2013 Collegiate Shooting Official Results Bulletin

This bulletin contains Intercollegiate Sectional results for Smallbore Rifle, Air Rifle, Free Pistol, Standard Pistol, Open Air Pistol, Women's Air Pistol, and Women's Sport Pistol for both individuals and teams. The winners scores were broken by the method prescribed in section 15 of the NRA International Style Rifle and Pistol Books. Only the top place ties were broken.

There were a total of 10 Pistol Sectionals and 13 Rifle Sectionals, conducted in January and February of 2013 hosted by colleges and universities across the United States.

The official ranking of the national scores are published here, and will become final two weeks after the posting of this bulletin. All challenges and protests regarding the findings in this bulletin must be filed with the National Rifle Association of American Collegiate & Schools Program before two weeks have elapsed.

Results are posted in this bulletin pertaining to the NRA All American Teams for Rifle, Pistol, and Shotgun, NRA Intercollegiate Pistol Championships, and the NRA Intercollegiate Rifle Club Championships. Hyperlinks for the NCAA Rifle Championships and the ACUI Clay Target Championships results are located on the last page.
