 QUESTION 5:
 Now, I would like to read you several names of different people active in politics. For each one, please tell me, first, whether you have heard of the person. If you have, please tell me whether you have a FAVORABLE impression of that person or an UNFAVORABLE impression of that person. If I name someone you have not heard of or someone who you do not know too much about, just tell me and we will go to the next one.

 QUESTION 11:
 Now, I would like to read you several names of different people active in politics. For each one, please tell me, first, whether you have heard of the person. If you have, please tell me whether you have a FAVORABLE impression of that person or an UNFAVORABLE impression of that person. If I name someone you have not heard of or someone who you do not know too much about, just tell me and we will go to the next one.
