I. INTRODUCTION

A. DESCRIPTION

The Women's Tennis Association ("WTA") is an international award competition open to all women tennis players.

The tournaments comprising the WTA ("WTA Tournaments") are connected by a points system in which players earn ranking points based on a tournament's category and the player's performance.

B. ADMINISTRATION

The WTA is administered and governed by the WTA Tour, Inc. ("WTA Tour" or "WTA"), a US registered corporation whose members are the players, its recognized WTA 1000 Mandatory, WTA 500, and WTA 250 Tournaments worldwide, and the International Tennis Federation ("ITF"). The Chief Executive Officer ("CEO") of the WTA Tour is responsible for the day-to-day operations of the WTA. The Board of Directors of the WTA Tour is comprised of three (3) Player Board Representatives, three (3) Tournament Board Representatives, one (1) ITF Board Representative, and the CEO. The Board of Directors is responsible for establishing the long-term strategic plan for the WTA. Alternate Board Representatives for each member class may also attend Board of Directors meetings as determined by the CEO.

C. RULES

In accordance with the rules ("Rules") set forth in this WTA Official Rulebook ("Rulebook"), as amended from time to time and updated online at www.wtatennis.com/wta-rules, the WTA Tour selects and schedules WTA Tournaments and is responsible for the resolution of any matter of dispute pertaining to the WTA, including imposition of penalties on players, WTA Tournaments, tournament officials, player relatives and representatives, coaches, and other credentialed persons.

The ITF Rules of Tennis shall apply to all WTA Tournaments except as amended by the Rules. An excerpt of the ITF Rules of Tennis is set forth in Appendix M. For the complete and current ITF Rules of Tennis, please visit www.itftennis.com/en/about-us/governance/rules-and-regulations/.

The Rules may be altered, amended, or repealed by the WTA pursuant to the WTA By-Laws. Capitalized terms have the meanings set forth in this Rulebook, including Section VII.C – Clothing and Equipment, Section XIV – Prize Money Formula, Section VIII – WTA Ranking System, Section X – Age Eligibility and Player Development, Section XVII - Code of Conduct, Section XVIII –

Any action of the WTA Tour pursuant to these Rules or otherwise with respect to the WTA shall be deemed effective only when the parties affected thereby shall have been sent notice of the action, or, in the case of any action of general applicability, notice thereof shall have been published in a manner that will ensure wide circulation. PlayerZone and TournamentZone postings and Player and Tournament Alerts shall be considered official forms of WTA communication with its members that are published in a manner that ensures wide circulation.

The WTA may impose appropriate sanctions, including monetary sanctions, upon any person or entity subject to these Rules who participates in or aids and abets any violation of these Rules. Any violations of these Rules which do not specify a process for imposition of a penalty shall be decided by the CEO and such decision of the CEO may be appealed to the Board of Directors.

All monetary terms are in United States dollars unless otherwise stated.

English is the official language of the WTA.

(based on her order of choice) she will be withdrawn automatically from all other Tournaments entered that week.

If a player is not accepted into the Qualifying Draw of any Tournaments entered in the same week, she will remain on the Qualifying Alternate List of her first choice Tournament and will be withdrawn automatically from all other Tournaments.

d. Second Week of a Grand Slam/WTA 1000 Mandatory Tournament

A player is allowed to play in a WTA 125 Tournament or a Women's ITF World Tennis Tour event during the second week of a Grand Slam or a WTA 1000 Mandatory Tournament only if the player:

- i. was accepted into the Main Draw (singles or doubles) of the Grand Slam or WTA 1000 Mandatory Tournament by any method, has not withdrawn from such Tournament, and
 - (a) for the Singles Main Draw in the second week, has lost in all draws in which she played of the Grand Slam or WTA 1000 Mandatory Tournament (i) on the day of the Qualifying Sign-In Deadline of the WTA 125 Tournament, or if there is no Qualifying, on the day before the Main Draw begins or (ii) by the qualifying sign-in deadline of the Women's ITF World Tennis Tour event; or
 - (b) for the Doubles Main Draw in the second week, has lost in all draws in which she played of the Grand Slam or WTA 1000 Mandatory Tournament (i) by the Doubles On-Site Sign-In deadline of the WTA 125 Tournament or (ii) by the doubles sign-in deadline of the Women's ITF World Tennis Tour event; or
- ii. was not accepted by any method into the Main Draw of the Grand Slam or WTA 1000 Mandatory Tournament and is not signed in as a Lucky Loser at such Tournament; or
- iii. has a Special Ranking and is making her Return to Competition according to the requirements of Section VIII.C.5.c.ii(b).

A player who would have been a Main Draw acceptance but did not play in a Grand Slam or WTA 1000 Mandatory Tournament is not allowed to compete in a WTA 125 Tournament or a Women's ITF World Tennis Tour event during the second week of such Grand Slam or WTA 1000 Mandatory Tournament except pursuant to iii above.

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

The WTA 125 Tournament may wait to hold its singles or doubles draws so that it can determine which players are eligible. Players still competing after the day of the Qualifying Sign-In Deadline, or if there is no Qualifying, on the day the Main Draw begins, will be withdrawn automatically from the WTA 125 Tournament.

If a player violates this Rule, upon the first occurrence, the player will receive the lesser of the ranking points earned from the two (2) Tournaments. Upon the second and subsequent occurrences, the player will not be awarded any ranking points.

A player will not be permitted to withdraw from any WTA Tournament to play a Women's ITF World Tennis Tour event, except as permitted under Section VIII.C.5.c.ii(b).

e. **Playing Two (2) Singles Tournaments in One (1) Week**

A player is not allowed to compete in singles in two (2) Tournaments held in the same week and will be withdrawn from the second Tournament by the appropriate entry authority (i.e., a player may not play the Qualifying of a WTA Tournament, lose, and then play the Main Draw of a Women's ITF World Tennis Tour event in the same week). If a player does play two (2) singles Tournaments in one (1) week, upon the first occurrence, the player will receive the lesser of the ranking points earned from the two (2) Tournaments. Upon the second and subsequent occurrences, the player will not be awarded any ranking points, and she will be subject to a fine of up to \$10,000 for Unsportsmanlike Conduct.

f. **Playing Two (2) Doubles Tournaments in One (1) Week**

A player is not allowed to compete in doubles in two (2) Tournaments held in the same week, at which ranking points are awarded. If a player does play two (2) doubles Tournaments in one (1) week, upon the first occurrence, the player will receive the lesser of the ranking points earned from the two (2) Tournaments. Upon the second and subsequent occurrences, the player will not be awarded any ranking points, and she will be subject to a fine of up to \$10,000 for Unsportsmanlike Conduct.

g. **Playing Singles/Doubles the Same Week in Different Tournaments**

A player is allowed to play singles in one (1) Tournament and doubles in another Tournament in the same week, provided the player has been eliminated from one (1) Tournament by the doubles sign-in

deadline (12:00 noon tournament local time the day before the start of the singles Main Draw unless the Official WTA Tournament Fact Sheet states otherwise) of the other Tournament. A player may not participate in both Tournaments at the same time.

- h. WTA Tournament and Grand Slam Qualifying in the Same Week
 - i. Entry, Player's Choice, and Automatic Withdrawal

Any player who enters both a WTA Tournament and the Qualifying of a Grand Slam in the same week may not remain on the entry list(s) (i.e., Main Draw, Main Draw Alternate, Qualifying, Qualifying Alternate, Doubles Advance, Doubles On-Site, or Wild Cards) of both the WTA Tournament and the Grand Slam Qualifying after the Qualifying Sign-In deadline of the applicable WTA Tournament (or, if the player entered only doubles of the applicable WTA Tournament, after the Doubles Sign-In deadline). If a player is on the entry list(s) of both the WTA Tournament and the Grand Slam Qualifying at the Qualifying Sign-In deadline (or Doubles Sign-In deadline, if applicable), then the player will remain on the Grand Slam Qualifying list(s), WTA automatically will withdraw the player from all WTA Tournament entry lists for that week, and the player will not be permitted to enter doubles on-site at any WTA Tournament that week.

- ii. Wild Cards

A player may not accept a Wild Card into the Qualifying or Main Draw (singles or doubles) of a WTA Tournament occurring during the same week as a Grand Slam Qualifying if she is on the Qualifying List for such Grand Slam or has accepted a Wild Card into such Grand Slam Qualifying. Regardless of Section III.A.3.e, after giving her best effort and losing in the Qualifying or Main Draw (singles, doubles, or both) of a WTA Tournament occurring during the same week as a Grand Slam Qualifying, a player who subsequently receives an offer for a Wild Card into such Grand Slam Qualifying may accept such Wild Card and participate in such Grand Slam Qualifying.

- iii. Sanctions

A player is not subject to a late withdrawal fine for her automatic withdrawal from a WTA Tournament under Section III.A.3.h.i above.

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

B. TOURNAMENT ACCEPTANCE

1. Direct Acceptance

Direct acceptance players are players accepted directly into the draw. Tournament acceptances are based on the WTA Rankings and Special Rankings as of the applicable entry deadline unless otherwise determined by the WTA, subject to the WTA 250 and WTA 125 Tournament entry restrictions, the Age Eligibility Rule, and the Integrity Rules. Once a player has been accepted into a Tournament, she will not be removed from the Acceptance List unless she officially withdraws from the Tournament or except where otherwise stated in the Rules.

a. Singles

i. WTA 1000 Mandatory Tournaments and Grand Slams

All eligible players who by WTA Singles Ranking qualify for acceptance into the Main Draw of a WTA 1000 Mandatory Tournament will be entered automatically into such WTA 1000 Mandatory Tournament.

The WTA automatically will enter the eligible top 200 singles players in the WTA Rankings at the entry deadline of any Grand Slam into the Main Draw entry list of such Grand Slam. Players must enter Grand Slam Qualifying (see the Grand Slam Rules).

For players subject to the Age Eligibility Rule, see Section X.A.2.f – Grand Slams and Commitment Tournaments.

Players entering a WTA 1000 Mandatory Tournament or Grand Slam using their Special Rankings must submit an official entry to WTA Operations.

ii. WTA 500 Tournaments

In any weeks in which both a WTA 500 Tournament and WTA 250 Tournament are scheduled, a player whose WTA Singles Ranking is 1-30 at the Tournament's Main Draw entry deadline ("Top 30 Player") may not play the WTA 250 (singles or doubles) if she qualifies for acceptance into the WTA 500 based on her WTA Singles Ranking unless she receives a WTA 250 Play Down Exemption (up to two (2) per Tour Year).

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

iii. WTA 250 Tournaments

(a) WTA 250 Tournaments in the Same Week as WTA 500 Tournaments

Top 30 Players (as defined above) who do not qualify for acceptance into the WTA 500 Tournament in the same week may play the WTA 250 Tournament.

Top 30 Players who qualify for acceptance into the WTA 500 Tournament may only play the WTA 250 Tournament (singles or doubles) if they receive a WTA 250 Play Down Exemption by meeting one of the following criteria (collectively, "Exemption Players"):

- (i) Player is such Tournament's prior year singles champion ("Defending Champion");
- (ii) Player's Nationality (in accordance with Section I.D.3) is the same country as such Tournament's location ("Local Player"); or
- (iii) Player's WTA Singles Ranking is 11-30 as of the Main Draw entry deadline ("11-30 Player").

A WTA 250 Tournament in the same week as a WTA 500 Tournament may accept only one (1) Exemption Player from each category; provided, however, that if a Defending Champion or Local Player does not enter, then the Tournament may accept an additional 11-30 Player.

A WTA 250 Tournament in the same week as a WTA 500 Tournament may accept only one (1) player whose WTA Singles Ranking is 1-10 at the Tournament's Main Draw entry deadline ("Top 10 Player") to play singles and/or doubles, inclusive of the Defending Champion and Local Player.

(b) WTA 250 Tournaments in Weeks Without WTA 1000 Mandatory or WTA 500 Tournaments

WTA 250 Tournaments in weeks without WTA 1000 Mandatory or WTA 500 Tournaments may accept one (1) Top 10 Player to play singles and/or doubles. Players whose

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

WTA Singles Ranking is 11+ at the Tournament's Main Draw entry deadline may play the WTA 250 Tournament.

- (c) Acceptance Procedure for Exemption Players and Top 10 Players
 - (i) Prior to the Main Draw Entry Deadline

Prior to its Main Draw Entry Deadline, a WTA 250 Tournament in the same week as a WTA 500 Tournament must approve Exemption Players and a WTA 250 Tournament in a week without a WTA 1000 Mandatory or WTA 500 Tournament must approve Top 10 Player entries. If a WTA 250 Tournament wants to secure a particular Exemption Player or Top 10 Player (as applicable), then by 2:00 p.m. Eastern Time (New York, USA time) on the day of its Main Draw Entry Deadline, the Tournament must submit a Play Down Exemption Form or Top 10 Confirmation Form (as applicable) listing:

- For a WTA 250 Tournament in the same week as a WTA 500 Tournament, Exemption Players of the Tournament's choice who have submitted an Exemption Player Acceptance Form ("Confirmed Exemption Players") and any other Local Player or 11-30 Players the Tournament has chosen to have next priority for acceptance ("Alternate Exemption Players"); or
- For a WTA 250 Tournament in a week without a WTA 1000 Mandatory or WTA 500 Tournament, the Top 10 Player of the Tournament's choice who has requested entry into and submitted a Top 10 Acceptance Form for the Tournament ("Confirmed Top 10 Player") and any other Top 10 Players the Tournament has chosen to have next priority for acceptance ("Alternate Top 10 Players").

If the Tournament has Confirmed Exemption Players or a Confirmed Top 10 Player (as applicable) at 2:00 p.m. on the day of the Main Draw Entry Deadline, then the Alternate Exemption Players or Alternate Top 10 Players and all other Top 30 Players or Top 10 Players (as applicable) who entered the Tournament but were not accepted will remain on an Exemption/Top 10

Alternate List unless they withdraw their entries or are accepted into another Tournament in the same week.

If the Tournament does not have one (1) Confirmed Exemption Player or a Confirmed Top 10 Player at 2:00 p.m. on the day of the Main Draw Entry Deadline, then the highest-ranked Top 30 Player or Top 10 Player (as applicable) who entered the Tournament will be accepted.

The first Alternate Exemption Player or Alternate Top 10 Player listed on the Tournament's Play Down Exemption Form or Top 10 Confirmation Form (as applicable) will become a Confirmed Exemption Player or Confirmed Top 10 Player and must submit an Exemption Player Acceptance Form or Top 10 Acceptance Form (as applicable) if: (a) the Tournament's original Confirmed Exemption Player is not a Top 30 Player or the Tournament's original Confirmed Top 10 Player is not a Top 10 Player at the Main Draw Entry Deadline; or (b) the Tournament's original Confirmed Exemption Player or Confirmed Top 10 Player withdraws prior to the Main Draw Entry Deadline.

(ii) Between the Main Draw Entry Deadline and Qualifying Sign-In Deadline

If a Confirmed Exemption Player or Confirmed Top 10 Player withdraws after the Main Draw Entry Deadline but prior to the Qualifying Sign-In Deadline, then the following players will be accepted in the following order:

- The first Alternate Exemption Player on the Exemption/Top 10 Alternate List from the same category as the withdrawing player or the first Alternate Top 10 Player on the Exemption/Top 10 Alternate List (as applicable); or if there are no Alternate Exemption Players or Alternate Top 10 Players on the Exemption/Top 10 Alternate List, then
- The highest-ranked Top 30 Player or Top 10 Player (as applicable) on the Alternate List; or if there are no applicable players on the Alternate List, then
- The next-in Main Draw player.

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

- (iii) After the Qualifying Sign-In Deadline Until the Draw is Made

If a Confirmed Exemption Player or a Confirmed Top 10 Player who was a direct acceptance withdraws after the Qualifying Sign-In Deadline, then the Tournament may replace that player until the Main Draw is made according to Section V.A.3.a.i Exemption Player/Top 10 Player Replacement.

See Appendix F for WTA 250 Play Down Exemption and Top 10 Player entry examples.

- (d) Player Restrictions

A Top 30 Player may receive two (2) WTA 250 Play Down Exemptions per Tour Year.

In 2024, a Top 10 Player may play three (3) WTA 250 Tournaments, inclusive of any WTA 250 Play Down Exemptions she received. Starting in 2025, a Top 10 Player may play three (3) WTA 250 Tournaments per Tour Year only if she played all her WTA 500 Commitment Tournaments in the prior Tour Year. If she did not play all her WTA 500 Commitment Tournaments in the prior Tour Year, she may play only two (2) WTA 250 Tournaments in the current Tour Year.

If an Exemption Player or Top 10 Player withdraws from a WTA 250 Tournament any time after (i) becoming a Confirmed Exemption Player or Confirmed Top 10 Player, (ii) the entry deadline, or (iii) accepting a Wild Card, then the WTA 250 Tournament counts as one (1) of her maximum allowed WTA 250 Tournaments unless she withdraws because of a Long-Term Injury.

- iv. WTA 125 Tournaments

Top 10 Players at the Main Draw Entry Deadline of a WTA 125 Tournament may not enter, accept a Wild Card into, or compete in singles or doubles of that WTA 125 Tournament.

- (c) In the Same Week as a WTA 500 or WTA 250 Tournament

Players ranked 1-75 who qualify for Main Draw acceptance at the Main Draw Entry Deadline of a WTA 500 or WTA 250 Tournament scheduled the same week as a WTA 125 Tournament may not enter, accept a Wild Card into, or compete in singles or doubles of that WTA 125 Tournament.

- (d) In Weeks 45-52 (“Off Season”) or a Week Without a WTA 1000 Mandatory, WTA 500, or WTA 250 Tournament

Players ranked 1-50 at the Main Draw Entry Deadline of a WTA 125 Tournament cannot enter that Tournament, but players ranked 21-50 may receive WTA-approved Wild Cards in singles and doubles (subject to Wild Card maximums). (See Section III.C - Wild Cards.)

Players who qualify for the WTA Finals (including the two confirmed WTA Finals Alternates) cannot enter, accept a Wild Card into, or compete in singles or doubles in a WTA 125 Tournament scheduled the same week as the WTA Finals even if they withdraw from the WTA Finals.

b. Doubles

A player may not enter (Advance Entry or On-Site Entry) with more than one (1) partner.

i. Advance Entry

- (a) Acceptance at each Tournament is determined by the highest combined WTA Doubles Rankings, which may include Doubles Special Rankings, of the players on each team as of the Doubles Advance Entry Deadline for that Tournament. For players who only have a WTA Singles Ranking or Singles Special Ranking, the WTA will assign a Doubles Ranking of one (1) plus the ranking of the lowest player on the WTA Doubles Rankings applicable to acceptance.
- (b) A team may withdraw from the advance entry list or Advance Entry Alternate List via PlayerZone without penalty prior to:
 - (i) 4:00 p.m. tournament local time on the day of the Qualifying Sign-In;
 - (ii) 4:00 p.m. Eastern time on the Friday prior to the start of Main Draw if no Qualifying Draw; or
 - (iii) 2:00 p.m. Eastern time on the day before the Qualifying Sign-In Deadline if the Qualifying Sign-In Deadline and the Doubles Sign-In Deadline are on the same day (as applicable, the "Doubles Freeze Deadline").
- (c) If a withdrawing team has been accepted into the doubles Main Draw of the Tournament at the time of withdrawal, it must indicate the withdrawing player upon withdrawal, and:
 - (i) the withdrawing player may not: (i) re-enter that Tournament (except by Wild Card); and (ii) enter or

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

accept a Wild Card into the doubles draw of another WTA Tournament in the same week unless she has been accepted into the singles draw of that other WTA Tournament via Wild Card; and

- (ii) the non-withdrawing player may re-pair with another partner before the Doubles Freeze Deadline, re-enter that Tournament or enter another Tournament on site with another partner, or accept a Wild Card into the doubles draw of any WTA Tournament in the same week (including the Tournament from which her partner withdrew).

The WTA automatically will withdraw a team from the advance entry list or Advance Entry Alternate List if one player on that team is accepted via Wild Card into either the singles Main Draw or Qualifying at another WTA Tournament in the same week. The team may enter the doubles draw on-site at the Tournament at which one or both of its players have been accepted via Wild Card into the singles Main Draw or Qualifying.

