(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing my new design.

The outermost broken lines of uneven length show the display screen or portion thereof and form no part of the claimed design. The other broken lines show portions of the graphical user interface that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
