

Gavin Yamey MD MPH MA MRCP(UK)

Director, Center for Policy Impact in Global Health, Duke Global Health Institute (DGHI)
 Professor of the Practice of Global Health and Associate Director for Policy, DGHI
 Professor of the Practice of Public Policy, Duke Sanford School of Public Policy
 Faculty Director, Duke Global Policy Program in Geneva, Duke Sanford School of Public Policy
 Core Faculty, Duke Margolis Center for Health Policy
 Associate, Duke Initiative for Science & Society

Trent Hall, Rm 113, 310 Trent Drive
 Durham, NC 27701, USA
 E-mail: gavin.yamey@duke.edu

EDUCATION

BA	<i>First Class Honors, Physiological Sciences, Oxford University, 1990</i>
MB BS (MD equivalent)	Medicine, University College London, 1994
MRCP	Internal Medicine, Royal College of Physicians UK, 1997
MA	Physiological Sciences, Oxford University, 1997
MPH	<i>With Distinction, Public Health, London School of Hygiene & Tropical Medicine, 2010</i>

EMPLOYMENT

1994-1995	<u>House Officer</u> in General Medicine and General Surgery Whittington Hospital (University College London Medical School) and Chase Farm Hospital, London, UK
1995	<u>Senior House Officer</u> in Renal and Respiratory Medicine The Royal Postgraduate Hospital, Hammersmith, London, UK
1996	<u>Senior House Officer</u> in Neurology The National Hospital for Neurology and Neurosurgery, London, UK
1997	<u>Senior House Officer</u> in Medical Oncology St Bartholomew's Hospital, London, UK
1997-1998	<u>Senior House Officer</u> in General Medicine & Elderly Care Northwick Park Hospital, London, UK
1998-1999	<u>Senior House Officer</u> in HIV/AIDS Palliative Care The Mildmay Hospice, London, UK
1999	<u>Registrar</u> in Neurology Regional Neurological Rehabilitation Unit, Homerton Hospital, London, UK
1999-2000	<u>Editorial Fellow</u> <i>BMJ</i> , London, UK

- 2000-2002 Deputy Editor
wjm: Western Journal of Medicine, San Francisco, CA, USA
- 2002-2004 Assistant Editor
BMJ, London, UK
- 2002-2004 Deputy Physician Editor
Best Treatments, BMJ, London, UK
- 2004-2010 Senior Editor
PLOS Medicine
Public Library of Science, San Francisco, CA, USA
- 2008-2010 Editorial Consultant
PLOS Neglected Tropical Diseases
Public Library of Science, San Francisco, CA, USA
- 2010-2015 Associate Professor of Epidemiology & Biostatistics
School of Medicine
University of California, San Francisco, CA, USA
- 2010-2015 Lead
Evidence to Policy Initiative (E2Pi), Global Health Group
School of Medicine
University of California, San Francisco, CA, USA
- 2015-present Professor of the Practice of Global Health
Duke Global Health Institute
Duke University, Durham, NC, USA
- 2015-present Associate Director for Policy
Duke Global Health Institute
Duke University, Durham, NC, USA
- 2015-present Director, Center for Policy Impact in Global Health
Duke Global Health Institute
Duke University, Durham, NC, USA
- 2015-present Professor of the Practice of Public Policy
Duke Sanford School of Public Policy
Duke University, Durham, NC, USA
- 2015-present Director, Duke Geneva Global Health Fellowship
Duke Global Policy Program in Geneva
Sanford School of Public Policy
Duke University, Durham, NC, USA
- 2015-present Associate
Duke Initiative for Science & Society
Duke University, Durham, NC, USA
- 2015-present Core Faculty Member
Duke Margolis Center for Health Policy
Duke University, Durham, NC, USA

CONSULTANCIES AND ADVISORY POSITIONS

- 2001 Consultant and Assistant Tutor, Tim Albert Training Course on Medical Editing
Trained medical editors from low- and middle-income countries who were attending the Fourth International Congress on Peer Review in Biomedical Publication.
- 2002 Honorary Consultant, Open University
Developed a curriculum on evidence-based approaches to assessing complementary medicine.
- 2003 Adviser to the WHO
Co-directed and taught a three-day training course on medical editing for African health journal editors, Addis Ababa, Ethiopia. The course was sponsored by TDR, the Special Programme for Research and Training in Tropical Diseases, and was open to members of the Forum for African Medical Editors.
- 2016 Consultant to USAID, Health Policy Project
Co-chaired a Bellagio meeting on pro-poor universal health coverage, funded by USAID, and developed and led the writing of a series of policy reports that arose from the meeting.
- 2018-2019 Technical Advisor to the WHO, WHO Common Goods for Health Working Group
- 2019 Adviser to the WHO, SDG3 Global Action Plan Accelerator