- (d) If a player withdraws from the Advance Entry List, her non-withdrawing partner may re-pair with another partner until the Doubles Freeze Deadline (see sub-Section (b) above). The new partner cannot already be accepted into the doubles draw and if she is on the Advance Entry Alternate List, then she must withdraw before the newly re-paired team can enter. The newly re-paired team must have a higher combined WTA Doubles Ranking as of the Doubles Advance Entry Deadline than the first team on the Advance Entry Alternate List at the time of re-pairing. If the non-withdrawing partner chooses not to re-pair, the next team on the Advance Entry Alternate List moves into the draw at the Doubles Freeze Deadline or when the non-withdrawing partner notifies WTA Operations in writing that she is not re-pairing, whichever comes first.
- (e) All openings after the Doubles Freeze Deadline are filled by On-Site Entry.

ii. On-Site Entry

- (a) In accordance with the chart in Section V.A.1.c below, acceptance at each Tournament is determined by using the highest of the combined WTA Singles or Doubles Rankings,

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

which may include Special Rankings, of the players on each team as of the week prior to the start of that Tournament. However, if a player is accepted using her WTA Singles Ranking or Singles Special Ranking and would have been accepted using her WTA Doubles Ranking or Doubles Special Ranking, the entry will count as if the player used her WTA Doubles Ranking or Doubles Special Ranking.

- (b) Teams that enter a Tournament but are not accepted into the draw become Alternates for the sign-in day of that Tournament. The On-Site Entry Alternate List will be in order of the highest combined WTA Singles or Doubles Rankings, which may include Special Rankings, of the players on each entering team as of the week prior to the start of that Tournament. To remain eligible for subsequent days, Alternates must have entered in accordance with Section III.A.2.c above and must follow the procedures for Openings in the Draw in Section V.A.3.c below.
- (c) If a player is accepted using her WTA Singles Ranking or Singles Special Ranking, plays in a doubles match, and subsequently withdraws from the doubles Main Draw, she forfeits her eligibility to use her WTA Singles Ranking or Singles Special Ranking to enter the doubles Main Draw at any WTA Tournament for the remainder of that Tour Year unless: (i) she also withdraws or retires from singles at the same Tournament; (ii) she is declared unfit to play; or (iii) she finished competing in singles at the same Tournament and she also withdraws from playing singles in a Tournament to be held the following week.

2. Tournament Acceptance Procedure if Rankings Tied

a. Singles

- i. If two (2) or more players' WTA Singles Rankings are tied at the time of Tournament acceptances, then the following player receives priority:
 - (a) the player with the highest WTA Singles Ranking from the previous week; then
 - (b) the player with the most WTA Singles matches won over the previous 52-week period; then
 - (c) the player who is drawn randomly.

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

- ii. If two (2) or more players' Special Rankings are tied at the time of Tournament acceptances, then the following player receives priority:
 - (a) the player with the highest current WTA Singles Ranking; then
 - (b) the player with the highest WTA Singles Ranking from the previous week; then
 - (c) the player with the highest WTA Singles Ranking from the week prior to the start of her Out-of-Competition Period; then
 - (d) the player who is drawn randomly.

- b. Doubles
 - i. Entries Using Combined WTA Doubles Rankings

If two (2) or more teams' combined WTA Doubles Rankings, which may include Doubles Special Rankings, are tied as of the Doubles Advance Entry Deadline, then the following team receives priority:

 - (a) the team with the greatest combined total WTA doubles ranking points counting on their rankings; then
 - (b) the team with the highest combined WTA Doubles Rankings from the week prior to the WTA Doubles Rankings applicable to acceptance; then
 - (c) the team with the fewest Tournaments played as a team in the previous 52-week period; then
 - (d) the team that is drawn randomly.

 - ii. Entries Using Combined WTA Singles or Doubles Rankings

If two (2) or more teams' combined WTA Singles or Doubles Rankings, which may include Special Rankings, are tied as of the Doubles Sign-In Deadline, then the following team receives priority:

 - (a) the team using two (2) WTA Singles Rankings or Singles Special Rankings to enter; then

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

- (b) the team using one (1) WTA Singles Ranking or Singles Special Rankings to enter; then
- (c) the team using two (2) WTA Doubles Rankings or Doubles Special Rankings to enter.

If after applying these priority procedures two (2) or more teams are tied for qualification under (a) or (b), then the team with the highest-ranked (as of the WTA Rankings applicable to acceptance) singles player receives priority. If after applying these procedures two (2) or more teams are tied for qualification under (c), then Section III.B.2.b.i above determines the team that receives priority.

3. Distribution of Acceptance Lists

Initial Tournament Acceptance Lists are distributed to individual Tournament Directors immediately upon their availability and will be posted on the PlayerZone and TournamentZone websites.

4. Tournament Status

Tournament status is available to players on the PlayerZone website, via a WTA Operations staff member in the Florida office, or through an on-site Supervisor.

5. Administrative Error on Acceptance Lists

a. Player Omitted

If an administrative error has been made on an Acceptance List resulting in a player being omitted from the list, the player will be placed at the top of the Next-In List(s) for Main Draw and/or Qualifying based on the appropriate ranking used for player movement.

b. Too Many Players Accepted

See Section V.A.4 - On-Site Draw Procedure for Administrative Error – Preliminary Match.

C. WILD CARDS

1. Definition

Wild Cards are those players named by the Tournament Director to fill designated spots in the draw. The WTA must approve all Wild Card

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

nominations in regard to player eligibility under the Age Eligibility Rule and Integrity Rules, and other Rule limitations. Wild Cards are not considered official until approved by the WTA.

a. Nomination Deadlines

i. Singles

Tournaments are required to submit a tentative list of Wild Card nominations to WTA Operations one (1) week prior to the start of the Main Draw. The Tournament Director must advise the WTA or the Supervisor in writing of the singles Wild Card nominations and Alternate Wild Card nominations by the Qualifying Sign-In Deadline. Wild Cards named by the Tournament Director prior to the deadline will be tentative until the Qualifying Sign-In deadline.

If the Main Draw is made prior to the Qualifying Sign-In deadline or if there is no Qualifying, Wild Card nominations must be made in writing at least one (1) hour before the Main Draw is made.

ii. Doubles

Final Wild Card nominations must be named in writing thirty (30) minutes before the Doubles Sign-In Deadline.

b. Confirmation of Wild Card Acceptance

i. Tournament Responsibility

Before advising the WTA or Supervisor of the Wild Cards, the Tournament Director shall have confirmed with the player that she will accept the Wild Card.

ii. Player Responsibility

(a) Singles

In addition to confirming to the Tournament Director that she will accept a Wild Card, if offered, the player also must provide written notification of the Wild Card acceptance to the on-site Supervisor at the relevant Tournament or to WTA Operations by the Qualifying Sign-In Deadline (email is sufficient).

If a player accepts a Wild Card and subsequently withdraws prior to her first match played, the Wild Card will not count

PLAYERS

SECTION III - TOURNAMENT ENTRY, TOURNAMENT ACCEPTANCE, AND WILD CARDS

toward her Wild Card allotment. A player will be subject to a Late Withdrawal fine only if the withdrawal occurs after the start of Qualifying or, if there is no Qualifying, after the Main Draw is made.

(b) Doubles

In order for a player to accept a Wild Card, she must provide written notification to the on-site Supervisor at the relevant Tournament by the Doubles Sign-In deadline (email is sufficient).

If the player accepts the Wild Card and subsequently withdraws after the on-site Doubles Sign-In deadline, the Wild Card will not count toward her Wild Card allotment but she will be subject to a Late Withdrawal fine.

2. Tournament Restrictions

a. WTA 500 and WTA 250 Tournaments

i. Singles

WTA 500 and WTA 250 Tournaments receive “Exemption Wild Card” spots, which can only be used by Top 30 Players, former WTA No. 1 ranked singles players, Grand Slam singles champions from within the last ten (10) years, WTA Finals singles champions from within the last ten (10) years, and/or WTA 1000 Mandatory Tournament singles champions from within the last five (5) years as follows:

- (i) If more than two (2) eligible players request an Exemption Wild Card, the Tournament shall decide which eligible player it awards the Exemption Wild Card;
 - (ii) If only one eligible player requests an Exemption Wild Card, the Tournament must award one Exemption Wild Card to the eligible player making the request, and the second Exemption Wild Card will revert to the next player waiting to get into the draw;
 - (iii) If there are no eligible players requesting an Exemption Wild Card, the Tournament can award one Exemption Wild Card to any player as per the rules in this section, and the second Exemption Wild Card will revert to the next player waiting to get into the draw.
 - (iv) If neither of the Exemption Wild Cards are awarded, both Exemption Wild Card spots revert to the next players waiting to get into the draw.
- (c) The awarding of the Exemption Wild Card shall be subject to the Wild Card Maximums, Age Eligibility Rule, and Integrity Rules.

i. Procedures

- (a) Except as otherwise provided below, all players will receive automatic fines for Late Withdrawals from the Main Draw of a Tournament.

Fines double with each subsequent offense in a Tournament category.

- iii. If a player who is still competing in another WTA Tournament or a Grand Slam on the day of the Qualifying Sign-In deadline of the following week's WTA Tournament receives a Late Withdrawal fine for withdrawing from that Tournament, then that Late Withdrawal fine is not subject to any doubling as long as her participation in the WTA Tournament or the Grand Slam ends on

- iv. Late Withdrawal Fines resulting from a player's selection to her Billie Jean King Cup team in the same week as a WTA Tournament will always remain at the minimum fine as per the chart in sub-Section ii above and are not subject to doubling calculations.

- c. No-Show Offense

A player who is entered and accepted into the Main Draw of a Tournament, does not withdraw, and fails to attend her first match commits a No-Show Offense. The automatic fine for a No-Show Offense is 50% greater than the applicable Late Withdrawal fine.

A Qualifying withdrawal is a Late Withdrawal if a player withdraws after her acceptance into the Qualifying Draw; provided, however, that if a player accepted into the Qualifying Draw withdraws and is subsequently accepted into the Main Draw or receives a Wild Card in accordance with Section IV.A.9.a.i, she will not be fined for a Qualifying Late Withdrawal.

- b. Fines

- i. Procedures

Alternates waiting to get into Qualifying who are accepted into Qualifying any time up until the Freeze Deadline are obligated under these Rules to play the Tournament and thus are subject to the same sign-in procedure and No-Show Offense fines. (See Section V.A.1.b.iii(a).)

- ii. Amounts

The amount of a player's automatic Qualifying Late Withdrawal fine is \$500 (\$250 at WTA 125 Tournaments).

The automatic fine for a first No-Show Offense is \$600 (\$300 at WTA 125 Tournaments), which doubles for each subsequent offense she commits in a Tournament category in the current Tour Year (i.e., \$1,200, \$2,400).

A player who has lost in a Tournament ("Current Tournament") may play the Qualifying for a Tournament scheduled for the next week ("Following Week Tournament").

A player may not withdraw or retire from any draw of a Current Tournament to play in any Following Week Tournament. However, if a player is forced to withdraw or retire from a draw in a Current Tournament for a Medical Condition and she is entered in a Following Week Tournament, she must receive a medical examination from the Tournament Physician and PHCP at the Current Tournament and submit her medical examination to the Tournament Physician and PHCP at the Following Week Tournament. To be eligible to compete in the Following Week Tournament, the player must receive a medical examination by the Tournament Physician and PHCP at the Following Week Tournament.

A player will automatically be withdrawn from a Following Week Tournament if:

- a. She has withdrawn or retired from a draw in the Current Tournament without cause or for unprofessional reasons;
- b. She fails to provide proof of medical examination by submitting

PLAYERS
SECTION IV - WITHDRAWALS AND RETIREMENTS

a signed WTA Medical Information Form from the Tournament Physician and PHCP at the Current Tournament to the Tournament Physician and PHCP at the Following Week Tournament;

- c. She fails to receive a medical examination from the Tournament Physician and PHCP at the Following Week Tournament; or
- d. Her next match in the Current Tournament is scheduled on the same day as or later than her first match in the Following Week Tournament.

Any player who is discovered to have contravened this Rule shall not receive ranking points for the Following Week Tournament and will be subject to a fine as permitted under these Rules. This Rule does not apply to a player whose partner in doubles has been forced to withdraw or retire from their match.

2. Matches Scheduled Same Day

- a. A player who withdraws or retires from singles can play doubles as long as her doubles match has not been scheduled and called on the same day as her singles withdrawal or retirement.
- b. If a player has both singles and doubles matches scheduled on the same day, she can withdraw from doubles before playing her singles match.

3. Withdrawal of Seeds

See Section V.A.6.d – Withdrawal of a Seed.

4. Prize Money and Ranking Points

See Section VIII.B.3 – Withdrawals, Byes, Walkovers, and Defaults.

5. Unsportsmanlike Conduct

- a. In addition to the requirements set out above, for each Main Draw first round retirement (singles and/or doubles) in excess of two (2) per Tour Year, a player will be subject to a fine in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.
- b. Any player who withdraws or retires from the Qualifying or Main Draw (singles or doubles) of a WTA Tournament after the Qualifying Sign-In deadline (or Doubles On-Site Sign-In deadline if she entered only in doubles) and plays in a Grand Slam Qualifying in the same

SECTION IV - WITHDRAWALS AND RETIREMENTS

week will automatically be fined \$10,000 for Unsportsmanlike Conduct; provided, however, that if a player withdraws after the Qualifying Sign-In deadline (or Doubles On-Site Sign-In deadline if she entered only in doubles) but before her first match at the WTA Tournament because she received an offer for and accepted a Wild Card into the Grand Slam Qualifying after the Qualifying Sign-In deadline (or Doubles On-Site Sign-In deadline if she entered only in doubles), then such player will not automatically be fined for Unsportsmanlike Conduct under this Section IV.C.5 but will receive a fine in accordance with Section IV.A, which will not be subject to the doubling calculations under Sections IV.A.3 and IV.A.4. In addition, any player who fails to give her best effort in the Qualifying or Main Draw (singles or doubles) of a WTA Tournament and plays in a Grand Slam Qualifying in the same week commits a Player Major Offense of Aggravated Behavior and is subject to the penalties in Section XVII.D.13.b, including a fine in an amount up to the greater of \$25,000 or the prize money she wins at the WTA Tournament and/or suspension from play in a Tournament or event for a minimum period of twenty-one (21) days and a maximum period of one (1) year.

6. Unprofessional Conduct

If a player's withdrawal is for unprofessional reasons or is damaging to the WTA's image, she is subject to a disciplinary review and penalties.

7. Extraordinary Circumstances

In an extreme personal emergency (e.g., a death in the family or a serious illness or life-threatening situation for the player or her family) or similar extraordinary circumstances ("Extraordinary Circumstances"), a player has the right to appeal a Late Withdrawal fine or the use of an Excused Withdrawal to the Code of Conduct Committee in accordance with Section XVII of these Rules. The player must submit her appeal, which must include documentation that substantiates the Extraordinary Circumstances, within twenty-one (21) days after the date she receives notice of the Late Withdrawal fine or the date she withdraws using an Excused Withdrawal.

PLAYERS

V. TOURNAMENT DRAWS AND SCHEDULING

A. DRAWS

1. Composition

a. Main Draw Singles

The Main Draw will consist of some or all of the following:

i. Direct Acceptance

See Section III.B.1 – Direct Acceptance.

ii. Qualifiers

Those players accepted into the draw based on their success in the Qualifying competition. Following are the number of Qualifiers based on the draw size:

Main Draw Size	Qualifying Draw Size	Number of Qualifiers
128	128	16
96	48 (2 rounds)	12
48/56/64	32 (2 rounds)	8
28/30/32	32 (2 rounds)	4
28/30/32	24 (2 rounds)	6
28/30/32	16 (2 rounds)	4
32	8 (1 round)	4

iii. Wild Cards

See Section III.C – Wild Cards.

iv. Alternates

Any Main Draw Alternate not in the Qualifying Draw or at a Tournament with no Qualifying must reconfirm her intention to play the Tournament by contacting (either in person, by a telephone conversation, or via e-mail) WTA Operations or the on-site Supervisor by 4:00 p.m. tournament local time on the day prior to the start of Qualifying or, if no Qualifying, 4:00 p.m. Eastern time on the Friday prior to the start of Main Draw. The player must leave her contact number with the WTA Operations staff member or Supervisor with whom she speaks. If a player

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

fails to contact WTA Operations or the on-site Supervisor by the requisite deadline, her entry will be withdrawn automatically from the Main Draw Alternate List.

v. Byes

Those positions allocated in the draw to byes based on the draw size of the Tournament. Byes will be given to seeded players in descending order. (See Section V.A.5.d - Byes for the number of byes in a draw.)

vi. Lucky Losers

Lucky Losers are players who are placed in the Main Draw to fill vacancies after they have been eliminated (lost, retired, or withdrawn) from the Qualifying, provided they meet the eligibility requirements in (a) below. Lucky Losers shall be selected based on the round reached in Qualifying and the WTA Singles Rankings from the week prior to the start of the Tournament (Special Rankings are not considered).^{*} If there are no Main Draw vacancies before the Qualifying has been completed, then the order of the Lucky Losers shall be determined by their WTA Singles Rankings in descending order. If there is one vacancy in the Main Draw before Qualifying is completed, then the order of the two (2) highest ranked Lucky Losers shall be drawn randomly, and thereafter the order shall follow the Lucky Losers' rankings, unless there are two (2) or more withdrawals at the time Qualifying is completed in which case the size of the random draw will be the number of withdrawals plus one (1). If before Qualifying is completed the number of vacancies in the Main Draw equals or exceeds the number of players who will lose in the final round of Qualifying, the highest-ranked Lucky Loser(s) from the previous Qualifying round(s) will be placed into the random draw to determine the order of the Lucky Losers.

^{*}If two or more players do not have a WTA Singles Ranking, they will be drawn randomly to determine their ranking order.

(a) Eligibility

A player who is not entered and has not competed in Qualifying cannot be considered for a Lucky Loser status.

A player who has been eliminated from the Qualifying may retain her right to Lucky Loser status for the duration of the Tournament provided that:

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- (i) She signs in with the Supervisor by the Lucky Loser deadline;
 - (ii) She receives a medical examination from the Tournament Physician and PHCP if she retired or withdrew; and
 - (iii) The Main Draw match is not scheduled for the same day she retired/withdrew from her Qualifying match.
- (b) Procedures
- (i) All Lucky Losers are subject to first-round prize money deductions because of Prize Money Withdrawals in accordance with Section IX.C.1.a.i(b)(ii).
 - (ii) Lucky Loser positions in the Main Draw will not be released until the completion of the Qualifying event, unless Qualifying has not been completed by the time the Schedule of Play is released. In that event, the Supervisor may release a player's position where necessary and schedule players who have been accepted into the Main Draw.
 - (iii) If there are withdrawals from the Main Draw after Qualifying has begun and before Qualifiers have been drawn to the Main Draw, Qualifiers and Lucky Losers will be drawn together by lot to determine their positions in the Main Draw, except that only Qualifiers will be drawn for positions with a bye until no Qualifiers remain to fill such positions.*

*For Main Draw Wild Card withdrawals see Section III.C.5 – Filling Vacant Wild Card Spots.

- (iv) At Tournaments where the last round of Qualifying and the first round of Main Draw are played on the same day and there is a withdrawal in the Main Draw Matches scheduled for the cross-over day, the Qualifier and Lucky Loser positions should be determined as follows:
 - If there is one withdrawal, the spot having to play on the cross-over day will be filled by a Lucky Loser and all Qualifiers shall be drawn by lot to the Qualifier spots.
 - If there are two or more withdrawals, the spot(s)

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

required to play on the cross-over day will be drawn among the Lucky Losers. All Qualifiers and remaining Lucky Losers will be drawn together by lot to fill the remaining spots in the Main Draw.

- (v) When the last round of Qualifying and the first round Main Draw are played on the same day, Lucky Losers must sign in no later than thirty (30) minutes after the conclusion of the last Qualifying match.
- (vi) If a Main Draw spot becomes available prior to the start of the last singles match of the day, the Lucky Loser/Alternate will be determined by the Sign-In for that day. However, where there are no Lucky Losers/Alternates signed in and the match affected by the withdrawal is not scheduled for that day, the following day's Sign-In will be used to fill the vacant spot.

