto shall not take any action that is not otherwise permitted under this Article 3 that would interfere with such employees becoming employed by Holdco as of the consummation of the Holdco Transaction. Immediately following the Closing, Comcast shall cause the Comcast Transferred System Employees to be paid base salary or wage rates no less than those rates provided to such employees immediately prior to the consummation of the Holdco Transaction and to be provided benefit plan participation at levels no less favorable than those applicable to similarly situated employees of Comcast Subsidiary or its Affiliates at the time of the Closing. As of the Closing, Holdco shall have no employees other than employees who are primarily employed in connection with the Transferred Systems.

(i) Holdco shall recognize, as to each Comcast Transferred System Employee, the period of service (without duplication of benefits) with Time Warner Cable and any of its Affiliates (other than Holdco) prior to the Closing under all Time Warner Cable Benefit Plans to the extent so recognized by Time Warner Cable and its Affiliates prior to the Holdco Transaction. In addition, Holdco shall recognize, as to each Comcast Transferred System Employee, all vacation, sick days and other paid time off accrued by such Comcast Transferred System Employee but unused as of the consummation of the Holdco Transaction, in each case to the extent such amounts are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(ii) Notwithstanding any provision in this Agreement to the contrary, the parties hereto agree that, except to the extent used in connection with the funding of any Time Warner Cable Benefit Plan that is continued by Time Warner Cable or any of its Affiliates (other than Holdco), as of the consummation of the Holdco Transaction the parties hereto shall cause to be transferred to or held for the benefit of Holdco their interests in all life, medical and other insurance policies to the extent relating to Transferred System Employees.

(iii) Subject to obtaining any necessary consents and except as provided in Section 7.2(h) or as otherwise provided in this Agreement, as of the consummation of the Holdco Transaction, Time Warner Cable and its Affiliates (other than Holdco) shall assign to Holdco, and Holdco shall assume, (A) all rights, obligations and Liabilities of Time Warner Cable and its Affiliates (other than Holdco) (x) under all employment agreements, unfunded compensation arrangements and employee related insurance policies and (y) for benefits accrued and payable now and in the future under all Time Warner Cable Benefit Plans, and (B) all other employment-related rights, obligations and Liabilities, in each case to the extent relating to Transferred System Employees (other than Liabilities relating to or arising under the “Time Warner Cable 401(k) Plan”, the “Time Warner Cable Pension Plans” (each as defined below), the Time Warner Cable Excess Benefit Pension Plan and any equity-based compensation plans maintained by Time Warner Cable or its Affiliates) (such Liabilities shall be included in the meaning of Assumed Liabilities). With respect to the period prior to Closing, any such Liabilities shall only be assumed to the extent reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(iv) The parties hereto agree that, except to the extent that sponsorship of a funded Time Warner Cable Benefit Plan is continued by Time Warner Cable or any of its Affiliates (other than Holdco) and except as provided in Section 7.2(h) or as otherwise provided in this Agreement, the Transferred Assets shall include any monies, contracts or other funds relating to the participation of any Transferred System Employees in any Time Warner Cable Benefit Plan, in

each case to the extent such amounts, monies, contracts or other funds are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(v) Subject to any required notification, as of the consummation of the Holdco Transaction, the parties agree to take such action, and to cause their Affiliates to take such action, as is necessary to cause Holdco to succeed to the rights and obligations of Time Warner Cable and its Affiliates (other than Holdco), including its rights and obligations with respect to any “multiemployer plan” (as defined in Section 3(37) of ERISA), under any collective bargaining agreement (if any so exist) to the extent such agreement covers Transferred System Employees.

(b) Continued Employment with Holdco. Effective as of the Closing, all Comcast Transferred System Employees shall continue to be employees of Holdco and shall cease to be employees of Time Warner Cable or any of its Subsidiaries. Effective as of the Closing, Time Warner Cable shall discontinue providing benefits to Comcast Transferred System Employees under all Time Warner Cable Benefit Plans except as otherwise required by law or as contemplated under this Agreement.

(c) Severance-Related Liabilities. Comcast Subsidiary and Holdco shall be responsible for all Liabilities with respect to any Comcast Transferred System Employee in connection with the termination of such employee’s employment on or after the Closing, and any Liability for WARN and severance payments and benefits under the TWC Severance Pay Plan or any individual employment or severance arrangement, each, in accordance with its terms, applicable to a Transferred

System Employee who rejects the general offer of employment made pursuant to Section 3.1(a). Notwithstanding the foregoing, Comcast Subsidiary and its Affiliates shall have no Liability with respect to the termination of employment of the employees holding the job titles as of the date hereof listed on Schedule 3.1(l)(i), if any such employee is hired by Time Warner Cable or any of its Affiliates as permitted by Section 3.1(l) in the 12 month period following the Closing.

(d) Participation in Benefit Plans. With respect to Comcast Transferred System Employees, compensation and service of such employees with Time Warner Cable and its Affiliates prior to Closing shall be recognized under all applicable Comcast Benefit Plans to the extent so recognized under the corresponding Time Warner Cable Benefit Plans prior to Closing, except to the extent that duplication of benefits would result or as otherwise provided in this Agreement.

(e) Tax-Qualified Defined Contribution Plans. As of and following the Closing, Transferred System Employees shall not be entitled to make contributions to or to benefit from matching or other contributions under the TWC Savings Plan (“Time Warner Cable 401(k) Plan”). None of Comcast Subsidiary, any of its Affiliates or Holdco shall have any Liability with respect to the Time Warner Cable 401(k) Plan, except as may be provided in any other agreement between Time Warner Cable or any of its Affiliates, on the one hand, and Comcast Subsidiary or any of its Affiliates (other than Holdco), on the other. Comcast Transferred System Employees who were participants in the Time Warner Cable 401(k) Plan immediately prior to the Closing shall become participants in a defined contribution pension plan qualified under Section 401(a) of the Code and meeting the requirements of Section 401(k) of the Code established or maintained by Comcast Subsidiary or its Affiliates (the “Comcast 401(k) Plan”) as of the Closing; *provided* that any Comcast Transferred System Employee with less than 6 months of service with Time Warner Cable or any of its Affiliates immediately prior to Closing will only become a participant in the Comcast 401(k) Plan after completing 6 months of combined continuous service with Time Warner Cable or any of its Affiliates (other than

Holdco) and Holdco or any of its Affiliates (other than Time Warner Cable). Comcast Subsidiary or its Affiliates shall cause the Comcast 401(k) Plan to accept cash eligible rollover distributions (as defined in Section 402(c)(4) of the Code) by Comcast Transferred System Employees with respect to account balances distributed to them on or after the Closing Date by the Time Warner Cable 401(k) Plan.

(f) Tax-Qualified Defined Benefit Plans. As of the Closing, the Transferred System Employees shall cease accruing benefits under the Time Warner Cable Pension Plan, and the Time Warner Cable Union Pension Plan (collectively, the “Time Warner Cable Pension Plans”). None of Comcast Subsidiary, any of its Affiliates or Holdco shall have any Liability with respect to the Time Warner Cable Pension Plans or the Time Warner Cable Excess Benefit Pension Plan except as may be provided in any other agreement between Time Warner Cable or any of its Affiliates, on the one hand, and Comcast Subsidiary or any of its Affiliates (other than Holdco), on the other.

39

(g) Health and Welfare Plans.

(i) All Liabilities relating to, arising out of, or resulting from health and welfare coverage or claims incurred by or on behalf of each Transferred System Employee under any Time Warner Cable Benefit Plan that is a health or welfare plan within the meaning of Section 3(1) of ERISA (each a “Time Warner Cable Health or Welfare Plan”) prior to the Closing shall be Liabilities of Holdco or one of its Affiliates to the extent such Liabilities are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(ii) Other than as required by COBRA, each Transferred System Employee shall cease to participate in any Time Warner Cable Health or Welfare Plan as of the Closing.

(iii) Each Comcast Transferred System Employee who, after the recognition of service provided for in Section 3.1(d) satisfies the eligibility requirements under the applicable Comcast Benefit Plan that is a health or welfare plan within the meaning of Section 3(1) of ERISA (each, a “Comcast Health or Welfare Plan”), shall be (A) entitled to enroll, effective as of the Closing, as a newly-eligible employee of Comcast Subsidiary or one of its Affiliates in the Comcast Health or Welfare Plans then available to similarly situated employees of Comcast Subsidiary or any of its Affiliates and (B) eligible to elect such coverage and benefit options as may then be available or provided under the terms of the Comcast Health or Welfare Plans to new employees of Comcast Subsidiary or any of its Affiliates. All compensation, benefit elections, deductible payments, payments toward the applicable out-of-pocket maximums and other benefit-affecting determinations affecting Comcast Transferred System Employees that, as of immediately prior to the Closing, were recognized under any Time Warner Cable Health or Welfare Plan with respect to the plan year in which the Closing occurs shall receive full recognition, credit and validity and be taken into account under the corresponding Comcast Health or Welfare Plan as of the Closing with respect to that same plan year.

(iv) With respect to any Comcast Transferred System Employee and his or her dependents (if any) who were covered under any Time Warner Cable Health or Welfare Plan immediately prior to the Closing, Comcast Subsidiary shall take, or cause to be taken, the appropriate actions reasonably necessary to ensure that the proof of insurability requirements (if any) and the preexisting condition exclusions (if any) applicable to new enrollees under the corresponding Comcast Health or Welfare Plan (if any) are waived with respect to such Comcast Transferred System Employee, to the extent that such requirements and exclusions were waived under any similar corresponding Time Warner Cable Health Welfare Plan.

(v) Upon the written request of Comcast Subsidiary or one of its Affiliates delivered to Time Warner Cable at least 60 days prior to the expected Closing Date, Time Warner Cable shall, or shall cause its Affiliates to, permit those Transferred System Employees on long-term disability or who are receiving retiree life or retiree medical benefits at the time of the Closing and who are listed on a Schedule

If Comcast Subsidiary or one of its Affiliates makes the request provided in the first sentence of this Section 3.1(g)(v), except for the payment of the Actuarial Amount, any Liability associated with any long-term disability, retiree life or retiree medical benefits, as applicable, relating to or in connection with the Selected Employees shall not be an Assumed Liability and shall be included in the meaning of Excluded Liabilities. If Comcast Subsidiary or one of its Affiliates does not make the request provided in the first sentence of this Section 3.1(g)(v), Comcast Subsidiary shall assume all Liabilities associated with any long-term disability, retiree life or retiree medical benefits relating to or in connection with the Selected Employees and such Liabilities shall be reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(h) Reimbursement Account Plans. To the extent any Comcast Transferred System Employee made contributions to any Time Warner Cable Benefit Plan that is a reimbursement account plan, such as a health care or dependent care reimbursement plan (“Time Warner Cable Reimbursement Plan”), during the calendar year in which the Closing occurs, such Comcast Transferred System Employee shall be permitted to file claims for reimbursement under a Comcast Benefit Plan that is a comparable reimbursement account plan (“Comcast Reimbursement Plan”) for qualifying expenses incurred during the calendar year in which the Closing occurs, including periods prior to the Closing, for a total amount not to exceed the amount elected by such Comcast Transferred System Employee for that year under such plan. Account balances, whether positive or negative, shall be transferred and assigned to the appropriate Comcast Reimbursement Plan by Time Warner Cable or an Affiliate, as applicable. As soon as practicable following the Closing, Time Warner Cable shall pay to Comcast Subsidiary a cash amount (which amount shall be deemed to constitute a current asset of Holdco for purposes of Section 2.6(g)) equal to the aggregate positive balances as of the Closing Date of each flexible spending account of each Comcast Transferred System Employee under the applicable Time Warner Cable Reimbursement Plan. Comcast Subsidiary shall assume all obligations of Time Warner Cable with respect to each Transferred System Employee under the applicable Time Warner Cable Reimbursement Plan.

(i) COBRA. Comcast Subsidiary shall, or shall cause, each Comcast Transferred System Employee and each “qualified beneficiary” (as defined in Title X of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, and as codified in Section 4980B of the Code and ERISA Sections 601 through 608 (“COBRA”)) of each Comcast Transferred System Employee, who elects continued group health plan coverage under COBRA or incurs a “qualifying event” (as defined in COBRA) on or after the Closing, to be offered COBRA coverage on and after the Closing under a Comcast Health or Welfare Plan. Time Warner Cable and its Affiliates

(other than Holdco) shall retain all obligations and Liabilities with respect to Transferred System Employees who elected continued group plan coverage under COBRA or incurred a “qualifying event” prior to the Closing.

(j) WARN Compliance. Comcast Subsidiary and Holdco shall be responsible for any Liability arising under the Worker Adjustment and Retraining Notification Act and any similar state or local laws (collectively, “WARN”) with respect to the termination of employment of Comcast Transferred System Employees on or after the Closing. During the period prior to the Closing, the parties agree to cooperate with each other in order to comply with WARN, including, but not limited to, Holdco or its Affiliates providing to Transferred System Employees and any applicable governmental entities or other required persons (on behalf of itself and Comcast Subsidiary) any notice and other requirements under WARN.

(k) Workers’ Compensation Liabilities. Comcast Subsidiary and Holdco shall be responsible for all workers’ compensation Liabilities relating to, arising out of, or resulting from any claim incurred for a compensable injury sustained by a Comcast Transferred System Employee on or after the Closing and, to the extent reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount, before Closing.

(l) Non-Solicit Provisions -- Excluded Employees.

(i) Except for the employees holding the job titles as of the date hereof listed on Schedule 3.1(l)(i) (as previously identified by name to Comcast Subsidiary by Time Warner Cable), from the date hereof until the first anniversary of the Closing neither Time Warner Cable nor any of its Subsidiaries will solicit any Transferred System Employees (other than for the benefit of the Transferred Systems or with the prior written consent of Comcast Subsidiary, in each case, prior to the Closing or to comply with the provisions set forth in Section 3.1(a)).

The provision of any such services shall be in accordance with the terms of Section 7.9 hereof and shall not unreasonably interfere with the performance of any such employee's duties to Time Warner Cable or its Affiliates.

(m) Confidentiality and Proprietary Information. No provision of this Section 3.1 shall be deemed to release any individual for any violation of a plan, policy, agreement or guideline regarding non-competition or pertaining to confidential or proprietary information of Time Warner Cable or any of its Affiliates or otherwise relieve any individual of his or her obligations under such guideline or any such plan, program or arrangement.

(n) No Implied Rights or Third Party Beneficiaries. The parties hereto hereby acknowledge and agree that no provision of this Agreement shall be construed to create any right, or accelerate entitlement, to any compensation or benefit whatsoever on the part of any Transferred System Employee, Retained Employee or other future, present, or former employee of Comcast Subsidiary, Holdco, Time Warner Cable, or any of their respective Affiliates, under any Comcast Benefit Plan or Time Warner Cable Benefit Plan or otherwise. 43

(o) Collective Bargaining. To the extent any provision of this Agreement is contrary to the provisions of any collective bargaining agreement to which Time Warner Cable or any of its Subsidiaries is a party as of the date hereof that covers Transferred System Employees or Retained Employees, the terms of such collective bargaining agreement shall prevail. Should any provision of this Agreement be deemed to relate to a topic determined by an appropriate authority to be a mandatory subject of collective bargaining with respect to the Transferred System Employees, Comcast Subsidiary or Time Warner Cable or any of their respective Subsidiaries may be obligated to bargain with the union representing affected employees concerning those subjects. Subsidiary issued by a nationally recognized title insurance company (a “Title Company”) and containing, to the extent available, legible photocopies of all recorded items described as exceptions therein, committing to insure, subject only to Permitted Liens, fee or a valid leasehold title, as applicable, in Holdco to each parcel of Owned Property or Leased Property so designated by notice (the “Title Commitment Notice”) delivered to Time Warner Cable within 30 days from the date of this Agreement by ALTA extended coverage owner’s or leasehold policies of title insurance, or, if ALTA policies are not obtainable in any state, policies in another form reasonably satisfactory to Comcast Subsidiary, and (b) surveys of each parcel of Owned Property or Leased Property so designated in the Title Commitment Notice (“Surveys”), in such form as is reasonably necessary to obtain the title insurance to be issued pursuant to the related Title Commitments with the standard printed exceptions relating to survey matters deleted, certified to Holdco, Comcast Subsidiary and to the Title Company with respect to that Owned Property or Leased Property, provided that Time Warner Cable’s inability to provide Title Commitments satisfying the foregoing requirements shall not constitute a breach of the foregoing covenant if the Liens, or other matters relating to title, giving rise to such inability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. In no event shall Time Warner Cable be obligated to procure a Title Commitment for any Leased Property with respect to which the Lease or a memorandum thereof has not been recorded in the land records of the county in which the Leased Property is located. The cost to obtain such Title Commitments and Surveys and other documents required by the Title Company to issue such policies and Surveys, as well as the cost of title policy premiums, shall be borne by Comcast Subsidiary, except for attorney’s fees and other incidental costs incurred by Time Warner Cable in connection with providing such Title Commitments and Surveys and otherwise complying with this Section 7.6. If Comcast Subsidiary notifies Time Warner Cable within 30 days following delivery to Comcast Subsidiary of both the Title Commitments and the Surveys of any Lien (other than a Permitted Lien or a Lien set forth in Schedule 6.4(a)) which prevents access to or which could prevent or impede in any material way the use or operation of any parcel of Owned Property or Leased Property for which a Title Commitment is required pursuant to this Section 7.6 for the purposes for which it is currently used or operated by Time Warner Cable (each a “Title Defect”), Time Warner Cable shall exercise commercially reasonable efforts, including paying attorney’s fees and other incidental costs associated with any such efforts, to (i) remove such Title Defect, or (ii) cause the Title Company to commit to insure over each such Title Defect prior to Closing at customary premium rates without additional premium or charge. If such Title Defect cannot be removed prior to Closing or the Title Company does not commit to insure over such Title Defect prior to Closing, Comcast Subsidiary and Time Warner Cable shall enter into a written agreement containing Time Warner Cable’s commitment to use commercially reasonable efforts for 180 days following Closing to remedy the Title Defect following Closing on terms satisfactory to Comcast Subsidiary, in its reasonable discretion. Notwithstanding anything to the contrary contained in this Agreement, in no event shall Time Warner Cable or its Affiliates be required to remove any Liens encumbering the Owned Property and Leased Property

cause the insuring over of any Liens (other than pursuant to customary short-form affidavits of title which do not in any event require Time Warner Cable or its Affiliates to make representations or incur obligations more onerous than those made or set forth elsewhere in this Agreement and customary gap indemnities covering Time Warner Cable's or its Affiliates' acts for the period between Closing and the recording of the applicable deed or assignment of lease with respect to such Owned Property or Leased Property), and in no event shall Time Warner Cable or its Affiliates be obligated to commence any Litigation to cause any Title Defects to be removed or insured over, and, without limiting the other provisions of this Section 7.6, in no event shall Time Warner Cable or its Affiliates be required to give a non-imputation affidavit to the title insurance company.

Section 7.7 [Intentionally Omitted].

Section 7.8 Post-Closing Obtaining of Consents. Subsequent to Closing, and subject to Section 2.1(d), Time Warner Cable shall and shall cause its Affiliates to continue to use commercially reasonable efforts to obtain in writing as promptly as possible any Authorization necessary or commercially advisable in connection with the transactions contemplated hereunder which was not obtained on or before Closing (a "Post-Closing Consent") in form and substance reasonably satisfactory to Comcast Subsidiary. A true and complete copy of any such Post-Closing Consent shall be delivered to each of Comcast Subsidiary and Holdco promptly after it has been obtained.

Section 7.9 Transitional Services. Time Warner Cable shall provide to Holdco, upon written request from Comcast Subsidiary received by Time Warner Cable no later than 30 days prior to the anticipated date of Closing, such subscriber billing, high speed data, telephony and other services as may be reasonably requested by Comcast Subsidiary in connection with the operation of the Transferred Systems for a commercially reasonable period following Closing to be mutually agreed upon in good faith by Time Warner Cable and Comcast Subsidiary to allow for transition of existing services or establishment of replacement services ("Transitional Services"). Holdco shall promptly reimburse Time Warner Cable for the actual out-of-pocket cost to Time Warner Cable and its Affiliates of providing any Transitional Services. All other terms and conditions for the provision of Transitional Services shall be reasonably satisfactory to both Comcast Subsidiary and Time Warner Cable and subject to applicable Legal Requirements.

Section 7.10 Cooperation Upon Inquiries as to Rates. Comcast Subsidiary and Time Warner Cable agree as follows:

(a) For a period of 12 months after Closing, Time Warner Cable shall cooperate with and assist Holdco by providing, upon request, all information in Time Warner Cable's or its Affiliates' possession (and not previously provided to Comcast Subsidiary or Holdco) relating directly to the rates set forth in Schedule 6.8 or the then current rates with respect to any Transferred System, if different from the rates set forth on such Schedule, or the rates on any FCC Form 393,

1200, 1205, 1210, 1220, 1235, or 1240 that Holdco may reasonably require to justify such rates in response to any inquiry, order or requirement of any Governmental Authority or any Rate Regulatory Matter instituted before or after the date of this Agreement.

(b) If at any time prior to Closing, any Governmental Authority commences a Rate Regulatory Matter with respect to a Transferred System, Time Warner Cable shall (i) promptly notify Comcast Subsidiary, and (ii) keep Comcast Subsidiary informed as to the progress of any such proceeding. Without the prior written consent of Comcast Subsidiary, which consent shall not be unreasonably withheld or delayed, Time Warner Cable shall not settle any such Rate Regulatory Matter, either before or after Closing, if (A) Holdco or any of its Affiliates would have any obligation under such settlement, or (B) such settlement would reduce the rates permitted to be charged by Holdco or any of its Affiliates after Closing below the rates set forth on Schedule 6.8 or otherwise then in effect. Notwithstanding anything to the contrary herein, after Closing, Holdco shall have the right, at its own expense, to assume control of the defense of any pending Rate Regulatory Matter, to the extent, and only to the extent, that it relates to a Transferred System. If Holdco elects to assume control of the defense of any such Rate Regulatory Matter, Time Warner Cable shall have the right to participate, at its expense, in the defense of such matter. Notwithstanding the provisions set forth in Article 11 of this Agreement, Holdco may settle any such Rate Regulatory Matter only upon Time Warner Cable's prior written consent, which consent shall not be unreasonably withheld or delayed, if Time Warner Cable would have any obligation with respect to such settlement in accordance with Article 11 hereof or otherwise.

(c) If at any time after Closing, any Governmental Authority commences a Rate Regulatory Matter with respect to a Transferred System involving any time period prior to Closing, Comcast Subsidiary shall cause Holdco to (i) promptly notify Time Warner Cable, and (ii) keep Time Warner Cable informed as to the progress of any such proceeding. Time Warner Cable shall have the right to participate, at its expense, in the defense of such matter. Notwithstanding the provisions set forth in Article 11 of this Agreement, Holdco may settle any such Rate Regulatory Matter only upon Time Warner Cable's prior written consent, which consent shall not be unreasonably withheld or delayed, if Time Warner Cable would have any obligation with respect to such settlement in accordance with Article 11 hereof or otherwise.

(d) For purposes hereof, "Rate Regulatory Matter" means any proceeding or investigation with respect to a Transferred System arising out of or related to the Cable Act (other than those affecting the cable television industry generally) dealing with, limiting or affecting the rates which can be charged by such Transferred System for programming, equipment, installation, service or otherwise.

(e) If Time Warner Cable or any of its Affiliates is required following Closing pursuant to any Rate Regulatory Matter or any other Legal Requirement, settlement or otherwise to reimburse any Subscribers for any Subscriber

payments previously made by it, including fees for cable television service, late fees and similar payments, Comcast Subsidiary shall cause Holdco, at Time Warner Cable's request, to make such reimbursement through Holdco's billing system on terms specified by Comcast Subsidiary. In such event, Time Warner Cable shall promptly pay to Holdco all such payments made by Holdco through its billing system. Without limiting the foregoing, Comcast

Subsidiary shall cause Holdco to provide to Time Warner Cable all information in its possession that is reasonably required by Time Warner Cable in connection with such reimbursement.

Section 7.11 Updated Schedules.

(a) On one or more occasions, Time Warner Cable may, at least five Business Days prior to Closing: (i) supplement Schedule 6.5(a) to reflect leases, franchises, licenses, authorizations, consents, permits, Contracts or commitments which were entered into or obtained between the date hereof and the Closing Date not in violation of the terms of this Agreement and are required to be disclosed in Schedule 6.5(a) in order for the representation and warranty contained in Section 6.5(a) to be true, complete and correct or (ii) supplement any other Schedule to this Agreement (other than the Schedules to any of Section 6.1, 6.2, 6.15 or 6.18) or to the Tax Matters Agreement, with additional information to the extent that it reflects events, acts or omissions that first occurred between the date hereof and the Closing Date and that are not prohibited by this Agreement to be taken, and that would have been required to be included in one or more Schedules to this Agreement or the Tax Matters Agreement in order for the representations and warranties of Time Warner Cable contained in this Agreement or in the Tax Matters Agreement to be true, complete and correct as of the Closing. Any such supplement to a Schedule pursuant to clause (i) above shall specifically identify each license, Contract or other item being added to Schedule 6.5(a) and any supplement pursuant to clause (ii) above shall be made with reasonable specificity and shall identify, to Time Warner Cable's knowledge, the potential Liability associated with the relevant action, condition or event. For purposes of determining whether there is any liability on the part of Time Warner Cable following Closing for breaches of its representations and warranties under this Agreement, the Schedules to this Agreement shall be deemed to include only (a) the information contained therein on the date hereof and (b) information added to such Schedules by written supplements to this Agreement delivered in accordance with the first sentence of this Section 7.11; provided, that for purposes of determining the satisfaction of the condition set forth in Section 8.1(b), any update to the Schedules pursuant to clause (b) of this sentence shall be disregarded.

(b) In addition, if after the date that is the fifth Business Day prior to Closing, but before the Closing, Time Warner Cable first becomes aware of any event, act, occurrence or omission which, if known on the fifth day prior to Closing would have been permitted to be included in a supplement pursuant to clause (ii) of the foregoing paragraph, then Time Warner Cable may make such supplement as provided above (in which case such supplement shall be deemed to have been made pursuant to clause (ii) of the foregoing paragraph); provided that Time Warner Cable may only utilize the rights in this paragraph on one occasion and, if Comcast Subsidiary elects,

upon receipt of any such supplement pursuant to this paragraph, the date of Closing may be delayed until the end of the next succeeding month.

Section 7.12 Commercially Reasonable Efforts; Further Assurances. Subject to the terms and conditions of this Agreement, the parties hereto shall use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or desirable to consummate the transactions contemplated by this Agreement as promptly as practicable. Each of the parties hereto agrees to, and, in the case of Time Warner Cable and Comcast Subsidiary, to cause its Affiliates to, execute and deliver such other documents, certificates, agreements and other writings (including completed transfer tax returns, showing in each case a purchase price or consideration reasonably acceptable to Comcast Subsidiary and Time Warner Cable) and to take such other commercially reasonable actions as may be necessary or desirable in order to evidence, consummate or implement expeditiously the transactions contemplated by this Agreement and to vest in Holdco the same title to the Transferred Assets that Time Warner Cable (together with its Affiliates) had with respect thereto immediately prior to the Transactions.

Section 7.13 Post-Closing Access to Personnel Records. After the Closing Date, Time Warner Cable shall, and shall cause its Affiliates to, provide Comcast Subsidiary and Holdco with access to, and the right to make copies or extracts of, pertinent information from the personnel files and records of Time Warner Cable and its Affiliates relating to Transferred System Employees (other than Retained Employees) in connection with litigation, administrative proceedings, payment of Applicable Taxes or any other valid business reason from time to time during normal business hours upon reasonable notice from Comcast Subsidiary or Holdco (i) with respect to matters other than matters relating to Applicable Taxes, for a period not to exceed one year from the Closing Date or (ii) with respect to matters relating to Applicable Taxes, until the expiration of the statute of limitations applicable to such Taxes, in each case except to the extent that Time Warner Cable is required by law to keep such files and records confidential.

Section 7.14 [Intentionally Omitted].

Section 7.15 Tax Returns with respect to Applicable Taxes.

(a) Time Warner Cable shall have exclusive and sole responsibility for the preparation and filing of all Applicable Tax Returns that are required to be filed with any Governmental Authority on or prior to the Closing Date.

(b) Holdco shall prepare and file all Applicable Tax Returns that are required to be filed with any Governmental Authority after the Closing Date. Holdco shall deliver any such Straddle Period Applicable Tax Returns to Time Warner Cable for its review at least 30 days prior to the date on which such Straddle Period Applicable Tax Return is required to be filed. Except as provided herein, all Straddle Period Applicable Tax Returns shall (unless required by a change in applicable Tax law or a good faith resolution of a contest) be prepared on a basis consistent with the

75

elections, accounting methods, conventions, assumptions and principles of taxation on the most recently filed Applicable Tax Returns of Holdco or a previous owner of the Transferred Systems to the extent relevant to such Transferred Systems. Subject to the foregoing, Time Warner Cable and Holdco shall reasonably cooperate with each other in the preparation and filing of any Straddle Period Applicable Tax Returns.

Section 7.16 Environmental Reports. Following the date hereof, Comcast Subsidiary may upon reasonable advance written notice and during normal business hours, at Comcast Subsidiary's expense, perform any environmental site assessments of the Owned Property or Leased Property (subject to the final sentence of this Section 7.16) as Comcast Subsidiary determines, in its sole discretion, to have performed; provided that prior to taking any samples of soil or groundwater for testing, Comcast Subsidiary shall have a reasonable basis for determining that such sampling is appropriate. Time Warner Cable shall cooperate with all reasonable requests of Comcast Subsidiary and its consultants with respect to the conduct of such assessments or sampling. Any assessment performed pursuant to this Section 7.16 shall to the fullest extent practicable be designed so as not to disrupt the business and operations of the Transferred Systems. Any right to perform an assessment pursuant to this Section 7.16 at a Leased Property shall be subject to Time Warner Cable not being prohibited from performing such assessment pursuant to the lease for such Leased Property.

Section 7.17 Certain Notices. Prior to the Closing, Time Warner Cable, with respect to the Transferred Systems, shall cause to be timely filed a request for renewal under Section 626 of the Cable Act with the proper Governmental Authority with respect to Transferred System Franchises that shall expire within 36 months after any date between the date of this Agreement and Closing Date.

Section 7.18 Franchise Expirations. From the date hereof until Closing, Time Warner Cable shall, and shall cause its Affiliates to, use commercially reasonable efforts to obtain renewals or valid extensions of any Transferred Systems Franchises which expire on or before June 30, 2008, in the ordinary course of business. Neither Time Warner Cable nor any of its Affiliates shall agree or accede to any material modifications or amendments to or in connection with, or the imposition of any material condition to the renewal or extension of, any of the Transferred System Franchises that are not reasonably acceptable to Comcast Subsidiary. Time Warner Cable agrees, from the date hereof until Closing, upon reasonable prior written notice, to allow representatives of Comcast Subsidiary to attend meetings and hearings before applicable Governmental Authorities in connection with the renewal or extension of any Transferred Systems License or Transferred Systems Franchise.

Section 7.19 Insurance. Time Warner Cable will use commercially reasonable efforts to take such actions as are necessary to cause insurance policies of Time Warner Cable and its Affiliates that immediately prior to Closing provide coverage to or with respect to the Transferred Business, the Transferred Assets or the Transferred Systems to continue to provide such coverage with respect to acts, omissions, and events occurring prior to the Closing in accordance with their terms as if

76

the Closing had not occurred; provided that to the extent Time Warner Cable takes any action with respect to its umbrella insurance policies that similarly effects all of the Time Warner Cable Retained Cable Systems but results in such insurance coverage no longer being available (other than a change denying coverage based upon a Person ceasing to be an Affiliate of Time Warner Cable), Time Warner Cable shall not be deemed to have breached this Section 7.19 and shall have no liability with respect thereto. Time Warner Cable will give Comcast Subsidiary written notice of the taking of any such action if done during the first 12 months after the Closing prior to or as soon as practicable thereafter. Time Warner Cable shall, and shall cause its Affiliates to, cooperate with and assist Holdco, if Holdco determines to make any claim under any such policy with respect to any pre-Closing act, omission or event. Holdco shall use commercially reasonable efforts to promptly notify Time Warner Cable when it becomes aware of any such claim; provided, that the failure of Holdco to provide such notice shall not relieve Time Warner Cable of its obligations under this Section 7.19, except to the extent that Time Warner Cable's rights under the applicable insurance policy are prejudiced by such failure to give notice.

Section 7.20 Promotional Campaigns. Between the date hereof and the Closing, Time Warner Cable and its Affiliates shall not initiate any Subscriber campaigns or promotions on a local or regional level with respect to the Transferred Systems, other than (i) any such campaigns or promotions that are on the same terms and conditions (or on terms and conditions that are no less favorable to the Transferred Systems) as subscriber campaigns or promotions undertaken with respect to the relevant the Transferred Systems during the year ended December 31, 2004 in the relevant market, (ii) any such campaigns or promotions that are not materially less favorable to the Transferred Systems than campaigns and promotions being conducted with respect to Time Warner Cable Retained Cable Systems on an overall basis, (iii) any such campaigns or promotions that are not materially less favorable to the Transferred Systems than campaigns and promotions being conducted by Comcast and its Affiliates in the same DMA, and (iv) any such campaigns or promotions that are either (x) with respect to campaigns and promotions conducted in an overbuild area, not materially less favorable to the Transferred Systems than the campaigns and promotions being conducted by the applicable overbuilder or RBOC or (y) not materially less favorable to the Transferred Systems than those being conducted by any direct broadcast satellite providers in the same DMA (but only in the relevant market of the relevant campaign or promotion).

Section 7.21 Launch Support. At the Closing, Time Warner Cable shall deliver to Comcast Subsidiary a schedule of the services subject to Specified Launch Support Liabilities and, with respect to each such service, the remaining time period (which shall in no event be later than the fifth anniversary of the date hereof) in which an action in respect of any Transferred System could result in an obligation to make a payment in respect of a Specified Launch Support Liability.

Section 7.22 Additional Financial Information. Time Warner Cable shall use its commercially reasonable efforts, and shall cause its Affiliates to use its commercially reasonable efforts to, provide Comcast Subsidiary and its Affiliates with

77

financial statements and related information (collectively, "Financial Information") sufficient to permit any of them to fulfill their obligations to include financial disclosure relating to the Transferred Systems on a timely basis under the Exchange Act and, if any of them undertakes an offering of securities prior to Closing, the Securities Act. If some or all of the Financial Information is included in or incorporated by reference into a prospectus for an offering of securities by Comcast Subsidiary or any of its Affiliates prior to Closing, Time Warner Cable shall use commercially reasonable efforts to cause the independent auditors of Time Warner Cable to provide customary assistance to Comcast Subsidiary and its Affiliates and its underwriters in connection with such financing, including the provision of consent and comfort letters addressed to the Securities and Exchange Commission, comfort letters addressed to the underwriters, participation in due diligence matters with respect to such offering and assistance in responding to comments or questions from the Securities and Exchange Commission with respect to the Financial Information. Comcast Subsidiary shall reimburse Time Warner Cable for reasonable costs and expenses incurred by Time Warner Cable or its Affiliates pursuant to this Section 7.22, including reasonable out-of-pocket costs and expenses.

Section 7.23 Section 338(h)(10) Election.

(a) Subject to Section 7.23(b), the parties agree jointly to make a timely election under Section 338(h)(10) of the Code and any corresponding or similar elections under state, local or foreign Tax Law (in the state, local or foreign jurisdictions as requested by Comcast) with respect to the TWC Redemption (any such election, a "338(h)(10) Election"); provided, that, for the purpose of making any 338(h)(10) Election, the Internal Revenue Service Forms 8023 and 8883 (or successor forms, or any corresponding forms under state, local or foreign Tax Law in the state, local or foreign jurisdiction requested by Comcast) filed in connection with such election shall state on the face of each such form that such election is being made as a "protective election" and shall contain the legend set forth in Exhibit C hereto.

(b) If, after the Closing Date but prior to the six month anniversary of the Closing Date, Comcast believes that there has been a change in Tax Law after the date hereof and that by reason of such change in Tax Law (x) the TWC Redemption should not qualify as a tax-free distribution governed by Section 355 of the Code, and (y) the TWC Redemption should constitute a "qualified stock purchase" within the meaning of Section 338(d)(3) of the Code (a "QSP") (any such conclusion, a "Determination"), Comcast shall provide written notice to Time Warner Cable of such Determination. If Time Warner Cable agrees with the Determination, Time Warner Cable shall provide Comcast with written notice of its agreement within 10 days (the "Determination Deadline") of receiving notice of the Determination (such agreement shall constitute a "Joint Determination"). If there has been no Joint Determination by the Determination Deadline, Time Warner Cable and Comcast agree jointly to appoint a law firm that is nationally recognized in matters relating to federal income taxation (any such law firm, a "Third Party Firm") within 7 Business

Days of the Determination Deadline. If Time Warner Cable and Comcast cannot agree on the appointment of a Third Party Firm in accordance with the previous sentence, such parties shall request that the

78

President of the Association of the Bar of the City of New York appoint, within 7 days, a Third Party Firm other than a law firm that is regularly employed by either Time Warner Cable or Comcast or any of their respective Affiliates. The Third Party Firm shall be requested to deliver, within 21 days of its appointment, a letter setting forth whether, by reason of the change in Tax Law referred to above, it is its opinion that, (I) the TWC Redemption should not qualify as a tax-free distribution governed by Section 355 of the Code, and (II) the TWC Redemption should constitute a QSP (any affirmative opinion by such Third Party Firm that the items described in (I) and (II) of this sentence have been satisfied, an "Affirmative Third Party Firm Determination". The fees and expenses of the Third Party Firm shall be borne equally by Time Warner Cable and Comcast.

(c) If, at any time prior to the nine month anniversary of the Closing Date, there shall have been a Joint Determination or an Affirmative Third Party Determination, the parties hereby agree, notwithstanding any other provision of this Agreement or the Transaction Documents, for all Income Tax Purposes (unless required by subsequent change in applicable Tax Law or as a result of a good faith resolution of a contest), (i) not to treat the TWC Redemption as a tax-free distribution governed by Section 355 of the Code, (ii) to treat the TWC Redemption as a QSP, and (iii) that any 338(h)(10) Election shall be filed without regard to the protective election described in the proviso to Section 7.23(a).

Section 7.24 Pre-Closing Access. From the date hereof until the Closing, subject to applicable law, Time Warner Cable shall, and shall cause its Affiliates to, (i) afford Comcast Subsidiary, Comcast Trust and their respective authorized representatives reasonable access, during regular business hours, upon reasonable advance notice, to the Transferred Systems (including the Transferred Assets and employees), (ii) furnish, or cause to be furnished, to Comcast Subsidiary or Comcast Trust any financial and operating data and other information with respect to such Transferred Systems as Comcast Subsidiary or Comcast Trust from time to time reasonably requests, and (iii) instruct its employees, and its counsel and financial advisors to cooperate with Comcast Subsidiary and Comcast Trust in their reasonable investigation of the Transferred Systems; provided that, in each case, any such access shall be designed so as to not unreasonably disrupt the business and operations of Time Warner Cable or its Affiliates; provided further that in no event shall Comcast Subsidiary or Comcast Trust have access to (A) any information that would reasonably be expected to create Liability under applicable laws, including U.S. antitrust laws, or waive any material legal privilege (provided that, in such latter event, Time Warner Cable and Comcast Subsidiary or Comcast Trust, as the case may be, shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of such legal privilege), (B) documents containing competitively sensitive information, trade secrets or other sensitive information (to the extent necessary to protect the legitimate legal, business and/or confidentiality concerns of Time Warner Cable and its Affiliates, but taking into account Comcast Subsidiary' s and Comcast Trust' s need for such information in connection with the transactions contemplated hereby), (C) any information to the extent such disclosure would reasonably be expected to violate any obligation of Time Warner Cable or its Affiliates

79

with respect to confidentiality so long as, with respect to confidentiality, to the extent specifically requested by Comcast Subsidiary or Comcast Trust, Time Warner Cable has made commercially reasonable efforts to obtain a waiver regarding the possible disclosure from the third party to whom an obligation of confidentiality is owed or (D) any programming records; it being understood that Comcast Subsidiary and Comcast Trust shall conduct any environmental sampling solely in the manner contemplated by Section 7.16. All requests made pursuant to this Section 7.24 shall be directed to an executive officer of Time Warner Cable or such Person or Persons as may be designated by Time Warner Cable. All information received pursuant to this Section 7.24 shall, prior to the Closing, be governed by Section 7.4(a) and, to the extent applicable, the terms of the Confidentiality Agreement. No information or knowledge obtained in any investigation by Comcast Subsidiary, Comcast Trust or their respective Affiliates pursuant to this Section 7.24 shall affect or be deemed to modify any representation or warranty made by Time Warner Cable or its Affiliates hereunder or under any Transaction Document.

Section 7.25 Adelphia Agreements. Neither Comcast Parent nor Time Warner Cable shall, or shall permit any of their respective Affiliates to, terminate the Adelphia Agreement to which it or its Affiliate is party by mutual agreement with Adelphia without the other party's consent. Neither Time Warner Cable nor Comcast Parent shall, or shall permit any of their respective Affiliates to, without the consent of the other party, amend or grant any waiver under any Adelphia Agreement or any Ancillary Agreement (as defined in each Adelphia Agreement) to which such party or its Affiliate is a party (and, in the case of the TWC Adelphia Agreement, including the terms and conditions of the Interim Steps), in each case in a manner that (i) would reasonably be expected to delay the satisfaction of the conditions in Sections 8.1(a) or 8.2(a) or alter the rights or obligations of the parties hereunder or (ii) in the case of the TWC Adelphia Agreement, would alter the terms and conditions applicable to the Interim Steps in a manner that could reasonably be expected to be adverse to Comcast Trust, Comcast Subsidiary or their respective Affiliates.

Section 7.26 Ordinary Course from Closing to Closing Time. During the time between the Closing and the Closing Time, Comcast Subsidiary and its Affiliates shall operate or cause to be operated the Transferred Systems and Transferred Assets in the usual, regular and ordinary course and shall not take any action for the purpose of changing the calculation of the Closing Adjustment Amount.

ARTICLE 8

Section 8.1 Conditions to the Comcast Parties' Obligations. The obligations of the Comcast Parties to consummate the transactions contemplated by this Agreement shall be subject to the following conditions, which may be waived by Comcast Subsidiary (provided, that the condition set forth in Section 8.1(n) shall not be waived without the prior written consent of Comcast Trust):

(a) Conditions to Adelphia Transactions. Each of the conditions to the closing under the Adelphia Agreements (other than conditions to be satisfied at the closing under any such Adelphia Agreement that will be so satisfied) shall have been satisfied or waived and Comcast Subsidiary shall be reasonably satisfied that any conditions to be satisfied at the closing under any such Adelphia Agreement shall be so satisfied or waived promptly following the Closing; provided, that if the TWC Adelphia Agreement is amended pursuant to Section 5.15 of the TWC Adelphia Agreement, then this Section 8.1(a) shall be deemed to apply only to the conditions to the closing under the TWC Adelphia Agreement.

The representations and warranties of Time Warner Cable or any Transferring Person in this Agreement and in any Transaction Document to which Time Warner Cable or any Transferring Person is a party, if qualified by a reference to materiality or Material Adverse Effect, are true and, if not so qualified, are true in all material respects at and as of Closing with the same effect as if made at and as of Closing except to the extent a different date is specified therein, in which case such representation and warranty if qualified by a reference to materiality or Material Adverse Effect shall be true and correct as of such date and, if not so qualified, shall be true and correct in all material respects as of such date.

(c) Performance of Agreements. Time Warner Cable, Holdco and each Transferring Person has performed in all material respects all obligations and agreements and has complied in all material respects with all covenants in this Agreement and in any Transaction Document to which it is a party to be performed and complied with by it at or before Closing.

Comcast Subsidiary has received a certificate executed by an executive officer of Time Warner Cable, dated as of Closing, reasonably satisfactory in form and substance to Comcast Subsidiary, certifying that the conditions specified in Sections 8.1(b) and 8.1(c) have been satisfied, as of Closing.

(e) Legal Proceedings. There is no Legal Requirement, and no Judgment has been entered and not vacated by any Governmental Authority of competent jurisdiction in any Litigation or arising therefrom, which (i) enjoins, restrains, makes illegal or prohibits consummation of the transactions contemplated by this Agreement or by any Transaction Document (other than any such matter having only an immaterial effect and that does not impose criminal liability or penalties) or (ii) requires separation or divestiture by Comcast Trust, Comcast Subsidiary, Holdco or any of their Affiliates of all or any significant portion of the Transferred Assets after Closing or otherwise materially and adversely affects the operation of the Transferred Systems (other than applicable to the cable industry in general), and there is no Litigation pending which was commenced by any Governmental Authority (other than a Franchising Authority) seeking, or which if successful would have the effect of, any of the foregoing, provided that the failure to obtain a consent relating to a Transferred Systems Franchise shall not be considered to enjoin, restrain, make illegal or prohibit

consummation of the transactions contemplated by this Agreement or by any Transaction Document.

(f) HSR Act Waiting Period. The waiting period under the HSR Act with respect to the transactions contemplated by this Agreement has expired or been terminated.

(g) Consents. Comcast Subsidiary has received evidence, in form and substance reasonably satisfactory to it, that all of the Time Warner Cable Required Consents (other than from the Transferred Systems Franchises which are addressed in Section 8.1(i)), have been obtained and are in effect.

(h) [Intentionally Omitted]

(i) Franchise Required Consents. The aggregate number of Individual Subscribers served by the Transferred Systems in the Service Areas that are, as of the Closing Time, Transferable Service Areas shall be at least 90% of Individual Subscribers served by the Transferred Systems at such time (the "Required Threshold"); provided that if any portion of the Transferred Systems containing headends are not within such Transferable Service Areas as of the Closing Time, then any other portion of the Transferred Systems served by such headends shall be deemed not to be included in such Transferable Service Areas.

(j) GP Redemption and Holdco Transaction. The GP Redemption and the Holdco Transaction shall have been consummated.

Time Warner Cable shall have delivered to Comcast Subsidiary ALTA extended coverage owners’ policies of title insurance, or the local equivalent, dated as of the Closing Date and issued by the Title Company (the “Time Warner Cable Title Policies”), insuring, subject only to Permitted Liens, Holdco’s fee or leasehold title in each parcel of the Owned Property and Leased Property with respect to which a Title Commitment was required pursuant to Section 7.6 deleting or modifying to the reasonable satisfaction of Comcast Subsidiary the Schedule B standard printed exceptions (other than Permitted Liens, and other than the survey exception or any similar exception with respect to properties for which no survey is obtained, and other than any other exception the deletion of which would require Time Warner Cable to give any affidavit or undertaking which would make representations or impose obligations more onerous than those made or set forth elsewhere in this Agreement), including gap coverage, and deleting or insuring over, subject to Section 7.6, any Title Defects, or irrevocable Title Commitments of the Title Company to issue such Time Warner Cable Title Policies; provided, that Time Warner Cable’s inability or failure to provide the Title Policies (or Title Commitments to issue the same) shall not constitute a violation of the condition set forth in this Section 8.1(o) if the Liens, or other matters relating to title, giving rise to such inability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(q) Tax Matters Agreement. Subject to any amendments pursuant to Section 7.11, Time Warner, Time Warner Cable and Holdco shall have executed and delivered the Tax Matters Agreement substantially in the form attached as Exhibit A.

(r) Schedule Update. Time Warner Cable shall not have exercised its right to update any Schedule to this Agreement pursuant to clause (ii) of the first sentence of Section 7.11.

(a) Conditions to Adelpia Transactions. Each of the conditions to the closing under the Adelpia Agreements (other than conditions to be satisfied at the closing under any such Adelpia Agreement that will be so satisfied) shall have been satisfied or waived and Time Warner Cable shall be reasonably satisfied that any conditions to be satisfied at the closing under any such Adelpia Agreement shall be so satisfied or waived promptly following the Closing; provided, that if the TWC Adelpia Agreement is amended pursuant to Section 5.15 of the TWC

83

Adelpia Agreement, then this Section 8.2(a) shall be deemed to apply only to the conditions to the closing under the TWC Adelpia Agreement.

(b) Accuracy of Representations and Warranties. The representations and warranties of Comcast Trust and Comcast Subsidiary in this Agreement and in any Transaction Document to which Comcast Trust or Comcast Subsidiary is a party, if qualified by a reference to materiality, are true and, if not so qualified, are true in all material respects at and as of Closing with the same effect as if made at and as of Closing, except to the extent a different date is specified therein, in which case such representation and warranty if qualified by a reference to materiality shall be true and correct as of such date and, if not so qualified, shall be true and correct in all material respects as of such date.

(c) Performance of Agreements. Each of Comcast Trust and Comcast Subsidiary has performed in all material respects all obligations and agreements and has complied in all material respects with all covenants in this Agreement and in any Transaction Document to which it is a party to be performed and complied with by it at or before Closing.

(ii) Time Warner Cable has received a certificate executed by an executive officer of Comcast Subsidiary, dated as of Closing, reasonably satisfactory in form and substance to Time Warner Cable, certifying that the conditions specified in Sections 8.2(b) and 8.2(c), in each case solely with respect to Comcast Subsidiary, have been satisfied, as of Closing.

(e) Legal Proceedings. There is no Legal Requirement, and no Judgment has been entered and not vacated by any Governmental Authority of competent jurisdiction in any Litigation or arising therefrom, which enjoins, restrains, makes illegal or prohibits consummation of the transactions contemplated by this Agreement or by any Transaction Document (other than any such matter having only an immaterial effect and that does not impose criminal liability or penalties), and there is no Litigation pending which was commenced by any Governmental Authority (other than a Franchising Authority) seeking, or which if successful would have the effect of, any of the foregoing, provided that the failure to obtain a consent relating to a Transferred Systems Franchise shall not be considered to enjoin, restrain, make illegal or prohibit consummation of the transactions contemplated by this Agreement or by any Transaction Document.

(f) HSR Act Waiting Period. The waiting period under the HSR Act with respect to the transactions contemplated by this Agreement has expired or been terminated.

(g) No Material Adverse Effect. Since the date hereof, there have been no events, circumstances or conditions that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

ARTICLE 9

Section 9.1 Closing: Time and Place. Subject to the final sentence of this Section 9.1, the closing of the transactions contemplated by Section 2.1(a) of this Agreement (“Closing”) shall take place at a time and location mutually determined by Comcast Subsidiary and Time Warner Cable on the last Business Day of the calendar month in which all conditions set forth in Sections 8.1 and 8.2 have either been satisfied or waived in writing by the party entitled to the benefit of each such condition (except for conditions to be satisfied at Closing that will be satisfied at Closing and the conditions set forth in Section 8.1(a) and Section 8.2(a) but subject to satisfaction of such conditions in Sections 8.1(a) and 8.2(a)), unless such conditions have not been so satisfied or waived (except for conditions to be satisfied at Closing that will be satisfied at Closing) by the fifth Business Day preceding the last Business Day of such calendar month, in which case the Closing shall take place on the last Business Day of the next calendar month (or such later date as agreed by the parties). In no event shall the Closing occur earlier than July 1, 2005.

(c) Lien Releases. Evidence reasonably satisfactory to Comcast Subsidiary that all Liens (other than Permitted Liens) affecting or encumbering the Transferred Assets have been terminated, released or waived or insured over as contemplated under (and only to the extent required under) Section 7.6 (in the case of the Real Property Interests), as appropriate, or original, executed instruments in form and substance reasonably satisfactory to Comcast Subsidiary effecting such terminations, releases or waivers; provided, that Time Warner Cable's inability or failure to obtain the termination, release, or waiver of any such Liens or to insure over any such Liens shall not constitute a failure to perform the obligations set forth in this Section 9.2(c) if the existence of the Liens would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(d) FIRPTA Certificate. FIRPTA Non-Foreign Seller Certificate certifying that Time Warner Cable is not a foreign person within the meaning of Section 1445 of the Code, reasonably satisfactory in form and substance to Comcast Subsidiary.

(e) Power of Attorney for Accounts Receivable. (f) Deeds and Other Real Estate Transfer Documents. Special warranty deeds conveying to Holdco, subject only to the exceptions reflected on the Time Warner Cable Title Policies (if such Time Warner Cable Title Policies have been obtained, or, if such Time Warner Cable Title Policies have not been obtained, subject only to such exceptions as are consistent with the representation set forth in Section 6.4 hereof), each parcel of the Owned Property, assignments of leases of Real Property and such other documents as may be necessary to convey other Real Property Interests, in each case, in form and substance reasonably satisfactory to Comcast Subsidiary, provided that in no event shall the warranties in such deed create any greater liability or liability to any other Person on the part of the grantor in excess of that provided for under the other provisions of this Agreement.

86

(g) Time Warner Cable Title Policies. Time Warner Cable Title Policies with such deletions or modifications as are required pursuant to Section 8.1(p).

Section 9.3 Comcast Trust's Obligations. At Closing, Comcast and/or Comcast Trust, as applicable, shall deliver or cause to be delivered to Time Warner Cable the following:

Comcast Trust shall deliver to Time Warner Cable a stock certificate evidencing the Redemption Securities which shall be in definitive form and registered in the name of Comcast Trust, in proper form for transfer and, if requested by Time Warner Cable, execute, acknowledge and deliver a stock power or such other customary instruments of transfer as Time Warner Cable may reasonably request.

ARTICLE 10

Termination and Default

Section 10.1 Termination Events. This Agreement may be terminated prior to Closing and the transactions contemplated hereby may be abandoned:

(a) by either Comcast Subsidiary or Time Warner Cable, at any time after the later of (i) the six-month anniversary of the Adelphia Closing and (ii) the Extended Outside Date (as defined in the TWC Adelphia Agreement and as such date may be amended under Section 5.15 of the TWC Adelphia Agreement) (the later of (i) and (ii), the "Outside Closing Date");

(b) at any time, by the mutual agreement of Comcast Subsidiary and Time Warner Cable;

(c) by either Comcast Subsidiary or Time Warner Cable, at any time upon written notice to the other, if the other is in material breach or default of its respective covenants, agreements, representations, or other obligations herein or in any Transaction Document to which such Person or its Affiliates is a party and such breach or default (i) has not been cured within 30 days after receipt of written notice or such longer period as may be reasonably required to cure such breach or default (provided, that the breaching or defaulting party shall be using commercially reasonable efforts to cure such breach or default) or (ii) would not reasonably be expected to be cured prior to the Outside Closing Date; provided, that if any covenant, agreement, representation or other obligation in this Agreement is qualified by a reference to materiality or Material Adverse Effect, such qualifier shall be taken into account without duplication;

(d) by either Comcast Subsidiary or Time Warner Cable prior to the Closing at any time following termination of either Adelphia Agreement in accordance with its terms; provided, that if the TWC Adelphia Agreement is amended pursuant to Section 5.15 of the TWC Adelphia Agreement, then this Section 10.1(d) shall be deemed to apply only to the termination of the TWC Adelphia Agreement;

(e) by Comcast Subsidiary as provided in Section 12.16; or

(f) by Comcast Subsidiary on or after November 1, 2006; provided, that Comcast Subsidiary shall have (i) given Time Warner Cable at least 60 days prior written notice of its non-binding good faith intention to so terminate under this Section 10.1(f), (ii) expressly and irrevocably agreed in writing on or before the 60th day prior to such termination to waive the condition in Section 8.1(a) and its right for the succeeding 60 days to terminate this Agreement pursuant to Section 10.1(d) and (iii) complied in all material respects with its obligations herein, including in Section 7.12, to consummate the transactions contemplated hereby.

Section 10.2 Effect of Termination. If this Agreement is terminated pursuant to Sections 10.1 or 12.16, this Agreement shall become void and of

88

no effect without liability of any party hereto (or any Affiliate, shareholder, director, officer, trustee, employee, agent, consultant or representative of such party) to the other parties hereto, except that (a) the agreements contained in Sections 1.1, 1.2, 2.1(a)(iv), 2.3, 7.4, 7.25 (but only clause (ii) of the second sentence), this Section 10.2 and Article 12 (other than Section 12.16) shall survive the termination hereof and (b) no such termination shall relieve any party hereto of any liability or damages resulting from any willful breach by such party of this Agreement.

ARTICLE 11

Indemnification

Section 11.1 Indemnification by Time Warner Cable. Subject to Section 11.4, from and after the Closing, Time Warner Cable shall indemnify and hold harmless Holdco from and against any and all Losses suffered by Holdco (which shall be deemed to include any Losses suffered by Holdco or its Affiliates, or by its or their respective officers, directors, trustees, employees, agents or representatives, or any Person claiming by or through any of them, as the case may be), from and against any and all Losses arising out of or resulting from:

(a) any representations and warranties made by Time Warner Cable or any Transferring Person in this Agreement or in any Transaction Document (other than the Tax Matters Agreement) to which it is a party not being true and accurate in all respects, when made or at Closing (or, in the case of any representation or warranty made as of a specific date, as of such date) or any failure by Time Warner Cable to perform in all material respects pursuant to Sections 7.1(j) and 7.11;

(b) any failure by Time Warner Cable, any Transferring Person or, prior to completion of the Closing, Holdco, to perform in all respects any of its covenants, agreements, or obligations in this Agreement (other than pursuant to Sections 7.1(j) and 7.11) or in any Transaction Document (other than the Tax Matters Agreement) to which it is a party;

(c) the Excluded Liabilities;

(d) the Excluded Assets; or

(e) the Holdco Indemnified Liabilities.

If, by reason of the claim of any third party relating to any of the matters subject to such indemnification, a Lien is placed or made upon any of the properties or assets owned or leased by Holdco or any other Indemnitee under this Section, in addition to any indemnity obligation of Time Warner Cable under this Section, Time Warner Cable shall furnish a bond sufficient to obtain the prompt release thereof within 10 days after receipt from Holdco of notice thereof.

Section 11.2 Indemnification by Holdco. Subject to Section 11.4, from and after the Closing, Holdco shall indemnify and hold harmless Time Warner

89

Cable from and against any and all Losses suffered by Time Warner Cable (which shall be deemed to include any Losses suffered by Time Warner Cable or its Affiliates, or by its or their respective officers, directors, employees, agents or representatives, or any Person claiming by or through any of them, as the case may be), from and against any and all Losses arising out of or resulting from:

(a) any representations and warranties made by Comcast Trust or Comcast Subsidiary in this Agreement or in any Transaction Document (other than the Tax Matters Agreement) to which such Person is a party not being true and accurate in all respects, when made or at Closing (or, in the case of any representation or warranty made as of a specific date, as of such date);

(b) any failure by Comcast Trust, Comcast Subsidiary or, after Closing, Holdco, to perform in all respects any of its covenants, agreements, or obligations in this Agreement or in any Transaction Document (other than the Tax Matters Agreement) to which such Person is a Party;

(c) the Assumed Liabilities and the Holdco Transaction Liabilities;

(d) other than with respect to the Excluded Liabilities, the ownership and operation of the Transferred Systems or the Transferred Assets after the Closing;

(e) other than with respect to the Excluded Liabilities, any Transferred Asset or any claim or right or any benefit arising thereunder held by Time Warner Cable for the benefit of Holdco pursuant to Section 2.1(d).

If, by reason of the claim of any third party relating to any of the matters subject to such indemnification, a Lien is placed or made upon any of the properties or assets owned or leased by Time Warner Cable or any other Indemnitee under this Section, in addition to any indemnity obligation of Holdco under this Section, Holdco shall furnish a bond sufficient to obtain the prompt release thereof within 10 days after receipt from Time Warner Cable of notice thereof.

