# COVID-19

---

For the first time since 1917, football competitions were affected by a pandemic.

The Coronavirus disease (shortened to COVID-19) is an infectious disease. It mainly affects older people or those with underlying medical problems such as cardiovascular disease, diabetes, chronic respiratory disease or cancer.

The virus spreads primarily through droplets or discharge from the nose when an infected person coughs or sneezes.

As at middle of November 2020, 50 million people had been infected with 1.25 million people dying from the disease worldwide.

Football Leagues in the region started two months late and finished one month late. This caused the lower mens and masters grade to have a reduced season. (14 games rather than the scheduled 18 games).

*Some of the various competitions in the region affected by COVI-19 -*

2020 Mens National League (finished with two rounds & finals incomplete)

## National League & Oceania Champions League

Due to COVID-19 Auckland City were declared the National League champions, with the last two league games cancelled and no playoff games played. Team Wellington finished second, three points behind Auckland, while the Phoenix Reserves ended up in 8th position and Hawkes Bay United second to last.

The 2020 FC Champions League had no teams from the Central region. The tournament was cancelled due to COVID-19 before the quarter finals could be played. Both Auckland City and Eastern Suburbs made it to the last eight. OFC decided that Auckland City would represent the Oceania region in the FIFA World Club Champs.

## Central League

The Central League went down to the wire being decided on the last day of the season when **Miramar Rangers** met 2019 champions Western Suburbs. Miramar won the game 1-0 to secure their ninth Central League title and their first since 2014.

Patrick Fleming's team lost only two games all season, one a surprising 1-0 loss to Wairarapa United whom they had beaten 8-3 in the first round. They were the most attacking team in the league with 60 goals. Sam Mason-Smith and Joao Moreira led the way with 20 and 11 goals respectively. They had some big wins including 8-2 over Waterside Karori and 6-2 over Wellington Olympic. They were unbeaten at home which also meant they retained the O'Brien challenge shield all season.

**Western Suburbs** pushed Miramar all the way but despite conceding only 11 goals the young team of Ole Academy players were unable to make it back to back titles losing out to Miramar on the final day. Ryan Feutz lead the scoring with 10 goals.

**Wellington Olympic** made waves in pre-season with the signing of Team Wellington player Jack-Henry Sinclair from Miramar Rangers he went on to notch 14 goals, while Gianni Bouzoukis got 16. They started with two losses before bouncing back with an 8-1 win over Waterside Karori. In a strange twist of fate the two teams Olympic won 8-1 against, Waterside Karori & Wairarapa United were two they also lost 3-2 to and those results ultimately cost Olympic their quest for the title.

**North Wellington** had a terrible start to the season with only four wins in their first 12 games. Matt Calcott and Lloyd O'Keefe took over the coaching reigns from Magno Viera after seven games. They soon hit their stride winning five of their last six games and finishing in fourth. Youngster Jesse Randall lead the scoring with 18, he was also called into the NZU17 training camp. Another highlight for the club was the Manuel brothers, Jackson, Riley & Tihan starting a game together, the first time since the Shields brothers in the 90s.

The gap between the top and bottom half of the Central League was probably best shown by the fact that the Wellington Phoenix academy back side **Lower Hutt City** finished fifth a huge 19 points behind league Miramar Rangers. Lower Hutt City had some big wins including 7-0 over Stop Out, 5-0 over Petone and 5-1 over Waterside Karori, but they were unable to find and consistency only managing to get two wins in a row once.

**Napier City Rovers** had a small squad using only 21 players all season. The Bill Robertson coached side started with a bang winning four of their first five games and were up to second position. However, they managed only two more wins in the season and only picked up 10 points in their last 13 games and finished sixth.

**Waterside Karori** picked up just two points in their first sixth game and will be looking to shore up their defence next season after conceding 59 goals, the most in the league, including twice conceding eight in one game. A solid mid season run which saw them win five of six games was enough to see them finish in seventh position.

**Wairarapa United** recruited former Tasman United National League coach Davor Tavich and shocked everyone with their second game of the season when they beat Wellington Olympic 3-2, as well as being Wairarapa's first win in over a year, it was also impressive as the team only had three changes from the team that had lost 10-1 to Olympic the season before. They picked up three more wins including a 1-0 win over Miramar. Like last season it came down to the last day to see if they could avoid relegation and they did with a 6-0 thumping of Waterside Karori. A result that actually lifted them to eighth on the table on goal difference.

League newcomers **Petone** struggled with the step up and with only two wins and one draw in their first nine games, bought in Besim Balicevac to take over the coaching reins from Charlie Howe. He managed to steady the ship and while they managed only two more wins, they picked up a couple of draws which was enough to see them safe with one week of the league to play.

