Introduction

Since the publication of R&A Championships and International Matches 1984-2012, by Peter N. Lewis, an annual update of the results has been produced. The results for 2013-2016 have been collated into a single volume, which is available to purchase or, like the 2017 results onwards, to download.

With the merger between the Ladies' Golf Union and The R&A in January 2017, the results now include women's and girls' championships and international matches.

The 2019 supplement presents the results of all championships played in that year. The Junior Open, St Andrews Trophy and the Curtis Cup were not played, owing to their biennial staging.

The 1984-2012 volume includes a chapter on players' records from international matches, providing year-by-year results for each player who participated in the Walker Cup, the St Andrews Trophy, the Youths' International Match for the European Golf Association Trophy and the Jacques L glise Trophy. In this supplement, records are included only for those players who competed in 2019. If they competed in a previous year, this record is added, but the full complement of records dating back to 1984 has not been included. The same approach is applied to the Statistical Summary, which relates only to team events contested in 2019, in this case the Walker Cup, Jacques L glise Trophy, the Junior Vagliano and the Vagliano Trophy.

The Mark H McCormack Medal

The award is named after Mark H McCormack, the late founder of sports marketing company IMG and an avid supporter of amateur golf. Established in 2007, the medal is awarded annually by The R&A and the United States Golf Association (USGA) recognising the leading male player in the World Amateur Golf Ranking (WAGR) following the European Amateur Championship or the U.S. Amateur Championship, whichever finishes last.

MEN'S MEDAL WINNER

2019 Cole Hammer

R&A Senior Amateur Championship

The Mark H McCormack Medal

The award is named after Mark H McCormack, the late founder of sports marketing company IMG and an avid supporter of amateur golf. The women's Mark H McCormack Medal was established in 2011 and is awarded to the player ranked number one in the WAGR following the European Ladies' Amateur Championship or the U.S. Women's Amateur Championship, whichever finishes last.
