DESCRIPTION

The patent or application file contains at least one drawing
executed in color. Copies of this patent or patent application
publication with color drawing(s) will be provided by the
Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a display screen with application
icon, showing the new design; and,
FIG. 2 is an enlarged front view thereof, showing the
application icon separate from the display screen for clarity
of illustration.

The outer broken line rectangles showing the display screen
and all other broken lines are included for the purpose of
illustrating portions of the article and form no part of the
claimed design.
