

# We're making it easier to find your favourite shows

Here's a quick rundown of the changes we're introducing:

- Documentary channels will be moved up the TV Guide to sit alongside Entertainment channels
  - +1 channels will be listed in a new menu on the TV Guide
- +1s from Entertainment & Documentaries move to new linked channel numbers (e.g, Sky One - 106, Sky One+1 - 206)

The screenshot shows the Sky TV Guide interface. At the top, a program 'ITV News London' is highlighted, starting at 7:11pm. Below this is a grid of programs for 'Today', '7.00pm', '7.30pm', '8.00pm', and '8.30pm'. On the left, a sidebar menu lists various categories, with '+1' highlighted.
