

# SEA KAYAKING IN ANTARCTICA

Experience Antarctica from the unique vantage point of a sea kayak. The majestic landscape, the icebergs, and the wildlife look different as you paddle quietly through the icy waters.

## The Program

The sea kayaking program is an optional small-group experience limited to a maximum of 10 participants. The group enjoys multiple excursions throughout the voyage, under the guidance and leadership of an experienced Kayak Master.

Every day in Antarctica, your Kayak Master will work with the Expedition Team to look for the best kayaking opportunities based on suitable and safe weather conditions. The group will be supported by a dedicated safety Zodiac. Each kayaking excursion will be approximately one and a half hours. The Kayak Master will strive to offer some time at the landing site so you can also explore on land.

To take part in the kayaking program you must have previous experience and must know how to swim. The minimum age for participation is 16 years. Space is limited. We recommend booking the Sea Kayaking program upon reservation of your air-cruise.

For complete details please review the "Sea Kayaking in Antarctica Terms and Conditions" document, which is available upon request.

## \$895 USD Per Person
