[57] CLAIM

The ornamental design for a pattern for an embossed paper product, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a pattern for an embossed paper product showing our new design; and

FIG. 2 is a top plan view of a second embodiment thereof.

In the drawings, the broken lines represent the boundaries of the claimed pattern as well as the boundaries of the portion of an embossed paper product to which the pattern is applied. The broken lines form no part of the claimed design.
