(57) **CLAIM**

The ornamental design for a user interface for a portion of a display screen, as shown and described.

DESCRIPTION

The FIGURE is a front view of a user interface for a portion of a display screen showing our new design.

The broken line showing of various regions, including the three broken line circles, forms no part of the claimed design. The broken line showing of the display screen is for illustrative purposes only and forms no part of the claimed design.
