(57) **CLAIM**

I claim the ornamental design for a spring clip device for affixing an accessory to an object, as shown and described.

DESCRIPTION

FIG. 1 is downward-looking isometric view of a spring clip device for affixing an accessory to an object showing my new invention;

FIG. 2 is an upward-looking isometric view thereof;

FIG. 3 is a front elevation thereof; and,

FIG. 4 is a right-side elevation thereof.

The broken line showing of the accessory is for illustrative purposes only and forms no part of the claimed design.
