

Vishal Makhijani

Date of birth: 30 Oct 2001 | **Nationality:** Pakistani | **Phone number:** (+92) 3321305436 (Mobile) | **Email address:** vishalmakhijani@proton.me

● EDUCATION AND TRAINING

2018 – 2018 karachi, Pakistan
OFFICE AUTOMATION aptech

2019 – 2022 karachi, Pakistan
ADVANCED DIPLOMA IN SOFTWARE ENGINEERING aptech

2022 – 2023 larkana, Pakistan
HIGHER SECONDARY CERTIFICATE govt: degree college larkana

● LANGUAGE SKILLS

Mother tongue(s): **SINDHI**

Other language(s): **URDU**

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	B2	B2	B2	B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

● DIGITAL SKILLS

Html, Java, CSS | Python Language - Basic knowledge | Experience with PHP, SQL, HTML, CSS, JavaScript | Begginer JavaScript for WebDevelopment | Microsoft Office

● PROJECTS

DKM LAW GROUP - AWARD-WINNING PHP WEB APPLICATION

Conceptualized and executed DKM Law Group web application, leveraging core PHP, to showcase superior web development skills; accoladed at Aptech for its remarkable functionality in connecting clients with solicitors, resulting in enhanced client-solicitor matches and positive feedback.

SCRAP COLLECTOR - ANDROID SCRAP SELLING APP

Using Java, I created the Android app Scrap Collector, which enables users to quickly sell scrap products and get fixed price rates. This project demonstrated my proficiency in Android app development and offered a beneficial service to scrap dealers.

TASTY TIPS - ANDROID RECIPE APP

Engineered the Android app "Tasty Tips" using Java, seamlessly integrating the Spoonacular API to provide users with a vast selection of recipes, detailed ingredient lists, and easy-to-follow instructions; demonstrated proficiency in mobile app development and API integration.

SPEEDY RENTAL - DJANGO CAR RENTAL APP

I created Speedy Rental, a Django-based automobile rental app, on my own. Users could look at automobile photos, make reservations, and post reviews. My duties included full-stack development, providing a user-friendly interface and a dependable backend.

● **VOLUNTEERING**

DJANGO GYM MANAGEMENT

I played a key role in improving the Django Gym Management project by forking the repository and resolving critical bugs. Through effective debugging and troubleshooting, I ensured the seamless functionality of the application. This experience deepened my understanding of Django frameworks and honed my skills in maintaining code quality and enhancing user experience.

● **HONOURS AND AWARDS**

Project of the Month - Aptech

* Developed and implemented an award-winning legal technology platform utilizing HTML, CSS, Javascript, and PHP.

* This user-friendly website facilitates efficient client-lawyer interactions by offering:

* A search function to locate lawyers with specific legal expertise.

* An appointment scheduling system to streamline initial consultations.

* The project's innovative design and focus on user experience resulted in it receiving the prestigious "Project of the Month" award.
