

M112

American Ordnance LLC, a company of Day & Zimmermann, produces the M112 Demolition Block for the U.S. Military and other State Department approved customers.

USE: This block demolition charge is used for cutting, breaching and other explosive ordnance disposal activities. The charge is moldable and is especially suited for cutting irregularly shaped targets. The adhesive backing allows the charge to be attached to any flat, clean, dry surface.

DESCRIPTION: The M112 demolition charge block consists of 1.25 pounds of Composition C-4 with taggant packed in a Mylar wrapping with a pressure sensitive adhesive tape on one surface.

SPECIFICATIONS:

Type: Demolition
Weight: 1.25 lbs
Filler: Composition C-4

Demolition Block
1.25 Pound C-4
