The principles envisaged therein provide that all constituencies shall, as far as practicable, be delimited having regard to the distribution of population in geographically compact areas, physical features, existing boundaries of administrative units, facilities of communication and public convenience and other cognate factors to ensure homogeneity in the creation of constituencies.

5. In order to facilitate the general public and for the sake of transparency of the delimitation process, the preliminary list of constituencies of

National / Provincial assemblies was also made available on ECP website besides printing thereof in Official Gazette. Similarly, for the first time, the constituency-wise marked maps were also placed on website to facilitate voters to file representations. A Facilitation Center was set up at the ECP Secretariat Islamabad to receive representations from the voters and provide copies of marked as well as unmarked maps of the districts.

6. Further, to make the process of delimitation transparent, fair and just, representations were invited from the voters of the respective National and Provincial Assemblies constituencies to meet the requirements of Section 21 of the Act. The details of constituencies and procedure for filing of representations against the preliminary lists of constituencies were given wide publicity through electronic and print media. A total of 1280 representations were received against preliminary publication of National Assembly and Provincial Assembly constituencies. The detail in respect of these representations is given below:

Total	1280	614	666

7. To provide a level playing field to all the stakeholders and to enhance transparency, all the representations filed by the voters were placed on ECP website along with their proposed maps which were accessible 24/7.

8. In order to address the objections of the petitioners and to make such amendments, alterations or modifications in the preliminary lists of constituencies in accordance with law and to pave the way for successful conduct of forthcoming General Elections 2018, the Chief Election Commissioner constituted various Benches. The Commission fixed district-wise/province-wise dates of hearings and issued notices to all concerned in this regard. The service of notices was ensured through SMS besides use of conventional means. The district-wise dates of hearing were also given wide publicity through print and electronic media as well as through ECP website.

9. During the hearing of representations, maps of the preliminary constituencies published by the Commission and the proposed maps of the

petitioners were displayed on large screen in juxtaposition. This state-of-the-art arrangement enabled the petitioners and their counsels to litigate their objections and present their alternate proposals to the Commission in an elaborative manner and with high level of convenience and clarity.

10. The hearing process of the representations commenced on 4th April, 2018 and ended on 2nd May, 2018. After incorporation of the decisions of the Election Commission, final list of constituencies is hereby published for information of general public in accordance with the provisions of Section 21 of the Elections Act, 2017 read with Rule 14 of the Election Rules, 2017 as aforesaid.
