(57) **CLAIM**

The ornamental design for a pet leash, as shown and described.

DESCRIPTION

FIG. 1 is a top view of a pet leash, showing my design; FIG. 2 is a bottom view thereof; and, FIG. 3 is a right side view of the pet leash, the left side view being a mirror image thereof.

The dashed broken line showing of portions of the pet leash represents conventional stitching forming part of the claimed design.

The dotted broken line showing of portions of the pet leash is for illustrative purposes only and forms no part of the claimed design.

The broken away showing in the middle portion of the leash indicates that the appearance of any portion of the article between the break lines forms no part of the claimed design.
