# Introduction

Since the publication of *R&A Championships and International Matches 1984-2012* by Peter N. Lewis, an annual update has been produced. The 2016 supplement takes the same format as the 1984-2012 bound volume in the way that results are presented. All R&A championships played in 2016 are included. The Walker Cup was not played owing to its biennial staging.

The 1984-2012 volume includes a chapter on players' records from international matches, providing year-by-year results for each player who participated in the Walker Cup, the St Andrews Trophy, the Youths' International Match for the European Golf Association Trophy and the Jacques Leglise Trophy. In the supplement, records are included only for those players who competed in 2016. If they competed in a previous year, this record is included, but the full complement of records dating back to 1984 has not been included. The same approach is applied to the Statistical Summary, which relates only to team events contested in 2016, in this case the Jacques Leglise Trophy and the St Andrews Trophy.