**Stop Out** who had finished in the top five in four of the last five seasons, started the season with a win and a draw, before a crushing 7-0 loss to rivals Lower Hutt City. From then on only managed 10 more points. Although despite winning 3-2 away at Napier City Rovers on the last day of the season they were relegated. They had started the season without enigmatic captain Steven Gulley and goal machine Luis Corrales, who had both retired (although Corrales did make a comeback at the end of the season). Big signing Nati Hailemariam departed after just five games and a host of injuries ultimately ended Stop Out's six year stay in the Central League

### Capital Premier

The Capital Premier Division was a very close one with just 19 points between first and last on the table. It was **Wainuiomata** who finished victorious despite conceding 41 goals. They had found themselves in seventh place with just two wins in their first five games but then went on a seven game winning streak which included beating league leaders Upper Hutt City 2-1. Englishman Kalian Gould led the way with 20 goals in 17 league games.

Winning the Venus Shield meant Wainuiomata got to play off against the Central Federation winners, New Plymouth Rangers. The first game was played in New Plymouth and Wainuiomata won 5-3, the second leg was a home game for Wainuiomata and a crowd of around 800 turned up. Any hopes New Plymouth Rangers had of pulling back the two goal deficit was extinguished in the first 15 minutes as Wainuiomata rushed out to a 4-0 lead. The match ended 7-3 and Wainuiomata won 12-6 on aggregate and with promotion to the Central League.

**Upper Hutt City** had been the pre season favourites to win the title and they were in the top position for the first 13 games of the season only losing two games but then a horrific collapse saw them pick up only one point from their last five games they had to settle for second place. Corban Parker lead the goalscoring with 12 and Matt Fong bought up his 100<sup>th</sup> appearance for the club, while coach Mark Foster notched up his 100<sup>th</sup> game in charge during the season.

Despite having 12 different players score goals for them, **Western Suburbs Reserves** were the lowest scoring team in the league with just 24, however a solid defence only conceded 25 and they finished the season in third place on 30 points.

**Tawa**, with a team made up mainly of Tawa locals had managed just four wins before hitting their stride and winning five of their last six games including beating eventual champions Wainuiomata 5-0. This run lifted Richard Martin's team to fourth on the table. Lachlan Hill was top scorer with 14 goals.

**North Wellington Reserves** used 37 players over the season. Early on they struggled for consistency and had just four wins and were in eighth position. They then went on a run which saw them win their last five games and finish in fifth position.

**Wellington Olympic Reserves** finished in sixth position managing to take points of every other team in the league except Miramar Rangers Reserves. Daniel Minshull lead the goalscoring with 10.

While **Miramar Rangers Reserves** used 44 players, there were nine that made appearances in double figures and they were able to regularly call on the Team Wellington trio of Rory McKeown, Nati Hailemariam & Aaron Spain. They lost the first four games of the season and then won the next three. There was no in between as they won eight and lost 10 and finished in seventh place.

**Wellington United**, who had been relegated from Central League last season had a new coach in Guillermo Schiltewolf, who had been successful with the clubs Women's team in the last few years. Surprisingly for a team that finished in eighth position they had the second best defensive record in the league conceding just 24 goals, which was helped by eight of their nine losses being by a single goal.

Newly promoted **Seatoun** started the season with a 1-0 loss to Wellington United, their first loss at home for two and a half years. They then picked up two wins and two draws form their next four games scoring 14 goals in the process. However after that they only managed three more wins, the last two after their relegation had been confirmed. Markus Gustavsson top scoring with 15.

**Victoria University** won three of their first four games and were in second place, but that was as good as it got for the Tomas Godoy coached team and they only managed two more wins and lost the last game of the season 3-2 to Seatoun which saw them drop to the foot of the table.

### Capital One

Capital One was a two horse race between **Island Bay United** and **Lower Hutt City Reserves** both teams losing just one game and scoring 77 and 73 goals respectively. Jamie Mason 22, Izaac O'Hara 20 & Ruairi Cahill-Fluery 17 leading the scoring for Island Bay, while Lower Hutt's Kailen Nuygen got 22 goals. It was Island Bay United, coached by James Prosser that won the league beating Lower Hutt City 3-1 in the last game of the season.

The gap between the top two and the rest is shown with Island Bay United six times scoring six or more goals and Lower Hutt City achieving the same feat four times. The gap between second place Lower Hutt City and third place **Stop Out Reserves** was 17 points.

The rest of the league was quite close with just 15 points separating third and tenth place. **Stokes Valley** managed to survive relegation on the final day with a 1-0 win over **Waterside Karori Reserves**. It meant **Upper Hutt City Reserves** and **Tawa Reserves** were both relegated and will be replaced by Petone Reserves and Wellington Olympic thirds.