If the spots become available after the start of the last singles match of the day/night, the spot will be filled by the highest ranked player or team who signs in the following day.

- (vii) If a Lucky Loser/Alternate is currently involved in or scheduled for another event/match pertaining to the Tournament, then the Lucky Loser/Alternate's match or other scheduled match may be rescheduled at the discretion of the Supervisor. Where Qualifying has not been completed or a Lucky Loser is unable to be determined, the match may be rescheduled.
- (viii) The first Lucky Loser or Alternate must be ready to play a match within fifteen (15) minutes of the original No Show or default. If the first on-site Lucky Loser/Alternate fails to be ready to play within fifteen (15) minutes, the next on-site Lucky Loser/Alternate must be ready to play within five (5) minutes of the time her match is called. Any subsequent on-site Lucky Loser/Alternate must be ready to play within five (5) minutes of the time her match is called. If a Lucky Loser or an Alternate chooses not to sign in one (1) day, she may still sign in the next day. However, if she signs in, her match is called, and she fails to show for the match (for any reason), she forfeits her Lucky Loser or Alternate status for the duration of the Tournament.

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- (ix) If a player retires/withdraws from her Qualifying match on the same day an open Lucky Loser position is on the schedule, thereby relinquishing her Lucky Loser status for that day, the open Lucky Loser position will go to the next eligible Lucky Loser for that day.

vii. Special Exempt Spots

One (1) Special Exempt Spot shall be held at each WTA Tournament (excluding WTA 125 Tournaments that occur during the second week of WTA 1000 Mandatory Tournaments or Grand Slams). A “Special Exempt Spot” is a singles Main Draw spot reserved for a singles player who is unable to compete in the Qualifying of a WTA Tournament in which she has been accepted as a direct acceptance by the Qualifying Sign-In Deadline (“Special Exempt Tournament”) because she is still competing in a Qualified Singles Event. “Qualified Singles Event” means the singles event of a Tournament in the week before the Special Exempt Tournament in accordance with the following chart:

Special Exempt Tournament	Qualified Singles Event Tournament
WTA 1000 Mandatory	WTA 1000 Mandatory or Grand Slam
WTA 500	WTA 500 (including United Cup), WTA 1000 Mandatory, or Grand Slam
WTA 250	WTA 250, WTA 500 (including United Cup), WTA 1000 Mandatory, or Grand Slam
WTA 125*	WTA 125, WTA 250, WTA 500 (including United Cup), WTA 1000 Mandatory, or Grand Slam

*Excluding WTA 125 Tournaments that occur during the second week of WTA 1000 Mandatory Tournaments or Grand Slams.

(a) Application Process

Eligible singles players must apply for a Special Exempt Spot prior to the Qualifying Sign-In deadline at the Special Exempt Tournament. A Special Exempt Request Form must be submitted to the WTA Supervisor at the Tournament where a player is still competing, to the WTA Supervisor at the Special Exempt Tournament, or through a WTA Operations staff member.

A player who is still competing at the Qualifying Sign-In

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

deadline will only be eligible to receive a Special Exempt Spot if:

- (i) she is in the finals at the Qualified Singles Event;
- (ii) she wins her match at the Qualified Singles Event; or
- (iii) her match is re-scheduled to be on the first day of Qualifying at the Special Exempt Tournament due to weather or other unforeseen circumstances.

Matches scheduled and played on the Qualifying Sign-In day which finish past midnight will not be considered as being played on the first day of Qualifying and will not make a player eligible for a Special Exempt Spot.

(b) Selection Process

If more than one (1) player is eligible for the Special Exempt Spot, selection will be based on a player's WTA Singles Ranking as of the week prior to the Special Exempt Tournament, or a player's Special Ranking if used to enter the Special Exempt Tournament, with the highest ranked applicant selected first.

Once a player is selected for a Special Exempt Spot, she is committed to the Special Exempt Tournament and subject to all late withdrawal rules and penalties.

If Qualifying has not started and the player selected for the Special Exempt Spot subsequently withdraws from the Tournament or moves into the Main Draw of the Tournament with her WTA Ranking as a direct acceptance, the next player eligible for the Special Exempt Spot moves into the draw. If there are no other players eligible for the Special Exempt Spot, the next player from the Main Draw Alternate List moves into the draw. After the start of Qualifying, a Lucky Loser will fill the open spot in the draw.

(c) Draw Procedures

If prior to the Main Draw Entry Deadline of a WTA Tournament, it is established that there will be no Special Exempt Spots due to a lack of Qualified Singles Events in the previous week, the reserved spot shall be filled with a Direct Acceptance from the original acceptance list.

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

If at any time up until the Qualifying Sign-in Deadline it is determined that no players will be eligible for the Special Exempt Spot, the reserved spot shall be immediately filled by the next in player from the main draw alternate list.

b. Qualifying Singles

The Qualifying Draw will consist of some or all of the following:

i. Direct Acceptance

See Section III.B.1 – Direct Acceptance.

ii. Wild Cards

See Section III.C – Wild Cards.

If a Qualifying Wild Card withdraws before the Qualifying Draw has started, the Tournament Director may name an alternate Wild Card, even if the Wild Card nomination deadline has passed. (See Section III.C.5 - Filling Vacant Wild Card Spots.)

iii. Alternates

(a) Sign-In Procedures

The Qualifying Alternate Next-In List will be frozen at the Freeze Deadline. If there is no Qualifying draw, the Freeze Deadline will be 2:00 p.m. Eastern Time (New York, USA Time) on the Thursday before the Tournament week. After the Freeze Deadline, no more Alternates will be moved into the Qualifying Draw and such alternate players are no longer committed to play the Tournament. Players on the Alternate List can preserve their eligibility for possible Qualifying Draw positions by signing in with a WTA Operations staff member or the Supervisor by 4:00 p.m. tournament local time on the day before the start of the Qualifying Draw.

(i) The Sign-In deadline for Alternates is thirty (30) minutes prior to the scheduled start of play for the day.

(ii) An Alternate or Lucky Loser is not required to sign in one day to be eligible as an Alternate/Lucky Loser another day. (This applies to singles and doubles Alternates and to Lucky Losers.)

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- (iii) An on-site Alternate is eligible to substitute for all first round matches and for second round matches when the player or team has had a first round bye.

- (b) The first Lucky Loser/on-site Alternate must be ready to play within fifteen (15) minutes of being called for a match. If the first on-site Alternate fails to be ready to play within fifteen (15) minutes, the next on-site Alternate must be ready to play within five (5) minutes of the time her match is called. Any subsequent on-site Alternate must be ready to play within five (5) minutes of the time her match is called. Matches will not be held for Alternates still competing in another ITF event or WTA Tournament. If an on-site Alternate fails to show for a match, she will be considered a No Show.

- (c) On-Site Alternates Acceptance Priority
 - (i) Players who have entered the Tournament by the applicable deadline and appear on the Alternate List will be accepted based on the entry list order;

 - (ii) After the Freeze Deadline (see Section V.A.1.b.iii(a)), players who are not entered but sign-in on site will be accepted based on their current WTA Singles Ranking or Singles Special Ranking (subject to the ranking requirements detailed in Section III.A.1.d.vii);

 - (iii) WTA Full Members who sign in on site will be accepted in order of their current WTA Singles Rankings or Singles Special Rankings (not subject to the ranking requirements detailed in Section III.A.1.d.vii), or if no WTA Singles Rankings, according to the following order:
 - Player with the most WTA singles ranking points;

 - Player with the highest WTA Doubles Ranking;

 - Player with the most WTA doubles ranking points; and

 - Player who is drawn randomly.

Section III.B.2 will be used in the event of ties. Entries using a Special Ranking must be submitted to (i) the Supervisor in

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

writing if entering on site or (ii) tourops@wtatennis.com by the applicable entry deadline.

iv. Byes

If there are open spots in the draw and no on-site Alternates or Additional Wild Cards, byes will be given to seeded players in descending order.

The following chart outlines the composition of the doubles draw for each WTA Tournament level and draw size:

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

iv. Byes

Those positions allocated in the draw to byes based on the draw size of the Tournament. Byes will be given to seeded teams in descending order.

2. Sign-In Deadlines

a. Qualifying Singles

i. Qualifiers

Each Qualifier must sign in by 4:00 p.m. tournament local time on the day prior to the start of Qualifying (“Qualifying Sign-In Deadline”) or she will not be placed in the draw. A player must sign in by contacting (either in person, by email, or by a telephone conversation) the on-site Supervisor, a Supervisor at an event at which she is competing, or WTA Operations. Each player is ultimately responsible for confirming that the Supervisor or WTA Operations has received her sign-in before the Qualifying Sign-In Deadline. (See also Section V.B.6 - No Postponement of First Round Qualifying of WTA Tournament.)

ii. On-Site Alternates

On-site Alternates must have signed in as set forth in Section V.A.1.b.iii(a). If an Alternate has not been accepted into the Qualifying Draw, she must sign in with or contact the Supervisor before thirty (30) minutes prior to the scheduled start of play each day. An on-site Alternate is eligible to substitute for all first round matches and for second round matches when there are first round byes. b. Doubles

See Section III.A.2.c.ii.

3. Openings in the Draw

a. Main Draw Singles*

i. Exemption Player/Top 10 Player Replacement

If an Exemption Player or Top 10 Player who was a direct

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

acceptance withdraws after the Qualifying Sign-In Deadline, a Tournament may replace that Exemption Player or Top 10 Player with another Exemption Player or Top 10 Player based on the WTA Rankings as of the Main Draw entry deadline who is eligible (subject to WTA 250 Tournament entry restrictions) up until the Main Draw is made. The replacement Exemption Player or Top 10 Player does not have to have previously entered the Tournament but must not have entered another Tournament in the same week. Once the replacement Exemption Player or Top 10 Player is confirmed, she fills the Main Draw spot vacated by the withdrawing Exemption Player or Top 10 Player. If the Tournament does not secure a replacement Exemption Player or Top 10 Player, the vacated Main Draw spot is filled according to parts ii and iii of this Section V.A.3.a.

ii. Before Qualifying Begins

Next-In Main Draw Alternates, in order of their position on the Alternate List, will fill any such openings.

If there are no Main Draw Alternates, players in the Qualifying Draw, in order of their position on the Qualifying Acceptance List, will fill any such openings.

iii. After Qualifying Begins

Lucky Losers will fill any such openings in the Main Draw, except in the following cases:

- (a) An Alternate Wild Card replacement (see Section III.C.5 - Filling Vacant Wild Card Spots);
- (b) The correction of a WTA administrative error (see Section V.A.4 - On-Site Draw Procedure for Administrative Error - Preliminary Match); or
- (c) There are more Main Draw withdrawals than there are Lucky Losers (see Section V.A.1.b.iii - Alternates).

iv. Tournaments with No Qualifying

For Tournaments at which there is no Qualifying and no on-site Main Draw Alternates, players who are not entered but sign in on site no later than one (1) hour before the Main Draw is made will fill any such openings.

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- (a) Players who sign in on site will be accepted based on their current WTA Singles Ranking or Singles Special Ranking (subject to the ranking requirements detailed in Section III.A.1.d.vii).
- (b) After any players who meet the ranking requirements in Section III.A.1.d.vii sign in, then WTA Full Members who sign in on site will be accepted in order of their current WTA Singles Rankings or Singles Special Rankings (not subject to the ranking requirements detailed in Section III.A.1.d.vii), or if no WTA Singles Rankings, according to the following order:
 - (i) Player with the most WTA singles ranking points;
 - (ii) Player with the highest WTA Doubles Ranking;
 - (iii) Player with the most WTA doubles ranking points; and
 - (iv) Player who is drawn randomly.
- (c) Section III.B.2 will be used in the event of ties. Entries using a Special Ranking must be submitted to the Supervisor in writing if entering on site.
- (d) If there are still openings after any on-site sign-ins, then see Section III.C.6 - Additional Wild Cards.

*See Section V.A.6.d - Withdrawal of a Seed for the procedures to be followed when a seeded player withdraws from a Tournament.

b. Qualifying Singles

i. Before the Freeze Deadline

Any such openings are filled by Next-In Qualifying Alternates based on the WTA Rankings or Special Rankings used for Alternate Status.

ii. After the Freeze Deadline but before Qualifying Sign-In

Any such openings are filled by Alternates who have signed in with a WTA Operations staff member or the Supervisor based on the On-site Alternates Acceptance procedure set forth in Section V.A.1.b.iii.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

iii. After the Qualifying Sign-In

These openings are filled by On-site Alternates who were not accepted into the draw based on the order determined at the Qualifying Sign-In Deadline using the On-site Alternates Acceptance procedure set forth in Section V.A.1.b.iii above. Players must have signed in as set forth in Section V.A.1.b.iii to maintain eligibility for any openings.

The first on-site Alternate must be ready to play within fifteen (15) minutes of being called for a match. Matches will not be held for Alternates still competing in another ITF event or WTA Tournament.

If a Qualifying spot becomes available prior to the start of the last qualifying match of the day, the Alternate will be determined by the Sign-In for that day. However, where there are no Alternates signed in and the match affected by the withdrawal is not scheduled for that day, the following day's Sign-In will be used to fill the vacant spot. If a spot becomes available after the start of the last qualifying match of the day/night, the spot will be filled by the highest ranked player who signs in the following day.

iv. Additional Wild Cards

For Tournaments at which there are no on-site Alternates, see Section III.C.6 - Additional Wild Cards.

c. Doubles*

i. Advance Entry List

See Section III.B.1.b.i.

ii. On-Site Entry

(a) At Sign-In Deadline

Openings in the Main Draw will be filled by the next team on the On-Site Entry Alternate List.

(b) After Sign-In Deadline

If openings occur after the day of Sign-In deadline, in order to be eligible, the team must sign in as an Alternate with or contact the on-site Supervisor thirty (30) minutes prior to the

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

start of doubles play each day or by the Doubles Alternate Sign-In deadline determined by the on-site Supervisor/Referee and indicated on the order of play.

An on-site Alternate team is eligible to substitute for all first round matches and for second round matches when there are first round byes. If a team chooses not to sign in on one day, it will not lose its eligibility to sign in for subsequent days.

(i) Prior to the Start of the Last Doubles Match of Day

If a spot becomes available prior to the start of the last doubles match of the day/night, the Alternate will be determined by the Sign-In for that day. However, where there are no Alternates signed in, and the match affected by the withdrawal is not scheduled for that day, the following day's Sign-In will be used to fill the vacant spot.

(ii) After the Start of the Last Doubles Match of Day

If the spot becomes available after the start of the last doubles match of the day/night, the spot will be filled by the highest ranked team that signs in the following day using the highest of its players' combined WTA Singles or Doubles Rankings, which may include Special Rankings, as of the week prior to the start of the Tournament.

(c) Additional Wild Cards

For Tournaments at which there are no on-site Alternates, see Section III.C.6 - Additional Wild Cards.

* See Section V.A.6.d - Withdrawal of a Seed for the procedures to be followed when a seeded team withdraws from a Tournament.

4. On-Site Draw Procedure for Administrative Error – Preliminary Match

If an administrative error has been made in a Tournament acceptance list (Main Draw Singles, Qualifying Singles, or Doubles) and too many players have been accepted into the Tournament, the following procedures will be followed:

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

- a. The last two (2) players accepted into the Tournament based upon the entry list, regardless of whether the draw has been made (excluding Wild Cards and Qualifiers), will play a preliminary match for one (1) spot in the draw.
- b. The loser of the preliminary match will receive first round prize money (paid by the WTA) and first round ranking points.
- c. The winner of the preliminary match will receive prize money and ranking points for the round reached in the draw. In addition, the player will receive 25% of second round prize money (paid by the WTA) and 35% of second round ranking points.

The WTA will reimburse per diem expenses to the loser of the preliminary match per the Rules.

5. Making a Draw

- a. Place

The draw, which the public will be allowed to attend, is to be made by the Supervisor or the Referee (a person so designated by the Tournament and approved by the WTA) at a site selected by the Tournament Director in consultation with the Supervisor. Whenever possible, all draws should have a player present to witness the making of the draw, however, if a player is not available, the Supervisor or Referee may perform the draw in the presence of a WTA Player Relations staff member who will serve as the player representative.

- b. Time

- i. Main Draw Singles

The Singles Main Draw will be made no earlier than the Qualifying Sign-In deadline and no later than 3:00 p.m. tournament local time the day before the Main Draw starts. (Any exception must have the approval of the WTA.)

- ii. Qualifying Singles

The Singles Qualifying Draw will be made immediately after the Qualifying Sign-In closes, or if deemed necessary, may be delayed by the Supervisor.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

iii. Doubles

The Doubles Main Draw will be made after the Doubles Sign-In closes.

c. Tournaments

All Tournaments will have a seeded draw. (See Section V.A.6.a.i.)

d. Main Draw Byes

i. The number of byes shall be based on draw size as follows:

Main Draw Size	Number of Byes
96	32
56	8
48	16
30	2
28	4
24	8
16/32/64	0

ii. Awarding of Byes

(a) Prior to the draw being made

Byes will be given automatically to the seeded players in descending order.

Once byes have been given to the seeds in any size draw, any remaining byes will be drawn and evenly distributed into each quarter of the draw.

(b) Once the draw is made

(i) If there are withdrawals and no Alternates to fill the spots, further byes will be assigned to the line from which a player withdrew and not to the remaining seeds in descending order.

(ii) In Qualifying, if a player's opponent withdraws and there is no Alternate to fill her spot, the player will be assigned a first round bye for ranking purposes, not a default. (See Section VIII.B.3 - Withdrawals, Byes, Walkovers, and Defaults.)

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

6. Seeds

a. General Principles

i. All Main and Qualifying Draws will have a seeded draw.

(a) Singles

Seeding is based on players' WTA Singles Rankings as of the week prior to the start of the Tournament. If two (2) or more players' rankings are tied, the following player receives priority:

- (i) player with the highest WTA Singles Ranking from the previous week; and
- (ii) player who is drawn randomly.

(b) Doubles

Seeding is in order of the accepted teams' combined WTA Doubles Rankings as of the week prior to the start of the Tournament. If two (2) or more teams' rankings are tied, then Section III.B.2.b.i above determines the team that receives priority.

- ii. Wild Cards are eligible for seeding. Qualifiers and Lucky Losers are not eligible for seeding.
- iii. Seeding will not be official until the draw is made.

b. Number of Seeds

The number of players to be seeded will be as follows:

Main Draw		Qualifying	
Draw Size	Seeds	Draw Size	Seeds
96/128	32	48 (12 qualifiers)	24

d. Main Draw – Withdrawal of a Seed

i. Prior to the Release of the Schedule of Play

If a seeded player or team withdraws from the Main Draw of a Tournament after the draw has been made but prior to the release of the schedule of play for the first day, then the following procedure applies.

- (a) If the withdrawing seeded player or team does not have a bye, then:
 - (i) The next player or team eligible to be seeded takes the withdrawing seeded player's or team's position in the draw; and
 - (ii) The next player or team eligible to move into the draw (i.e., Qualifier, Lucky Loser, or Alternate as applicable) takes the remaining open position in the draw.
- (b) If the withdrawing seeded player or team has a bye, and:

- (i) If every seed in the draw has a bye, then:
 - The next player or team eligible to be seeded takes the withdrawing seeded player's or team's position in the draw; and
 - The next player or team eligible to move into the draw (i.e., Qualifier, Lucky Loser, or Alternate as applicable) takes the remaining open position in the draw; or
- (ii) If not every seed in the draw has a bye, then:
 - The next seeded player or team eligible to receive a bye takes the withdrawing seeded player's or team's position in the draw; and
 - The next player or team eligible to be seeded takes the open seeded position in the draw; and
 - The next player or team eligible to move into the draw (i.e., Qualifier, Lucky Loser, or Alternate as applicable) takes the remaining open position in the draw.

ii. After the Release of the Schedule of Play

If a seeded player or team withdraws from the Main Draw of a Tournament after the draw has been made, after the release of the schedule of play for the first day, and before the first match of the applicable draw has commenced, then the following procedure applies.