Section 11.3 Procedure for Certain Indemnified Claims. Promptly after receipt by a party entitled to indemnification hereunder (the "Indemnitee") of written notice of the assertion or the commencement of any Litigation with respect to any matter referred to in Sections 11.1 or 11.2 or the assertion by any Governmental Authority of a claim of noncompliance under any Franchise relating, in whole or in part, to any pre-Closing period (a "Franchise Matter"), the Indemnitee shall give written notice thereof to the party from whom indemnification is sought pursuant hereto (the "Indemnitor") and thereafter shall keep the Indemnitor reasonably informed with respect thereto; provided, that failure of the Indemnitee to give the Indemnitor notice and keep it reasonably informed as provided herein shall not relieve the Indemnitor of its obligations hereunder, except to the extent that such failure to

give notice shall prejudice any defense or claim available to the Indemnitor. The Indemnitor shall be entitled to assume the

defense of any such Litigation or Franchise Matter with counsel reasonably satisfactory to the Indemnitee, at the Indemnitor's sole expense; provided that the Indemnitor shall not be entitled to assume or continue control of the defense of any Litigation or Franchise Matter if (i) the Litigation or Franchise Matter relates to or arises in connection with any criminal proceeding, action, indictment, allegation or investigation; (ii) the Litigation or Franchise Matter seeks an injunction or equitable relief against the Indemnitee; or (iii) the Indemnitor has failed to defend or is failing to defend in good faith the Litigation or Franchise Matter. If the Indemnitor assumes the defense of any Litigation or Franchise Matter, (i) it shall not settle the Litigation or Franchise Matter unless the settlement shall include as an unconditional term thereof the giving by the claimant or the plaintiff of a release of the Indemnitee, reasonably satisfactory to the Indemnitee, from all liability with respect to such Litigation or Franchise Matter and (ii) it shall indemnify and hold the Indemnitee harmless from and against any and all Losses caused by or arising out of any settlement or judgment of such claim and may not claim that it does not have an indemnification obligation with respect thereto. If the Indemnitor does not assume the defense of any Litigation or Franchise Matter, the Indemnitee may defend against or settle such claim in such manner and on such terms as it in good faith deems appropriate and shall be entitled to indemnification in respect thereof in accordance with Section 11.1 or 11.2, as applicable. If the Indemnitor is not entitled to assume the defense or continue to control the defense of any Litigation or Franchise Matter as a result of the proviso in the second sentence of this Section 11.3, the Indemnitee shall not settle the Litigation or Franchise Matter in question if the Indemnitor shall have any obligation as a result of such settlement (whether monetary or otherwise) unless such settlement is consented to in writing by the Indemnitor, such consent not to be unreasonably withheld or delayed. In no event shall the Indemnitee settle any Litigation or Franchise Matter for which the defense thereof is controlled by the Indemnitor absent the consent of the Indemnitor (such consent not to be unreasonably withheld or delayed). Each party shall cooperate, and cause their respective Affiliates to cooperate, in the defense or prosecution of any Litigation or Franchise Matter and shall furnish or cause to be furnished such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested in connection therewith.

Section 11.4 Determination of Indemnification Amounts and Related Matters.

(a) Time Warner Cable shall have no liability under Section 11.1(a) unless the aggregate amount of Losses otherwise subject to its indemnification obligations thereunder exceeds \$20 million (the "Threshold Damage Requirement"), in which case Time Warner Cable shall be liable for the full amount of such Losses including the Losses incurred in reaching the Threshold Damage Requirement; provided, that for purposes of this subsection, the Threshold Damage Requirement shall not apply to any Losses resulting from or arising out of (i) the failure by Time Warner Cable to pay any copyright payments, including interest and penalties thereon, when due or any other breach of Time Warner Cable's representations, warranties, covenants or agreements with respect to copyright payments contained in this Agreement, and (ii) breaches of the representations and warranties in Sections 6.1, 6.2, 6.3, 6.4(a), 6.13,

6.15 and 6.18. The maximum liability of Time Warner Cable under Section 11.1(a) shall not exceed \$200 million (the “Cap”); provided, that the Cap shall not apply to breaches of the representations and warranties in Sections 6.1, 6.2, 6.3, 6.4(a)(i), 6.13, 6.15 and 6.18.

(b) Holdco shall have no liability under Section 11.2(a) unless the aggregate amount of Losses otherwise subject to its indemnification obligations thereunder exceeds the Threshold Damage Requirement, in which case Holdco shall be liable for the full amount of such Losses including the Losses incurred in reaching the Threshold Damage Requirement; provided, that for purposes of this subsection, the Threshold Damage Requirement shall not apply to any Losses resulting from or arising out of breaches of the representations and warranties in Sections 4.1, 4.2, 4.3, 4.5, 4.6, 5.1, 5.2, 5.3, or 5.5. The maximum liability of Holdco in the aggregate under Section 11.2(a) shall not exceed the Cap; provided, that the Cap shall not apply to breaches of the representations and warranties in Sections 4.1, 4.2, 4.3, 4.5, 4.6, 5.1, 5.2, 5.3, or 5.5.

(c) Amounts payable by the Indemnitor to the Indemnitee in respect of any Losses under Sections 11.1 or 11.2 shall be payable by the Indemnitor as incurred by the Indemnitee, and shall bear interest at the Base Interest Rate plus 2% from the date the Losses for which indemnification is sought were incurred by the Indemnitee until the date of payment of indemnification by the Indemnitor.

(d) If the facts and circumstances giving rise to the Loss for which indemnification is sought under Section 11.1(a) also resulted in a Loss to the Time Warner Cable Retained Cable Systems, the Loss for which indemnification is sought under Section 11.1(a) shall only be available (subject to the further limitations in Section 11.4(a)) to the extent such Loss is greater than the proportionate Loss suffered by the Time Warner Cable Retained Cable Systems and the Transferred Systems, where proportionality is based on the percentage that the Redemption Securities represent to the total number of outstanding shares of common stock of Time Warner Cable, in each case immediately prior to giving effect to the Closing; provided that the foregoing shall not apply to the extent the Loss for which indemnification is sought under Section 11.1(a) results from or arises out of a breach of any of the representations and warranties set forth in Sections 6.1, 6.2, 6.3, 6.4(a), 6.5(a), 6.6 (the penultimate sentence only), 6.10 (the first sentence only), 6.12(c), 6.13, 6.15 and 6.18. By way of example only, if the Redemption Securities represent 20% of the total number of outstanding shares of common stock of Time Warner Cable (immediately prior to giving effect to the Closing) and the Losses suffered by the Transferred Systems arising out of certain facts was \$X and the Losses suffered by the Time Warner Cable Retained Cable Systems arising out of those same facts was \$Y, then indemnification would be available under Section 11.1(a) but only in an amount equal to the excess (if any) of (i) \$X over (ii) the sum of \$X and \$Y multiplied by 0.2 (and subject to the further limitations contained in Section 11.4(a)).

(e) The Indemnitor shall not be obligated to indemnify the Indemnitee with respect to any Losses to the extent of any proceeds received in

connection with any such Losses by the Indemnitee under any insurance policy of the Indemnitee in effect on the Closing Date (including under any rights under any insurance policies or proceeds that are part of the Transferred Assets). The Indemnitee will use commercially reasonable efforts to claim and recover under such insurance policies.

(f) In determining the amount of any Losses in connection with any inaccuracy of a representation and warranty (but not for purposes of determining whether any such inaccuracy has occurred), any materiality or Material Adverse Effect qualifier in such representation or warranty will be disregarded.

(g) Comcast Subsidiary shall have the right to enforce (on behalf and for the benefit of Holdco and any other Indemnatee pursuant to Section 11.1) the right to indemnification under Section 11.1. Notwithstanding anything to the contrary set forth in this Agreement, to the extent that any Indemnatee pursuant to Section 11.1 is or becomes a shareholder of Time Warner Cable or Time Warner or a limited partner of TWE, indemnification hereunder shall not include Losses suffered by such Indemnatee (or its Affiliates) in its shareholder or limited partner capacity by reason of (i) the indemnities being provided by Time Warner Cable hereunder or (ii) Losses suffered in such capacity in respect of any Excluded Assets, Excluded Liabilities or Holdco Indemnified Liabilities.

Section 11.5 Time and Manner of Certain Claims. The representations and warranties of Comcast Trust, Comcast Subsidiary, Time Warner Cable or any Transferring Person in this Agreement and any Transaction Document to which such Person is a party shall survive Closing for a period of 1 year; provided, that the representations in Sections 5.8 and 6.24 shall not survive Closing. Notwithstanding the foregoing: (a) the liability of the parties shall extend beyond the 1-year period following Closing with respect to any claim which has been asserted in a bona fide written notice before the expiration of such 1-year period specifying in reasonable detail the facts and circumstances giving rise to such right; and (b) (i) the representations and warranties of the parties in Sections 4.1, 4.2, 4.3, 4.5, 4.6, 5.1, 5.2, 5.3, 5.5, 6.1, 6.2, 6.3, 6.4(a)(i), 6.13, 6.15 and 6.18 shall survive Closing and shall continue in full force and effect without limitation and (ii) the representations and warranties of Time Warner Cable in Sections 6.22 and 6.23 shall survive until the expiration of the applicable statute of limitations (giving effect to any waiver, mitigation or extension thereof).

Section 11.6 Other Indemnification. The provisions of Sections 11.3, 11.4 and 11.5 shall be applicable to any claim for indemnification made under any other provision of this Agreement, and all references in Sections 11.3, 11.4 and 11.5 to Sections 11.1 and 11.2 shall be deemed to be references to such other provisions of this Agreement.

Section 11.7 Exclusivity. Except as specifically set forth in this Agreement or any Transaction Document and except for claims against a party for breach of any provision of this Agreement or any Transaction Document, each party waives any rights and claims it may have against the other parties to this Agreement, whether in law

93

or in equity, relating to the transactions contemplated hereby. The rights and claims waived by each party include claims for contribution or other rights of recovery arising out of or relating to claims for breach of contract, breach of representation or warranty, negligent misrepresentation and all other claims for breach of duty. After Closing, Article 11 and the Transaction Documents shall provide the exclusive remedy for any misrepresentation or breach of warranty under this Agreement or any Transaction Document, other than any claims sounding in fraud.

Section 11.8 Release.

(a) Except as provided in Section 11.8(b), effective as of the Closing, each of Comcast, Comcast Subsidiary and Comcast Trust does hereby, for itself and each of its wholly owned Subsidiaries and their respective successors and assigns, and all Persons who at any time prior to the Closing have been shareholders, directors, officers, members, agents, trustees or employees of Comcast, Comcast Subsidiary or Comcast Trust or any of their respective Affiliates, predecessors, successors or assigns (in each case, in their respective capacities as such and to the extent it may legally do so) (collectively, the "Comcast Trust Releasing Parties"), remise, release and forever discharge Time Warner Cable and each of its Subsidiaries and Affiliates, their respective predecessors, successors and assigns, and all Persons who at any time prior to the Closing have been shareholders, directors, officers, members, agents, trustees or employees of Time Warner Cable or any of its respective Subsidiaries, Affiliates, predecessors, successors or assigns (in each case,

in their respective capacities as such and to the extent it may legally do so), and their respective heirs, executors, administrators, predecessors, successors and assigns (collectively, the “Time Warner Cable Released Parties”), from any and all Liabilities whatsoever (other than Liabilities based on claims sounding in fraud), whether at law or in equity (including any right of contribution), whether arising under any Contract, by operation of Law or otherwise, existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur or any conditions existing or alleged to have existed on or before the Closing, whether or not known as of the Closing, related to, arising out of or resulting from Comcast Trust’s ownership of the Redemption Securities. Comcast, Comcast Subsidiary and Comcast Trust agree, on behalf of their self and each of the other Comcast Trust Releasing Parties, that they will not assert any claims against any Time Warner Cable Released Party with respect to matters covered by the foregoing release.

(b) Nothing contained in Section 11.8(a) shall impair any right of any Person to enforce this Agreement or any other Transaction Document, in each case in accordance with its terms.

Section 11.9 Indemnification for Income Taxes. Notwithstanding any other provision of this Agreement, the provisions of Sections 11.1 through 11.8 shall not apply to any Liability for Income Taxes, which shall be governed exclusively by the Tax Matters Agreement. For the avoidance of doubt, rights under this Agreement shall provide the exclusive remedies for any breach of the representations and warranties provided in Section 5.8 and Section 6.24 hereof.

94

Section 11.10 Tax Treatment of Indemnification Payments.

(a) For all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest) the parties hereto agree to treat and to cause their respective affiliates to treat any payment (i) to Holdco by Time Warner Cable pursuant to an indemnification, reimbursement or refund obligation provided for in this Agreement (a “Time Warner Cable Indemnification Payment”), or (ii) to Time Warner Cable by Holdco pursuant to an indemnification, reimbursement or refund obligation provided for in this Agreement (a “Holdco Indemnification Payment”) and collectively with any Time Warner Cable Indemnification Payment, an “Indemnification Payment”) as (x) with respect to a Time Warner Cable Indemnification Payment, a contribution by Time Warner Cable to Holdco occurring immediately prior to the Closing, and (y) with respect to a Holdco Indemnification Payment, an adjustment to the Cash Amount transferred by Time Warner Cable to Holdco pursuant to the Holdco Transaction occurring immediately prior to the Closing.

(b) Notwithstanding Section 11.10(a) above, any Indemnification Payments that represent interest payable under Section 11.4(c) hereof shall be treated for all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest), as (i) deductible to the Indemnitor and (ii) taxable to the Indemnitee.

(c) The amount of any Loss for which indemnification is provided under this Agreement shall be (i) increased to take account of net Tax cost, if any, incurred by the Indemnitee arising from the receipt or accrual of an Indemnification Payment hereunder, (grossed up for such increase) and (ii) reduced to take account of the net Tax benefit, if any, realized by the Indemnitee arising from incurring or paying such indemnified amount. In computing the amount of any such Tax cost or benefit, (i) the term Indemnitee shall be deemed to include any member of any Affiliated Group of which the Indemnitee is a member, and (ii) the Indemnitee shall be deemed to recognize all other items of income, gain, loss, deduction or credit before recognizing any item arising from the receipt or accrual of any Indemnification Payment hereunder or incurring or paying any indemnified amount hereunder. Any Indemnification

Payment hereunder shall initially be made without regard to this Section 11.10(c) and shall be increased or reduced to reflect any such net Tax cost (including gross-up) or net Tax benefit only after the Indemnitee has Actually Realized such cost or benefit. The amount of any increase or reduction hereunder shall be adjusted to reflect any adjustment with respect to the Indemnitee's liability for Taxes, and payments between the parties hereto to reflect such adjustment shall be made. Notwithstanding the above, this Section 11.10(c) shall not apply to interest as described in Section 11.10(b).

Section 11.11 Guaranteed Obligations of Comcast.

(a) From and after the Closing, Comcast hereby agrees to fully and unconditionally guarantee to Time Warner Cable the due and punctual performance, compliance and payment of Holdco, Comcast Trust and Comcast

95

Subsidiary (each, a "Guaranteed Party" and collectively, the "Guaranteed Parties") of each and every covenant, term, condition or other obligation to be performed or complied with by any such party for the benefit of Time Warner Cable (or any Affiliate thereof or any Indemnitee pursuant to Section 11.2) under this Agreement and any Transaction Document to which any Guaranteed Party is a party delivered in connection herewith when, and to the extent that, any of the same shall become due and payable or performance of or compliance with any of the same shall be required (collectively, the "Guaranteed Obligations").

(b) Comcast hereby acknowledges and agrees that this guarantee constitutes an absolute, present, primary, continuing and unconditional guaranty of performance, compliance and payment by each of the Guaranteed Parties of the Guaranteed Obligations when due under this Agreement and any Transaction Document to which any Guaranteed Party is a party delivered in connection herewith and not of collection only and is in no way conditioned or contingent upon any attempt to enforce such performance, compliance or payment by a Guaranteed Party or upon any other condition or contingency. Comcast hereby waives any right to require a proceeding first against any of the Guaranteed Parties.

(c) The obligations of Comcast under this guarantee shall not be subject to any reduction, limitation, impairment or termination for any reason (other than by indefeasible payment or performance in full of any of the Guaranteed Obligations) and shall not be subject to (i) any discharge of any of the Guaranteed Parties from any of the Guaranteed Obligations in a bankruptcy or similar proceeding (except by indefeasible payment or performance in full of the Guaranteed Obligations) or (ii) any other circumstance whatsoever which constitutes, or might be construed to constitute an equitable or legal discharge of Comcast as guarantor under this Section 11.11.

(d) Comcast shall cause any transferee of or successor to all or substantially all of the assets of Comcast to assume Comcast's obligations under this Section 11.11.

ARTICLE 12

Miscellaneous Provisions

Section 12.1 Expenses. Except as otherwise specifically provided in Section 3.4, 7.3 or 12.2 or elsewhere in this Agreement, each of the parties shall pay its own expenses and the fees and expenses of its counsel, accountants, and other experts in connection with this Agreement.

Section 12.2 Attorneys' Fees. If any Litigation between the parties hereto with respect to this Agreement, the Transaction Documents or the transactions contemplated hereby or thereby shall be resolved or adjudicated by a Judgment of any court, the party prevailing under such Judgment (as determined by the trier of fact based on all relevant facts, including, but not limited to, amounts demanded or sought in such litigation, amounts, if any, offered in settlement of such litigation and

amounts, if any, awarded in such litigation) shall be entitled, as part of such Judgment, to recover from the other party its reasonable attorneys' fees and costs and expenses of litigation.

Section 12.3 Waivers. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party hereto, shall be deemed to constitute a waiver by the party taking the action of compliance with any representation, warranty, covenant or agreement contained herein or in any Transaction Document. The waiver by any party hereto of any condition or of a breach of another provision of this Agreement or any Transaction Document shall be in writing and shall not operate or be construed as a waiver of any other condition or subsequent breach. The waiver by any party of any of the conditions precedent to its obligations under this Agreement shall not preclude it from seeking redress for breach of this Agreement other than with respect to the condition so waived.

Section 12.5 Entire Agreement; Prior Representations; Amendments. This Agreement, the Confidentiality Agreements (subject to the last sentence of this Section 12.5) and the Transaction Documents executed concurrent herewith embody the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior representations, agreements and understandings, oral or written, with respect thereto. Notwithstanding any representations which may have been made by either party in connection with the transactions contemplated by this Agreement, each party acknowledges that it has not relied on any representation by the other party with respect to such transactions, the Transferred Assets, or the Transferred Systems except those contained in this Agreement, the Schedules or the Exhibits hereto. This Agreement may not be modified orally, but only by an agreement in writing signed by the party or parties against whom any waiver, change, amendment, modification or discharge may be sought to be enforced. The (i) Confidentiality Agreements, as each relates to any obligation to keep confidential information regarding the Transferred Assets, the Transferred Systems and/or the Assumed Liabilities are hereby terminated, and (ii) Parent Agreement, dated as of March 31, 2003, among Time Warner Cable, Time Warner and Comcast Trust, shall automatically, and without any further action on the part of any party thereto, terminate upon consummation of the Closing.

Section 12.6 Specific Performance. The parties recognize that their rights under this Agreement are unique and, accordingly, the parties shall, in addition to such other remedies as may be available to any of them at law or in equity, have the right to enforce their rights hereunder by actions for injunctive relief and specific performance to the extent permitted by applicable law so long as the party seeking such relief is prepared to consummate the transactions contemplated hereby. The parties agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate. The parties waive any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award or injunctive, mandatory or other equitable relief.

Section 12.7 Jurisdiction. Except as otherwise expressly provided in this Agreement, the parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, the Transaction Documents or the transactions contemplated hereby or thereby may be brought in the United States District Court for the Southern District of New York or any other New York State court sitting in New York City, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 12.4 shall be deemed effective service of process on such party.

Section 12.8 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 12.9 Binding Effect; Benefits. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective heirs, legal representatives, successors, and permitted assigns. No party hereto shall assign this Agreement or delegate any of its duties hereunder to any other Person without the prior written consent of the other parties hereto, which consent shall not be unreasonably withheld or delayed; provided that Comcast Subsidiary may assign its rights and delegate its obligations under this Agreement (in whole or in part) to any Affiliate of Comcast Subsidiary, upon written notice to Time Warner Cable. For purposes of this Section, any change in control of Comcast, Comcast Trust, Comcast Subsidiary or Time Warner Cable shall not constitute an assignment by it of this Agreement. In no event shall any assignment of rights or delegation of obligations relieve any party of its obligations hereunder.

Section 12.10 Headings and Schedules. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement. Reference to Schedules shall, unless otherwise indicated, refer to the Schedules attached to this Agreement, which shall be incorporated in and constitute a part of this Agreement by such reference.

Section 12.11 Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile), each of which, when executed, shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

Section 12.12 GOVERNING LAW. THE VALIDITY, PERFORMANCE, AND ENFORCEMENT OF THIS AGREEMENT AND ALL TRANSACTION DOCUMENTS, UNLESS EXPRESSLY PROVIDED TO THE CONTRARY, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THE PRINCIPLES OF CONFLICTS OF LAW OF SUCH STATE.

Section 12.13 Severability. Any term or provision of this Agreement which is invalid or unenforceable shall be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining rights of the Person intended to be benefited by such provision or any other provisions of this Agreement.

Section 12.14 Third Parties; Joint Ventures. This Agreement constitutes an agreement solely among the parties hereto, and, except as otherwise expressly provided herein, is not intended to and shall not confer any rights, remedies, obligations, or liabilities, legal or equitable, including any right of employment, on any Person other than the parties hereto and their respective successors, or assigns, or otherwise constitute any Person a third party beneficiary under or by reason of this Agreement except that Time Warner shall be an express third party beneficiary of Section 2.3. For the avoidance of doubt, no Person other than a party hereto shall have any right to enforce Section 3.1 or any other provision of this Agreement to the extent relating thereto. Nothing in this Agreement, expressed or implied, is intended to or shall constitute the parties hereto partners or participants in a joint venture.

Section 12.15 Construction. This Agreement has been negotiated by Comcast Trust, Comcast Subsidiary and Time Warner Cable and their respective legal counsel, and legal or equitable principles that might require the construction of this Agreement or any provision of this Agreement against the party drafting this Agreement shall not apply in any construction or interpretation of this Agreement.

Section 12.16 Risk of Loss; Governmental Taking.

(a) Time Warner Cable shall bear the risk of any loss or damage to the Transferred Assets resulting from fire, theft or other casualty (except reasonable wear and tear) at all times prior to the Closing. In the event any such loss or damage occurs, Time Warner Cable shall (at its expense) use its commercially reasonable efforts to replace or restore such lost or damaged property as soon as practicable and in any event prior to Closing (or, if such damaged property is not replaced or restored prior to Closing, Time Warner shall indemnify Holdco for any Losses arising out of such unrepaired damage or unrestored property). If any loss or damage is equal to or greater than \$100 million and is sufficiently substantial so as to preclude and prevent resumption of normal operations of any material portion of a Transferred System by the Outside Closing Date, Time Warner Cable shall, to the extent reasonably practical, immediately notify Comcast Subsidiary in writing of that fact (which notice shall, to the extent reasonably practical, specify with reasonable particularity the loss or damage incurred, the cause thereof if known or reasonably

ascertainable, and the insurance coverage related thereto), and Comcast Subsidiary, at any time within 10 days after receipt of such notice, may elect by written notice to Time Warner Cable, to either (i) waive such defect and proceed toward consummation in accordance with the terms of this Agreement (provided that any such waiver shall also be deemed to be a waiver of any right to indemnification pursuant to the first sentence of this Section 12.16(a) or pursuant to Section 11.1 for any breach of any (x) representation or warranty of Time Warner Cable set forth in Article 6 resulting from any such loss or damage or (y) covenant hereunder to the extent that compliance therewith is frustrated or made commercially impracticable as a result of such loss or damage) or (ii) terminate this Agreement, subject to Section 10.2. If Comcast Subsidiary elects to so terminate this Agreement, Time Warner Cable shall be discharged of any and all obligations hereunder, subject to Section 10.2. If Comcast Subsidiary elects to consummate the transactions contemplated by this Agreement notwithstanding such loss or damage and does so, there shall be no adjustment in the consideration payable to or by Transferee on account of such loss or damage, but all insurance proceeds received or receivable by Time Warner Cable or its Affiliates (determined on an effective after-tax basis as if TWE and TWE-A/N are, in each case, instead of being partnerships, stand-alone corporations) as a result of the occurrence of the event resulting in such loss or damage (to the extent not already expended by Time Warner Cable or

its Affiliates to restore or replace the lost or damaged Transferred Assets), except for any proceeds from business interruption insurance relating to the loss of revenue for any period through and including the Closing Date, shall be delivered by Time Warner Cable or its Affiliates to Holdco, or the rights to such proceeds shall be assigned by Time Warner Cable or its Affiliates to Holdco if not yet received by Time Warner Cable or its Affiliates. Time Warner Cable shall pay any deductible required and/or the self-insured portion of any such loss with respect to all such insurance proceeds payable under any insurance policy held by Time Warner Cable or its Affiliates. Any amounts received or receivable hereunder shall not be included in the Closing Net Liabilities Amount.

(b) If, prior to Closing, any material part of or interest in the Transferred Assets is taken or condemned as a result of the exercise of the power of eminent domain, or if a Governmental Authority having such power informs Time Warner Cable or any of its Affiliates that it intends to condemn or take all or any of the Transferred Assets (such event being called, in either case, a “Taking”), then Comcast Subsidiary may terminate this Agreement. If Comcast Subsidiary does not elect to terminate this Agreement, (i) Comcast Subsidiary shall have the sole right, in the name of Time Warner Cable and its Affiliates, if Comcast Subsidiary so elects, to negotiate for, claim, contest and, subject to the Closing occurring, have Holdco receive all damages with respect to the Taking, (ii) Time Warner Cable shall be relieved of its obligation to convey to Holdco the Transferred Assets or interests that are the subject of the Taking if the Taking has occurred (but, subject to the Closing occurring, shall convey to Holdco any interest therein still held by Time Warner Cable or its Affiliates and any replacement property acquired by Time Warner Cable or its Affiliates), (iii) at Closing, Time Warner Cable and its Affiliates shall assign to Holdco all of Time Warner Cable’s and its Affiliates’ rights to all payments received or receivable by Time Warner Cable or its Affiliates (determined on an effective after-tax basis as if TWE and

102

TWE-A/N are, in each case, instead of being partnerships, stand-alone corporations), with respect to such Taking and shall pay to Holdco all such payments previously paid to Time Warner Cable or any of its Affiliates with respect to the Taking (to the extent not already expended by Time Warner Cable or its Affiliates to restore or replace the taken Assets), and (iv) following Closing, Time Warner Cable and its Affiliates shall give Holdco such further assurances of such rights and assignment with respect to the Taking as Holdco may from time to time reasonably request. Any amounts received or receivable hereunder shall not be included in the Closing Net Liabilities Amount.

Section 12.17 Commercially Reasonable Efforts. For purposes of this Agreement, “commercially reasonable efforts” shall not, with regard to obtaining any consent, approval or authorization, be deemed to require a party to undertake extraordinary measures, including the initiation or prosecution of legal proceedings or the payment of amounts in excess of normal and usual filing fees and processing fees, if any.

Section 12.18 Time. Time is of the essence under this Agreement. If the last day for the giving of any notice or the performance of any act required or permitted under this Agreement is a day that is not a Business Day, the time for the giving of such notice or the performance of such act shall be extended to the next succeeding Business Day.

Section 1.3 Rules of Construction. References to one or more schedules or Schedules shall be references to schedules included in that separate disclosure letter (the “Disclosure Letter”) delivered by TWE to Comcast Trust and Comcast Subsidiary on the date hereof in connection with this Agreement, as such Schedules may be updated pursuant to Section 7.11 (but, in such case, subject to the

provisions of such Section). It is understood that the representations and warranties set forth in Articles 4 and 5 are qualified by the disclosure letter delivered by Comcast Subsidiary to TWE on the date hereof in connection with this Agreement. Unless otherwise expressly provided in this Agreement: (a) accounting terms used in this Agreement shall have the meaning ascribed to them under GAAP; (b) words used in this Agreement, regardless of the gender used, shall be deemed and construed to include any other gender, masculine, feminine, or neuter, as the context requires; (c) the word “include” or “including” is not limiting, and the word “or” is not exclusive; (d) the capitalized term “Section” refers to sections of this Agreement; (e) references to a particular Section include all subsections thereof, (f) references to a particular statute or regulation include all amendments thereto, rules and regulations thereunder and any successor statute, rule or regulation, or published clarifications or interpretations with respect thereto, in each case as from time to time in effect; (g) references to a Person include such Person’s successors and assigns to the extent not prohibited by this Agreement; and (h) references to a “day” or number of “days” (without the explicit qualification “Business”) shall be interpreted as a reference to a calendar day or number of calendar days. “Knowledge” (whether or not capitalized) and words of similar import, when used with reference to TWE, means the actual knowledge of a particular matter of any of the individuals listed on Schedule 1.3.

ARTICLE 2 Redemption; Tolling

Section 2.1 Redemption.

(a) Holdco Transaction; TWE Redemption. Subject to the terms and conditions set forth in this Agreement:

(i) Subject to Section 2.1(d), prior to the Holdco Transaction, the Subsidiary Transfers shall be effected. Subject to Section 2.1(d), prior to the consummation of the TWE Redemption, (a) TWE shall (or shall cause its Affiliates to) assign, transfer, convey and deliver to Holdco and Holdco shall accept from TWE (and its Affiliates), all of its (and their) right, title and interest in and to the Transferred Assets and (b) Holdco shall assume and agree to pay and discharge, as and when they become due, the Assumed Liabilities. The transactions contemplated by clauses (a) and (b) of the immediately preceding sentence are referred to together as the “Holdco Transaction” and shall be consummated pursuant to one or more Bills of Sale and Assignment and Instrument of Assumption in form and substance reasonably acceptable to TWE and Comcast Subsidiary, and such other instruments of transfer or assignment as may be reasonably necessary to effect the Holdco Transaction, in each case in form and substance satisfactory to Comcast Subsidiary. For the avoidance of doubt, the Holdco Transaction shall take place prior to the Closing.

(ii) At the Closing, (a) TWE shall transfer to Comcast Trust (or, if such transfer would be permitted under applicable FCC Trust Requirements, to Comcast Subsidiary) all outstanding securities of Holdco (the “Holdco Interests”) by execution and delivery of a Holdco Interest Instrument of Assignment in form and

substance reasonably acceptable to TWE and Comcast Subsidiary, in exchange for and in complete redemption of the Redemption Interest and (b) Comcast Trust shall deliver the Redemption Interest by the execution and delivery of a Redemption Interest Instrument of Assignment in form and substance reasonably acceptable to TWE and Comcast Subsidiary. The transactions contemplated by the preceding sentence are referred to as the “TWE Redemption.”

(iii) If the Holdco Interests are delivered to Comcast Trust (rather than Comcast Subsidiary) pursuant to Section 2.1(a)(ii), then immediately after such transaction, Comcast Trust will transfer the Holdco Interests to Comcast Subsidiary (the “Comcast Subsidiary Transfer”). For purposes of Section 2.1(d)(i) and all Authorizations required or obtained in connection with the transactions contemplated by this Agreement at the Closing, the Comcast Subsidiary Transfer will be considered as part of such transactions so that such Authorizations will allow such transfer.

(iv) Each of the parties hereto hereby agrees that its execution of this Agreement shall constitute its consent and approval of the Holdco Transaction, the TWE Redemption, the Comcast Subsidiary Transfer, if any, and the Time Warner Cable Asset Purchase Transaction, for all purposes.

(b) Transferred Assets. “Transferred Assets” means the Cash Amount , an amount of cash equal to the cash excluded from Excluded Assets pursuant to clause (iv) of the definition thereof (other than the Cash Amount) and all of TWE’ s and its Affiliates’ right, title and interest in the assets and properties, real and personal, tangible and intangible, owned, held for use, leased, licensed or used by TWE or its Affiliates primarily in the operation of the Transferred Systems as of the Closing Time (that are not Excluded Assets), which Cash Amount and right, title and interest shall be owned by Holdco as of the Closing (other than as contemplated by Section 2.1(d)(i)). The Transferred Assets shall include the following types of assets and properties:

(i) Tangible Personal Property. All tangible personal property, including towers, tower equipment, aboveground and underground cable, distribution systems, headend equipment, line amplifiers, microwave equipment, converters, testing equipment, motor vehicles, office equipment, furniture, fixtures, supplies, inventory and other physical assets (the “Tangible Personal Property”), including the Tangible Personal Property described on Schedule 2.1(b)(i);

(ii) Real Property. All fee interests in real property (including improvements thereon) (the “Owned Property”), including the interests described as Owned Property on Schedule 2.1(b)(ii), and all leases, easements, rights of access and other interests (not including fee interests) in real property (the “Real Property Interests”), including the Real Property Interests described on Schedule 2.1(b)(ii);

(iii) Franchises. All franchises and similar authorizations or similar permits issued by any Governmental Authority, (the “Transferred Systems Franchises”), including the Transferred Systems Franchises described on Schedule 2.1(b)(iii);

(iv) Licenses. All cable television relay service (“CARS”), business radio and other licenses, authorizations, consents or permits issued by the FCC or any other Governmental Authority (other than the Transferred Systems Franchises) (the “Transferred Systems Licenses”), including the Transferred Systems Licenses described on Schedule 2.1(b)(iv);

(v) Contracts. All pole line or joint line agreements, underground conduit agreements, crossing agreements, bulk service, commercial service or multiple dwelling agreements, access agreements, system specific programming agreements or signal supply agreements, agreements with community groups, commercial leased access agreements, capacity license agreements, partnership, joint venture or other similar agreements or arrangements, advertising representation and interconnect agreements, and other Contracts (including all Contracts in respect of Real Property Interests) (the “Transferred Systems Contracts”), including the Transferred Systems Contracts described on Schedule 2.1(b)(v);

(vi) Accounts Receivable and Current Assets. All subscriber, trade and other accounts receivable (including advertising accounts receivable) and pre-paid expense items;

(vii) Books and Records. All engineering records, files, data, drawings, blueprints, schematics, reports, lists, plans and processes and all files of correspondence, lists, records and reports concerning subscribers and prospective subscribers of the Transferred Systems, signal and program carriage and dealings with Governmental Authorities, including all reports filed by or on behalf of TWE (or its Affiliates) with the FCC and statements of account filed by or on behalf of TWE (or its Affiliates) with the U.S. Copyright Office (the “Books and Records”); and

(viii) Insurance and Condemnation Proceeds. All rights to insurance and condemnation proceeds received or receivable after Closing in respect of any Assumed Liabilities, all insurance and condemnation proceeds (to the extent not already expended by TWE to restore or replace the lost, damaged or condemned asset, which replacement asset shall be a Transferred Asset) received or receivable in respect of any asset damaged, lost or condemned after December 31, 2004 and which if not so damaged, lost or condemned would have been a Transferred Asset and all insurance and condemnation proceeds received or receivable in respect of business interruption of the Transferred Systems to the extent relating to any period after Closing, in each case on an effective after-tax basis as if TWE and TWE-A/N are, in each case, stand-alone corporations;

in the case of each of the foregoing, if such property is owned, held for use, leased, licensed or used primarily in the operation of the Transferred Systems and then only to the extent of TWE’ s and its Affiliates’ right, title and interest therein.

For the avoidance of doubt, and subject to Section 2.1(d), the parties intend that to the fullest extent permitted all record and beneficial ownership interests of TWE and its Affiliates in the Transferred Assets will be transferred to Holdco in the

Holdco Transaction and if any Transferring Person holds beneficial ownership in assets of the type described above while another Transferring Person holds record ownership in such assets, all of such ownership interests would be transferred to Holdco in the Holdco Transaction.

(c) Excluded Assets. Notwithstanding anything to the contrary set forth herein, all right, title and interest of TWE and its Affiliates in, to and under the following (collectively, the “Excluded Assets”), in each case regardless of whether related to the Transferred Systems, shall not be transferred to Holdco pursuant to the Holdco Transaction and shall be retained directly or indirectly by TWE from and after the Closing: (i) any and all cable programming services agreements (including cable guide contracts but excluding system specific programming agreements listed on Schedule 2.1(b)(v)) and any payments received or to be received with respect thereto; (ii) any and all insurance policies and rights and claims thereunder other than the matters described in Section 2.1(b)(viii); (iii) letters of credit and any stocks, bonds (other than surety bonds), certificates of deposit and similar investments; (iv) any and all cash and cash equivalents (including cash received as advance payments by subscribers in the ordinary course of business and held by TWE or its Affiliates as of the Closing Time, but excluding cash in an amount equal to the amount of cash received as (A) subscriber deposits, (B) the cash insurance and condemnation proceeds described in Section 2.1(b)(viii), (C) petty cash on-hand, if any, (D) any cash referred to in Section 13.16, (E) cash received as advance payments from subscribers that are not received in the ordinary course of business, (F) cash proceeds (on an effective after-tax basis as if TWE and TWE-A/N are, in each case, stand-alone corporations) of any exercise of a Transferred System Option and (G) the Cash Amount (clauses (B) (except to the extent relating to an Assumed Liability), (D), (E), (F) and (G), the “Excluded Transferred Cash”)); (v) any and all patents, copyrights, trademarks, trade names, service marks, service names, logos and similar proprietary rights, including the “Time Warner Entertainment”, “Time Warner Cable” or “Road Runner” name and any derivations thereof (subject to Section 3.2 and excluding those items (other than those incorporating the “Time Warner Entertainment”, “Time Warner Cable” or “Road Runner” name) owned, licensed, used or held for use exclusively in connection with the operation of the Transferred Systems); (vi) any and all Contracts for subscriber billing services and any equipment leased with respect to the provision of services under such Contracts (subject to Section 7.9); (vii) any and all Contracts relating to national advertising sales representation; (viii) any and all agreements with Road Runner Holdco LLC or any other Internet service provider; (ix) any and all Contracts pursuant to which TWE or any of its Affiliates procures goods or services for both the Transferred Systems and the Time Warner Cable Retained Cable Systems; (x) any and all retransmission consent agreements, except as provided in Section 7.5 with respect to certain Local Retransmission Consent Agreements as elected by Comcast Subsidiary; (xi) any and all agreements governing or evidencing an obligation of TWE or any of its Affiliates for borrowed money; (xii) the assets described on Schedule 2.1(c); (xiii) any surplus inventory in excess of amounts of inventory held consistent with TWE Retained Cable Systems practice; (xiv) any and all Authorizations of Governmental Authorities to provide telephony service held, directly or indirectly, by TWE or any of its Affiliates; (xv) any and all assets relating to the Time Warner Cable 401(k) Plan and the Time Warner Cable Pension Plans; (xvi) any and all account books

of original entry, general ledgers, and financial records used in connection with the Transferred Systems; (xvii) any assets of the type that would be excluded from financial statements by reason of the GAAP Adjustments; and (xviii) any intercompany account receivable created to record cash swept from the Transferred Systems prior to Closing (except to the extent such cash would be excluded from the definition of “Excluded Assets” pursuant to clause (iv) above and such cash amount is not otherwise transferred to Holdco in the Holdco Transaction); provided, that TWE shall, at Comcast Subsidiary’s request and expense, provide copies of, or information contained in, such books, records and ledgers referred to in clause (xvi) above (other than information pertaining to programming agreements that are not Transferred System-specific programming or, to the extent necessary to protect the legitimate legal,

business and/or confidentiality concerns of TWE but taking into account Holdco's and Comcast Subsidiary's need for such information, other information that is competitively sensitive, is subject to confidentiality restrictions or that contains trade secrets or other sensitive information) to the extent reasonably requested by Holdco or Comcast Subsidiary after the Closing Date.

(d) Authorizations and Consents.

(i) If and to the extent that the transfer or assignment to TWE or from TWE or any of its Affiliates to Holdco (or any successor thereof) of any Transferred Asset (or following such transfer or assignment, the transfer of Holdco Interests to Comcast Trust or Comcast Subsidiary, or from Comcast Trust to Comcast Subsidiary, as the case may be) would be a violation of applicable Legal Requirements with respect to such Transferred Asset, require any Authorization with respect to such Transferred Asset or otherwise adversely affect the rights of the applicable transferee thereunder then the transfer or assignment to Holdco of such Transferred Asset (each a "Delayed Transfer Asset") shall be automatically deemed deferred and any such purported transfer or assignment shall be null and void until such time as all legal impediments are removed and/or such Authorizations have been made or obtained. Notwithstanding the foregoing, any such Delayed Transfer Asset shall be deemed a Transferred Asset for purposes of determining whether any Liability is an Assumed Liability.

(ii) If the transfer or assignment of any Transferred Asset intended to be transferred or assigned hereunder is not consummated prior to or at the Closing, whether as a result of the provisions of Section 2.1(d) or for any other reason, then TWE (or its Affiliate) shall thereafter, directly or indirectly, hold such Transferred Asset for the use and benefit, insofar as reasonably possible and not prohibited under the terms of any applicable Contract, of Holdco (at the expense of Holdco). In addition, TWE shall take or cause to be taken such other actions as may be reasonably requested by Holdco in order to place Holdco, insofar as reasonably possible, in the same position as if such Transferred Asset had been transferred as contemplated hereby and so that all the benefits and burdens relating to such Transferred Assets including possession, use, risk of loss, potential for gain, and dominion, control and command over such Transferred Asset, are to inure from and after the Closing to Holdco. To the extent permitted by Legal Requirements and to the extent otherwise permissible in

23

light of any required Authorization, Holdco shall be entitled to, and shall be responsible for, the management of any Transferred Assets not yet transferred to it as a result of this Section 2.1(d) and the parties agree to use reasonable commercial efforts to cooperate and coordinate with respect thereto. For the avoidance of doubt, TWE will cause each Transferring Person to comply with the provisions hereof as if such Transferring Person were a party hereto to the extent any Transferred Asset was intended to be, but was not, transferred in the Subsidiary Transfers or the Holdco Transaction, as applicable.

(iii) If and when the Authorizations, the absence of which caused the deferral of transfer of any Transferred Asset pursuant to this Section 2.1(d), are obtained, the transfer of the applicable Transferred Asset to Holdco shall automatically and without further action be effected in accordance with the terms of this Agreement and the applicable Transaction Documents.

(iv) Neither TWE nor any Affiliate thereof shall be obligated, in connection with the foregoing, to expend any money unless the necessary funds are advanced by Holdco, other than reasonable out-of-pocket expenses, attorneys' fees and recording or similar fees, all of which shall be promptly reimbursed by Holdco except as otherwise specifically provided in this Agreement, including for this purpose Section 3.4.

(v) Prior to the Holdco Transaction, TWE shall deliver to Holdco a list identifying, in reasonable detail and to TWE's knowledge, the Delayed Transfer Assets and the Authorizations required therefor.

(vi) The parties hereto further agree (A) that any Delayed Transferred Assets referred to in this Section 2.1(d) shall be treated for all Income Tax purposes as assets of Holdco (or any successor thereof) and (B) not to report or take any Tax position (on a Tax Return or otherwise) inconsistent with such treatment (unless required by a change in applicable Tax law or a good faith resolution of a contest).

Section 2.2 Assumed Liabilities. At the Closing and except as otherwise provided for herein, Holdco shall assume, and, from and after the Closing, Holdco shall pay, discharge and perform as and when due, all (a) Liabilities of TWE and its Affiliates to the extent arising out of, resulting from or associated with the ownership and operation of the Transferred Assets and/or the Transferred Business prior to Closing, or the transfer of such Transferred Assets and/or Transferred Business at Closing, including all Master Pre-Closing Liabilities, but in each case only to the extent such Liabilities are reflected in the Closing Net Liabilities Amount used to calculate the Final Closing Adjustment Amount and (b) all Liabilities to the extent relating to, arising out of or resulting from the ownership and operation of the Transferred Assets and/or the Transferred Business after the Closing, including all Specified Launch Support Liabilities (clauses (a) and (b) collectively, the "Assumed Liabilities"). The Assumed Liabilities shall not include (i) Excluded Tax Liabilities, (ii) Liabilities set forth on Schedule 2.2, (iii) Liabilities for long-term debt (including the current portion thereof), (iv) Liabilities to the extent arising out of, resulting from or associated with the use, ownership or operation of the Excluded Assets other than Master Pre-Closing Liabilities and Specified

24

Launch Support Liabilities, (v) any Liabilities of TWE or its Affiliates other than Assumed Liabilities, (vi) any Liabilities of the type that would be excluded from financial statements by reason of the GAAP Adjustments or (vii) any intercompany payable created to record cash lent to the Transferred Systems prior to Closing (clauses (i) through (vii) collectively, "Excluded Liabilities").

Section 2.3 Partnership Interest Sale Agreement.

(a) Comcast Trust hereby agrees on behalf of itself and its Controlled Affiliates that from the date hereof until the earlier of (i) the date upon which this Agreement is terminated in accordance with its terms (other than pursuant to Section 11.1(a) or 11.1(d)), (ii) the date upon which Comcast Subsidiary delivers a Termination Notice in accordance herewith and (iii) December 31, 2006 (such period, the "Lock-Up Period") it shall not exercise (or cause to be exercised) (or make any request with respect thereto) its Appraisal Right or its Sale Right under the Partnership Interest Sale Agreement with respect to the Redemption Interest. From and after the date upon which Comcast Subsidiary would first be entitled to terminate this Agreement under Section 11.1(a) or 11.1(d), Comcast Subsidiary may deliver to TWE and Time Warner a notice of its intention to so terminate, which notice shall be deemed not to have been delivered for purposes of termination pursuant to Article 11 (and this Agreement shall continue in full force and effect) except as provided in clause (b) below (the "Termination Notice") or as may be terminated under a provision other than Section 11.1(a) or 11.1(b). Delivery of such Termination Notice shall be deemed for purposes of the Partnership Interest Sale Agreement to constitute delivery of an Appraisal Notice with respect to the Redemption Interest, a waiver of Section 9.1(a) hereof and, for the period prior to termination of this Agreement under Section 11.1(a) or 11.1(d) that is effective under Section 2.3(b) hereof, a waiver of Comcast Subsidiary's ability to again exercise its rights under Section 11.1(a) or 11.1(d). Time Warner shall have the right, at any time within 15 days of the delivery of the Termination Notice to deliver an "AOLTW Exercise Notice" (as defined in the Partnership Interest Sale Agreement).

(b) The Termination Notice shall be treated as having been delivered pursuant to Article 11 and this Agreement shall terminate if (i) if Time Warner delivers the AOLTW Exercise Notice as provided in Section 2.3(a) within 30 days of delivery of such Termination Notice or (ii) TWE shall not have notified Comcast Subsidiary of its election to waive its condition under Section 9.2(a) within 30 day of delivery of such Termination Notice. In the event of such termination, Comcast Trust, Time Warner and TWE shall continue to be bound by the terms of the Partnership Interest Sale Agreement. Nothing herein shall limit the ability of Comcast Subsidiary to terminate this Agreement under Section 11.1(f).

(c) Prior to such time as this Agreement is terminated in accordance with Article 11, and notwithstanding the delivery of an Appraisal Notice under the Partnership Interest Sale Agreement, the consummation of a purchase or sale pursuant thereto will not occur (or be required to occur) but the Appraisal Rights process will proceed. If this Agreement is terminated at a time when the Appraisal Rights process is ongoing, the sale under such Appraisal Rights process shall occur, subject to

25

the terms and conditions of the Partnership Interest Sale Agreement, promptly after termination but in no event prior to the time required as set forth in Section 3 of the Partnership Interest Sale Agreement. If the Closing occurs while the Appraisal Rights process is ongoing, such Appraisal Rights process shall cease and no person participating therein shall have any further liability with respect thereto.

(d) Comcast Trust hereby agrees on behalf of itself and its Controlled Affiliates that it shall not transfer (or cause to be transferred), dispose (or cause to be disposed of) or otherwise monetize, in any such case directly or indirectly, any of the Redemption Interest until after the expiration of the Lock-Up Period. Notwithstanding any other provision of this Section 2.3, Comcast Trust may, at any time, directly or indirectly transfer all or any of the Redemption Interest to Comcast Parent or any Subsidiary of Comcast Parent if such Person agrees in writing to be bound by, and entitled to the benefits of, this Section 2.3 as if a party hereto and delivers a written acknowledgment of the same to Time Warner Cable (including with respect to any subsequent transfers or dispositions).

(e) Following the expiration of the Lock-Up Period, the Partnership Interest Sale Agreement shall be deemed to have been amended (i) to remove Time Warner Cable's right, in connection with any exercise of a Selling Partner's Appraisal Right or Sale Right, to purchase any Offered Interest or any portion of any Offered Interest in exchange for Time Warner Cable Common Stock and (ii) to condition Time Warner's right, in connection with the exercise of any Selling Partner's Appraisal Right or Sale Right, to purchase any Offered Interest or any Portion of any Offered Interest in exchange for AOLTW Common Stock upon the following: (x) at the time of the Stock Election Notice, Time Warner shall certify that (A) it is using, and will continue to use, all commercially reasonable efforts to cause any AOLTW Common Stock to be delivered to be, at the time of delivery, immediately resellable under an effective shelf registration statement under the Securities Act and (B) it reasonably believes that such AOLTW Common Stock will be so immediately resellable upon such delivery; (y) at the time of delivery of any AOLTW Common Stock, such AOLTW Common Stock is immediately resellable under an effective shelf registration statement under the Securities Act; and (z) the number of days between the date of delivery of such AOLTW Common Stock and November 18, 2007 minus the number of days that Time Warner shall be entitled to suspend sales of such AOLTW Common Stock under the registration rights agreement to be entered into in connection therewith in accordance with the Partnership Interest Sale Agreement shall not be less than 60 days. Capitalized terms used in this Section 2.3(e) and not defined have the meanings specified in the Partnership Interest Sale Agreement. The provisions of this Section 2.3 shall terminate upon the earlier of (i) November 18, 2007 and (ii) immediately after the time at which the Redemption Interest is no longer owned by Comcast Trust or any of its Affiliates.

(f) The reference to “the third anniversary of the date hereof” in Section 8.1 of the TWE Partnership Agreement shall be deemed amended to mean the later of March 31, 2006 or 30 days following the end of the Lock-Up Period.

26

(g) The foregoing shall be deemed to amend, modify and supplement the Partnership Interest Sale Agreement and the TWE Partnership Agreement. In its capacity as a Party to the Partnership Interest Sale Agreement and the TWE Partnership Agreement and as the ultimate indirect beneficiary of the Comcast Trust, Comcast Parent hereby expressly acknowledges and approves of the agreement made by Comcast Trust in this Section 2.3. Each of Comcast Parent, Time Warner and Time Warner Cable hereby expressly acknowledges and approves the agreements made by their respective Affiliates pursuant to this Section 2.3, including the amendment, modification and supplement to the Partnership Interest Sale Agreement and the TWE Partnership Agreement set forth in this Section 2.3.

Section 2.4 Estimated Closing Adjustment Amount. No later than two Business Days prior to the Closing Date, TWE will deliver to Comcast Trust and Comcast Subsidiary a good faith estimate of the Subscriber Adjustment Amount (the “Estimated Subscriber Adjustment Amount”), if any, and a good faith estimate of the Closing Net Liabilities Adjustment Amount (the “Estimated Closing Net Liabilities Adjustment Amount”), if any, together with appropriate documentation supporting such estimates. The sum of the Estimated Subscriber Adjustment Amount and the Estimated Closing Net Liabilities Adjustment Amount is referred to herein as the “Estimated Closing Adjustment Amount” and may be a positive or a negative amount.

Section 2.5 Final-Closing Adjustment Amount.

(a) No later than ninety (90) days following the Closing Date (the “Delivery Date”), (i) Comcast Subsidiary will deliver to TWE (A) its determination of the Closing Net Liabilities Amount for Holdco and based on the foregoing, the Closing Net Liabilities Adjustment Amount, (B) its determination of the Transferred Closing Subscriber Number and the Transferred Base Subscriber Number and (C) appropriate documentation supporting such determinations (the “Comcast Statement”) and (ii) TWE will deliver to Comcast Subsidiary (A) its determination of the Retained Closing Subscriber Number and the Retained Base Subscriber Number and (B) appropriate documentation supporting such determinations (the “TWE Statement”). Each such statement shall be prepared in good faith in accordance with this Agreement based on the books and records of the Transferred Systems held by Holdco or the based on the books and records of the TWE Retained Cable Systems has held by TWE, as the case may be.

(b) If TWE disagrees with any item in the Comcast Statement delivered pursuant to Section 2.5(a)(i), TWE may, within ninety (90) days after the Delivery Date, deliver a notice to Comcast Subsidiary disagreeing with such item and setting forth TWE’ s calculation of such item, together with appropriate documentation supporting such determination. Any such notice of disagreement shall specify those items or portions thereof as to which TWE disagrees, and TWE shall be deemed to have agreed with all other items and portions of items contained in the Comcast Statement delivered to it pursuant to Section 2.5(a)(i). If Comcast Subsidiary disagrees with any item in the TWE Statement delivered pursuant to Section 2.5(a)(ii), Comcast Subsidiary may, within one hundred and twenty (120) days after the Delivery Date, deliver a notice to TWE disagreeing with such item and setting forth TWE’ s calculation of such item,

27

together with appropriate documentation supporting such determination. Any such notice of disagreement shall specify those items or portions thereof as to which Comcast Subsidiary disagrees, and Comcast Subsidiary shall be deemed to have agreed with all other items and portions of items contained in the TWE Statement delivered to it pursuant to Section 2.5(a)(ii). Any such notice shall be prepared in good faith in accordance with this Agreement based on the books and records of the Transferred Systems held by Holdco or the TWE Retained Cable Systems, as the case may be.

(c) If a notice of disagreement shall be duly delivered pursuant to Section 2.5(b), TWE and Comcast Subsidiary shall, during the thirty (30) days following such delivery, use their commercially reasonable efforts to reach agreement on the disputed items and amounts. If during such period, TWE and Comcast Subsidiary are unable to reach such agreement, they shall promptly jointly retain a nationally recognized accounting firm that is not the principal independent accountant of either Comcast Parent or TWE's ultimate parent (the "Accounting Referee") to resolve the disputed items or amounts. In making its determinations of the propriety of items and amounts, the Accounting Referee shall consider only those items (or portions thereof) or amounts as to which TWE and Comcast Subsidiary disagree and, with respect to each item (or portion thereof) or amount, shall select a number within the range of the dispute between TWE and Comcast Subsidiary. The Accounting Referee shall deliver to TWE and Comcast Subsidiary, as promptly as practicable (but, in any event, within thirty (30) days after submission of the dispute to it), a report setting forth its resolution of the disputed items and amounts and based thereon (and on the items (or portions thereof) and amounts not in dispute) the Closing Adjustment Amount. Such report shall be final and binding upon TWE and Comcast Subsidiary. The costs of the Accounting Referee shall be shared equally by TWE and Comcast Subsidiary. Holdco and TWE will, and will cause their Affiliates and independent accountants to, cooperate and assist each other and the Accounting Referee in conducting their respective reviews of the amounts referred to in this Section 2.5, including without limitation, making available to the extent necessary any books, records, work papers and personnel.

Any payment pursuant to this Section 2.5(e) shall be made in cash at a mutually convenient time and place within three (3) days following the determination of the Final Closing Adjustment Amount. (g) As used herein, the term “Closing Net Liabilities Adjustment Amount” means the excess, if any, of the Closing Net Liabilities Amount over \$18,700,000. The “Closing Net Liabilities Amount” shall equal the amount of all Liabilities of Holdco (other than the Holdco Transaction Liabilities) as of the Closing (after giving effect to the Closing), less the amount of all current assets (other than inventory and the Excluded Transferred Cash) of Holdco as of the Closing (after giving effect to the Closing), in each case as would be reflected on the face of a balance sheet (excluding any footnotes thereto) prepared in accordance with GAAP; provided that, if Comcast Subsidiary or one of its Affiliates shall have made the request provided in the first sentence of Section 3.1(g)(v), the Actuarial Amount shall be treated as a Liability on the face of such balance sheet prepared in accordance with GAAP for purposes of this calculation and if Comcast Subsidiary or any of its Affiliates has not made such request the Liabilities assumed by Comcast Subsidiary pursuant to the last sentence of Section 3.1(g)(v) shall be treated as a Liability on the face of such balance sheet prepared in accordance with GAAP for purposes of this calculation. For purposes of making the foregoing “past due” calculations, the billing statements of a Transferred System will be deemed to be due and payable consistent with ordinary accounting practice. Current Assets shall include the total SMATV Consideration paid in respect of any Excluded SMATV Transaction. For the avoidance of doubt, Liabilities shall include, but are not limited to, the Actuarial Amount (if Comcast Subsidiary or any of its Affiliates shall have made the request provided in the first sentence of Section 3.1(g)(v)), Specified Launch Support Liabilities, accounts payable, accrued expenses (including all accrued vacation time, sick days, other accrued paid time off, copyright fees, programming expenses, Applicable Taxes, franchise fees and other license fees or charges), capitalized lease obligations, Contract obligations that are due and payable (including lease obligations), due and payable obligations that are subject to materialmen’ s, mechanic’ s

For purposes of this Article 3, “Transferred System Employees” shall not include those employees holding the job titles as of the date hereof listed on Schedule 3.1(a) (as previously identified by name to Comcast Subsidiary by TWE) (such employees, the “Retained Employees”) and none of Holdco, Comcast Subsidiary or any of their respective Affiliates shall have any obligation or Liability with respect to any of the Retained Employees. (b) Subject to Section 7.1(h), from and after the date hereof, the parties shall use their commercially reasonable efforts to cooperate with each other in obtaining the TWE Required Consents and any other consent, Authorization or approval, including with the relevant franchising authorities in respect of the Transferred Systems Franchises, necessary or commercially advisable with respect to the transactions contemplated hereunder including, to the extent commercially reasonable, the attendance of representatives of Comcast Trust and Comcast Subsidiary at meetings and hearings before applicable Governmental Authorities in connection with the transfer of any Transferred Systems License or Transferred Systems Franchise and by providing appropriate financial statements, insurance certificates and surety bonds required to obtain such TWE Required Consents.

Section 7.4 Confidentiality and Publicity.

(a) Unless and until Closing occurs, any non-public information that any party may obtain from the other in connection with this Agreement shall be confidential, and following Closing, each party shall keep confidential any non-public information that such party may receive from another party in connection with this Agreement unrelated to the Transferred Systems or Transferred Assets and TWE and its Affiliates shall keep confidential any non-public

No party shall disclose any Confidential Information to any other Person (other than its Affiliates and its and its Affiliates’ directors, officers and employees, and representatives of its advisers and lenders, in each case, whose knowledge thereof is necessary in order to facilitate the consummation of the transactions contemplated hereby, in which case such party shall be responsible for any breach by any such Person) or use such information to the detriment of the other; provided, that (i) such party may use and disclose any such information once it has been publicly disclosed (other than by such party in breach of its obligations under this Section) or which, to its knowledge, rightfully has come into the possession of such party (other than from the other party), and (ii) to the extent that such party may, in the reasonable judgment of its counsel, be compelled by Legal Requirements to disclose any of such information, such party may disclose such information if it has used commercially reasonable efforts, and has afforded the other the opportunity, to obtain an appropriate protective order, or other satisfactory assurance of confidential treatment, for the information compelled to be disclosed and (iii) such party may use and disclose such information to the extent reasonably necessary to permit such party to file Tax Returns, defend any dispute relating to Taxes, claim any Refund or otherwise provide information to a Governmental Authority in connection with any other Tax Proceeding and (iv) such party may use and disclose such information to the extent necessary to comply with Legal Requirements or any periodic reporting obligations such party may have by virtue of such party or any of

its Affiliates having securities listed on a national securities exchange or quotation system. In the event of termination of this Agreement, (A) the obligation set forth in this Section shall continue for a period of two years after such termination, and (B) each party shall use commercially reasonable efforts to cause to be delivered to the other, and to retain no copies of, any documents, work papers or other materials obtained by such party or on its behalf from the other, whether so obtained before or after the execution of this Agreement. For the avoidance of doubt, Comcast Trust may disclose any Confidential Information to Comcast Subsidiary and its Affiliates and their respective representatives.

