

**NAME**

comitup-web – Wifi configuration web server for the Comitup service

**SYNOPSIS**

comitup-web

**DESCRIPTION**

**comitup-web** is a web service that provides access to the comitup(8) Wifi bootstrap service.

The web interface also supports a “Locate” feature, that blinks the green led on the front of a Raspberry Pi.

**OPTIONS**

See comitup-conf(5).

**COPYRIGHT**

Comitup is Copyright (C) 2016-2017 David Steele <steele@debian.org>
