ALARM BOX

THE PHONE FINDER

The idea of the phone finder is as follows your mobile phone of the future would come with a watch bracelet or beltbox fitted with an alarm as explained in diagram.

One of the three would be worn while out and about with your phone, in the event of mislaying your phone the watch bracelet or beltbox alarm would sound at a designated range, alerting your self that you have left your phone behind.

CLAIM

When switched on if the phone becomes out of designated range from bracelet watch or belt box alarm will sound off in watch bracelet or belt box.