(b) Each of the parties hereto shall consult with and cooperate with the others with respect to the content and timing of all press releases and other public announcements, and any oral or written statements to Transferred System Employees concerning this Agreement and the transactions contemplated hereby. Except as required by applicable Legal Requirements or by any national securities exchange or quotation system, no party hereto shall make any such release, announcement or statement without the prior written consent and approval of the other, which shall not be unreasonably withheld. The party receiving a request for a consent shall respond promptly to any such request for consent and approval.

Section 7.5 Retransmission Consent Agreements. On or prior to the date which is 45 days prior to the anticipated date of Closing, TWE shall deliver to Comcast Trust and Comcast Subsidiary a list of all Local Retransmission Consent Agreements then in effect with respect to the Transferred Systems. By written notice delivered to TWE at least 30 days prior to Closing, Comcast Subsidiary may, in its sole discretion, elect to have Holdco assume one or more of the Local Retransmission Consent Agreements, in which case TWE shall use commercially reasonable efforts to obtain any required Authorizations for such assumption. The foregoing shall be subject to Section 2.1(d) to the extent any related Authorization is not obtained. Any Local Retransmission Consent Agreements which Comcast Subsidiary elects to have Holdco assume pursuant to this Section 7.5 shall be included in the Transferred Assets. To the extent the provisions of this Section 7.5 conflict with any other provision of this Agreement, the provisions of this Section 7.5 shall control.

Section 7.6 Title Insurance Commitments. TWE shall use commercially reasonable efforts to provide to Comcast Subsidiary, within 90 days from the date TWE receives the Title Commitment Notice, or, in the case of any Survey, such longer period of time as is necessary to obtain such Survey with the exercise of reasonable diligence, (a) commitments to issue to Holdco title insurance policies (“Title Commitments”) in amounts reasonably satisfactory to Comcast Subsidiary issued by a nationally recognized title insurance company (a “Title Company”) and containing, to the extent available, legible photocopies of all recorded items described as exceptions therein, committing to insure, subject only to Permitted Liens, fee or a valid leasehold title, as applicable, in Holdco to each parcel of Owned Property or Leased Property so designated by notice (a “Title Commitment Notice”) within 30 days from the date of this Agreement by ALTA extended coverage owner’s or leasehold policies of title insurance, or, if ALTA policies are not obtainable in any state, policies in another form reasonably

satisfactory to Comcast Subsidiary, and (b) surveys of each parcel of Owned Property or Leased Property so designated in the Title Commitment Notice (“Surveys”), in such form as is reasonably necessary to obtain the title insurance to be issued pursuant to the related Title Commitments with the standard printed exceptions relating to survey matters deleted, certified to Holdco, Comcast Subsidiary and to the Title Company with respect to that Owned Property or Leased Property, provided that TWE’s inability to provide Title Commitments satisfying the foregoing requirements shall not constitute a breach of the foregoing covenant if the Liens, or other matters relating to title, giving rise to such inability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. In no event shall TWE be obligated to procure a Title Commitment for any Leased Property with respect to which the Lease or a memorandum thereof has not been recorded in the land records of the county in which the Leased Property is located. The cost to obtain such Title Commitments and Surveys and other documents required by the Title Company to issue such policies and Surveys, as well as the cost of title policy premiums, shall be borne by Comcast Subsidiary, except for attorney’s fees and other incidental costs incurred by Time Warner Cable in connection with providing such Title Commitments and Surveys and otherwise complying with this Section 7.6. If Comcast Subsidiary notifies TWE within 30 days following delivery to Comcast Subsidiary of both the Title Commitments and the Surveys of any Lien (other than a Permitted Lien or a Lien set forth in Schedule 6.4(a)) which prevents access to or which could prevent or impede in any material way the use or operation of any parcel of Owned Property or Leased Property for which a Title Commitment is required pursuant to this Section 7.6 for the purposes for which it is currently used or operated by TWE (each a “Title Defect”), TWE shall exercise commercially reasonable efforts, including paying attorney’s fees and other incidental costs associated with any such efforts, to (i) remove such Title Defect, or (ii) cause the Title Company to commit to insure over each such Title Defect prior to Closing at customary premium rates without additional premium or charge. If such Title Defect cannot be removed prior to Closing or the Title Company does not commit to insure over such Title Defect prior to Closing, Comcast Subsidiary and TWE shall enter into a written agreement containing TWE’s commitment to use commercially reasonable efforts for 180 days following Closing to remedy the Title Defect following Closing on terms satisfactory to Comcast Subsidiary, in its reasonable discretion. Notwithstanding anything to the contrary contained in this Agreement, in no event shall TWE or its Affiliates be required to remove any Liens encumbering the Owned Property and Leased Property except as expressly set forth in this Section 7.6 or to expend any moneys (other than attorneys’ fees and other incidental costs as hereinabove set forth) or to incur any obligation in order to remove or cause the insuring over of any Liens (other than pursuant to customary short-form affidavits of title which do not in any event require TWE or its Affiliates to make representations or incur obligations more onerous than those made or set forth elsewhere in this Agreement and customary gap indemnities covering TWE’s or its Affiliates’ acts for the period between Closing and the recording of the applicable deed or assignment of lease with respect to such Owned Property or Leased Property), and in no event shall TWE or its Affiliates be obligated to commence any Litigation to cause any Title Defects to be removed or insured over, and, without limiting the other provisions of this Section 7.6, in no event

shall TWE or its Affiliates be required to give a non-imputation affidavit to the title insurance company.

Section 7.7 [Intentionally Omitted].

Section 7.8 Post-Closing Obtaining of Consents. Subsequent to Closing, and subject to Section 2.1(d), TWE shall and shall cause its Affiliates to continue to use commercially reasonable efforts to obtain in writing as promptly as possible any Authorization necessary or commercially advisable in connection with the transactions contemplated hereunder which was not obtained on or before Closing (a “Post-Closing Consent”) in form and substance reasonably satisfactory to Comcast Subsidiary. A true and complete copy of any such Post-Closing Consent shall be delivered to each of Comcast Subsidiary and Holdco promptly after it has been obtained.

Section 7.9 Transitional Services. TWE shall provide to Holdco, upon written request from Comcast Subsidiary received by TWE no later than 30 days prior to the anticipated date of Closing, such subscriber billing, high speed data, telephony and other services as may be reasonably requested by Comcast Subsidiary in connection with the operation of the Transferred Systems for a commercially reasonable period following Closing to be mutually agreed upon in good faith by TWE and Comcast Subsidiary to allow for transition of existing services or establishment of replacement services (“Transitional Services”). Holdco shall promptly reimburse TWE for the actual out-of-pocket cost to TWE and its Affiliates of providing any Transitional Services. All other terms and conditions for the provision of Transitional Services shall be reasonably satisfactory to both Comcast Subsidiary and TWE and subject to applicable Legal Requirements.

Section 7.10 Cooperation Upon Inquiries as to Rates. Comcast Subsidiary and TWE agree as follows:

(a) For a period of 12 months after Closing, TWE shall cooperate with and assist Holdco by providing, upon request, all information in TWE’s or its Affiliates’ possession (and not previously provided to Comcast Subsidiary or Holdco) relating directly to the rates set forth in Schedule 6.8 or the then current rates with respect to any Transferred System, if different from the rates set forth on such Schedule, or the rates on any FCC Form 393, 1200, 1205, 1210, 1220, 1235, or 1240 that Holdco may reasonably require to justify such rates in response to any inquiry, order or requirement of any Governmental Authority or any Rate Regulatory Matter instituted before or after the date of this Agreement.

(b) If at any time prior to Closing, any Governmental Authority commences a Rate Regulatory Matter with respect to a Transferred System, TWE shall (i) promptly notify Comcast Subsidiary, and (ii) keep Comcast Subsidiary informed as to the progress of any such proceeding. Without the prior written consent of Comcast Subsidiary, which consent shall not be unreasonably withheld or delayed, TWE shall not settle any such Rate Regulatory Matter, either before or after Closing, if (A) Holdco or any of its Affiliates would have any obligation under such settlement, or (B) such

settlement would reduce the rates permitted to be charged by Holdco or any of its Affiliates after Closing below the rates set forth on Schedule 6.8 or otherwise then in effect. Notwithstanding anything to the contrary herein, after Closing, Holdco shall have the right, at its own expense, to assume control of the defense of any pending Rate Regulatory Matter, to the extent, and only to the extent, that it relates to a Transferred System. If Holdco elects to assume control of the defense of any such Rate Regulatory Matter, TWE shall have the right to participate, at its expense, in the defense of such matter. Notwithstanding the provisions set forth in Article 12 of this Agreement, Holdco may settle any such Rate Regulatory Matter only upon TWE' s prior written consent, which consent shall not be unreasonably withheld or delayed, if TWE would have any obligation with respect to such settlement in accordance with Article 12 hereof or otherwise.

(c) If at any time after Closing, any Governmental Authority commences a Rate Regulatory Matter with respect to a Transferred System involving any time period prior to Closing, Comcast Subsidiary shall cause Holdco to (i) promptly notify TWE, and (ii) keep TWE informed as to the progress of any such proceeding. TWE shall have the right to participate, at its expense, in the defense of such matter. Notwithstanding the provisions set forth in Article 12 of this Agreement, Holdco may settle any such Rate Regulatory Matter only upon TWE' s prior written consent, which consent shall not be unreasonably withheld or delayed, if TWE would have any obligation with respect to such settlement in accordance with Article 12 hereof or otherwise.

(d) For purposes hereof, "Rate Regulatory Matter" means any proceeding or investigation with respect to a Transferred System arising out of or related to the Cable Act (other than those affecting the cable television industry generally) dealing with, limiting or affecting the rates which can be charged by such Transferred System for programming, equipment, installation, service or otherwise.

(e) If TWE or any of its Affiliates is required following Closing pursuant to any Rate Regulatory Matter or any other Legal Requirement, settlement or otherwise to reimburse any Subscribers for any Subscriber payments previously made by it, including fees for cable television service, late fees and similar payments, Comcast Subsidiary shall cause Holdco, at TWE' s request, to make such reimbursement through Holdco' s billing system on terms specified by Comcast Subsidiary. In such event, TWE shall promptly pay to Holdco all such payments made by Holdco through its billing system. Without limiting the foregoing, Comcast Subsidiary shall cause Holdco to provide to TWE all information in its possession that is reasonably required by TWE in connection with such reimbursement.

Section 7.11 Updated Schedules.

(a) On one or more occasions, TWE may, at least five Business Days prior to Closing: (i) supplement Schedule 6.5(a) to reflect leases, franchises, licenses, authorizations, consents, permits, Contracts or commitments which were entered into or obtained between the date hereof and the Closing Date not in violation of the

terms of this Agreement and are required to be disclosed in Schedule 6.5(a) in order for the representation and warranty contained in Section 6.5(a) to be true, complete and correct or (ii) supplement any other Schedule to this Agreement (other than the Schedules to any of Section 6.1, 6.2, 6.15 or 6.18), with additional information to the extent that it reflects events, acts or omissions that first occurred between the date hereof and the Closing Date and that are not prohibited by this Agreement to be taken, and that would have been required to be included in one or more Schedules to this Agreement in order for the representations and warranties of TWE contained in this Agreement to be true, complete and correct as of the Closing. Any such supplement to a Schedule pursuant to clause (i) above shall specifically identify each license, Contract or other item being added to Schedule 6.5(a) and any supplement pursuant

to clause (ii) above shall be made with reasonable specificity and shall identify, to TWE' s knowledge, the potential Liability associated with the relevant action, condition or event. For purposes of determining whether there is any liability on the part of TWE following Closing for breaches of its representations and warranties under this Agreement, the Schedules to this Agreement shall be deemed to include only (a) the information contained therein on the date hereof and (b) information added to such Schedules by written supplements to this Agreement delivered in accordance with the first sentence of this Section 7.11; provided, that for purposes of determining the satisfaction of the condition set forth in Section 9.1(b), any update to the Schedules pursuant to clause (b) of this sentence shall be disregarded.

(b) In addition, if after the date that is the fifth Business Day prior to Closing, but before the Closing, TWE first becomes aware of any event, act, occurrence or omission which, if known on the fifth day prior to Closing would have been permitted to be included in a supplement pursuant to clause (ii) of the foregoing paragraph, then TWE may make such supplement as provided above (in which case such supplement shall be deemed to have been made pursuant to clause (ii) of the foregoing paragraph); provided that TWE may only utilize the rights in this paragraph on one occasion and, if Comcast Subsidiary elects, upon receipt of any such supplement pursuant to this paragraph, the date of Closing may be delayed until the end of the next succeeding month.

Section 7.12 Commercially Reasonable Efforts; Further Assurances.

(a) Subject to the terms and conditions of this Agreement, the parties hereto shall use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or desirable to consummate the transactions contemplated by this Agreement as promptly as practicable. Each of the parties hereto agrees to, and, in the case of TWE and Comcast Subsidiary, to cause its Affiliates to, execute and deliver such other documents, certificates, agreements and other writings (including completed transfer tax returns, showing in each case a purchase price or consideration reasonably acceptable to Comcast Subsidiary and TWE) and to take such other commercially reasonable actions as may be necessary or desirable in order to evidence, consummate or implement expeditiously the transactions contemplated by this Agreement and to vest in Holdco the same title to the Transferred Assets that TWE

(together with its Affiliates) had with respect thereto immediately prior to the Transactions.

Section 7.13 Post-Closing Access to Personnel Records After the Closing Date, TWE shall, and shall cause its Affiliates to, provide Comcast Subsidiary and Holdco with access to, and the right to make copies or extracts of, pertinent information from the personnel files and records of TWE and its Affiliates relating to Transferred System Employees in connection with litigation, administrative proceedings, payment of Applicable Taxes or any other valid business reason from time to time during normal business hours upon reasonable notice from Comcast Subsidiary or Holdco (i) with respect to matters other than matters relating to Applicable Taxes, for a period not to exceed one year from the Closing Date or (ii) with respect to matters relating to Applicable Taxes, until the expiration of the statute of limitations applicable to such Taxes, in each case except to the extent that TWE is required by law to keep such files and records confidential.

Section 7.14 [Intentionally Omitted]

Section 7.15 Environmental Reports. Following the date hereof, Comcast Subsidiary may upon reasonable advance written notice and during normal business hours, at Comcast Subsidiary' s expense, perform any environmental site assessments of the Owned Property or Leased Property (subject to the final sentence of this Section 7.15) as Comcast

Subsidiary determines, in its sole discretion, to have performed; provided that prior to taking any samples of soil or groundwater for testing, Comcast Subsidiary shall have a reasonable basis for determining that such sampling is appropriate. TWE shall cooperate with all reasonable requests of Comcast Subsidiary and its consultants with respect to the conduct of such assessments or sampling. Any assessment performed pursuant to this Section 7.15 shall to the fullest extent practicable be designed so as not to disrupt the business and operations of the Transferred Systems. Any right to perform an assessment pursuant to this Section 7.15 at a Leased Property shall be subject to TWE not being prohibited from performing such assessment pursuant to the lease for such Leased Property.

Section 7.16 Certain Notices. Prior to the Closing, TWE, with respect to the Transferred Systems, shall cause to be timely filed a request for renewal under Section 626 of the Cable Act with the proper Governmental Authority with respect to Transferred System Franchises that shall expire within 36 months after any date between the date of this Agreement and Closing Date.

Section 7.17 Franchise Expirations. From the date hereof until Closing, TWE shall, and shall cause its Affiliates to, use commercially reasonable efforts to obtain renewals or valid extensions of any Transferred Systems Franchises which expire on or before June 30, 2008, in the ordinary course of business. Neither TWE nor any of its Affiliates shall agree or accede to any material modifications or amendments to or in connection with, or the imposition of any material condition to the renewal or extension of, any of the Transferred System Franchises that are not reasonably acceptable to Comcast Subsidiary. TWE agrees, from the date hereof until Closing, upon reasonable

67

prior written notice, to allow representatives of Comcast Subsidiary to attend meetings and hearings before applicable Governmental Authorities in connection with the renewal or extension of any Transferred Systems License or Transferred Systems Franchise.

Section 7.18 Insurance. TWE will use commercially reasonable efforts to take such actions as are necessary to cause insurance policies of TWE and its Affiliates that immediately prior to Closing provide coverage to or with respect to the Transferred Business, the Transferred Assets or the Transferred Systems to continue to provide such coverage with respect to acts, omissions, and events occurring prior to the Closing in accordance with their terms as if the Closing had not occurred; provided that to the extent TWE takes any action with respect to its umbrella insurance policies that similarly effects all of the TWE Retained Cable Systems but results in such insurance coverage no longer being available (other than a change denying coverage based upon a Person ceasing to be an Affiliate of TWE), TWE shall not be deemed to have breached this Section 7.18 and shall have no liability with respect thereto. TWE will give Comcast Subsidiary written notice of the taking of any such action if done during the first 12 months after the Closing prior to or as soon as practicable thereafter. TWE shall, and shall cause its Affiliates to, cooperate with and assist Holdco, if Holdco determines to make any claim under any such policy with respect to any pre-Closing act, omission or event. Holdco shall use commercially reasonable efforts to promptly notify TWE when it becomes aware of any such claim; provided, that the failure of Holdco to provide such notice shall not relieve TWE of its obligations under this Section 7.18, except to the extent that TWE's rights under the applicable insurance policy are prejudiced by such failure to give notice.

Section 7.19 Promotional Campaigns. Between the date hereof and the Closing, TWE and its Affiliates shall not initiate any Subscriber campaigns or promotions on a local or regional level with respect to the Transferred Systems, other than (i) any such campaigns or promotions that are on the same terms and conditions (or on terms and conditions that are no less favorable to the Transferred Systems) as subscriber campaigns or promotions undertaken with respect to the relevant the Transferred Systems during the year ended December 31, 2004 in the relevant market, (ii) any such

campaigns or promotions that are not materially less favorable to the Transferred Systems than campaigns and promotions being conducted with respect to TWE Retained Cable Systems on an overall basis, (iii) any such campaigns or promotions that are not materially less favorable to the Transferred Systems than campaigns and promotions being conducted by Comcast and its Affiliates in the same DMA, and (iv) any such campaigns or promotions that are either (x) with respect to campaigns and promotions conducted in an overbuild area, not materially less favorable to the Transferred Systems than the campaigns and promotions being conducted by the applicable overbuilder or RBOC or (y) not materially less favorable to the Transferred Systems than being conducted by any direct broadcast satellite providers in the same DMA (but only in the relevant market of the relevant campaign or promotion).

Section 7.20 Launch Support. At the Closing, TWE shall deliver to Comcast Subsidiary a schedule of the services subject to Specified Launch Support

68

Liabilities and, with respect to each such service, the remaining time period (which shall in no event be later than the fifth anniversary of the date hereof) in which an action in respect of any Transferred System could result in an obligation to make a payment in respect of a Specified Launch Support Liability.

Section 7.21 Additional Financial Information. TWE shall use its commercially reasonable efforts, and shall cause its Affiliates to use its commercially reasonable efforts to, provide Comcast Subsidiary and its Affiliates with financial statements and related information (collectively, "Financial Information") sufficient to permit any of them to fulfill their obligations to include financial disclosure relating to the Transferred Systems on a timely basis under the Exchange Act and, if any of them undertakes an offering of securities prior to Closing, the Securities Act. If some or all of the Financial Information is included in or incorporated by reference into a prospectus for an offering of securities by Comcast Subsidiary or any of its Affiliates prior to Closing, TWE shall use commercially reasonable efforts to cause the independent auditors of TWE to provide customary assistance to Comcast Subsidiary and its Affiliates and its underwriters in connection with such financing, including the provision of consent and comfort letters addressed to the Securities and Exchange Commission, comfort letters addressed to the underwriters, participation in due diligence matters with respect to such offering and assistance in responding to comments or questions from the Securities and Exchange Commission with respect to the Financial Information. Comcast Subsidiary shall reimburse TWE for reasonable costs and expenses incurred by TWE or its Affiliates pursuant to this Section 7.21, including reasonable out-of-pocket costs and expenses.

Section 7.22 Pre-Closing Access. From the date hereof until the Closing, subject to applicable law, TWE shall, and shall cause its Affiliates to, (i) afford Comcast Subsidiary, Comcast Trust and their respective authorized representatives reasonable access, during regular business hours, upon reasonable advance notice, to the Transferred Systems (including the Transferred Assets and employees), (ii) furnish, or cause to be furnished, to Comcast Subsidiary or Comcast Trust any financial and operating data and other information with respect to such Transferred Systems as Comcast Subsidiary or Comcast Trust from time to time reasonably requests, and (iii) instruct its employees, and its counsel and financial advisors to cooperate with Comcast Subsidiary and Comcast Trust in their reasonable investigation of the Transferred Systems; provided that, in each case, any such access shall be designed so as to not unreasonably disrupt the business and operations of TWE or its Affiliates; provided further that in no event shall Comcast Subsidiary or Comcast Trust have access to (A) any information that would reasonably be expected to create Liability under applicable laws, including U.S. antitrust laws, or waive any material legal privilege (provided that, in such latter event, TWE and Comcast Subsidiary or Comcast Trust, as the case may be, shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of

such legal privilege), (B) documents containing competitively sensitive information, trade secrets or other sensitive information (to the extent necessary to protect the legitimate legal, business and/or confidentiality concerns of TWE and its Affiliates, but taking into account Comcast Subsidiary' s and Comcast Trust' s need for such information in connection with the

transactions contemplated hereby), (C) any information to the extent such disclosure would reasonably be expected to violate any obligation of TWE or its Affiliates with respect to confidentiality so long as, with respect to confidentiality, to the extent specifically requested by Comcast Subsidiary or Comcast Trust, TWE has made commercially reasonable efforts to obtain a waiver regarding the possible disclosure from the third party to whom an obligation of confidentiality is owed or (D) any programming records; it being understood that Comcast Subsidiary and Comcast Trust shall conduct any environmental sampling solely in the manner contemplated by Section 7.15. All requests made pursuant to this Section 7.22 shall be directed to an executive officer of TWE or such Person or Persons as may be designated by TWE. All information received pursuant to this Section 7.22 shall, prior to the Closing, be governed by Section 7.4(a) and, to the extent applicable, the terms of the Confidentiality Agreements. No information or knowledge obtained in any investigation by Comcast Subsidiary, Comcast Trust or their respective Affiliates pursuant to this Section 7.22 shall affect or be deemed to modify any representation or warranty made by TWE or its Affiliates hereunder or under any Transaction Document.

Section 7.23 Adelphia Agreements. Neither Comcast Parent nor Time Warner Cable shall, or shall permit any of their respective Affiliates to, terminate the Adelphia Agreement to which it or its Affiliate is party by mutual agreement with Adelphia without the other party' s consent. Neither Time Warner Cable nor Comcast Parent shall, or shall permit any of their respective Affiliates to, without the consent of the other party, amend or grant any waiver under any Adelphia Agreement or any Ancillary Agreement (as defined in each Adelphia Agreement) to which such party or its Affiliate is a party (and, in the case of the TWC Adelphia Agreement, including the terms and conditions of the Interim Steps), in each case in a manner that (i) would reasonably be expected to delay the satisfaction of the conditions in Sections 9.1(a) or 9.2(a) or alter the rights or obligations of the parties hereunder or (ii) in the case of the TWC Adelphia Agreement, would alter the terms and conditions applicable to the Interim Steps in a manner that could reasonably be expected to be adverse to Comcast Trust, Comcast Subsidiary or their respective Affiliates.

Section 7.24 Ordinary Course from Closing to Closing Time. During the time between the Closing and the Closing Time, Comcast Subsidiary and its Affiliates shall operate or cause to be operated the Transferred Systems and Transferred Assets in the usual, regular and ordinary course and shall not take any action for the purpose of changing the calculation of the Closing Adjustment Amount.

Section 7.25 TWE Partnership Agreement. From and after the Closing, Comcast Trust and its Affiliates shall not be entitled to any distribution under, or in respect of, the TWE Partnership Agreement; provided, however, that Comcast Trust shall be entitled to distributions pursuant to Section 5.3 of the TWE Partnership Agreement (subject to its obligation under Section 5.3 to make contributions to TWE of any excess distributions pursuant to such Section) determined by reference to the Fiscal Years (as defined in the TWE Partnership Agreement) or portions thereof ending on the Closing.

ARTICLE 8 Tax Matters

Section 8.1 Allocation of Profits and Losses. All items of TWE' s income, gain, loss deduction and other tax items with respect to the portion of the partnership taxable year ending on the Closing Date shall be allocated for Income Tax purposes based on an actual Closing of TWE' s books as of the Closing Date.

Section 8.2 Consistent Reporting. The parties intend and agree to treat the TWE Redemption as a partnership distribution as described in Section 731(a) of the Code for all Income Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest).

Section 8.3 Survival of Article IX of TWE Partnership Agreement. Notwithstanding anything in this Agreement or any other Agreement to the contrary, Article IX (other than Sections 9.3(a) and (b), which shall not survive after the Closing Date) of the TWE Partnership Agreement shall survive after the Closing Date in respect of taxable years of TWE ending before the Closing Date or portions of any taxable years ending after, but including, the Closing Date. Without limiting the generality of the foregoing, Comcast Subsidiary shall continue to have the right after the Closing Date to obtain from TWE information and documents, and to participate in any tax audit, tax litigation and other proceedings as contemplated by the TWE Partnership Agreement as in effect immediately prior to the Closing.

Section 8.4 Cooperation. The parties agree to cooperate in good faith to minimize the amount of income, if any, recognized by any of them and/or by TWE as a result of any actual or deemed distribution of TWE' s assets or liabilities for federal Income Tax purposes in connection with the TWE Redemption, including, without limitation, pursuant to an agreement similar to that described in Treas. Reg. Section 1.751 -1(g), Example 3(c) specifying the particular items of property, if any, deemed exchanged.

Section 8.5 Tax Returns with respect to Applicable Taxes.

(a) TWE shall have exclusive and sole responsibility for the preparation and filing of all Applicable Tax Returns that are required to be filed with any Governmental Authority on or prior to the Closing Date.

(b) Holdco shall prepare and file all Applicable Tax Returns that are required to be filed with any Governmental Authority after the Closing Date. Holdco shall deliver any such Straddle Period Applicable Tax Returns to TWE for its review at least 30 days prior to the date on which such Straddle Period Applicable Tax Return is required to be filed. Except as provided herein, all Straddle Period Applicable Tax Returns shall (unless required by a change in applicable Tax law or a good faith resolution of a contest) be prepared on a basis consistent with the elections, accounting methods, conventions, assumptions and principles of taxation on the most recently filed Applicable Tax Returns of Holdco or a previous owner of the Transferred Systems to the

extent relevant to such Transferred Systems. Subject to the foregoing, TWE and Holdco shall reasonably cooperate with each other in the preparation and filing of any Straddle Period Applicable Tax Returns.

ARTICLE 9
Conditions Precedent

Section 9.1 Conditions to the Comcast Parties' Obligations. The obligations of the Comcast Parties to consummate the transactions contemplated by this Agreement shall be subject to the following conditions, which may be waived by Comcast Subsidiary (provided, that the condition set forth in Section 9.1(n) shall not be waived without the prior written consent of Comcast Trust):

(a) Conditions to Adelpia Transactions. Each of the conditions to the closing under the Adelpia Agreements (other than conditions to be satisfied at the closing under any such Adelpia Agreement that will be so satisfied) shall have been satisfied or waived and Comcast Subsidiary shall be reasonably satisfied that any conditions to be satisfied at the closing under any such Adelpia Agreement shall be so satisfied or waived promptly following the Closing; provided, that if the TWC Adelpia Agreement is amended pursuant to Section 5.15 of the TWC Adelpia Agreement, then this Section 9.1(a) shall be deemed to apply only to the conditions to the closing under the TWC Adelpia Agreement.

(b) Accuracy of Representations and Warranties. The representations and warranties of TWE or any Transferring Person in this Agreement and in any Transaction Document to which TWE or any Transferring Person is a party, if qualified by a reference to materiality or Material Adverse Effect, are true and, if not so qualified, are true in all material respects at and as of Closing with the same effect as if made at and as of Closing except to the extent a different date is specified therein, in which case such representation and warranty if qualified by a reference to materiality or Material Adverse Effect shall be true and correct as of such date and, if not so qualified, shall be true and correct in all material respects as of such date.

(c) Performance of Agreements. TWE, Holdco and each Transferring Person has performed in all material respects all obligations and agreements and has complied in all material respects with all covenants in this Agreement and in any Transaction Document to which it is a party to be performed and complied with by it at or before Closing.

(d) Officer' s Certificate. Comcast Subsidiary has received a certificate executed by an executive officer of TWE, dated as of Closing, reasonably satisfactory in form and substance to Comcast Subsidiary, certifying that the conditions specified in Sections 9.1(b) and 9.1(c) have been satisfied, as of Closing.

(e) Legal Proceedings. There is no Legal Requirement, and no Judgment has been entered and not vacated by any Governmental Authority of competent jurisdiction in any Litigation or arising therefrom, which (i) enjoins, restrains, makes

illegal or prohibits consummation of the transactions contemplated by this Agreement or by any Transaction Document (other than any such matter having only an immaterial effect and that does not impose criminal liability or penalties) or (ii) requires separation or divestiture by Comcast Trust, Comcast Subsidiary, Holdco or any of their Affiliates of all or any significant portion of the Transferred Assets after Closing or otherwise materially and adversely affects the operation of the Transferred Systems (other than applicable to the cable industry in general), and there is no Litigation pending which was commenced by any Governmental Authority (other than a Franchising Authority) seeking, or which if successful would have the effect of, any of the foregoing, provided that the failure to obtain a consent relating to a Transferred Systems Franchise shall not be considered to enjoin, restrain, make illegal or prohibit consummation of the transactions contemplated by this Agreement or by any Transaction Document.

(f) HSR Act Waiting Period. The waiting period under the HSR Act with respect to the transactions contemplated by this Agreement has expired or been terminated.

(g) Consents. Comcast Subsidiary has received evidence, in form and substance reasonably satisfactory to it, that all of the TWE Required Consents (other than from the Transferred Systems Franchises which are addressed in Section 9.1(i)), have been obtained and are in effect.

(h) [Intentionally Omitted].

(i) Franchise Required Consents. The aggregate number of Individual Subscribers served by the Transferred Systems in the Service Areas that are, as of the Closing Time, Transferable Service Areas shall be at least 90% of Individual Subscribers served by the Transferred Systems at such time (the "Required Threshold"); *provided* that if any portion of the Transferred Systems containing headends are not within such Transferable Service Areas as of the Closing Time, then any other portion of the Transferred Systems served by such headends shall be deemed not to be included in such Transferable Service Areas.

(j) Holdco Transaction. The Holdco Transaction shall have been consummated.

(o) TWE Title Policies. TWE shall have delivered to Comcast Subsidiary ALTA extended coverage owners' policies of title insurance, or the local equivalent, dated as of the Closing Date and issued by the Title Company (the "TWE Title Policies"), insuring, subject only to Permitted Liens, Holdco's fee or leasehold title in each parcel of the Owned Property and Leased Property with respect to which a Title Commitment was required pursuant to Section 7.6 deleting or modifying to the reasonable satisfaction of Comcast Subsidiary the Schedule B standard printed exceptions (other than Permitted Liens, and other than the survey exception or any similar exception with respect to properties for which no survey is obtained, and other than any other exception the deletion of which would require TWE to give any affidavit or undertaking which would make representations or impose obligations more onerous than those made or set forth elsewhere in this Agreement), including gap coverage, and deleting or insuring over, subject to Section 7.6, any Title Defects, or irrevocable Title Commitments of the Title Company to issue such TWE Title Policies; provided, that TWE's inability or failure to provide the Title Policies (or Title Commitments to issue the same) shall not constitute a violation of the condition set forth in this Section 9.1(o) if the Liens, or other matters relating to title, giving rise to such inability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(p) Schedule Update. TWE shall not have exercised its right to update any Schedule to this Agreement pursuant to clause (ii) of the first sentence of Section 7.11.

(q) Financial Information. TWE shall have delivered all of the Financial Information reasonably required to permit Comcast to comply with its obligations under Form 8-K under the Exchange Act with respect to the transactions provided for herein.

Section 9.2 Conditions to TWE' s Obligations. The obligations of TWE to consummate the transactions contemplated by this Agreement shall be subject to the following conditions, which may be waived by TWE:

(a) Conditions to Adelphia Transactions. Each of the conditions to the closing under the Adelphia Agreements (other than conditions to be satisfied at the closing under any such Adelphia Agreement that will be so satisfied) shall have been satisfied or waived and TWE shall be reasonably satisfied that any conditions to be satisfied at the closing under any such Adelphia Agreement shall be so satisfied or waived promptly following the Closing; provided, that if the TWC Adelphia Agreement is amended pursuant to Section 5.15 of the TWC Adelphia Agreement, then this Section 9.2(a) shall be deemed to apply only to the conditions to the closing under the TWC Adelphia Agreement.

74

(b) Accuracy of Representations and Warranties. The representations and warranties of Comcast Trust and Comcast Subsidiary in this Agreement and in any Transaction Document to which Comcast Trust or Comcast Subsidiary is a party, if qualified by a reference to materiality, are true and, if not so qualified, are true in all material respects at and as of Closing with the same effect as if made at and as of Closing, except to the extent a different date is specified therein, in which case such representation and warranty if qualified by a reference to materiality shall be true and correct as of such date and, if not so qualified, shall be true and correct in all material respects as of such date.

(c) Performance of Agreements. (d) Officer' s Certificate. (i) TWE has received a certificate executed by the operating trustee of Comcast Trust, dated as of Closing, reasonably satisfactory in form and substance to TWE, certifying that the conditions specified in Sections 9.2(b) and 9.2(c), in each case solely with respect to Comcast Trust, have been satisfied, as of Closing. (e) Legal Proceedings. There is no Legal Requirement, and no Judgment has been entered and not vacated by any Governmental Authority of competent jurisdiction in any Litigation or arising therefrom, which enjoins, restrains, makes illegal or prohibits consummation of the transactions contemplated by this Agreement or by any Transaction Document (other than any such matter having only an immaterial effect and that does not impose criminal liability or penalties), and there is no Litigation pending which was commenced by any Governmental Authority (other than a Franchising Authority) seeking, or which if successful would have the effect of, any of the foregoing, provided that the failure to obtain a consent relating to a Transferred Systems Franchise shall not be considered to enjoin, restrain, make illegal or prohibit consummation of the transactions contemplated by this Agreement or by any Transaction Document.

(f) HSR Act Waiting Period. The waiting period under the HSR Act with respect to the transactions contemplated by this Agreement has expired or been terminated.

(g) No Material Adverse Effect. Since the date hereof, there have been no events, circumstances or conditions that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

75

ARTICLE 10

Closing

Section 10.1 Closing: Time and Place. Subject to the final sentence of this Section 10.1, the closing of the transactions contemplated by Section 2.1(a) of this Agreement (“Closing”) shall take place at a time and location mutually determined by Comcast Subsidiary and TWE on the last Business Day of the calendar month in which all conditions set forth in Sections 9.1 and 9.2 have either been satisfied or waived in writing by the party entitled to the benefit of each such condition (except for conditions to be satisfied at Closing that will be satisfied at Closing and the conditions set forth in Section 9.1(a) and Section 9.2(a) but subject to satisfaction of such conditions in Sections 9.1(a) and 9.2(a)), unless such conditions have not been so satisfied or waived (except for conditions to be satisfied at Closing that will be satisfied at Closing) by the fifth Business Day preceding the last Business Day of such calendar month, in which case the Closing shall take place on the last Business Day of the next calendar month (or such later date as agreed by the parties). In no event shall the Closing occur earlier than July 1, 2005.

Section 10.2 TWE’s Obligations. At Closing, TWE shall deliver or cause to be delivered to Holdco or Comcast Trust (or, in the case of item (a), to Comcast Subsidiary, if applicable), as applicable, the following:

(a) Holdco Interest Instrument of Assignment. An executed Holdco Interest Instrument of Assignment in form and substance reasonably acceptable to TWE and Comcast Subsidiary.

(b) Bill of Sale and Assignment and the Instrument of Assumption. The executed Bill(s) of Sale and Assignment and Instrument of Assumption with respect to the Holdco Transaction in form and substance reasonably acceptable to TWE and Comcast Subsidiary and such other instruments of transfer or assignment as may be reasonably necessary to effect the transactions contemplated hereby (excluding those delivered pursuant to Section 10.2(f)).

(c) Lien Releases. Evidence reasonably satisfactory to Comcast Subsidiary that all Liens (other than Permitted Liens) affecting or encumbering the Transferred Assets have been terminated, released or waived or insured over as contemplated under (and only to the extent required under) Section 7.6 (in the case of the Real Property Interests), as appropriate, or original, executed instruments in form and substance reasonably satisfactory to Comcast Subsidiary effecting such terminations, releases or waivers; provided, that TWE’s inability or failure to obtain the termination, release, or waiver of any such Liens or to insure over any such Liens shall not constitute a failure to perform the obligations set forth in this Section 10.2(c) if the existence of the Liens would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(d) FIRPTA Certificate. FIRPTA Non-Foreign Seller Certificate certifying that TWE is not a foreign person within the meaning of

Section 1445 of the Code, reasonably satisfactory in form and substance to Comcast Subsidiary.

(e) Power of Attorney for Accounts Receivable. The limited, irrevocable right, in TWE' s and its Controlled Affiliates' name, place and stead, as TWE' s and its Controlled Affiliates' attorney-in-fact, to cash, deposit, endorse or negotiate checks received on or after the Closing Date made out to TWE and its Controlled Affiliates' in payment for cable services provided by the Transferred Systems and written instructions to TWE' s and its Controlled Affiliates' lock-box service provider or similar agents to promptly forward to Holdco all such cash, deposits and checks representing accounts receivable of the Transferred Systems that it or they may receive. From and after the Closing, TWE and its Controlled Affiliates shall not deposit but shall promptly remit to Holdco any payment received by TWE or any of its Controlled Affiliates on or after the Closing Date in respect of any such account receivable.

(f) Deeds and Other Real Estate Transfer Documents. Special warranty deeds conveying to Holdco, subject only to the exceptions reflected on the TWE Title Policies (if such TWE Title Policies have been obtained, or, if such TWE Title Policies have not been obtained, subject only to such exceptions as are consistent with the representation set forth in Section 6.4 hereof), each parcel of the Owned Property, assignments of leases of Real Property and such other documents as may be necessary to convey other Real Property Interests, in each case, in form and substance reasonably satisfactory to Comcast Subsidiary, provided that in no event shall the warranties in such deed create any greater liability or liability to any other Person on the part of the grantor in excess of that provided for under the other provisions of this Agreement.

(g) TWE Title Policies. TWE Title Policies with such deletions or modifications as are required pursuant to Section 9.1(o) .

(h) Officer' s Certificate. The executed certificate required by Section 9.1(d) .

(i) Other. Such other documents and instruments as may be reasonably necessary to effect the intent of this Agreement and consummate the transactions contemplated hereby.

Section 10.3 Comcast Trust' s Obligations. At Closing, Comcast and/or Comcast Trust, as applicable, shall deliver or cause to be delivered to TWE the following:

(a) Redemption Interest Instrument of Assignment. The executed Redemption Interest Instrument of Assignment in form and substance reasonably acceptable to TWE and Comcast Subsidiary.

(b) Other. Such other documents and instruments as may be reasonably necessary to effect the intent of this Agreement and consummate the transactions contemplated hereby.

ARTICLE 11 Termination and Default

Section 11.1 Termination Events. This Agreement may be terminated prior to Closing and the transactions contemplated hereby may be abandoned:

(a) by either Comcast Subsidiary or TWE, at any time after the later of (i) the six-month anniversary of the Adelphia Closing and (ii) the Extended Outside Date (as defined in the TWC Adelphia Agreement and as such date may be amended under Section 5.15 of the TWC Adelphia Agreement) (the later of (i) and (ii), the “Outside Closing Date”);

(b) at any time, by the mutual agreement of Comcast Subsidiary and TWE;

(c) by either Comcast Subsidiary or TWE, at any time upon written notice to the other, if the other is in material breach or default of its respective covenants, agreements, representations, or other obligations herein or in any Transaction Document to which such Person or its Affiliates is a party and such breach or default (i) has not been cured within 30 days after receipt of written notice or such longer period as may be reasonably required to cure such breach or default (provided, that the breaching or defaulting party shall be using commercially reasonable efforts to cure such breach or default) or (ii) would not reasonably be expected to be cured prior to the Outside Closing Date; provided, that if any covenant, agreement, representation or other obligation in this Agreement is qualified by a reference to materiality or Material Adverse Effect, such qualifier shall be taken into account without duplication;

(d) by either Comcast Subsidiary or TWE prior to the Closing at any time following termination of either Adelphia Agreement in accordance with its terms; provided, that if the TWC Adelphia Agreement is amended pursuant to Section 5.15 of the TWC Adelphia Agreement, then this Section 11.1(d) shall be deemed to apply only to the termination of the TWC Adelphia Agreement;

(e) by Comcast Subsidiary as provided in Section 13.16; or

(f) by Comcast Subsidiary on or after the earlier of June 1, 2007 and the date that is nine months following delivery of a Termination Notice pursuant to Section 2.3; provided, that Comcast Subsidiary shall have (i) given TWE at least 60 days prior written notice of its non-binding good faith intention to so terminate under this clause (f), (ii) delivered an Appraisal Notice (as defined in the Partnership Interest Sale Agreement) on or before the 120th day prior to such termination and (iii) complied in all material respects with its obligations herein, including in Section 7.12, to consummate the transactions contemplated hereby.

Section 11.2 Effect of Termination. If this Agreement is terminated pursuant to Sections 11.1 or 13.16, this Agreement shall become void and of no effect without liability of any party hereto (or any Affiliate, shareholder, director,

officer, trustee, employee, agent, consultant or representative of such party) to the other parties hereto, except that (a) the agreements contained in Sections 1.1, 1.2, 2.1(a)(iv), 2.3, 7.4 and 7.23 (but only clause (ii) of the second sentence), this Section 11.2 and Article 13 (other than Section 13.16) shall survive the termination hereof and (b) no such termination shall relieve any party hereto of any liability or damages resulting from any willful breach by such party of this Agreement.

ARTICLE 12 Indemnification

Section 12.1 Indemnification by TWE. Subject to Section 12.4, from and after the Closing, TWE shall indemnify and hold harmless Holdco from and against any and all Losses suffered by Holdco (which shall be deemed to include any Losses suffered by Holdco or its Affiliates, or by its or their respective officers, directors, trustees, employees, agents or representatives, or any Person claiming by or through any of them, as the case may be), from and against any and all Losses arising out of or resulting from:

(a) any representations and warranties made by TWE or any Transferring Person in this Agreement or in any Transaction Document to which it is a party not being true and accurate in all respects, when made or at Closing (or, in the case of any representation or warranty made as of a specific date, as of such date) or any failure by TWE to perform in all material respects pursuant to Sections 7.1(j) and 7.11;

(b) any failure by TWE, any Transferring Person or, prior to completion of the Closing, Holdco, to perform in all respects any of its covenants, agreements, or obligations in this Agreement (other than pursuant to Sections 7.1(j) and 7.11) or in any Transaction Document to which it is a party;

(c) the Excluded Liabilities;

(d) the Excluded Assets; or

(e) the Holdco Indemnified Liabilities.

If, by reason of the claim of any third party relating to any of the matters subject to such indemnification, a Lien is placed or made upon any of the properties or assets owned or leased by Holdco or any other Indemnitee under this Section, in addition to any indemnity obligation of TWE under this Section, TWE shall furnish a bond sufficient to obtain the prompt release thereof within 10 days after receipt from Holdco of notice thereof.

Section 12.2 Indemnification by Holdco. Subject to Section 12.4, from and after the Closing, Holdco shall indemnify and hold harmless TWE from and against any and all Losses suffered by TWE (which shall be deemed to include any Losses suffered by TWE or its Affiliates, or by its or their respective officers, directors,

employees, agents or representatives, or any Person claiming by or through any of them, as the case may be), from and against any and all Losses arising out of or resulting from:

(a) any representations and warranties made by Comcast Trust or Comcast Subsidiary in this Agreement or in any Transaction Document to which such Person is a party not being true and accurate in all respects, when made or at Closing (or, in the case of any representation or warranty made as of a specific date, as of such date);

(b) any failure by Comcast Trust, Comcast Subsidiary or, after Closing, Holdco, to perform in all respects any of its covenants, agreements, or obligations in this Agreement or in any Transaction Document to which such Person is a Party;

(c) the Assumed Liabilities and the Holdco Transaction Liabilities;

(d) other than with respect to the Excluded Liabilities, the ownership and operation of the Transferred Systems or the Transferred Assets after the Closing;

(e) other than with respect to the Excluded Liabilities, any Transferred Asset or any claim or right or any benefit arising thereunder held by TWE for the benefit of Holdco pursuant to Section 2.1(d) .

If, by reason of the claim of any third party relating to any of the matters subject to such indemnification, a Lien is placed or made upon any of the properties or assets owned or leased by TWE or any other Indemnitee under this Section, in addition to any indemnity obligation of Holdco under this Section, Holdco shall furnish a bond sufficient to obtain the prompt release thereof within 10 days after receipt from TWE of notice thereof.

Section 12.3 Procedure for Certain Indemnified Claims. Promptly after receipt by a party entitled to indemnification hereunder (the “Indemnitee”) of written notice of the assertion or the commencement of any Litigation with respect to any matter referred to in Sections 12.1 or 12.2 or the assertion by any Governmental Authority of a claim of noncompliance under any Franchise relating, in whole or in part, to any pre-Closing period (a “Franchise Matter”), the Indemnitee shall give written notice thereof to the party from whom indemnification is sought pursuant hereto (the “Indemnitor”) and thereafter shall keep the Indemnitor reasonably informed with respect thereto; provided, that failure of the Indemnitee to give the Indemnitor notice and keep it reasonably informed as provided herein shall not relieve the Indemnitor of its obligations hereunder, except to the extent that such failure to give notice shall prejudice any defense or claim available to the Indemnitor. The Indemnitor shall be entitled to assume the defense of any such Litigation or Franchise Matter with counsel reasonably satisfactory to the Indemnitee, at the Indemnitor’s sole expense; provided that the Indemnitor shall not be entitled to assume or continue control of the defense of any Litigation or Franchise Matter if (i) the Litigation or Franchise Matter relates to or arises in connection with any criminal proceeding, action, indictment, allegation or investigation; (ii) the Litigation or

80

Franchise Matter seeks an injunction or equitable relief against the Indemnitee; or (iii) the Indemnitor has failed to defend or is failing to defend in good faith the Litigation or Franchise Matter. If the Indemnitor assumes the defense of any Litigation or Franchise Matter, (i) it shall not settle the Litigation or Franchise Matter unless the settlement shall include as an unconditional term thereof the giving by the claimant or the plaintiff of a release of the Indemnitee, reasonably satisfactory to the Indemnitee, from all liability with respect to such Litigation or Franchise Matter and (ii) it shall indemnify and hold the Indemnitee harmless from and against any and all Losses caused by or arising out of any settlement or judgment of such claim and may not claim that it does not have an indemnification obligation with respect thereto. If the Indemnitor does not assume the defense of any Litigation or Franchise Matter, the Indemnitee may defend against or settle such claim in such manner and on such terms as it in good faith deems appropriate and shall be entitled to indemnification in respect thereof in accordance with Section 12.1 or 12.2, as applicable. If the Indemnitor is not entitled to assume the defense or continue to control the defense of any Litigation or Franchise Matter as a result of the proviso in the second sentence of this Section 12.3, the Indemnitee shall not settle the Litigation or Franchise Matter in question if the Indemnitor shall have any obligation as a result of such settlement (whether monetary or otherwise) unless such settlement is consented to in writing by the Indemnitor, such consent not to be unreasonably withheld or delayed. In no event shall the Indemnitee settle any Litigation or Franchise Matter for which the defense thereof is controlled by the Indemnitor absent the consent of the Indemnitor (such consent not to be unreasonably withheld or delayed). Each party shall cooperate, and cause their respective Affiliates to cooperate, in the defense or prosecution of any Litigation or Franchise Matter and shall furnish or cause to be furnished such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested in connection therewith.

Section 12.4 Determination of Indemnification Amounts and Related Matters.

(a) TWE shall have no liability under Section 12.1(a) unless the aggregate amount of Losses otherwise subject to its indemnification obligations thereunder exceeds \$6,000,000 (the “Threshold Damage Requirement”), in which case TWE shall be liable for the full amount of such Losses including the Losses incurred in reaching the Threshold Damage Requirement; provided, that for purposes of this subsection, the Threshold Damage Requirement shall not apply to any Losses resulting from or arising out of (i) the failure by TWE to pay any copyright payments, including interest and penalties thereon, when due or any other breach of TWE’s representations, warranties, covenants or agreements with respect to copyright payments contained in this Agreement, and (ii) breaches of the representations and warranties in Sections 6.1, 6.2, 6.3, 6.4(a), 6.13, 6.15 and 6.18. The maximum liability of TWE under Section 12.1(a) shall not exceed \$60,000,000 (the “Cap”); provided, that the Cap shall not apply to breaches of the representations and warranties in Sections 6.1, 6.2, 6.3, 6.4(a)(i), 6.13, 6.15 and 6.18.

81

(b) Holdco shall have no liability under Section 12.2(a) unless the aggregate amount of Losses otherwise subject to its indemnification obligations thereunder exceeds the Threshold Damage Requirement, in which case Holdco shall be liable for the full amount of such Losses including the Losses incurred in reaching the Threshold Damage Requirement; provided, that for purposes of this subsection, the Threshold Damage Requirement shall not apply to any Losses resulting from or arising out of breaches of the representations and warranties in Sections 4.1, 4.2, 4.3, 4.5, 4.6, 5.1, 5.2, 5.3, or 5.5. The maximum liability of Holdco in the aggregate under Section 12.2(a) shall not exceed the Cap; provided, that the Cap shall not apply to breaches of the representations and warranties in Sections 4.1, 4.2, 4.3, 4.5, 4.6, 5.1, 5.2, 5.3, or 5.5.

(c) Amounts payable by the Indemnitor to the Indemnitee in respect of any Losses under Sections 12.1 or 12.2 shall be payable by the Indemnitor as incurred by the Indemnitee, and shall bear interest at the Base Interest Rate plus 2% from the date the Losses for which indemnification is sought were incurred by the Indemnitee until the date of payment of indemnification by the Indemnitor.

(d) If the facts and circumstances giving rise to the Loss for which indemnification is sought under Section 12.1(a) also resulted in a Loss to the TWE Retained Cable Systems, the Loss for which indemnification is sought under Section 12.1(a) shall only be available (subject to the further limitations in Section 12.4(a)) to the extent such Loss is greater than the proportionate Loss suffered by the TWE Retained Cable Systems and the Transferred Systems, where proportionality is based on the Percentage Interest represented by the Redemption Interest immediately prior to giving effect to the Closing; provided that the foregoing shall not apply to the extent the Loss for which indemnification is sought under Section 12.1(a) results from or arises out of a breach of any of the representations and warranties set forth in Sections 6.1, 6.2, 6.3, 6.4(a), 6.5(a), 6.6 (the penultimate sentence only), 6.10 (the first sentence only), 6.12(c), 6.13, 6.15 and 6.18. By way of example only, if the Redemption Interest represents a 4.7% Percentage Interest (immediately prior to giving effect to the Closing) and the Losses suffered by the Transferred Systems arising out of certain facts was \$X and the Losses suffered by the TWE Retained Cable Systems arising out of those same facts was \$Y, then indemnification would be available under Section 12.1(a) but only in an amount equal to the excess (if any) of (i) \$X over (ii) the sum of \$X and \$Y multiplied by 0.047 (and subject to the further limitations contained in Section 12.4(a)).

(e) The Indemnitor shall not be obligated to indemnify the Indemnitee with respect to any Losses to the extent of any proceeds received in connection with any such Losses by the Indemnitee under any insurance policy of the Indemnitee in effect on the Closing Date (including under any rights under any insurance policies or proceeds that are part of the Transferred Assets). The Indemnitee will use commercially reasonable efforts to claim and recover under such insurance policies.

(f) In determining the amount of any Losses in connection with any inaccuracy of a representation and warranty (but not for purposes of determining whether any such inaccuracy has occurred), any materiality or Material Adverse Effect qualifier in such representation or warranty will be disregarded.

(g) Comcast Subsidiary shall have the right to enforce (on behalf and for the benefit of Holdco and any other Indemnitee pursuant to Section 12.1) the right to indemnification under Section 12.1. Notwithstanding anything to the contrary set forth in this Agreement, to the extent that any Indemnitee pursuant to Section 12.1 is or becomes a shareholder of Time Warner Cable or Time Warner or a limited partner of TWE, indemnification hereunder shall not include Losses suffered by such Indemnitee (or its Affiliates) in its shareholder or limited partner capacity by reason of (i) the indemnities being provided by TWE hereunder or (ii) Losses suffered in such capacity in respect of any Excluded Assets, Excluded Liabilities or Holdco Indemnified Liabilities.

Section 12.5 Time and Manner of Certain Claims. The representations and warranties of Comcast Trust, Comcast Subsidiary, TWE or any Transferring Person in this Agreement and any Transaction Document to which such Person is a party shall survive Closing for a period of 1 year. Notwithstanding the foregoing: (a) the liability of the parties shall extend beyond the 1-year period following Closing with respect to any claim which has been asserted in a bona fide written notice before the expiration of such 1-year period specifying in reasonable detail the facts and circumstances giving rise to such right; and (b) (i) the representations and warranties of the parties in Sections 4.1, 4.2, 4.3, 4.5, 4.6, 5.1, 5.2, 5.3, 5.5, 6.1, 6.2, 6.3, 6.4(a)(i), 6.13, 6.15 and 6.18 shall survive Closing and shall continue in full force and effect without limitation and (ii) the representations and warranties of TWE in Sections 6.22 and 6.23 shall survive until the expiration of the applicable statute of limitations (giving effect to any waiver, mitigation or extension thereof).

Section 12.6 Other Indemnification. The provisions of Sections 12.3, 12.4 and 12.5 shall be applicable to any claim for indemnification made under any other provision of this Agreement, and all references in Sections 12.3, 12.4 and 12.5 to Sections 12.1 and 12.2 shall be deemed to be references to such other provisions of this Agreement.

Section 12.7 Exclusivity. Except as specifically set forth in this Agreement or any Transaction Document and except for claims against a party for breach of any provision of this Agreement or any Transaction Document, each party waives any rights and claims it may have against the other parties to this Agreement, whether in law or in equity, relating to the transactions contemplated hereby. The rights and claims waived by each party include claims for contribution or other rights of recovery arising out of or relating to claims for breach of contract, breach of representation or warranty, negligent misrepresentation and all other claims for breach of duty. After Closing, Article 12 and the Transaction Documents shall provide the exclusive remedy for any misrepresentation or breach of warranty under this Agreement or any Transaction Document, other than any claims sounding in fraud.

Section 12.8 Release.

(a) Except as provided in Section 12.8(b), effective as of the Closing, each of Comcast, Comcast Subsidiary and Comcast Trust does hereby, for itself and each of its wholly owned Subsidiaries and their respective successors and assigns,

and all Persons who at any time prior to the Closing have been shareholders, directors, officers, members, agents, trustees or employees of Comcast, Comcast Subsidiary or Comcast Trust or any of their respective Affiliates, predecessors, successors or assigns (in each case, in their respective capacities as such and to the extent it may legally do so) (collectively, the “Comcast Trust Releasing Parties”), remise, release and forever discharge TWE and each of its Subsidiaries and Affiliates, their respective predecessors, successors and assigns, and all Persons who at any time prior to the Closing have been limited partners, general partners, shareholders, directors, officers, members, agents, trustees or employees of TWE or any of its respective Subsidiaries, Affiliates, predecessors, successors or assigns (in each case, in their respective capacities as such and to the extent it may legally do so), and their respective heirs, executors, administrators, predecessors, successors and assigns (collectively, the “TWE Released Parties”), from any and all Liabilities whatsoever (other than Liabilities based on claims sounding in fraud), whether at law or in equity (including any right of contribution), whether arising under any Contract, by operation of Law or otherwise, existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur or any conditions existing or alleged to have existed on or before the Closing, whether or not known as of the Closing, related to, arising out of or resulting from Comcast Trust’s ownership of the Redemption Interest. Comcast, Comcast Subsidiary and Comcast Trust agree, on behalf of their self and each of the other Comcast Trust Releasing Parties, that they will not assert any claims against any TWE Released Party with respect to matters covered by the foregoing release.

(b) Nothing contained in Section 12.8(a) shall impair any right of any Person to enforce this Agreement or any other Transaction Document, in each case in accordance with its terms.

Section 12.9 Tax Treatment of Indemnification Payments.

(a) For all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest) the parties hereto agree to treat and to cause their respective affiliates to treat any payment (i) to Holdco by TWE pursuant to an indemnification, reimbursement or refund obligation provided for in this Agreement (a “TWE Indemnification Payment”), or (ii) to TWE by Holdco pursuant to an indemnification, reimbursement or refund obligation provided for in this Agreement (a “Holdco Indemnification Payment” and collectively with any TWE Indemnification Payment, an “Indemnification Payment”) as (x) with respect to a TWE Indemnification Payment, a contribution by TWE to Holdco occurring immediately prior to the Closing, and (y) with respect to a Holdco Indemnification Payment, an adjustment to the Cash Amount transferred by TWE to Holdco pursuant to the Holdco Transaction occurring immediately prior to the Closing.

(b) Notwithstanding Section 12.9(a) above, any Indemnification Payments that represent interest payable under Section 12.4(c) hereof shall be treated for all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest), as (i) deductible to the Indemnitor and (ii) taxable to the Indemnitee.

(c) The amount of any Loss for which indemnification is provided under this Agreement shall be (i) increased to take account of net Tax cost, if any, incurred by the Indemnitee arising from the receipt or accrual of an Indemnification Payment hereunder, (grossed up for such increase) and (ii) reduced to take account of the net Tax benefit, if any, realized by the Indemnitee arising from incurring or paying such indemnified amount. In computing the

amount of any such Tax cost or benefit, (i) the term Indemnitee shall be deemed to include any member of any Affiliated Group of which the Indemnitee is a member and in the case of TWE or TWE-A/N, its partners, and (ii) the Indemnitee shall be deemed to recognize all other items of income, gain, loss, deduction or credit before recognizing any item arising from the receipt or accrual of any Indemnification Payment hereunder or incurring or paying any indemnified amount hereunder. Any Indemnification Payment hereunder shall initially be made without regard to this Section 12.9(c) and shall be increased or reduced to reflect any such net Tax cost (including gross-up) or net Tax benefit only after the Indemnitee has Actually Realized such cost or benefit. The amount of any increase or reduction hereunder shall be adjusted to reflect any adjustment with respect to the Indemnitee's liability for Taxes, and payments between the parties hereto to reflect such adjustment shall be made. Notwithstanding the above, this Section 12.9(c) shall not apply to interest as described in Section 12.9(b) .

