(57) **CLAIM**

The ornamental design for an air conditioning apparatus, as shown and described.

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

1.1.-1.2. Air conditioning apparatus

1.1 is a front and side perspective view.

1.2 is an alternate front and side perspective view.

The portion of the design shown in the color green is for the purpose of illustrating unclaimed portions of the air conditioner apparatus and forms no part of the claimed design. The broken lines showing of items in the figures depict portions of the article that form no part of the claimed design.

**1 Claim, 2 Drawing Sheets**