- (a) If the withdrawing seeded player or team does not have a bye, then
 - (i) The next player or team eligible to be seeded takes the withdrawing seeded player's or team's position in the draw; and
 - (ii) The next player or team eligible to move into the draw (i.e., Qualifier, Lucky Loser, or Alternate as applicable) takes the remaining open position in the draw.
- (b) If the withdrawing seeded player or team has a bye, then:

- (i) The next seeded or unseeded (as applicable) player or team eligible to receive a bye takes the withdrawing seeded player's or team's position in the draw; and
- (ii) The next player or team eligible to move into the draw (i.e., Qualifier, Lucky Loser, or Alternate as applicable) takes the remaining open position in the draw.

iii. After Play Has Commenced

If a seeded player or team withdraws from the Main Draw of a Tournament after the first match of the applicable draw has commenced, then the next player or team eligible to move into the draw (i.e., Qualifier, Lucky Loser, or Alternate as applicable) takes the open position in the draw.

e. Qualifying – Withdrawal of a Seed

If a seeded player withdraws from the Qualifying Draw of a Tournament after the draw has been made, then the next Alternate player eligible to move into the draw takes the open position in the draw.

f. Seeding Errors

Errors in seeding may be corrected only if the error is discovered before the first match of the applicable draw has commenced.

i. A Player is Unseeded in Error

- (a) If only some seeds have a bye and the player unseeded in error should receive a bye, then that player should be placed in the position of the last seeded player who received a bye, the displaced player then takes the place of the last seeded player, who finally takes the position vacated by the player unseeded in error.
- (b) If every seed has a bye, no seed has a bye, or some seeds have a bye but the player unseeded in error should not receive a bye, then the player unseeded in error takes the position of the last seeded player, who then takes the position vacated by the player unseeded in error.
- (c) If a player eligible for an Additional Seed was not given an Additional Seed position, the error shall be corrected by randomly drawing on which line of the draw the Additional

PLAYERS

SECTION V - TOURNAMENT DRAWS AND SCHEDULING

Seed player should be placed according to the procedure in Section V.A.6.c.ii(c) above. The displaced player shall take the vacated position of the player who did not receive an Additional Seed position in error.

- ii. Error in Seeding Order
 - (a) If only some seeds have a bye and a seeded player should have received a bye but did not due to an error in the seeding order, then the last player who received a bye and the seeded player who should have received a bye shall switch positions.
 - (b) If every seed has a bye, no seed has a bye, or the error in seeding does not affect a seeded position with a bye, then the error in seeding shall be corrected by switching the positions of the affected players; however, if the error only affects players within the same seeding group (in reference to the placement of seeds in the draw (e.g., within seeding group 5-8 or 13-16)), then no adjustment is made.

B. SCHEDULING

1. WTA Responsibility

The Supervisor, in consultation with the Tournament Director, is responsible for match scheduling. All match time requests must go through the Supervisor.

Match scheduling will take into account relevant factors including television contracts, the possibility and timing of day matches the following day, the actual start time for the night matches, and other relevant factors.

2. Player Obligations

- a. Players will be expected to play when scheduled. Players may be required to play both singles and doubles any day of a Tournament.
- b. Players may also be required to play several night matches in both singles and doubles during a Tournament week.
- c. Players are required to play a minimum of two (2) singles night matches during a Tournament if requested to do so.
- d. When weather or other unavoidable circumstances cause a disruption in the schedule, a player may not be expected to play more than

- e. A player must be available to play on the first day of a Tournament unless she played in the singles or doubles final or was competing on the final day of play of a Tournament ending the preceding day.
- f. All players must be prepared to play doubles on the first day of play, regardless of whether or not they have received a bye in singles.
- g. Players may be required to play doubles before singles if necessary due to scheduling difficulties in completing the Tournament in time.

However, there must be a minimum of two (2) matches scheduled in between the doubles and singles. In no case may there be less than one (1) hour in between matches unless all players agree.

3. Late Start Requests

Previous Tournament commitments or illness are the primary considerations in granting late start requests. If a request is due to illness, the player must be evaluated by the PHCP and Tournament Physician. A request made due to illness or loss of luggage does not guarantee a player a late start.

4. Television

When a Tournament is televised, the television commitments will be taken into scheduling consideration.

5. Doubles Match Scheduling

- a. When the singles and doubles finals are to be played on the same day, the doubles final shall be scheduled approximately two (2) hours prior to the published start time of the singles final. If the singles final is scheduled at 12:00 noon tournament local time or earlier, the doubles final may be played following the singles final.
- b. It is recommended that i) each session (day and night) open with a doubles match; and ii) a minimum of one (1) doubles match per day be scheduled on a televised court. If there is only one (1) televised court, then the match may be played on the next largest court from a seating capacity standpoint.
- c. The following shall be considered valid exceptions to the doubles scheduling requirements set forth in sub-Sections a and b above:
 - i) contractual television obligations; ii) weather or other major

scheduling interruptions; iii) combined event with the ATP World Tour (“ATP”); iv) security issues; and v) unforeseen circumstances as determined by the Supervisor. In addition, exceptions to sub-Section a above shall be permitted when at least one (1) of the doubles players is also a singles finalist.

6. No Postponement of First Round Qualifying of WTA Tournament

- a. The WTA will not postpone any WTA Tournament Qualifying match for a player who is still participating in the prior week’s WTA Tournament, Grand Slam, Women’s ITF World Tennis Tour event, or Billie Jean King Cup event.
- b. A player is eligible to play the Qualifying of a WTA Tournament if she has lost in or, consistent with these Rules, she has withdrawn or retired (or been released, in the case of Billie Jean King Cup) from both the singles and doubles competitions of the prior week’s WTA Tournament, Grand Slam, Women’s ITF World Tennis Tour event, or Billie Jean King Cup event no later than the day of the Qualifying Sign-In deadline for such WTA Tournament.

A player is also eligible to play the Qualifying of a WTA Tournament if such WTA Tournament is held at the same venue as the prior week’s WTA Tournament or Women’s ITF World Tennis Tour event and the following conditions are met:

- i. the player has lost (which does not include a withdrawal or retirement) from both the singles and doubles competitions of the prior week’s WTA Tournament or Women’s ITF World Tennis Tour event no later than the first day of Qualifying for such WTA Tournament;
 - ii. the player’s final match in both the singles and doubles competitions of the prior week’s WTA Tournament or Women’s ITF World Tennis Tour event is completed before her first Qualifying match at such WTA Tournament; and
 - iii. no extraordinary scheduling is required of either such WTA Tournament or the prior week’s WTA Tournament or Women’s ITF World Tennis Tour event to allow for the player to play the Qualifying of such WTA Tournament.
- c. A player may sign in for the Qualifying of a WTA Tournament while she is still participating in the prior week’s WTA Tournament, Grand Slam, Women’s ITF World Tennis Tour event, or Billie Jean King Cup event only if her next singles and doubles match in the prior week’s

- d. If a player signs in for the Qualifying of a WTA Tournament while she is still participating in the prior week's WTA Tournament, Grand Slam, Women's ITF World Tennis Tour event, or Billie Jean King Cup event and subsequently loses, withdraws, or retires (or is released, in the case of Billie Jean King Cup) from the prior week's Tournament or event but does not participate in such Qualifying, then her failure to participate is subject to all applicable requirements and penalties under these Rules, including but not limited to the requirements and penalties in Section IV of these Rules (e.g., withdrawal requirements, Late Withdrawal and No-Show Offense fines, etc.).

7. Rescheduling of Matches

- a. Under extenuating circumstances, a match may be rescheduled at the discretion of the Supervisor, in consultation with the Tournament Director.
- b. Matches may not be rescheduled due to illness, injury, or loss of luggage.
- c. A player who personally and directly notifies the Supervisor or Referee of her impending tardiness sufficiently in advance in the opinion of the Supervisor or Referee, may at the latter's discretion, secure a release from reporting within fifteen (15) minutes of her match being called and not be subject to default and penalties.

8. Rescheduling of Finals

If, due to Extreme Weather Conditions or extraordinary circumstances, a Tournament cannot be completed on the final day as scheduled, the Tournament shall be required to extend for one (1) day to complete the singles and/or doubles events unless the Tournament, players and WTA all agree to abandon the Tournament on the day the final was originally scheduled to be played. (The event must be extended even if only one (1) entity wants to play the final.) No further extension will be permitted without the approval of the WTA.

PLAYERS
SECTION V - TOURNAMENT DRAWS AND SCHEDULING

a. Tournaments Scheduled the Week Prior to a Grand Slam

WTA events scheduled the week prior to a Grand Slam shall schedule their finals no later than Saturday. The Tournament may be extended by one (1) day, only if:

- ii. each player does not have one day off or the Grand Slam schedule of play has not been released and all players in the finals agree to extend the Tournament by one (1) day.

b. Player Penalties for Failure to Play Postponed Final

An additional fine of \$5,000 shall be assessed to any player who fails to play a postponed final match in singles or doubles on the day following the originally scheduled final day of the Tournament concerned. All such fines shall be automatic and non-appealable, except in the case of Extraordinary Circumstances. Fine appeals must be filed within twenty-one (21) days from the date of notice.

c. Alternate Indoor Venue

Where a Tournament cannot be completed outdoors, and where a suitable indoor facility exists, the Tournament should be played to completion. If Tournament play is interrupted or postponed, players will be required to play on the day following the originally scheduled final day of the Tournament pursuant to sub-Section a above. Any final scheduling decisions will be made by the Supervisor who has the authority (in consultation with the Tournament Director) to move a match to another court, indoors or outdoors, regardless of surface.

9. Changing Courts/Surface

If it is deemed necessary to move a match, the Supervisor, in consultation with the Tournament Director, has the authority to delay the start of the match or to move a match to another court, indoors or outdoors, regardless of surface. The Referee, in consultation with the Supervisor, may decide if a match shall be moved to another court if circumstances so require.

During the course of a match, if conditions or circumstances merit, players may be required by the Supervisor or Referee to move to another court.

VI. WTA FINALS

The Tour Year culminates with the WTA Finals. All players who qualify for the WTA Finals must comply with the player responsibilities in this Section VI.

A. RACE TO THE FINALS

To determine qualification for the WTA Finals singles and doubles competitions, the Race to the Finals Leaderboard ranks (a) each singles player according to her Singles Race Points; and (b) each doubles team according to their Doubles Race Points (collectively, "Race Points") earned from Tournaments beginning the week before the previous year's WTA Finals through and including Tournaments beginning two weeks before the current year's WTA Finals ("Race Year").

1. Singles Race Points

Subject to the Long-Term Injury Rule and Special Ranking Rule, a player's Singles Race Points are determined by calculating her total ranking points, including any applicable zero (0) ranking point results pursuant to Section II.A, from eighteen (18) Tournament results during the current Race Year, which must include:

- four (4) Grand Slams;
- six (6) WTA 1000 Mandatory combined/virtually combined Tournaments;
- one (1) WTA 1000 Mandatory Tournament (WTA only); and
- best seven (7) results from all WTA 1000 Mandatory, WTA 500, and WTA 250 Tournaments.

2. Doubles Race Points

Doubles Race Points are a team's best twelve (12) Tournament ranking point results earned as a team at Grand Slams, WTA 1000 Mandatory, WTA 500, or WTA 250 Tournaments during the current Race Year.

Such player is responsible for all costs related to attending the Finals Make-Up Activities, except that for the On-Site Option, she is entitled to one (1) round-trip, first-class airline ticket to the WTA Finals city and one (1) hotel room, on-site meals, and tournament-related ground transportation for each day during which she participates in Finals Make-Up Activities for at least three (3) hours. - iv. e. Alternates

After the Finals Singles Qualified Players and Finals Qualified Teams are set, the next two (2) highest-ranked singles players on the Race to the Finals Leaderboard qualify as alternates for the WTA Finals (“Finals Alternates”) and the next one (1) highest-ranked doubles team on the Race to the Finals Leaderboard qualifies as an alternate team for the WTA Finals (“Finals Alternate Team”). If any Finals Singles Qualified Player or Finals Qualified Team is unable to compete, Finals Alternates or Finals Alternate Teams, as applicable, will move into the competition in order of the Race to the Finals Leaderboard, and the WTA may designate additional Finals Alternates or Finals Alternate Teams according to the above qualification criteria. Finals Alternates and Finals Alternate Teams are subject to the same obligations and fines as Finals Singles Qualified Players and Finals Doubles Qualified Players regardless of whether they move into the competition. However, zero (0) ranking point results apply only if a Finals Alternate or Finals Alternate Team becomes a Finals Singles Qualified Player or Finals Qualified Team.

Finals Alternates and Finals Alternate Teams must be in the WTA Finals city on the day of the WTA Finals draw ceremony, attend the draw ceremony and all other mandatory functions; provided, however, that if she is competing at another WTA Tournament on or after her required day of arrival, she must use best efforts to be in the WTA Finals city no later than the start of the WTA Finals. Finals Alternates and Finals Alternate Teams must be on site and available to substitute for a maximum of one (1) Final Singles Qualified Player or one (1) Finals Qualified Team from the start of the WTA Finals through the completion of the round robin matches. If a Finals Alternate or Finals Alternate Team has not moved into the competition by the completion of the round robin matches, her WTA Finals obligations will cease and she may depart the WTA Finals city. A Finals Alternate or Finals Alternate Team who plays any match(es) becomes a Finals Singles Qualified Player or Finals Qualified Team, as applicable, and will receive a round robin standing, WTA Ranking points, and prize money in accordance with the prize money breakdown. All Finals Alternates and Finals Alternate Teams also will receive per diem for any days that they are required to be on site until their WTA Finals obligations cease.

No later than October 1 of each year, each player will advise the WTA in writing of the categories in which the player has a personal, exclusive sponsorship or endorsement contract for the following calendar year. The player shall make the contract available to the WTA upon request on a confidential basis. Provided the player has a binding contract or bona fide written and detailed letter of intent, term sheet, or offer letter, as determined in good faith by the WTA, the Player Likeness for that player shall be unavailable to GLA Sponsors for the specified category or categories for the following calendar year (starting on January 1). For letters of intent, term sheets, and offer letters, the player shall promptly notify the WTA when a binding contract has been finalized or negotiations have ceased.
- iv. Players shall be notified in writing by the WTA when included in a GLA ("GLA Notice").
- v. A player who has entered into an agreement after October 31 but before receiving a GLA Notice can enter into an exclusive deal with a conflicting sponsor. Once a player receives a GLA Notice, she can non-exclusively enter into an agreement with a conflicting sponsor for the balance of the current opt out year and may subsequently maintain the sponsorship on an exclusive basis after the end of the opt out year.
- vi. GLA Sponsors shall be required to make reasonable efforts to cease distribution of promotional materials featuring opt-out players within thirty (30) days following the start of the opt-out year.
- vii. For each GLA Sponsor contract entered into after September 1, 2010, 25% of any financial consideration (specifically excluding barter) paid by or on behalf of the GLA Sponsor under the contract shall be paid to the WTBA, which shall distribute or otherwise use such proceeds for the benefit of the players. This percentage reflects an aggregate allocation for player GLA rights, and shall not vary depending upon the particular rights granted under any individual GLA Sponsor contract. Any payments made to individual players by a GLA Sponsor, under the sponsorship contract or any individual contract the GLA Sponsor may otherwise have with the player, are separate from and shall not be included as part of this calculation.
- viii. Any player preventing a GLA Sponsor from utilizing her Player Likeness for any reason other than a conflicting sponsorship under sub-Section v above, shall annually be issued a fine

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

equal to the payment such player would have received under sub-Section vii above. Players that are subsequently utilized in advertising materials by such GLA Sponsor shall be entitled to compensation in accordance with sub-Section vii above.

- ix. Any action by WTBA members, not including the exercise of any opt-out rights hereunder, that results in an inability of the WTBA to timely provide all or a portion of the GLA Sponsor benefits described in this provision, shall result in a reduced WTBA payment, proportionate to such reduction of GLA Sponsor benefits. Before the WTBA payment is reduced, the WTA shall make efforts to allow the failure to be cured.
 - x. Approval of the Board of Directors shall be required for any WTA non-title/presenting/premier sponsorship contract which (a) includes player GLA rights; and/or (b) deviates from the requirements of this provision.
 - xi. GLA rights shall be limited to existing player photography. As such, player participation in photography or video shoots for GLA Sponsors shall be optional.
 - xii. A GLA Sponsor shall be limited to utilizing player images which have been approved by a player for WTA use. In addition, players shall have approval rights over the use of her images within the GLA Sponsor's advertising materials.
 - xiii. GLA rights covered by this provision do not include any player appearances or other personal services that may be rendered by players under the ACES Program, other Rules, or any personal contractual arrangements a player otherwise may have.
- c. Television Rights

Each player also conveys to the WTA Tour any television rights she may own in all WTA events in which she participates. This includes, but is not limited to, WTA Tournaments, Grand Slams (subject to their prior approval), and the WTA Finals.

8. Sponsorship Restrictions

Products that are distasteful or embarrassing to WTA members, including but not limited to tobacco (including electronic cigarettes and similar products), firearms, pornographic material, or similar items shall be prohibited as a player sponsor, without prior approval of the WTA.

C. CLOTHING AND EQUIPMENT

1. Definitions

a. Identification

For the purposes of this Section VII.C, “identification” means any sort of identification associated with, or intended to be associated with, a commercial sponsor, a clothing or equipment manufacturer, or any other person or entity, regardless of the trademark registration status of the identification, and shall include any and all forms of writing.

b. Commercial

For the purposes of this Section VII.C, “commercial” means any non-manufacturer of the clothing or equipment in question, including social media usernames, hashtags, and URLs.

c. Manufacturer

For the purpose of this Section VII.C, the “manufacturer” means the entity that distributes, or offers for sale, tennis racquets, clothing, strings, or shoes.

d. Standard Manufacturer Identification

A standard manufacturer identification is a manufacturer identification of a size typically manufactured on the clothing or equipment in question.

e. Player ID

For a tennis clothing collection that includes a player’s name, initials, or other identifier that is solely used for tennis clothing and accessories (“Player ID”), such Player ID may be used interchangeably with the clothing manufacturer identification wherever manufacturer identifications are permitted under this rule.

f. Size Determination

The size limitations of identifications in this section VII.C are ascertained by determining the area of the actual patch or other addition to a player’s clothing without regard to the color of the same. In determining the area, depending on the shape of the patch or other addition, a circle, triangle, or rectangle shall be drawn around the same, and the size of the patch for the purpose of this rule shall be

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

the area within the circumference of the circle or the perimeter of the triangle or rectangle as the case may be.

2. General Appearance

A player must present herself in a professional manner and wear appropriate tennis attire, at the discretion of the Supervisor or Referee, during practice, warm-up, and matches. A player may be asked to change if the Supervisor or Referee deems it necessary. Failure to do so may result in default from a Tournament and/or a fine.

A player's clothing and equipment must comply with the appearance and identification provisions contained in this Section C during a match or at any press conference or Tournament ceremony.

3. Clothing, Equipment, and Identification

No identification is permitted on players, their clothing, or equipment on court during a match or at any press conference or Tournament ceremony except as follows:

a. Shirts, Sweaters, Jackets

i. With Sleeves

Once a player has competed in the first match of her first WTA Tournament in a calendar year with a commercial identification on her shirt front or collar, she may not change commercial brands at any other WTA Tournaments that calendar year unless approved by WTA. No new commercial identification may be added to the shirt front for events following the US Open through the WTA Finals.

(a) Front, Collar, Back

Manufacturer or commercial identifications may be placed on the front, collar, and back as follows:

- (i) Two (2) manufacturer or commercial identifications, each not exceeding six (6) square inches (or 39 sq. cm), may be placed on the front or collar; or

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

square inches (26 sq. cm), may be placed on the back.

(b) Sleeves

Two (2) positions, each not exceeding six (6) square inches (39 sq. cm), are available on each sleeve for commercial or manufacturer identifications. A maximum of two (2) identifications may be placed in each position.

(c) Other

A clothing manufacturer identification without the name of the manufacturer or any other writing may be placed once or repeatedly within an area not to exceed 12 square inches (78 sq. cm) in one (1) of the following positions:

(i) On each of the shirt sleeves (which replaces one (1) of the positions available for commercial or manufacturer identifications on each shirt sleeve as described above);
or

(ii) Down the outer seams (side of torso) of the shirt.