Section 12.10 Guaranteed Obligations of Comcast.

(a) From and after the Closing, Comcast hereby agrees to fully and unconditionally guarantee to TWE the due and punctual performance, compliance and payment of Holdco, Comcast Trust and Comcast Subsidiary (each, a "Guaranteed Party" and collectively, the "Guaranteed Parties") of each and every covenant, term, condition or other obligation to be performed or complied with by any such party for the benefit of TWE (or any Affiliate thereof or any Indemnitee pursuant to Section 12.2) under this Agreement and any Transaction Document to which any Guaranteed Party is a party delivered in connection herewith when, and to the extent that, any of the same shall become due and payable or performance of or compliance with any of the same shall be required (collectively, the "Guaranteed Obligations").

(b) Comcast hereby acknowledges and agrees that this guarantee constitutes an absolute, present, primary, continuing and unconditional guaranty of performance, compliance and payment by each of the Guaranteed Parties of the Guaranteed Obligations when due under this Agreement and any Transaction Document to which any Guaranteed Party is a party delivered in connection herewith and not of collection only and is in no way conditioned or contingent upon any attempt to enforce such performance, compliance or payment by a Guaranteed Party or upon any other condition or contingency. Comcast hereby waives any right to require a proceeding first against any of the Guaranteed Parties.

(c) The obligations of Comcast under this guarantee shall not be subject to any reduction, limitation, impairment or termination for any reason (other than by indefeasible payment or performance in full of any of the Guaranteed Obligations) and shall not be subject to (i) any discharge of any of the Guaranteed Parties

from any of the Guaranteed Obligations in a bankruptcy or similar proceeding (except by indefeasible payment or performance in full of the Guaranteed Obligations) or (ii) any other circumstance whatsoever which constitutes, or might be construed to constitute an equitable or legal discharge of Comcast as guarantor under this Section 12.10.

(d) Comcast shall cause any transferee of or successor to all or substantially all of the assets of Comcast to assume Comcast's obligations under this Section 12.10.

ARTICLE 13

Miscellaneous Provisions

Section 13.1 Expenses. Except as otherwise specifically provided in Section 3.4, 7.3 or 13.2 or elsewhere in this Agreement, each of the parties shall pay its own expenses and the fees and expenses of its counsel, accountants, and other experts in connection with this Agreement.

Section 13.2 Attorneys' Fees. If any Litigation between the parties hereto with respect to this Agreement, the Transaction Documents or the transactions contemplated hereby or thereby shall be resolved or adjudicated by a Judgment of any court, the party prevailing under such Judgment (as determined by the trier of fact based on all relevant facts, including, but not limited to, amounts demanded or sought in such litigation, amounts, if any, offered in settlement of such litigation and amounts, if any, awarded in such litigation) shall be entitled, as part of such Judgment, to recover from the other party its reasonable attorneys' fees and costs and expenses of litigation.

Section 13.3 Waivers. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party hereto, shall be deemed to constitute a waiver by the party taking the action of compliance with any representation, warranty, covenant or agreement contained herein or in any Transaction Document. The waiver by any party hereto of any condition or of a breach of another provision of this Agreement or any Transaction Document shall be in writing and shall not operate or be construed as a waiver of any other condition or subsequent breach. The waiver by any party of any of the conditions precedent to its obligations under this Agreement shall not preclude it from seeking redress for breach of this Agreement other than with respect to the condition so waived.

Section 13.4 Notices. All notices, requests, demands, applications, services of process and other communications which are required to be or may be given under this Agreement or any Transaction Document shall be in writing and shall be deemed to have been duly given if sent by telecopy or facsimile transmission, upon answer back requested, or delivered by courier or mailed, certified first class mail, postage prepaid, return receipt requested, to the parties at the following addresses:

Transferred Assets, or the Transferred Systems except those contained in this Agreement, the Schedules or the Exhibits hereto. This Agreement may not be modified orally, but only by an agreement in writing signed by the party or parties against whom any waiver, change, amendment, modification or discharge may be sought to be enforced. The Confidentiality Agreements, as each relates to any obligation to keep confidential information regarding the Transferred Assets, the Transferred Systems and/or the Assumed Liabilities, are hereby terminated.

Section 13.6 Specific Performance. The parties recognize that their rights under this Agreement are unique and, accordingly, the parties shall, in addition to such other remedies as may be available to any of them at law or in equity, have the right to enforce their rights hereunder by actions for injunctive relief and specific performance to the extent permitted by applicable law so long as the party seeking such relief is prepared to consummate the transactions contemplated hereby. The parties agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate. The parties waive any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award or injunctive, mandatory or other equitable relief.

Section 13.7 Jurisdiction. Except as otherwise expressly provided in this Agreement, the parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, the Transaction Documents or the transactions contemplated hereby or thereby may

be brought in the United States District Court for the Southern District of New York or any other New York State court sitting in New York City, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 13.4 shall be deemed effective service of process on such party.

Section 13.8 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 13.9 Binding Effect; Benefits. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective

89

heirs, legal representatives, successors, and permitted assigns. No party hereto shall assign this Agreement or delegate any of its duties hereunder to any other Person without the prior written consent of the other parties hereto, which consent shall not be unreasonably withheld or delayed; provided that Comcast Subsidiary may assign its rights and delegate its obligations under this Agreement (in whole or in part) to any Affiliate of Comcast Subsidiary, upon written notice to TWE. For purposes of this Section, any change in control of Comcast, Comcast Trust, Comcast Subsidiary or TWE shall not constitute an assignment by it of this Agreement. In no event shall any assignment of rights or delegation of obligations relieve any party of its obligations hereunder.

Section 13.10 Headings and Schedules. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement. Reference to Schedules shall, unless otherwise indicated, refer to the Schedules attached to this Agreement, which shall be incorporated in and constitute a part of this Agreement by such reference.

Section 13.11 Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile), each of which, when executed, shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

Section 13.12 GOVERNING LAW. THE VALIDITY, PERFORMANCE, AND ENFORCEMENT OF THIS AGREEMENT AND ALL TRANSACTION DOCUMENTS, UNLESS EXPRESSLY PROVIDED TO THE CONTRARY, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THE PRINCIPLES OF CONFLICTS OF LAW OF SUCH STATE.

Section 13.13 Severability. Any term or provision of this Agreement which is invalid or unenforceable shall be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining rights of the Person intended to be benefited by such provision or any other provisions of this Agreement.

Section 13.14 Third Parties; Joint Ventures. This Agreement constitutes an agreement solely among the parties hereto, and, except as otherwise expressly provided herein, is not intended to and shall not confer any rights, remedies, obligations, or liabilities, legal or equitable, including any right of employment, on any Person other than the parties hereto and their respective successors, or assigns, or otherwise constitute any Person a third party beneficiary under or by reason of this Agreement except that Time Warner shall be an express third party beneficiary of Section 2.3. For the avoidance of doubt, no Person other than a party hereto shall have any right to enforce Section 3.1 or any other provision of this Agreement to the extent relating thereto. Nothing in this Agreement, expressed or implied, is intended to or shall constitute the parties hereto partners or participants in a joint venture.

Section 13.15 Construction. This Agreement has been negotiated by Comcast Trust, Comcast Subsidiary and TWE and their respective legal counsel, and legal or equitable principles that might require the construction of this Agreement or any provision of this Agreement against the party drafting this Agreement shall not apply in any construction or interpretation of this Agreement.

Section 13.16 Risk of Loss; Governmental Taking.

(a) TWE shall bear the risk of any loss or damage to the Transferred Assets resulting from fire, theft or other casualty (except reasonable wear and tear) at all times prior to the Closing. In the event any such loss or damage occurs, TWE shall (at its expense) use its commercially reasonable efforts to replace or restore such lost or damaged property as soon as practicable and in any event prior to Closing (or, if such damaged property is not replaced or restored prior to Closing, Time Warner shall indemnify Holdco for any Losses arising out of such unrepaired damage or unrestored property). If any loss or damage is equal to or greater than \$50 million and is sufficiently substantial so as to preclude and prevent resumption of normal operations of any material portion of a Transferred System by the Outside Closing Date, TWE shall, to the extent reasonably practical, immediately notify Comcast Subsidiary in writing of that fact (which notice shall, to the extent reasonably practical, specify with reasonable particularity the loss or damage incurred, the cause thereof if known or reasonably ascertainable, and the insurance coverage related thereto), and Comcast Subsidiary, at any time within 10 days after receipt of such notice, may elect by written notice to TWE, to either (i) waive such defect and proceed toward consummation in accordance with the terms of this Agreement (provided that any such waiver shall also be deemed to be a waiver of any right to indemnification pursuant to the first sentence of this Section 13.16(a) or pursuant to Section 12.1 for any breach of any (x) representation or warranty of TWE set forth in Article 6 resulting from any such loss or damage or (y) covenant hereunder to the extent that compliance therewith is frustrated or made commercially impracticable as a result of such loss or damage) or (ii) terminate this Agreement, subject to Section 11.2. If Comcast Subsidiary elects to so terminate this Agreement, TWE shall be discharged of any and all obligations hereunder, subject to Section 11.2. If Comcast Subsidiary elects to consummate the transactions contemplated by this Agreement notwithstanding such loss or damage and does so, there shall be no adjustment in the consideration payable to or by Transferee on account of such loss or damage, but all insurance proceeds received or receivable by TWE or its Affiliates (determined on an effective after-tax basis as if TWE and TWE-A/N are, in each case, stand-alone corporations) as a result of the occurrence of the event resulting in such loss or damage (to the extent not already expended by TWE or its Affiliates to restore or replace the lost or damaged Transferred Assets), except for any proceeds from business interruption insurance relating to the loss of revenue for any period through and including the Closing Date, shall be delivered by TWE or its Affiliate to Holdco, or the rights to such proceeds shall be assigned by TWE or its Affiliates to Holdco if not yet received by TWE or its Affiliates. TWE shall pay any deductible required and/or the self-insured portion of any such loss with respect to all such insurance proceeds payable under any insurance policy held by TWE or its Affiliates. Any amounts received or receivable hereunder shall not be included in the Closing Net Liabilities Amount.

(b) If, prior to Closing, any material part of or interest in the Transferred Assets is taken or condemned as a result of the exercise of the power of eminent domain, or if a Governmental Authority having such power informs TWE or any of its Affiliates that it intends to condemn or take all or any of the Transferred Assets (such event being called, in either case, a “Taking”), then Comcast Subsidiary may terminate this Agreement. If Comcast Subsidiary does not elect to terminate this Agreement, (i) Comcast Subsidiary shall have the sole right, in the name of TWE and its Affiliates, if Comcast Subsidiary so elects, to negotiate for, claim, contest and, subject to the Closing occurring, have Holdco receive all damages with respect to the Taking, (ii) TWE shall be relieved of its obligation to convey to Holdco the Transferred Assets or interests that are the subject of the Taking if the Taking has occurred (but, subject to the Closing occurring, shall convey to Holdco any interest therein still held by TWE or its Affiliates and any replacement property acquired by TWE or its Affiliates), (iii) at Closing, TWE and its Affiliates shall assign to Holdco all of TWE’s and its Affiliates’ rights to all payments received or receivable by TWE or its Affiliates (determined on an effective after-tax basis as if TWE and TWE-A/N are, in each case, stand-alone corporations), with respect to such Taking and shall pay to Holdco all such payments previously paid to TWE or any of its Affiliates with respect to the Taking (to the extent not already expended by TWE or its Affiliates to restore or replace the taken Assets), and (iv) following Closing, TWE and its Affiliates shall give Holdco such further assurances of such rights and assignment with respect to the Taking as Holdco may from time to time reasonably request. Any amounts received or receivable hereunder shall not be included in the Closing Net Liabilities Amount.

Section 13.17 Commercially Reasonable Efforts. For purposes of this Agreement, “commercially reasonable efforts” shall not, with regard to obtaining any consent, approval or authorization, be deemed to require a party to undertake extraordinary measures, including the initiation or prosecution of legal proceedings or the payment of amounts in excess of normal and usual filing fees and processing fees, if any.

Section 13.18 Time. Time is of the essence under this Agreement. If the last day for the giving of any notice or the performance of any act required or permitted under this Agreement is a day that is not a Business Day, the time for the giving of such notice or the performance of such act shall be extended to the next succeeding Business Day.

The rights and obligations to purchase or assume any TWC/Adelphia Assets or TWC/Adelphia Assumed Liabilities that are not allocated to any TWC/Adelphia Newco pursuant to Schedule 2.1(a) shall be assigned to one or more TWC/Adelphia Newcos designated by TWC at the time of such assignment. At the Adelphia Closing, TWC shall cause each TWC/Adelphia Newco to purchase such TWC/Adelphia Assets and assume such TWC/Adelphia Assumed Liabilities pursuant to the terms of the TWC/Adelphia Purchase Agreement and this Section 2.1(a). Following the Adelphia Closing and immediately prior to the Exchanges, (i) TWC shall, or shall cause its Affiliates to, assign, transfer, convey and deliver to the applicable TWC/Adelphia Newcos, and the applicable TWC/Adelphia Newcos shall accept from TWC and its Affiliates, all of its and their respective right, title and interest in and to any TWC/Adelphia Assets not held by the applicable TWC/Adelphia Newcos at such time, and (ii) each TWC/Adelphia Newco shall assume and agree to pay and discharge, as and when they become due, any applicable TWC/Adelphia Assumed Liabilities arising after the Adelphia Closing that such TWC/Adelphia Newco has not assumed and is not otherwise subject to at such time. The transactions contemplated by this Section 2.1(a) are referred to collectively as the “TWC/Adelphia Newco Transaction” and shall be consummated pursuant to one or more Bills of Sale and Assignment and Instruments of Assumption in form and substance reasonably satisfactory to TWC and Comcast, and such other instruments of transfer or assignment as may be reasonably necessary to effect the TWC/Adelphia Newco Transaction.

(b) TWC Native Newco Transaction. Immediately prior to the Exchanges, (i) TWC shall, and shall cause its Affiliates to, assign, transfer, convey and deliver to a Disregarded Entity referred to herein as the “TWC Native Newco” (and together with the TWC/Adelphia Newcos, the “TWC Newcos”), and the TWC Native Newco shall accept from TWC and its Affiliates, all of its and their respective right, title and interest in and to the TWC Native Assets, and (ii) the TWC Native Newco shall assume and agree to pay and discharge, as and when they become due, the TWC Native Assumed Liabilities. If the Estimated Closing Adjustment Amount calculated with respect to any Newco is a negative number, such amount shall be payable at the Closing by the Transferor of such Newco to the Transferee of such Newco. The amounts payable pursuant to this clause (ii) (and the amount payable pursuant to Section 2.1(e)(iii)(B), if applicable) in respect of any Exchange shall be netted against each other such that only one payment in cash is made in respect of each Exchange. The payment to be made pursuant to this clause

(ii) shall be paid by wire transfer of immediately available funds to the accounts designated by each of Transferor Parent and Transferee Parent by written notice to the other at least five Business Days prior to Closing (or, in the case of Section 2.1(e)(iii)(B), designated by Comcast by written notice to TWC at least two Business Day prior to Closing).

or indirectly, by any TWC Group Member or Comcast Group Member; (xv) any and all assets relating to any Transferor 401(k) Plan or any tax-qualified defined benefit plan maintained by any Group Member; (xvi) any and all account books of original entry, general ledgers, and financial records used in connection with the Native Systems; (xvii) any assets of the type that would be excluded from financial statements by reason of the GAAP Adjustments; (xviii) any intercompany account receivable created to record cash swept from the Native Systems prior to Closing (except to the extent such cash would be excluded from the definition of “Excluded Assets” pursuant to clause (iv) above and such cash amount is not otherwise transferred to the TWC Native Newco in the TWC Native Newco Transaction or to a Comcast Native Newco in the Comcast Native Newco Transaction, as applicable); (xix) any TWC/Adelphia Assets or Comcast/Adelphia Assets; or (xx) any other assets of the Comcast Group or the TWC Group, as applicable, other than Native Assets; provided, that Transferor shall, at Transferee’s request and expense, provide copies of, or information contained in, such books, records and ledgers referred to in clause (xvi) above (other than information pertaining to programming agreements that are not Native System-specific programming or, to the extent necessary to protect the legitimate legal, business and/or confidentiality concerns of Transferor or its Affiliates but taking into account Transferee’s and its Affiliates’ need for such information, other information that is competitively sensitive, is subject to confidentiality restrictions or that contains trade secrets or other sensitive information) to the extent reasonably requested by Transferee after the Closing Date.

(h) Authorizations and Consents.

(i) If and to the extent that the transfer or assignment of any asset to the applicable Newco or, following such transfer or assignment, the transfer of the Equity Securities of any Newco (or any successor thereof), in each case in accordance with this Section 2.1, would in any case be a violation of applicable Legal Requirements with respect to such asset, require any Authorization with respect to such asset or otherwise adversely affect the rights of the applicable Newco or Transferee thereunder, then the transfer or assignment of each such asset to the applicable Newco (each a “Delayed Transfer Asset”) shall be automatically deemed deferred and any such purported transfer or assignment shall be null and void until such time as all legal impediments are removed and/or such Authorizations have been made or obtained. Notwithstanding the foregoing, any such Delayed Transfer Asset shall be deemed a Transferred Asset for purposes of determining whether any Liability is a Native Assumed Liability or Adelphia Assumed Liability, as applicable.

(ii) If the transfer or assignment of any Transferred Asset intended to be transferred or assigned directly or indirectly hereunder is not consummated prior to or at the Closing, whether as a result of the provisions of this Section 2.1(h) or for any other reason, then the Group Member responsible for transferring or assigning such Transferred Asset shall thereafter, directly or indirectly, hold such Delayed Transfer Asset for the use and benefit, insofar as reasonably possible and not prohibited under the terms of any applicable Contract, of the applicable Newco (at the expense of such Newco). In addition, the Group

Member responsible for directly or indirectly transferring or assigning such Transferred Asset shall take or cause to be taken such other actions as may be reasonably requested by the applicable Newco in order to place such Newco, insofar as reasonably possible, in the same position as if such Delayed Transfer Asset had been transferred as contemplated hereby and so that all the benefits and burdens relating to such Delayed Transfer Asset including possession, use, risk of loss, potential for gain, and dominion, control and command over such Delayed Transfer Asset, are to inure from and after the Closing to such Newco. To the extent permitted by Legal Requirements and to the extent otherwise permissible in light of any required Authorization, the applicable Newco shall be entitled to, and shall be responsible for, the management of any Delayed Transfer Assets not yet transferred to it as a result of this Section 2.1(h) and the parties agree to use reasonable commercial efforts to cooperate and coordinate with respect thereto.

(iii) If and when the Authorizations, the absence of which caused the deferral of transfer of any Delayed Transfer Asset pursuant to this Section 2.1(h), are obtained, the transfer of the applicable Delayed Transfer Asset to the applicable Newco shall automatically and without further action be effected in accordance with the terms of this Agreement and the applicable Transaction Documents.

(iv) No party or any Affiliate thereof shall be obligated, in connection with the foregoing, to expend any money unless the necessary funds are advanced by the applicable Newco or its Affiliates, other than reasonable out-of-pocket expenses, attorneys' fees and recording or similar fees, all of which shall be promptly reimbursed by such Newco except as otherwise specifically provided in this Agreement, including for this purpose Section 3.4.

(v) Prior to the Closing, each party shall deliver to the other party a list identifying, in reasonable detail and to their respective knowledge, the Delayed Transfer Assets and the Authorizations required therefor.

(vi) The parties hereto further agree (A) that any Delayed Transfer Assets referred to in this Section 2.1(h) shall be treated for all Income Tax purposes as assets of the applicable Newco (or any successor thereof) and (B) not to report or take any Tax position (on a Tax Return or otherwise) inconsistent with such treatment (unless required by a change in applicable Tax law or a good faith resolution of a contest).

(vii) The parties agree that the treatment of any Delayed Transfer Asset (as defined in the TWC/Adelphia Purchase Agreement) shall be governed by the terms of the TWC/Adelphia Purchase Agreement to the extent inconsistent herewith.

(viii) Each Transferee shall cause its applicable Newco to perform its obligations under this Section 2.1(h)

Section 2.2 TWC Native Assumed Liabilities. At the Closing, and except as otherwise provided for herein, each TWC Native Newco being assigned TWC Native Assets pursuant to Section 2.1(b) shall assume, and, from and after the Closing, such TWC Native Newco or its Affiliates shall pay, discharge and perform as and when due, its

applicable portion of all (a) Liabilities of the TWC Group to the extent arising out of, resulting from or associated with the ownership and operation of the TWC Native Assets and/or the TWC Native Business prior to Closing, or the transfer of such TWC Native Assets or such portion of the TWC Native Business to the TWC Native Newco pursuant to Section 2.1(b) or the Exchanges, but in each case only to the extent such Liabilities are reflected in the Net Liabilities Adjustment Amount used to calculate the Final Closing Adjustment Amount, and (b) all Liabilities to the extent relating to, arising out of or resulting from the ownership and operation of the TWC Native Assets and/or the TWC Native Business after the Closing (clauses (a) and (b) collectively, the “TWC Native Assumed Liabilities” and, together with the TWC/Adelphia Assumed Liabilities, the “TWC Assumed Liabilities”). The TWC Native Assumed Liabilities shall not include, with respect to any TWC Native Assets or TWC Native Business, (i) Excluded Tax Liabilities, (ii) Liabilities set forth on Schedule 2.2, (iii) Liabilities for long-term debt (including the current portion thereof), (iv) Liabilities to the extent arising out of, resulting from or associated with the use, ownership or operation of the TWC Excluded Assets, (v) any Liabilities of any TWC Group Member other than TWC Native Assumed Liabilities, (vi) any Liabilities of the type that would be excluded from financial statements by reason of the GAAP Adjustments or (vii) any intercompany payable created to record cash lent to the TWC Native System prior to Closing (clauses (i) through (vii) collectively, “TWC Native Excluded Liabilities”).

Section 2.3 Comcast Native Assumed Liabilities. At the Closing, and except as otherwise provided for herein, each Comcast Native Newco being assigned Comcast Native Assets pursuant to Section 2.1(d) shall assume, and, from and after the Closing, such Comcast Native Newco or its Affiliates shall pay, discharge and perform as and when due, its applicable portion of all (a) Liabilities of the Comcast Group to the extent arising out of, resulting from or associated with the ownership and operation of the Comcast Native Assets and/or the Comcast Native Business prior to Closing, or the transfer of such Comcast Native Assets or such portion of the Comcast Native Business to the Comcast Native Newcos pursuant to Section 2.1(d) or the Exchanges, but in each case only to the extent such Liabilities are reflected in the Net Liabilities Adjustment Amount used to calculate the Final Closing Adjustment Amount and (b) all Liabilities to the extent relating to, arising out of or resulting from the ownership and operation of the Comcast Native Assets and/or the Comcast Native Business after the Closing (clauses (a) and (b) collectively, the “Comcast Native Assumed Liabilities” and, together with the Comcast/Adelphia Assumed Liabilities, the “Comcast Assumed Liabilities”). The Comcast Native Assumed Liabilities shall not include, with respect to any Comcast Native Assets or Comcast Native Business, (i) Excluded Tax Liabilities, (ii) Liabilities set forth on Schedule 2.3, (iii) Liabilities for long-term debt (including the current portion thereof), (iv) Liabilities to the extent arising out of, resulting from or associated with the use, ownership or operation of the Comcast Excluded Assets, (v) any Liabilities of any Comcast Group Member other than Comcast Native Assumed Liabilities, (vi) any

Liabilities of the type that would be excluded from financial statements by reason of the GAAP Adjustments or (vii) any intercompany payable created to record cash lent to the Comcast Native Systems prior to Closing (clauses (i) through (vii) collectively, “Comcast Native Excluded Liabilities”).

Section 2.4 Closing Adjustments.

(a) No later than five Business Days prior to the Closing Date, each Transferor in an Exchange shall prepare, or cause to be prepared, and deliver to the Transferee in such Exchange, a statement (each, a “Transferor’s Statement”), which shall set forth such Transferor’s good faith estimate of the Closing Adjustment Amount for the Newco being directly or indirectly transferred by it in such Exchange which shall be determined in accordance with this Agreement

(the “Estimated Closing Adjustment Amount”), together with appropriate documentation supporting such estimate. Each Transferor’s Statement shall be prepared in good faith in accordance with this Agreement based on the books and records of the Transferred Systems held by such Newco.

(b) As soon as practicable but in any event prior to the date which is the later of (i) 90 days following the Closing and (ii) 10 days after the Final Adjustment Amounts (as defined in the Adelpia Purchase Agreements) have been determined pursuant to the Adelpia Purchase Agreements (the “Delivery Date”), each Transferee in an Exchange shall prepare, or cause to be prepared, and deliver to the Transferor in such Exchange, with respect to the Newco directly or indirectly transferred by such Transferor in such Exchange, a statement (each, a “Transferee’s Statement”) of the actual Closing Adjustment Amount, as of the Closing Date, which shall be determined in accordance with this Agreement, together with appropriate documentation supporting such determination. Each Transferee’s Statement shall be prepared in good faith in accordance with this Agreement based on the books and records of the Transferred Systems held by such Newco.

(c) If the Transferor in any Exchange disagrees with any item in the Transferee’s Statement relating to such Exchange, such Transferor may, within 90 days after the Delivery Date, deliver a notice (an “Objection Notice”) to the relevant Transferee disagreeing with such item and setting forth such Transferor’s calculation of such item, together with appropriate documentation supporting such determination. Any such Objection Notice shall specify those items or portions thereof as to which such Transferor disagrees, and such Transferor shall be deemed to have agreed with all other items and portions of items contained in the Transferee’s Statement.

(d) If an Objection Notice shall be duly delivered pursuant to Section 2.4(c), Transferor and Transferee shall, during the thirty (30) days following such delivery, use their commercially reasonable efforts to reach agreement on the disputed items and amounts. If during such period, Transferor and Transferee are unable to reach such agreement, they shall promptly jointly retain a nationally recognized accounting firm that is not the principal independent accountant of either Comcast, TWC or TWX (the “Accounting Referee”) to resolve the disputed items or amounts. In making its determinations of the propriety of items and amounts, the Accounting Referee shall

consider only those items (or portions thereof) or amounts as to which Transferor and Transferee disagree and, with respect to each item (or portion thereof) or amount, shall select a number within the range of the dispute between Transferor and Transferee. The Accounting Referee shall deliver to Transferor and Transferee, as promptly as practicable (but, in any event, within thirty (30) days after submission of the dispute to it), a report setting forth its resolution of the disputed items and amounts, and based thereon (and on the items (or portions thereof) and amounts not in dispute) the Closing Adjustment Amount. Such report shall be final and binding upon Transferor, Transferee and their respective Affiliates. The costs of the Accounting Referee shall be shared equally by Transferor and Transferee. Transferor and Transferee will, and will cause their Affiliates and independent accountants to, cooperate and assist each other and the Accounting Referee in conducting their respective reviews of the amounts referred to in this Section 2.4, including without limitation, making available to the extent necessary any books, records, work papers and personnel.

(e) Upon satisfaction of the applicable procedures of this Section 2.4, within two Business Days after the date on which the Final Closing Adjustment Amount has been finally determined, each Transferor or Transferee shall pay the relevant Transferee or Transferor, respectively, an amount sufficient so that when added to the net payment made by

each of such parties under Section 2.1(e)(ii), each such party has paid or received the amount of cash it would have been obligated to pay or entitled to receive under Section 2.1(e)(ii) had the Estimated Closing Adjustment Amount been equal to the Final Closing Adjustment Amount, provided that any payment made pursuant to this Section 2.4(e) shall be made together with interest thereon at the Prime Rate, from and including the Closing Date to but excluding the date of payment. All payments to be made pursuant to this Section 2.4 shall be paid by wire transfer of immediately available funds to the accounts designated by the recipient by written notice to the party owing such payment.

Section 2.5 Like-Kind Exchange Covenants.

(a) The parties intend that, and, subject to Section 2.5(b), agree to use commercially reasonable efforts to structure each Exchange in such a way that to the maximum extent possible, such Exchange will be an exchange of property that is (i) of equivalent value and (ii) of like-kind within the meaning of Section 1031 of the Code. The parties will cooperate in good faith to minimize any adverse Tax effect resulting from a Newco Transaction or Exchange, including, but not limited to (x) cooperating to match property transferred in each Exchange into “Exchange Groups” (as defined under Treasury Regulation Section 1.1031(j) -1(b)(2)) and (y) using commercially reasonable efforts to restructure one or more Newco Transactions or Exchanges so as to minimize the expected payments pursuant to Section 2.1(e)(ii) or any other expected adverse Tax consequences of any such Newco Transaction or Exchange (including but not limited to cooperating with respect to (A) the assignment of the parties’ rights under this Agreement to a “qualified intermediary” engaged by one or more of the parties to effect a deferred exchange and (B) transfer taxes as set forth in Section 2.5(c) .

46

(b) Time Warner Cable and Comcast shall each use commercially reasonable efforts to reach agreement as to the value of the Comcast Transferred Assets and the TWC Transferred Assets in each Exchange (including agreement as to the value to any Exchange Groups transferred in an Exchange and the value of the assets comprising any such Exchange Group), with an understanding that, to the greatest extent possible, the fair market value of the Comcast Transferred Assets and the TWC Transferred Assets in each Exchange, are equivalent. Each of Time Warner Cable and Comcast shall file, and shall cause all members of its Affiliated Group to file, all Tax Returns and schedules thereto, including those Tax Returns and forms required under Sections 1031 and 1060 (if applicable) of the Code, consistent with any such agreed-upon allocations, unless otherwise required by a change in tax law or a good faith resolution of a contest. In the event the parties do not reach agreement on such allocations, each of Time Warner Cable and Comcast and their respective Affiliated Groups shall reflect the Transferred Assets acquired by the Transferee members of such Affiliated Group in accordance with such party’ s own determination of such allocations.

(c) The parties shall consult and reasonably cooperate with each other so as to minimize any state and local transfer taxes arising as a result of the Newco Transactions and the Exchange, including by identifying appropriate immaterial Subsidiaries of one or more Transferors that would qualify as a Disregarded Entity (but for clause (ii) of such definition) to serve as one or more of the Newcos and negotiating in good faith appropriate indemnification arrangements to put the Transferee in substantially the same position as if clause (ii) of such definition were satisfied with respect to such Subsidiary.

ARTICLE 3

Related Matters

Section 3.1 Employees.

(a) Each Native Employee who is an employee of Transferor Parent or its Affiliates as of immediately prior to the Closing Date shall become an employee of Transferee Parent or its Affiliates on the Closing Date. Native Employees who commence employment with Transferee Parent (or its Affiliates as of the Closing) in accordance with the preceding sentence shall be referred to herein as “Transferred Native Employees.” For the avoidance of doubt, if any employee holding the job title as of the date hereof (as previously identified by name to the Comcast Group by the TWC Group) listed on Schedule 3.1(k)(i) remains employed by the TWC Group, or if any employee holding the job title as of the date hereof (as previously identified by name to the TWC Group by the Comcast Group) listed on Schedule 3.1(k)(ii) remains employed by the Comcast Group, in each case on the Closing Date as permitted by Section 3.1(k) hereof, such employee shall not be a Transferred Native Employee. For purposes of this Article 3, “Transferred Native Employees” shall not include those employees holding the job titles as of the date hereof to be retained by a TWC Group Member, on the one hand, or a Comcast Group Member, on the other hand, (as previously identified by name to the Comcast Group by the TWC Group or to the TWC Group by the Comcast Group, as applicable) listed on Schedule 3.1(a)(i) in the case of the TWC Group, or

47

Schedule 3.1(a)(ii) in the case of the Comcast Group (such employees, the “Retained Native Employees”). TWC Group shall have no obligation or Liability with respect to those Retained Native Employees to be retained by a Comcast Group Member and Comcast Group shall have no obligation or Liability with respect to those Retained Native Employees to be retained by a TWC Group Member. Transferor Parent shall take or cause to be taken such actions as are reasonably necessary to effectuate the transfer of employment described in this Section 3.1(a), including, without limitation, making a general offer of employment to such Native Employees. The parties hereto shall not take any action that is not otherwise permitted under this Article 3 that would interfere with such employees (other than the Retained Native Employees) becoming employed by Transferee Parent or its Affiliates as of the Closing.

(i) If the Closing does not occur on the same date as the Adelphia Closing, for purposes of the remainder of this Section 3.1, to the extent not inconsistent with the relevant Adelphia Purchase Agreement, or to the extent not otherwise explicitly provided in Section 3.1(o), “Transferred Native Employees” shall include Adelphia Employees who are primarily employed in connection with the Adelphia Systems. If the Closing occurs on the same date as the Adelphia Closing, the treatment of Adelphia Employees shall be governed by Section 3.1(o)(i) .

(ii) At the Closing, Comcast Group shall terminate or cause to be terminated the employment of all the Comcast Native Employees and the TWC Group shall terminate or cause to be terminated the employment of all the TWC Native Employees, in each case other than Retained Native Employees. Effective as of the Closing, Transferor Parent shall discontinue providing benefits to Transferred Native Employees under all Benefit Plans maintained by Transferor Parent or its Affiliates (each, a “Transferor Benefit Plan”) and each Transferred Native Employee shall cease to participate in each Transferor Benefit Plan, except as otherwise required by law or as explicitly required by this Agreement. From and after the Closing Date, Transferor Parent and its Affiliates shall remain solely responsible for any and all Liabilities in respect of the Transferred Native Employees relating to the Transferor Benefit Plans, except as otherwise explicitly required by this Agreement. None of Transferee Parent or any of its Affiliates shall assume or have transferred to them the sponsorship of any of the Transferor Benefit Plans or any other benefit plans or arrangements maintained by Transferor Parent or any of its Affiliates, except as otherwise explicitly required by Section 3.1(a)(iii) of this Agreement. Transferee Parent and its Affiliates shall have no obligation or Liability with

respect to any employee of, or other individual performing services for, Transferor or its Affiliates who is not a Transferred Native Employee and, with respect to Transferred Native Employees, only to the extent arising on or after the Closing Date or to the extent such Liabilities are reflected in the Net Liabilities Adjustment Amount used to calculate the Final Closing Adjustment Amount.

(iii) Subject to obtaining any necessary consents and except as provided in Section 6.2(h) or as otherwise provided in this Agreement, as of the Closing Date, Transferor Parent shall assign to Transferee Parent, and Transferee Parent shall assume, all rights, obligations and Liabilities of Transferor and its Affiliates under all employment agreements with the Transferred Native Employees, but in no event

48

Liabilities relating to or arising under any retirement, savings or pension plan (whether or not any such plan is intended to be a tax-qualified plan) or any Liabilities associated with any long-term disability, retiree life, retiree medical or any other post-employment welfare benefits.

(b) Severance-Related Liabilities. Subject to Section 3.1(o)(iii), Transferee Parent shall be responsible for all Liabilities with respect to any Transferred Native Employee in connection with the termination of such employee's employment on or after the Closing Date, and any Liability for WARN and severance payments and benefits under Transferor Parent's severance plan or any individual employment or severance arrangement, each, in accordance with its terms, applicable to a Transferred Native Employee who rejects the general offer of employment made pursuant to Section 3.1(a). Notwithstanding the foregoing, Transferee Parent shall have no Liability with respect to the termination of employment of the employees of Transferor or its Affiliates holding the job titles as of the date hereof listed on Schedule 3.1(k)(i) or (ii), as applicable, if any such employee is hired by Transferor Parent or any of its Affiliates as permitted by Section 3.1(k) in the 12 month period following the Closing.

(c) Participation in Benefit Plans and Service. With respect to Transferred Native Employees, compensation and service of such employees with Transferor Parent and its Affiliates prior to Closing shall be recognized under all applicable Transferee Benefit Plans (other than for any purpose under any defined benefit pension plan of Transferee) to the extent so recognized under the corresponding Transferor Benefit Plans prior to Closing, except to the extent that duplication of benefits would result or as otherwise provided in this Agreement. In addition, Transferee Parent shall recognize, as to each Transferred Native Employee, all vacation, sick days and other paid time off accrued by such Transferred Native Employee but unused as of the Closing Date, in each case to the extent such Liabilities are reflected in the Net Liabilities Adjustment Amount used to calculate the Final Closing Adjustment Amount.

(d) Tax-Qualified Defined Contribution Plans. As of and following the Closing, Transferred Native Employees shall not be entitled to make contributions to or to benefit from matching or other contributions under any defined contribution plan sponsored or maintained by Transferor Parent or any of its Affiliates intended to qualify under Section 401(a) of the Code and meeting the requirements of Section 401(k) of the Code (the "Transferor 401(k) Plan"). None of Transferee Parent or any of its Affiliates shall have any Liability with respect to Transferor's 401(k) Plan except as may be provided in any other agreement between the Comcast Group, on the one hand, and the TWC Group on the other. Transferred Native Employees who were participants in the Transferor 401(k) Plan immediately prior to the Closing shall become participants in a defined contribution plan qualified under Section 401(a) of the Code and meeting the requirements of Section 401(k) of the Code established or maintained by Transferee or its Affiliates (the "Transferee 401(k) Plan") as of the Closing; provided that any Transferred Native Employee who was,

immediately prior to the Closing Date, a TWC Native Employee or a TWC/Adelphia Employee and has completed less than 6 months of combined service with TWC or any of its Affiliates and Adelphia (if

applicable) immediately prior to Closing will only become a participant in any such plan maintained by Comcast or its Affiliates after completing 6 months of combined continuous service with Adelphia (if applicable), TWC or any of its Affiliates, and Comcast or any of its Affiliates (without duplication). Transferee shall cause the Transferee 401(k) Plan to accept cash eligible rollover distributions (as defined in 402(c)(4) of the Code) by Transferred Native Employees with respect to account balances distributed to them on or after the Closing Date by the Transferor 401(k) Plan.

(e) Tax-Qualified Defined Benefit Plans. As of the Closing, Transferred Native Employees who were, immediately prior to the Closing Date, TWC Group Native Employees shall to the extent applicable cease accruing benefits under the Time Warner Cable Pension Plan, the Time Warner Cable Union Pension Plan and the Time Warner Cable Excess Benefit Pension Plan (collectively, the "Cable Pension Plans"). None of Comcast or any of its Affiliates shall have any Liability with respect to the Cable Pension Plans. None of TWC or any of its Affiliates shall have any Liability with respect to any defined benefit pension plan sponsored or maintained by Comcast or any of its Affiliates.

(f) Health and Welfare Plans.

(i) Other than as required by COBRA, each Transferred Native Employee shall cease to participate in each Benefit Plan that is a health or welfare plan within the meaning of Section 3(1) of ERISA maintained or sponsored by Transferor Parent or any of its Affiliates (each, a "Transferor Health or Welfare Plan") as of the Closing.

(ii) Each Transferred Native Employee who, after the recognition of service provided for in Section 3.1(c) satisfies the eligibility requirements under the applicable Benefit Plan that is health or welfare plan within the meaning of Section 3(1) of ERISA maintained or sponsored by Transferee Parent or any of its Affiliates (the "Transferee Health or Welfare Plans") shall be (A) entitled to enroll, effective as of the Closing, as a newly-eligible employee of Transferee Parent or one of its Affiliates in the Transferee Health or Welfare Plans then available to similarly situated employees of Transferee Parent or any of its Affiliates and (B) eligible to elect such coverage and benefit options as may then be available or provided under the terms of the Transferee Health or Welfare Plans to new employees of Transferee Parent or its Affiliates. All compensation, benefit elections, deductible payments, payments toward the applicable out-of-pocket maximums and other benefit-affecting determinations affecting Transferred Native Employees that, as of immediately prior to the Closing, were recognized under any Transferor Health or Welfare Plan with respect to the plan year in which the Closing occurs shall receive full recognition, credit and validity and be taken into account under the corresponding Transferee Health or Welfare Plan as of the Closing with respect to that same plan year.

(iii) With respect to any Transferred Native Employee and his or her dependents (if any) who were covered under any Transferor Health or Welfare Plan immediately prior to the Closing, Transferee Parent shall take, or cause to

be taken, the appropriate actions reasonably necessary to ensure that the proof of insurability requirements (if any) and the preexisting condition exclusions (if any) applicable to new enrollees under the corresponding Transferee Health or Welfare Plan (if any) are waived with respect to such Transferred Native Employee, to the extent that such requirements and exclusions were waived under any similar corresponding Transferor Health or Welfare Plan.

(g) Reimbursement Account Plans. To the extent any Transferred Native Employee made contributions to any Benefit Plan maintained or sponsored by Transferor Parent or any of its Affiliates that is a reimbursement account plan, such as a health care or dependent care reimbursement plan (the “Transferor Reimbursement Plan”), during the calendar year in which the Closing occurs, such Transferred Native Employee shall be permitted to file claims for reimbursement under a Benefit Plan maintained or sponsored by Transferee Parent or any of its Affiliates that is a comparable reimbursement account plan (the “Transferee Reimbursement Plan”) for qualifying expenses incurred during the calendar year in which the Closing occurs, including periods prior to the Closing, for a total amount not to exceed the amount elected by such Transferred Native Employee for that year under such plan. Account balances, whether positive or negative, shall be transferred and assigned to the appropriate Transferee Reimbursement Plan by Transferor. As soon as practicable following the Closing, Transferor Parent shall pay to Transferee Parent a cash amount (which amount shall be deemed to constitute a Current Asset of the applicable Newco) equal to the aggregate positive balances as of the Closing Date of each flexible spending account of each Transferred Native Employee under the applicable Transferor Reimbursement Plan. Transferee Parent shall assume all obligations of Transferor Parent with respect to each Transferred Native Employee under the applicable Transferor Reimbursement Plan.

(h) COBRA. Transferee Parent shall, or shall cause, each Transferred Native Employee and each “qualified beneficiary” (as defined in Title X of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, and as codified in Section 4980B of the Code and ERISA Sections 601 through 608 (“COBRA”) of each Transferred Native Employee, who elects continued group health plan coverage under COBRA or incurs a “qualifying” event (as defined in COBRA) on or after the Closing, to be offered COBRA coverage on and after the Closing under a Transferee Health or Welfare Plan. Transferor Parent and its Affiliates shall retain all obligations and Liabilities with respect to each of its Native System Employees and their qualified beneficiaries who elected continued group plan coverage under COBRA or incurred a “qualifying event” prior to the Closing.

(i) WARN Compliance. Transferee Parent shall be responsible for any Liability arising under the Worker Adjustment and Retraining Notification Act and any similar state or local laws (collectively, “WARN”) with respect to the termination of employment of Transferred Native Employees on or after the Closing. During the period prior to the Closing, the parties agree to cooperate with each other in order to comply with WARN, including, but not limited to, Transferor Parent or its Affiliates providing to Transferred Native Employees and any applicable

Governmental Authorities or other required Persons (on behalf of itself and Transferee Parent) any notice and other requirements under WARN.

(j) Workers' Compensation Liabilities. Transferee Parent shall be responsible for all workers' compensation Liabilities relating to, arising out of, or resulting from any claim incurred for a compensable injury sustained by a Transferred Native Employee on or after the Closing Date and, to the extent reflected in the Net Liabilities Adjustment Amount used in calculating the Final Closing Adjustment Amount, before Closing.

(k) Non-Solicit Provisions.

(i) Except for the employees holding job titles as of the date hereof listed on Schedule 3.1(k)(i) (as previously identified by name to the Comcast Group), in the case of the TWC Group, or Schedule 3.1(k)(ii) (as previously identified by name to the TWC Group), in the case of the Comcast Group, from the date hereof until the first anniversary of the Closing (x) none of the TWC Group will solicit any TWC Native Employees (other than for the benefit of the TWC Native Systems or with the prior written consent of the Comcast Group, in each case, prior to the Closing or to comply with the provisions of Section 3.1(a)) and (y) none of the Comcast Group will solicit any Comcast Native Employees (other than for the benefit of Comcast Native Systems or with the prior written consent of the TWC Group, in each case, prior to the Closing or to comply with the provisions of Section 3.1(a)).

(ii) Except for the employees holding the job titles as of the date hereof listed on Schedule 3.1(k)(i) (as previously identified by name to the Comcast Group) in the case of the TWC Group, or on Schedule 3.1(k)(ii) (as previously identified by name to the TWC Group) in the case of the Comcast Group, from the date hereof until the first anniversary of the Closing (x) none of the TWC Group will hire any TWC Native Employees (other than for the benefit of TWC Native Systems or with the prior written consent of the Comcast Group, in each case, prior to the Closing or to comply with the provisions of Section 3.1(a)) and (y) none of the Comcast Group will hire any Comcast Native Employees (other than for the benefit of Comcast Native Systems or with the prior written consent of the TWC Group in each case, prior to the Closing or to comply with the provisions of Section 3.1(a)).

(iii) Solely for purposes of this Section 3.1(k), "TWC Native Employee" and "Comcast Native Employee", as applicable, shall be applied so as to include any individual who as of any relevant date (which shall include the period from the date hereof through the Closing Date) would be a TWC Native Employee or Comcast Native Employee, as applicable, if the Closing Date occurred on such date.

(iv) Notwithstanding the foregoing, advertising through mass media in which an offer of employment, if any, is available to the general public, such as magazines, newspapers and sponsorships of public events shall not be prohibited by this Section 3.1(k). Solely for purposes of this Section 3.1(k), Native Employees shall

in no event include the beneficiary or dependent of any Native Employee unless such beneficiary or dependent is otherwise a Native Employee.

(v) From the Closing Date until the first anniversary of the Closing, none of Transferee Parent or its Affiliates will hire any Retained Native Employees of Transferor Parent or its Affiliates.

(vi) Retained Native Employees and employees listed on Schedule 3.1(k) (i) or (ii), as applicable, if hired or retained by Transferor or its Affiliates, shall be made available by Transferor for consultation and transitional services as reasonably requested by Transferee. The provision of any such services shall be in accordance with the terms of Section 6.8(a) hereof and shall not unreasonably interfere with such Retained Native Employee or employee listed on

Schedule 3.1(k) (i) or (ii), as applicable, from performing any of such employee's duties to the Transferor or its Affiliates.

(l) Confidentiality and Proprietary Information. No provision of this Section 3.1 shall be deemed to release any individual for any violation of a plan, policy, agreement or guideline regarding non-competition or pertaining to confidential or proprietary information of the Comcast Group or of the TWC Group or otherwise relieve any individual of his or her obligations under such guideline or any such plan, program or arrangement.

(m) No Implied Rights or Third Party Beneficiaries. The parties hereto hereby acknowledge and agree that no provision of this Agreement shall be construed to create any right, or accelerate entitlement, to any compensation or benefit whatsoever on the part of any Transferred Native Employee, Retained Native Employee or other future, present, or former employee of the Comcast Group or the TWC Group, under any Comcast Benefit Plan or TWC Benefit Plan or otherwise. Without limiting the generality of the foregoing except as expressly provided in this Agreement, nothing in this Agreement shall preclude the Comcast Group or the TWC Group, at any time after the Closing, from amending, merging, modifying, terminating, eliminating, reducing or otherwise altering in any respect any Comcast Group Benefit Plan or TWC Group Benefit Plan, as applicable, any benefit under any such plan or any trust, insurance policy or funding vehicle related to any Comcast Group Benefit Plan or TWC Group Benefit Plan, as applicable. Nothing in this Section 3.1 or elsewhere in this Agreement shall be deemed to make any employee of the parties a third party beneficiary of this section or any rights relating hereto.

(n) Collective Bargaining. With respect to those Transferred Native Employees who are covered by a collective bargaining agreement, Transferee Parent will retain any and all of the rights and obligations it may have pursuant to applicable labor law. If Transferor Parent or any of its Affiliates acquires a duty to bargain with any labor organization with respect to Native Employees, then Transferor Parent or its Affiliates shall (i) give prompt written notice of such development to Transferee Parent and (ii) not enter into any contract with such labor organization that contains a successor clause or otherwise purports to bind (after the Closing) Transferee

53

Parent or any of its Affiliates in any way, without the prior written consent of Transferee Parent.

(o) Adelphia Employees.

Section 6.3 Certain Additional Covenants Regarding Required Consents; HSR Act Filing.

(a) By no later than 45 days from the date of this Agreement, Transferee Parent and Transferor Parent shall provide each other with all necessary documentation to allow filing of FCC Forms 394 with respect to the Transferred Franchises. Transferor Parent and Transferee Parent shall use commercially reasonable efforts to cooperate with one another and file with the applicable Governmental Authority FCC Forms 394 for each Transferred Franchise which requires the consent of such Governmental Authority in connection with the transactions contemplated by this Agreement, no later than 60 days after the date hereof.

(b) Subject to Section 6.1(f), from and after the date hereof, Transferee Parent shall use its commercially reasonable efforts to cooperate with Transferor Parent in obtaining the Required Consents and any other consent, Authorization or approval, including with the relevant franchising authorities in respect of the Transferred Franchises, necessary or commercially advisable with respect to the transactions contemplated hereby including, to the extent commercially reasonable, the attendance of representatives of Transferee Parent at meetings and hearings before applicable Governmental Authorities in connection with the transfer of any Transferred License or Transferred Franchise and by providing appropriate financial statements, insurance certificates and surety bonds required to obtain such Required Consents.

(c) The parties shall as soon as practicable after the date hereof, but in any event no later than 20 Business Days after the date hereof (except to the extent any delay beyond such period results from a failure to obtain any required information relating to the Adelphia Systems or Adelphia Assets from Adelphia or its Affiliates), complete and file, or cause to be completed and filed, any notification and report required to be filed under the HSR Act with respect to the transactions contemplated by this Agreement and each such filing shall request early termination of the waiting period imposed by the HSR Act. The cost of any filing fees in connection with any required filing pursuant to the HSR Act shall be borne equally by Comcast and TWC.

(d) It is understood and agreed that the obligations of the parties under this Section 6.3 are, with respect to the Adelphia Systems and the period prior to the Adelphia Closings, limited to those that can be fulfilled using commercially reasonable efforts taking into account that the parties do not own the Adelphia Systems. If as a result of this limitation any given filing cannot be made prior to the Adelphia Closings, the parties will take all reasonable actions to make such filing as promptly as practicable after the Adelphia Closings.

Section 6.4 Confidentiality and Publicity.

(a) Unless and until Closing occurs, any non-public information that either party (treating, for purposes of this Section 6.4, the Comcast Parties as one party and the TWC Parties as the other party) may obtain from the other or its Affiliates in connection with this Agreement shall be confidential, and following Closing, each party shall keep confidential any non-public information that such party may receive from the other party or its Affiliates in connection with this Agreement unrelated to the Transferred Systems or the Transferred Assets to be directly or indirectly transferred by the other party in an Exchange as well as any non-public information in the possession of such party related to the Transferred Systems and Transferred Assets transferred directly or indirectly by such party to the other party pursuant to this Agreement (any such information that a party is required to keep confidential pursuant to this sentence shall, with respect to such party, be referred to as “Confidential Information”). Each party shall not disclose any Confidential Information to any other Person (other than its Affiliates and its Affiliates’ directors, officers and employees, and representatives of its advisers and lenders, in each case, whose knowledge thereof is necessary in order to facilitate the consummation of the transactions contemplated hereby, in which case such party shall be responsible for any breach by any such Person) or use such information to the detriment of the other; provided, that (i) such party may use and disclose any such information once it has been publicly disclosed (other than by such party in breach of its obligations under this Section) or which, to its knowledge, rightfully has come into the possession of such party (other than from the other party), (ii) to the extent that such party may, in the reasonable judgment of its counsel, be compelled by Legal Requirements to disclose any of such information, such party may disclose such information if it has used commercially reasonable efforts, and has afforded the other party the opportunity, to obtain an appropriate protective order, or other satisfactory assurance of confidential treatment, for the information compelled to be disclosed, (iii) such party may use and disclose such information to the extent reasonably

necessary to permit such party to file Tax Returns, defend any dispute relating to Taxes, claim any Refund or otherwise provide information to a Governmental Authority in connection with any other Tax proceeding, (iv) such party may use and disclose such information to the extent necessary to comply with Legal Requirements or any periodic reporting obligations such party may have by virtue of such party or any of its Affiliates having securities listed on a national securities exchange or quotation system, and (v) such party may disclose such information as may be required under or in connection with the obligations of such party under either Adelphia Purchase Agreement. In the event of termination of this Agreement, (A) the obligation set forth in this Section shall continue for a period of two years after such termination, and (B) each party shall use commercially reasonable efforts to cause to be delivered to the other, and to retain no copies of, any documents, work papers or other materials obtained by such party or on its behalf from the other, whether so obtained before or after the execution of this Agreement.

(b) TWC and Comcast each shall consult with and cooperate with the other with respect to the content and timing of all press releases and other public announcements, and any oral or written statements to the Comcast Transferred Employees and the TWC Transferred Employees concerning this Agreement and the transactions contemplated hereby. Except as required by applicable Legal Requirements or by any national securities exchange or quotation system, none of TWC, Comcast, or their respective Affiliates shall make any such release, announcement or statement without the prior written consent and approval of the other, which shall not be unreasonably withheld. The party receiving such a request for a consent shall respond promptly to any such request for consent and approval.

Section 6.5 Title Insurance Commitments. Transferor Parent shall use commercially reasonable efforts to provide to Transferee Parent, within 90 days from the date Transferor Parent receives the Title Commitment Notice, or, in the case of any Survey, such longer period of time as is necessary to obtain such Survey with the exercise of reasonable diligence, (a) commitments to issue to the applicable Native Newco title insurance policies (“Title Commitments”) in amounts reasonably satisfactory to Transferee Parent issued by a nationally recognized title insurance company (a “Title Company”) and containing, to the extent available, legible photocopies of all recorded items described as exceptions therein, committing to insure, subject only to Permitted Liens, fee or a valid leasehold title, as applicable, in the applicable Native Newco to each parcel of Transferor’ s and its Affiliates’ Native Owned Property or Native Leased Property on Schedule 2.1(f)(ii)(A) and Schedule 2.1(f)(ii)(B), as applicable, and so designated by notice (“Title Commitment Notice”) within 30 days from the date of this Agreement, as applicable, by ALTA extended coverage owner’ s or leasehold policies of title insurance, or, if ALTA policies are not obtainable in any state, policies in another form reasonably satisfactory to Transferee Parent, and (b) surveys of each parcel of Transferor’ s Native Owned Property or Transferor’ s Native Leased Property on Schedule 2.1(f)(ii)(A) and Schedule 2.1(f)(ii)(B) (“Surveys”), as applicable, and so designated in such Title Commitment Notice in such form as is reasonably necessary to obtain the title insurance to be issued pursuant to the related Title Commitments with the

standard printed exceptions relating to survey matters deleted, certified to Transferee Parent, the applicable Native Newco and to the Title Company with respect to that Native Owned Property or Native Leased Property provided that Transferor Parent’ s inability to provide Title Commitments satisfying the foregoing requirements shall not constitute a breach of the foregoing covenant if the Liens, or other matters relating to title, giving rise to such inability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. In no event shall Transferor Parent be obligated to procure a Title Commitment for any Native Leased Property with respect to which the lease or a memorandum thereof has not been recorded in the land records of the county in which the Native Leased

Property is located. The cost to obtain such Title Commitments and Surveys and other documents required by the Title Company to issue such policies and Surveys, as well as the cost of title policy premiums, except for attorneys' fees and other incidental costs incurred by Transferor Parent or its Affiliates in connection with providing such Title Commitments and Surveys and otherwise complying with this Section 6.5 shall be borne by Transferee Parent or its Affiliates. If Transferee Parent notifies Transferor Parent within 30 days following delivery to Transferee Parent of both the Title Commitments and the Surveys of any Lien (other than a Permitted Lien or a Lien set forth in Schedule 4.4(a) or Schedule 5.4(a), as applicable) which prevents access to or which could prevent or impede in any material way the use or operation of any parcel of Native Owned Property or Native Leased Property for which a Title Commitment is required pursuant to this Section 6.5 for the purposes for which it is currently used or operated by Transferor Parent or its Affiliate (each a "Title Defect"), Transferor Parent shall exercise commercially reasonable efforts, including paying attorney's fees and other incidental costs associated with any such efforts, to (1) remove such Title Defect, or (2) cause the Title Company to commit to insure over each such Title Defect prior to Closing at customary premium rates without additional premium or charge. If such Title Defect cannot be removed prior to Closing or the Title Company does not commit to insure over such Title Defect prior to Closing, Transferor Parent and Transferee Parent shall enter into a written agreement containing Transferor Parent's commitment to use commercially reasonable efforts for 180 days following Closing to remedy the Title Defect following Closing on terms reasonably satisfactory to Transferee Parent, in its reasonable discretion. Notwithstanding anything to the contrary contained in this Agreement, in no event shall Transferor Parent or its Affiliates be required to remove any Liens encumbering the Native Owned Property and Native Leased Property except as expressly set forth in this Section 6.5 or to expend any moneys (other than attorneys' fees and other incidental costs as hereinabove set forth) or to incur any obligation in order to remove or cause the insuring over of any Liens (other than pursuant to customary short form affidavits of title which do not in any event require Transferor Parent or its Affiliates to make representations or incur obligations more onerous than those made or set forth elsewhere in this Agreement and customary gap indemnities covering Transferor Parent's and its Affiliates' acts for the period between Closing and the recording of the applicable deed or assignment of lease with respect to such Native Owned Property or Native Leased Property, and in no event shall Transferor Parent or its Affiliates be obligated to commence any Litigation to cause any Title Defects to be removed or insured over, and, without limiting the other provisions of this Section 6.5, in

no event shall Transferor Parent or its Affiliates be required to give a non-imputation affidavit to the title insurance company.

Section 6.6 Pre-Closing Access. From the date hereof until the Closing, subject to applicable law, Transferor Parent shall, and shall cause its Affiliates to, (i) afford Transferee Parent and its authorized representatives reasonable access, during regular business hours, upon reasonable advance notice, to the Transferred Systems (including the Transferred Assets and employees) to be directly or indirectly acquired by such Transferee Parent, (ii) furnish, or cause to be furnished, to such Transferee Parent any financial and operating data and other information with respect to such Transferred Systems as Parent Transferee from time to time reasonably requests, and (iii) instruct its employees, and its counsel and financial advisors to cooperate with such Transferee Parent in its reasonable investigation of such Transferred Systems; provided that, in each case, any such access shall be designed so as to not unreasonably disrupt the business and operations of Transferor Parent or its Affiliates; provided further that in no event shall such Transferee Parent have access to (A) any information that would reasonably be expected to create Liability under applicable laws, including U.S. antitrust laws, or waive any material legal privilege (provided that, in such latter event, Transferor Parent and Transferee Parent shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of such legal privilege) (B) documents containing

competitively sensitive information, trade secrets or other sensitive information (to the extent necessary to protect the legitimate legal, business and/or confidentiality concerns of Transferor Parent and its Affiliates, but taking into account Transferee Parent's need for such information in connection with the transactions contemplated hereby), (C) any information to the extent such disclosure would reasonably be expected to violate any obligation of Transferor Parent or its Affiliates with respect to confidentiality so long as, with respect to confidentiality, to the extent specifically requested by Transferee Parent, Transferor Parent has made commercially reasonable efforts to obtain a waiver regarding the possible disclosure from the third party to whom an obligation of confidentiality is owed or (D) any programming records; it being understood that such Parent Transferee shall conduct any environmental sampling solely in the manner contemplated by Section 6.13. All requests made pursuant to this Section 6.6 shall be directed to an executive officer of Transferor Parent or such Person or Persons as may be designated by Transferor Parent. All information received pursuant to this Section 6.6 shall, prior to the Closing, be governed by Section 6.4(a) and, to the extent applicable, the terms of the Confidentiality Agreement. No information or knowledge obtained in any investigation by Transferee Parent or its Affiliates pursuant to this Section 6.6 shall affect or be deemed to modify any representation or warranty made by Transferor Parent or its Affiliates hereunder or under any Transaction Document. This Section 6.6 shall apply to the Adelphia Systems and the Adelphia Assets only after the Adelphia Closing.

