Hello, my name is David Johnson and I live in Maine.

On September 18 I visited Main Hospital for a physical exam.

Could you please check the status of my insurance to make sure that the exam fee is covered? Thanks for your consideration.

When Sebastian Thrun PERSON started working on self-driving cars at Google ORG in 2007 DATE, few people outside of the company took him seriously. "I can tell you very senior CEOs of major American NORP car companies would shake my hand," said Thrun ORG.