PROFESSIONAL HONORS AND AWARDS

- 1990 Martin Wronker Prize for achievement at Oxford University (2nd highest degree in the University)
- 1990 St Anne's College Oxford Prize
- 1994 University College London Prizes for MB BS in Psychiatry, and for Academic & Extracurricular Achievement
- 1994 University of London Prize in Pharmacology
- 2009 Kaiser Foundation Mini-Fellowship in Global Health Reporting
- 2011 Distinction for MPH degree at London School of Hygiene and Tropical Medicine (I was the only student awarded a distinction, in a class of 300 MPH students)
- 2018 Duke University Undergraduate Professor of the Year, Global Health

BIBLIOGRAPHY

*Denotes mentee as first author or principal investigator

Peer-Reviewed Publications

Publications listed from 31-95 have been published since my appointment to Duke on Sept 1, 2015.

GRANT HISTORY

Active Research Awards

- 11/01/2020-08/31/2022 Bill and Melinda Gates Foundation
Principal Investigator: Gavin Yamey
 \$449,974
Developing the Evidence Base to Support Country Transition Planning
- 01/06/2016-12/31/2022 Kagle Family Foundation
Principal Investigator: Gavin Yamey
 \$1,100,000
The Center for Policy Impact in Global Health: Global Health Policy Fellows and Global Health Policy Dialogues Program

Completed Research Awards

- 11/1/2018-07/31/2021 Bill and Melinda Gates Foundation
OPP1199624, Principal Investigator: Gavin Yamey
 \$1,577,647
Driving Health Progress during Disease, Demographic, Domestic Finance and Donor Transitions (the "4Ds"): Policy Analysis and Engagement with Six Transitioning Countries
- 7/15/2019-06/30/2021 Bill and Melinda Gates Foundation
OPP1216268, Principal Investigator: Osondu Ogbuoji, Co-Principal Investigator: Gavin Yamey
 \$850,041
Product Development Ecosystem: Investment Case for a New Aggregator Mechanism to Fund Late Stage Clinical Trials
- 9/20/2020-3/31/2021 Bill & Melinda Gates Foundation
Principal Investigator: Gavin Yamey

	\$58,084 <i>Primary Health Care Investment Case</i>
05/01/2020-06/30/2021	<u>Duke Global Health Institute (DGHI Pilot Grant)</u> Principal Investigator: Gavin Yamey \$25,000 <i>Barriers and opportunities to improve financial protection for the poor through the Prime Minister Jan Arogya Yojana in Uttar Pradesh, India</i>
06/30/2019-06/29/2021	<u>Duke Global Health Institute (DGHI Pilot Grant)</u> Principal Investigator: Gavin Yamey \$25,000 <i>Is the health system in Myanmar ready to deliver care for non-communicable diseases? A costing and cost-effectiveness analysis (CEA) study</i>
06/30/2020-06/29/2021	<u>Duke Global Health Institute (DGHI Pilot Grant)</u> Principal Investigator: Gavin Yamey \$40,000 <i>Reaching herd immunity through COVID-19 vaccination: a policy research program</i>
01/01/2020-05/31/2021	<u>Duke Bass Grant (Small Grant Award)</u> Principal Investigator: Gavin Yamey \$18,000 <i>Strategic Donor Behavior in Aid for Health Transitions</i>
12/1/2016 – 6/30/2021	<u>United States Agency for International Development</u> BR-C- 16/0072 (Prime Award: AID-OAA-A-16-000073), Principal Investigator: Krishna Udayakumar \$1,470,410 total award, 5% of my effort <i>Improved Health Outcomes through Big Data</i>
4/18/2017 – 3/7/2021	<u>United States Agency for International Development</u> R4D-797 (Prime Award: AID-OAA-A-17-00009), Principal Investigator: Krishna Udayakumar \$1,718,896 total award, 5% of my effort <i>African Collaborative for Health Financing Solutions</i>

