(57) **CLAIM**

The ornamental design for a reverse welt ball, as shown and described.

DESCRIPTION

FIG. 1 is a front, top, and right perspective view of the reverse welt ball;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a front elevational view thereof;

FIG. 5 is a rear elevational view thereof;

FIG. 6 is a left side elevational view thereof; and,

FIG. 7 is a right side elevational view thereof.

The partially illustrated surface pattern is understood to continue throughout the outer, non-stippled regions of the reverse welt ball. The broken lines are included for the purpose of illustrating a feature of the reverse welt ball that forms no part of the claimed design.
