(57) **CLAIM**

The ornamental design for a display screen of a computing device with a computer-generated electronic panel for providing confirmation of a service request, as shown and described.

DESCRIPTION

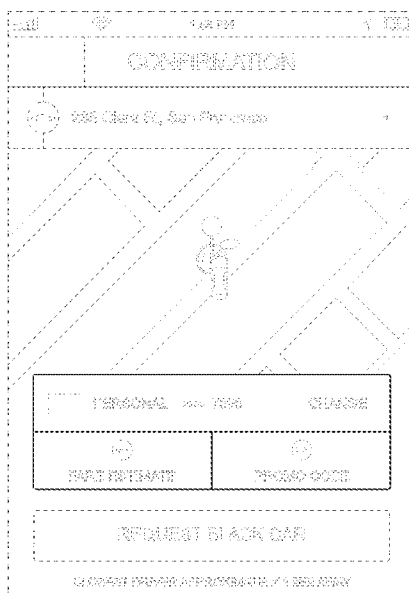

The FIGURE is a front view of a display screen of a computing device with a computer-generated electronic panel for providing confirmation of a service request. The broken lines shown in the drawings are for the purpose of illustrating a display screen of a computing device, text, and other images, and form no part of the claimed design.