Any player who chooses to have a clothing manufacturer identification appear in either area must wear the WTA or WTA/sponsor patch on her shirt as required in Section VII.C.5, without exception.

ii. Without Sleeves

Once a player has competed in the first match of her first WTA Tournament in a calendar year with a commercial identification on her shirt collar, she may not change commercial brands at any other WTA Tournaments that calendar year unless approved by WTA.

(a) Front, Collar, Back

Manufacturer or commercial identifications may be placed on the front, collar, and back as follows:

(i) Four (4) manufacturer or commercial identifications, each not exceeding six (6) square inches (39 sq. cm), may be placed on the front or collar of the shirt, provided that no more than three (3) identifications may be placed on the front and no more than two (2)

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

of the identifications on the front may be commercial identifications; or

- (ii) Three (3) manufacturer or commercial identifications, not exceeding six (6) square inches (39 sq. cm), may be placed on the front or collar and one (1) manufacturer identification, not to exceed four (4) square inches (26 sq. cm), may be placed on the back of the shirt, provided that no more than two (2) of the identifications on the front may be commercial identifications.

(b) Other

A clothing manufacturer identification without the name of the manufacturer or any other writing may be placed once or repeatedly within an area not to exceed 12 square inches (78 sq. cm) down the outer seams (side of torso) of the shirt.

Any player who chooses to have a clothing manufacturer identification appear down the outer seams must wear the WTA or WTA/sponsor patch on her shirt as required in Section VII.C.5, without exception.

iii. Other

A player's name and/or a number may be placed on the back of a shirt (with or without sleeves) with WTA approval in its sole discretion.

b. Skirts, Shorts, or Pants

Manufacturer identifications may be placed on skirts, shorts, or pants as follows:

- i. Two (2) manufacturer identifications only, neither of which exceeding two (2) square inches (13 sq. cm), may be placed on the front or back; or
- ii. One (1) manufacturer identification, which may not exceed four (4) square inches (26 sq. cm), may be placed on the front and one (1) manufacturer identification, which may not exceed four (4) square inches (26 sq. cm), may be placed on the back.

Leggings or compression shorts may be worn without a skirt, dress, or shorts as long as they reach mid-thigh at minimum and comply with the manufacturer identification restrictions above. (For leggings

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

or compression shorts worn underneath a skirt, dress, or shorts, see sub-Section d below.)

c. Dress

A dress, for the purposes of permissible identification, is treated as a combination of a skirt and shirt (dividing dress at waist).

d. Undergarments

For tennis undergarments, for compression sleeves, and for leggings or compression shorts worn under a skirt, dress, or shorts, two (2) manufacturer identifications of up to two (2) square inches (13 sq. cm) or one (1) manufacturer identification of up to four (4) square inches (26 sq. cm) may be visible in addition to the manufacturer identifications allowed on the applicable piece of clothing under which the undergarment is worn.

e. Footwear

Standard manufacturer identifications may be placed on each sock and shoe.

i. Grass Court Shoes

In Tournaments played on grass courts, players may wear only shoes with rubber soles and without heels, ribs, or coverings.

Players may wear special grass court shoes only with the express approval of the WTA; such approval will be granted only if the shoes comply with the following specifications:

(a) Diameter

The pimples or studs on the base of the sole are vertical from the outsole and have a maximum top diameter of three (3) millimeters and a minimum top diameter of two (2) millimeters.

(b) Height and Slope

The maximum height of the pimples or studs is two (2) millimeters from the base of the shoe.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

(c) Hardness and Maximum Number

The hardness of any pimple or stud is between fifty-five (55) and sixty (60) based on a shore "A" scale. The number of pimples per square inch is no less than fifteen (15) and no more than twenty-eight (28).

No pimples or studs may be visible when the shoe is placed on a flat horizontal surface and viewed vertically. The foxing/side wall can be contoured only in the medial forefoot and medial toe area but only within the following restrictions: the contoured area may begin in the transition area between the outsole and the sidewall but can only extend to a maximum of 1.5 cm up the sidewall as measured from the base of the outsole; and the contoured area must be smooth (not textured or undulating) but can be stepped with no more than five (5) steps, each no more than 1 mm in depth.

Forefoot and heel areas may be separated, but there should be no more than a 2 mm step in the outsole of the shoe.

As an alternative to the above specifications, players may use the special grass court shoes developed, tested, and approved by Wimbledon. Players desiring approval of special grass court shoes for WTA Tournaments must submit a sample shoe to the WTA at least ninety (90) days in advance of the grass court WTA Tournament at which they seek to wear such shoes.

ii. Clay Court Shoes

In Tournaments played on clay courts, players must wear tennis shoes generally accepted for play on clay courts or granular surfaces. The Supervisor has the authority to determine that a tennis shoe sole does not conform to such customs and standards and may prohibit its use at any WTA Tournament.

Grass court shoes may not be worn during a match on a clay court.

iii. Hard Court Shoes

In Tournaments played on hard courts, players' shoes must not cause damage to the court other than what is expected during the normal course of a match or practice. Damage to a court may be considered as physical or visible, which may include a

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

shoe that leaves a mark beyond what is considered acceptable. The Supervisor has the authority to determine that a shoe does not meet these criteria and may prohibit its use at any WTA Tournament.

f. Headwear and Wristbands

i. Commercial Identification

One (1) commercial identification, which may contain writing but may not exceed four (4) square inches (or 26 sq. cm), may be placed over the ear on the side of the headwear.

Once a player has competed in the first match of her first WTA Tournament in a calendar year with a commercial identification on her headwear, she may not change commercial brands at any other WTA Tournaments that calendar year unless approved by WTA.

ii. Manufacturer Identification

One (1) manufacturer identification, which may contain writing but may not exceed four (4) square inches (or 26 sq. cm), may be placed on headwear and wristbands.

g. Racquet

Standard identifications of the manufacturer of the racquet and/or strings are allowed on the racquet and the strings.

h. Bags, Towels, or Other Equipment or Paraphernalia

Standard identifications of the tennis equipment manufacturers, or the WTA Logo, are allowed on each item. In addition, two (2) commercial identifications on one (1) bag, neither of which exceeds six (6) square inches (39 sq. cm), are allowed.

i. Drink Containers

Players may use a reasonably sized drink container on court if the drink container:

- i. has no identifications; or
- ii. has one (1) manufacturer identification not exceeding four

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

(4) square inches (26 sq. cm.), provided that the container manufacturer:

- (a) is not a drink manufacturer; or
- (b) is also a drink manufacturer, and
 - (i) is the official drink sponsor of the Tournament; or
 - (ii) is not in the same beverage category as the advertised drink sponsor(s) of the Tournament.

j. Electronic Devices

A player is not allowed to use any electronic device from the start of warm-up to the end of the match (including during a toilet/change of attire break, Medical Time-Out, heat rule break, or any pause in play) unless it is approved by the WTA Supervisor/Referee; provided, however, that use of an electronic device is allowed while play is officially suspended. Use of any WTA-approved electronic device and/or ITF-approved Player Analysis Technology is subject to the coaching provisions and penalties in the Code of Conduct (see Section XVII.D.4.a.vii) and the WTA Coaching Rules (see Section XVIII.D) and the ITF Rules of Tennis regarding Coaching (Rule 30) and Player Analysis Technology (Rule 31, Appendix III). If there is a conflict between the WTA Rules and the ITF Rules of Tennis regarding electronic devices and related coaching, the WTA Rules and the decisions of the WTA Supervisor/Referee will control.

k. Other Events

Notwithstanding anything to the contrary, the identification by use of the name, emblem, logo, trademark, symbol, or other description of any tennis circuit, series or tennis exhibition, tennis special event or tournament other than the WTA, or any other sport or entertainment property may not appear on the player, her clothing, or her equipment at any WTA Tournament or the WTA Finals unless approved in advance by the WTA.

l. Sanctioned Entities

Players are prohibited from wearing or otherwise publicly displaying a Sanctioned Entity's identification on or off court during a WTA Tournament into which her entry has been accepted, whether at the Tournament site or not, or during any other WTA event in which she participates.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

m. General

All patches must be firmly and professionally attached at all points on the clothing or equipment. Players may not tape over patches.

If the use of any of the permitted identifications above would violate the sponsorship restrictions set forth in Section VII.B.8, the TACP, or any governmental regulation (including with respect to television), then the identification shall be prohibited.

4. Penalties

Any player who violates this Section VII.C may be ordered by the Chair Umpire, Referee, or Supervisor to change her attire or equipment immediately. Failure to comply with such an order may result in a fine and/or default from a Tournament.

A player who violates this Section VII.C and is not defaulted is subject to fines up to the following amounts:

Violation	WTA 1000 Mandatory	WTA 500	WTA 250	WTA 125
Unacceptable Attire	\$60,000	\$40,000	\$30,000	\$1,000
Other Event	\$60,000	\$40,000	\$30,000	\$5,000
Commercial Identification	\$60,000	\$40,000	\$30,000	\$2,000
Manufacturer Identification	\$60,000	\$40,000	\$30,000	\$500

*The maximum fine will double for each consecutive violation during the same calendar year.

Fine appeals must be filed within twenty-one (21) days from the date of notice.

5. WTA Patch Rule

a. Patch Requirement, Placement, and Size

Except as provided in sub-Section b below, each player must wear horizontally the WTA patch that the WTA designates for the entirety of every match she plays at WTA Tournaments in one (1) of the following visible locations:

- i. on the sleeve, chest, or front collar of her shirt or dress, and the WTA patch must be four (4) square inches (26 sq. cm) in size; or

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

- ii. on the front or side (over the ear) of her hat, headband, or other acceptable headwear (“headwear”), and the WTA patch must be three (3) square inches (19 sq. cm) in size.

While a player may comply with this Rule by wearing the patch in either location, the WTA prefers that she wear the patch on her shirt. In either location, the player may wear the WTA patch in addition to the maximum allowable number of manufacturer or commercial patches, and the clothing or headwear manufacturer may incorporate the WTA patch into the design and color scheme of the headwear subject to WTA approval of the visibility of the patch. Each player is responsible for having the patch visible and properly adhered to her clothing or headwear for the entirety of her match. WTA staff members are not responsible for delivering patches to players on court but may do so at their discretion.

- b. Exception - Player Clothing Contracts Prohibiting Non-Manufacturer Identification

If a player has a clothing manufacturer contract that prohibits her from wearing any identification other than manufacturer identification in the locations in sub-Sections a.i and a.ii above (or in sub-Section a.ii and the player does not wear headwear consistently during the match), then the WTA may require her to provide benefits commensurate with the value of wearing the patch, including but not limited to:

- i. one (1) or more full days of WTA appearances when the player is not at a Tournament;
- ii. participation in one (1) or more Pro-Ams or clinics when the player is not at a Tournament; or
- iii. appearances/endorsements in one (1) or more WTA advertisements.

In addition, subject to the player’s clothing manufacturer contract, the WTA requests that any player claiming this exception uses reasonable efforts to wear the WTA patch in a less prominent place (e.g., on her shorts, skirt, strap, wristband, etc.). A player’s performance of such benefits does not entitle her to any compensation from the WTA and is in addition to her ACES commitments.

A player claiming this exemption must submit to the WTA written proof of the clothing manufacturer contract to substantiate her claim, which the WTA may accept or reject in its reasonable discretion.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

c. Non-Compliance During Matches

If contractually permitted, any player who does not wear a WTA patch throughout a WTA Tournament match also must participate in the WTA identification program, which includes but is not limited to:

- i. wearing the WTA patch on her shirt during post-match press appearances and commitments;
- ii. carrying a WTA-branded water bottle or towel (subject to individual Tournament approval); or
- iii. wearing a headband or hat conforming to the requirements in sub-Section a.ii above onto court before matches and during post-match press appearances and commitments.

d. Patch Rule Violations

Violation of any provision of this Rule will subject a player to the following sanctions (which accrue on an annual Tour Year basis):

Violation	Penalty
1st Offense	Official Warning
2nd Offense	\$100
3rd Offense	\$500
4th+ Offense	Fine up to \$25,000 in the WTA's discretion
Not wearing the patch for the duration of the match	\$100 (after 5 warnings)
Violation in any televised match from quarterfinals on, regardless of whether there have been prior violations	Fine up to \$50,000 in the WTA's discretion

Failure to provide the benefits in sub-Section b above will subject a player to the sanctions in the chart above for each match at which she does not wear the patch.

e. Appeals

Fine appeals must be filed within twenty-one (21) days after the date of notice.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

D. TOILET/CHANGE OF ATTIRE BREAKS

A player may request permission to leave the court for a toilet break, a change of attire break, or both, (“Authorized Break”) but for no other reason.

1. Number of Authorized Breaks Allowed

a. Singles

Each player is entitled to a maximum of one (1) Authorized Break per match.

b. Doubles

Each team is entitled to a maximum of two (2) Authorized Breaks per match. If partners leave the court together, it counts as one (1) of the team’s Authorized Breaks.

2. Timing of Breaks

a. A player may take an Authorized Break at the following times only:

Authorized Break	Timing	Time Limit*
Toilet break only	On a set break or before the player’s own service game	3 minutes
Change of attire break only	On a set break	5 Minutes
Change of attire break taken with a toilet break	On a set break	5 Minutes

*An Authorized Break is timed from when the player enters the toilet or change area to when she leaves the toilet or change area.

b. If a player’s Authorized Break exceeds the allowed time, she will be penalized with back-to-back Time Violations in accordance with Section VII.G.2.a.

c. Breaks taken beyond a player’s or team’s Authorized Break(s) or taken at times other than those permitted for Authorized Breaks (“Additional Breaks”) will be penalized with back-to-back Time Violations in accordance with Section VII.G.2.a if the player or team is not ready to play within the applicable time.

d. Any time a player leaves the court for a toilet break or change of attire break after a warm-up has started, it is considered an Authorized Break or Additional Break, regardless of whether the player’s opponent has left the court.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

- e. A player may not take a toilet break or change of attire break and a Medical Time Out consecutively, unless approved by the Referee/Supervisor.

3. Denial of a Player Request

The Referee and/or Supervisor shall have the authority to deny a player permission to leave the court during a match for a toilet break if it is interpreted by the Referee and/or Supervisor as gamesmanship and/or flagrant abuse of the Rules.

4. Abuse of Rule

Players will be penalized in accordance with the Point Penalty Schedule for any abuse of this Rule. (See Section XVIII.A.23 - Officials and Officiating; see also Section B.1 of Appendix B - Supervisor.)

E. WTA MEDICAL RULE

F. CODE OF CONDUCT

An on-court code offense, under the Code of Conduct, may be declared by the Chair Umpire acting on his or her own or when instructed by either the Supervisor or Referee.

For full information, see Section XVII - Code of Conduct.

G. CONTINUOUS PLAY

1. Start of Match Violations

A player will receive a warning for her first violation and a \$250 fine for each subsequent violation per Tournament of the following time limits:

Warm-up (time starts at the conclusion of the pre-match meeting)	4 minutes
Start of play (time starts at the conclusion of warm up)	60 seconds

2. In-Match Violations

Monetary fines are not applicable.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

Breaks in Play	Time Limit
Between points	25 seconds
Change of ends	90 seconds (120 seconds for TV change of ends)
Set breaks	120 seconds
Heat rule break between 2nd and 3rd singles sets	10 minutes

A serving player will receive a Time Violation warning for the first offense and a Time Violation fault for all subsequent infractions thereafter. A receiving player will receive a Time Violation warning for the first offense and a Time Violation loss of point for all subsequent infractions thereafter.

A player may not receive back-to-back Time Violations, and consecutive delays shall be penalized by a Delay of Game Code Violation (see sub-section b below); except, however, that if a player is late after the ten- (10) minute heat rule break, an Authorized Break, or an Additional Break, then she may receive back-to-back Time Violations and, after she receives a Time Violation warning for the first offense of a match, she will receive a Time Violation loss of point for all subsequent offenses resulting from such break regardless of whether she is the server or receiver.

b. Code Violation

A Delay of Game Code Violation shall be assessed in accordance with the Point Penalty Schedule when a violation occurs immediately after (i.e., before the next point is played) a medical treatment or Medical Time-Out (see Section XVIII.B.6.c) or is a result of a refusal to play, not returning to the court within the allowed time (see Sections VII.D.2.b), or a consecutive delay other than those that receive back-to-back Time Violations (see sub-section a above).

H. HINDRANCE RULE

A hindrance may result from a corrected call by an official or an event on the court that may be ruled involuntary or deliberate. Any continual distraction of regular play, such as grunting, shall be dealt with in accordance with this Section H.

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

1. Corrected Call

- a. If a call is corrected from “Good” to “Out,” then the point is ended and there is no hindrance.
- b. If a call is corrected from “Out” to “Good,” then a let must be called unless the Chair Umpire determines in his/her sole discretion that the ball was a clear ace or a clear winning shot that the player could not have retrieved. If there is any reasonable possibility that the ball could have been played, then the player must be given the benefit of the doubt.
- c. If a foot fault is called before a serving player hits the ball, then a let must be called.

2. Involuntary Hindrance

- a. A let should be called the first time a player has created an involuntary hindrance (e.g., ball falling out of pocket, hat falling off, etc.), and the player should be told that any such hindrance thereafter will be ruled deliberate.
- b. A let should be called if a player is hindered by an event outside of her control (e.g., ball rolling onto the court, paper blowing onto the court, etc.) during play or her service motion.
- c. Noise, “out” calls, or other similar distractions from spectators are not considered a hindrance and the point should stand as played.

3. Deliberate Hindrance

Any hindrance caused by a player that is ruled deliberate will result in the loss of a point.

I. DEFAULTS

1. Procedure

- a. The Supervisor may declare a default for either a single violation of the Code of Conduct or pursuant to the Point Penalty Schedule set out in the Code of Conduct.
- b. If no later than the end of the next change of ends the Chair Umpire receives a report of a serious violation that may warrant an immediate default, the Chair Umpire may call the Supervisor to discuss an

PLAYERS

SECTION VII - PLAYER RESPONSIBILITIES/ON-COURT RULES AND PROCEDURES

immediate default. The Supervisor may declare an immediate default for a violation witnessed or not witnessed by the Chair Umpire.

- c. In all cases of default, the Supervisor's decision shall be final and non-appealable.
- d. Except as excluded below, a default assessed for violation of the Code of Conduct by a doubles player shall be assessed against both players on the team.

2. Penalties

- a. See Defaults under Section XVII.D.8 - Code of Conduct. (Also see Section XVIII.B.5.d - Resumption of Play and Penalties for Rule Violations.)
- b. Any player who is defaulted as per the Code of Conduct shall lose all prize money and ranking points earned for that event at that Tournament, in addition to any or all other fines levied with respect to the offending incident.
- c. In addition, at the Supervisor's discretion, any player who is defaulted (or partner of a doubles player who is defaulted) for a single violation of the Code of Conduct which causes or could have caused an immediate default as per the Code of Conduct may be defaulted from all other events, if any, in that Tournament, except when the offending incident:
 - i. Involves only a violation of the Punctuality or Clothing and Equipment provisions;
 - ii. Results from a medical condition; or
 - iii. Involves a member of a doubles team who did not cause any of the misconduct which resulted in the team being defaulted, in which case, such doubles player shall receive ranking points and prize money from the previous round.

J. FINE APPEALS

Fine appeals must be filed within twenty-one (21) days from the date of notice.

WTA RANKING SYSTEM

VIII. WTA RANKING SYSTEM

A. GENERAL

1. Description

All Rules in this Section VIII are subject to the Rules in Section VI regarding the WTA Finals.

