

Notice
Direct Second Year B. Tech Admissions

Date: June 7, 2023

**Attention: Students from other Colleges / Universities for lateral admission to
Direct Second Year after completion of the First Year Engineering**

Admissions are open for lateral entry to Second year B. Tech. programmes, for students from other colleges / Universities who have successfully completed their First year Engineering.

Admission will be offered only in the corresponding branch in which the student is enrolled in the parent institution, on the merit of the student at First Year of Engineering. The concerned student should have passed First Year B.E / B. Tech (without any backlog) from a University which is approved by UGC.

K J Somaiya College of Engineering is a constituent college of Somaiya Vidyavihar University, Mumbai. Since its establishment in 1983, it has been deeply committed to excellence in education for all students. It strives to provide an environment to master the fundamentals, create and apply knowledge and also encourages students to discover new solutions in a multidisciplinary approach. Thus, preparing them to be dynamic and multifaceted engineers, ready for various challenges.

Academic flexibilities are available through

- Minors / Honours programmes
- Semester long internship
-

The college also provides financial support for needy students.
