1. “That Seanad Éireann:

supports:

- the right of Ukraine to exist as a sovereign, independent state that is free to choose its own political and military alliances following its own legal and constitutional provision;

recognises that:

- the invasion of Ukraine on 24th February, 2022 by the Russian Federation was an unprovoked act, and is contrary to international law;
- the Russian Federation has perpetrated military attacks, including shelling with heavy military equipment, missile attacks launched against Ukraine, including civilian targets and sniper fire against civilians fleeing from their burning homes;
- Russian military and paramilitary forces have engaged in genocide during the invasion;
- the President of the Russian Federation, Vladimir Putin, has complemented the invasion with state-sponsored oppression, propaganda, false reporting and deliberate deceit within his own country in an effort to justify his actions;
- barbaric acts of murder, rape, desecration of corpses and the wide-scale use of heavy military equipment against civilians have taken place in many cities throughout Ukraine by the Russian military;

acknowledges that:

- the United Nations Convention on the Prevention and Punishment of the Crime of Genocide defines genocide as any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group:
  - killing members of the group;
  - causing serious bodily or mental harm to members of the group;
  - deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part;

agrees that:

- the acts sanctioned by the political leadership of the Russian Federation and carried out by the military of the Russian state are intended to:
  - kill innocent Ukrainian civilians in their home country;
  - cause serious bodily and mental harm to the people of Ukraine;
  - deliberately inflict conditions which have brought about the psychical destruction of Ukraine and its people;

further agrees that:

- the acts carried out by the Russian military meet the criteria for genocide set out in the United Nations Convention on the Prevention and Punishment of the Crime of Genocide,

and as such, the illegal invasion of Ukraine by the Russian Federation is an act of genocide;

and calls for:

- Governments around the world to maintain and strengthen sanctions on the Russian Federation while working to end the imports of Russian oil, gas and coal which are funding the Russian war machine against the Ukrainian people and its territories; and
- the political leadership of the Russian Federation to be held accountable for its crimes in Ukraine.”

2. “That Seanad Éireann:

supports:

- EU enlargement policy for those countries that are guided by European norms and values, fulfil their commitments with the EU and deploy considerable efforts to advance their European integration;

welcomes:

- Georgia’s official applications for the European Union membership that has been submitted in the first quarter of 2022;

recognises:

- the rapid actions done by the Government of Georgia to answer and return the EU questionnaires to Brussels;

recognising:

- progress demonstrated by Georgia as well as acknowledging high-level of approximation with European Union, strongly recommends keeping the political momentum and granting Georgia with EU membership Candidate Status this June at the European Council meeting;

underlines:

- it is critical the decisions taken on Trio countries are synchronized and the Associated Trio is not split by reacting differently on granting the candidate status with full realization of the geopolitical context, while at the same time preserving a merit-based approach in the course of the accession process. Otherwise leaving any of the country behind in this process will bear a devastating effect on the society’s pro-European feelings, while giving a “green light” to Russia for unpredictable destructing actions;

acknowledges:

- the Candidate countries' status will move Georgia closer to the EU membership and will incentivise them stronger to continue implementation of reforms aiming to strengthen and consolidate democracy of the Partners;

recognises:

- accomplishments on the path of European integration and encourages Georgia to maintain tangible progress in the implementation of necessary reforms for further political and economic integration with the EU;

calls on:

- the [EU HR/VP and relevant EU institutions] to engage more actively with Georgia to enhance the implementation of the Association Agreement/DCFTA in order to further consolidate Georgia's democratic institutions and advance the process of Georgia's economic integration with the EU;

recalls:

- that the Association Agreements/DCFTAs lay ground for the gradual integration of Georgia to the EU Single Market. Calls on the [European Commission] to consider setting the target of the full gradual access to the Single Market for Georgia and step up initiatives aimed at deeper sectoral integration with a view to achieve more policy convergence of Georgia with the EU. Stresses that the gradual full access to the four freedoms of the Single Market will generate a new momentum for further democratic and economic reforms, increase investments and translate into an overall increased resilience of the society in Georgia;

recognises:

- that over the last decades the people of Georgia have persistently displayed an overwhelming support to European integration, which have also been reflected in the continuously pro-European policies of successive respectful governments;

commends:

- the people and Government of Georgia for their successful reforms in recent years towards consolidating democracy, ensuring human rights protection, rule of law, media freedom and good governance as well as strengthening government transparency and judicial independence;

recommends:

- the Irish Government to support Georgia for granting Candidate countries' status of the European Union that will move Georgia closer to the EU membership that will incentivise them stronger to continue implementation of reforms aiming to strengthen and consolidate democracy;

acknowledges:

- the important role that Georgia-Ireland Friendship Group plays in enhancement of inter-parliamentary ties, strengthening the bilateral cooperation and bringing nations closer to each other;

recommends:

- that Ireland and Georgia should continue close cooperation with the aim to further deepen our partnership, both in bilateral and multilateral formats, and work together towards an open Europe of unity and solidarity, to contribute to global peace and security.”