- 01/26/2021 – 06/30/2021 UNAIDS
Pharos Global Health Advisors, Principal Investigator: Robert Hecht
 \$30,103 total award, 2% of my effort
Synthesis: Promoting Efficiency and Sustainable Financing of AIDS Responses
- 2/1/2020-7/31/2020 New Venture Fund
NVF-NGDF-DUK03, Principal Investigator: Kelly Brownell, Co-Principal Investigator: Gavin Yamey
 \$78,630
External Financing Landscape for Agriculture Development
- 10/30/2016 – 2/1/2019 Bill and Melinda Gates Foundation
OPP1151682, Principal Investigator: Gavin Yamey
 \$1,999,201
The Center for Policy Impact in Global Health: A New Policy Lab Designing Innovative Policy Solutions to Close Global Health Financing Gaps
- 9/8/2016– 8/25/2018 Bill & Melinda Gates Foundation
OPP1148464, Principal Investigator: Shenglan Tang, Co-Principal Investigators: Gavin Yamey, Mary Story
 \$898,307 total award; 5% of my effort
Achieving the Health SDGs in China: Developing Evidence-Based Policy Options for Action
- 3/12/2018-9/30/2018 Gavi, the Vaccine Alliance
PP68380318, Principal Investigator: Gavin Yamey
 \$123,760
Review of Gavi's Performance Based Funding Component of its Health System Strengthening Support
- 07/01/2018-06/30/2019 Duke Global Health Institute (DGHI Pilot Grant)
Principal Investigator: Gavin Yamey
 \$25,000
Transitioning from Donor Assistance for Health: In-Country Perspectives, Experiences and Preferences in Ghana and Sri Lanka

- 07/23/2018-02/28/2019 Duke Africa Initiative (Small Grant Award)
Principal Investigator: Gavin Yamey
 \$4,000
Health and Economic Growth in Africa
- 5/2/2018 – 12/31/2018 Open Consultants (Prime Funder: Partnership for Maternal, Newborn and Child Health)
Principal Investigator: Gavin Yamey
 \$13,684
Technical Support to the Partnership for Maternal, Newborn, and Child Health’s Financial Accountability Portfolio in 2018
- 06/03/2016-12/31/2016 PATH/Global Health Technologies Coalition
SPS 223247, Principal Investigator: Gavin Yamey
 \$69,904
Landscape Analysis of US Government Funding for Global Health R&D
- 1/1/2016-12/31/2016 University of Washington
UWSC 8776 (Prime ID OPP51229), Principal Investigator: Gavin Yamey
 \$27,447
Disease Control Priorities Project
- 11/01/2014 - 12/31/2015 Bill & Melinda Gates Foundation
OPPGH4830/UCSF Award A124347, Principal Investigator: Gavin Yamey
 \$1,368,205
Commission on Investing in Health (CIH) Phase 3: Leveraging Global Health 2035 to Shape the SDGs and the Health Investments of Donor-, Low- and Middle-Income Countries
- 11/01/2009 - 10/31/2014 Bill & Melinda Gates Foundation
OPPGH4830/UCSF Award A113448, Principal Investigator: Richard Feachem, Co-Principal Investigator: Gavin Yamey
 \$2,705,513
Evidence-to-Policy Initiative (E2Pi) Launch Grant

- 03/01/2014 - 09/30/2014 Bill & Melinda Gates Foundation
OPP1106213/UCSF Award A123077, Principal Investigator: Gavin Yamey
 \$295,454
Commission on Investing in Health (CIH) Phase 2: Leveraging the Convergence Indicators to Shape the Post-2015 Development Goals
- 03/17/2014 - 12/31/2014 Swedish Expert Group for Aid Studies
A123102, Principal Investigator: Gavin Yamey
 \$12,811
The Future Role of Swedish Health Aid
- 10/01/2012 - 02/28/2014 Center for Disease Dynamics, Economics and Policy (Prime Funder: Bill & Melinda Gates Foundation)
20829, Principal Investigator: Gavin Yamey
 \$302,945

- 07/01/2013 - 11/30/2013 SEEK Development (Prime Funder: Global Fund to Fight AIDS, Tuberculosis and Malaria)
A122550, Principal Investigator: Gavin Yamey
 \$12,072
Quantitative estimation of the Global Fund's contribution to MDGs 4 & 5
- 03/19/2012 - 12/31/2012 SEEK Development (Prime Funder: UNITAID)
P0054012, Principal Investigator: Gavin Yamey
 \$9,350
Independent 5-Year Evaluation of UNITAID
- 02/06/2012 - 05/31/2012 Bill & Melinda Gates Foundation
A119267, Principal Investigator: Gavin Yamey
 \$153,655
Establishing Service Delivery Unit Cost Benchmarks for Antiretrovirals, DOTS, and Bed Nets to Inform Payment Rates by the Global Fund