2. Eligibility

a. Age Requirements

i. Players under the age of 14

Players under the age of 14 cannot obtain a WTA Ranking. If a player under the age of 14 plays singles or doubles in a Tournament, that Tournament and the points acquired during play will not be counted for ranking purposes for that player.

ii. Players aged 14 through 17

If a player plays singles or doubles in a Tournament that exceeds the number permitted to be played under the Age Eligibility Rule (see Section X.A), that Tournament and the points acquired during play will not be counted for ranking purposes for that player.

b. Number of Tournaments

Players must earn (i) ranking points in at least three (3) valid Tournaments, or (ii) a minimum of ten (10) singles ranking points or ten (10) doubles ranking points in one (1) or more valid Tournaments, in order to appear on the WTA Rankings.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

3. Processing of Rankings

- a. WTA 1000 Mandatory, WTA 500, WTA 250, and WTA 125 Tournaments

WTA 1000 Mandatory, WTA 500, WTA 250, and WTA 125 Tournaments are processed on a weekly basis, except that rankings are not processed during two (2)-week events.

Year-End Rankings are processed immediately after the WTA Finals.

- c. ITF W100, W80, W60, and W40 Events

If an ITF W100, W80, W60, or W40 event is completed by 11:59 p.m. U.S. Eastern time on the Sunday of that week or 11:59 p.m. U.S. Eastern time on the Saturday preceding a Grand Slam event, such Tournament is processed in the current week's rankings.

If the Singles Final only of an ITF W100, W80, W60, or W40 event is not completed by Sunday 11:59 p.m. U.S. Eastern time or Saturday 11:59 p.m. U.S. Eastern time preceding a Grand Slam event, the current week's rankings will include the event results through the semifinals, plus each of the singles finalists will receive finalist points in the current week's rankings. The winner's points will be adjusted in the next rankings.

- d. ITF W25 and W15 Events

ITF W25 and W15 events are processed a minimum of one (1) week following the completion of the tournament.

- e. Points stay valid for 52 weeks from the week in which a Tournament is included in the WTA Rankings totals, except that ranking points a player earns from a WTA Finals drop off upon the Monday after the final WTA Tournament occurring before the start of the following year's WTA Finals.

4. Tournament Results Comprised in Rankings

a. Singles

i. Tournaments

Subject to the Long-Term Injury Rule and Special Ranking Rule, a player's WTA Singles Ranking is determined by calculating her total ranking points, including any applicable zero (0) ranking point results pursuant to Section II.A, from eighteen (18) Tournament results during a rolling, 52-week period, which must include:

- four (4) Grand Slams;
- six (6) WTA 1000 Mandatory combined/virtually combined Tournaments;
- one (1) WTA 1000 Mandatory Tournament (WTA only);
- best seven (7) results from all WTA 1000 Mandatory, WTA 500, WTA 250, and WTA 125 Tournaments and ITF W15+ events; and
- if she played the WTA Finals, the player's results will be added to her total points as a bonus Tournament.

For each Grand Slam or WTA 1000 Mandatory Tournament that a player is not required to count on her ranking as described below, the number of results from all other Tournaments that count on her ranking is increased by one (1).

(a) Grand Slams and WTA Finals

If a player is accepted into the Main Draw of a Grand Slam or the WTA Finals as a direct acceptance (or would have been a direct acceptance but for a period of ineligibility), as a Qualifier, as a Special Exempt, as a Lucky Loser, or by Special Ranking, her ranking point result (including zero (0) ranking point results) for that Tournament must count on her ranking and remain on her ranking for 52 weeks regardless of whether she participates in that Tournament; provided, however, that if a player enters using her Special Ranking and withdraws before the start of Qualifying, she will not receive a zero (0) ranking point result for that Tournament.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

If a player is accepted into the Main Draw of a Grand Slam by Wild Card, her ranking point result for that Tournament must count on her ranking only if she participates in that Tournament.

(b) WTA 1000 Mandatory Tournaments

Any zero (0) ranking point results received from a WTA 1000 Mandatory Commitment Tournament must count on a player's ranking and remain on her ranking for 52 weeks unless and until she is meeting her WTA 1000 Mandatory Commitment Tournament requirements for that Tour Year.

(c) WTA 500 Tournaments

Any zero (0) ranking point results received from a WTA 500 Commitment Tournament must count on a player's ranking but are replaced once the player has results from a WTA 500 Tournament the following Tour Year.

ii. Long-Term Injury

(a) Definition

A Long-Term Injury is an absence from play in any form of women's professional tennis, including WTA Tournaments, Grand Slams, Billie Jean King Cup, Women's ITF World Tennis Tour events, and any Exhibition/Non-WTA Event ("Professional Tennis") due to a Medical Condition (as defined in Section IV.A.7.a) for at least eight (8) consecutive weeks within the calendar year, counting from the player's last Tournament played.

(b) Qualification

In order to qualify for a Long-Term Injury, if requested a player must submit a WTA Medical Information Form to WTA Operations, which must be written in English, and completed by an accredited physician, indicating the nature of the Medical Condition and verifying that the player is unable to play for at least eight (8) consecutive weeks.

(c) Application of Zero Ranking Point Results

If a player qualifies for a Long-Term Injury,

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- (i) she must count on her ranking all applicable zero (0) ranking point results received from Grand Slams and the WTA Finals;
- (ii) she is not required to count on her ranking any zero (0) ranking point results received from WTA 1000 Mandatory Tournaments that occurred during her Long-Term Injury; and
- (iii) such player's WTA 500 Commitment Tournament requirement is:
 - reduced to a maximum of four (4) WTA 500 Commitment Tournaments if her Long-Term Injury is at least eight (8) consecutive weeks but less than sixteen (16) consecutive weeks within the calendar year;
 - reduced to a maximum of two (2) WTA 500 Commitment Tournaments if her Long-Term Injury is at least sixteen (16) consecutive weeks but less than twenty-six (26) consecutive weeks within the calendar year; and
 - reduced to zero (0) WTA 500 Commitment Tournaments if her Long-Term Injury is at least twenty-six (26) consecutive weeks within the calendar year;

provided, however, that if the player does not participate in Professional Tennis after the US Open of a calendar year (Week 36) because of her Long-Term Injury and subsequently participates in Professional Tennis (including Exhibition/Non-WTA Events) before the second Monday after the completion of the WTA Finals of that calendar year (Week 46), then all zero (0) ranking point results she received after the US Open of that calendar year must count on her ranking.

Note: all zero (0) ranking point results will be applied to a player's ranking per the Rules until the player's absence from play reaches eight (8) consecutive weeks and she meets the qualification requirements in sub-Section (b) above, then the zero (0) ranking point results will be replaced or removed as applicable.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

iii. Lifted Provisional Suspensions

If a player receives a zero (0) ranking point result while provisionally suspended under the Integrity Rules and subsequently the provisional suspension is lifted, then

- (a) she must count on her ranking all applicable zero (0) ranking point results received from Grand Slams; and
- (b) she is not required to count on her ranking any zero (0) ranking point results received from WTA 1000 Mandatory or WTA 500 Tournaments that occurred during her provisional suspension.

b. Doubles

A player's WTA Doubles Ranking is determined by calculating her total points from her best twelve (12) Tournament results during a rolling, 52-week period.

5. Number of Tournament Ranking Points Awarded

The following table details the number of ranking points awarded to players by round, including Qualifying, and by Tournament for both singles and doubles play. See Section VI and Appendix K for ranking points awarded at the WTA Finals and United Cup respectively.

B. RULES AND PROCEDURES

1. Ranking Order

Players are ranked on the basis of their total ranking points in accordance with Section VIII.A.

2. Ranking Points Generally

- a. Players are awarded ranking points for the highest round they reach.
- b. Players who receive Wild Cards receive the same ranking points as any other player.
- c. Qualifiers earn Main Draw ranking points based on the highest round reached in the Main Draw plus the ranking points specified in the Qualifier (QLFR) column on the ranking points table in Section VIII.A.5, except that:
 - i. Qualifiers who have not played a match in the Qualifying Draw and advance to the Main Draw will receive only Main Draw points.
 - ii. Qualifiers who lose in the first round of the Main Draw will receive only Qualifier points.
- d. Lucky Losers earn Main Draw ranking points based on the highest round reached in the Main Draw plus the ranking points earned in Qualifying, unless they lose in the first round of the Main Draw, in which case they receive only the ranking points earned in Qualifying.

3. Withdrawals, Byes, Walkovers, and Defaults

- a. Withdrawals
 - i. Singles
 - (a) If a player withdraws or is withdrawn automatically from a Tournament before playing her first match, she will not receive ranking points unless it is a Grand Slam or a Commitment Tournament, in which case she will receive zero (0) points and the Tournament will count on her ranking.
 - (b) If a player withdraws from a Tournament after the start of her first match, she will receive ranking points for reaching

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

the round in which she withdrew, except that a Qualifier who withdraws in the first round of the Main Draw will receive only Qualifier points.

ii. Doubles

- (a) If a team withdraws from a Tournament before playing their first match, they will not receive ranking points.
- (b) If a doubles team withdraws from a Tournament after the start of their first match, they will receive ranking points as follows:
 - (i) the non-withdrawing partner will receive ranking points per the round her partner withdrew; and
 - (ii) the partner causing the withdrawal will receive ranking points from the previous round, unless one of the following apply, in which case the withdrawing partner will receive ranking points per the round she withdrew:
 - the player withdraws/retires from a singles match which was scheduled during the same Tournament;
 - the player is declared unfit to play singles or doubles at the same Tournament;
 - the player also withdraws from playing singles in a Tournament to be held the following week at the time she withdraws from doubles; or
 - the player does not play singles in a tennis event the following week.
 - (iii) The team will receive points per the round they withdrew towards their Final Race Standings.

b. Byes

- i. If a player or team receives one (1) or more consecutive byes and loses her/their first match played, the player or team will receive first round losers' points.
- ii. If a player or team receives one (1) or more consecutive byes and defaults or withdraws from her/their first match, the player or team will not receive ranking points unless it is a WTA

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

1000 Mandatory Tournament, Grand Slam, or Commitment Tournament, in which case she will receive zero (0) points and the Tournament will count on her ranking.

- c. Walkovers
 - i. If a player or team receives a walkover in the first round, and there is no Alternate or Lucky Loser to take the spot, the player or team will receive ranking points from the round preceding her/their elimination.
 - ii. If a player or team receives a walkover in a subsequent round without having yet played a match, the player or team will receive ranking points from the round preceding her/their elimination.
 - iii. If a player or team receives a walkover in any round except the first round after having played and won a match, the player or team will receive ranking points for the round reached.

d. Defaults

For any disciplinary default occurring in a Tournament after the match begins,

- i. The advancing player or team will receive ranking points for the round reached; and
- ii. The defaulting player or team will lose all ranking points earned for that event at that Tournament, except that if one member of a doubles team did not cause the default, she will receive ranking points from the previous round.

4. Tournament Cancellation or Early Termination

a. Tournament Cancellation Without Play Occurring

If the singles or doubles event of a Tournament is cancelled, and there has been no play, players will not receive any ranking points.

b. Tournament Cancellation After Play Has Begun

If play has commenced and is terminated before the first round is completed, players will not receive any ranking points. However, if the first round has been completed, all players will receive ranking points earned through the last completed round.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

c. **Tournament Cancellation Without Completion of Finals**

If a Tournament is officially terminated before the finals have been completed, each finalist will receive finalist's ranking points.

5. Tie-breaking Procedures

a. **Singles**

When two (2) or more players have the same number of ranking points, the tie for the ranking position will be decided according to the following priorities:

- i. The player with the most combined total points from Grand Slams, WTA 1000 Mandatory Tournaments, and the WTA Finals;
- ii. The player with the most total points from all WTA Tournaments (including the WTA Finals) and Grand Slams;
- iii. The player with the fewest number of Tournaments in a 52-week period (counting any Tournaments for which she received a zero (0) ranking point result); and
- iv. The highest number of points from one (1) Tournament, then if needed, the second highest and so on.

b. **Doubles**

When two (2) or more players have the same number of ranking points, the tie for the ranking position will be decided according to the following priorities:

- i. If two (2) of the players have the same ranking points and they earned their best eleven (11) doubles results in the previous 52-week period as a team, then the players will be tied for the same ranking position based on those best eleven (11) doubles results in that 52-week period;
- ii. The player with the most total points from all WTA and Grand Slam Tournaments, including the WTA Finals;
- iii. The player with the fewest number of Tournaments in a 52-week period; and

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- iv. The highest number of points from one (1) Tournament, then if needed, the second highest and so on.

If the results of all tie-breaks under a or b are the same, the rank for such players will be considered tied for that ranking position. The WTA Rankings will list the tied players alphabetically, last name followed by first name. If both the first and last names are the same, the players will be listed according to whichever player is encountered first during the ranking process.

C. WTA SPECIAL RANKING RULE

1. Definitions

Unless the context otherwise requires, the following capitalized terms in this Section VIII.C have the following meanings:

- a. "Additional Seed" means a player in the Main Draw who does not play another seeded player in the first-round of that draw.
- b. "Medical Condition" means a medical illness or a musculoskeletal injury that warrants medical evaluation or medical treatment.

- d. "Out-of-Competition Period" means a period during which a player is Out of Competition because of a Medical Condition, Pregnancy, or Parental Start for a minimum of twenty-six (26) weeks, which for a particular player is calculated using the last day of the last Tennis Event that she played or at which she received prize money, whichever is later, and the date of her Return to Competition.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

A player may not count any period of suspension or period of ineligibility for violation of the Rules, TADP, or TACP toward her Out-of-Competition Period.

- e. "Parental Start" means adoption, surrogacy, or becoming the legal guardian of a person under the age of eighteen (18).
- f. "Pregnancy" means the medically-diagnosed condition of being pregnant.
- g. "Return to Competition" means the earlier of:
 - i. playing or competing in
 - (a) any Tennis Event other than an Exhibition/Non-WTA Event for which a player was granted a waiver pursuant to sub-Section 6 below; or
 - (b) any other organized sport; or
 - ii. acceptance into a Tournament using a Special Ranking and subsequently using a Prize Money Withdrawal; or
 - iii. for a Special Ranking for a Parental Start, the date that is 52 weeks after the beginning of a player's original Out-of-Competition Period; or
 - iv. the date that is 104 weeks after:
 - (a) for a Special Ranking for a Medical Condition, the beginning of a player's original Out-of-Competition Period; or
 - (b) for a Special Ranking for Pregnancy, the end of the Pregnancy.
- h. "Special Ranking" means a player's ranking as of the WTA Rankings published immediately after:
 - i. the points of the last Tournament she played before her Out-of-Competition Period began have been added to the WTA Rankings (see Section VIII.A.3 – Processing of Rankings); or
 - ii. the last Tennis Event she played or at which she received prize money, whichever is later, before her Out-of-Competition Period began.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- i. “Special Ranking Application” has the meaning that Section VIII.C.3.a assigns to that term.
- j. “Special Ranking Period” has the meaning that Section VIII.C.5.b.ii assigns to that term.
- k. “Tennis Event” means any WTA Tournament, Grand Slam, ITF (including World Tennis Tour and Billie Jean King Cup) event, Olympic or Olympic Qualification event, or Exhibition/Non-WTA Event, regardless of whether ranking points are awarded.

Unless the context otherwise requires, all other capitalized terms in this Section VIII.C have the meanings that these Rules assign to those terms.

2. Eligibility

To be eligible for a Special Ranking in either singles or doubles, a player must:

- a. have an Out-of-Competition Period;
- b. have a WTA Ranking of 1-750 in singles or doubles immediately after the points of the last Tournament she played have been added to the WTA Rankings (see Section VIII.A.3 – Processing of Rankings);
- c. submit documentation of a Medical Condition, Parental Start, or Pregnancy in accordance with this Section VIII.C.

For clarity, unless granted a waiver to participate in an Exhibition/Non-WTA Event pursuant to sub-Section 6 below, if a player participates in a Tennis Event or competes in any other organized sport within twenty-six (26) weeks of the purported start of her Out-of-Competition Period, she is not eligible for a Special Ranking.

3. Application Procedure and Timing

- a. Application

To apply for a Special Ranking, a player must submit the following documentation (“Special Ranking Application”) in English to WTA Operations for approval:

- i. a completed and signed Special Ranking application form;
- ii. a public release statement;

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- iii. if applicable, medical documentation, including:
 - (a) the diagnosis of the Medical Condition or Pregnancy;
 - (b) a copy of clinical visit documentation;
 - (c) physician's notes/documentation; and
 - (d) all relevant laboratory tests and applicable surgical reports; and
- iv. if applicable, evidence (e.g., legal documentation) demonstrating the Parental Start.

WTA in its sole discretion reserves the right to require a player to submit additional documentation to verify the Medical Condition, Parental Start, or Pregnancy. If a player is applying for a Special Ranking for more than one (1) Medical Condition or for a combination of a Medical Condition(s) and a Parental Start or Pregnancy, she must submit documentation for each Medical Condition and Parental Start or Pregnancy.

b. Timing

Each player applying for a Special Ranking must submit her Special Ranking Application:

- i. within twenty-six (26) weeks after the start of her Out-of-Competition Period; and
- ii. at least thirty (30) calendar days before the entry deadline for the first Tournament that she wants to enter using her Special Ranking.

4. Requests for Subsequent Status Reports and Documentation Handling

WTA may request subsequent medical and legal (as applicable) status reports written in English, and if a player fails to comply promptly with such requests, the WTA may revoke her Special Ranking. WTA will keep all medical and legal documentation confidential.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

5. Usage Criteria and Guidelines

a. Number of Tournaments

A player whose Out-of-Competition Period is at least twenty-six weeks but less than thirty-nine (39) weeks may use her Special Ranking in up to eight (8) Tournaments (singles or doubles, as applicable). A player whose Out-of-Competition Period is at least thirty-nine (39) weeks but less than fifty-two (52) weeks may use her Special Ranking in up to ten (10) Tournaments (singles or doubles, as applicable). A player whose Out-of-Competition Period is fifty-two (52) weeks or longer may use her Special Ranking in twelve (12) Tournaments (singles or doubles, as applicable).

A player may use her Special Ranking to participate in a maximum of five (5) WTA 1000 Mandatory Tournaments and two (2) Grand Slams as part of her maximum Tournaments to use her Special Ranking, and she may use her Special Ranking to participate in each WTA 1000 Mandatory Tournament and Grand Slam only one (1) time per Special Ranking.

b. Timing

- i. The earliest a player's Return to Competition may occur is in a match scheduled during the same calendar week in which her Out-of-Competition Period reaches twenty-six (26) weeks.
- ii. A player has fifty-two (52) weeks from the date of her Return to Competition to use her Special Ranking ("Special Ranking Period").
- iii. The latest a player may use her Special Ranking is at a Tournament scheduled the same calendar week in which her Special Ranking expires.
- iv. If a player has both singles and doubles Special Rankings, her Return to Competition for both Special Rankings begins at the same time.

c. Procedures

i. Special Ranking Freeze Petition

(a) Subsequent Medical Condition

If any player's Return to Competition occurs and before

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

her Special Ranking expires she subsequently is Out of Competition for a minimum of thirteen (13) weeks because of a Medical Condition, she may request to “freeze” her Special Ranking Period by completing and submitting another Special Ranking Application; provided, however, that regardless of any “freeze,” a player’s Special Ranking expires no later than the date that is 156 weeks after:

- (i) for a Special Ranking originally for a Medical Condition or Parental Start, the beginning of a player’s original Out-of-Competition Period; and
- (ii) for a Special Ranking originally for Pregnancy, the end of the Pregnancy.

(b) Subsequent Pregnancy or Parental Start

If before a player’s Special Ranking expires (but regardless of whether her Return to Competition has occurred) she subsequently is Out of Competition for Pregnancy or a Parental Start, she may complete and submit another Special Ranking Application to request either:

- (i) to “freeze” her Special Ranking Period for her current Special Ranking until the date that is 104 weeks after the end of her Pregnancy or 52 weeks after the beginning of her Out-of-Competition Period for a Parental Start; or
- (ii) a new Special Ranking.

(c) Restrictions

- (i) A player may not “freeze” her Special Ranking during any period of suspension for violation of the Rules, TADP, or TACP.
- (ii) A player may “freeze” her Special Ranking Period a maximum of two (2) times per Special Ranking. Upon a player’s second and third Return to Competition, she will have the same number of Tournaments and the same time remaining in her Special Ranking Period and the same number of Tournaments remaining in which to use her eligibility as an Additional Seed as she had when the “freeze” went into effect.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

ii. Tournament Entry and Acceptance

A player must submit all requests to use her Special Ranking to enter WTA Tournaments, Grand Slams, or Women's ITF World Tennis Tour events to WTA Operations by the applicable WTA or Grand Slam entry deadline or by the Monday prior to the applicable ITF entry deadline. The WTA will not accept requests submitted after entry deadlines.

