(57) **CLAIM**

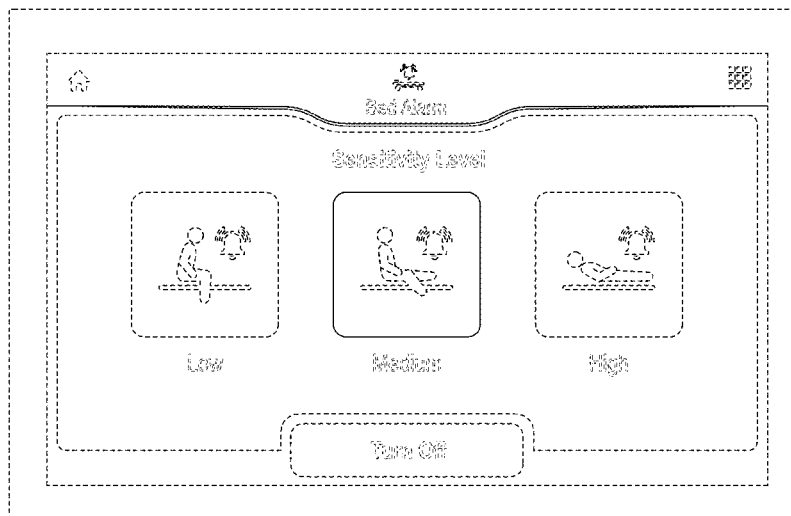

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The broken line showing of a display screen or portion thereof with graphical user interface is included for the purpose of showing portions of the article which form no part of the claim.

1 Claim, 1 Drawing Sheet
