

Hegelian Dialectic discussion points – Satan starts with a stacked deck

Society's biggest threat to their souls – desire for safety and security

An urgent attempt to warn believers

Introduction

Satan starts every day with 4 aces in his poker hand. There's only one hand that will beat him. Thankfully God starts every day with a straight flush.

Who doesn't enjoy a classic good versus evil plot? James Bond 007 takes on the evil genius and triumphs after figuring out the diabolical plan.

Is what we are experiencing a matter of the good guy taking out the evil villain or are both sides playing us? I believe the latter is true because the "good" guy conveniently forgets how we got here – a world without God and only presents man-made solutions, skipping repentance. The evil side is easy to see as Satan worshipers and minions. The "good"/ false light side is also worshipping things/people other than God, but much harder to see. Satan will use any tactic to steer us away from worshipping the Creator.

The first dialectic began with Eve (good vs. evil) and ends with two beast systems of Revelation (dark vs. false light). Our sinful programming of seeing things on the continuum of Satan's "good" vs. evil fishbowl dialectic is a large part of our inherent sinful nature (1st Ace).

For those who are awake, I see our biggest role as pointing out how we got here (a world without God) and the solution (repentance) is required to be one with God. Showing how the world is being played, through Satan's use of the Hegelian Dialectic model, provides the opportunity. Satan employs exoteric dialectics to focus our attention on the evils of the world, so we don't see his esoteric false light strategy bringing about a deceptive alternative to fix the evil. I have been a business owner for over 30 years, and am wired to take action first, another aspect of our sinful nature (2nd Ace). Taking action looks different on a Spiritual level because the enemy is Satan. Standing on being right, against the wrongs of evil, cannot work without deep, spiritual roots. How do you get everyone on board with no more masks, no more shots, not listening to the propaganda? 'Standing on being right' strategies will be employed by the 'power to the people' initiative to give us an illusion of defeating the villain. Instead, the villain recreates himself as a savior by putting a stop to surface atrocities while his real agenda moves forward.

The dark side sets up light side – many are exposing evil (first beast/antichrist system), and, because of this fact, people are ready for the tyranny of comfort that is offered by the light side (second beast/false prophet system). People take a long time to believe evil because of the lie sown by Satan that we are inherently good (3rd Ace). Once we see the evil, we become easy prey to the light side because of our desire for safety and security, without accountability for our sins (4th Ace).

Chaos (first beast) becoming order (second beast) will be disguised as representing the people. The 'mark' offered by the second beast system may include: gold backed system; debt jubilee; prosperity funds; stopping child trafficking; military tribunals; replacing the Cabal propaganda – the false prophet system will look very appealing; however, creative deception will be the rule. We're being played so we submit to this second beast system, thereby taking the irreversible mark of the beast.

2 Corinthians 11:14 - Satan himself masquerades as an angel of light. As awareness of evil becomes widespread, the false light will make its masterful next move.

Background

Satan's lie to Eve shows the first example and sets up the use of Hegelian Dialectic to be a temptation to all of us...Genesis 3:1-6 - Now the serpent was more crafty than any of the wild animals the LORD God had made. He said to the woman, "Did God really say, 'You must not eat from any tree in the garden?'"

²The woman said to the serpent, "We may eat fruit from the trees in the garden, ³ but God did say, 'You must not eat fruit from the tree that is in the middle of the garden, and you must not touch it, or you will die.'"

⁴"You will not certainly die," the serpent said to the woman. ⁵"For God knows that when you eat from it your eyes will be opened, and you will be like God, knowing good and evil."

⁶When the woman saw that the fruit of the tree was good for food and pleasing to the eye, and also desirable for gaining wisdom, she took some and ate it.

It is critically important to see that Satan offered knowledge, but God offered wisdom. The tree of knowledge vs. the tree of life. Because of Eve's sin, we all of the sinful nature of seeing what is good vs. evil from man's standard instead of God's.

Satan is the prince of this world. His desire is win souls for eternity and is the master of deception. God tells us how things will play out, in the end. Matthew 24:24: For false messiahs and false prophets will appear and perform great signs and wonders to deceive, if possible, even the elect.

The stage has been set for the Cabal against the Alliance. Satan has sowed corruption in man since the beginning and is currently using people exposing the evil of the Cabal to set mankind up for the opposite side of the same coin – the Alliance. People are being educated by the ones exposing evil and that education is resulting in disobedience. Godly, civil disobedience is something all believers are responsible for in honoring God and provides practice for standing firm as things get worse. However, disobedience without God has no value in the death camp. Education doesn't produce wisdom on how to fight evil. Instead, awareness of the evil sets the stage for the biggest deception Jesus warned us about. I believe Satan will deceive all but the elect with his false light solution to the problem he created.