A player may use her Special Ranking and actual WTA Ranking interchangeably for singles entry and Doubles Advance Entry, but she may not change the ranking she uses to enter a Tournament after that Tournament's entry deadline; provided, however, that if a player enters a WTA Tournament, a Grand Slam, or Women's ITF World Tennis Tour event with her Special Ranking and she would have been accepted into that Tournament using her actual WTA Ranking as of the completion of the first round of Qualifying (or if no Qualifying, then as of the completion of the first round of Main Draw), then her Special Ranking entry will not count towards her maximum Tournaments to use her Special Ranking. If multiple players with the same WTA Ranking enter the same Tournament, the player using her actual WTA Ranking will be accepted before the player using her Special Ranking.

(a) All WTA Tournaments

If a player has both a singles and doubles Special Ranking and she uses her singles Special Ranking for on-site entry into the doubles competition of a WTA Tournament, it will not count toward her maximum allowed singles entries at Tournaments using her singles Special Ranking (but will count toward her maximum allowed doubles entries at Tournaments using a Special Ranking). If a player uses her singles Special Ranking to enter singles (Main Draw or Qualifying) and doubles at the same WTA Tournament, such entries count as one (1) of her maximum allowed singles entries and as one (1) of her maximum allowed doubles entries at Tournaments under the Special Ranking Rule. If a player only has a singles Special Ranking and she uses it for on-site entry into the doubles competition of a WTA Tournament, it will count toward both her maximum allowed singles entries and her maximum allowed doubles entries at Tournaments using her singles Special Ranking.

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

(b) WTA 1000 Mandatory Tournaments

If a player enters and is accepted into the singles Main Draw of a WTA 1000 Mandatory Tournament using her Special Ranking and she subsequently withdraws after the applicable withdrawal deadline in Section VIII.C.5.e below, she will receive zero (0) ranking points for the Tournament, which must count as one (1) of her best sixteen (16) Tournament results in calculating her WTA Ranking.

If a player has a Special Ranking, her Return to Competition has not yet occurred, and her actual WTA Ranking automatically enters her into a 2-week WTA 1000 Mandatory Tournament, then:

- (i) her Return to Competition may occur at a WTA 125 Tournament or Women's ITF World Tennis Tour event during the second week of that WTA 1000 Mandatory Tournament; and
- (ii) she will not be subject to any Late Withdrawal fines or any prohibition against withdrawing from one Tournament to play another (see Section IV.A) for her failure to play that WTA 1000 Mandatory Tournament, except that she will receive zero (0) ranking points for the Tournament, which must count as one (1) of her best sixteen (16) Tournament results in calculating her WTA Ranking.

(c) WTA Finals

A player may not qualify for the WTA Finals using a Special Ranking.

(d) Grand Slams

A player may use her singles Special Ranking to enter doubles and/or mixed doubles at a Grand Slam, which will not count toward her two (2) allowed singles entries at Grand Slams using her singles Special Ranking (but will count toward her two (2) allowed doubles entries at Grand Slams using a Special Ranking).

If a player uses her singles or doubles Special Ranking to enter only mixed doubles at a Grand Slam, such entry counts as one (1) of her two (2) allowed doubles entries at Grand Slams under the Special Ranking Rule. If a player uses her

SECTION VIII - WTA RANKING SYSTEM

singles or doubles Special Ranking to enter doubles and mixed doubles at the same Grand Slam, such entries count as one (1) of her two (2) allowed doubles entries at Grand Slams under the Special Ranking Rule.

If a player enters the singles Main Draw of a Grand Slam using her Special Ranking and she subsequently withdraws after the applicable withdrawal deadline in Section VIII.C.5.e below, she will receive zero (0) ranking points for the Grand Slam, which must count as one (1) of her best sixteen (16) Tournament results in calculating her WTA Ranking.

(e) Olympics

A player may use her Special Ranking for acceptance into the Olympic tennis event, which will count as one (1) of her maximum Tournaments to use her Special Ranking.

d. Automatic Entry into WTA 1000 Mandatory Tournament

WTA does not automatically enter a player into a WTA 1000 Mandatory Tournament using her Special Ranking. To enter a WTA 1000 Mandatory Tournament using her Special Ranking, a player must notify WTA Operations in writing before the applicable entry deadline.

e. Tournament Withdrawal

If a player is accepted into a Tournament using her Special Ranking but withdraws from singles or doubles by any method other than a Prize Money Withdrawal, then the Tournament will not count as one (1) of her maximum Tournaments to use her Special Ranking, but she is subject to all withdrawal requirements, any applicable Late Withdrawal or No-Show fines, and any resulting zero (0) ranking point results on her WTA Rankings.

f. Wild Cards

If a player is accepted into a Tournament using her Special Ranking, she may accept a Wild Card into such Tournament before 4:00 p.m. tournament local time on the day of the Qualifying Sign-In.

g. Seeding

A player's Special Ranking may qualify her as an Additional Seed at any WTA Tournament according to this Section; provided, however,

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

that regardless of any “freeze,” a player’s eligibility as an Additional Seed expires no later than the date that is: (i) for a Special Ranking originally for a Medical Condition, 156 weeks after the beginning of a player’s original Out-of-Competition Period; (ii) for a Special Ranking originally for Pregnancy, 156 weeks after the end of the Pregnancy; and (iii) for a Special Ranking originally for a Parental Start, 104 weeks after the beginning of a player’s original Out-of-Competition Period.

i. Singles

Upon a player’s Return to Competition, if she is accepted into the singles Main Draw of a WTA Tournament, her singles Special Ranking is 1-100, and her Special Ranking would qualify her for seeding in the draw (regardless of whether she was accepted using her Special Ranking), then she will be an Additional Seed in the draw, subject to the procedures below and in Section V.A.6.c.ii:

- (a) A player is eligible as an Additional Seed only at the first eight (8) WTA Tournaments after her Return to Competition;
- (b) Only singles Main Draws of 28, 30, 32, 56, 60, and 64 may contain Additional Seeds; singles Main Draws of 48 and 96 cannot contain Additional Seeds; and
- (c) If an Additional Seed withdraws after the draw is made, then the next player eligible to move into the draw (i.e., Qualifier, Lucky Loser, or Alternate as applicable) takes the open position.

ii. Doubles

Upon a player’s Return to Competition, if her team is accepted into the doubles Main Draw of a WTA Tournament, her doubles Special Ranking is 1-50, and her doubles Special Ranking combined with her partner’s doubles ranking would qualify her team for seeding in the draw (regardless of whether she was accepted using her doubles Special Ranking), then her team will be an Additional Seed in the draw, subject to the procedures below and in Section V.A.6.c.ii:

- (a) A player’s team is eligible as an Additional Seed only at the first eight (8) WTA Tournaments after her Return to Competition;

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

- (b) Only doubles draws of 16, 28, and 32 may contain Additional Seeds; doubles draws of 8 cannot contain Additional Seeds; and
- (c) If an Additional Seed withdraws after the draw is made, then the next team eligible to move into the draw takes the open position.

iii. Tournament Withdrawal

If a player is eligible as an Additional Seed but withdraws from singles or doubles by any method other than a Prize Money Withdrawal, then the Tournament will not count as one (1) of the eight (8) Tournaments at which she can be an Additional Seed.

h. Lucky Loser Status

A player's actual WTA Ranking, not her Special Ranking, determines her Lucky Loser position or status.

i. Top 10 Players

Special Rankings will not be used to determine Top 10 Players.

j. Player Responsibilities

i. Upon Return to Competition

Upon her Return to Competition, a player must report to the WTA the first Tennis Event in which she participates.

ii. Tracking Tournament Usage

Each player is responsible for tracking the Tournaments in which she uses her Special Ranking. If a player exceeds the maximums in this Section VIII.C, she will forfeit any ranking points she earned at all WTA Tournaments, Grand Slams, and Women's ITF World Tennis Tour events in which she used her Special Ranking that exceed those maximums.

k. Missed Tournament Ranking Point Replacement

A player who during her Out-of-Competition Period misses any Tournament(s) that must count as one (1) of her best eighteen (18)

WTA RANKING SYSTEM
SECTION VIII - WTA RANKING SYSTEM

Tournament results in calculating her WTA Ranking may replace any zero (0) ranking point results for such Tournament(s) with the results she obtains at Tournaments after her Return to Competition only after she has eighteen (18) Tournaments comprising her WTA Singles Ranking.

I. Abuse of Special Ranking

If at any time WTA determines in its sole discretion that a player has abused or is abusing her Special Ranking status, WTA has the authority to (i) revoke the player's Special Ranking; (ii) revoke any ranking points the player earned from the abuse of her Special Ranking status; and (iii) penalize the player under Section XVII.D.13.b. A player is entitled to appeal any penalty issued under this Section VIII.C.5.I in accordance with Section XVII.D.13.c and Section XVII.G, as applicable.

6. Exhibition/Non-WTA Event Waiver

Any Player subject to this Special Ranking Rule may apply to the WTA for a waiver to participate in one (1) Exhibition/Non-WTA Event (as defined in Section XVII.E) that will not restart her Out-of-Competition Period or start her Return to Competition, which application the WTA may grant in its sole and absolute discretion. A player must submit a waiver request, applicable medical documentation, and medical clearance from her doctor. All materials are requested thirty (30) days in advance but must be received by the WTA no later than one (1) day prior to the Exhibition/Non-WTA Event.

The WTA may consider such waiver requests according to the individual circumstances presented. In considering whether to grant a waiver, the WTA may take into account, among other factors, (i) the current length of a player's Out-of-Competition Period, (ii) the timing of the Exhibition/Non-WTA Event in comparison to the player's planned Return to Competition, and (iii) the format of the Exhibition/Non-WTA Event, the number of days over which it is scheduled, and the number of matches the player is likely to play. As a general rule, waivers may be granted more freely in cases of bona fide charity events, bona fide team competitions, events with Pro-Am formats, and events with non-traditional tennis scoring.

Players ranked 1-50 are also subject to Section XVII.E – Exhibition/Non-WTA Event Rule.

SECTION VIII - WTA RANKING SYSTEM

D. RETIRING FROM THE WTA

If a player has decided to retire, she must submit the Player Retirement Form to the WTA in order to officially retire. Unless a player submits the Player Retirement Form to the WTA, the player continues to be bound by and required to comply with the TADP and, until two years after the last Event (as defined in the TACP) at which she enters or participates in, the TACP save where the player is subject to a period of ineligibility under the TACP or the TADP. Notwithstanding the forgoing, while serving any period of ineligibility under the TACP or the TADP, a player remains bound by all of the provisions of the TACP. A retired player will be removed from the WTA Rankings at the end of the calendar year in which she officially retires or on the date listed by the Player on the Player Retirement Form, whichever is earlier. Players who have submitted a Player Retirement Form shall not be eligible to compete in a Tournament until they have satisfied all applicable requirements under these Rules and the Integrity Rules.

AGE ELIGIBILITY AND PLAYER DEVELOPMENT

X. AGE ELIGIBILITY AND PLAYER DEVELOPMENT

A. AGE ELIGIBILITY RULE

Player Development requirements and the Age Eligibility Rule (“AER”) are applicable to competition in Professional Tennis Tournaments worldwide.

1. Definitions

a. Competition in a Professional Tennis Tournament

For the purposes of this Rule, competition in a Professional Tennis Tournament is defined as participation in the singles or doubles Main Draw or Qualifying Draw of any Tournament at which a player earns WTA ranking points (singles or doubles) or, but for the operation of the WTA Rules or the player’s violation of the WTA Rules, would have earned WTA ranking points. Participation in a Professional Tennis Tournament counts toward a player’s AER Tournament Allotment. If a player participates in the Qualifying Draw and qualifies for the Main Draw, it will count as only one (1) Tournament. Similarly, if a player is competing in both the singles and doubles draws, it will count as only one (1) Tournament.

Competition in a Professional Tennis Tournament under the AER does not include: (i) participation in the draws of the Women’s ITF World Tennis Tour events in which a player does not earn WTA ranking points; (ii) participation in the draws of Women’s ITF World Tennis Tour W15 events before August 5, 2019; or (iii) receiving a zero (0) ranking point result for not participating in a Grand Slam or Commitment Tournament.

b. Age

For the purposes of this Rule, a player’s age is determined by her age as of the date of the start of a Tournament’s singles Main Draw.

A player 18 years of age or older no longer is subject to sub-Section A of this Rule but is required to continue participating in Player Development (sub-Section B) until she receives notification of graduation from a WTA representative.

AGE ELIGIBILITY AND PLAYER DEVELOPMENT
SECTION X - AGE ELIGIBILITY AND PLAYER DEVELOPMENT

2. Event Participation

- a. AER Tournament Allotment and AER Wild Card Allotment at Professional Tennis Tournaments

Subject to Merited Increases in sub-Section 4 below, a player under 18 years of age may participate in the specified number of Professional Tennis Tournaments (“AER Tournament Allotment”) and accept the specified number of Wild Cards (“AER Wild Card Allotment”) per birth year (i.e. birthday to birthday) as described below. If a player receives a Wild Card into a Professional Tennis Tournament, participation in that Tournament will count toward her AER Tournament Allotment.

- i. Under 14 Years of Age

A player who has not yet reached the date of her 14th birthday may not participate in any Professional Tennis Tournament.

- ii. 14 Years of Age

Between the date of a player’s 14th birthday and the day before her 15th birthday, she may earn a WTA Ranking, but she may not participate in WTA Tournaments by direct acceptance or participate in the WTA Finals by direct acceptance or Wild Card.

The AER Tournament Allotment and AER Wild Card Allotment for a player 14 years of age are as follows.

- (a) AER Tournament Allotment

A player may participate in a maximum of eight (8) Professional Tennis Tournaments, no more than three (3) of which may be at W75 events (including 2023 W60 events) and above.

- (b) AER Wild Card Allotment

A player may accept a maximum of three (3) Wild Cards as follows:

v. 17 Years of Age

Between the date of a player's 17th birthday and the day before her 18th birthday, her AER Tournament Allotment and AER Wild Card Allotment are as follows.

(a) AER Tournament Allotment

A player may participate in a maximum of sixteen (16) Professional Tennis Tournaments.

(b) AER Wild Card Allotment

Once a player reaches 17 years of age, she may accept the WTA and Women's ITF World Tennis Tour calendar year Wild Card maximums. (See Section III.C.3 for information on WTA Wild Card maximums.) The number of Wild Cards she may accept pursuant to the Wild Card Rule is calculated over the course of the Tour Year in which she turned 17 (i.e., any Wild Cards used under the AER by the player in that Tour Year prior to turning 17 will count toward the total number of Wild Cards permitted under the Rules).

vi. 18 Years of Age and Older

(a) AER Tournament Allotment

A player 18 years of age or older may participate in an unlimited number of Professional Tennis Tournaments.

(b) AER Wild Card Allotment

b. WTA Finals

Pursuant to Section X.A.2.a.ii, a player 14 years of age may not participate in the WTA Finals.

A player 15 years of age or older is eligible to participate in the WTA Finals. Participation in the WTA Finals by direct acceptance by a player between 15 and 17 years of age will not count toward her AER Tournament Allotment.

c. Billie Jean King Cup (any level of competition)

A player 14 years of age or older is eligible to participate in any level of competition at Billie Jean King Cup events. Participation in Billie Jean King Cup by a player between 14 and 17 years of age will not count toward her AER Tournament Allotment.

d. Olympic Participation

The Age Eligibility restrictions with respect to the Women's Tennis Competition will be detailed in the 2024 WTA Age Eligibility Rule and the ITF Olympic Tennis Event 2024 Regulations.

e. Exhibition/Non-WTA Events

All players are subject to the Exhibition/Non-WTA Event Rule (see Section XVII.E), including players who are subject to the AER.

f. Grand Slams and Commitment Tournaments

A player subject to the AER is responsible for planning her competition schedule to include Grand Slams and Commitment Tournaments within her AER Tournament Allotment. Unless she qualifies for a Merited Increase pursuant to sub-Section 4 below, a player who has reached her AER Tournament Allotment prior to a Grand Slam or Commitment Tournament will not be allowed to exceed her AER Tournament Allotment.

A player who is a direct acceptance into and fails to play a Grand Slam will receive a zero (0) ranking point result.

See Section II.A.4 for Tournament Commitment requirements for players subject to the AER.

AGE ELIGIBILITY AND PLAYER DEVELOPMENT
SECTION X - AGE ELIGIBILITY AND PLAYER DEVELOPMENT

3. Wild Cards

a. Wild Card Qualification

To accept a Wild Card into any WTA Tournament, a player must: (i) have submitted the Annual Player Form and the Wild Card Player Acceptance Form; (ii) have submitted all requisite documentation (i.e., proof of identity (copy of her passport or birth certificate), proof of meeting her minimum educational requirements, etc.); and (iii) be current with all Player Development requirements.

Under no circumstances will a player be allowed to exceed the calendar year WTA or Women's ITF World Tennis Tour Wild Card maximums for singles or doubles.

Wild Cards accepted at Grand Slams do not count toward a player's AER Wild Card Allotment.

b. Wild Cards Accepted at Separate Tournaments

Wild Cards accepted at separate Tournaments count toward a player's AER Wild Card Allotment, regardless of whether the Wild Card is for singles or doubles.

c. Wild Cards Accepted at the Same Tournament

If a player 14-16 years of age accepts both a singles and doubles Wild Card at the same Tournament, it will count as only one (1) Wild Card. The singles Wild Card will be used to determine how it is counted (Main Draw or Qualifying).

d. Doubles Wild Card at Tournament where Singles Entry by Direct Acceptance

In the event a player 14-16 years of age is accepted into the singles draw (Main Draw or Qualifying) by direct acceptance and accepts a Wild Card into the doubles draw, the following guidelines shall apply:

- i. If the player earns points in the singles draw (Main Draw or Qualifying), the doubles Wild Card will not count toward her AER Wild Card Allotment.
- ii. If the player does not earn points in the singles draw (Main Draw or Qualifying), the doubles Wild Card will count toward her AER Wild Card Allotment.

AGE ELIGIBILITY AND PLAYER DEVELOPMENT
SECTION X - AGE ELIGIBILITY AND PLAYER DEVELOPMENT

- e. WTA Tournament Wild Card Awarded through Pre-Qualifying Event/Circuit

In the event a player wins a pre-qualifying event/circuit that awards a Wild Card into a WTA Tournament, the player may accept the Wild Card if:

- i. The pre-qualifying event/circuit has been accredited by the WTA (please contact the WTA Legal or Player Development Departments for full details and guidelines regarding accredited events); and
- ii. Acceptance of the Wild Card does not result in the player exceeding her AER Wild Card Allotment or AER Tournament Allotment.

4. Merited Increases

Merited Increases are: (i) Tournaments that a player may play in addition to her AER Tournament Allotment (“Tournament Merited Increases”) and (ii) Wild Cards that a player may accept in addition to her AER Wild Card Allotment but that count toward her AER Tournament Allotment (“Wild Card Merited Increases”). A player who earns Wild Card Merited Increases may not exceed the calendar year WTA or Women’s ITF World Tennis Tour Wild Card maximums for singles or doubles. Subject to sub-Section b.ii(a) below, a player who earns both WTA 1000 Mandatory/Grand Slam Tournament Merited Increases and Pro Path Tournament Merited Increases may combine them but may not exceed four (4) total Tournament Merited Increases per birth year.

A player must remain current with her Player Development requirements to qualify for Merited Increases. An eligible player’s use of Merited Increases is contingent upon her and her Support Team completing the requirements prior to these additional events.

Merited Increases may be earned as follows:

- a. WTA 1000 Mandatory/Grand Slam Tournament Merited Increase
 - i. A WTA 1000 Mandatory/Grand Slam Tournament Merited Increase is earned when a player 15-17 years of age has completed all of her Player Development requirements to-date and earned her way into the Main Draw or Qualifying of a WTA 1000 Mandatory Tournament or Grand Slam by a direct acceptance.