Section 6.7 Post-Closing Obtaining of Consents. Subsequent to Closing and subject to Section 2.1(h), Transferor Parent shall, and shall cause its Affiliates to, continue to use commercially reasonable efforts to obtain in writing as promptly as possible any Authorization necessary or commercially advisable in

94

connection with the transactions contemplated hereunder which was not obtained on or before Closing (a "Post-Closing Consent") in form and substance reasonably satisfactory to Transferee Parent. A true and complete copy of any such Post-Closing Consent shall be delivered to Transferee Parent promptly after it has been obtained.

Section 6.8 Transitional Services.

(a) Each of Comcast and TWC shall provide, or cause its Affiliates to provide, to the other and its Affiliates, upon written request received by Comcast or TWC, as applicable, such signal supply, subscriber billing, high speed data, telephony and such other non-management services as may be reasonably requested in connection with the operation of the Native Systems, the Adelphia Systems and any other assets or properties acquired from Adelphia pursuant to the Adelphia Agreements, as applicable, for a commercially reasonable period following the Closing to be mutually agreed upon in good faith by Comcast and TWC to allow for transition of existing services or establishment of replacement services.

(b) Without limitation of Section 6.8(a), if the Closing does not occur on the date of the Adelphia Closing, each of Comcast and TWC shall provide, or cause its Affiliates to provide, to the other and its Affiliates, signal supply, subscriber billing, high speed data, telephony and such other non-management services as may be reasonably requested in connection with any assets or properties acquired from Adelphia pursuant to the Comcast/Adelphia Purchase Agreement or the TWC/Adelphia Purchase Agreement, as the case may be. The services referred to in this Section 6.8(b) shall be provided from the Adelphia Closing until the Closing or, if this Agreement is terminated in accordance with its terms, for a commercially reasonable period to be mutually agreed upon in good faith by TWC and Comcast to allow for transition of existing services or establishment of replacement services (with respect to the Specified Systems, until the Transition Closing, and, if requested, a commercially reasonable period thereafter).

(c) The recipient of any services referred to in Section 6.8(a) or (b) shall promptly reimburse the provider thereof for the actual out-of-pocket cost to such provider and its Affiliates of providing such services, and all other terms and conditions for the provision of such services shall be reasonably satisfactory to both Comcast and TWC, and subject to applicable Legal Requirements.

(d) If this Agreement is terminated in accordance with Section 9.1, at a closing (the “Transition Closing”) to be held as soon as reasonably practicable after such termination, subject to the receipt of the consents and approvals referred to in the last sentence of this Section 6.8(d), each of Comcast and TW NY shall, and shall cause their respective Affiliates to (i) assign, transfer, convey and deliver the Adelpia Assets received by it (and them) at the Adelpia Closing that comprise the Specified Systems (as defined below) (and all Adelpia Assets primarily related thereto) to a Disregarded Entity, (ii) cause such Disregarded Entity to assume and agree to pay and discharge, as and when they come due, all Adelpia Assumed Liabilities primarily related to such Adelpia Assets and (iii) sell to TW NY and Comcast respectively, and each of TWC and Comcast will purchase from Comcast and TWC (or their respective Affiliates),

95

respectively, 100% of the outstanding Equity Securities of such Disregarded Entity for the Specified Price. For purposes hereof, “Specified Price” means with respect to each Disregarded Entity, cash in an amount equal to the sum of (x) the product of (1) the number of Eligible Basic Subscribers (as defined in the Comcast/Adelpia Purchase Agreement or the TWC/Adelpia Purchase Agreement, as applicable) served by the Specified Systems transferred to such Disregarded Entity pursuant to this Section 6.8(d), calculated as of the Adelpia Closing as determined pursuant to Section 2.8 in the Comcast/Adelpia Purchase Agreement or Section 2.6 of the TWC/Adelpia Purchase Agreement, as applicable, for purposes of determining the Final Adjustment Amount (as defined therein) thereunder, *multiplied by* (2) the Comcast/Adelpia Purchase Price Per Subscriber (in the case of Specified Systems held by a Disregarded Entity to be sold by Comcast or its Affiliates) or the TWC/Adelpia Purchase Price Per Subscriber (in the case of Specified Systems held by a Disregarded Entity to be sold by TWC and its Affiliates) *plus* (y) the Closing Adjustment Amount in respect of such Disregarded Entity as of the Transition Closing, as determined in accordance with procedures described in Section 2.4 applied *mutatis mutandis*, treating such Disregarded Entity as an Adelpia Newco but assuming the amounts described in clause (i)(A) and (ii)(A) of the definition of Subscriber Adjustment Amount were zero. For purposes hereof, “Specified System” means any System as defined in clause (ii) of the definition of such term in the Comcast/Adelpia Purchase Agreement or the TWC/Adelpia Purchase Agreement that is allocated to the Group 2 Business in the Comcast/Adelpia Purchase Agreement or the TWC/Adelpia Purchase Agreement and is accounted for as of the date hereof by Adelpia as a non-primary “Cost Center” and that as of the termination of this Agreement would be inoperable or not commercially viable as an independent cable communications system without one or more material services described in Section 6.8(b) (whether due to lack of independent franchise, headend or otherwise). Each such sale and purchase shall be subject to receipt of required consents and approvals of Governmental Authorities and required material consents and approvals of other third parties, and the parties shall negotiate in good faith definitive agreements to evidence such transactions that contain representations, warranties, covenants (including indemnification provisions) and conditions substantially the same as those contained in this Agreement with respect to the Adelpia Systems *mutatis mutandis*.

Section 6.9 Cooperation Upon Inquiries as to Rates. Transferor Parent and Transferee Parent agree as follows:

(a) For a period of 12 months after Closing, Transferor Parent shall cooperate with and assist Transferee Parent by providing, upon request, all information in Transferor Parent's possession (and not previously provided to Transferee Parent) relating directly to the rates set forth in Schedule 4.8 or 5.8, as applicable, or the then current rates with respect to any Transferred System, if different from the rates set forth on such Schedule (or not otherwise set forth in such Schedule) or the rate on any FCC Form 393, 1200, 1205, 1210, 1220, 1235 or 1240 that Transferee Parent may reasonably require to justify such rates in response to any inquiry, order or requirement of any Governmental Authority or any Rate Regulatory Matter instituted before or after the date of this Agreement.

(b) If at any time prior to Closing (but in respect of the Adelphia Systems, after the Adelphia Closing), any Governmental Authority commences a Rate Regulatory Matter with respect to a Transferred System, the applicable Transferor Parent shall (i) promptly notify Transferee Parent, and (ii) keep Transferee Parent informed as to the progress of any such proceeding. Without the prior written consent of Transferee Parent, which consent shall not be unreasonably withheld or delayed, Transferor Parent shall not settle any such Rate Regulatory Matter, either before or after Closing, if (A) Transferee Parent or any of Transferee Parent's Affiliates would have any obligation under such settlement, or (B) such settlement would reduce the rates permitted to be charged by Transferee Parent or any of Transferee Parent's Affiliates after Closing below the rates set forth on Schedule 4.8 or 5.8, as applicable or otherwise then in effect. Notwithstanding anything to the contrary herein, after Closing, Transferee Parent shall have the right, at its own expense, to assume control of the defense of any pending Rate Regulatory Matter, to the extent, and only to the extent, that it relates to a Transferred System transferred to Transferee Parent or its Affiliates. If Transferee Parent elects to assume control of the defense of any such Rate Regulatory Matter, Transferor Parent shall have the right to participate, at its expense, in the defense of such matter. Notwithstanding the provisions set forth in Article 10 of this Agreement, Transferee Parent may settle any such Rate Regulatory Matter only upon Transferor Parent's prior written consent, which consent shall not be unreasonably withheld or delayed, if Transferor Parent or any of its Affiliates would have any obligation with respect to such settlement in accordance with Article 10 hereof or otherwise.

(c) If at any time after Closing, any Governmental Authority commences a Rate Regulatory Matter with respect to a Transferred System transferred to Transferee Parent or its Affiliates involving any time period prior to Closing (or in the case of any Adelphia System, prior to the Closing but after the Adelphia Closing), Transferee Parent shall (i) promptly notify Transferor Parent, and (ii) keep Transferor Parent informed as to the progress of any such proceeding. Transferor Parent shall have the right to participate, at its expense, in the defense of such matter. Notwithstanding the provisions set forth in Article 10 of this Agreement, Transferee Parent may settle any such Rate Regulatory Matter only upon Transferor Parent's prior written consent, which consent shall not be unreasonably withheld or delayed, if Transferor Parent or any of its Affiliates would have any obligation with respect to such settlement in accordance with Article 10 hereof or otherwise. The rights and obligations of the parties under this Section 6.9(c) in respect of the Adelphia Systems shall be subject to the relevant Adelphia Purchase Agreement.

(d) For purposes hereof, "Rate Regulatory Matter" means any proceeding or investigation with respect to a Transferred System arising out of or related to the Cable Act (other than those affecting the cable television industry generally) dealing with, limiting or affecting the rates which can be charged by such Transferred System for programming, equipment, installation, service or otherwise.

(e) If Transferor Parent or any of its Affiliates is required pursuant to any Rate Regulatory Matter or any other Legal Requirement, settlement or otherwise to reimburse following Closing any subscribers of the Transferred Systems to

be directly or indirectly transferred by such Transferor Parent or any of its Affiliates in an Exchange for any subscriber payments previously made, including fees for cable television service, late fees and similar payments, Transferee Parent shall, at Transferor Parent' s request, make such reimbursement through Transferee Parent' s or its Affiliate' s billing system on terms specified by Transferee Parent. In such event, Transferor Parent shall pay to Transferee Parent or its Affiliate all such payments made by Transferee Parent through its billing system. Without limiting the foregoing, Transferee Parent shall provide to Transferor Parent all information in its possession that is reasonably required by Transferor Parent in connection with such reimbursement.

Section 6.10 Updated Schedules.

(a) On one or more occasions, Transferor Parent may, at least five Business Days prior to Closing: (i) supplement Schedule 4.5(a) or 5.5(a), as applicable, to reflect leases, franchises, licenses, authorizations, consents, permits, Contracts or commitments which were entered into or obtained between the date hereof and the Closing Date not in violation of the terms of this Agreement and are required to be disclosed in Schedule 4.5(a) or 5.5(a), as applicable, in order for the representation and warranty contained in Section 4.5(a) or 5.5(a), as applicable, to be true, complete and correct, or (ii) supplement any other Schedule to this Agreement (other than the Schedules to any of Section 4.1, 4.2, 4.15, 4.18, 5.1, 5.2, 5.15 or 5.18) including, for the avoidance of doubt, 4.24 and 5.24, with additional information to the extent that it reflects events, acts or omissions that first occurred between the date hereof and the Closing Date and that are not prohibited by this Agreement to be taken, and that would have been required to be included in one or more Schedules to this Agreement in order for the representations and warranties of Transferor Parent contained in this Agreement to be true, complete and correct as of the Closing. Any such supplement to a Schedule pursuant to clause (i) above shall specifically identify each license, Contract or other item being added to Schedule 4.5(a) or 5.5(a), as applicable, and any supplement pursuant to clause (ii) above shall be made with reasonable specificity and shall identify, to Transferor Parent' s knowledge, the potential Liability associated with the relevant action, condition or event. For purposes of determining whether there is any liability on the part of Transferor Parent following Closing for breaches of its representations and warranties under this Agreement, the Schedules to this Agreement shall be deemed to include only (a) the information contained therein on the date hereof and (b) information added to such Schedules by written supplements to this Agreement delivered in accordance with the first sentence of this Section 6.10; provided, that for purposes of determining the satisfaction of the condition set forth in Section 7.1(a) or 7.2(a), as applicable, any update to the Schedules pursuant to clause (b) of this sentence shall be disregarded.

(b) In addition, if after the date that is the fifth Business Day prior to Closing, but before the Closing, Transferor Parent first becomes aware of any event, act, occurrence or omission which, if known on the fifth Business Day prior to Closing would have been permitted to be included in a supplement pursuant to clause (ii) of the foregoing paragraph, then Transferor Parent may make such supplement as provided above (in which case such supplement shall be deemed to have been made

pursuant to clause (ii) of the foregoing paragraph); provided that Transferor Parent may only utilize the rights in this paragraph on one occasion and, if Transferee Parent elects, upon receipt of any such supplement pursuant to this paragraph, the date of Closing may be delayed until the end of the next succeeding month.

Section 6.11 Certain Notices. Prior to the Closing (or, with respect to the Adelphia Systems, between the Adelphia Closing and Closing), Transferor Parent, with respect to the Transferred Systems to be directly or indirectly transferred by such Transferor Parent or its Affiliates in an Exchange, shall cause to be timely filed a request for renewal under Section 626 of the Cable Act with the proper Governmental Authority with respect to Transferred Franchises that shall expire within 36 months after any date between the date of this Agreement and Closing Date; provided that the foregoing obligation with respect to Adelphia Systems shall apply only to the extent such obligations can reasonably be fulfilled after the Adelphia Closing.

Section 6.12 Franchise Expirations. From the date hereof (or, with respect to the Adelphia Systems, from the Adelphia Closing) until Closing, Transferor Parent shall, and shall cause its Affiliates to, use commercially reasonable efforts to obtain renewals or valid extensions of any Transferred Franchises of such Transferor Parent which expire on or before June 30, 2008, in the ordinary course of business. Neither Transferor Parent nor any of its Affiliates shall agree or accede to any material modifications or amendments to or in connection with, or the imposition of any material condition to the renewal or extension of, any Transferred Franchises of such Transferor Parent or its Affiliates that are not reasonably acceptable to Transferee Parent. Transferor Parent agrees, from the date hereof (or, with respect to the Adelphia Systems, from the Adelphia Closing) until Closing, upon reasonable prior written notice, to allow representatives of Transferee Parent to attend meetings and hearings before applicable Governmental Authorities in connection with the renewal or extension of any Transferred License or Transferred Franchise of such Transferor Parent.

Section 6.13 Environmental Reports. From and after the date hereof (or, with respect to the Adelphia Systems, from and after the Adelphia Closing), Transferee Parent may upon reasonable advance written notice and during normal business hours, at Transferee Parent's expense, perform any environmental site assessments of Transferor Parent's or its Affiliate's Transferred Owned Property or Transferred Leased Property (subject to the final sentence of this Section 6.13) as Transferee Parent determines, in its sole discretion, to have performed; provided that, prior to taking any samples of soil or groundwater for testing, Transferee Parent shall have a reasonable basis for determining that such sampling is appropriate. Transferor Parent shall cooperate with all reasonable requests of Transferee Parent and its consultants with respect to the conduct of such assessments or sampling. Any assessment performed pursuant to this Section 6.13 shall to the fullest extent practicable be designed so as not to disrupt the business and operations of the Transferred Systems. Any right to perform an assessment pursuant to this Section 6.13 at a Transferred Leased Property shall be subject to Transferor Parent or its Affiliate not being prohibited from performing such assessment pursuant to the lease for such Leased Property.

Section 6.14 Commercially Reasonable Efforts; Further Assurances. Subject to the terms and conditions of this Agreement, Comcast and TWC shall, and shall cause their Affiliates to, use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or desirable to consummate the transactions contemplated by this Agreement as promptly as practicable. Each of Comcast and the TWC agrees to, and

to cause their Affiliates to, execute and deliver such other documents, certificates, agreements and other writings (including completed transfer tax returns, showing in each case a purchase price or consideration reasonably acceptable to Comcast and TWC) and to take such other commercially reasonable actions as may be necessary or desirable in order to consummate or implement expeditiously the transactions contemplated by this Agreement and to (i) vest in Transferee Parent or its Affiliates, as applicable, the same title to the Transferred Assets (other than the Initial TWC/Adelphia Assets) that Transferor Parent (together with its Affiliates) had with respect thereto immediately prior to the Newco Transactions (other than the TWC/Adelphia Newco Transaction referred to in the third sentence of Section 2.1(a)) and (ii) vest in Comcast or its Affiliates, as applicable, the same title to the Initial TWC/Adelphia Assets that TWC (together with its Affiliates) had with respect thereto immediately following the Adelphia Closing.

Section 6.15 Post-Closing Access to Personnel Records. After the Closing Date, Transferor Parent shall, and shall cause its Affiliates to, provide Transferee Parent with access to, and the right to make copies or extracts of, pertinent information from the personnel files and records of Transferor Parent and its Affiliates relating to the applicable Transferred Employees other than Retained Native Employees in connection with litigation, administrative proceedings, payment of Taxes or any other valid business reason from time to time during normal business hours upon reasonable notice from Transferee Parent (i) with respect to matters other than matters relating to Taxes, for a period not to exceed one year from the Closing Date, or (ii) with respect to matters relating to Taxes, until the expiration of the statute of limitations applicable to such Taxes, in each case except to the extent that Transferor Parent or any of its Affiliates is required by law to keep such files and records confidential.

Section 6.16 Insurance. Transferor Parent will use commercially reasonable efforts to take such actions as are necessary to cause insurance policies of Transferor Parent and its Affiliates that immediately prior to Closing provide coverage to or with respect to the Transferred Business, the Transferred Systems or the Transferred Assets to be directly or indirectly transferred by such Transferor Parent or its Affiliates in an Exchange to continue to provide such coverage with respect to acts, omissions, and events occurring prior to the Closing (or, in the case of any Adelphia Business, Adelphia Systems or Adelphia Assets, prior to the Closing but after the Adelphia Closing) in accordance with their terms as if the Closing had not occurred; provided, that to the extent Transferor Parent takes any action with respect to its umbrella insurance policies that similarly effects all of Transferor Parent's Retained Systems but results in such insurance coverage no longer being available (other than a change denying coverage based upon a Person ceasing to be an Affiliate of Transferor Parent), Transferor Parent shall not be deemed to have breached this Section 6.16 and shall have no liability with

100

respect thereto. Transferor Parent will give Transferee Parent written notice of the taking of any such action if done during the first 12 months after the Closing prior to or as soon as practicable thereafter. Transferor Parent shall, and shall cause its Affiliates to, cooperate with and assist Transferee Parent, if Transferee Parent or any of its Affiliates determines to make any claim under any such policy with respect to any pre-Closing act, omission or event. Transferee Parent shall use commercially reasonable efforts to promptly notify Transferor Parent when it becomes aware of any such claim; provided, that the failure of Transferee Parent to provide such notice shall not relieve Transferor Parent of its obligations under this Section 6.16, except to the extent that Transferor Parent's or its Affiliates' rights under the applicable insurance policy are prejudiced by such failure to give notice.

Section 6.17 [Intentionally Omitted].

Section 6.18 Promotional Campaigns.

(a) Between the date hereof and the Closing, Transferor Parent and its Affiliates shall not initiate any Subscriber campaigns or promotions on a local or regional level with respect to the Native Systems of Transferor Parent or its Affiliates, other than (i) any such campaigns or promotions that are on the same terms and conditions (or on terms and conditions that are no less favorable to such Native Systems) as subscriber campaigns or promotions undertaken with respect to the relevant Native Systems during the year ended December 31, 2004 in the relevant market, (ii) with respect to the Comcast LA Native Systems, the Comcast Ohio Native Systems or the TWC Native System, any such campaigns or promotions that are not materially less favorable to such Native Systems than campaigns and promotions being conducted by the Transferee Parent and its Affiliates in the same DMA, (iii) with respect to the Comcast Dallas Native Systems, any such campaigns or promotions that are not materially less favorable to such Native Systems than campaigns and promotions being conducted by any other multiple system cable operator (other than Charter Communications and its Affiliates) in the Dallas DMA, and (iv) any such campaigns or promotions that are either (x) with respect to campaigns and promotions conducted in an overbuild area, not materially less favorable to the Native Systems than the campaigns and promotions being conducted by the applicable overbuilder or RBOC or (y) not materially less favorable to the Native Systems than those being conducted by any direct broadcast satellite providers in the same DMA (but only in the relevant market of the relevant campaign or promotion).

(b) With respect to the Adelphia Systems of Transferor Parent or its Affiliates, Transferor Parent and its Affiliates shall not, between the Adelphia Closing and the Closing, initiate or continue any subscriber campaigns or promotions (including door-to-door, inbound, outbound, retention or win-back campaigns or promotions) on a local or regional level, other than (i) such campaigns or promotions as are developed pursuant to the immediately following sentence, (ii) continuation of any such campaigns or promotions initiated by Adelphia (or, in the case of Comcast, any Transferred Joint Venture Entity) prior to the Adelphia Closing, and (iii) such other campaigns and promotions that are conducted in the ordinary course of business

101

consistent with Transferor Parent's Retained Systems. As soon as reasonably practicable following the Adelphia Closing, if the Closing has not occurred, Transferor Parent and Transferee Parent shall consult with each other regarding the development of subscriber campaigns and promotions to be conducted in respect of the Adelphia Systems during the period between the Adelphia Closing and the Closing.

Section 6.19 Local Retransmission Consent Agreements. On or prior to the date which is 45 days prior to the anticipated date of Closing, each Transferor Parent shall deliver to Transferee Parent a list of all Local Retransmission Consent Agreements then in effect with respect to the Native Systems (or, with respect to the Adelphia Systems, those Local Retransmission Consent Agreements entered into between the Adelphia Closing and the Closing) to be directly or indirectly transferred by such Transferor Parent or its Affiliates in an Exchange. By written notice delivered to Transferor Parent at least 30 days prior to Closing, Transferee Parent may, in its sole discretion, elect to have the applicable Newco assume (or in the case of any TWC/Adelphia Newco, terminate with no further liability to such TWC/Adelphia Newco) any one or more of such Local Retransmission Consent Agreements and, in the case of any such assumption, Transferor Parent shall use commercially reasonable efforts to obtain any required Authorizations for such assumption. The foregoing shall be subject to Section 2.1(h) to the extent any related Authorization is not obtained. Any Local Retransmission Consent Agreements which Transferee Parent elects to have assumed pursuant to this Section 6.19 shall be included in the applicable Transferred Assets. To the extent the provisions of this Section

6.19 conflict with any other provision of this Agreement, the provisions of this Section 6.19 shall control. Any Local Retransmission Consent Agreements which Transferee Parent elects to have a TWC/Adelphia Newco terminate shall constitute a TWC/Adelphia Excluded Liability.

Section 6.20 Adelphia Purchase Agreements.

(a) Capitalized terms used in this Section 6.20 and not defined in this Agreement (or, if the context otherwise requires, even if defined herein) shall have the meanings specified in the Adelphia Purchase Agreements, as applicable.

(b) Comcast shall not, and shall not permit any of its Affiliates to, terminate the Comcast/Adelphia Purchase Agreement by mutual agreement with Adelphia without TWC's consent. TWC shall not, and shall not permit any of its Affiliates to, terminate the TWC/Adelphia Purchase Agreement by mutual agreement with Adelphia without Comcast's consent.

(c) Except as would not reasonably be expected to have an adverse effect on Comcast or its Affiliates or to materially impair or delay the transactions contemplated by this Agreement, TWC shall, and shall cause its Affiliates to, take all necessary action to enforce and perform on a timely basis its and their rights and obligations set forth in the TWC/Adelphia Purchase Agreement and any related Ancillary Agreements, and shall provide Comcast with a copy of any notice delivered to TWC or its Affiliates by Adelphia under the TWC/Adelphia Purchase Agreement or any related Ancillary Agreement (to the extent such notice relates to the Group 1 Business or

102

addresses any matter that would reasonably be expected to have an adverse effect on the transactions contemplated by this Agreement). Except as would not reasonably be expected to have an adverse effect on TWC or its Affiliates or to materially impair or delay the transactions contemplated by this Agreement, Comcast shall, and shall cause its Affiliates to, take all necessary action to enforce and perform on a timely basis its rights and obligations set forth in the Comcast/Adelphia Purchase Agreement and any related Ancillary Agreements and the JV Documents, and shall provide TWC with a copy of any notice delivered to Comcast by Adelphia under the Comcast/Adelphia Purchase Agreement or the JV Documents (to the extent such notice relates to the Group 1 Business or addresses any matter that would reasonably be expected to have an adverse effect on the transactions contemplated by this Agreement). No Transferor Parent shall be liable under this Section 6.20(c) to the extent any breach was caused by the Transferee Parent or its Affiliates. Nothing herein shall require TWC to waive any rights under the TWC/Adelphia Purchase Agreement to the extent relating to the Group 2 Business thereunder or the Excluded Rights and Obligations, or require Comcast to waive any rights under the Comcast/Adelphia Purchase Agreement to the extent relating to the Group 2 Business thereunder or the Excluded Rights and Obligations.

(d) Except as otherwise provided in this Section 6.20, the decision by Transferor Parent or any of its Affiliates to grant any consent or waiver under, exercise any right under (including making any offer of employment, requesting information or access, designating any Contract an Assigned Contract, or taking any actions under Section 2.6 of the TWC/Adelphia Purchase Agreement or Section 2.8 of the Comcast/Adelphia Purchase Agreement) or to approve or enter into any amendment of or supplement to, the relevant Adelphia Purchase Agreement or any Ancillary Agreement to which such Transferor Parent or its Affiliate is party shall, to the extent relating to the Group 1 Business (except with respect to the Excluded Rights and Obligations) under such Adelphia Purchase Agreement (or to the extent it

would otherwise adversely affect Transferee Parent or its Affiliates), be controlled by Transferee Parent, subject to the consent of Transferor Parent, such consent not to be unreasonably withheld or delayed; provided that Transferee Parent may also exercise rights regarding information, access and other matters that would not reasonably be expected to adversely affect Transferee Parent or its Affiliates. If pursuant hereto a party or its Affiliate requests information from Adelpia under Section 5.11(a) of the TWC/Adelpia Purchase Agreement or Section 5.9(a) of the Comcast/Adelpia Purchase Agreement, such party or its Affiliate shall be responsible for all costs to be reimbursed to Adelpia thereunder; provided, that with respect to any such information that is likely to be needed by members of both the TWC Group and the Comcast Group, the parties shall reasonably cooperate to minimize the costs thereunder and negotiate in good faith an equitable sharing of such costs. For the avoidance of doubt, TWC shall remain solely liable for all costs under Section 5.19 of the TWC/Adelpia Purchase Agreement.

(e) If, at any time after the Closing, any Comcast Group Member is entitled to receive a payment out of the Escrow Account established in connection with the TWC/Adelpia Purchase Agreement in the form of assets other than cash, TWC or its Affiliate and such Comcast Group Member shall immediately after such payment is made effect an exchange pursuant to which such Comcast Group Member

103

exchanges such non-cash assets with TWC or its Affiliate for a payment in cash in an amount equal to the difference between the total amount that would have been payable to such Comcast Group Member out of the Escrow Account if such amount would have been paid in cash (for the avoidance of doubt, each share of Parent Class A Common Stock shall be valued at the Per Share Value of Purchase Shares, as such terms are defined in the TWC/Adelpia Purchase Agreement, adjusted appropriately to reflect any stock splits, reverse stock splits, stock dividends, recapitalizations or similar actions affecting the Parent Class A Common Stock after the Adelpia Closing) and the portion of such amount (if any) that was paid in cash (a "Cash Reconciliation"). The parties agree (a) that any such Cash Reconciliation shall be treated for Tax purposes as if the Comcast Group Member received a cash payment out of the Escrow Account in the total amount payable to such Comcast Group Member (and as if the Comcast Group did not receive any such non-cash consideration) and (b) not to report or take any Tax position (on a Tax Return or otherwise) inconsistent with such treatment unless required by a change in applicable Tax law or a good faith resolution of a contest.

(f) The parties will cooperate with each other in connection with the satisfaction of their respective obligations under Section 5.6 of the TWC/Adelpia Purchase Agreement and Section 5.3 of the Comcast/Adelpia Purchase Agreement.

(g) Following the Closing for a period not to exceed two years, subject to applicable law, TWC shall, and shall cause its Affiliates to, provide Comcast and its Affiliates with reasonable cooperation in respect of the investigation and pursuit by Comcast and its Affiliates of the Retained Claims (as defined in the Comcast/Adelpia Purchase Agreement), including providing Comcast and its Affiliates and their respective authorized representatives with reasonable access, during regular business hours and upon reasonable advance notice, to the books and records of the Comcast/Adelpia Business to the extent relating to the Retained Claims (other than any Excluded Books and Records (as defined in the Comcast/Adelpia Purchase Agreement)); provided, however, that (i) the foregoing shall not unreasonably interfere with the operations (including the post-Closing integration efforts with the TWC Group) of the Comcast/Adelpia Business and (ii) the rights of Comcast and its Affiliates hereunder are subject to the establishment of a system reasonably acceptable to TWC to allow TWC to readily identify and distinguish Excluded Books and

Records of the Comcast/Adelphia Business from other books and records of such business, and the receipt by TWC of confirmation from Adelphia that such system has been approved by it under Section 5.23 of the Comcast Adelphia Asset Purchase Agreement. Comcast shall reimburse TWC for the reasonable costs and expenses incurred by TWC and its Affiliates pursuant to this Section 6.20(g) .

(h) The parties acknowledge and agree that certain amounts to be received under the Adelphia Purchase Agreements (such as (i) Condemnation Proceeds, Insurance Claims and certain other amounts excluded from the definition of “Current Assets” and (ii) indemnity payments under the Adelphia Purchase Agreements) and certain liabilities to be assumed under the Adelphia Purchase Agreements (such as the liabilities excluded from the definition of “Total Liabilities” under clause (a)(i) of the

104

second proviso to such definition) are, to the extent related to the Group 1 Business, generally intended to be treated as assets or liabilities, as the case may be, of the Group 1 Business in respect of periods prior to the Adelphia Closing and are intended to benefit or burden, as the case may be, the Group 1 Business in the hands of the Transferee. If the Closing does not occur on the same day as the Adelphia Closing, the parties agree to cooperate in good faith to properly account for any such assets and liabilities (and (i) any purchase orders or current assets to be acquired thereunder, and (ii) Liabilities under Sale Bonus Programs, in each case that are taken into account in determining any Closing Net Liabilities Adjustment Amount (as defined in the Adelphia Purchase Agreements)) in connection with determining the Net Liabilities Adjustment Amounts hereunder.

(i) TW NY will not waive the condition set forth in Section 6.1(i) of the TWC/Adelphia Purchase Agreement. Comcast will not waive the condition set forth in Section 6.1(g) of the Comcast/Adelphia Purchase Agreement.

(j) If, pursuant to Section 5.20 of the Comcast/Adelphia Purchase Agreement, the Palm Beach Joint Venture is treated as part of the Group 1 Business for purposes of Article VII thereof, the rights and interests of the Comcast Group under, and the Liabilities of the Comcast Group arising under, the Comcast/Adelphia Purchase Agreement and the Ancillary Agreements (as defined in the Comcast/Adelphia Purchase Agreement) to the extent relating to the Palm Beach Joint Venture shall not constitute Comcast/Adelphia Assets or Comcast/Adelphia Assumed Liabilities, respectively, and shall be Comcast/Adelphia Excluded Assets and Comcast/Adelphia Excluded Liabilities, respectively. If, pursuant to such rights and interests, any Comcast Group Member (or any other Buyer Indemnified Party (as defined in the Comcast/Adelphia Purchase Agreement) associated with any Comcast Group Member) recovers any Losses (as defined in the Comcast/Adelphia Purchase Agreement) pursuant to Section 7.2(a)(i) of the Comcast/Adelphia Purchase Agreement in respect of the Palm Beach Joint Venture (a “Palm Beach Indemnification Payment”) and, as a result of such Palm Beach Indemnification Payment, any recovery that any TWC Group Member (or any other Buyer Indemnified Party associated with any TWC Group Member) would otherwise be entitled to receive (disregarding any such recovery by any Comcast Group Member or any other such Buyer Indemnified Party) from Adelphia under such Section is reduced (as a result of the Group 1 Cap Amount (as defined in the Comcast/Adelphia Purchase Agreement)), then Comcast or such Affiliate shall pay the amount of such reduced recovery (not to exceed the amount of the Palm Beach Indemnification Payment) to TWC or its Affiliate (as directed by TWC).

(k) If, as of any time following the Closing, the Buyer Indemnified Parties that have made claims to recover Losses in respect of the Group 1 Business (as such terms are defined in the relevant Adelphia Purchase Agreement) pursuant to Section 7.2(a)(i) of the Comcast/Adelphia Purchase Agreement include both Comcast Group Members and

TWC Group Members (or, in each case, any other Buyer Indemnified Parties associated with such Group Members), each such Buyer Indemnified Party shall be entitled to receive a pro rata share of the aggregate amount of Losses which all such Buyer Indemnified Parties are entitled to receive pursuant to such Section 7.2(a)(i), after taking into account the limitations contained in Section 7.2(b)(i) of such

Adelphia Purchase Agreement (such pro rata share to be determined based on the amount of Losses to which such Buyer Indemnified Party is entitled as a proportion of the aggregate amount of Losses to which all such Buyer Indemnified Parties are entitled, in each case disregarding the limitations contained in such Section 7.2(b)(i)); provided that if as a result of the foregoing any recovery that any TWC Group Member (or any other Buyer Indemnified Party associated with any TWC Group Member) would otherwise be entitled to receive (disregarding any recovery by any Comcast Group Member or any other Buyer Indemnified Party associated therewith) from Adelphia under Section 7.2(a)(i) of the Comcast/Adelphia Purchase Agreement is reduced, then Comcast shall, or shall cause its Affiliates to, pay the amount of such reduced recovery to TWC or its Affiliate (as directed by TWC) (not to exceed the amount recovered under such Section 7.2(a)(i) by the Comcast Group Members and any other Buyer Indemnified Parties associated therewith). This shall not apply to any Losses to which any Buyer Indemnified Party is entitled under the Comcast/Adelphia Purchase Agreement pursuant to an exercise of the rights and interests referred to in Section 6.20(j) .

(l) At or immediately following the Closing, each of Comcast and TWC shall execute and deliver an agreement with Adelphia pursuant to which such party agrees to perform and be bound by (i) in the case of Comcast, all of the Liabilities assumed pursuant to this Agreement by Comcast or its Affiliates (including the TWC Newcos) arising under the TWC/Adelphia Purchase Agreement and the Ancillary Agreements (as defined in the TWC/Adelphia Purchase Agreement) and (ii) in the case of TWC, all of the Liabilities assumed pursuant to this Agreement by TWC or its Affiliates (including the Comcast Newcos) arising under the Comcast/Adelphia Purchase Agreement and the Ancillary Agreements (as defined in the Comcast/Adelphia Purchase Agreement).

(m) No party shall be treated as being in breach of, or having breached, any covenant hereunder with respect to the Adelphia Systems or the Adelphia Assets as a result of circumstances with respect to such Adelphia Systems or Adelphia Assets existing as of the Adelphia Closing to the extent such circumstances were reasonably beyond such party' s control and such party uses all commercially reasonable efforts to remedy such matter as promptly as possible.

(n) Comcast shall not, and shall not permit any of its Affiliates to, amend, modify, terminate or waive any rights under, or authorize any of the foregoing with respect to, the JV Documents in a manner that would reasonably be expected to adversely impact TWC or the Transferred Joint Venture Entities in any material respect, or to materially prejudice or delay its rights hereunder, in each case without TWC' s prior consent.

(o) The parties agree to use good faith efforts to coordinate closing efforts with Adelphia so as to minimize duplicative costs and expenses and further agree that any payments to Adelphia for reimbursement of Adelphia' s out-of-pocket or incremental costs under Section 5.3(f), (g) or (h) of the Comcast/Adelphia Purchase Agreement or under Section 5.6(f), (g) or (i) of the TWC/Adelphia Purchase Agreement shall be shared 83% by TWC and 17% by Comcast (it being understood that

the parties shall promptly upon request make appropriate payments to each other to effect such sharing following any reimbursement thereunder to Adelphia).

(p) If the Closing Capital Expenditure Amount (as defined in the TWC/Adelphia Purchase Agreement and as determined pursuant to Section 2.6 of the TWC/Adelphia Purchase Agreement for purposes of determining the Final Adjustment Amount (as defined therein) thereunder) for the Group 2 Business (as defined in the TWC/Adelphia Purchase Agreement) reflects less than the amount of capital expenditures included in Component 1 of the “Calcutta Budget” (as set forth on Schedule 5.2(s) of the Seller Disclosure Schedules to the TWC/Adelphia Purchase Agreement), TWC shall pay to Comcast 17% of the amount of such deficiency promptly following the satisfaction of the Subsequent Adjustment Amount as contemplated by Section 2.6 of the TWC/Adelphia Asset Purchase Agreement.

Section 6.21 Adelphia Shared Assets; Mistaken Allocations.

(a) Capitalized terms used in this Section 6.21 and not defined have the meanings specified in the Adelphia Purchase Agreements. With respect to any Shared Assets and Liabilities (including Contracts) that are not allocated pursuant to Schedule 6.21(b) (“Unallocated Items”), TWC and Comcast agree to cooperate in good faith and use all commercially reasonable efforts to agree, within 120 days following the date hereof, to a specific system of identifying and allocating such assets and liabilities between the parties and their respective Affiliates, as well a method of making decisions regarding contract selection and other decisions with regard to the directions to be provided to Adelphia under the Adelphia Purchase Agreements, with the general principle being that the parties intend to minimize transaction costs and expenses and avoid incremental costs from the foregoing principles to the extent reasonable. Unless the parties otherwise agree, the Unallocated Items (other than the Adelphia call center in Vermont) that are utilized at the “area” or “local” level will be shared on the basis of the relative numbers of subscribers served by or benefitting from such Unallocated Items while the remainder of Unallocated Items and the Adelphia call center in Vermont will be allocated on the basis of an 83%/17% split between TWC and Comcast, respectively. For the avoidance of doubt, the foregoing allocation includes both the benefits and the burdens of the Unallocated Items. In the event of a dispute as to the value or amount of the benefit or burden in respect of a given Unallocated Item, Comcast and TWC will retain a mutually acceptable third party appraiser to make such determination, the decision of such appraiser shall be final and binding and the costs of such appraiser shall be divided. The parties also agree to work together in good faith to determine whether any equitable adjustments are appropriate in light of the purchase price adjustments and other terms under the Adelphia Purchase Agreements.

(b) The Shared Assets and Liabilities set forth on Schedule 6.21(b) shall be allocated to TWC and Comcast as described on such schedule.

(c) The parties also agree that the process with respect to Contracts relating solely to either the TWC/Adelphia Business or solely to the Comcast/Adelphia Business shall be designated as “Assigned Contracts” under the

Adelphia Purchase Agreements and allocated between the Transferors and Transferees hereunder as set forth on Schedule 6.21(c).

(d) All patents included in the Unallocated Items shall be jointly owned by TWC and Comcast or their respective designees, with each party having full rights thereto. Domain names shall be allocated to TWC provided that Comcast and its Affiliates shall be entitled to receive continuing use of e-mail accounts and redirects to a new website for such reasonable period as Comcast requests. All other intellectual property included in the Unallocated Items will be owned by TWC, provided that Comcast and its Affiliates will be entitled to a royalty free, perpetual, world-wide freely assignable license thereto.

(e) Transferred Investments in ad-interconnects will be allocated to the systems to which they primarily relate.

Section 6.22 Additional Financial Information.

(a) Comcast shall use its commercially reasonable efforts, and shall cause each of its Affiliates to use its commercially reasonable efforts, to provide TWC and its Affiliates with financial statements and related information (collectively, "Comcast Financial Information") sufficient to permit any of them to fulfill their obligations to include financial disclosure relating to the Comcast Transferred Systems (to the extent in the possession of Comcast or its Affiliates or their respective representatives and advisors), on a timely basis under the Exchange Act and, if any of them undertakes an offering of securities prior to Closing, the Securities Act. If some or all of the Comcast Financial Information is included in or incorporated by reference into a prospectus for an offering of securities by TWC or any of its Affiliates prior to the Closing, Comcast shall use its commercially reasonable efforts to cause the independent auditors of Comcast to provide customary assistance to TWC and its Affiliates and its underwriters in connection with such financing, including the provision of consent and comfort letters addressed to the SEC, comfort letters addressed to the underwriters, participation in due diligence matters with respect to such offering and assistance in responding to comments or questions from the SEC with respect to the Comcast Financial Information. Time Warner Cable shall reimburse Comcast for the reasonable costs and expenses incurred by the Comcast Group pursuant to this Section 6.22(a), including reasonable out-of-pocket costs and expenses. Comcast shall give TWC reasonable advance notice of the type and amount of such costs and expenses prior to the incurrence thereof.

(b) Time Warner Cable shall use its commercially reasonable efforts to, and shall cause each of its Affiliates to use its commercially reasonable efforts to, provide Comcast and its Affiliates with financial statements and related information (collectively, "Time Warner Cable Financial Information") sufficient to permit any of them to fulfill their obligations to include financial disclosure relating to the TWC Transferred Systems (to the extent in the possession of TWC or its Affiliates or their respective representatives and advisors), on a timely basis under the Exchange Act and, if any of them undertakes an offering of securities prior to Closing, the Securities Act. If

some or all of the Time Warner Cable Financial Information is included in or incorporated by reference into a prospectus for an offering of securities by Comcast or any of its Affiliates prior to the Closing, Time Warner Cable shall use its commercially reasonable efforts to cause the independent auditors of Time Warner Cable to provide customary assistance to Comcast and its Affiliates and its underwriters in connection with such financing, including

the provision of consent and comfort letters addressed to the SEC, comfort letters addressed to the underwriters, participation in due diligence matters with respect to such offering and assistance in responding to comments or questions from the SEC with respect to the Time Warner Cable Financial Information. Comcast shall reimburse Time Warner Cable for the reasonable costs and expenses incurred by the TWC Group pursuant to this Section 6.22(b), including reasonable out-of-pocket costs and expenses. TWC shall give Comcast reasonable advance notice of the type and amount of such costs and expenses prior to the incurrence thereof.

Section 6.23 Newco Disregarded Entities. Comcast and its Affiliates and Time Warner Cable and its Affiliates shall not take any action that would cause a Comcast Newco or a TWC Newco, respectively, to be treated as an entity that is separate and apart from the Transferor of such Newco for U.S. federal income tax purposes.

Section 6.24 Certain Consultation Obligations. Prior to the Adelphia Closing and, if the Closing does not occur on the same date as the Adelphia Closing, from time to time after the Adelphia Closing and prior to the Closing, Transferor Parent shall, with respect to the Adelphia Systems to be acquired by such Transferor Parent or its Affiliates pursuant to the relevant Adelphia Purchase Agreement, consult with Transferee Parent to the extent permitted by applicable law with respect to (i) the development of capital and operating budgets for such Adelphia Systems and (ii) the rates to be charged for the services of such Adelphia Systems.

Section 6.25 Ordinary Course from Closing to Closing Time. During the time between the Closing and the Closing Time, each Transferee Parent and its Affiliates shall operate or cause to be operated the Transferred Systems and Transferred Assets transferred to such Transferee Parent or its Affiliates at the Closing in the usual, regular and ordinary course and shall not take any action for the purpose of changing the calculation of the Closing Adjustment Amount with respect to any Newco.

Section 6.26 Urban Purchase. TWC shall use its commercially reasonable efforts to consummate the Urban Purchase as soon as practicable after the date hereof and prior to the Closing.

ARTICLE 7

Conditions Precedent

Section 7.1 Conditions to the Comcast Parties' Obligations. The obligations of each Comcast Party to consummate the transactions contemplated by this Agreement shall be subject to the following conditions, which may be waived by Comcast:

(a) Accuracy of Representations and Warranties. The representations and warranties in Sections 5.1, 5.2, 5.3, 5.14, 5.18, 5.23 and 5.25 (the "Class 1 TWC Representations and Warranties" and all other representations and warranties contained in Article 5, the "Class 2 TWC Representations and Warranties") that are qualified as to materiality or Material Adverse Effect shall be true and correct, and the Class 1 TWC Representations and Warranties that are not so qualified shall be true and correct in all material respects, in each case, at the time made and as of the Closing Date as if made at and as of such time (except, in each case, to the extent expressly made as of an earlier date, in which case as of such earlier date). The Class 2 TWC Representations and Warranties shall be true and correct (without giving effect to any materiality or Material Adverse Effect qualifiers set forth therein) at the time made and as of the Closing Date as if made at and as of such time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of such Class 2 TWC Representations and Warranties to

be true and correct has not and would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(b) Performance of Agreements. Each TWC Party shall have performed in all material respects all obligations and agreements of such TWC Party under, and shall have complied in all material respects with all covenants of such TWC Party in, this Agreement and any Transaction Document to which such TWC Party is a party to be performed and complied with by it at or before Closing.

(c) Officer's Certificate. Comcast has received a certificate executed by an executive officer of TWC, dated as of Closing, reasonably satisfactory in form and substance to Comcast, certifying that the conditions specified in Section 7.1(a) and (b) have been satisfied as of Closing.

(d) Legal Proceedings. There is no Legal Requirement, and no Judgment has been entered and not vacated by any Governmental Authority of competent jurisdiction in any Litigation or arising therefrom, which (i) enjoins, restrains, makes illegal or prohibits consummation of the transactions contemplated by this Agreement or by any Transaction Document (other than any such matter having only an immaterial effect and that does not impose criminal liability or penalties) or (ii) requires separation or divestiture by the Comcast Group of all or any significant portion of the TWC Transferred Assets after Closing or otherwise materially and adversely affects the operation of the TWC Transferred Systems (other than applicable to the cable industry in general), and there is no Litigation pending which was commenced by any Governmental Authority (other than a Franchising Authority) seeking, or which if successful would have the effect of, any of the foregoing, provided, that the failure to obtain a consent relating to a Transferred Franchise shall not be considered to enjoin, restrain, make illegal or prohibit consummation of the transactions contemplated by this Agreement or by any Transaction Document.

deleting or insuring over (subject to Section 6.5), any Title Defects, or irrevocable Title Commitments of the Title Company to issue such TWC Native Title Policies; provided, that the TWC Group's inability or failure to provide the TWC Group Native Title Policies (or Title Commitments to issue the same) shall not constitute a violation of the condition set forth in this Section 7.1(h) if the Liens, or other matters relating to title, giving rise to such inability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(i) Documents and Records. TWC shall have delivered to Comcast all of the TWC Transferred Books and Records. Delivery of the foregoing shall be deemed made to the extent such lists, files and records are then located at any of the offices included in the TWC Owned Property or TWC Leased Property.

(b) Performance of Agreements. Each Comcast Party shall have performed in all material respects all obligations and agreements of such Comcast Party under, and shall have complied in all material respects with all covenants of such Comcast Party in, this Agreement and any Transaction Document to which such Comcast Party is a party to be performed and complied with by it at or before Closing.

or impose obligations more onerous than those made or set forth elsewhere in this Agreement, including gap coverage, and deleting or insuring over (subject to Section 6.5) any Title Defects, or irrevocable Title Commitments of the Title Company to issue such Comcast Native Title Policies; provided, that the Comcast Group's inability or failure to provide the Comcast Group Native Title Policies (or Title Commitments to issue the same) shall not constitute a violation of the condition set forth in this Section 7.2(h) if the

Liens, or other matters relating to title, giving rise to such inability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(i) Documents and Records. Comcast shall have delivered to TWC all of the Comcast Transferred Books and Records. ARTICLE 10

Section 10.1 Indemnification by the TWC Transferors. Subject to Section 10.4, from and after Closing, each TWC Transferor shall indemnify and hold harmless each Comcast Transferee and its Affiliates (including the TWC Newcos) and its and their respective officers, directors, trustees, employees, agents and representatives, and any Person claiming by or through any of them, as the case may be, from and against any and all Losses arising out of or resulting from:

(a) any representations and warranties made by any TWC Party in this Agreement or in any Transaction Document to which it is a party not being true and accurate in all respects, when made or at Closing (or, in the case of any representation or warranty made as of a specific date, as of such date) or any failure by any TWC Party to perform in all material respects pursuant to Section 6.1(h) or Section 6.10;

(b) any failure by any TWC Party to perform in all respects any of its covenants, agreements, or obligations in this Agreement (other than pursuant to Section 6.1(h) or Section 6.10) or in any Transaction Document to which it is a party;

(f) the TWC Newco Indemnified Liabilities;

(g) other than with respect to the Comcast Excluded Liabilities, the ownership and operation of the Comcast Transferred Systems or the Comcast Transferred Assets after the Closing; and

(h) other than with respect to the Comcast Excluded Liabilities, any Comcast Transferred Asset, or any claim or right or any benefit arising thereunder, held by any Comcast Group Member for the benefit of any Comcast Newco pursuant to Section 2.1(h) .

If, by reason of the claim of any third party relating to any of the matters subject to such indemnification, a Lien is placed or made upon any of the properties or assets owned or leased by any Comcast Transferee or any TWC Newco or any other Indemnitee under this Section, in addition to any indemnity obligation of the TWC Transferors under this Section, the applicable TWC Transferor shall furnish a bond sufficient to obtain the prompt release thereof within ten days after receipt from Comcast of notice thereof.

Section 10.2 Indemnification by the Comcast Group. Subject to Section 10.4, from and after Closing, each Comcast Transferor shall indemnify and hold harmless each TWC Transferee and its Affiliates (including the Comcast Newcos) and its and their respective officers, directors, trustees, employees, agents and representatives, and any Person claiming by or through any of them, as the case may be, from and against any and all Losses arising out of or resulting from:

(a) any representations and warranties made by any Comcast Party in this Agreement or in any Transaction Document to which it is a party not being true and accurate in all respects, when made or at Closing (or, in the case of any representation or warranty made as of a specific date, as of such date) or any failure by any Comcast Party to perform in all material respects pursuant to Section 6.1(h) or Section 6.10;

(b) any failure by any Comcast Party to perform in all respects any of its covenants, agreements, or obligations in this Agreement (other than pursuant to Section 6.1(h) or Section 6.10) or in any Transaction Document to which it is a party;

(c) the Comcast Excluded Liabilities;

(d) the Comcast Excluded Assets;

(e) the TWC Assumed Liabilities;

(f) the Comcast Newco Indemnified Liabilities;

(g) other than with respect to the TWC Excluded Liabilities the ownership and operation of the TWC Transferred Systems or the TWC Transferred Assets after the Closing;

120

(h) other than with respect to the TWC Excluded Liabilities, any TWC Transferred Asset, or any claim or right or any benefit arising thereunder, held by any TWC Group Member for the benefit of any TWC Newco pursuant to Section 2.1(h); and

(i) any claim by Adelphia or its successors arising as a result of TWC or its Affiliates providing Comcast or its Affiliates access to any Excluded Books and Records (as defined in the Comcast/Adelphia Purchase Agreement) pursuant to Section 6.20(g) .

If, by reason of the claim of any third party relating to any of the matters subject to such indemnification, a Lien is placed or made upon any of the properties or assets owned or leased by any TWC Transferee or any Comcast Newco or any other Indemnitee under this Section, in addition to any indemnity obligation of the Comcast Transferors under this Section, the applicable Comcast Transferor shall furnish a bond sufficient to obtain the prompt release thereof within ten days after receipt from TWC of notice thereof.

Section 10.3 Procedure for Certain Indemnified Claims. Promptly after receipt by a party entitled to indemnification hereunder (the “Indemnitee”) of written notice of the assertion or the commencement of any Litigation with respect to any matter referred to in Section 10.1 or 10.2 or the assertion by any Governmental Authority of a claim of noncompliance under any Franchise relating, in whole or in part, to any pre-Closing period (a “Franchise Matter”), the Indemnitee shall give written notice thereof to the party from whom indemnification is sought pursuant hereto (the “Indemnitor”) and thereafter shall keep the Indemnitor reasonably informed with respect thereto; provided, that failure of the Indemnitee to give the Indemnitor notice and keep it reasonably informed as provided herein shall not relieve the Indemnitor of its obligations hereunder, except to the extent that such failure to give notice shall prejudice any defense or claim available to the Indemnitor. The Indemnitor shall be entitled to assume the defense of any such Litigation or Franchise Matter with counsel reasonably satisfactory to the Indemnitee, at the Indemnitor’ s sole expense; provided, that the Indemnitor shall not be entitled to assume or continue control of

the defense of any Litigation or Franchise Matter if (i) the Litigation or Franchise Matter relates to or arises in connection with any criminal proceeding, action, indictment, allegation or investigation; (ii) the Litigation or Franchise Matter seeks an injunction or equitable relief against the Indemnitee; or (iii) the Indemnitor has failed to defend or is failing to defend in good faith the Litigation or Franchise Matter. If the Indemnitor assumes the defense of any Litigation or Franchise Matter, (i) it shall not settle the Litigation or Franchise Matter unless the settlement shall include as an unconditional term thereof the giving by the claimant or the plaintiff of a release of the Indemnitee, reasonably satisfactory to the Indemnitee, from all liability with respect to such Litigation or Franchise Matter and (ii) it shall indemnify and hold the Indemnitee harmless from and against any and all Losses caused by or arising out of any settlement or judgment of such claim and may not claim that it does not have an indemnification obligation with respect thereto. If the Indemnitor does not assume the defense of any Litigation or Franchise Matter, the Indemnitee may defend against or settle such claim in such manner and on such terms as it in good faith deems appropriate

and shall be entitled to indemnification in respect thereof in accordance with Section 10.1 or 10.2, as applicable. If the Indemnitor is not entitled to assume the defense or continue to control the defense of any Litigation or Franchise Matter as a result of the proviso in the second sentence of this Section 10.3, the Indemnitee shall not settle the Litigation or Franchise Matter in question if the Indemnitor shall have any obligation as a result of such settlement (whether monetary or otherwise) unless such settlement is consented to in writing by the Indemnitor, such consent not to be unreasonably withheld or delayed. In no event shall the Indemnitee settle any Litigation or Franchise Matter for which the defense thereof is controlled by the Indemnitor absent the consent of the Indemnitor (such consent not to be unreasonably withheld or delayed). Each party shall cooperate, and cause their respective Affiliates to cooperate, in the defense or prosecution of any Litigation or Franchise Matter and shall furnish or cause to be furnished such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested in connection therewith.

Section 10.4 Determination of Indemnification Amounts and Related Matters.

(a) The TWC Transferors shall have no liability under Section 10.1(a) in respect of the TWC/Adelphia Business unless the aggregate amount of Losses otherwise subject to their indemnification obligations thereunder in respect of the TWC/Adelphia Business exceeds \$74,600,000 (the “TWC/Adelphia Minimum Damage Requirement”), in which case the TWC Transferors shall be liable for the full amount of such Losses including the Losses incurred in reaching the TWC/Adelphia Minimum Damage Requirement. The TWC Transferors shall have no liability under Section 10.1(a) in respect of the TWC Native Business unless the aggregate amount of Losses otherwise subject to their indemnification obligations thereunder in respect of the TWC Native Business exceeds \$5,700,000 (the “TWC Native Minimum Damage Requirement”), in which case the TWC Transferors shall be liable for the full amount of such Losses including the Losses incurred in reaching the TWC Native Minimum Damage Requirement. For purposes of this Section 10.4(a), neither the TWC/Adelphia Minimum Damage Requirement nor the TWC Native Minimum Damage Requirement shall apply to any Losses resulting from or arising out of (i) the failure by any TWC Group Member to pay any copyright payments, including interest and penalties thereon, when due or any other breach of TWC’s representations, warranties, covenants or agreements with respect to copyright payments contained in this Agreement, and (ii) breaches of the Class 1 TWC Representations and Warranties.

(b) The maximum liability of the TWC Transferors under Section 10.1(a) in respect of the TWC/Adelphia Business shall not, in the aggregate, exceed \$746,000,000 (the “TWC/Adelphia Cap”). The maximum liability of the TWC Transferors under Section 10.1(a) in respect of the TWC Native Business shall not, in the aggregate, exceed

\$19,100,000 (the “TWC Native Cap”). Notwithstanding the foregoing, neither the TWC/Adelphia Cap nor the TWC Native Cap shall apply to breaches of the Class 1 TWC Representations and Warranties.

122

(c) The Comcast Transferors shall have no liability under Section 10.2(a) in respect of the Comcast/Adelphia Business unless the aggregate amount of Losses otherwise subject to their indemnification obligations thereunder in respect of the Comcast/Adelphia Business exceeds \$34,900,000 (the “Comcast/Adelphia Minimum Damage Requirement”), in which case the Comcast Transferors shall be liable for the full amount of such Losses including the Losses incurred in reaching the Comcast/Adelphia Minimum Damage Requirement. The Comcast Transferors shall have no liability under Section 10.2(a) in respect of the Comcast Native Business unless the aggregate amount of Losses otherwise subject to their indemnification obligations thereunder in respect of the Comcast Native Business exceeds \$41,500,000 (the “Comcast Native Minimum Damage Requirement”), in which case the Comcast Transferors shall be liable for the full amount of such Losses including the Losses incurred in reaching the Comcast Native Minimum Damage Requirement. For purposes of this Section 10.4(c), neither the Comcast/Adelphia Minimum Damage Requirement nor the Comcast Native Minimum Damage Requirement shall apply to any Losses resulting from or arising out of (i) the failure by any Comcast Group Member to pay any copyright payments, including interest and penalties thereon, when due or any other breach of Comcast’s representations, warranties, covenants or agreements with respect to copyright payments contained in this Agreement, and (ii) breaches of the Class 1 Comcast Representations and Warranties.

(d) The maximum liability of the Comcast Transferors under Section 10.2(a) in respect of the Comcast/Adelphia Business shall not, in the aggregate, exceed \$349,000,000 (the “Comcast/Adelphia Cap”). The maximum liability of the Comcast Transferors under Section 10.2(a) in respect of the Comcast Native Business shall not, in the aggregate, exceed \$415,000,000 (the “Comcast Native Cap”). Notwithstanding the foregoing, neither the Comcast/Adelphia Cap nor the Comcast Native Cap shall apply to breaches of the Class 1 Comcast Representations and Warranties.

(e) Amounts payable by the Indemnitor to the Indemnitee in respect of any Losses under Sections 10.1 or 10.2 shall be payable by the Indemnitor as incurred by the Indemnitee, and shall bear interest at the Prime Rate plus 2% from the date the Losses for which indemnification is sought were incurred by the Indemnitee until the date of payment of indemnification by the Indemnitor.

(f) The Indemnitor shall not be obligated to indemnify the Indemnitee with respect to any Losses to the extent of any proceeds received in connection with any such Losses by the Indemnitee under any insurance policy of the Indemnitee in effect on the Closing Date (including under any rights under any insurance policies or proceeds that are part of the Transferred Assets). The Indemnitee will use commercially reasonable efforts to claim and recover under such insurance policies.

(g) In determining the amount of any Losses in connection with any inaccuracy of a representation and warranty (but not for purposes of determining whether any such inaccuracy has occurred), any materiality, Material Adverse Effect or similar qualifier in such representation or warranty will be disregarded.

