**DESCRIPTION**

See application file for complete search history.

The FIGURE is a front view of a display screen with icons showing the new design. The broken lines shown in the drawings represent portions of the display screen with icons that form no part of the claimed design. The icon(s) shown in this disclosure constitute a trademark of the assignee company, Vixlet LLC. The icon(s) shown in this disclosure also constitute material covered by copyright owned by the assignee company. The assignee company, owner of the copyright and trademark, has no objection to the reproduction of the patent document or the patent disclosure, as it appears in the U.S. Patent Office records, but reserves all other copyright and trademark rights whatsoever.