Meanwhile, The Church doesn't provide leadership

- Rapture dialectic
- Voting dialectic
- Reformed vs dispensationalism dialectic
- Missing what is happening right in front of their eyes – murder; sodomy; evil – crickets from the pulpit
- Seminaries infiltrated by the Rockefellers
- FEMA training of pastors
- Think about what false beliefs Satan would want believers to adopt, and you get a picture of what's happening in the supposed Church – preaching unity over truth

Another Possibility?

The rise and fall of civilizations: The story goes, “My great grandfather rode a camel, my grandfather drove a beater car, my dad drove a sports car, I drive a super car, my son will drive a range rover, but his son will ride a camel.” The man then went on to tell what it meant, “Hard times make strong men, strong men make good times, good times make weak men, and weak men make hard times.”

Documented patterns in history show: 1. Bondage to spiritual growth; 2. Spiritual growth to great courage; 3. Courage to liberty; 4. Liberty to abundance; 5. Abundance to complacency; 6. Complacency to apathy; 7. Apathy to dependence; 8. Dependence back to bondage. The ‘4th turning’ discusses a related concept, generationally.

Illustrations of the Hegelian Dialectic

<u>Problem(-)</u>	<u>Reaction</u>	<u>Solution(+)</u>
Covid	Fear	The Jab
Pharmaceuticals	Cancer	American Cancer Society
Wanting our way	Easily tempted	Tree of the knowledge of good and evil
Cabal/Beast of the Sea/dark	Panic	Alliance/Beast of the Earth/light

Conclusion

The world has shown it will fall for security and comfort every time. 68.5% of the population received the jab – 13 billion doses. Most bowed down to the Covid lie in unison.

The ‘Died Suddenly’ documentary, Grace’s story, Dr. Ardis’s research, what’s behind the curtain of Jeffrey Epstein, more Covid evil exposure to come, along with other orchestrated events, are necessary to lead society into a predictable worldwide panic, so the preordained “solution” can be presented. This is why it is so important to share the simple Gospel, along with the alarming facts we are exposing. The “solution” will look like a victory to those in the fight currently, as they will be the ones Satan uses to accomplish his goal. The patriots will look like true freedom fighters to those who are unaware of Satan’s use of the Hegelian Dialectic.

Without repentance, Satan’s minions are not following God no matter how good the action appears. The person who is truly saved may exhibit the same works as the unsaved, but the source of the action is God versus self. As these actions apply to the matrix we are in worldwide, without repentance, none of the steps being taken matter to God, although He may use them. After repentance, we have a responsibility to do as God prompts, fulfilling His purpose for your life. That purpose will look different depending on how many talents God gave you. Standing on the truth often looks the same as being right from an action standpoint but it is systemically different. For instance, standing on truth would result in no masks and no shots - based on trusting God. While the minions may put a stop to these mandates, different mandates will rear their head in other deceptive ways.

We’ve been programmed our entire life by the four aces that Satan starts every day with. We are easily fooled by the lesser of two evils game, from dark to false light. We have to rely on God to beat Satan’s stacked deck. How? We have to choose to no longer participate in the rigged game. God told us to not be of the world, but we chose to be sucked into the game (Romans 12:1-2). Truth produces freedom.

God's ways are always outside of the dialectic trap of Satan. We have to be grounded in God's word to fight Satan's attacks. God also promises to protect and guide us, so there is nothing to fear.

Don't be fooled. The battle Satan is waging is for souls. The enemy is not Klaus Schwab and Anthony Fauci. Being awake to the enemy's tactics helps us call on God's straight flush to trump his seemingly unbeatable hand.

True Christians will have a Biblical solution depending on where they believe we are in God's timeline. Some believe we need to personally prepare for what's coming. It seems many see where we are at as part of the pattern of the rise and fall of civilizations. In that vein, there are several practical thoughts being suggested. What's happening seems bigger than this historical pattern to me because of the worldwide orchestration. The rise and fall of nations can be the natural progression of man, while this orchestration is Satanic. Accordingly, my focus is on repentance and getting right with God because time is short - God's judgment is overdue. I can't tell you if I'm right or wrong. I know this message was put on my heart by God.

Finally, a Biblical scholar I learned a lot from in my early walk stated, regarding preparing, "There are two mistakes that can be made: failure to prepare and relying on your preparations. We rely on the finished work of Jesus Christ."