(h) Notwithstanding anything to the contrary set forth in this Agreement, to the extent that any Indemnitee pursuant to Section 10.1 or Section 10.2 is or becomes a holder of equity interests in any TWC Group Member or Comcast Group Member, respectively, indemnification hereunder shall not include Losses suffered by such Indemnitee (or its Affiliates) in its capacity as such an equity holder by reason of (i) the indemnities being provided hereunder by the TWC Transferors or Comcast Transferors, respectively, or (ii) Losses suffered in such capacity in respect of TWC Excluded Assets or TWC Excluded Liabilities, or Comcast Excluded Assets or Comcast Excluded Liabilities, respectively.

(i) No TWC Transferor or Comcast Transferor shall be responsible for indemnifying any Indemnitee with respect to any Adelphia Asset or Adelphia Assumed Liability except to the extent of a breach of any representations and warranties made in this Agreement, or any failure to perform in all respects any of its covenants, agreements or obligations under this Agreement.

(j) The recipient of any payment pursuant to Section 10.1 or 10.2 (an “Indemnification Payment”) shall allocate such Indemnification Payment to the Exchange or Exchanges in respect of which the claim giving rise to such payment arose.

Section 10.5 Time and Manner of Certain Claims. The representations and warranties of Comcast and TWC in this Agreement and any Transaction Document to which such Person is a party shall survive Closing for a period of 12 months. Notwithstanding the foregoing: (a) the liability of the parties shall extend beyond the 1-year period following Closing with respect to any claim which has been asserted in a bona fide written notice before the expiration of such 1-year period specifying in reasonable detail the facts and circumstances giving rise to such right; and (b) (i) the Class 1 Comcast Representations and Warranties and the Class 1 TWC Representations and Warranties shall survive Closing and shall continue in full force and effect without limitation and (ii) the representations and warranties of the parties in Section 4.13, Section 4.22, the last sentence of Section 4.23(a), Section 5.13, Section 5.22 and the last sentence of Section 5.23(a) shall survive until the expiration of the applicable statute of limitations (giving effect to any waiver, mitigation or extension thereof).

Section 10.6 Other Indemnification. The provisions of Sections 10.3, 10.4 and 10.5 shall be applicable to any claim for indemnification made under any other provision of this Agreement, and all references in Sections 10.3, 10.4 and 10.5 to Sections 10.1 or 10.2 shall be deemed to be references to such other provisions of this Agreement.

Section 10.7 Exclusivity. Except as specifically set forth in this Agreement or any Transaction Document and except for claims against a party for breach of any provision of this Agreement or any Transaction Document, each party waives any rights and claims it may have against the other parties to this Agreement, whether in law or in equity, relating to the transactions contemplated hereby. The rights and claims waived by each party include claims for contribution or other rights of recovery arising out of or relating to claims for breach of contract, breach of representation or warranty,

negligent misrepresentation and all other claims for breach of duty. After Closing, Article 10 and the Transaction Documents shall provide the exclusive remedy for any misrepresentation or breach of warranty under this Agreement or any Transaction Document, other than any claims sounding in fraud.

Section 10.8 Tax Treatment of Indemnification Payments.

(a) For all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest) the parties hereto agree (i) if the Transferee in the Exchange to which an Indemnification Payment is allocated under Section 10.4(j) made a net payment to the Transferor in such Exchange pursuant to Sections 2.1(e)(ii) and 2.4(e), such Indemnification Payment shall be treated as a reduction in the amount of such net payment to the extent of the lesser of (x) the amount of such net payment and (y) the amount of the Indemnification Payment, and (ii) in all other circumstances, such Indemnification Payment shall be treated as additional consideration received by such Transferee in such Exchange.

(b) Notwithstanding Section 10.8(a), any Indemnification Payments that represent interest payable under Section 10.4(e) hereof shall be treated for all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest), as (i) deductible to the Indemnitor and (ii) taxable to the Indemnitee.

Section 10.9 Guaranteed Obligations of Transferors.

(a) From and after the Closing, each of Comcast and TWC hereby agree to fully and unconditionally guarantee to TWC and its Affiliates, in the case of Comcast, and to Comcast and its Affiliates, in the case of TWC, the due and punctual performance, compliance and payment by each Comcast Transferor, in the case of Comcast, and each TWC Transferor, in the case of TWC (each, a “Guaranteed Party” and collectively, the “Guaranteed Parties”) of each and every covenant, term, condition or other obligation to be performed or complied with by any such party for the benefit of Comcast or TWC (or any Affiliate thereof or any Indemnitee pursuant to Section 10.1 or 10.2, as applicable) under this Agreement and any Transaction Document to which any Guaranteed Party is a party delivered in connection herewith when, and to the extent that, any of the same shall become due and payable or performance of or compliance with any of the same shall be required (collectively, the “Guaranteed Obligations”).

(b) Each of Comcast and TWC hereby acknowledges and agrees that this guarantee constitutes an absolute, present, primary, continuing and unconditional guaranty of performance, compliance and payment by each of the Guaranteed Parties of the Guaranteed Obligations when due under this Agreement and any Transaction Document to which any Guaranteed Party is a party delivered in connection herewith and not of collection only and is in no way conditioned or contingent upon any attempt to enforce such performance, compliance or payment by a Guaranteed Party or upon any other condition or contingency. Each of Comcast and TWC hereby waives any right to require a proceeding first against any of the Guaranteed Parties.

(c) The obligations of each of Comcast and TWC under this guarantee shall not be subject to any reduction, limitation, impairment or termination for any reason (other than by indefeasible payment or performance in full of any of the Guaranteed Obligations) and shall not be subject to (i) any discharge of any of the Guaranteed Parties from any of the Guaranteed Obligations in a bankruptcy or similar proceeding (except by indefeasible payment or performance

in full of the Guaranteed Obligations) or (ii) any other circumstance whatsoever which constitutes, or might be construed to constitute, an equitable or legal discharge of either Comcast or TWC as guarantor under this Section 10.9.

(d) Each of Comcast and TWC shall cause any transferee of or successor to all or substantially all of its assets to assume its obligations under this Section 10.9.

ARTICLE 11

Miscellaneous Provisions

Section 11.1 Expenses. Except as otherwise specifically provided in Section 3.4, Section 6.3, Section 6.20, Section 6.21, Section 6.22, Section 11.2 or Section 11.16 or elsewhere in this Agreement, each of the parties shall pay its own expenses and the fees and expenses of its counsel, accountants, and other experts in connection with this Agreement.

Section 11.2 Attorneys' Fees. If any Litigation between any TWC Group Member and any Comcast Group Member with respect to this Agreement, the Transaction Documents or the transactions contemplated hereby or thereby shall be resolved or adjudicated by a Judgment of any court, the party prevailing under such Judgment (as determined by the trier of fact based on all relevant facts, including, but not limited to, amounts demanded or sought in such litigation, amounts, if any, offered in settlement of such litigation and amounts, if any, awarded in such litigation) shall be entitled, as part of such Judgment, to recover from the other party its reasonable attorneys' fees and costs and expenses of litigation.

Section 11.3 Waivers. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party hereto, shall be deemed to constitute a waiver by the party taking the action of compliance with any representation, warranty, covenant or agreement contained herein or in any Transaction Document. The waiver by any party hereto of any condition or of a breach of another provision of this Agreement or any Transaction Document shall be in writing and shall not operate or be construed as a waiver of any other condition or subsequent breach. The waiver by any party of any of the conditions precedent to its obligations under this Agreement shall not preclude it from seeking redress for breach of this Agreement other than with respect to the condition so waived.

Section 11.4 Notices. All notices, requests, demands, applications, services of process and other communications which are required to be or may be given under this Agreement or any Transaction Document shall be in writing and shall be

Section 11.5 Entire Agreement; Prior Representations; Amendments. This Agreement, the Confidentiality Agreements (subject to the last sentence of this Section 11.5) and the Transaction Documents executed concurrent herewith embody the entire agreement between the parties hereto with respect to the subject matter hereof and supersede all prior representations, agreements and understandings, oral or written, with respect thereto. Notwithstanding any representations which may have been made by either party in connection with the transactions contemplated by this Agreement, each party acknowledges that it has not relied on any representation by the other party with respect to such transactions, the Transferred Assets, or the Transferred Systems except those contained in this Agreement, the Schedules, the Exhibits hereto or any Transaction Document. This Agreement may not be modified orally, but only by an agreement in writing signed by the party or parties against whom any waiver, change, amendment, modification or discharge may be sought to be enforced. The Confidentiality Agreements, as they relate to any obligation on the part of any party or its Affiliates to keep confidential information regarding the Transferred Assets, the Transferred Systems and/or the Assumed Liabilities acquired or assumed by such party or its Affiliates are hereby terminated.

Section 11.6 Specific Performance. The parties recognize that their rights under this Agreement are unique and, accordingly, the parties shall, in addition to such other remedies as may be available to any of them at law or in equity, have the right to enforce their rights hereunder by actions for injunctive relief and specific performance to the extent permitted by applicable law so long as the party seeking such relief is prepared to consummate the transactions contemplated hereby and the transactions shall be accomplished in a manner that qualifies as a like-kind exchange under Section 1031 of the Code. The parties agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate. The parties waive any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award or injunctive, mandatory or other equitable relief.

Section 11.7 Jurisdiction. Except as otherwise expressly provided in this Agreement, the parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, the Transaction Documents or the transactions contemplated hereby or thereby may be brought in the United States District Court for the Southern District of New York or any other New York State court sitting in New York City, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the

fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 11.4 shall be deemed effective service of process on such party.

Section 11.8 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 11.9 Binding Effect; Benefits. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective heirs, legal representatives, successors, and permitted assigns. No party hereto shall assign this Agreement or delegate any of its duties hereunder to any other Person without the prior written consent of the other parties hereto, which consent shall not be unreasonably withheld or delayed; provided, that any party hereto may, upon notice to the other parties, assign its rights and delegate its obligations under this Agreement (in whole or in part) to any Affiliate of such party. For purposes of this Section, any change in control of the Comcast Group or the TWC Group shall not constitute an assignment by it of this Agreement. In no event shall any assignment of rights or delegation of obligations relieve any party of its obligations hereunder.

Section 11.10 Headings and Schedules. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement. Reference to Schedules shall, unless otherwise indicated, refer to the Schedules contained in the Disclosure Letters, as applicable, which shall be incorporated in and constitute a part of this Agreement by such reference.

Section 11.11 Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile), each of which, when executed, shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

Section 11.12 GOVERNING LAW. THE VALIDITY, PERFORMANCE, AND ENFORCEMENT OF THIS AGREEMENT AND ALL TRANSACTION DOCUMENTS, UNLESS EXPRESSLY PROVIDED TO THE CONTRARY, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THE PRINCIPLES OF CONFLICTS OF LAW OF SUCH STATE.

Section 11.13 Severability. Any term or provision of this Agreement which is invalid or unenforceable shall be ineffective to the extent of such invalidity or

unenforceability without rendering invalid or unenforceable the remaining rights of the Person intended to be benefited by such provision or any other provisions of this Agreement.

Section 11.14 Third Parties; Joint Ventures. This Agreement constitutes an agreement solely among the parties hereto, and, except as otherwise provided herein, is not intended to and shall not confer any rights, remedies, obligations, or liabilities, legal or equitable, including any right of employment, on any Person other than the parties hereto and their respective successors, or assigns, or otherwise constitute any Person a third party beneficiary under or by reason of this Agreement. For the avoidance of doubt, no Person other than a party hereto shall have any right to enforce Section 3.1 or any other provision of this Agreement to the extent relating thereto. Nothing in this Agreement, expressed or implied, is intended to or shall constitute the parties hereto partners or participants in a joint venture.

Section 11.15 Construction. This Agreement has been negotiated by the parties and their respective legal counsel, and legal or equitable principles that might require the construction of this Agreement or any provision of this

Agreement against the party drafting this Agreement shall not apply in any construction or interpretation of this Agreement.

Section 11.16 Risk of Loss; Government Taking.

(a) Each Transferor shall bear the risk of any loss or damage to Transferred Assets to be directly or indirectly transferred by such Transferor in an Exchange resulting from fire, theft or other casualty (except reasonable wear and tear) at all times prior to the Closing (or, in respect of the Adelpia Assets, prior to the Closing but after the Adelpia Closing). In the event any such loss or damage occurs, the applicable Transferor shall (at its expense) use its commercially reasonable efforts to replace or restore such lost or damaged property as soon as practicable and in any event prior to Closing (or, if such damaged property is not replaced or restored prior to Closing, Transferor shall indemnify Transferee for any Losses arising out of such unrepaired damage or unrestored property). If any loss or damage described in the first sentence of this Section 11.16(a) would result in such losses or damage of all Affiliated Transferors being equal to or exceeding \$100,000,000 and is sufficiently substantial so as to preclude and prevent resumption of normal operations of any material portion of any Transferred System by the Outside Closing Date, Transferor Parent shall, to the extent reasonably practical, immediately notify Transferee Parent in writing of that fact (which notice shall, to the extent reasonably practical, specify with reasonable particularity the loss or damage incurred, the cause thereof if known or reasonably ascertainable, and the insurance coverage related thereto), and Transferee Parent, at any time within ten days after receipt of such notice, may elect by written notice to Transferor Parent, to either (i) waive such defect and proceed toward consummation in accordance with the terms of this Agreement (provided, that any such waiver shall also be deemed to be a waiver of any right to indemnification pursuant to the first sentence of this Section 11.16(a) or pursuant to Section 10.1 or 10.2, as applicable, for any breach of any (x) representation or warranty of Transferor Parent set forth in Article 4 or 5, as applicable, resulting from any

130

such loss or damage or (y) covenant hereunder to the extent that compliance therewith is frustrated or made commercially impracticable as a result of such loss or damage) or (ii) terminate this Agreement, subject to Section 9.2. If Transferee Parent elects to so terminate this Agreement, Transferor Parent shall be discharged of any and all obligations hereunder, subject to Section 9.2. If Transferee elects to consummate the transactions contemplated by this Agreement notwithstanding such loss or damage and does so, there shall be no adjustment in the consideration payable to or by Transferee Parent on account of such loss or damage, but all insurance proceeds received or receivable by Transferor or its Affiliates as a result of the occurrence of the event resulting in such loss or damage, including any such proceeds received or receivable by Transferor Parent or its Affiliates pursuant to the TWC/Adelpia Purchase Agreement or the Comcast/Adelpia Purchase Agreement (as applicable), to the extent not already expended by the applicable Transferor or its Affiliates to restore or replace the lost or damaged Transferred Assets, except for any proceeds from business interruption insurance relating to the loss of revenue for any period through and including the Closing Date, shall be delivered by the applicable Transferor or its Affiliates to the applicable Transferee, or the rights to such proceeds shall be assigned by the applicable Transferor or its Affiliates to the applicable Transferee if not yet paid to the applicable Transferor or its Affiliates. The applicable Transferor shall pay any deductible required and/or the self-insured portion of any such loss with respect to all such insurance proceeds payable under any insurance policy held by Transferor or its Affiliates. Any amounts received or receivable hereunder shall not be included in the Net Liabilities Adjustment Amount.

(b) If, prior to Closing in respect of Native Assets, or prior to Closing but after the Adelphia Closing in respect of Adelphia Assets, any material part of or interest in such Transferred Assets is taken or condemned as a result of the exercise of the power of eminent domain, or if a Governmental Authority having such power informs Transferor or any of its Affiliates that it intends to condemn or take all or any material part of the Transferred Assets of Transferor or any of its Affiliates (such event being called, in either case, a “Taking”), then Transferee Parent may terminate this Agreement. If Transferee Parent does not elect to terminate this Agreement, (i) Transferee and its Affiliates shall have the sole right, in the name of Transferor and its Affiliates, if Transferee Parent so elects, to negotiate for, claim, contest and, subject to the Closing occurring, have Transferee receive all damages with respect to the Taking, (ii) Transferor shall be relieved of its obligation to convey directly or indirectly to Transferee such Transferor’s Transferred Assets or interests that of the Taking if the Taking has occurred, (but shall convey to Transferee Parent any interest therein still held by Transferor Parent or its Affiliates and any replacement property acquired by Transferor Parent or its Affiliates), (iii) at Closing, such Transferor and its Affiliates shall assign to Transferee all of such Transferor’s and its Affiliates’ rights to all payments received or receivable with respect to such Taking, including any such payments received or receivable by Transferor or its Affiliates pursuant to the TWC/Adelphia Purchase Agreement or the Comcast/Adelphia Purchase Agreement (as applicable), and shall pay to such Transferee all such payments previously paid to such Transferor or any of its Affiliates with respect to the Taking (to the extent not already expended by Transferor or its Affiliates to restore or replace the Assets taken), and (iv) following Closing, Transferor and its Affiliates shall give Transferee and its Affiliates such further assurances of such rights and assignment

with respect to the Taking as Transferee or its Affiliates may from time to time reasonably request. Any amounts received or receivable hereunder shall not be included in the Net Liabilities Adjustment Amount.

Section 11.17 Additional Parties. Immediately following the Adelphia Closing and prior to the Closing, Comcast shall cause each Transferred Joint Venture Parent to become a party to this Agreement. Upon such joinder, but not before, each Transferred Joint Venture Entity shall be considered a “Comcast Transferor”, “Comcast Participant”, “Comcast Party”, “Comcast Group Member” and Affiliate of the other Comcast Group Members, as relevant, for all purposes of this Agreement. The parties hereto agree that none of Comcast or any of its Affiliates shall have any Liability under this Agreement or any Transaction Document with respect to any Transferred Joint Venture Entity until such time as the Transferred Joint Venture Parents become parties to this Agreement and, in such event, only with respect to events, conditions or circumstances first arising thereafter. The parties agree to execute an appropriate amendment to this Agreement adding the Transferred Joint Venture Parents to this Agreement in accordance with the foregoing.

Section 11.18 Commercially Reasonable Efforts. For purposes of this Agreement, “commercially reasonable efforts” shall not, with regard to obtaining any consent, approval or authorization, be deemed to require a party to undertake extraordinary measures, including the initiation or prosecution of legal proceedings or the payment of amounts in excess of normal and usual filing fees and processing fees, if any.

Section 11.19 Time. Time is of the essence under this Agreement. If the last day for the giving of any notice or the performance of any act required or permitted under this Agreement is a day that is not a Business Day, the time for the giving of such notice or the performance of such act shall be extended to the next succeeding Business Day.

Section 1.3 Rules of Construction. References to one or more schedules or Schedules shall be references to schedules included in that separate disclosure letter (the "Disclosure Letter") delivered by Time Warner Cable to Comcast Trust and Comcast Subsidiary on the Amendment Date in connection with this Agreement, as such Schedules may be updated pursuant to Sections 7.11 and 7.20 (but, in such case, subject to the provisions of such Sections). It is understood that the representations and warranties set forth in Articles 4 and 5 are qualified by the disclosure letter delivered by Comcast Subsidiary to Time Warner Cable on the Amendment Date in connection with this Agreement. Unless otherwise expressly provided in this Agreement: (a) accounting terms used in this Agreement shall have the meaning ascribed to them under GAAP; (b) words used in this Agreement, regardless of the gender used, shall be deemed and construed to include any other gender, masculine, feminine, or neuter, as the context requires; (c) the word "include" or "including" is not limiting, and the word "or" is not exclusive; (d) the capitalized term "Section" refers to sections of this Agreement; (e) references to a particular Section include all subsections thereof, (f) references to a particular statute or regulation include all amendments thereto, rules and regulations thereunder and any successor statute, rule or regulation, or published clarifications or interpretations with respect thereto, in each case as from time to time in effect; (g)

20

references to a Person include such Person's successors and assigns to the extent not prohibited by this Agreement; and (h) references to a "day" or number of "days" (without the explicit qualification "Business") shall be interpreted as a reference to a calendar day or number of calendar days. "Knowledge" (whether or not capitalized) and words of similar import, when used with reference to Time Warner Cable, means the actual knowledge of a particular matter of any of the individuals listed on Schedule 1.3(A), and, from and after delivery of the Second Stage Bringdown Certificate but solely with respect to Sections 6.3(c), 6.3(f) and 6.5 and solely to the extent such Sections relate to the SSBC Systems, the additional individuals identified on Schedule 1.3(B).

ARTICLE 2

Option Exercise; Redemptions; Tolling

Section 2.1 Option; Redemptions.

(a) Option.

(i) Notwithstanding anything to the contrary set forth herein, in no event shall any party hereto have any obligation to consummate the transactions contemplated to occur at the Closing, including the GP Redemption, the Holdco Transaction and the TWC Redemption, unless and until Comcast Subsidiary shall deliver a written notice (the "Option Exercise Notice") to Time Warner Cable during the period commencing on the Option Commencement Date and expiring at 5:00 p.m. (NYT) on the Option Expiration Date specifying that it is irrevocably exercising its option (the "Option") to cause such transactions to be consummated in accordance with the terms and conditions herein set forth. The date on which the Option Exercise Notice, if any, is received by Time Warner Cable is herein referred to as the "Option Exercise Date."

(ii) The Option shall be non-transferable and is solely for the benefit of Comcast Subsidiary.

(iii) The Option, if not yet exercised, shall automatically terminate and be null and void and of no further force or effect at 5:00 p.m. (NYT) on the Option Expiration Date (so long as prior thereto Comcast Subsidiary did not deliver the Option Exercise Notice in accordance with Sections 2.1(a)(i) and 12.4).

(iv) From and after the Option Exercise Date, if any, consummation of the transactions contemplated by this Agreement shall be subject to the satisfaction of the conditions set forth in Sections 8.1, 8.2 and 9.1.

(b) GP Redemption; Holdco Transaction; TWC Redemption. Subject to the terms and conditions set forth in this Agreement, including exercise of the Option:

(i) Subject to Section 2.1(e), prior to the consummation of the Holdco Transaction, (a) pursuant to the terms and conditions of the GP Redemption and Amendment Agreement, the GP Redemption shall be effected, (b) the TWE- A/N Redemption shall be effected and (c) the Subsidiary Transfers shall be

21

effected. Subject to Section 2.1(e), following the consummation of the GP Redemption the TWE- A/N Redemption and the Subsidiary Transfers and prior to the consummation of the TWC Redemption, (a) Time Warner Cable shall (or shall cause its Affiliates to) assign, transfer, convey and deliver to Holdco and Holdco shall accept from Time Warner Cable (and its Affiliates), all of its (and their) right, title and interest in and to the Transferred Assets and (b) Holdco shall assume and agree to pay and discharge, as and when they become due, the Assumed Liabilities. The transactions contemplated by clauses (a) and (b) of the immediately preceding sentence are referred to together as the "Holdco Transaction" and shall be consummated pursuant to one or more Bills of Sale and Assignment and Instrument of Assumption in form and substance reasonably acceptable to Time Warner Cable and Comcast Subsidiary, and such other instruments of transfer or assignment as may be reasonably necessary to effect the Holdco Transaction, in each case in form and substance satisfactory to Comcast Subsidiary. For the avoidance of doubt, both the GP Redemption and the Holdco Transaction shall take place prior to the Closing.

(ii) At the Closing, (a) Time Warner Cable shall transfer to Comcast Trust (or, if such transfer would be permitted under applicable FCC Trust Requirements, to Comcast Subsidiary) all outstanding securities of Holdco (the "Holdco Shares") in exchange for and in complete redemption of the Redemption Securities and (b) Comcast Trust shall deliver to Time Warner Cable a stock certificate evidencing the Redemption Securities which shall be in definitive form and registered in the name of Comcast Trust, in proper form for transfer and, if requested by Time Warner Cable, execute, acknowledge and deliver a stock power or such other customary instruments of transfer as Time Warner Cable may reasonably request. The transactions contemplated by the preceding sentence are referred to as the "TWC Redemption."

(iii) If the Holdco Shares are delivered to Comcast Trust (rather than Comcast Subsidiary) pursuant to Section 2.1(b)(ii), then immediately after such transaction, Comcast Trust will transfer the Holdco Shares to Comcast Subsidiary (the "Comcast Subsidiary Transfer"). For purposes of Section 2.1(e)(i) and all Authorizations required or obtained in connection with the transactions contemplated by this Agreement at the Closing, the Comcast Subsidiary Transfer will be considered as part of such transactions so that such Authorizations will allow such transfer.

(iv) Each of the parties hereto hereby agrees that its execution of this Agreement shall constitute its consent and approval of the GP Redemption, the Holdco Transaction, the TWC Redemption and the Comcast Subsidiary Transfer, if any, for all purposes. Without limiting the foregoing, Comcast Trust I hereby agrees to execute and deliver the GP Redemption and Amendment Agreement at such time prior to the Closing as Time Warner Cable shall request.

(c) Transferred Assets. "Transferred Assets" means the Cash Amount, an amount of cash equal to the cash excluded from Excluded Assets pursuant to clause (iv) of the definition thereof (other than the Cash Amount) and all of Time Warner Cable's and its Affiliates' right, title and interest in the assets and properties, real and personal, tangible and intangible, owned, held for use, leased, licensed or used by Time

22

Warner Cable or its Affiliates primarily in the operation of the Transferred Systems as of the Closing Time (that are not Excluded Assets), which Cash Amount and right, title and interest shall be owned by Holdco as of the Closing (other than as contemplated by Section 2.1(e)(i)). The Transferred Assets shall include the following types of assets and properties:

(i) Tangible Personal Property. All tangible personal property, including towers, tower equipment, aboveground and underground cable, distribution systems, headend equipment, line amplifiers, microwave equipment, converters, testing equipment, motor vehicles, office equipment, furniture, fixtures, supplies, inventory and other physical assets (the "Tangible Personal Property"), including the Tangible Personal Property described on Schedule 2.1(c)(i);

(ii) Real Property. All fee interests in real property (including improvements thereon) (the "Owned Property"), including the interests described as Owned Property on Schedule 2.1(c)(ii), and all leases, easements, rights of access and other interests (not including fee interests) in real property (the "Real Property Interests"), including the Real Property Interests described on Schedule 2.1(c)(ii);

(iii) Franchises. All franchises and similar authorizations or similar permits issued by any Governmental Authority, (the "Transferred Systems Franchises"), including the Transferred Systems Franchises described on Schedule 2.1(c)(iii);

(iv) Licenses. All cable television relay service ("CARS"), business radio and other licenses, authorizations, consents or permits issued by the FCC or any other Governmental Authority (other than the Transferred Systems Franchises) (the "Transferred Systems Licenses"), including the Transferred Systems Licenses described on Schedule 2.1(c)(iv);

(v) Contracts. All pole line or joint line agreements, underground conduit agreements, crossing agreements, bulk service, commercial service or multiple dwelling agreements, access agreements, system specific programming agreements or signal supply agreements, agreements with community groups, commercial leased access agreements, capacity license agreements, partnership, joint venture or other similar agreements or arrangements, advertising representation and interconnect agreements, and other Contracts (including all Contracts in respect of Real Property Interests) (the "Transferred Systems Contracts"), including the Transferred Systems Contracts described on Schedule 2.1(c)(v);

(vi) Accounts Receivable and Current Assets. All subscriber, trade and other accounts receivable (including advertising accounts receivable) and pre-paid expense items;

23

(viii) Insurance and Condemnation Proceeds. All rights to insurance and condemnation proceeds received or receivable after Closing in respect of any Assumed Liabilities, all insurance and condemnation proceeds (to the extent not already expended by Time Warner Cable to restore or replace the lost, damaged or condemned asset, which replacement asset shall be a Transferred Asset) received or receivable in respect of any asset damaged, lost or condemned after the Balance Sheet Date and which if not so damaged, lost or condemned would have been a Transferred Asset and all insurance and condemnation proceeds received or receivable in respect of business interruption of the Transferred Systems to the extent relating to any period after Closing, in each case on an effective after-tax basis as if TWE and TWE-A/N are, in each case, instead of being partnerships, stand-alone corporations;

in the case of each of the foregoing, if such property is owned, held for use, leased, licensed or used primarily in the operation of the Transferred Systems and then only to the extent of Time Warner Cable's and its Affiliates' right, title and interest therein.

For the avoidance of doubt, and subject to Section 2.1(e), the parties intend that to the fullest extent permitted all record and beneficial ownership interests of Time Warner Cable and its Affiliates in the Transferred Assets will be transferred to Holdco in the Holdco Transaction and if any Transferring Person holds beneficial ownership in assets of the type described above while another

Transferring Person holds record ownership in such assets, all of such ownership interests would be transferred to Holdco in the Holdco Transaction.

(d) Excluded Assets. Notwithstanding anything to the contrary set forth herein, all right, title and interest of Time Warner Cable and its Affiliates in, to and under the following (collectively, the “Excluded Assets”), in each case regardless of whether related to the Transferred Systems, shall not be transferred to Holdco pursuant to the Holdco Transaction and shall be retained directly or indirectly by Time Warner Cable from and after the Closing: (i) any and all cable programming services agreements (including cable guide contracts but excluding system specific programming agreements listed on Schedule 2.1(c)(v)) and any payments received or to be received with respect thereto; (ii) any and all insurance policies and rights and claims thereunder other than the matters described in Section 2.1(c)(viii); (iii) letters of credit and any stocks, bonds (other than surety bonds), certificates of deposit and similar investments; (iv) any and all cash and cash equivalents (including cash received as advance payments by subscribers in the ordinary course of business and held by Time Warner Cable or its Affiliates as of the Closing Time, but excluding cash in an amount equal to the amount of cash received as (A) subscriber deposits, (B) the cash insurance and condemnation proceeds described in Section 2.1(c)(viii), (C) petty cash on-hand, if any, (D) any cash referred to in Section 12.16, (E) cash received as advance payments

24

from subscribers that are not received in the ordinary course of business, (F) cash proceeds (on an effective after-tax basis as if TWE and TWE-A/N are, in each case, instead of being partnerships, stand alone corporations) of any exercise of a Transferred System Option and (G) the Cash Amount (clauses (B) (except to the extent relating to an Assumed Liability), (D), (E), (F) and (G), the “Excluded Transferred Cash”)); (v) any and all patents, copyrights, trademarks, trade names, service marks, service names, logos and similar proprietary rights, including the “Time Warner Cable” or “Road Runner” name and any derivations thereof (subject to Section 3.2 and excluding those items (other than those incorporating the “Time Warner” or “Road Runner” name) owned, licensed, used or held for use exclusively in connection with the operation of the Transferred Systems); (vi) any and all Contracts for subscriber billing services and any equipment leased with respect to the provision of services under such Contracts (subject to Section 7.9); (vii) any and all Contracts relating to national advertising sales representation; (viii) any and all agreements with Road Runner Holdco LLC or any other Internet service provider; (ix) any and all Contracts pursuant to which Time Warner Cable or any of its Affiliates procures goods or services for both the Transferred Systems and the Time Warner Cable Retained Cable Systems; (x) any and all retransmission consent agreements, except as provided in Section 7.5 with respect to certain Local Retransmission Consent Agreements as elected by Comcast Subsidiary; (xi) any and all agreements governing or evidencing an obligation of Time Warner Cable or any of its Affiliates for borrowed money; (xii) the assets described on Schedule 2.1(d); (xiii) any surplus inventory in excess of amounts of inventory held consistent with Specified Division practice; (xiv) any and all Authorizations of Governmental Authorities to provide telephony service held, directly or indirectly, by Time Warner Cable or any of its Affiliates; (xv) any and all assets relating to the Time Warner Cable 401(k) Plan and the Time Warner Cable Pension Plans; (xvi) any and all account books of original entry, general ledgers, and financial records used in connection with the Transferred Systems; (xvii) any assets of the type that would be excluded from financial statements by reason of the GAAP Adjustments; and (xviii) any intercompany account receivable created to record cash swept from the Transferred Systems prior to Closing (except to the extent such cash would be excluded from the definition of “Excluded Assets” pursuant to clause (iv) above and such cash amount is not otherwise transferred to Holdco in the Holdco Transaction); provided, that Time Warner Cable shall, at Comcast Subsidiary’s request and expense, provide copies of, or information contained in, such books, records and ledgers referred to in clause (xvi) above (other than information pertaining to programming agreements that are not Transferred System-specific programming or, to the extent necessary to protect the legitimate legal, business and/or confidentiality concerns of Time Warner Cable but taking into account Holdco’s and Comcast Subsidiary’s need for such information, other information that is competitively sensitive, is subject to confidentiality restrictions or that contains trade secrets or other sensitive information) to the extent reasonably requested by Holdco or Comcast Subsidiary after the Closing Date.

(e) Authorizations and Consents.

(i) If and to the extent that the transfer or assignment from TWE to TWE Holdco I, from TWE- A/N to TWE, from any Transferring Person to

Time Warner Cable or from Time Warner Cable or any of its Affiliates to Holdco (or any successor thereof) of any Transferred Asset (or following such transfer or assignment, the transfer of Holdco Shares to Comcast Trust or Comcast Subsidiary, or from Comcast Trust to Comcast Subsidiary, as the case may be) would be a violation of applicable Legal Requirements with respect to such Transferred Asset, require any Authorization with respect to such Transferred Asset or otherwise adversely affect the rights of the applicable transferee thereunder then the transfer or assignment to Time Warner Cable or Holdco, as applicable, of such Transferred Asset (each a “Delayed Transfer Asset”) shall be automatically deemed deferred and any such purported transfer or assignment shall be null and void until such time as all legal impediments are removed and/or such Authorizations have been made or obtained. Notwithstanding the foregoing, any such Delayed Transfer Asset shall be deemed a Transferred Asset for purposes of determining whether any Liability is an Assumed Liability.

(ii) If the transfer or assignment of any Transferred Asset intended to be transferred or assigned hereunder is not consummated prior to or at the Closing, whether as a result of the provisions of Section 2.1(e) or for any other reason, then Time Warner Cable (or its Affiliate) shall thereafter, directly or indirectly, hold such Transferred Asset for the use and benefit, insofar as reasonably possible and not prohibited under the terms of any applicable Contract, of Holdco (at the expense of Holdco). In addition, Time Warner Cable shall take or cause to be taken such other actions as may be reasonably requested by Holdco in order to place Holdco, insofar as reasonably possible, in the same position as if such Transferred Asset had been transferred as contemplated hereby and so that all the benefits and burdens relating to such Transferred Assets including possession, use, risk of loss, potential for gain, and dominion, control and command over such Transferred Asset, are to inure from and after the Closing to Holdco. To the extent permitted by Legal Requirements and to the extent otherwise permissible in light of any required Authorization, Holdco shall be entitled to, and shall be responsible for, the management of any Transferred Assets not yet transferred to it as a result of this Section 2.1(e) and the parties agree to use reasonable commercial efforts to cooperate and coordinate with respect thereto. For the avoidance of doubt, Time Warner Cable will cause TWE and each other Transferring Person to comply with the provisions hereof as if TWE or such other Transferring Person were a party hereto to the extent any Transferred Asset was intended to be, but was not, transferred in the GP Redemption, TWE-A/N Transfer, Subsidiary Transfers or the Holdco Transaction, as applicable.

(iii) If and when the Authorizations, the absence of which caused the deferral of transfer of any Transferred Asset pursuant to this Section 2.1(e), are obtained, the transfer of the applicable Transferred Asset to Holdco shall automatically and without further action be effected in accordance with the terms of this Agreement and the applicable Transaction Documents.

(iv) Neither Time Warner Cable nor any Affiliate thereof shall be obligated, in connection with the foregoing, to expend any money unless the necessary funds are advanced by Holdco, other than reasonable out-of-pocket expenses, attorneys’ fees and recording or similar fees, all of which shall be promptly

reimbursed by Holdco except as otherwise specifically provided in this Agreement, including for this purpose Section 3.4.

(v) Prior to the Holdco Transaction, Time Warner Cable shall deliver to Holdco a list identifying, in reasonable detail and to Time Warner Cable’s knowledge, the Delayed Transfer Assets and the Authorizations required therefor.

(vi) The parties hereto further agree (A) that any Delayed Transferred Assets referred to in this Section 2.1(e) shall be treated for all Income Tax purposes as assets of Holdco (or any successor thereof) and (B) not to report or take any Tax position (on a Tax Return or otherwise) inconsistent with such treatment (unless required by a change in applicable Tax law or a good faith resolution of a contest, provided that if such a resolution would result in Time Warner Cable taking a position that is inconsistent with any reporting position required to be taken under the Tax Matters Agreement the provisions of the Tax Matters Agreement shall apply).

Section 2.2 Assumed Liabilities. At the Closing and except as otherwise provided for herein, Holdco shall assume, and, from and after the Closing, Holdco shall pay, discharge and perform as and when due, all (a) Liabilities of Time Warner Cable and its Affiliates to the extent arising out of, resulting from or associated with the ownership and operation of the Transferred Assets and/or the Transferred Business prior to Closing, or the transfer of such Transferred Assets and/or Transferred Business at Closing, including all

Master Pre-Closing Liabilities, but in each case only to the extent such Liabilities are reflected in the Closing Net Liabilities Amount used to calculate the Final Closing Adjustment Amount and (b) all Liabilities to the extent relating to, arising out of or resulting from the ownership and operation of the Transferred Assets and/or the Transferred Business after the Closing, including all Specified Launch Support Liabilities, (clauses (a) and (b)) collectively, the “Assumed Liabilities”). The Assumed Liabilities shall not include (i) Excluded Tax Liabilities, (ii) Liabilities set forth on Schedule 2.2, (iii) Liabilities for long-term debt (including the current portion thereof), (iv) Liabilities to the extent arising out of, resulting from or associated with the use, ownership or operation of the Excluded Assets other than Master Pre-Closing Liabilities and Specified Launch Support Liabilities, (v) any Liabilities of Time Warner Cable or its Affiliates other than Assumed Liabilities, (vi) any Liabilities the type that would be excluded from financial statements by reason of the GAAP Adjustments or (vii) any intercompany payable created to record cash lent to the Transferred Systems prior to Closing (clauses (i) through (vii) collectively, “Excluded Liabilities”).

Section 2.3 Registration Rights Agreement.

(a) Comcast Trust and Time Warner Cable each hereby acknowledge and agree that any request by Comcast Trust for a demand registration under the Registration Rights Agreement prior to the date hereof (the “Previous Request”) will be treated for all purposes as if it had not been made. Unless and until a subsequent request for a demand registration is delivered on or after the Tolling

The foregoing shall be deemed to amend, modify and supplement the Registration Rights Agreement; provided, that, it is acknowledged and agreed by Time Warner Cable that nothing contained in this Section 2.3 shall be deemed a revocation by Comcast Trust for purposes of Section 4.1(c) of the Registration Rights Agreement.

(c) Comcast Trust hereby agrees that it will not from and after the date hereof until the Tolling Termination Date transfer or otherwise dispose of any Registrable Securities to any Person unless prior to such transfer or disposition (and as a condition thereto) such Person agrees in writing to be bound by this Section 2.3 as if a party hereto and delivers a written acknowledgment of the same to Time Warner Cable (including with respect to any subsequent transfers or dispositions).

No later than two Business Days prior to the Closing Date, Time Warner Cable will deliver to Comcast Trust and Comcast Subsidiary a good faith estimate of the Subscriber Adjustment Amount (the “Estimated Subscriber Adjustment Amount”), if any, and a good faith estimate of the Closing Net Liabilities Adjustment Amount (the “Estimated Closing Net Liabilities Adjustment Amount”), if any, together with appropriate documentation supporting such estimates. The sum of the Estimated Subscriber Adjustment Amount and the Estimated Closing Net Liabilities Adjustment Amount is referred to herein as the “Estimated Closing Adjustment Amount” and may be a positive or a negative amount.

Section 2.5 Final-Closing Adjustment Amount.

(a) No later than ninety (90) days following the Closing Date (the “Delivery Date”), (i) Comcast Subsidiary will deliver to Time Warner Cable (A) its determination of the Closing Net Liabilities Amount for Holdco and based on the foregoing, the Closing Net Liabilities Adjustment Amount, (B) its determination of the Transferred Closing Subscriber Number and the Transferred Base Subscriber Number and (C) appropriate documentation supporting such determinations (the “Comcast

Each such statement shall be prepared in good faith in accordance with this Agreement based on the books and records of the Transferred Systems held by Holdco or based on the books and records of the Time Warner Cable Retained Cable Systems held by Time Warner Cable, as the case may be.

(b) If Time Warner Cable disagrees with any item in the Comcast Statement delivered pursuant to Section 2.5(a)(i), Time Warner Cable may, within ninety (90) days after the Delivery Date, deliver a notice to Comcast Subsidiary disagreeing with such item and setting forth Time Warner Cable’s calculation of such item, together with appropriate documentation supporting such determination. Any such notice of disagreement shall specify those items or portions thereof as to which Time Warner Cable disagrees, and Time Warner Cable shall be deemed to have agreed with all other items and portions of items contained in the Comcast Statement delivered to it pursuant to Section 2.5(a)(i). If Comcast Subsidiary disagrees with any item in the Time Warner Cable Statement delivered pursuant to Section 2.5(a)(ii), Comcast Subsidiary may, within ninety (90) days after the Delivery Date, deliver a notice to Time Warner Cable disagreeing with such item and setting forth Time Warner Cable’s calculation of such item, together with appropriate documentation supporting such determination. If during such period, Time Warner Cable and Comcast Subsidiary are unable to reach such agreement, they shall promptly jointly retain a nationally recognized accounting firm that is not the principal independent accountant of either Comcast Parent or Time Warner Cable’s ultimate parent (the “Accounting Referee”) to resolve the disputed items or amounts. The Accounting Referee shall deliver to Time Warner Cable and Comcast Subsidiary, as promptly as practicable (but, in any event, within thirty (30) days after submission of the dispute to it), a report setting forth its resolution of the disputed items and amounts and based thereon (and on the items (or portions thereof) and amounts not in dispute) the Closing Adjustment Amount. Such report shall be final and binding upon Time Warner Cable and Comcast Subsidiary. The

disputed items, as determined by the Accounting Referee. As used herein, the term “Closing Adjustment Amount” means the sum of the Subscriber Adjustment Amount and the Closing Net Liabilities Amount.

(e) If the Final Closing Adjustment Amount exceeds the Estimated Closing Adjustment Amount, Time Warner Cable will pay to Holdco the amount of such excess. If the Estimated Closing Adjustment Amount exceeds the Final Closing Adjustment Amount, Holdco will pay to Time Warner Cable the amount of such excess. Any payment pursuant to this Section 2.5(e) shall be made in cash at a mutually convenient time and place within three (3) days following the determination of the Final Closing Adjustment Amount. (g) As used herein, the term “Closing Net Liabilities Adjustment Amount” means the excess, if any, of the Closing Net Liabilities Amount over \$17,160,000. The “Closing Net Liabilities Amount” shall equal the amount of all Liabilities of Holdco (other than the Holdco Transaction Liabilities) as of the Closing (after giving effect to the Closing), less the amount of all current assets (other than inventory and the Excluded Transferred Cash) of Holdco as of the Closing (after giving effect to the Closing), in each case as would be reflected on the face of a balance sheet (excluding any footnotes thereto) prepared in accordance with GAAP; provided that, if Comcast Subsidiary or one of its Affiliates shall have made the request provided in the first sentence of Section 3.1(g)(v), the Actuarial Amount shall be treated as a Liability on the face of such balance sheet prepared in accordance with GAAP for purposes of this calculation and if Comcast Subsidiary or any of its Affiliates has not made such request the Liabilities assumed by Comcast Subsidiary pursuant to the last sentence of Section 3.1(g)(v) shall be treated as a Liability on the face of such balance sheet prepared in accordance with GAAP for purposes of this calculation. The Closing Net Liabilities Amount shall be deemed to include (without duplication) assets or Liabilities of Comcast Subsidiary or its Affiliates or Holdco conveyed or assumed (as applicable) pursuant to Section 3.1, to the extent such assets or Liabilities would be reflected on the face of a balance sheet of the Transferred Business (excluding any footnotes thereto) prepared in accordance with GAAP as of the Closing Time, but without giving effect to the Closing. For purposes of making the foregoing “past due” calculations, the billing statements of a Transferred System will be deemed to be due and payable consistent with ordinary accounting practice. Current Assets shall include the total SMATV Consideration paid in respect of any Excluded SMATV Acquisition. For the avoidance of doubt, Liabilities shall include, but are not limited to, the Actuarial Amount (if Comcast Subsidiary or any of its Affiliates shall have made the request provided in the first sentence of Section 3.1(g)(v)), Specified Launch Support Liabilities, accounts payable, accrued expenses (including all accrued vacation time, sick days, other accrued paid time off, copyright fees, programming expenses, Applicable Taxes,

As used herein, the term "Original Transferred Percentage" means a fraction (expressed as a percentage) the numerator of which is (A) the number of Individual Subscribers of the Original Systems as of the Closing Date *minus* (B) the number of Individual Subscribers of the Original Systems acquired pursuant to any Excluded SMATV Acquisition (the "Original Transferred Closing Subscriber Number") and the denominator of which is the number of Individual Subscribers of such Original Systems as of July 31, 2004 (the "Original Transferred Base Subscriber Number"). (a) Employees. Each Transferred System Employee who is an employee of Time Warner Cable or one of its Subsidiaries as of immediately prior to the Holdco Transaction, including individuals on leave of absence, short-term disability and long-term disability, shall become an employee of Holdco as of the consummation of the Holdco Transaction. Employees who commence employment with Holdco in accordance with the preceding sentence shall be referred to herein as "Comcast Transferred System Employees." For the avoidance of doubt, if any employee holding the job title as of the date hereof listed on Schedule 3.1(l)(i) (as previously identified by name to Comcast Subsidiary by Time Warner Cable) remains employed by Time Warner Cable or its Affiliates on the Closing Date as permitted by Section 3.1(l) hereof, such employee shall not be a Comcast Transferred System Employee. Holdco (or its Affiliates as of the Closing) shall take such actions as are reasonably necessary to effectuate the transfer of employment described in this Section 3.1(a), including, without limitation, making a general offer of employment to each such Transferred System Employee. The parties hereto shall not take any action that is not otherwise permitted under this Article 3 that would interfere with such employees becoming employed by Holdco as of the

consummation of the Holdco Transaction. Immediately following the Closing, Comcast shall cause the Comcast Transferred System Employees to be paid base salary or wage rates no less than those rates provided to such employees immediately prior to the consummation of the Holdco Transaction and to be provided benefit plan participation at levels no less favorable than those applicable to similarly situated employees of Comcast Subsidiary or its Affiliates at the time of the Closing. As of the Closing, Holdco shall have no employees other than employees who are primarily employed in connection with the Transferred Systems.

(i) Holdco shall recognize, as to each Comcast Transferred System Employee, the period of service (without duplication of benefits) with Time Warner Cable and any of its Affiliates (other than Holdco) prior to the Closing under all Time Warner Cable Benefit Plans to the extent so recognized by Time Warner Cable and its Affiliates prior to the Holdco Transaction. In addition, Holdco shall recognize, as to each Comcast Transferred System Employee, all vacation, sick days and other paid time off accrued by such Comcast Transferred System Employee but unused as of the consummation of the Holdco Transaction, in each case to the extent such amounts are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(ii) Notwithstanding any provision in this Agreement to the contrary, the parties hereto agree that, except to the extent used in connection with the funding of any Time Warner Cable Benefit Plan that is continued by Time Warner Cable or any of its Affiliates (other than Holdco), as of the consummation of the Holdco Transaction the parties hereto shall cause to be transferred to or held for the benefit of

33

Holdco their interests in all life, medical and other insurance policies to the extent relating to Transferred System Employees.

(iii) Subject to obtaining any necessary consents and except as provided in Section 7.2(h) or as otherwise provided in this Agreement, as of the consummation of the Holdco Transaction, Time Warner Cable and its Affiliates (other than Holdco) shall assign to Holdco, and Holdco shall assume, (A) all rights, obligations and Liabilities of Time Warner Cable and its Affiliates (other than Holdco) (x) under all employment agreements, unfunded compensation arrangements and employee related insurance policies and (y) for benefits accrued and payable now and in the future under all Time Warner Cable Benefit Plans, and (B) all other employment-related rights, obligations and Liabilities, in each case to the extent relating to Transferred System Employees (other than Liabilities relating to or arising under the "Time Warner Cable 401(k) Plan", the "Time Warner Cable Pension Plans" (each as defined below), the Time Warner Cable Excess Benefit Pension Plan and any equity-based compensation plans maintained by Time Warner Cable or its Affiliates) (such Liabilities shall be included in the meaning of Assumed Liabilities). With respect to the period prior to Closing, any such Liabilities shall only be assumed to the extent reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(iv) The parties hereto agree that, except to the extent that sponsorship of a funded Time Warner Cable Benefit Plan is continued by Time Warner Cable or any of its Affiliates (other than Holdco) and except as provided in Section 7.2(h) or as otherwise provided in this Agreement, the Transferred Assets shall include any monies, contracts or other funds relating to the participation of any Transferred System Employees in any Time Warner Cable Benefit Plan, in each case to the extent such amounts, monies, contracts or other funds are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(v) Subject to any required notification, as of the consummation of the Holdco Transaction, the parties agree to take such action, and to cause their Affiliates to take such action, as is necessary to cause Holdco to succeed to the rights and obligations of Time Warner Cable and its Affiliates (other than Holdco), including its rights and obligations with respect to any "multiemployer plan" (as defined in Section 3(37) of ERISA), under any collective bargaining agreement (if any so exist) to the extent such agreement covers Transferred System Employees.

(b) Continued Employment with Holdco. Effective as of the Closing, all Comcast Transferred System Employees shall continue to be employees of Holdco and shall cease to be employees of Time Warner Cable or any of its Subsidiaries. Notwithstanding the foregoing, Comcast Subsidiary and its Affiliates shall have no Liability with respect to the termination of employment of the employees holding the job titles as of the date hereof listed on Schedule 3.1(l)(i), if any such employee is hired by Time Warner Cable or any of its Affiliates as permitted by Section 3.1(l) in the 12 month period following the Closing.

(d) Participation in Benefit Plans. With respect to Comcast Transferred System Employees, compensation and service of such employees with Time Warner Cable and its Affiliates prior to Closing shall be recognized under all applicable Comcast Benefit Plans to the extent so recognized under the corresponding Time Warner Cable Benefit Plans prior to Closing, except to the extent that duplication of benefits would result or as otherwise provided in this Agreement.

(e) Tax-Qualified Defined Contribution Plans. As of and following the Closing, Transferred System Employees shall not be entitled to make contributions to or to benefit from matching or other contributions under the TWC Savings Plan ("Time Warner Cable 401(k) Plan"). None of Comcast Subsidiary, any of its Affiliates or Holdco shall have any Liability with respect to the Time Warner Cable 401(k) Plan, except as may be provided in any other agreement between Time Warner Cable or any of its Affiliates, on the one hand, and Comcast Subsidiary or any of its Affiliates (other than Holdco), on the other. Comcast Transferred System Employees who were participants in the Time Warner Cable 401(k) Plan immediately prior to the Closing shall become participants in a defined contribution pension plan qualified under Section 401(a) of the Code and meeting the requirements of Section 401(k) of the Code established or maintained by Comcast Subsidiary or its Affiliates (the "Comcast 401(k) Plan") as of the Closing; provided, that any Comcast Transferred System Employee with less than 6 months of service with Time Warner Cable or any of its Affiliates immediately prior to Closing will only become a participant in the Comcast 401(k) Plan after completing 6 months of combined continuous service with Time Warner Cable or any of its Affiliates (other than Holdco) and Holdco or any of its Affiliates (other than Time Warner Cable). Comcast Subsidiary or its Affiliates shall cause the Comcast 401(k) Plan to accept cash eligible rollover distributions (as defined in Section 402(c)(4) of the Code) by Comcast Transferred System Employees with respect to account balances distributed to them on or after the Closing Date by the Time Warner Cable 401(k) Plan.

(f) Tax-Qualified Defined Benefit Plans. As of the Closing, the Transferred System Employees shall cease accruing benefits under the Time Warner Cable Pension Plan, and the Time Warner Cable Union Pension Plan (collectively, the "Time Warner Cable Pension Plans"). None of Comcast Subsidiary, any of its Affiliates or Holdco shall have any Liability with respect to the Time Warner Cable Pension Plans or the Time Warner Cable Excess Benefit Pension Plan except as may be provided in any other agreement between Time Warner Cable or any of its Affiliates, on the one hand, and Comcast Subsidiary or any of its Affiliates (other than Holdco), on the other.

(g) Health and Welfare Plans.

(i) All Liabilities relating to, arising out of, or resulting from health and welfare coverage or claims incurred by or on behalf of each Transferred System Employee under any Time Warner Cable Benefit Plan that is a health or welfare plan within the meaning of Section 3(1) of ERISA (each a "Time Warner Cable Health or Welfare Plan") prior to the Closing shall be Liabilities of Holdco or one of its Affiliates to the extent such Liabilities are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(iii) Each Comcast Transferred System Employee who, after the recognition of service provided for in Section 3.1(d) satisfies the eligibility requirements under the applicable Comcast Benefit Plan that is a health or welfare plan within the meaning of Section 3(1) of ERISA (each, a “Comcast Health or Welfare Plan”), shall be (A) entitled to enroll, effective as of the Closing, as a newly-eligible employee of Comcast Subsidiary or one of its Affiliates in the Comcast Health or Welfare Plans then available to similarly situated employees of Comcast Subsidiary or any of its Affiliates and (B) eligible to elect such coverage and benefit options as may then be available or provided under the terms of the Comcast Health or Welfare Plans to new employees of Comcast Subsidiary or any of its Affiliates. All compensation, benefit elections, deductible payments, payments toward the applicable out-of-pocket maximums and other benefit-affecting determinations affecting Comcast Transferred System Employees that, as of immediately prior to the Closing, were recognized under any Time Warner Cable Health or Welfare Plan with respect to the plan year in which the Closing occurs shall receive full recognition, credit and validity and be taken into account under the corresponding Comcast Health or Welfare Plan as of the Closing with respect to that same plan year.

(iv) With respect to any Comcast Transferred System Employee and his or her dependents (if any) who were covered under any Time Warner Cable Health or Welfare Plan immediately prior to the Closing, Comcast Subsidiary shall take, or cause to be taken, the appropriate actions reasonably necessary to ensure that the proof of insurability requirements (if any) and the preexisting condition exclusions (if any) applicable to new enrollees under the corresponding Comcast Health or Welfare Plan (if any) are waived with respect to such Comcast Transferred System Employee, to the extent that such requirements and exclusions were waived under any similar corresponding Time Warner Cable Health Welfare Plan.

(v) Upon the written request of Comcast Subsidiary or one of its Affiliates delivered to Time Warner Cable at least 60 days prior to the expected Closing Date, Time Warner Cable shall, or shall cause its Affiliates to, permit those Transferred System Employees on long-term disability or who are receiving retiree life or retiree medical benefits at the time of the Closing and who are listed on a Schedule

If Comcast Subsidiary or one of its Affiliates makes the request provided in the first sentence of this Section 3.1(g)(v), except for the payment of the Actuarial Amount, any Liability associated with any long-term disability, retiree life or retiree medical benefits, as applicable, relating to or in connection with the Selected Employees shall not be an Assumed Liability and shall be included in the meaning of Excluded Liabilities. If Comcast Subsidiary or one of its Affiliates does not make the request provided in the first sentence of this Section 3.1(g)(v), Comcast Subsidiary shall assume all Liabilities associated with any long-term disability, retiree life or retiree medical benefits relating to or in connection with the Selected Employees and such Liabilities shall be reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount.

(h) Reimbursement Account Plans. To the extent any Comcast Transferred System Employee made contributions to any Time Warner Cable Benefit Plan that is a reimbursement account plan, such as a health care or dependent care reimbursement plan (“Time Warner Cable Reimbursement Plan”), during the calendar year in which the Closing occurs, such Comcast Transferred System Employee shall be permitted to file claims for reimbursement under a Comcast Benefit Plan that is a comparable reimbursement account plan (“Comcast Reimbursement Plan”) for qualifying expenses incurred during the calendar year in which the Closing occurs, including periods prior to the Closing, for a total amount not to exceed the amount elected by such Comcast Transferred System Employee for that year under such plan. Account balances, whether positive or negative, shall be transferred and assigned to the appropriate Comcast Reimbursement Plan by Time Warner Cable or an Affiliate, as applicable. As soon as practicable following the Closing, Time Warner Cable shall pay to Comcast Subsidiary a cash amount (which amount shall be deemed to constitute a current asset of Holdco for

purposes of Section 2.5(g)) equal to the aggregate positive balances as of the Closing Date of each flexible spending account of each Comcast Transferred System Employee under the applicable Time Warner Cable Reimbursement Plan. Comcast Subsidiary shall assume all obligations of Time Warner Cable with respect to each Transferred System Employee under the applicable Time Warner Cable Reimbursement Plan.

(i) COBRA. Time Warner Cable and its Affiliates (other than Holdco) shall retain all obligations and Liabilities with respect to Transferred

37

System Employees who elected continued group plan coverage under COBRA or incurred a “qualifying event” prior to the Closing.

(j) WARN Compliance. Comcast Subsidiary and Holdco shall be responsible for any Liability arising under the Worker Adjustment and Retraining Notification Act and any similar state or local laws (collectively, “WARN”) with respect to the termination of employment of Comcast Transferred System Employees on or after the Closing. During the period prior to the Closing, the parties agree to cooperate with each other in order to comply with WARN, including, but not limited to, Holdco or its Affiliates providing to Transferred System Employees and any applicable governmental entities or other required persons (on behalf of itself and Comcast Subsidiary) any notice and other requirements under WARN.

(k) Workers’ Compensation Liabilities. Comcast Subsidiary and Holdco shall be responsible for all workers’ compensation Liabilities relating to, arising out of, or resulting from any claim incurred for a compensable injury sustained by a Comcast Transferred System Employee on or after the Closing and, to the extent reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount, before Closing.

38

(iv) Time Warner Cable or its Affiliates shall make available to Comcast Subsidiary or its Affiliates for consultation and transitional services those employees holding the job titles as of the date hereof listed on Schedule 3.1(l)(i) (if hired or

The provision of any such services shall be in accordance with the terms of Section 7.9 hereof and shall not unreasonably interfere with the performance of any such employee's duties to Time Warner Cable or its Affiliates.

(v) Solely for purposes of this Section 3.1(l), "Transferred System Employee" shall be applied so as to include any individual who as of any relevant date (which shall include the period from the date hereof (or, with respect to employees of the Designated Systems, the Amendment Date) through the Closing Date) would be a Transferred System Employee if the Closing Date occurred on such date.

(m) Confidentiality and Proprietary Information. No provision of this Section 3.1 shall be deemed to release any individual for any violation of a plan, policy, agreement or guideline regarding non-competition or pertaining to confidential or proprietary information of Time Warner Cable or any of its Affiliates or otherwise relieve any individual of his or her obligations under such guideline or any such plan, program or arrangement.

