## Education

- |           |  |
|-----------|--|
| 2022-2026 | ■ <b>B.Sc. (Hons), University of Waterloo</b> Mathematical Physics, minoring in Pure Mathematics, Philosophy   |
| 2020-2022 | ■ <b>C.B.S.E., Freedom International School (Bangalore, India)</b> Physics, Chemistry, Mathematics, Computer Science   |
| 2014-2020 | ■ <b>I.C.S.E., Bethany High School (Bangalore, India)</b> Physics, Chemistry, Mathematics, Computer Science, Biology, Geography, History, Civics, English, Hindi |

## Skills

- |                 |  |
|-----------------|--|
| Languages       | ■ Strong reading, writing and speaking competency in English, Hindi and Bengali.                                   |
| Coding          | ■ L <sup>A</sup> T <sub>E</sub> X, Markdown, Python, Sage  |
| Frameworks      | ■ SymPy, NumPy, Conda, Jupyter, Pweave, Reveal.js  |
| Web Dev         | ■ HTML, Liquid, CSS, Jekyll, GitHub Pages  |
| Knowledge bases | ■ Zotero, Overleaf, PubPub, Notion, Obsidian, Discord, Mastodon, Reddit  |
| Misc.           | ■ Blogging, L <sup>A</sup> T <sub>E</sub> X note-taking, static web dev, personal research in mathematical physics |

## Projects

### Reports

- 1 A. Cormier, S. Bhattacharjee, and Z. Chen, “Analysis of the three-body problem,” 2023. ↗ URL: <https://booodaness.github.io/tempus-spatium/assets/pdf/posts/2024-01-28-analysis-three-body-problem/final.pdf>.

### Websites

- 1 S. Bhattacharjee. “Zotsite.” (2023), ↗ URL: <https://booodaness.github.io/zotsite/>.
- 2 S. Bhattacharjee. “Tempus spatium.” (2021), ↗ URL: <https://booodaness.github.io/tempus-spatium/>.

### Notes

- 1 C. of Scientific-Notes, *Scientific notes*, Mar. 2022. ↗ URL: <https://github.com/Booodaness/Scientific-Notes>.

## Personal Research

### Conference Papers

- 1 S. Bhattacharjee, “A closer look at quantum measurements (slides),” GitHub Pages, Aug. 2023. ↗ URL: <https://booodaness.github.io/tempus-spatium/closer-look-quantum-measurements/>.

- 2 S. Bhattacharjee, "Applying the klein-gordon theory to gravitation (slides)," GitHub Pages, Feb. 2023.  
🔗 URL:  
<https://booodaness.github.io/tempus-spatium/applying-klein-gordon-theory-gravitation/>.
- 3 S. Bhattacharjee, "Bundles in classical gauge field theory (slides, in progress)," GitHub Pages, Jun. 2023.  
🔗 URL: <https://booodaness.github.io/tempus-spatium/bundles-classical-gauge-field-theory/>.

## Articles

- 1 S. Bhattacharjee, "A closer look at quantum measurements: Part 2.1 (stern-gerlach experiments)," *Tempus Spatium*, May 2024. [🔗 URL:](#)

- 24 S. Bhattacharjee, "The impossible cut," *Tempus Spatium*, Oct. 2021. ⚡ URL: <https://booodaness.github.io/tempus-spatium/impossible-cut/>.

## Miscellaneous Experience

### Achievements and Leadership

- |                  |  |
|------------------|--|
| 2017-2020        | ■ <b>Literary Prefect</b> , Bethany High School (Bangalore, India).            |
| 2020             | ■ <b>Excellent Scientific Temper</b> , Bethany High School (Bangalore, India). |
| 2020, 2019       | ■ <b>1st in Debate</b> , Bethany High School (Bangalore, India).               |
| 2015-2019        | ■ <b>Excellence in Academics</b> , Bethany High School (Bangalore, India).     |
| 2019, 2018, 2016 | ■ <b>1st in Creative Writing</b> , Bethany High School (Bangalore, India).     |
| 2019, 2017       | ■ <b>Very Good Orator</b> , Bethany High School (Bangalore, India).            |
| 2019, 2017, 2016 | ■ <b>Best All Rounder</b> , Bethany High School (Bangalore, India).            |

### Certification

- |           |   |
|-----------|---|
| 2018      | ■ <b>Dan (First Black Belt)</b> , Shorin-ryu Shorinkan Karate (Bangalore, India). |
| 2015-2020 | ■ <b>Fundraising Activities</b> , Bethany High School (Bangalore, India).         |

### Hobbies

- |                    |   |
|--------------------|---|
| ■ <b>Music</b> .   | Electric guitar, acoustic guitar, classical guitar and piano covers and compositions. |
| ■ <b>Writing</b> . | Articles, essays, poetry, journaling, short stories.                                  |

## Miscellaneous Experience (continued)

- **Reading.** Science fiction, fiction, classics, philosophy, anthropology, history of rock and metal music, other non-fiction.
- **Physical activities.** Rock climbing, hiking, biking, gymming, tennis, badminton, swimming.
