GENERAL INFORMATION

TICKET OFFICES

Ticket offices at all principal stations are open at least thirty minutes before departure of trains, and passengers are requested to purchase tickets before boarding trains. This will result in a saving as, in many cases, the cash fares collected by Conductors on trains are higher than through fares charged by Ticket Agents. Passengers should always procure tickets at regular railroad ticket offices, as there are numerous expired and illegal tickets in the hands of unauthorized parties for sale, which, when presented, are rejected by Conductors.

TRAIN STOPS

Through trains will stop at stations where they are scheduled to stop; passengers boarding through trains holding tickets to local stations will transfer to local trains at most convenient point.

BAGGAGE

Baggage Service.—Baggage may be checked for transportation in baggage cars, subject to tariff regulations.

TICKETS—FARES

Children under five years of age, in charge of a competent person, are carried free. Those five years of age and under twelve are required to pay half fare. Those twelve years of age and over are required to pay full fare.

Adjustment of differences. In the event of any disagreement with a Conductor relative to tickets or fares, passengers should pay Conductor's claim, take his receipt, and refer the case, for adjustment, to J. D. Makinson, Passenger Traffic Manager, Norfolk 10, Va. Conductors have no discretionary power in such matters and are governed by rules which they are not authorized to waive.

Redemption of tickets. This company will fully protect original purchasers from loss in cases where, for satisfactory reasons, tickets are not used; refunding the difference between the amount paid and the charge for the portion used. Forward tickets, with full particulars, by registered letter, to J. D. Makinson, Passenger Traffic Manager, Norfolk 10, Va.

This railroad will not be responsible for errors in time tables, inconveniences or damages resulting from delay to trains, or failure to make connections.

All schedules and equipment shown herein are subject to change without notice.