(n) No Implied Rights or Third Party Beneficiaries. The parties hereto hereby acknowledge and agree that no provision of this Agreement shall be construed to create any right, or accelerate entitlement, to any compensation or benefit whatsoever on the part of any Transferred System Employee or other future, present, or former employee of Comcast Subsidiary, Holdco, Time Warner Cable, or any of their respective Affiliates, under any Comcast Benefit Plan or Time Warner Cable Benefit Plan or otherwise. Holdco is (or at the Closing will be) duly registered as a foreign corporation in all jurisdictions in which the ownership or leasing of the Transferred Assets or the nature of its activities in connection with the Transferred Systems makes such qualification necessary, with only such exceptions as would not, individually or in the aggregate, result in a Material Adverse Effect. Time Warner Cable owns all of the issued and outstanding capital stock of Holdco, free and clear of all Liens, other than restrictions imposed by applicable federal or state securities Laws. All of such capital stock is duly authorized, validly issued, fully paid and non-assessable, and was issued in compliance in all material respects with all applicable Legal Requirements. There shall be no outstanding options, warrants, rights, commitments, conversion rights, preemptive rights or agreements of any kind to which Time Warner Cable or any of its Affiliates or Holdco is a party or by which any of them is bound which would obligate any of them to issue, deliver, purchase or sell any additional shares of capital stock, units, membership, or other equity or profit interests of any kind in Holdco or any security convertible into or exercisable or exchangeable for any of the foregoing. In the TWC Redemption, Time Warner Cable will transfer to Comcast Trust or Comcast Subsidiary, as the case may be, valid title to the Holdco Shares free and clear of any Liens, other than restrictions imposed by federal and state securities laws.

(c) Prior to the Holdco Transaction, Holdco will not have been party to any Contracts other than this Agreement and any Transaction Document to which Holdco is a party. Holdco has no Subsidiaries.

53

(d) No ERISA Group Liability has been incurred by Holdco and no ERISA Group Liability is reasonably expected to be asserted against Holdco for periods prior to the Closing.

All such policies are in full force and effect, all premiums due thereon have been paid by or on behalf of Time Warner Cable, and Time Warner Cable is otherwise in compliance in all material respects with the terms and provisions of such policies (after giving effect to applicable grace or cure periods). After the Closing, the terms of such policies will continue to provide coverage with respect to acts, omissions and events occurring prior to the Closing in accordance with their terms as if the Closing had not occurred. Time Warner Cable has no knowledge of any threatened termination of, material premium increase (other than with respect to customary annual premium increases) with respect to, or material alteration of coverage under, any of such policies.

Section 7.3 Certain Additional Covenants Regarding Required Consents; HSR Act Filing.

(a) By no later than 45 days after the Option Exercise Date, Comcast Trust, Comcast Subsidiary and Time Warner Cable shall provide each other with all necessary documentation to allow filing of FCC Forms 394 with respect to the Transferred Systems Franchises. Comcast Trust, Comcast Subsidiary and Time Warner Cable shall use commercially reasonable efforts to cooperate with one another and file with the applicable Governmental Authority FCC Forms 394 for each of the Transferred System Franchises which requires the consent of such Governmental Authority in connection with the transactions contemplated by this Agreement, no later than 60 days after the Option Exercise Date.

(b) Subject to Section 7.1(h), from and after the Option Exercise Date, the parties shall use their commercially reasonable efforts to cooperate with each other in obtaining the Time Warner Cable Required Consents and any other consent, Authorization or approval, including with the relevant franchising authorities in respect of the Transferred Systems Franchises, necessary or commercially advisable with respect to the transactions contemplated hereunder including, to the extent commercially reasonable, the attendance of representatives of Comcast Trust and Comcast Subsidiary at meetings and hearings before applicable Governmental Authorities in connection with the transfer of any Transferred Systems License or Transferred Systems Franchise and by providing appropriate financial statements, insurance certificates and surety bonds required to obtain such Time Warner Cable Required Consents.

(c) The parties shall as soon as practicable after the Option Exercise Date, but in any event no later than 20 Business Days after the Option Exercise Date, complete and file, or cause to be completed and filed, any notification and report required to be filed under the HSR Act with respect to the transactions contemplated by this Agreement and each such filing shall request early termination of the waiting period imposed by the HSR Act. The parties shall use commercially reasonable efforts to respond as promptly as reasonably practicable to any inquiries or requests received from a Governmental Authority for additional information or documentation in connection with antitrust matters. The parties shall use commercially reasonable efforts to overcome any objections which may be raised by any Governmental Authority having jurisdiction over antitrust matters. Each party shall cooperate to prevent inconsistencies between their respective filings and between their respective responses to all such inquiries and requests, and shall furnish to each other such necessary information and reasonable assistance as the other may request in connection with its preparation of necessary filings or submissions under the HSR Act. Notwithstanding the foregoing or anything else in the Agreement to the contrary, neither party shall be required to enter into any consent decree with any Governmental Authority relating to antitrust matters or to sell or hold separate any assets or make any change in operations or activities of the business (or any material assets employed therein) of such party or its Affiliates, if a party determines in

64

good faith that such change would be adverse to the operations or activities of the business (or any material assets employed therein) of such party or any of its Affiliates having significant assets, net worth or revenue. The cost of any filing fees in connection with any required filing pursuant to the HSR Act shall be borne equally by Comcast Subsidiary and Time Warner Cable.

(d) The parties understand and agree that as part of the FCC Trust Requirements the declaration of trust of Comcast Trust may be required to be amended in order to permit the TWC Redemption or the Comcast Subsidiary Transfer, and any such amendment would require approval of the FCC. If such amendment is required, Comcast Trust and Comcast Subsidiary agree to use commercially reasonable efforts to obtain such approval prior to Closing, and if such approval is obtained, Comcast Trust and Comcast Subsidiary will amend the declaration of trust of Comcast Trust to permit the consummation of the transactions contemplated by this Agreement.

Section 7.4 Confidentiality and Publicity.

(a) Unless and until Closing occurs, any non-public information that any party may obtain from the other in connection with this Agreement shall be confidential, and following Closing, each party shall keep confidential any non-public information that such party may receive from another party in connection with this Agreement unrelated to the Transferred Systems or Transferred Assets and Time Warner Cable and its Affiliates shall keep confidential any non-public information in their possession related to the Transferred Systems and Transferred Assets (any such information that a party is required to keep confidential pursuant to this sentence shall be referred to as "Confidential Information"). No party shall disclose any Confidential Information to any other Person (other than its Affiliates and its and its Affiliates' directors, officers and employees, and representatives of its advisers and lenders, in each case, whose knowledge thereof is necessary in order to facilitate the consummation of the transactions contemplated hereby, in which case such party shall be responsible for any breach by any such Person) or use such information to the detriment of the other; provided, that (i) such party may use and disclose any such information once it has been publicly disclosed (other than by such party in breach of its obligations under this Section) or which, to its knowledge, rightfully has come into the possession of such party (other than from the other party), and (ii) to the extent that such party may, in the reasonable judgment of its counsel, be compelled by Legal Requirements to disclose any of such information, such party may disclose such information if it has used commercially reasonable efforts, and has afforded the other the opportunity, to obtain an appropriate protective order, or other satisfactory assurance of confidential treatment, for the information compelled to be disclosed and (iii) such party may use and disclose such information to the extent reasonably necessary to permit such party to file Tax Returns, defend any dispute relating to Taxes, claim any Refund or otherwise provide information to a Governmental Authority in connection with any other Tax Proceeding and (iv) such party may use and disclose such information to the extent necessary to comply with Legal Requirements or any periodic reporting obligations such party may have by virtue of such party or any of its Affiliates having securities listed on a national securities exchange or quotation system. In the event of termination of this Agreement, (A) the obligation set

65

forth in this Section shall continue for a period of two years after such termination, and (B) each party shall use commercially reasonable efforts to cause to be delivered to the other, and to retain no copies of, any documents, work papers or other materials obtained by such party or on its behalf from the other, whether so obtained before or after the execution of this Agreement. For the avoidance of doubt, Comcast Trust may disclose any Confidential Information to Comcast Subsidiary and its Affiliates and their respective representatives.

(b) Each of the parties hereto shall consult with and cooperate with the others with respect to the content and timing of all press releases and other public announcements, and any oral or written statements to Transferred System Employees concerning this Agreement and the transactions contemplated hereby. Except as required by applicable Legal Requirements or by any national securities exchange or quotation system, no party hereto shall make any such release, announcement or statement without the prior written consent and approval of the other, which shall not be unreasonably withheld. The party receiving a request for a consent shall respond promptly to any such request for consent and approval.

(c) At Comcast' s request, which shall be provided to TWC no later than thirty (30) days prior to the expected Closing Date (such date, the "Diligence Request Date"), TWC shall provide Comcast with (i) the most recent consolidated balance sheet for the TWC Affiliated Group (as defined in the Tax Matters Agreement) as of the Diligence Request Date, (ii) a reasonable good faith estimate

of the aggregate number of Individual Subscribers of such TWC Affiliated Group (as defined in the Tax Matters Agreement) as of the Diligence Request Date; (iii) summary financial information with respect to any nonconsolidated investments of any member of the TWC Affiliated Group (as defined in the Tax Matters Agreement) as of the Diligence Request Date; and (iv) a reasonable good faith estimate of the aggregate number of Individual Subscribers of the Transferred Systems as of the Diligence Request Date.

Section 7.5 Retransmission Consent Agreements. On or prior to the date which is 45 days prior to the anticipated date of Closing, Time Warner Cable shall deliver to Comcast Trust and Comcast Subsidiary a list of all Local Retransmission Consent Agreements then in effect with respect to the Transferred Systems. By written notice delivered to Time Warner Cable at least 30 days prior to Closing, Comcast Subsidiary may, in its sole discretion, elect to have Holdco assume one or more of the Local Retransmission Consent Agreements, in which case Time Warner Cable shall use commercially reasonable efforts to obtain any required Authorizations for such assumption. The foregoing shall be subject to Section 2.1(e) to the extent any related Authorization is not obtained. Any Local Retransmission Consent Agreements which Comcast Subsidiary elects to have Holdco assume pursuant to this Section 7.5 shall be included in the Transferred Assets. To the extent the provisions of this Section 7.5 conflict with any other provision of this Agreement, the provisions of this Section 7.5 shall control.

Section 7.6 Title Insurance Commitments. Time Warner Cable shall use commercially reasonable efforts to provide to Comcast Subsidiary, within 90 days

66

from the date Time Warner Cable receives the Title Commitment Notice, or, in the case of any Survey, such longer period of time as is necessary to obtain such Survey with the exercise of reasonable diligence, (a) commitments to issue to Holdco title insurance policies (“Title Commitments”) in amounts reasonably satisfactory to Comcast Subsidiary issued by a nationally recognized title insurance company (a “Title Company”) and containing, to the extent available, legible photocopies of all recorded items described as exceptions therein, committing to insure, subject only to Permitted Liens, fee or a valid leasehold title, as applicable, in Holdco to each parcel of Owned Property or Leased Property designated by Comcast Subsidiary by notice (the “Title Commitment Notice”) delivered to Time Warner Cable within 30 days following the Option Exercise Date by ALTA extended coverage owner’s or leasehold policies of title insurance, or, if ALTA policies are not obtainable in any state, policies in another form reasonably satisfactory to Comcast Subsidiary, and (b) surveys of each parcel of Owned Property or Leased Property designated by Comcast Subsidiary in the Title Commitment Notice (“Surveys”), in such form as is reasonably necessary to obtain the title insurance to be issued pursuant to the related Title Commitments with the standard printed exceptions relating to survey matters deleted, certified to Holdco, Comcast Subsidiary and to the Title Company with respect to that Owned Property or Leased Property, provided that Time Warner Cable’s inability to provide Title Commitments satisfying the foregoing requirements shall not constitute a breach of the foregoing covenant if the Liens, or other matters relating to title, giving rise to such inability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. In no event shall Time Warner Cable be obligated to procure a Title Commitment for any Leased Property with respect to which the Lease or a memorandum thereof has not been recorded in the land records of the county in which the Leased Property is located. The cost to obtain such Title Commitments and Surveys and other documents required by the Title Company to issue such policies and Surveys, as well as the cost of title policy premiums, shall be borne by Comcast Subsidiary, except for attorney’s fees and other incidental costs incurred by Time Warner Cable in connection with providing such Title Commitments and Surveys and otherwise complying with this Section 7.6. If Comcast Subsidiary notifies Time Warner Cable within 30 days following delivery to Comcast Subsidiary of both the Title Commitments and the Surveys of any Lien (other than a Permitted Lien or a Lien set forth in Schedule 6.4(a)) which prevents access to or which could prevent or impede in any material way the use or operation of any parcel of Owned Property or Leased Property for which a Title Commitment is required pursuant to this Section 7.6 for the purposes for which it is currently used or operated by Time Warner Cable (each a “Title Defect”), Time Warner Cable shall exercise commercially reasonable efforts, including paying attorney’s fees and other incidental costs associated with any such efforts, to (i) remove such Title Defect, or (ii) cause the Title Company to commit to insure over each such Title Defect prior to Closing at customary premium rates without additional premium or charge. If such Title Defect cannot be removed prior to Closing or the Title Company does not commit to insure over such Title Defect prior to Closing, Comcast Subsidiary and Time Warner Cable shall enter into a written agreement containing Time Warner Cable’s commitment to use commercially reasonable efforts for 180 days following Closing to remedy the Title Defect following Closing on terms satisfactory to Comcast Subsidiary, in its reasonable discretion. Notwithstanding

anything to the contrary contained in this Agreement, in no event shall Time Warner Cable or its Affiliates be required to remove any Liens encumbering the Owned Property and Leased Property except as expressly set forth in this Section 7.6 or to expend any moneys (other than attorneys' fees and other incidental costs as hereinabove set forth) or to incur any obligation in order to remove or cause the insuring over of any Liens (other than pursuant to customary short-form affidavits of title which do not in any event require Time Warner Cable or its Affiliates to make representations or incur obligations more onerous than those made or set forth elsewhere in this Agreement and customary gap indemnities covering Time Warner Cable's or its Affiliates' acts for the period between Closing and the recording of the applicable deed or assignment of lease with respect to such Owned Property or Leased Property), and in no event shall Time Warner Cable or its Affiliates be obligated to commence any Litigation to cause any Title Defects to be removed or insured over, and, without limiting the other provisions of this Section 7.6, in no event shall Time Warner Cable or its Affiliates be required to give a non-imputation affidavit to the title insurance company.

Section 7.7 Intentionally Omitted.

Section 7.8 Post-Closing Obtaining of Consents. Subsequent to Closing, and subject to Section 2.1(e), Time Warner Cable shall and shall cause its Affiliates to continue to use commercially reasonable efforts to obtain in writing as promptly as possible any Authorization necessary or commercially advisable in connection with the transactions contemplated hereunder which was not obtained on or before Closing (a "Post-Closing Consent") in form and substance reasonably satisfactory to Comcast Subsidiary. A true and complete copy of any such Post-Closing Consent shall be delivered to each of Comcast Subsidiary and Holdco promptly after it has been obtained.

Section 7.9 Transitional Services.

(a) Time Warner Cable shall provide to Holdco, upon written request from Comcast Subsidiary received by Time Warner Cable no later than 30 days prior to the anticipated date of Closing, such subscriber billing, high speed data, telephony and other services as may be reasonably requested by Comcast Subsidiary in connection with the operation of the Transferred Systems for a commercially reasonable period following Closing to be mutually agreed upon in good faith by Time Warner Cable and Comcast Subsidiary to allow for transition of existing services or establishment of replacement services ("Transitional Services"). Holdco shall promptly reimburse Time Warner Cable for the actual out-of-pocket cost to Time Warner Cable and its Affiliates of providing any Transitional Services. All other terms and conditions for the provision of Transitional Services shall be reasonably satisfactory to both Comcast Subsidiary and Time Warner Cable and subject to applicable Legal Requirements.

(b) Time Warner Cable will, at its expense, rebuild the "HITS" headend for the Transferred System identified on Schedule 7.9 on or before the Closing and, after Closing, Time Warner Cable may, at its option, lease space from Holdco such

that Time Warner Cable will continue to have access to a hubsite to be located on properties included in such system, all on terms mutually satisfactory to Time Warner Cable and Comcast Subsidiary to be negotiated in good faith prior to the Closing.

Section 7.10 Cooperation Upon Inquiries as to Rates. Comcast Subsidiary and Time Warner Cable agree as follows:

(a) For a period of 12 months after Closing, Time Warner Cable shall cooperate with and assist Holdco by providing, upon request, all information in Time Warner Cable's or its Affiliates' possession (and not previously provided to Comcast Subsidiary or Holdco) relating directly to the rates set forth in Schedule 6.8 or the then current rates with respect to any Transferred System, if different from the rates set forth on such Schedule, or the rates on any FCC Form 393, 1200, 1205, 1210, 1220, 1235, or 1240 that Holdco may reasonably require to justify such rates in response to any inquiry, order or requirement of any Governmental Authority or any Rate Regulatory Matter instituted before or after the date of this Agreement.

(b) If at any time prior to Closing, any Governmental Authority commences a Rate Regulatory Matter with respect to a Transferred System, Time Warner Cable shall (i) promptly notify Comcast Subsidiary, and (ii) keep Comcast Subsidiary informed as to the progress of any such proceeding. Without the prior written consent of Comcast Subsidiary (after the Amendment Date), which consent shall not be unreasonably withheld or delayed, Time Warner Cable shall not settle any such Rate Regulatory Matter, either before or after Closing, if (A) Holdco or any of its Affiliates would have any obligation under such settlement, or (B) such settlement would reduce the rates permitted to be charged by Holdco or any of its Affiliates after Closing below the rates set forth on Schedule 6.8 or otherwise then in effect. Notwithstanding anything to the contrary herein, after Closing, Holdco shall have the right, at its own expense, to assume control of the defense of any pending Rate Regulatory Matter, to the extent, and only to the extent, that it relates to a Transferred System. If Holdco elects to assume control of the defense of any such Rate Regulatory Matter, Time Warner Cable shall have the right to participate, at its expense, in the defense of such matter. Notwithstanding the provisions set forth in Article 11 of this Agreement, Holdco may settle any such Rate Regulatory Matter only upon Time Warner Cable's prior written consent, which consent shall not be unreasonably withheld or delayed, if Time Warner Cable would have any obligation with respect to such settlement in accordance with Article 11 hereof or otherwise.

(c) If at any time after Closing, any Governmental Authority commences a Rate Regulatory Matter with respect to a Transferred System involving any time period prior to Closing, Comcast Subsidiary shall cause Holdco to (i) promptly notify Time Warner Cable, and (ii) keep Time Warner Cable informed as to the progress of any such proceeding. Time Warner Cable shall have the right to participate, at its expense, in the defense of such matter. Notwithstanding the provisions set forth in Article 11 of this Agreement, Holdco may settle any such Rate Regulatory Matter only upon Time Warner Cable's prior written consent, which consent shall not be

69

unreasonably withheld or delayed, if Time Warner Cable would have any obligation with respect to such settlement in accordance with Article 11 hereof or otherwise.

(d) For purposes hereof, "Rate Regulatory Matter" means any proceeding or investigation with respect to a Transferred System arising out of or related to the Cable Act (other than those affecting the cable television industry generally) dealing with, limiting or affecting the rates which can be charged by such Transferred System for programming, equipment, installation, service or otherwise.

(e) If Time Warner Cable or any of its Affiliates is required following Closing pursuant to any Rate Regulatory Matter or any other Legal Requirement, settlement or otherwise to reimburse any Subscribers for any Subscriber payments previously made by it, including fees for cable television service, late fees and similar payments, Comcast Subsidiary shall cause Holdco, at Time Warner Cable's request, to make such reimbursement through Holdco's billing system on terms specified by Comcast Subsidiary. In such event, Time Warner Cable shall promptly pay to Holdco all such payments made by Holdco through its billing system. Without limiting the foregoing, Comcast Subsidiary shall cause Holdco to provide to Time Warner Cable all information in its possession that is reasonably required by Time Warner Cable in connection with such reimbursement.

Section 7.11 Updated Schedules.

(a) On one or more occasions, Time Warner Cable may, at least five Business Days prior to Closing: (i) supplement Schedule 6.5(a) to reflect leases, franchises, licenses, authorizations, consents, permits, Contracts or commitments which were entered into or obtained between the Amendment Date (or, with respect to the SSBC Systems, the date of delivery of the Second Stage Bringdown Certificate) and the Closing Date not in violation of the terms of this Agreement and are required to be disclosed in Schedule 6.5(a) in order for the representation and warranty contained in Section 6.5(a) to be true, complete and correct or (ii) supplement any other Schedule to this Agreement (other than the Schedules to any of Section 6.1, 6.2, 6.15 or 6.18) or to the Tax Matters Agreement, with additional information to the extent that it reflects events, acts or omissions that first occurred between the date hereof (or, with respect to the Designated Systems and the Non-SSBC Original Systems, the Amendment Date) and the Closing Date and that are not prohibited by this Agreement to be taken, and that would have been required to be included in one or more Schedules to this Agreement or the Tax Matters Agreement in order for the representations and warranties of Time Warner Cable contained in this Agreement or in the Tax Matters Agreement to be true, complete and correct as of the Closing. Any such supplement to a Schedule pursuant to clause (i) above shall

specifically identify each license, Contract or other item being added to Schedule 6.5(a) and any supplement pursuant to clause (ii) above shall be made with reasonable specificity and shall identify, to Time Warner Cable's knowledge, the potential Liability associated with the relevant action, condition or event. Without limitation to Section 7.20, for purposes of determining whether there is any liability on the part of Time Warner Cable following Closing for breaches of its representations and warranties under this Agreement, the Schedules to this Agreement shall be deemed to

70

include only (a) the information contained therein on the date hereof (or, with respect to the Designated Systems, the Amendment Date), (b) to the extent relating to the SSBC Systems information added to the Schedules for Section 6.3(c), 6.3(f) or 6.5 pursuant to Section 7.20 and (c) information added to such Schedules by written supplements to this Agreement delivered in accordance with the first sentence of this Section 7.11; provided, that for purposes of determining the satisfaction of the condition set forth in Section 8.1(a), any update to the Schedules pursuant to clause (c) of this sentence shall be disregarded.

(b) In addition, if after the date that is the fifth Business Day prior to Closing, but before the Closing, Time Warner Cable first becomes aware of any event, act, occurrence or omission which, if known on the fifth day prior to Closing would have been permitted to be included in a supplement pursuant to clause (ii) of the foregoing paragraph, then Time Warner Cable may make such supplement as provided above (in which case such supplement shall be deemed to have been made pursuant to clause (ii) of the foregoing paragraph); provided that Time Warner Cable may only utilize the rights in this paragraph on one occasion and, if Comcast Subsidiary elects, upon receipt of any such supplement pursuant to this paragraph, the date of Closing may be delayed until the end of the next succeeding month.

Section 7.12 Commercially Reasonable Efforts; Further Assurances. Subject to the terms and conditions of this Agreement, the parties hereto shall use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or desirable to consummate the transactions contemplated by this Agreement as promptly as practicable. Each of the parties hereto agrees to, and, in the case of Time Warner Cable and Comcast Subsidiary, to cause its Affiliates to, execute and deliver such other documents, certificates, agreements and other writings (including completed transfer tax returns, showing in each case a purchase price or consideration reasonably acceptable to Comcast Subsidiary and Time Warner Cable) and to take such other commercially reasonable actions as may be necessary or desirable in order to evidence, consummate or implement expeditiously the transactions contemplated by this Agreement and to vest in Holdco the same title to the Transferred Assets that Time Warner Cable (together with its Affiliates) had with respect thereto immediately prior to the Transactions.

Section 7.13 Post-Closing Access to Personnel Records After the Closing Date, Time Warner Cable shall, and shall cause its Affiliates to, provide Comcast Subsidiary and Holdco with access to, and the right to make copies or extracts of, pertinent information from the personnel files and records of Time Warner Cable and its Affiliates relating to Transferred System Employees in connection with litigation, administrative proceedings, payment of Applicable Taxes or any other valid business reason from time to time during normal business hours upon reasonable notice from Comcast Subsidiary or Holdco (i) with respect to matters other than matters relating to Applicable Taxes, for a period not to exceed one year from the Closing Date or (ii) with respect to matters relating to Applicable Taxes, until the expiration of the statute of

71

limitations applicable to such Taxes, in each case except to the extent that Time Warner Cable is required by law to keep such files and records confidential.

Section 7.14 [Intentionally Omitted].

Section 7.15 Tax Returns with respect to Applicable Taxes.

(a) Time Warner Cable shall have exclusive and sole responsibility for the preparation and filing of all Applicable Tax Returns that are required to be filed with any Governmental Authority on or prior to the Closing Date.

(b) Holdco shall prepare and file all Applicable Tax Returns that are required to be filed with any Governmental Authority after the Closing Date. Holdco shall deliver any such Straddle Period Applicable Tax Returns to Time Warner Cable for its review at least 30 days prior to the date on which such Straddle Period Applicable Tax Return is required to be filed. Except as provided herein, all Straddle Period Applicable Tax Returns shall (unless required by a change in applicable Tax law or a good faith resolution of a contest) be prepared on a basis consistent with the elections, accounting methods, conventions, assumptions and principles of taxation on the most recently filed Applicable Tax Returns of Holdco or a previous owner of the Transferred Systems to the extent relevant to such Transferred Systems. Subject to the foregoing, Time Warner Cable and Holdco shall reasonably cooperate with each other in the preparation and filing of any Straddle Period Applicable Tax Returns.

Section 7.16 Environmental Reports. Following the Amendment Date, Comcast Subsidiary may upon reasonable advance written notice and during normal business hours, at Comcast Subsidiary's expense, perform any environmental site assessments of the Owned Property or Leased Property (subject to the final sentence of this Section 7.16) as Comcast Subsidiary determines, in its sole discretion, to have performed; provided that prior to taking any samples of soil or groundwater for testing, Comcast Subsidiary shall have a reasonable basis for determining that such sampling is appropriate. Time Warner Cable shall cooperate with all reasonable requests of Comcast Subsidiary and its consultants with respect to the conduct of such assessments or sampling. Any assessment performed pursuant to this Section 7.16 shall to the fullest extent practicable be designed so as not to disrupt the business and operations of the Transferred Systems. Any right to perform an assessment pursuant to this Section 7.16 at a Leased Property shall be subject to Time Warner Cable not being prohibited from performing such assessment pursuant to the lease for such Leased Property.

Section 7.17 Certain Notices. Prior to the Closing, Time Warner Cable, with respect to the Transferred Systems, shall cause to be timely filed a request for renewal under Section 626 of the Cable Act with the proper Governmental Authority with respect to Transferred System Franchises that shall expire within 36 months after any date between the date of this Agreement and Closing Date.

Section 7.18 Franchise Expirations. From the Amendment Date until Closing, Time Warner Cable shall, and shall cause its Affiliates to, use

commercially reasonable efforts to obtain renewals or valid extensions of any Transferred Systems Franchises which expire on or before June 30, 2008, in the ordinary course of business. Neither Time Warner Cable nor any of its Affiliates shall agree or accede to any material modifications or amendments to or in connection with, or the imposition of any material condition to the renewal or extension of, any of the Transferred System Franchises that are not reasonably acceptable to Comcast Subsidiary. Time Warner Cable agrees, from the Amendment Date until Closing, upon reasonable prior written notice, to allow representatives of Comcast Subsidiary to attend meetings and hearings before applicable Governmental Authorities in connection with the renewal or extension of any Transferred Systems License or Transferred Systems Franchise.

Section 7.19 Insurance. Time Warner Cable will use commercially reasonable efforts to take such actions as are necessary to cause insurance policies of Time Warner Cable and its Affiliates that immediately prior to Closing provide coverage to or with respect to the Transferred Business, the Transferred Assets or the Transferred Systems to continue to provide such coverage with respect to acts, omissions, and events occurring prior to the Closing in accordance with their terms as if the Closing had not occurred; provided that to the extent Time Warner Cable takes any action with respect to its umbrella insurance policies that similarly effects all of the Time Warner Cable Retained Cable Systems but results in such insurance coverage no longer being available (other than a change denying coverage based upon a Person ceasing to be an Affiliate of Time Warner Cable), Time Warner Cable shall not be deemed to have breached this Section 7.19 and shall have no liability with respect thereto. Time Warner Cable will give Comcast Subsidiary written notice of the taking of any such action if done during the first 12 months after the Closing prior to or as soon as practicable thereafter. Time Warner Cable shall, and shall cause its Affiliates to, cooperate with and assist Holdco, if Holdco determines to make any claim under any such policy with respect to any

pre-Closing act, omission or event. Holdco shall use commercially reasonable efforts to promptly notify Time Warner Cable when it becomes aware of any such claim; provided, that the failure of Holdco to provide such notice shall not relieve Time Warner Cable of its obligations under this Section 7.19, except to the extent that Time Warner Cable's rights under the applicable insurance policy are prejudiced by such failure to give notice.

Section 7.20 Second Stage Review.

(a) The Comcast Parties acknowledge that as of the date hereof, to the extent that the representations and warranties set forth in Sections 6.3(c), 6.3(f) and 6.5 relate to the SSBC Systems, Time Warner Cable has only been required to make good faith efforts to make such representations and warranties true, correct and complete based on the limited information in the possession of Time Warner Cable as of the date hereof without consulting with the Transferred Systems Employees or obtaining any information in the possession of the Transferred Systems. The purpose of this Section 7.20 is that during the 20 day period after receipt of the Good Faith Notice, Time Warner Cable shall have the ability to update the Schedules for Sections 6.3(c), 6.3(f) and 6.5 with respect to the SSBC Systems by delivering the Second Stage Bringdown

73

Certificate and Second Stage Documents, in each case after consultation with the employees of the Transferred Systems Employees, whereupon Comcast Subsidiary will have until 20 days after the receipt of such materials (the "Option Decision Date") to determine whether or not to exercise the Option (in its sole discretion). This Section 7.20 shall be deemed to qualify each of the representations and warranties set forth in Sections 6.3(c), 6.3(f) and 6.5 in their entirety, but only to the extent such representations and warranties are made as of the date hereof and, in each case, only to the extent such representations and warranties relate to the SSBC Systems. Any update of Schedules made pursuant to this Section 7.20 shall be made with reasonable specificity, in good faith. No item may be added to a Schedule pursuant to this Section 7.20 if the relevant item was, to Time Warner Cable's knowledge, located in one of the offices of Time Warner Cable identified on Schedule 7.20(a) (such offices, the "Designated Offices") as of the date hereof.

(b) At any time after October 5, 2004, Comcast Subsidiary may deliver to Time Warner Cable a written notice (the "Good Faith Notice") stating that Comcast Subsidiary intends in good faith to exercise the Option on or prior to the Option Decision Date unless as a result of its diligence review after delivery by Time Warner Cable of the Second Stage Bringdown Certificate and the Second Stage Documents it determines that it is not in its best interest to exercise the Option. For the avoidance of doubt, no more than one Good Faith Notice may be delivered and no Good Faith Notice shall be delivered prior to the termination of the TWC Redemption Agreement.

(c) Time Warner Cable shall, within 15 days of receipt of the Good Faith Notice: (i) deliver to Comcast Trust and Comcast Subsidiary the Second Stage Bringdown Certificate and, concurrent therewith and (ii) provide or otherwise make available to Comcast Trust, Comcast Subsidiary and/or their respective counsel the Second Stage Documents in accordance with this Section 7.20. All information included in the Schedules delivered with the Second Stage Bringdown Certificate shall be deemed to modify the representations and warranties set forth in Sections 6.3(c), 6.3(f) and 6.5, as applicable, as of the date hereof and as of the Closing Date but, in each case, only to the extent such representations and warranties relate to the SSBC Systems.

(d) Comcast Trust and Comcast Subsidiary may, on the Amendment Date, request additional documents relating to the Transferred Business, the Transferred Assets or the Transferred Systems. Any such documents that would reasonably be expected to be material to Comcast Subsidiary's decision as to whether to exercise the Option, and that can be delivered or otherwise made available to Comcast Trust and Comcast Subsidiary by Time Warner Cable's good faith exercise of its commercially reasonable efforts within 15 days of receipt of the Good Faith Notice, shall be so delivered or made available as Second Stage Documents concurrent with the delivery of the Second Stage Bringdown Certificate.

(e) [Intentionally Omitted]

(f) To the extent any representation and warranty in Sections 6.3(c), 6.3(f) and 6.5 relates to any SSBC System and purports to relate to any Second

Stage Document, such representation and warranty shall, subject to Section 7.20(g), only be made in the Second Stage Bringdown Certificate and at Closing.

(g) The representations and warranties of Time Warner Cable in the Second Stage Bringdown Certificate will be treated as if they had been representations and warranties of Time Warner Cable in this Agreement for all purposes of this Agreement, including the conditions and indemnities in Articles 8 and 11, respectively.

(h) For the avoidance of doubt, notwithstanding the delivery of the Good Faith Notice, Comcast Subsidiary shall not be required or obligated to exercise the Option, and shall not otherwise be deemed to have exercised the Option, based upon delivery of the Good Faith Notice. The Option will only be exercised as set forth in Section 2.1(a)(i).

Section 7.21 [Intentionally Omitted]

Section 7.22 Promotional Campaigns. Between the date hereof and the Closing, Time Warner Cable and its Affiliates shall not initiate any Subscriber campaigns or promotions on a local or regional level with respect to the Transferred Systems, other than (i) any such campaigns or promotions that are on the same terms and conditions (or on terms and conditions that are no less favorable to the Transferred Systems) as subscriber campaigns or promotions undertaken with respect to the relevant Transferred Systems during the year ended December 31, 2004 in the relevant market, (ii) any such campaigns or promotions that are not materially less favorable to the Transferred Systems than campaigns and promotions being conducted with respect to Time Warner Cable Retained Cable Systems on an overall basis, (iii) any such campaigns or promotions that are not materially less favorable to the Transferred Systems than campaigns and promotions being conducted by Comcast and its Affiliates in the same DMA, and (iv) any such campaigns or promotions that are either (x) with respect to campaigns and promotions conducted in an overbuild area, not materially less favorable to the Transferred Systems than the campaigns and promotions being conducted by the applicable overbuilder or RBOC or (y) not materially less favorable to the Transferred Systems than those being conducted by any direct broadcast satellite providers in the same DMA (but only in the relevant market of the relevant campaign or promotion).

Section 7.23 Launch Support. At the Closing, Time Warner Cable shall deliver to Comcast Subsidiary a schedule of the services subject to Specified Launch Support Liabilities and, with respect to each such service, the remaining time period (which shall in no event be later than the fifth anniversary of the date hereof (or, with respect to the Designated Systems, the fifth anniversary of the Amendment Date)) in which an action in respect of any Transferred System could result in an obligation to make a payment in respect of a Specified Launch Support Liability.

Section 7.24 Section 338(h)(10) Election.

(a) Subject to Section 7.24(b), the parties agree jointly to make a timely election under Section 338(h)(10) of the Code and any corresponding or similar elections under state, local or foreign Tax Law (in the state, local or foreign jurisdictions as requested by Comcast) with respect to the TWC Redemption (any such election, a “338(h)(10) Election”); provided, that, for the purpose of making any 338(h)(10) Election, the Internal Revenue Service Forms 8023 and 8883 (or successor forms, or any corresponding forms under state, local or foreign Tax Law in the state, local or foreign jurisdiction requested by Comcast) filed in connection with such election shall state on the face of each such form that such election is being made as a “protective election” and shall contain the legend set forth in Exhibit D hereto.

(b) If, after the Closing Date but prior to the six month anniversary of the Closing Date, Comcast believes that there has been a change in Tax Law after the date hereof and that by reason of such change in Tax Law (x) the TWC Redemption should not qualify as a tax-free distribution governed by Section 355 of the Code, and (y) the TWC Redemption should constitute a “qualified stock purchase” within the meaning of Section 338(d)(3) of the Code (a “QSP”) (any such conclusion, a “Determination”), Comcast shall provide

written notice to Time Warner Cable of such Determination. If Time Warner Cable agrees with the Determination, Time Warner Cable shall provide Comcast with written notice of its agreement within 10 days (the “Determination Deadline”) of receiving notice of the Determination (such agreement shall constitute a “Joint Determination”). If there has been no Joint Determination by the Determination Deadline, Time Warner Cable and Comcast agree jointly to appoint a law firm that is nationally recognized in matters relating to federal income taxation (any such law firm, a “Third Party Firm”) within 7 Business Days of the Determination Deadline. If Time Warner Cable and Comcast cannot agree on the appointment of a Third Party Firm in accordance with the previous sentence, such parties shall request that the President of the Association of the Bar of the City of New York appoint, within 7 days, a Third Party Firm other than a law firm that is regularly employed by either Time Warner Cable or Comcast or any of their respective Affiliates. The Third Party Firm shall be requested to deliver, within 21 days of its appointment, a letter setting forth whether, by reason of the change in Tax Law referred to above, it is its opinion that, (I) the TWC Redemption should not qualify as a tax-free distribution governed by Section 355 of the Code, and (II) the TWC Redemption should constitute a QSP (any affirmative opinion by such Third Party Firm that the items described in (I) and (II) of this sentence have been satisfied, an “Affirmative Third Party Firm Determination”). The fees and expenses of the Third Party Firm shall be borne equally by Time Warner Cable and Comcast.

(c) If, at any time prior to the nine month anniversary of the Closing Date, there shall have been a Joint Determination or an Affirmative Third Party Determination, the parties hereby agree, notwithstanding any other provision of this Agreement or the Transaction Documents, for all Income Tax Purposes (unless required by subsequent change in applicable Tax Law or as a result of a good faith resolution of a contest), (i) not to treat the TWC Redemption as a tax-free distribution governed by Section 355 of the Code, (ii) to treat the TWC Redemption as a QSP, and (iii) that any

76

338(h)(10) Election shall be filed without regard to the protective election described in the proviso to Section 7.24(a).

Section 7.25 Pre-Closing Access. (a) Prior to the Amendment Date Comcast shall not, and shall not permit any of its Affiliates to, without the prior written consent of Time Warner Cable (i) initiate or maintain contact with any Transferred Systems Employee regarding the transactions contemplated hereby or otherwise related thereto, (ii) access any of the properties, whether owned or leased, of the Transferred Systems and (iii) subject to applicable Legal Requirements disclose the identity of the Transferred Systems to any Person other than any of the officers, employees, directors and advisors of Comcast or its Affiliates, provided that such officers, employees, directors and advisors are first advised of the confidential nature of such information. Comcast shall be responsible for any breach of such confidentiality obligation on the part of any of its Affiliates or such officers, employees, directors and advisors. No breach of this Section 7.25 shall result in a failure of the condition set forth in Section 8.2(b).

(b) From the Amendment Date until the Closing, subject to applicable law, Time Warner Cable shall, and shall cause its Affiliates to, (i) afford Comcast Subsidiary, Comcast Trust and their respective authorized representatives reasonable access, during regular business hours, upon reasonable advance notice, to the Transferred Systems (including the Transferred Assets and employees), (ii) furnish, or cause to be furnished, to Comcast Subsidiary or Comcast Trust any financial and operating data and other information with respect to such Transferred Systems as Comcast Subsidiary or Comcast Trust from time to time reasonably requests, and (iii) instruct its employees, and its counsel and financial advisors to cooperate with Comcast Subsidiary and Comcast Trust in their reasonable investigation of the Transferred Systems; provided that, in each case, any such access shall be designed so as to not unreasonably disrupt the business and operations of Time Warner Cable or its Affiliates; provided further that in no event shall Comcast Subsidiary or Comcast Trust have access to (A) any information that would reasonably be expected to create Liability under applicable laws, including U.S. antitrust laws, or waive any material legal privilege (provided that, in such latter event, Time Warner Cable and Comcast Subsidiary or Comcast Trust, as the case may be, shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of such legal privilege), (B) documents containing competitively sensitive information, trade secrets or other sensitive information (to the extent necessary to protect the legitimate legal, business and/or confidentiality concerns of Time Warner Cable and its Affiliates, but taking into account Comcast Subsidiary’ s and Comcast Trust’ s need for such information in connection with the transactions contemplated hereby), (C) any information to the extent such disclosure would reasonably be expected to violate any obligation of Time Warner Cable or its Affiliates with respect to confidentiality so long as, with respect to confidentiality, to the extent specifically requested by Comcast Subsidiary or Comcast Trust, Time Warner Cable has made commercially reasonable efforts to obtain a waiver regarding the possible disclosure from the

requests made pursuant to this Section 7.25(b) shall be directed to an executive officer of Time Warner Cable or such Person or Persons as may be designated by Time Warner Cable. All information received pursuant to this Section 7.25(b) shall, prior to the Closing, be governed by Section 7.4(a) and, to the extent applicable, the terms of the Confidentiality Agreement. No information or knowledge obtained in any investigation by Comcast Subsidiary, Comcast Trust or their respective Affiliates pursuant to this Section 7.25(b) shall affect or be deemed to modify any representation or warranty made by Time Warner Cable or its Affiliates hereunder or under any Transaction Document.

Section 7.26 Ordinary Course from Closing to Closing Time. During the time between the Closing and the Closing Time, Comcast Subsidiary and its Affiliates shall operate or cause to be operated the Transferred Systems and Transferred Assets in the usual, regular and ordinary course and shall not take any action for the purpose of changing the calculation of the Closing Adjustment Amount.

ARTICLE 8

Conditions Precedent

Section 8.1 Conditions to the Comcast Parties' Obligations. The obligations of the Comcast Parties to consummate the transactions contemplated by this Agreement shall be subject to the following conditions, which may be waived by Comcast Subsidiary (provided, that the condition set forth in Section 8.1(m) shall not be waived without the prior written consent of Comcast Trust):

(a) Accuracy of Representations and Warranties. The representations and warranties of Time Warner Cable or any Transferring Person in this Agreement and in any Transaction Document to which Time Warner Cable or any Transferring Person is a party, if qualified by a reference to materiality or Material Adverse Effect, are true and, if not so qualified, are true in all material respects at and as of Closing with the same effect as if made at and as of Closing except to the extent a different date is specified therein, in which case such representation and warranty if qualified by a reference to materiality or Material Adverse Effect shall be true and correct as of such date and, if not so qualified, shall be true and correct in all material respects as of such date.

(b) Performance of Agreements. (d) Legal Proceedings. There is no Legal Requirement, and no Judgment has been entered and not vacated by any Governmental Authority of competent jurisdiction in any Litigation or arising therefrom, which (i) enjoins, restrains, makes illegal or prohibits consummation of the transactions contemplated by this Agreement or by any Transaction Document (other than any such matter having only an immaterial effect and that does not impose criminal liability or penalties) or (ii) requires separation or divestiture by Comcast Trust, Comcast Subsidiary, Holdco or any of their Affiliates of all or any significant portion of the Transferred Assets after Closing or otherwise materially and adversely affects the operation of the Transferred Systems (other than applicable to the cable industry in general), and there is no Litigation pending which was commenced by any Governmental Authority (other than a Franchising Authority) seeking, or which if successful would have the effect of, any of the foregoing, provided that the failure to obtain a consent relating to a Transferred Systems Franchise shall not be considered to enjoin, restrain, make illegal or prohibit consummation of the transactions contemplated by this Agreement or by any Transaction Document.

(e) HSR Act Waiting Period. The waiting period under the HSR Act with respect to the transactions contemplated by this Agreement has expired or been terminated.

(f) Consents. Comcast Subsidiary has received evidence, in form and substance reasonably satisfactory to it, that all of the Time Warner Cable Required Consents (other than from the Transferred Systems Franchises which are addressed in Section 8.1(h)), have been obtained and are in effect.

(g) Intentionally Omitted.

(h) Franchise Required Consents. The aggregate number of Individual Subscribers served by the Transferred Systems in the Service Areas that are, as of the Closing Time, Transferable Service Areas shall be at least 90% of Individual Subscribers served by the Transferred Systems at such time (the "Required Threshold"); provided that if any portion of the Transferred Systems containing headends are not within such Transferable Service Areas as of the Closing Time, then any other portion of the Transferred Systems served by such headends shall be deemed not to be included in such Transferable Service Areas; provided, further that, if this condition is not satisfied or waived as of the date that all other conditions in Sections 8.1 and 8.2 (except for conditions to be satisfied at Closing that will be satisfied at Closing) have been satisfied or waived, this condition shall be deemed not to have been satisfied until the earlier of (i) the date upon which this condition would be satisfied if the percentage used for the Required Threshold was 100% rather than 90% and (ii) 30 days following the date on which all other conditions in Sections 8.1 and 8.2 (except for conditions to be satisfied at Closing that will be satisfied at Closing) have been satisfied or waived.

(i) GP Redemption and Holdco Transaction. The GP Redemption and the Holdco Transaction shall have been consummated.

Policies; provided, that Time Warner Cable's inability or failure to provide the Title Policies (or Title Commitments to issue the same) shall not constitute a violation of the condition set forth in this Section 8.1(o) if the Liens, or other matters relating to title, giving rise to such inability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(p) Tax Matters Agreement. Subject to any amendments pursuant to Section 7.11, Time Warner, Time Warner Cable and Holdco shall have

80

(g) Time Warner Cable Title Policies. Time Warner Cable Title Policies with such deletions or modifications as are required pursuant to Section 8.1(o).

(a) by either Comcast Subsidiary or Time Warner Cable, at any time after the earlier (i) of nine months after the termination of the TWC Redemption Agreement without the Closing (as defined thereunder) occurring and (ii) May 31, 2007 (the earlier of (i) and (ii), the "Outside Closing Date");

(b) at any time, by the mutual agreement of Comcast Subsidiary and Time Warner Cable;

(c) by either Comcast Subsidiary or Time Warner Cable, at any time upon written notice to the other, if the other is in material breach or default of its respective covenants, agreements, representations, or other obligations herein or in any Transaction Document to which such Person or its Affiliates is a party and such breach or default (i) has not been cured within 30 days after receipt of written notice or such longer period as may be reasonably required to cure such breach or default (provided, that the breaching or defaulting party shall be using commercially reasonable efforts to cure such breach or default) or (ii) would not reasonably be expected to be cured prior to the Outside Closing Date; provided, that if any covenant, agreement, representation or other obligation in this Agreement is qualified by a reference to materiality or Material Adverse Effect, such qualifier shall be taken into account without duplication;

(d) automatically without action by any party hereto if the Option shall terminate pursuant to Section 2.1(a)(iii);

(e) by Comcast Subsidiary as provided in Section 12.16;

employee, agent, consultant or representative of such party) to the other parties hereto, except that (a) the agreements contained in Sections 1.1, 1.2, 2.3 and 7.4, this Section 10.2 and Article 12 (other than Section 12.16) shall survive the termination hereof and (b) no such termination shall relieve any party hereto of any liability or damages resulting from any willful breach by such party of this Agreement.

ARTICLE 11

Indemnification

Section 11.1 Indemnification by Time Warner Cable. Subject to Section 11.4, from and after the Closing, Time Warner Cable shall indemnify and hold harmless Holdco from and against any and all Losses suffered by Holdco (which shall be deemed to include any Losses suffered by Holdco or its Affiliates, or by its or their respective officers, directors, trustees, employees, agents or representatives, or any Person claiming by or through any of them, as the case may be), from and against any and all Losses arising out of or resulting from:

(a) any representations and warranties made by Time Warner Cable or any Transferring Person in this Agreement or in any Transaction Document (other than the Tax Matters Agreement) to which it is a party not being true and accurate in all respects, when made or at Closing (or, in the case of any representation or warranty made as of a specific date, as of such date) or any failure by Time Warner Cable to perform in all material respects pursuant to Sections 7.1(j), 7.11 and 7.20;

(b) any failure by Time Warner Cable, or any Transferring Person or, prior to completion of the Closing, Holdco, to perform in all respects any of its covenants, agreements, or obligations in this Agreement (other than pursuant to Sections 7.1(j), 7.11 and 7.20) or in any Transaction Document (other than the Tax Matters Agreement) to which it is a party;

(c) the Excluded Liabilities;

(d) the Excluded Assets; or

(e) the Holdco Indemnified Liabilities.

If, by reason of the claim of any third party relating to any of the matters subject to such indemnification, a Lien is placed or made upon any of the properties or assets owned or leased by Holdco or any other Indemnitee under this Section, in addition to any indemnity obligation of Time Warner Cable under this Section, Time Warner Cable shall furnish a bond sufficient to obtain the prompt release thereof within 10 days after receipt from Holdco of notice thereof.

86

Section 11.2 Indemnification by Holdco. Subject to Section 11.4, from and after the Closing, Holdco shall indemnify and hold harmless Time Warner Cable from and against any and all Losses suffered by Time Warner Cable (which shall be deemed to include any Losses suffered by Time Warner Cable or its Affiliates, or by its or their respective officers, directors, employees, agents or representatives, or any Person claiming by or through any of them, as the case may be), from and against any and all Losses arising out of or resulting from:

(a) any representations and warranties made by Comcast Trust or Comcast Subsidiary in this Agreement or in any Transaction Document (other than the Tax Matters Agreement) to which such Person is a party not being true and accurate in all respects, when made or at Closing (or, in the case of any representation or warranty made as of a specific date, as of such date);

(b) any failure by Comcast Trust, Comcast Subsidiary or, after Closing, Holdco, to perform in all respects any of its covenants, agreements, or obligations in this Agreement or in any Transaction Document (other than the Tax Matters Agreement) to which such Person is a Party;

(c) the Assumed Liabilities and the Holdco Transaction Liabilities;

(d) other than with respect to the Excluded Liabilities, the ownership and operation of the Transferred Systems or the Transferred Assets after the Closing;

(e) other than with respect to the Excluded Liabilities, any Transferred Asset or any claim or right or any benefit arising thereunder held by Time Warner Cable for the benefit of Holdco pursuant to Section 2.1(e).

If, by reason of the claim of any third party relating to any of the matters subject to such indemnification, a Lien is placed or made upon any of the properties or assets owned or leased by Time Warner Cable or any other Indemnitee under this Section, in addition to any indemnity obligation of Holdco under this Section, Holdco shall furnish a bond sufficient to obtain the prompt release thereof within 10 days after receipt from Time Warner Cable of notice thereof.

Section 11.3 Procedure for Certain Indemnified Claims. Promptly after receipt by a party entitled to indemnification hereunder (the “Indemnitee”) of written notice of the assertion or the commencement of any Litigation with respect to any matter referred to in Sections 11.1 or 11.2 or the assertion by any Governmental Authority of a claim of noncompliance under any Franchise relating, in whole or in part, to any pre-Closing period (a “Franchise Matter”), the Indemnitee shall give written notice thereof to the party from whom indemnification is sought pursuant hereto (the “Indemnitor”) and thereafter shall keep the Indemnitor reasonably informed with respect thereto; provided, that failure of the Indemnitee to give the Indemnitor notice and keep it reasonably informed as provided herein shall not relieve the Indemnitor of its obligations

87

hereunder, except to the extent that such failure to give notice shall prejudice any defense or claim available to the Indemnitor. The Indemnitor shall be entitled to assume the defense of any such Litigation or Franchise Matter with counsel reasonably satisfactory to the Indemnitee, at the Indemnitor’s sole expense; provided that the Indemnitor shall not be entitled to assume or continue control of the defense of any Litigation or Franchise Matter if (i) the Litigation or Franchise Matter relates to or arises in connection with any criminal proceeding, action, indictment, allegation or investigation; (ii) the Litigation or Franchise Matter seeks an injunction or equitable relief against the Indemnitee; or (iii) the Indemnitor has failed to defend or is failing to defend in good faith the Litigation or Franchise Matter. If the Indemnitor assumes the defense of any Litigation or Franchise Matter, (i) it shall not settle the Litigation or Franchise Matter unless the settlement shall include as an unconditional term thereof the giving by the claimant or the plaintiff of a release of the Indemnitee, reasonably satisfactory to the Indemnitee, from all liability with respect to such Litigation or Franchise Matter and (ii) it shall indemnify and hold the Indemnitee harmless from and against any and all Losses caused by or arising out of any settlement or judgment of such claim and may not claim that it does not have an indemnification obligation with respect thereto. If the Indemnitor does not assume the defense of any Litigation or Franchise Matter, the Indemnitee may defend against or settle such claim in such manner and on such terms as it in good faith deems appropriate and shall be entitled to indemnification in respect thereof in accordance with Section 11.1 or 11.2, as applicable. If the Indemnitor is not entitled to assume the defense or continue to control the defense of any Litigation or Franchise Matter as a result of the proviso in the second sentence of this Section 11.3, the Indemnitee shall not settle the Litigation or Franchise Matter in question if the Indemnitor shall have any obligation as a result of such settlement (whether monetary or otherwise) unless such settlement is consented to in writing by the Indemnitor, such consent not to be unreasonably withheld or delayed. In no event shall the Indemnitee settle any Litigation or Franchise Matter for which the defense thereof is controlled by the Indemnitor absent the consent of the Indemnitor (such consent not to be unreasonably withheld or delayed). Each party shall cooperate, and cause their respective Affiliates to cooperate, in the defense or prosecution of any Litigation or Franchise Matter and shall furnish or cause to be furnished such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested in connection therewith.

Section 11.4 Determination of Indemnification Amounts and Related Matters.

(a) Time Warner Cable shall have no liability under Section 11.1(a) unless the aggregate amount of Losses otherwise subject to its indemnification obligations thereunder exceeds \$5 million (the “Threshold Damage Requirement”), in which case Time Warner Cable shall be liable for the full amount of such Losses including the Losses incurred in reaching the Threshold Damage Requirement; provided, that for purposes of this subsection, the Threshold Damage Requirement shall not apply to any Losses resulting from

with respect to copyright payments contained in this Agreement, and (ii) breaches of the representations and warranties in Sections 6.1, 6.2, 6.3, 6.4(a), 6.13, 6.15 and 6.18. The maximum liability of Time Warner Cable under Section 11.1(a) shall not exceed \$50 million (the "Cap"); provided, that the Cap shall not apply to breaches of the representations and warranties in Sections 6.1, 6.2, 6.3, 6.4(a)(i), 6.13, 6.15 and 6.18.

(b) Holdco shall have no liability under Section 11.2(a) unless the aggregate amount of Losses otherwise subject to its indemnification obligations thereunder exceeds the Threshold Damage Requirement, in which case Holdco shall be liable for the full amount of such Losses including the Losses incurred in reaching the Threshold Damage Requirement; provided, that for purposes of this subsection, the Threshold Damage Requirement shall not apply to any Losses resulting from or arising out of breaches of the representations and warranties in Sections 4.1, 4.2, 4.3, 4.5, 4.6, 5.1, 5.2, 5.3, or 5.5. The maximum liability of Holdco in the aggregate under Section 11.2(a) shall not exceed the Cap; provided, that the Cap shall not apply to breaches of the representations and warranties in Sections 4.1, 4.2, 4.3, 4.5, 4.6, 5.1, 5.2, 5.3, or 5.5.

(c) Amounts payable by the Indemnitor to the Indemnitee in respect of any Losses under Sections 11.1 or 11.2 shall be payable by the Indemnitor as incurred by the Indemnitee, and shall bear interest at the Base Interest Rate plus 2% from the date the Losses for which indemnification is sought were incurred by the Indemnitee until the date of payment of indemnification by the Indemnitor.

(d) If the facts and circumstances giving rise to the Loss for which indemnification is sought under Section 11.1(a) also resulted in a Loss to the Time Warner Cable Retained Cable Systems, the Loss for which indemnification is sought under Section 11.1(a) shall only be available (subject to the further limitations in Section 11.4(a)) to the extent such Loss is greater than the proportionate Loss suffered by the Time Warner Cable Retained Cable Systems and the Transferred Systems, where proportionality is based on the percentage that the Redemption Securities represent to the total number of outstanding shares of common stock of Time Warner Cable, in each case immediately prior to giving effect to the Closing; provided that the foregoing shall not apply to the extent the Loss for which indemnification is sought under Section 11.1(a) results from or arises out of a breach of any of the representations and warranties set forth in Sections 6.1, 6.2, 6.3, 6.4(a), 6.5(a), 6.6 (the penultimate sentence only), 6.10 (the first sentence only), 6.12(c), 6.13, 6.15 and 6.18. By way of example only, if the Redemption Securities represent 20% of the total number of outstanding shares of common stock of Time Warner Cable (immediately prior to giving effect to the Closing) and the Losses suffered by the Transferred Systems arising out of certain facts was \$X and the Losses suffered by the Time Warner Cable Retained Cable Systems arising out of those same facts was \$Y, then indemnification would be available under Section 11.1(a) but only in an amount equal to the excess (if any) of (i) \$X over (ii) the sum of \$X and \$Y multiplied by 0.2 (and subject to the further limitations contained in Section 11.4(a)).

(e) The Indemnitor shall not be obligated to indemnify the Indemnitee with respect to any Losses to the extent of any proceeds received in connection with any such Losses by the Indemnitee under any insurance policy of the

Indemnitee in effect on the Closing Date (including under any rights under any insurance policies or proceeds that are part of the Transferred Assets). The Indemnitee will use commercially reasonable efforts to claim and recover under such insurance policies.

(f) In determining the amount of any Losses in connection with any inaccuracy of a representation and warranty (but not for purposes of determining whether any such inaccuracy has occurred), any materiality or Material Adverse Effect qualifier in such representation or warranty will be disregarded.

(g) Comcast Subsidiary shall have the right to enforce (on behalf and for the benefit of Holdco and any other Indemnitee pursuant to Section 11.1) the right to indemnification under Section 11.1. Notwithstanding anything to the contrary set forth in this Agreement, to the extent that any Indemnitee pursuant to Section 11.1 is or becomes a shareholder of Time Warner Cable or Time Warner or a

limited partner of TWE, indemnification hereunder shall not include Losses suffered by such Indemnitee (or its Affiliates) in its shareholder or limited partner capacity by reason of (i) the indemnities being provided by Time Warner Cable hereunder or (ii) Losses suffered in such capacity in respect of any Excluded Assets, Excluded Liabilities or Holdco Indemnified Liabilities.

Section 11.5 Time and Manner of Certain Claims. The representations and warranties of Comcast Trust, Comcast Subsidiary, Time Warner Cable or any Transferring Person in this Agreement and any Transaction Document to which such Person is a party shall survive Closing for a period of 1 year; provided, that the representations in Section 6.24 shall not survive Closing. Notwithstanding the foregoing: (a) the liability of the parties shall extend beyond the 1-year period following Closing with respect to any claim which has been asserted in a bona fide written notice before the expiration of such 1-year period specifying in reasonable detail the facts and circumstances giving rise to such right; and (b) (i) the representations and warranties of the parties in Sections 4.1, 4.2, 4.3, 4.5, 4.6, 5.1, 5.2, 5.3, 5.5, 6.1, 6.2, 6.3, 6.4(a)(i), 6.13, 6.15 and 6.18 shall survive Closing and shall continue in full force and effect without limitation and (ii) the representations and warranties of Time Warner Cable in Sections 6.22 and 6.23 shall survive until the expiration of the applicable statute of limitations (giving effect to any waiver, mitigation or extension thereof).

Section 11.6 Other Indemnification. The provisions of Sections 11.3, 11.4 and 11.5 shall be applicable to any claim for indemnification made under any other provision of this Agreement, and all references in Sections 11.3, 11.4 and 11.5 to Sections 11.1 and 11.2 shall be deemed to be references to such other provisions of this Agreement.

Section 11.7 Exclusivity. Except as specifically set forth in this Agreement or any Transaction Document and except for claims against a party for breach of any provision of this Agreement or any Transaction Document, each party waives any rights and claims it may have against the other parties to this Agreement, whether in law or in equity, relating to the transactions contemplated hereby. The rights and claims waived by each party include claims for contribution or other rights of recovery arising

90

out of or relating to claims for breach of contract, breach of representation or warranty, negligent misrepresentation and all other claims for breach of duty. After Closing, Article 11 and the Transaction Documents shall provide the exclusive remedy for any misrepresentation or breach of warranty under this Agreement or any Transaction Document, other than any claims sounding in fraud.

Section 11.8 Release.