- 07/12/2011 - 09/30/2011 SEEK Development (Prime Funder: Partnership for Maternal, Newborn and Child Health)
A118651, Principal Investigator: Gavin Yamey
 \$79,164
Options for Improving Maternal, Newborn and Child Health through Strengthening the Global Aid Architecture
- 11/01/2010 - 08/31/2011 Clinton Health Access Initiative
A116241, Principal Investigator: Gavin Yamey
 \$276,875
Securing Sustained Financing for Successful Malaria Control: Building the Evidence Base and Supporting Practical Country Solutions
- 05/26/2010 - 12/31/2010 Global Fund to Fight AIDS, Tuberculosis and Malaria
A115807, Principal Investigator: Gavin Yamey
 \$51,903
Review of Experience to Identify How to Assess Success of the Affordable Medicines Facility-malaria (AMFm) Phase 1
- 01/01/2009 - 12/31/2009 Kaiser Family Foundation
Principal Investigator: Gavin Yamey
 \$8,000
An Investigation of Large Scale Implementation of Evidence-Based Tools in East Africa: Sudan, Kenya, Uganda (Investigative Journalism Fellowship)
- 03/02/2006 - 03/01/2010 Bill & Melinda Gates Foundation
39544, Principal Investigator: Gavin Yamey
 \$1,092,194
PLoS Neglected Tropical Diseases Launch Grant

INVITED LECTURES AND PRESENTATIONS (PAST 12 YEARS)

International

- 2008 "Voice of America" (international broadcasting service funded by the U.S. Government through the Broadcasting Board of Governors, distributed internationally), invited guest
- 2010 All Party Parliamentary Group on Malaria and Neglected Tropical Diseases, House of Commons, London, invited parliamentary speaker

- 2010 Global Fund to Fight AIDS, Tuberculosis and Malaria 22nd Board meeting, Sofia, Bulgaria, invited presentation to the Board
- 2010 Ad Hoc Committee of the Affordable Medicines Facility-malaria, London, UK and Geneva, Switzerland, invited presenter
- 2011 University of Toronto Masters of Health Science in Bioethics, invited lecturer
- 2011 University of Oxford/BMJ Evidence 2011 conference, invited lecturer
- 2011 United States Agency for International Development, Washington, DC, Workshop on the global scaling up reproductive, maternal, neonatal, and child health interventions, invited presenter
- 2012 Berkeley Global Health Leadership Forum, invited lecturer
- 2012 TEDxSF conference ('7 Billion Well)', invited speaker (see <http://tedxtalks.ted.com/video/TEDxSF-7-Billion-Well-Gavin-Yam>)
- 2012 High Level Roundtable at the Médecins Sans Frontières/Drugs for Neglected Diseases initiative international conference on Medical Innovations for Neglected Populations, invited speaker and moderator
- 2013 The Lancet Symposium for the Launch of Global Health 2035, Royal College of Physicians, London, UK, invited speaker
- 2014 United Nations Sustainable Development Goals Open Working Group, New York, USA, invited speaker
- 2014 United Nations Foundation, New York, USA, invited speaker
- 2014 Swedish Mission to the United Nations, New York, USA, invited speaker
- 2014 United Nations Headquarters, New York, USA, invited speaker
- 2014 American Society of Tropical Medicine & Hygiene, Annual Meeting, invited speaker
- 2015 TEDx Berlin Salon, invited speaker (see <https://www.youtube.com/watch?v=a62SPAHCnG8>)
- 2015 9th International Conference on Global Health and Vaccination Research, Oslo, Norway, invited speaker
- 2015 International Conference on Universal Health Coverage in the New Development Era: Towards Building Resilient and Sustainable Health Systems, Tokyo, Japan, invited speaker
- 2015 Department of International Cooperation, National Health and Family Planning, Government of China, Workshop on Achieving the Health SDGs, Hubei Hotel, Beijing, China, invited keynote speaker
- 2016 Consortium of Universities for Global Health Annual Meeting, San Francisco, CA, Bay Area Global Health Innovation Challenge, invited moderator
- 2016 Consortium of Universities for Global Health Annual Meeting, San Francisco, CA, Panel on "The 2030 SDG for Health," invited speaker and moderator
- 2016 G7 Civil Society Working Group, invited speaker (webinar)

