[57] **CLAIM**

The ornamental design for a tire, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a tire showing my new design, it being understood that the tread design is repeated throughout the circumference of the tire, the opposite side being substantially the same as that shown; and

FIG. 2 is a front elevation view thereof showing only a fragmentary portion of the tread design for ease of illustration.

FIG. 1

FIG. 2