(a) Except as provided in Section 11.8(b), effective as of the Closing, each of Comcast, Comcast Subsidiary and Comcast Trust does hereby, for itself and each of its wholly owned Subsidiaries and their respective successors and assigns, and all Persons who at any time prior to the Closing have been shareholders, directors, officers, members, agents, trustees or employees of Comcast, Comcast Subsidiary or Comcast Trust or any of their respective Affiliates, predecessors, successors or assigns (in each case, in their respective capacities as such and to the extent it may legally do so) (collectively, the "Comcast Trust Releasing Parties"), remise, release and forever discharge Time Warner Cable and each of its Subsidiaries and Affiliates, their respective predecessors, successors and assigns, and all Persons who at any time prior to the Closing have been shareholders, directors, officers, members, agents, trustees or employees of Time Warner Cable or any of its respective Subsidiaries, Affiliates, predecessors, successors or assigns (in each case, in their respective capacities as such and to the extent it may legally do so), and their respective heirs, executors, administrators, predecessors, successors and assigns (collectively, the "Time Warner Cable Released Parties"), from any and all Liabilities whatsoever (other than Liabilities based on claims sounding in fraud), whether at law or in equity (including any right of contribution), whether arising under any Contract, by operation of Law or otherwise, existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur or any conditions existing or alleged to have existed on or before the Closing, whether or not known as of the Closing, related to, arising out of or resulting from Comcast Trust's ownership of the Redemption Securities. Comcast, Comcast Subsidiary and Comcast Trust agree, on behalf of their self and each of the other Comcast Trust Releasing Parties, that they will not assert any claims against any Time Warner Cable Released Party with respect to matters covered by the foregoing release.

(b) Nothing contained in Section 11.8(a) shall impair any right of any Person to enforce this Agreement or any other Transaction Document, in each case in accordance with its terms.

Section 11.9 Indemnification for Income Taxes. Notwithstanding any other provision of this Agreement, the provisions of Sections 11.1 through 11.8 shall not apply to any Liability for Income Taxes, which shall be governed exclusively by the Tax Matters Agreement. For the avoidance of doubt, rights under this Agreement shall provide the exclusive remedies for any breach of the representations and warranties provided in Section 6.24 hereof.

91

Section 11.10 Tax Treatment of Indemnification Payments.

(a) For all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest) the parties hereto agree to treat and to cause their respective affiliates to treat any payment (i) to Holdco by Time Warner Cable pursuant to an indemnification, reimbursement or refund obligation provided for in this Agreement (a "Time Warner Cable Indemnification Payment"), or (ii) to Time Warner Cable by Holdco pursuant to an indemnification, reimbursement or refund obligation provided for in this Agreement (a "Holdco Indemnification Payment" and collectively with any Time Warner Cable Indemnification Payment, an "Indemnification Payment") as (x) with respect to a Time Warner Cable Indemnification Payment, a contribution by Time Warner Cable to Holdco occurring immediately prior to the Closing, and (y) with respect to a Holdco Indemnification Payment, an adjustment to the Cash Amount transferred by Time Warner Cable to Holdco pursuant to the Holdco Transaction occurring immediately prior to the Closing.

(b) Notwithstanding Section 11.10(a) above, any Indemnification Payments that represent interest payable under Section 11.4(c) hereof shall be treated for all Tax purposes (unless required by a change in applicable Tax law or a good faith resolution of a contest), as (i) deductible to the Indemnitor and (ii) taxable to the Indemnitee.

(c) The amount of any Loss for which indemnification is provided under this Agreement shall be (i) increased to take account of net Tax cost, if any, incurred by the Indemnitee arising from the receipt or accrual of an Indemnification Payment hereunder, (grossed up for such increase) and (ii) reduced to take account of the net Tax benefit, if any, realized by the Indemnitee arising from incurring or paying such indemnified amount. In computing the amount of any such Tax cost or benefit, (i) the term Indemnitee shall be deemed to include any member of any Affiliated Group of which the Indemnitee is a member, and (ii) the Indemnitee shall be deemed to recognize all other items of income, gain, loss, deduction or credit before recognizing any item arising from the receipt or accrual of any Indemnification Payment hereunder or incurring or paying any indemnified amount hereunder. Any Indemnification Payment hereunder shall initially be made without regard to this Section 11.10(c) and shall be increased or reduced to reflect any such net Tax cost (including gross-up) or net Tax benefit only after the Indemnitee has Actually Realized such cost or benefit. The amount of any increase or reduction hereunder shall be adjusted to reflect any adjustment with respect to the Indemnitee's liability for Taxes, and payments between the parties hereto to reflect such adjustment shall be made. Notwithstanding the above, this Section 11.10(c) shall not apply to interest as described in Section 11.10(b).

Section 11.11 Guaranteed Obligations of Comcast.

(a) From and after the Closing, Comcast hereby agrees to fully and unconditionally guarantee to Time Warner Cable the due and punctual performance, compliance and payment of Holdco, Comcast Trust and Comcast Subsidiary (each, a "Guaranteed Party" and collectively, the "Guaranteed Parties") of each and every

92

covenant, term, condition or other obligation to be performed or complied with by any such party for the benefit of Time Warner Cable (or any Affiliate thereof or any Indemnitee pursuant to Section 11.2) under this Agreement and any Transaction Document to which any Guaranteed Party is a party delivered in connection herewith when, and to the extent that, any of the same shall become due and payable or performance of or compliance with any of the same shall be required (collectively, the "Guaranteed Obligations").

(b) Comcast hereby acknowledges and agrees that this guarantee constitutes an absolute, present, primary, continuing and unconditional guaranty of performance, compliance and payment by each of the Guaranteed Parties of the Guaranteed

Obligations when due under this Agreement and any Transaction Document to which any Guaranteed Party is a party delivered in connection herewith and not of collection only and is in no way conditioned or contingent upon any attempt to enforce such performance, compliance or payment by a Guaranteed Party or upon any other condition or contingency. Comcast hereby waives any right to require a proceeding first against any of the Guaranteed Parties.

(c) The obligations of Comcast under this guarantee shall not be subject to any reduction, limitation, impairment or termination for any reason (other than by indefeasible payment or performance in full of any of the Guaranteed Obligations) and shall not be subject to (i) any discharge of any of the Guaranteed Parties from any of the Guaranteed Obligations in a bankruptcy or similar proceeding (except by indefeasible payment or performance in full of the Guaranteed Obligations) or (ii) any other circumstance whatsoever which constitutes, or might be construed to constitute an equitable or legal discharge of Comcast as guarantor under this Section 11.11.

(d) Comcast shall cause any transferee of or successor to all or substantially all of the assets of Comcast to assume Comcast's obligations under this Section 11.11.

ARTICLE 12

Miscellaneous Provisions

Section 12.1 Expenses. Except as otherwise specifically provided in Sections 3.4, 7.3 or 12.2 or elsewhere in this Agreement, each of the parties shall pay its own expenses and the fees and expenses of its counsel, accountants, and other experts in connection with this Agreement.

Section 12.2 Attorneys' Fees. If any Litigation between the parties hereto with respect to this Agreement, the Transaction Documents or the transactions contemplated hereby or thereby shall be resolved or adjudicated by a Judgment of any court, the party prevailing under such Judgment (as determined by the trier of fact based on all relevant facts, including, but not limited to, amounts demanded or sought in such litigation, amounts, if any, offered in settlement of such litigation and amounts, if any, awarded in such litigation) shall be entitled, as part of such Judgment, to

recover from the other party its reasonable attorneys' fees and costs and expenses of litigation.

Section 12.3 Waivers. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party hereto, shall be deemed to constitute a waiver by the party taking the action of compliance with any representation, warranty, covenant or agreement contained herein or in any Transaction Document. The waiver by any party hereto of any condition or of a breach of another provision of this Agreement or any Transaction Document shall be in writing and shall not operate or be construed as a waiver of any other condition or subsequent breach. The waiver by any party of any of the conditions precedent to its obligations under this Agreement shall not preclude it from seeking redress for breach of this Agreement other than with respect to the condition so waived.

Section 12.4 Notices. All notices, requests, demands, applications, services of process and other communications which are required to be or may be given under this Agreement or any Transaction Document shall be in writing and shall be deemed to have been duly given if sent by telecopy or facsimile transmission, upon answer back requested, or delivered by courier or mailed, certified first class mail, postage prepaid, return receipt requested, to the parties at the following addresses:

Section 12.5 Entire Agreement; Prior Representations; Amendments. This Agreement, the Confidentiality Agreements (subject to the last sentence of this Section 12.5) and the Transaction Documents executed concurrent herewith embody the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior representations, agreements and understandings, oral or written, with respect thereto. Notwithstanding any representations which may have been made by either party in connection with the transactions contemplated by this Agreement, each party acknowledges that it has not relied on any representation by the other party with respect to such transactions, the Transferred Assets, or the Transferred Systems except those contained in this Agreement, the Schedules or the Exhibits hereto. This Agreement may not be modified orally, but only by an agreement in writing signed by the party or parties against whom any waiver, change, amendment, modification or discharge may be sought to be enforced. The Confidentiality Agreements, as each relates to any obligation to keep confidential information regarding the Transferred Assets, the Transferred Systems and/or the Assumed Liabilities are hereby terminated.

Section 12.6 Specific Performance. The parties recognize that their rights under this Agreement are unique and, accordingly, the parties shall, in addition to such other remedies as may be available to any of them at law or in equity, have the right to enforce their rights hereunder by actions for injunctive relief and specific performance to the extent permitted by applicable law so long as the party seeking such relief is prepared to consummate the transactions contemplated hereby. The parties agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate. The parties waive any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award or injunctive, mandatory or other equitable relief.

Section 12.7 Jurisdiction. Except as otherwise expressly provided in this Agreement, the parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, the Transaction Documents or the transactions

contemplated hereby or thereby may be brought in the United States District Court for the Southern District of New York or any other New York State court sitting in New York City, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 12.4 shall be deemed effective service of process on such party.

Section 12.8 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 12.9 Binding Effect; Benefits. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective heirs, legal representatives, successors, and permitted assigns. No party hereto shall assign this Agreement or delegate any of its duties hereunder to any other Person without the prior written consent of the other parties hereto, which consent shall not be unreasonably withheld or delayed; provided that Comcast Subsidiary may assign its rights and delegate its obligations under this Agreement (in whole or in part) to any Affiliate of Comcast Subsidiary, upon written notice to Time Warner Cable. For purposes of this Section, any change in control of Comcast, Comcast Trust, Comcast Subsidiary or Time Warner Cable shall not constitute an assignment by it of this Agreement. In no event shall any assignment of rights or delegation of obligations relieve any party of its obligations hereunder.

Section 12.10 Headings and Schedules. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement. Reference to Schedules shall, unless otherwise indicated, refer to the Schedules attached to this Agreement, which shall be incorporated in and constitute a part of this Agreement by such reference.

Section 12.11 Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile), each of which, when executed, shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

Section 12.12 GOVERNING LAW. THE VALIDITY, PERFORMANCE, AND ENFORCEMENT OF THIS AGREEMENT AND ALL TRANSACTION DOCUMENTS, UNLESS EXPRESSLY PROVIDED TO THE CONTRARY, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW

YORK, WITHOUT GIVING EFFECT TO THE PRINCIPLES OF CONFLICTS OF LAW OF SUCH STATE.

Section 12.13 Severability. Any term or provision of this Agreement which is invalid or unenforceable shall be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining rights of the Person intended to be benefited by such provision or any other provisions of this Agreement.

Section 12.14 Third Parties; Joint Ventures. This Agreement constitutes an agreement solely among the parties hereto, and, except as otherwise expressly provided herein, is not intended to and shall not confer any rights, remedies, obligations, or liabilities, legal or equitable, including any right of employment, on any Person other than the parties hereto and their respective successors, or assigns, or otherwise constitute any Person a third party beneficiary under or by reason of this Agreement except that Time Warner shall be an express third party beneficiary of Section 2.3. For the avoidance of doubt, no Person other than a party hereto shall have any right to enforce Section 3.1 or any other provision of this Agreement to the extent relating thereto. Nothing in this Agreement, expressed or implied, is intended to or shall constitute the parties hereto partners or participants in a joint venture.

Section 12.15 Construction. This Agreement has been negotiated by Comcast Trust, Comcast Subsidiary and Time Warner Cable and their respective legal counsel, and legal or equitable principles that might require the construction of this Agreement or any provision of this Agreement against the party drafting this Agreement shall not apply in any construction or interpretation of this Agreement.

Section 12.16 Risk of Loss; Governmental Taking.

(a) Time Warner Cable shall bear the risk of any loss or damage to the Transferred Assets resulting from fire, theft or other casualty (except reasonable wear and tear) at all times prior to the Closing. In the event any such loss or damage occurs, Time Warner Cable shall (at its expense) use its commercially reasonable efforts to replace or restore such lost or damaged property as soon as practicable and in any event prior to Closing (or, if such damaged property is not replaced or restored prior to Closing, Time Warner shall indemnify Holdco for any Losses arising out of such unrepaired damage or unrestored property). If any loss or damage is equal to or greater than \$50,000,000 and is sufficiently substantial so as to preclude and prevent resumption of normal operations of any material portion of a Transferred System by the Outside Closing Date, Time Warner Cable shall, to the extent reasonably practical, immediately notify Comcast Subsidiary in writing of that fact (which notice shall, to the extent reasonably practical, specify with reasonable particularity the loss or damage incurred, the cause thereof if known or reasonably ascertainable, and the insurance coverage related thereto), and Comcast Subsidiary, at any time within 10 days after receipt of such notice, may elect by written notice to Time Warner Cable, to either (i) waive such defect and proceed toward consummation in accordance with the terms of this Agreement (provided that any such waiver shall also be deemed to be a waiver of any right to

98

indemnification pursuant to the first sentence of this Section 12.16(a) or pursuant to Section 11.1 for any breach of any (x) representation or warranty of Time Warner Cable set forth in Article 6 resulting from any such loss or damage or (y) covenant hereunder to the extent that compliance therewith is frustrated or made commercially impracticable as a result of such loss or damage) or (ii) terminate this Agreement, subject to Section 10.2. If Comcast Subsidiary elects to so terminate this Agreement, Time Warner Cable shall be discharged of any and all obligations hereunder, subject to Section 10.2. If Comcast Subsidiary elects to consummate the transactions contemplated by this Agreement notwithstanding such loss or damage and does so, there shall be no adjustment in the consideration payable to or by Transferee on account of such loss or damage, but all insurance proceeds received or receivable by Time Warner Cable or its Affiliates (determined on an effective after-tax basis as if TWE and TWE-A/N are, in each case, instead of being partnerships, stand-alone corporations) as a result of the occurrence of the event resulting in such loss or damage (to the extent not already expended by Time Warner Cable or its Affiliates to restore or replace the lost or damaged Transferred Assets), except for any proceeds from business interruption insurance relating to the loss of revenue for any period through and including the Closing Date, shall be delivered by Time Warner Cable or its Affiliates to Holdco, or the rights to such proceeds shall be assigned by Time Warner Cable or its Affiliates to Holdco if not yet received by Time Warner Cable or its Affiliates. Time Warner Cable shall pay any deductible required and/or the self-insured portion of any such loss with respect to all such insurance proceeds payable under any insurance policy held by Time Warner Cable or its Affiliates. Any amounts received or receivable hereunder shall not be included in the Closing Net Liabilities Amount.

(b) If, prior to Closing, any material part of or interest in the Transferred Assets is taken or condemned as a result of the exercise of the power of eminent domain, or if a Governmental Authority having such power informs Time Warner Cable or any of its Affiliates that it intends to condemn or take all or any of the Transferred Assets (such event being called, in either case, a “Taking”), then Comcast Subsidiary may terminate this Agreement. If Comcast Subsidiary does not elect to terminate this Agreement, (i) Comcast Subsidiary shall have the sole right, in the name of Time Warner Cable and its Affiliates, if Comcast Subsidiary so elects, to negotiate for, claim, contest and subject to the Closing occurring, and have Holdco receive all damages with respect to the Taking, (ii) Time Warner Cable shall be relieved of its obligation to convey to Holdco the Transferred Assets or interests that are the subject of the Taking if the Taking has occurred (but, subject to the Closing occurring, shall convey to Holdco any interest therein still held by Time Warner Cable or its Affiliates and any replacement property acquired by Time Warner Cable or its Affiliates), (iii) at Closing, Time Warner Cable and its Affiliates shall assign to Holdco all of Time Warner Cable’s and its Affiliates’ rights to all payments received or receivable by Time Warner Cable or its Affiliates (determined on an effective after-tax basis as if TWE and TWE-A/N are, in each case, instead of being partnerships, stand-alone corporations), with respect to such Taking and shall pay to Holdco all such payments previously paid to Time Warner Cable or any of its

Affiliates with respect to the Taking (to the extent not already expended by Time Warner Cable or its Affiliates to restore or replace the taken Assets), and (iv) following Closing, Time Warner Cable and its Affiliates shall give Holdco such further

assurances of such rights and assignment with respect to the Taking as Holdco may from time to time reasonably request. Any amounts received or receivable hereunder shall not be included in the Closing Net Liabilities Amount.

Section 12.17 Commercially Reasonable Efforts. For purposes of this Agreement, “commercially reasonable efforts” shall not, with regard to obtaining any consent, approval or authorization, be deemed to require a party to undertake extraordinary measures, including the initiation or prosecution of legal proceedings or the payment of amounts in excess of normal and usual filing fees and processing fees, if any.

Section 12.18 Time. Time is of the essence under this Agreement. If the last day for the giving of any notice or the performance of any act required or permitted under this Agreement is a day that is not a Business Day, the time for the giving of such notice or the performance of such act shall be extended to the next succeeding Business Day.

1. *Introduction.* This letter agreement (this “Agreement”) confirms the agreement of Time Warner NY Cable LLC (“Buyer”), a Delaware limited liability company and an indirectly wholly owned subsidiary of Time Warner Cable Inc. (“Parent”), a Delaware corporation, Adelphia Communications Corporation, a Delaware corporation (“Seller”), and Comcast Corporation, a Pennsylvania corporation (“Comcast”). Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to them in the Comcast Purchase Agreement (as defined below).

2. *Joint Acquisition of Seller and Asset Purchase Agreements.* Seller and certain of its Affiliates have filed voluntary petitions for reorganization under chapter 11 of the United States Bankruptcy Code and are currently subject to chapter 11 proceedings in the United States Bankruptcy Court for the Southern District of New York. Contemporaneously with the execution and delivery of this Agreement, (a) Buyer and Adelphia have entered into an Asset Purchase Agreement (the “Buyer Purchase Agreement”), pursuant to which Buyer is to acquire certain assets of Seller at a closing to be held thereunder (the “Closing”) subject to the terms and conditions set forth therein and (b) Comcast and Adelphia have entered into an Asset Purchase Agreement (the “Comcast Purchase Agreement”), pursuant to which Comcast is to acquire certain assets of Seller subject to the terms and conditions set forth therein.

3. *Termination of the Comcast Purchase Agreement.* If the Comcast Purchase Agreement is terminated prior to the Closing as a result of actions by, or failure to obtain Governmental Authorizations from, any Government Antitrust Entity or the FCC (the “Termination”), pursuant to and subject to the terms of the Buyer Purchase Agreement, the Transaction (as defined in the Buyer Purchase Agreement) will be expanded as described in Section 5.15 thereof (the “Expanded Transaction”) (the closing of such Expanded Transaction, the “Expanded

Transaction Closing”). Notwithstanding anything to the contrary herein, the obligations of the parties hereunder shall only become effective in the event of a Termination. Seller shall give Buyer prompt notice of any such Termination.

4. *Consummation of the Comcast Joint Venture Transactions and Aggregate Buyer Discharge Amount.*

(a) Notwithstanding the Termination, immediately prior to the Expanded Transaction Closing, with respect to each Transferred Joint Venture Parent, (i) Comcast shall cause the applicable Buyer JV Partner to contribute cash to such Transferred Joint Venture Parent in an amount equal to the Buyer Discharge Amount for such Transferred Joint Venture Parent, (ii) Seller shall cause such Transferred Joint Venture Parent to distribute to the applicable Seller JV Partner (A) cash in the amount of the Buyer Discharge Amount for such Transferred Joint Venture Parent and (B) all Excluded Assets of the Transferred Joint Venture Parent and its Subsidiaries and (iii) Seller shall cause the applicable Seller JV Partner to assume all Liabilities of such Transferred Joint Venture Parent and its Subsidiaries (other than any such Liabilities that constitute Assumed Liabilities) (the “Seller Assumption”).

(b) For purposes of this Agreement and the Buyer Purchase Agreement, the term “Buyer Discharge Amount” means, with respect to each Transferred Joint Venture Parent, the applicable Buyer Joint Venture Percentage multiplied by the total amount of Liabilities of such Transferred Joint Venture Parent and its Subsidiaries as of the Expanded Transaction Closing (excluding any such Liabilities that are Assumed Liabilities) as determined pursuant to Section 4(d).

(c) For purposes of this Agreement and the Buyer Purchase Agreement, the term “Aggregate Buyer Discharge Amount” shall mean the sum of the Buyer Discharge Amounts for the three Transferred Joint Venture Parents.

(d) For purposes of making the determination of the Buyer Discharge Amount, the following procedures shall apply:

(i) No later than 30 Business Days prior to the Expanded Transaction Closing, Seller shall prepare, or cause to be prepared, and deliver to Buyer and Comcast a statement (the “Discharge Statement”) setting forth Seller’s good faith estimate of each Buyer Discharge Amount as of the expected Expanded Transaction Closing (the “Seller’s Estimate”). The Discharge Statement shall be accompanied by a certification of Seller’s Chief Financial Officer to the effect that such Discharge Statement has been prepared in good faith based on the books and records of the Transferred Joint Venture Parent or any of its Subsidiaries and shall be reasonably satisfactory to Buyer and Comcast.

(ii) If Buyer or Comcast in good faith dispute Seller’s Estimate (each, a “Disputing Party”), such Disputing Party shall, on or before the tenth day

following receipt of the Discharge Statement, so inform each of the other parties hereto in writing, setting forth a specific description of the basis of determination, and the adjustments to the Discharge Statement and the corresponding adjustments to Seller’s Estimate that such Disputing Party believes should be made (each, an “Objection”).

(iii) If no Objection is received by Seller on or before the tenth day following receipt of the Discharge Statement, then the Seller’s estimates contained in the Discharge Statement of each Buyer Discharge Amount shall be final and binding on the parties.

(iv) If (A) an Objection is received by Seller on or before the tenth day following receipt of the Discharge Statement and (B) Seller, Buyer and Comcast are unable to resolve their disagreement regarding any Buyer Discharge Amounts within the tenth day following receipt of the Discharge Statement, then Seller, Buyer and Comcast shall refer any remaining disagreements to the CPA Firm which, acting as expert and not as arbitrator, shall determine, based on the books and records of each Transferred Joint Venture Parent or any of its Subsidiaries, and only with respect to the

remaining differences so submitted (and within the range of dispute between the Discharge Statement and any Objection with respect to each such difference), whether and to what extent, if any, Seller' s Estimate requires adjustment. Buyer, Seller and Comcast shall instruct the CPA Firm to deliver its written determination to the parties no later than the five days prior to the expected date of the Expanded Transaction Closing. The CPA Firm' s determination shall be conclusive and binding upon Buyer, Seller, Comcast and their respective Affiliates. The fees and disbursements of the CPA Firm shall be borne equally by Seller, Buyer and Comcast. Seller shall make readily available to the CPA Firm all relevant books and records and any work papers (including those of the parties' respective accountants, to the extent permitted by such accountants) relating to the determination of any Buyer Discharge Amount and the Aggregate Buyer Discharge Amount and all other items reasonably requested by the CPA Firm in connection therewith.

(v) Notwithstanding anything to the contrary contained herein, the parties agree (and, if applicable, shall instruct the CPA Firm) that the Buyer Discharge Amount in respect of (1) Century, shall not be less than \$297 million or more than \$325 million, (z) Parnassos, shall not be less than \$252 million or more than \$275 million and (3) Western, shall, subject to the last sentence of Section 5.22 of the Comcast Purchase Agreement, be \$0.00.

(e) Notwithstanding the Termination and the Expanded Transaction Closing, the Plan (as defined in the Buyer Purchase Agreement) shall comply with subsection (E) of the fourth sentence of section 5.11(a) of the Comcast Purchase Agreement to the extent applicable to the Buyer JV Partners and the Joint Venture Securities.

(f) Nothing herein shall be deemed to limit, release, discharge or otherwise diminish the Buyer JV Partners' rights in respect of Retained Claims as against Seller Releasing Parties (other than the Transferred Joint Venture Parents or any of their respective Subsidiaries).

5. Release from Retained Claims.

(a) Effective upon the Expanded Transaction Closing, Comcast, for itself and its Subsidiaries, and to the extent of Comcast' s authority to do so, for its privies, Affiliates, predecessors, successors, assigns, employees, agents, attorneys, legal representatives, heirs, executors and administrators, and their respective shareholders, members, managers, officers and directors in their capacities as such (the "Comcast Releasing Parties"), hereby releases, acquits and forever discharges the Transferred Joint Venture Parent and its Subsidiaries and Buyer and Buyer' s Affiliates, predecessors and successors, as well as Buyer' s direct and indirect privies, advisors, consultants, assigns, employees, agents, attorneys, legal representatives, shareholders, members, managers, officers and directors in their capacities as such (other than Seller and its Affiliates except for the Transferred Joint Venture Parent and its Subsidiaries) (the "Buyer Released Parties") of and from any Loss arising out of, related to or derived from (i) any claims, demands, damages, actions, causes of action, rights, costs, losses, expenses, compensation or suits in equity, of whatsoever kind or nature (including Retained Claims), against any Buyer Released Parties with respect to any action or omission by any Transferred Joint Venture Parent or any of its Subsidiaries prior to the Expanded Transaction Closing and (ii) any Pre-Closing Management Liabilities (as defined below), in each case whenever accruing, whether foreseen or unforeseen, whether known or unknown, whether or not well founded in fact or in law, whether in law or in equity or otherwise, whether direct, consequential, compensatory, exemplary, liquidated or unliquidated, which such Comcast Releasing Party, or which its legal representatives, successors, assigns, heirs, executors or administrators ever had, now has, can, shall or may have for or by reason of any matter, cause or anything whatsoever, for all periods.

(b) Effective upon the Expanded Transaction Closing, Seller, for itself and its Subsidiaries, and to the extent of Seller' s authority to do so, for its privies, Affiliates, predecessors, successors, assigns, employees, agents, attorneys,

legal representatives, heirs, executors and administrators, and their respective shareholders, members, managers, officers and directors in their capacities as such (the “Seller Releasing Parties”), hereby releases, acquits and forever discharges the Buyer Released Parties of and from any Loss arising out of, related to or derived from (i) any claims, demands, damages, actions, causes of action, rights, costs, losses, expenses, compensation or suits in equity, of whatsoever kind or nature (including in respect of Retained Claims), against any Buyer Released Parties with respect to any action or omission by any Transferred Joint Venture Parent or any of its Subsidiaries prior to the Expanded Transaction Closing or (ii) any Pre-Closing-Management Liabilities, in each case whenever accruing, whether foreseen or unforeseen, whether known or unknown, whether or not well

founded in fact or in law, whether in law or in equity or otherwise, whether direct, consequential, compensatory, exemplary, liquidated or unliquidated, which such Seller Releasing Party, or which its legal representatives, successors, assigns, heirs, executors or administrators ever had, now has, can, shall or may have for or by reason of any matter, cause or anything whatsoever, for all periods.

(c) Notwithstanding the foregoing, the parties expressly understand and agree that the waivers and releases granted in clauses (a) and (b) of this paragraph 5 are made solely for the purpose of inducing Buyer to consummate the Expanded Transaction by providing evidence of the effectiveness of the Seller Assumption as provided under paragraph 4(a) above and shall not (and shall not be deemed in any way to) limit, diminish or otherwise adversely affect any Liabilities (i) of the Seller or its Affiliates (other than the Transferred Joint Venture Parent and its Subsidiaries) to Comcast or its Affiliates, or (ii) of the Transferred Joint Venture Parent and its Subsidiaries payable to Comcast or its Affiliates under the Plan with respect to Claims asserted in their capacity as creditors (unless and to the extent the Seller Assumption is effected in accordance with this Agreement and such amounts are payable by Seller and its Affiliates under the Plan).

6. *Assignment of Management Contracts*. Effective upon the Expanded Transaction Closing, Seller shall, and shall cause each of its Affiliates to, convey, transfer, assign and deliver to Buyer all right, title and interest under (a) the Management Agreement, dated December 7, 1999, between Century-TCI California, L.P., and Chelsea Communications, LLC, (b) the Management Agreement, dated January 8, 1998, between Western NY Cablevision, L.P. (f/k/a Parnassos, L.P.), and Adelphia Cablevision, LLC (f/k/a Adelphia Cablevision, Inc.), a limited liability company, and (c) the Management Agreement, dated December 30, 1998, between Parnassos, L.P., and Adelphia Cablevision, LLC (f/k/a Adelphia Cablevision, Inc.), (the agreements referred to in clauses (a), (b) and (c), collectively, the “Management Contracts”); provided, however, that Seller and its Affiliates shall retain, and there shall be excluded from the sale, conveyance, assignment or transfer to or assumption by Buyer under the Buyer Purchase Agreement any Liabilities arising under or related to the Management Contracts and attributable to, arising under or related to actions, omissions, circumstances or conditions occurring prior to the Expanded Transaction Closing (the “Pre-Closing Management Liabilities”); it being understood that all Pre-Closing Management Liabilities shall be Excluded Liabilities for all purposes, pursuant to the Buyer Purchase Agreement. Seller hereby represents and warrants to Buyer that on or prior to the date hereof it has delivered or made available to Buyer true and complete copies of the Management Contracts. Seller hereby covenants and agrees that from and after the date hereof it will not amend, supplement or otherwise modify a Management Contract in any manner that is adverse to the Buyer Indemnified Parties.

7. *Cooperation and Consent of Comcast; Books and Records*. Comcast shall, and shall cause each of its Affiliates (including each Buyer JV

Partner) to, cooperate and following the Termination to use good faith efforts to fulfill as promptly as practicable the conditions precedent (other than the Termination itself) to the respective obligations of Buyer and Seller under Section 5.15 of the Buyer Purchase Agreement. Comcast hereby expressly consents to the Expanded Transaction. From and after the Expanded Transaction Closing, Buyer shall not, and shall not permit its Affiliates to, provide Comcast or any of its Affiliates any Excluded Books and Records that Adelphia identifies to Buyer (in a manner that is readily apparent to Buyer) as “Excluded Books and Records” at the Expanded Transaction Closing; provided, however, that Buyer may provide Comcast with any such Excluded Books and Records if it is required to do so pursuant to applicable Law. So long as Buyer uses good faith efforts to comply with the immediately preceding sentence (in a manner that is consistent with Buyer’s policies regarding treatment of its own confidential information), Buyer and its Affiliates will have no Liability for any Loss suffered as a result of any disclosure of Excluded Books and Records, whether to any Seller Releasing Party, Comcast Releasing Party, Transferred Joint Venture Party (or any of their respective Subsidiaries). Comcast acknowledges on behalf of its and its Affiliates that the foregoing sentence shall be deemed to modify and amend any requirement in any of the JV Documents to provide Books or Records to Comcast or any of its Affiliates. Comcast shall not take any action that would cause the condition set forth in Section 6.2(j) of the Comcast Purchase Agreement not to be satisfied, provided, that nothing herein shall limit, release, discharge or otherwise diminish the Buyer JV Partners’ rights in respect of Retained Claims.

8. *Termination.* This Agreement shall terminate automatically upon the earlier to occur of (a) the termination of the Comcast Purchase Agreement in accordance with its terms for any reason other than a Termination; (b) the termination of the Buyer Purchase Agreement in accordance with its terms and (c) the Closing. If this Agreement is terminated pursuant to this Section 8, this Agreement shall become void and of no effect without liability of any party hereto (or any Affiliate, shareholder, director, officer, employee, agent, consultant or representative of such party) to the other parties hereto, except that no such termination shall relieve any party hereto of any Liability resulting from any willful breach by such party of this Agreement.

9. *Fees and Expenses.* All costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expenses except as otherwise provided for herein.

10. *Specific Performance.* The parties recognize that their rights under this Agreement are unique and, accordingly, the parties shall, in addition to such other remedies as may be available to any of them at law or in equity, have the right to enforce their rights hereunder by actions for injunctive relief and specific performance to the extent permitted by applicable law so long as the party seeking such relief is prepared to consummate the transactions contemplated hereby. The parties agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach of the provisions of this Agreement and

hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate. The parties waive any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award or injunctive, mandatory or other equitable relief.

11. *Counterparts; Effectiveness.* This Agreement may be signed in any number of counterparts (including by facsimile), each of which when executed shall be an original and all of which taken together shall be deemed to be one

and the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed by the other party hereto.

12. *Governing Law; Submission to Jurisdiction; Selection of Forum; Waiver of Trial by Jury.* THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. Each party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contained in or contemplated by this Agreement exclusively in the Chosen Courts and solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement (a) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (b) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, (c) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto and (d) agrees that service of process upon such party in any such action or proceeding shall be effective if notice is given in accordance with Section 13. Seller irrevocably designates The Corporation Trust Company as its agent and attorney-in-fact for the acceptance of service of process and making an appearance on its behalf in any such claim or proceeding and for the taking of all such acts as may be necessary or appropriate in order to confer jurisdiction over it before the Chosen Courts and further stipulates that such consent and appointment is irrevocable and coupled with an interest. Each party hereto irrevocably waives any and all rights to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

13. *Notices.* All notices, requests, demands, approvals, consents and other communications hereunder shall be in writing and shall be deemed to have been duly given and made if served by personal delivery upon the party for whom it is intended or delivered by registered or certified mail, return receipt requested, or if sent by telecopier or email, provided that the telecopy or email is promptly confirmed by telephone confirmation thereof, to the Person at the address set forth below, or such other address as may be designated in writing hereafter, in the same manner, by such Person:

COMCAST CORPORATION

Philadelphia, PA 19102
Attention: Larry Smith

Ladies and Gentlemen:

This letter agreement (this "Agreement") confirms the agreement of Time Warner Cable Inc., a Delaware corporation ("TWC"), and Comcast Corporation, a Pennsylvania corporation ("Comcast"), with respect to the matters described herein.

We each agree as follows:

1. Exchange. In the event that Comcast receives the Kansas & SW Asset Pool pursuant to the Dissolution Procedure, Comcast shall have the option (the "Option"), exercisable at any time during the period commencing on the one-year anniversary of the Distribution Date for the Kansas & SW Asset Pool (the "KSW Distribution Date") and ending at 5:00 p.m. (NYT) on the earlier of (i) the expiration of 18 months following the KSW Distribution Date and (ii) the date that is 60 days following the Good Faith Notice Date (as defined below) (such earlier date, the "Option Expiration Date"), to effect the Exchange (as defined below). If Comcast exercises the Option then (the date of such exercise, the "Option Exercise Date"), subject to the terms and conditions of this Agreement, at the closing of the Exchange (the "Closing"): (i) TWC will transfer (or cause its affiliates to transfer) to Comcast (or its designated affiliates) the cable communications systems serving the communities listed on Schedule A (the "TWC Exchange Systems") together with any required Adjustment Cash (as defined below); and (ii) in exchange therefor, Comcast will transfer (or cause its affiliates to transfer) to TWC (or its designated affiliates) the cable communications systems that are identified on Schedule C to the Partnership Agreement (as defined below) as being part of the Southwest Business that are received on the KSW Distribution Date pursuant to the Dissolution Procedure (the

"Comcast Exchange Systems", and together with the TWC Exchange Systems, the "Exchange Systems") together with any required Adjustment Cash, in each case excluding any long-term debt of such systems (the "Exchange"). Capitalized terms used in this paragraph 1 and not defined shall have the meanings specified in the Limited Partnership Agreement of Texas and Kansas City Cable Partners, L.P., dated as of June 23, 1998, as amended (the "Partnership Agreement").

2. Good Faith Notice; Definitive Agreement.

(a) At any time during the period beginning on the one-year anniversary of the KSW Distribution Date and ending 60 days prior to the expiration of 18 months following the KSW Distribution Date, Comcast may deliver to TWC a written notice (the “Good Faith Notice” and the date such notice is so delivered, the “Good Faith Notice Date”) stating that Comcast intends in good faith to exercise the Option on or prior to the Option Expiration Date unless as a result of its diligence review Comcast determines that it is not in its best interests to exercise the Option. For the avoidance of doubt, only one Good Faith Notice may be delivered. Between the Good Faith Notice Date and the Option Expiration Date, Comcast and TWC shall: (i) cooperate in good faith to permit each other to conduct a customary due diligence investigation of the Exchange Systems to be received by such party and (ii) use their respective commercially reasonable efforts to negotiate a definitive exchange agreement, including the disclosure schedules thereto (the “Definitive Agreement”), having terms and conditions (including terms relating to closing adjustments) substantially the same as the terms and conditions of the Exchange Agreement dated as of the date hereof among Comcast, TWC and the other parties thereto (the “Exchange Agreement”) to the extent relating to the Native Systems (as defined in the Exchange Agreement) *mutatis mutandis*; provided that, (a) the Closing will be conditioned on the Adelphia Closing (as defined in the Exchange Agreement) occurring, (b) the Closing will be conditioned upon the Closing (as defined in the Exchange Agreement) occurring, (c) Comcast’s representations and warranties with respect to the Comcast Exchange Systems shall be limited to events, circumstances and conditions following the KSW Distribution Date, (d) TWC’s representations and warranties with respect to the TWC Exchange Systems acquired pursuant to the TWC/Adelphia Purchase Agreement (as defined in the Exchange Agreement) shall be limited to events, circumstances and conditions following the Closing (as defined in the TWC/Adelphia Purchase Agreement), (e) Section 2.1(e)(iii) of the Exchange Agreement shall be disregarded and (f) the Definitive Agreement shall provide for a subscriber adjustment based on the change (positive or negative) in the number of Individual Subscribers (as defined in the Exchange Agreement with respect to each party) served by each party’s Exchange Systems between the Option Exercise Date and the Closing, with the adjustment per

Individual Subscriber equal to the Fair Market Value of such Exchange Systems divided by the number of Individual Subscribers served by such Exchange Systems as of the Option Exercise Date.

(b) If Comcast and TWC agree to the form of the Definitive Agreement prior to the Option Exercise Date and Comcast exercises the Option, then Comcast and TWC shall enter into the Definitive Agreement in such agreed form on the Option Exercise Date. If Comcast and TWC do not agree to the form of the Definitive Agreement prior to the Option Exercise Date and Comcast exercises the Option, then, (i) this Agreement shall, automatically and without any further act being required, be deemed to be the definitive documentation upon which the Exchange will be consummated and to incorporate terms and conditions (including terms relating to closing adjustments) substantially the same as the terms and conditions of the Exchange Agreement *mutatis mutandis* but subject to the proviso to the last sentence of paragraph 2(a).

(c) The parties intend that, and agree to use commercially reasonable efforts to structure the Exchange in such a way that, to the maximum extent possible, such Exchange will be of “like-kind assets,” within the meaning of Section 1031 of the Code, that are of equivalent value, including (i) structuring the Exchange as one or more exchanges, (ii) assignment of the parties’ rights under this Agreement to a “qualified

intermediary” engaged by one or more of the parties to effectuate a deferred exchange and (iii) cooperating in good faith to minimize any adverse Tax effect resulting from the Exchange, including, but not limited to matching property transferred in the Exchange into “Exchange Groups” (as defined under Treasury Regulation Section 1.1031(j) -1(b)(2)).

(d) The parties acknowledge and agree that certain of the cable communications systems listed on Schedule A are subject to transfer to Comcast (or affiliates or related parties of Comcast) pursuant to the Tolling and Optional Redemption Agreement dated as of September 24, 2004, as amended, among TWC, Comcast and certain other parties named therein (the “Tolling Agreement”). If the transactions contemplated by such agreement have closed or such agreement has not been terminated by the Option Exercise Date, Schedule A hereto will be amended to delete the systems noted thereon as subject to the Tolling Agreement.

3. Fair Market Value Adjustment. If the aggregate Fair Market Value as of the Option Exercise Date of the Exchange Systems to be transferred by one party is less than the aggregate Fair Market Value as of such date of the Exchange Systems to be transferred by the other party, then the party transferring the Exchange Systems with the lower valuation shall at the Closing also transfer to the other party cash (any such cash, “Adjustment Cash”) in an

amount equal to the difference. Any payments of Adjustment Cash and other purchase price adjustments will be netted so that as between each transferor and transferee only one cash payment will be made. For purposes of this Agreement, the “Fair Market Value” of any Exchange Systems shall be the fair market value of such system as of the Option Exercise Date, valued on a private market basis assuming a willing buyer and a willing seller, each party acting without compulsion in a orderly sale, taking into account the matters disclosed in the representations and warranties set forth in the Definitive Agreement and in the disclosure schedules to the Definitive Agreement, and disregarding the Net Liabilities (as defined in the Exchange Agreement) of such Exchange System. Fair Market Value shall, in each instance, be determined by mutual agreement of Comcast and TWC; provided that if Comcast and TWC cannot agree within 15 days following the Option Exercise Date, then the Fair Market Value will be determined by an appraiser jointly selected and retained by Comcast and TWC, or if the parties cannot agree on such selection within such 15 day period, then by a third appraiser selected by two other appraisers chosen on the last day of such 15 day period, one chosen by Comcast and one chosen by TWC. Upon designation of such appraiser (who shall serve as the third appraiser for all purposes hereunder, including for purposes of determining the Fair Market Value of each group of Exchange Systems), each of Comcast and TWC shall deliver to such appraiser their good faith determinations of the applicable Fair Market Value and, no later than 45 days following the Option Exercise Date, such appraiser shall select from between Comcast’s and TWC’s determinations the amount that most appropriately reflects such Fair Market Value. Each party shall (and shall cause its affiliates to) provide to the others and to the appraisers such information and access as shall be reasonably required in connection with the determination of any Fair Market Value. The determination of the appraiser shall be final and binding upon, and the costs of the appraiser shall be shared equally by, Comcast and TWC.

4. Access to Information. From the Good Faith Notice Date until the Closing, each party transferring Exchange Systems (the “Transferring Party”) shall (i) give the other party (the “Receiving Party”), its counsel, financial advisors, auditors and other authorized representatives reasonable access to the offices, properties, books and records relating to the Exchange Systems or other assets or liabilities to be transferred by the Transferring Party, (ii) furnish to the Receiving Party, its counsel, financial advisors, auditors and other authorized representatives such financial and operating data and other information as such persons may reasonably request with respect to such Exchange Systems

or other assets or liabilities and (iii) instruct the employees, counsel, financial advisors, auditors and other authorized representatives of the Transferring Party and its subsidiaries to cooperate reasonably with the Receiving Party in its investigation of such Exchange Systems or other assets or liabilities; provided that nothing herein shall require a party to disclose any programming records or agreements (other than system specific retransmission consent agreements and system specific programming agreements) or, to the extent necessary to protect the

legitimate business and confidentiality concerns of such party, but taking into account the transferee's need for such information in connection with the transactions contemplated hereby, other documents containing competitively sensitive information, trade secrets, or other sensitive information relating thereto. Any investigation pursuant to this paragraph shall be conducted in such manner as not to interfere unreasonably with the conduct of the business of the Transferring Party and its subsidiaries and affiliates. No information or knowledge obtained by the Receiving Party in any investigation pursuant to this paragraph shall affect or be deemed to modify any representation or warranty made by the Transferring Party hereunder or in the Definitive Agreement. Any information obtained by the Receiving Party will be held in accordance with the terms of the letter agreement, dated November 9, 2004, as amended from time to time, between Comcast and Time Warner Inc. relating to the confidentiality of information regarding Comcast and its affiliates, or the letter agreement, dated November 9, 2004, as amended from time to time, between Comcast and Time Warner Inc., relating to the confidentiality of certain information regarding Time Warner Inc. and its affiliates (together, the "Confidentiality Agreements"), as applicable; provided, that the term of each Confidentiality Agreement shall, with respect to information provided pursuant to this paragraph 4, be extended to two years following the Good Faith Notice Date.

5. Affiliate Transactions. Prior to the Closing, all transactions and agreements between the Transferring Party or its affiliates, on the one hand, and the applicable Exchange Systems, on the other hand, will no longer be binding upon such Exchange Systems from and after Closing and with no further liability with respect to the Exchange Systems (other than arrangements with Time Warner Telecom Inc. which are on arm's length terms consistent with those arrangements disclosed to Comcast prior to the date hereof regarding TWC's cable television systems in Memphis and Minneapolis). At the applicable Closing, no Exchange Systems being transferred will be subject to any agreement with an Internet service provider.

6. Representations and Warranties of TWC. TWC represents and warrants to Comcast that: (a) TWC is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, and has full power and authority to execute, deliver and perform this Agreement and the performance of TWC's obligations hereunder have been duly authorized by all necessary corporate action on the part of TWC; (b) this Agreement has been duly executed and delivered by TWC and, assuming the due execution and delivery thereof by Comcast, is a valid and binding obligation of TWC, enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights of creditors generally and by general principles of equity; (c) except for compliance with the Securities Exchange Act of 1934, as amended (the "1934 Act"), and the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), and customary Federal Communications Commission

("FCC") and franchising authority approvals and assuming consummation of the Closing (as defined in the TWC/Adelphia Agreement) and the transactions contemplated by the Exchange Agreement, the execution and delivery of this Agreement and the performance of TWC's obligations hereunder do not and will not (i) require any material consent, approval or authorization of, or any registration, qualification or filing with, any governmental agency or authority or any other person or (ii) conflict with or result in a material breach or violation of (A) any material agreement to which TWC or any of its affiliates is a party or (B) any applicable law or regulation that is material; (d) there is no material litigation, governmental or other proceeding, investigation or controversy pending or, to TWC's knowledge, threatened against TWC or its affiliates relating to the Exchange that could reasonably be expected to materially interfere with the Exchange; and (e) TWC owns (and as of the Closing will own) 100% of ownership interests in each TWC Exchange System, and as of the applicable Closing, assuming compliance with the matters referred to in clause (c) above, will have the right to transfer to Comcast 100% of the ownership interests in such TWC Exchange System, free and clear of any material liens or other restrictions or limitations.

7. Representations and Warranties of Comcast. Comcast represents and warrants to TWC that: (a) Comcast is a corporation duly organized, validly existing and in good standing under the laws of the Commonwealth of Pennsylvania, and has full power and authority to execute, deliver and perform this Agreement and the performance of Comcast's obligations hereunder have been duly authorized by all necessary corporate action on the part of Comcast; (b) this Agreement has been duly executed and delivered by Comcast and, assuming the due execution and delivery thereof by TWC, is a valid and binding obligation of such Comcast, enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights of creditors generally and by general principles of equity; (c) except for compliance with the 1934 Act and the HSR Act, and customary FCC and franchising authority approvals and assuming consummation of the Closing (as defined in the Comcast/Adelphia Purchase Agreement (as defined in the Exchange Agreement)) and the transactions contemplated by the Exchange Agreement, the execution and delivery of this Agreement and the performance of Comcast's obligations hereunder do not and will not (to Comcast's knowledge, to the extent relating to the Comcast Exchange Systems) (i) require any material consent, approval or authorization of, or any registration, qualification or filing with, any governmental agency or authority or any other person or (ii) conflict with or result in a material breach or violation of (A) any material agreement to which Comcast or any of its affiliates is a party or (B) any applicable law or regulation that is material; (d) there is no material litigation, governmental or other proceeding, investigation or controversy pending or, to Comcast's knowledge, threatened against Comcast or its affiliates relating to the Exchange that could reasonably be expected to materially interfere with the Exchange; (f) if Comcast exercises the Option, to

Comcast's knowledge Comcast, as of the Closing, will own 100% of ownership interests in each Comcast Exchange System and, assuming compliance with the matters referred to in clause (c) above, will have the right to transfer to TWC 100% of the ownership interests in such Comcast Exchange System, free and clear of any material liens or other restrictions or limitations.

8. Termination.

(a) This Agreement may be terminated and the Exchange may be abandoned at any time prior to the Closing:

(i) by mutual written agreement of TWC and Comcast; or

(ii) by either TWC or Comcast if (A) there shall be any law (other than any law having only an immaterial effect and that does not impose criminal liability or criminal penalties) that makes consummation of the Exchange illegal or otherwise prohibited (provided that solely for purposes of this clause the failure of the parties to obtain franchise consents shall be considered not to make consummation of the Exchange illegal or otherwise prohibited); or (B) any governmental authority (other than a franchising authority) having competent jurisdiction shall have issued an order, decree or ruling or taken any other action (which the terminating party shall have used its commercially reasonable efforts to resist, resolve or lift, as applicable) permanently restraining, enjoining or otherwise prohibiting the Exchange, and such order, decree, ruling or other action shall have become final and nonappealable;

(iii) by either TWC or Comcast upon termination of the TWC/Adelphia Purchase Agreement prior to the earlier of the Closing (as defined in the TWC/Adelphia Purchase Agreement) or the Closing (as defined in the Comcast/Adelphia Purchase Agreement); or

(iv) by either TWC or Comcast upon termination of the Exchange Agreement prior to the Closing (as defined in the Exchange Agreement).

(b) This Agreement shall terminate and the Exchange shall be abandoned automatically without action by any party (i) on the Option Expiration Date if Comcast shall not have exercised the Option prior to 5:00 p.m. (NYT) on such date, (ii) upon execution and delivery of the Definitive Agreement (which such agreement shall supersede this Agreement in all respects) or (iii) upon completion of the Asset Pool selection process pursuant to Section 8.4(c) of the Partnership Agreement

if as a result thereof Comcast would not receive the Kansas & SW Asset Pool.

(c) The party hereto desiring to terminate this Agreement pursuant to paragraph 8(a) shall give notice of such termination to the other parties. If this Agreement is terminated pursuant to this paragraph 8, this Agreement shall become void and of no effect without liability of any party hereto (or any shareholder, director, officer, employee, agent, consultant or representative of such party) to the other parties hereto, except that paragraphs 10 through 13, 15, 16 and 17 hereof shall survive and no such termination shall relieve any party hereto of any liability or damages resulting from any willful breach by such party of this Agreement.

Time Warner Cable and Comcast to Acquire Assets of Adelphia Communications; Companies Also to Swap Certain Cable Systems and Unwind Comcast's Interests in Time Warner Cable and Time Warner Entertainment Company

NEW YORK & PHILADELPHIA--April 21, 2005--

Transactions to Expand Both Companies' Cable Footprints and Enhance Their Geographic Subscriber Clusters, Speeding the Delivery of New Products in Areas Currently Served by Adelphia

Time Warner Inc. (NYSE:TWX) and Comcast Corporation (Nasdaq:CMCSA, CMCSK) today announced that they have reached definitive agreements to acquire substantially all the assets of Adelphia Communications Corporation (OTC: ADELQ) for a total of \$12.7 billion in cash and 16% of the common stock of Time Warner's cable subsidiary, Time Warner Cable Inc. Time Warner Cable and Comcast also will swap certain cable systems. In addition, Time Warner Cable will redeem Comcast's interests of 17.9% in Time Warner Cable and 4.7% in Time Warner Entertainment Company, L.P. (TWE) (together an effective 21% economic ownership of Time Warner Cable) in an efficient and mutually beneficial way.

These transactions will serve to expand both companies' cable footprints and improve the geographic clusters of their subscribers. Importantly, consumers in areas now served by Adelphia will benefit significantly from the accelerated deployment of video, high-speed data, voice and other advanced services.

As a result of these transactions, Time Warner Cable will gain systems passing approximately 7.5 million homes, with approximately 3.5 million basic subscribers. Time Warner Cable will then manage a total of approximately 14.4 million well-clustered basic subscribers. Time Warner will own 84% of Time Warner Cable's common stock, and the cable company will become a publicly traded company at the time of closing.

Comcast will emerge from these transactions with approximately 1.8 million additional basic subscribers for a net cash investment of approximately \$1.5 billion. Following these transactions, Comcast will serve a total of approximately 23.3 million customers. Comcast's clusters in Washington, D.C., Florida, Massachusetts and Pennsylvania will be enhanced, and Comcast will divest its interests in Time Warner Cable and TWE in transactions designed to be tax-free to all parties. Comcast's attributable subscribers, as calculated under the Federal Communications Commission (FCC) rules, will remain under 30% of the multi-channel video subscribers in the United States.

Time Warner Chairman and Chief Executive Officer Dick Parsons said: "I'm very pleased that we're able to take full advantage of this unique opportunity to grow our company at a fair price and move it forward - strategically, operationally and financially. Consistent with our strategy, these transactions will better position us to compete, improve returns and create shareholder value. At Time Warner Cable, we'll gain important scale, enhance our subscriber clusters and accelerate growth. As we plan the smooth integration of these new cable systems, we'll stay focused on meeting all of Time Warner's financial and operational objectives, while evaluating how to best employ our significant remaining capacity to improve shareholder returns. My thanks to Brian Roberts and his Comcast team for being such fine partners in this process that produced beneficial results for both companies."

Brian L. Roberts, Chairman and Chief Executive Officer of Comcast, said: "These transactions underscore our belief that there has never been a better time to be in the cable business. Adding these subscribers, many of whom are in high-growth, geographically desirable areas, will allow us to roll out our new products and services rapidly. Our vision remains to provide customers with more choice and control of their entertainment and communication services, and to generate superior shareholder returns. I would like to thank Dick Parsons and everyone at Time Warner for helping to achieve such a positive outcome for all parties."

Terms of Proposed Transactions

In the proposed transactions:

- Time Warner Cable and Comcast will each acquire a portion of Adelphia's assets, representing approximately 5.0 million basic cable subscribers in the aggregate. Time Warner Cable will pay \$9.2 billion in cash and will issue common shares representing 16% of Time Warner Cable's outstanding common equity (taking into account the redemption transaction with Comcast) to Adelphia stakeholders in connection with its acquisition agreement. Comcast will pay \$3.5 billion in cash.
- Time Warner Cable and Comcast have agreed to swap certain cable systems to enhance their respective geographic clusters of subscribers.
- Time Warner Cable will redeem Comcast's 17.9% interest in Time Warner Cable, now held in an FCC- mandated trust, in exchange for a subsidiary holding Time Warner Cable systems serving nearly 600,000 subscribers, as well as approximately \$1.856 billion in cash.
- TWE will redeem Comcast's 4.7% interest in TWE, now held in an FCC-mandated trust, in exchange for cable systems serving more than 150,000 subscribers, as well as approximately \$133 million in cash.
- Comcast's net cash investment in these transactions will be \$1.5 billion.

-
- The purchase of the Adelphia assets is not dependent on the occurrence of the system swaps and redemption transactions between Time Warner and Comcast.

Steve Burke, Chief Operating Officer of Comcast, said, "The Adelphia transaction, the various system swaps, and the redemption of our Time Warner Cable interests will allow us to enhance our key clusters. It is truly a perfect fit. We look forward to quickly integrating the 1.8 million additional subscribers just as we did when we acquired AT&T Broadband and its 13 million subscribers in 2002. Most importantly, we look forward to providing all our subscribers, both old and new, with a complete suite of integrated communications and entertainment products."

Don Logan, Chairman of Time Warner's Media & Communications Group, said: "We like the cable business. It's the only platform today that can deliver enhanced digital video, high-speed data and voice services to consumers, and we have great confidence in its future. Our newly acquired systems will give us a bigger and better-clustered cable footprint, built around five large clusters, including New York City and Los Angeles. Together with Glenn Britt and the Time Warner Cable team, we'll bring our experience in innovation and proven operating track record to improving and growing the performance of these new systems."

Outcome for Time Warner

When these transactions close, Time Warner will own 84% of Time Warner Cable's common stock, which will continue to consist of Class A shares and Class B super-voting shares. The remaining 16% of Time Warner Cable's common equity initially will be owned by Adelphia stakeholders and is expected to be publicly traded in the form of Class A shares. In addition to its 84% stake in the publicly traded Time Warner Cable, Time Warner also will own a direct non-voting common equity interest of approximately \$2.9 billion in a subsidiary of Time Warner Cable. The acquisition will be accounted for as an asset purchase. Time Warner said that it expects to retain significant financial flexibility, while maintaining its strong investment-grade debt rating.

Taking into account the proposed acquisition, swaps and redemptions, on a net basis, Time Warner Cable will gain approximately 3.5 million basic video subscribers. Specifically, Time Warner Cable will add around 3 million Adelphia subscribers and more than 1 million Comcast subscribers, and will give Comcast approximately 750,000 current Time Warner Cable

subscribers. It will then manage a total of approximately 14.4 million basic subscribers - 12.9 million consolidated and 1.5 million in 50%-owned continuing joint ventures with Comcast. That will make Time Warner Cable the second-largest multi-channel video provider in the U.S. - ahead of all other cable operators, except for Comcast, and ahead of both major satellite companies.

Once these transactions are complete, 85% of Time Warner Cable's managed subscribers will be located in five large clusters, including (in round numbers): 3.1 million in New York, 2.6 million in Texas, 2.4 million in California, 2.3 million in Ohio and 1.9 million in the Carolinas. Time Warner Cable will be the largest cable provider in both New York City and Los Angeles, cities which anchor the country's two largest designated market areas (DMAs).

As part of his current duties as Chairman of Time Warner's Media & Communications Group, Mr. Logan will become non-executive Chairman of Time Warner Cable's board of directors. Glenn Britt, who now serves as Time Warner Cable's Chairman and Chief Executive Officer, will remain Chief Executive Officer and also will be named President.

Mr. Britt said: "We're very excited about this opportunity and look forward to taking over the day-to-day management of these new systems. Over the last few months, we've done extensive due diligence on the Adelphia properties and have a very realistic view of how we can create new value. We expect a smooth integration, and we'll quickly bring greater choice to consumers with our popular enhanced digital video and high-speed data services. We also are well positioned to compete effectively for telephone customers with our new Digital Phone service. We have the technological, managerial and operational expertise that will allow us to drive penetration rates and improve performance."

Outcome for Comcast

Taking into account the proposed acquisition, swaps and redemptions, on a net basis, Comcast will gain approximately 1.8 million basic video subscribers. Specifically, Comcast will add approximately 2.1 million Adelphia subscribers through the acquisition and the swap, and approximately 750,000 Time Warner cable subscribers through the redemptions of Comcast's interest in Time Warner Cable and TWE and the swap. Comcast will give Time Warner more than 1 million subscribers. Comcast will serve approximately 23.3 million owned and operated subscribers and be attributed with approximately 3.5 million additional subscribers held in various partnerships. Comcast will remain the largest multi-channel video provider in the U.S. and the nation's largest high-speed Internet provider. As a result of these transactions, Comcast will expand its presence in such key geographic areas as Washington D.C., West Palm Beach, Boston and Pittsburgh.

Approvals and Advisors

These transactions between Time Warner Cable, Comcast and Adelphia are subject to customary regulatory review and approvals, including Hart-Scott-Rodino, FCC and local franchise approvals, as well as the Adelphia bankruptcy process, which involves approvals by the bankruptcy court having jurisdiction of Adelphia's Chapter 11 case and Adelphia's creditors. Closing is expected in about 9 to 12 months.

Bear Stearns and Lehman Brothers acted as financial advisors to Time Warner. The Blackstone Group acted as financial advisor to Comcast on the Adelphia transaction and assisted on Time Warner. Morgan Stanley acted as financial advisor to Comcast on the Time Warner transaction and assisted on Adelphia. Paul, Weiss, Rifkind, Wharton & Garrison LLP is legal advisor to Time Warner.