- 2016 Advisory Committee on International Collective Action for Health, World Innovation Summit for Health, Qatar, Doha, invited presenter
- 2017 Joint CEPI/Duke University International Workshop on the Economics of Pandemic Preparedness, National Academy of Medicine, Washington, DC, USA, invited presenter
- 2017 National Academies of Sciences, Engineering, and Medicine: International Policy Salon on Global Health Product Development, Washington, DC, USA, invited presenter and panelist
- 2017 *Lancet* Commission on Global Tuberculosis Meeting, The Hague, Netherlands, invited speaker
- 2018 Prince Mahidol Awards Conference, Bangkok, Thailand, Panel on Pandemic Preparedness, invited presenter and panelist
- 2018 Deutschlandfunk (German national public radio station), invited guest (conversation is archived at https://www.deutschlandfunk.de/weltgesundheitsorganisation-doktor-who-vor-neuen-aufgaben.740.de.html?dram:article_id=413714).
- 2018 Achieving Healthy China 2030 and the Health Sustainable Development Goals in China, Beijing, China, invited keynote speaker
- 2018 Graduate Institute of Geneva, invited speaker
- 2018 Partnership for Maternal, Newborn and Child Health Accountability Forum, United Nations General Assembly, invited speaker and panelist
- 2018 Duke University India Health Conference: Innovation, Policy and Research, New Delhi, India, invited keynote speaker
- 2018 Partnership for Maternal, Newborn and Child Health Annual Partners Forum, New Delhi, India, invited speaker and moderator
- 2019 Consortium of Universities for Global Health Annual Conference, Washington, DC. Panel moderator, Achieving UHC Through Primary Health Care: Reflections on Alma Ata at 40 From the Lancet Commission on Investing in Health
- 2019 Consortium of Universities for Global Health Annual Conference, Washington, DC. Panelist, Lancet Commission on Tuberculosis: Building a TB-Free World
- 2019 Center for Global Development, Washington, DC. Invited speaker. New research on aid transition in health and development
- 2019 Rockefeller Foundation, New York City, New York. Chair and invited speaker, SDGs 17 Rooms Global Flagship Meeting (chaired SDG3 room)
- 2020 World Bank, Washington DC. Presentation to the meeting co-hosted by the World Bank and the Coalition for Preparedness Epidemic Innovations (CEPI) on the financing and manufacturing of COVID-19 vaccines
- 2020 Presentation to TDR: international webinar for researchers funded by TDR to use the Portfolio-to-Impact (P2I) modeling tool

2020 Aspen Institute symposium. Invited moderator. How can we ensure equitable access to the COVID-19 vaccine? At <https://www.aspenglobalinnovators.org/health-for-all-calendar-full/2020/7/7/how-can-we-ensure-equitable-access-to-the-covid-19-vaccine>

National

2003 National Public Radio, Marketplace, invited guest
 2007 National Public Radio, Science Friday, invited guest
 2008 Bethesda Meeting on Open Access Publishing, Howard Hughes Medical Institute and National Library of Medicine at the NIH, invited speaker
 2008 Minnesota Public Radio, invited guest
 2009 National Public Radio, This American Life, invited guest
 2011 National Institutes of Health, 4th NIH Conference on the Science of Dissemination and Implementation, Bethesda, Maryland, USA, invited speaker and panelist
 2011 Yale University Unite for Sight conference, invited speaker
 2011 World Affairs Council, Careers in Global Health Event, San Francisco, CA invited speaker
 2013 Center for Global Development, Washington, DC, USA, invited speaker
 2014 US Centers for Disease Control and Prevention, Atlanta, Georgia, USA, invited speaker
 2014 Swedish Parliament, invited parliamentary speaker
 2014 University of Copenhagen, Denmark, invited speaker
 2014 Peking University Health Center, Beijing, invited speaker
 2014 Ministry of Health, Mexico, invited speaker
 2014 World Affairs Council, Event on “The Real Lessons of Ebola” (broadcast on NPR), San Francisco, CA, invited speaker
 2014 NBC television, nightly news, invited guest
 2014 ABC television, nightly news, invited guest