AGE ELIGIBILITY AND PLAYER DEVELOPMENT
SECTION X - AGE ELIGIBILITY AND PLAYER DEVELOPMENT

ii. However, participation in a WTA 1000 Mandatory Tournament or a Grand Slam is not a Tournament Merited Increase and counts toward a player's AER Tournament Allotment if the player is:

- (a) 14 years of age;
- (b) 15-17 years of age and was accepted by direct acceptance but has not completed her Player Development requirements prior to competing in the WTA 1000 Mandatory Tournament or Grand Slam; or
- (c) accepted by Wild Card.

b. Pro Path Merited Increases

Visit www.wtatennis.com/tournaments/2023 for the current 2023 WTA Calendar.

B. APPLICATION FOR A NEW TOURNAMENT ON THE WTA

Before an application for a new Tournament Class Membership can be considered by the WTA, the prospective owner of a new WTA Tournament must meet all of the obligations enumerated below.

Applicants are advised that the WTA will grant a new membership only if, in the WTA's sole discretion, the new Tournament is geographically and temporally appropriate, within the requirements of the WTA By-Laws and otherwise serves the best interests of the WTA.

1. WTA Application Form

a. Deadline

A WTA Tournament Application must be submitted to the WTA by February 28 in the year prior to the Tour Year in which the Tournament is to be conducted.

b. Process

The application must be complete in order to ensure that the applicant is in good standing. No application will be acted upon until the WTA has received all information, along with the applicable deposit set forth in sub-Section 2 below.

Prior to consideration of the application by the Board of Directors, the CEO shall conduct such investigation as he/she deems appropriate and shall have the right to require the applicant to furnish any information the CEO deems appropriate.

c. Late Applications

Applications received after the due date may be entitled to consideration under the following circumstances:

- i. As replacements for any approved Tournaments which have been cancelled or disqualified as provided in these Rules;

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

- ii. If deemed necessary to fulfill playing opportunities; or
- iii. If it fulfills a geographic market goal of the WTA.

2. Application Fee and Letter of Credit

An applicant must submit to the WTA:

- a. A non-refundable application fee in the amount of US\$5,000; and
- b. An irrevocable letter of credit (or other financial vehicle approved by the WTA), which must be valid for three (3) years with three (3) annual draws in the amount of the event's annual prize money pursuant to Section XV.C - Financial Security Requirements ("Letter of Credit").

The Letter of Credit will be cancelled should the Board of Directors not approve the Tournament application.

3. Approval from National Tennis Association or Federation

An applicant should make every effort to contact and seek approval from their National Tennis Association or Federation. However, this approval is not required for acceptance onto the WTA.

4. Site Check

An applicant must be immediately available, upon request of the WTA, to organize one (1) or more site checks of the proposed venue for hosting the new Tournament. The site check(s) shall be completed prior to the Board of Director's consideration of application. If one (1) or more site checks are deemed necessary by the WTA, the applicant shall pay the cost of such site check(s) (including travel, lodging, food, and other reasonable expenses).

5. Security Risk Assessment

An applicant must pay the cost of any security risk assessment(s) prepared by the WTA's Security Director or a professional security consulting firm that the WTA designates if the WTA deems such security risk assessments necessary.

6. Letter of Agreement

The WTA will send to the applicant a Letter of Agreement indicating provisional approval of the Tournament and the terms and conditions.

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

This Letter of Agreement must be signed by the applicant and returned before the application will be considered for final approval.

7. Membership Fee

Upon approval of the application, the applicant must pay the required membership fee to the WTA (information regarding the amount to be provided by the WTA) and must abide by Section XV.C - Financial Security Requirements.

C. CONDITIONS OF TOURNAMENT MEMBERSHIP

A Tournament Class Membership is contingent upon the following conditions:

1. Governing Agreements

The Tournament agrees to abide by and be bound by all of the following: the Rules; Code of Conduct; WTA By-Laws; WTA contracts; and any other relevant agreements.

2. Prize Money

The Tournament agrees to the minimum prize money levels.

3. Equal Opportunity

The Tournament is open to all categories of women tennis players without discrimination.

4. Minimum Draw Size

The Tournament agrees to a minimum draw for singles and doubles as set forth in these Rules and as determined in the sole discretion of the WTA.

5. WTA Application Terms & Provisions

6. Product Exclusivities

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

7. Supervisor Visit

If requested by the WTA, the Tournament must pay for the Supervisor's time and travel (lodging, food, and other reasonable expenses) for the week prior to the first edition of the Tournament.

D. ANNUAL PROCEDURES FOR AN EXISTING WTA TOURNAMENT

1. Tournament Information Form

The Annual Tournament Information Form for existing Tournaments must be submitted no later than February 28 prior to the start of the applicable Tour Year. Any Annual Tournament Information Form submitted after the February 28 deadline must be accompanied by a late fee of US\$1,000. The Annual Tournament Information Form shall be distributed annually by the WTA at least sixty (60) days before the deadline.

2. Prize Money Currency

Each Tournament must comply with the following provisions (subject to change) regarding prize money. Revised provisions, if any, will be distributed by the WTA.

a. US Dollars or Euros

Prize money listed in Tournament applications shall be expressed in US dollars. Prize money must be paid in US dollars in the amount stated on the applications and approved by the WTA, except for Tournaments held in Euro Monetary Countries, which must pay the on-site prize money in Euros, but all Tournament-related fees (e.g., tour fees, ELC, etc.) must be paid in US dollars.

The on-site prize money levels for Tournaments held in Euro Monetary Countries will be annually set at the rate of 1.15 US Dollars to 1 Euro. However, this conversion rate does not apply to the Mutua Madrid Open WTA 1000 Tournament.

b. Non-US Dollars or Non-Euros

A Tournament, however, may pay its prize money in non-US dollars (or a non-Euro currency for Euro Monetary Countries) if a written request is made to the WTA at least three (3) months in advance of the Tournament. The WTA reserves the right to deny the request based upon factors including: the stability of the currency against the US dollar (or Euro); the international popularity of the currency; the

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

players' convenience in converting that currency to US dollars (or Euros) or other currency; and the efficiency of the banking system upon which the prize money checks are drawn.

Upon approval of the Tournament's request to pay prize money in a non-US currency (or a non-Euro currency for Euro Monetary Countries), the WTA will confirm the authorized rate of exchange to that Tournament based on the six-month average exchange rate to the US dollar (or the Euro for Euro Monetary Countries) as listed at the internet site www.oanda.com/converter/cc_table and corresponding to the dates in the following table:

Tournament Beginning	Average 6-Month Exchange Rate Ending On:
January 1 - March 31	October 1
April 1 - June 30	January 1
July 1 - September 30	April 1
October 1 - December 31	July 1

If, seven (7) days prior to the first day of the Tournament, there is a fluctuation in the authorized rate of exchange of at least 5% up or down, then such exchange rate shall be adjusted up or down, as the case may be, according to the following table:

Exchange Rate Fluctuation	Exchange Rate Adjustment
Less than 5%	none
Between 5-10%	5%
10% or greater	One-half the exchange rate percentage fluctuation*

*For example, if the currency fluctuates 11% down from the authorized exchange rate, the exchange rate will be adjusted by 5.5% (e.g., a 1.36 exchange rate will be adjusted as $1.36 + (1.36 \times -5.5\%) = 1.2852$).

Each Tournament paying on-site prize money in a specific non-US currency (or a non-Euro currency for Euro Monetary Countries) shall obtain from the WTA the official rate for the Tournament as provided above prior to the start of the Qualifying of the Tournament, and shall use the same. Round-by-round prize money breakdowns shall be prominently posted on site and shall include a reference to the corresponding breakdown in US dollars.

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

3. Additional Tournament Requirements

In addition to the above requirements, each Tournament must:

- b. Pay the cost of any security risk assessment(s) prepared by the WTA's Security Director or a professional security consulting firm that the WTA designates if the WTA deems such security risk assessments necessary.
- c. Comply with the Financial Security Requirements applicable to WTA Tournaments owned for three (3) years or less. (See Section XV.C.)

E. REASONS FOR REJECTION

1. Tournament Membership Request

Any one (1) of the following shall be a valid and adequate reason for not granting a Tournament Class Membership to an applicant: (a) failure to meet the Conditions of Tournament Membership as set forth in Section XII.C; (b) failure to accept or abide by the Rules and the Tournament Commitment herein set forth; (c) previous failure to meet its financial commitments or comply with the Rules; (d) lack of space on the WTA Calendar; (e) direct or indirect ownership by a person or entity which would exceed the Limitations on Ownership (see Section XII.I.7); or (f) other good causes clearly and demonstrably contrary to the integrity of tennis or the WTA.

F. TOURNAMENT PRIORITY

1. Applicable Situations

The WTA shall apply guidelines in determining which Tournaments merit priority in the following situations: (a) Tournament Class Membership grants; (b) WTA Calendar rescheduling; and (c) new Tournament approval.

- f. Marketing consideration consistent with the obligations to and objectives of the WTA.

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

- g. Exposure adequate to promote the objectives and goals of the WTA and women's tennis.
- h. Which application, in the judgment of the WTA, best serves the interest of the sport as a whole.
- i. The applicant's participation in, or aiding and abetting, violations of these Rules.

G. NO RELEASE

1. No Release Deadline

The "No Release Deadline" for each Tournament shall correspond to the following table:

Tournament Beginning	No Release Deadline
January 1 - June 30	October of previous year
July 1 - December 31	March 15 of same year in which the tournament is to occur

2. Tournament Release Request

A member may only be released from its obligation to conduct its Tournament under the following circumstances:

a. Prior to No Release Deadline

The WTA shall approve a member's request to be released from conducting its Tournament provided the request:

- i. Is made in writing;
- ii. Is made on or before the requesting Tournament's No Release Deadline as outlined in sub-Section 1 above;
- iii. Includes the reason for the request;
- iv. Is accompanied by payment to the WTA in the amount of the Tournament's prize money ("Announced Prize Money") as set forth on the Tournament Application or Annual Tournament Information Form, as applicable; and

SECTION XII - WTA TOURNAMENT MEMBERSHIPS

If the member complies with the foregoing requirements, it shall retain its Tournament Class Membership and shall be entitled to conduct a Tournament in the following Tour Year without a change in its status or category.

b. After the No Release Deadline

i. Tournament Obligations

The WTA shall approve a member's request to be released from conducting its Tournament provided the request:

- (a) Is made in writing;

- (c) Includes the reason for the request; and
- (d) Is accompanied by payment to the WTA of the Tournament's Announced Prize Money.

ii. Additional Tournament Implications

- (a) The Tournament Class Membership shall automatically be suspended, and the member shall have no right to operate a Tournament on the WTA until its Tournament Class Membership is reinstated by the Board.
- (b) Within thirty (30) days of the suspension of the Tournament Class Membership, the member may make a written application for reinstatement to the Board of Directors. The Board of Directors may accept or reject an application for reinstatement in its sole and absolute discretion.
- (c) If a member's request for reinstatement is denied by the Board of Directors, or if the member fails to apply for reinstatement in the designated time frame, the member shall have a limited opportunity to sell its Tournament Class Membership, provided the proposed transfer:
 - (i) Is for the entire Tournament Class Membership (partial sales, leases, and management agreements are not permitted);

TOURNAMENTS

SECTION XII - WTA TOURNAMENT MEMBERSHIPS

- (ii) Is a bona fide arm's length transaction with an unrelated or unaffiliated third party;
- (iii) Complies in all respects with the Rules relating to transfer of ownership, including the WTA's approval rights and the WTA's right of first refusal, with the exception of the applicable Transfer Fee, which is addressed in sub-Section (v) below.

For the avoidance of doubt, nothing herein shall be construed:

- To alter or amend the member's obligation to seek and obtain the WTA's prior approval for any Tournament transfer according to the Rules;
 - To limit or restrain WTA's rights to approve, deny, or match a proposed Tournament transfer according to the Rules; or
 - As requiring the WTA to approve any proposed transfer of the membership;
- (iv) Is complete and consummated, including approval by the Board of Directors (if any), prior to the following year's No Release Deadline;
 - (v) Shall be subject to a Transfer Fee calculated at the maximum scheduled Transfer Fee percentage, regardless of the member's tenure with the WTA; and
 - (vi) Stipulates the proposed transferee shall conduct the Tournament in the week on the WTA Calendar in the following Tour Year designated for the Tournament by the Board of Directors.

In the event any of the preceding six (6) conditions is not met, the membership shall be forfeited. (See Section XII.G.6.b - Tournament Implications.)

c. Extenuating Circumstances

Under extenuating circumstances, a member may apply to the Board of Directors for an extension of the deadline in sub-Section b.ii.(c)(iv) above, which application the Board of Directors may accept or reject

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

in its sole and absolute discretion. The Board of Directors may attach conditions to the acceptance of such an application including, without limitation, a requirement that the member pay the Announced Prize Money for the following Tour Year.

d. **Second or Subsequent Request from Tournament Class Member**

The same provisions set out in Section XII.G.2.b. – After the No Release Deadline – also apply to a Member making a second or subsequent request to be released from its obligation to conduct its Tournament.

Nothing herein shall either exempt or absolve the member from i) its obligation to pay the Announced Prize Money to the WTA, or ii) its other financial obligations set forth in the Rules.

e. **Tournament Cancellation Due to Health, Safety, or other Matters**

The WTA may cancel or adjust a Tournament's schedule or procedures due to health, safety, or other matters involving risk to players, staff, and/or spectators. Before cancellation of a Tournament pursuant to this sub-Section e, the WTA will consult with the Tournament as well as the local health, law enforcement, or other government authorities, where applicable. Cancellation should be undertaken as a last resort, and the WTA should use great discretion before taking such action. In the event of cancellation by the WTA pursuant to this sub-Section e, the No Release Rule will not apply; provided the reason for the cancellation was outside of the control or prevention of the Tournament. (See Section IX.D.1 for payment of prize money.)

3. Appeal to Board of Directors

A member may appeal to the Board of Directors for a waiver or reduction of the requirements and penalties set forth above in the event of a fire, flood, act of war, terrorist act, or similar event which is outside the control or prevention of the Tournament.

However, the decision to grant such waiver or reduction shall be in the sole discretion of the Board of Directors.

4. WTA Payments to Tournament Class Members

Should a member not conduct its Tournament in a Tour Year, the WTA shall not make any payments to that member for such Tour Year,

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

including payments for Commercial Benefits, media rights, or any other financial payment otherwise due from the WTA.

5. Distribution of Collected Prize Money

All prize money collected in connection with the No Release Rule will be divided evenly between the WTA and the WTBA.

6. Forfeiture of Membership

a. Causes

A Tournament Class Membership shall be forfeited immediately in the event a member:

- i. Fails to conduct its Tournament for any reason; and
- ii. Fails to comply with the release requirements set out above.

b. Tournament Implications

Upon forfeiture, a member shall have no future rights or privileges with the WTA and shall lose the right to conduct a Tournament on the WTA.

H. TERMINATION OF TOURNAMENTS

- ii. The Tournament fails to provide the commercial identification required pursuant to all relevant agreements.
- iii. The Tournament fails to demonstrate financial responsibility to conduct a Tournament.
- iv. The Tournament fails to pay all expenses or prize money of a Tournament it has conducted.

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

- v. The Tournament fails to fulfill in a timely manner its financial obligations or breaches any other term or condition of the Rules, including Standards of Performance Requirements, or any relevant agreement.

b. Disqualification Process

The WTA must provide the Tournament thirty (30) days' written notice (via email or certified mail) prior to disqualification, unless a Tournament already has been advised that it will not be able to hold its Tournament at the time it has been appointed.

2. Letter of Credit in Lieu of Disqualification

In lieu of disqualification for any of the financial failures detailed in sub-Section H.1.a above, the WTA, in its sole discretion, may require a Tournament to post a letter of credit in the full amount of the Tournament's prize money upon thirty (30) days' written notice.

Failure to post a satisfactory letter of credit will result in disqualification from participation in the WTA.

I. TOURNAMENT OWNERSHIP

1. Definition of Ownership

Ownership of a full Tournament Class Membership is a continuing right, provided the Tournament is in good standing. Each Tournament has the Tournament ownership rights provided in Schedule I of the WTA By-Laws.

2. Transfer of Ownership

a. Approval Process

- i. Any member seeking to sell, transfer, assign, convey, or otherwise dispose of, directly or indirectly, whether by operation of law or otherwise, its ownership interest, in whole or in part, in a Tournament Class Membership (a "Transfer") shall satisfy the following steps, as part of the Transfer approval process:

- (a) Submission of a written request for approval of the Transfer to the CEO prior to the attempted transfer and no later than sixty (60) calendar days (unless WTA otherwise agrees in its sole discretion) prior to the next scheduled meeting of the Board of Directors;

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

- (b) Promptly furnishing all information requested by WTA Management;
 - (c) Furnishing information that is accurate and not misleading;
 - (d) Organizing, completing, and paying (including travel, lodging, food, and other reasonable expenses) for one (1) or more site checks if there will be a new venue;
 - (e) Cooperating with any investigation conducted by WTA Management in evaluating the proposed Transfer; and
 - (f) Providing a binding offer to sell the membership to the WTA for a purchase price equal to the amount to be paid by the proposed purchaser solely for the membership interest (without regard to any employment, consulting, or other arrangements and subject to the WTA's right to pay the purchase price as and when it would have been due from the proposed purchaser) (the "Right of First Refusal Offer").
- ii. Upon completion of all the steps required under sub-Section 2.a.i above, the CEO shall submit the proposed Transfer and the Right of First Refusal Offer to the Board of Directors for its approval, acceptance, or other action, except that if the proposed Transfer will not result in the transferee possessing, directly or indirectly, a membership interest of 25% or more, the CEO shall have the power to approve or disapprove the proposed Transfer or accept the Right of First Refusal Offer without submitting it to the Board of Directors for approval or acceptance. The Board of Directors or CEO, as the case may be, shall have the right to disapprove a Transfer in its or his/her sole discretion; however, such approval or acceptance shall not be unreasonably withheld.
- iii. If the WTA elects to accept the Right of First Refusal Offer in sub-Section 2.a.i(f), the WTA shall notify the member in writing of its acceptance within thirty (30) days after the Board of Directors meeting at which the Transfer request is considered (the "Right of First Refusal Period"). If the WTA exercises its Right of First Refusal, the WTA and the member shall thereafter fix a mutually acceptable date for the consummation of the transaction. If the WTA does not notify the member of its intention to exercise the Right of First Refusal during the Right of First Refusal Period, during the sixty (60) days following the expiration of the Right of First Refusal Period, the member may sell its membership interest to the proposed purchaser upon the terms of the offer, but if the sale is not consummated with the proposed purchaser

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

within that sixty- (60) day period, then the provisions of this sub-Section 2.a shall apply again.

- iv. Notwithstanding anything to the contrary in the preceding sub-Sections 2.a.i-iii, in the event a member wishes to transfer its membership interest, but has no satisfactory bona fide prospective purchaser, the member may at any time request that the WTA solicit prospective purchasers on its behalf. A request under this sub-Section 2.a.iv shall be made in writing to the CEO.

The member shall have no obligation to accept any offer that may be obtained by the WTA on its behalf, and the member may withdraw its request under this paragraph at any time.

- v. At any time that a member consummates a Transfer with respect to a Tournament Class Membership interest, the applicable Transfer Fee percentage (set forth in the following table) – assessed to the value of the consideration for the membership provided by the proposed purchaser to the member – shall be imposed by the Board of Directors.

Number of Full Tournaments Conducted to Conclusion Under the Current Ownership	Transfer Fee Percentage[^]
1	20%
2	15%
3	15%
4	10%
5	5%
6	5%
7	5%
8 (or More)	3%

[^] The Board of Directors retains the discretion to assess a lesser fee where appropriate, as determined in its sole discretion. The relevant Transfer Fee will be waived for (i) Transfers that take place among members of the same immediate family, (ii) Transfers between entities under common ownership, and (iii) Transfers undertaken as part of a corporate restructuring provided there is no change in the ultimate ownership, including percentages of interests held, of the Tournament Class Membership, should the Transfer be approved pursuant to the Rules.

- vi. If the purchaser of a Tournament Class Membership interest is not currently promoting or operating any WTA Tournament(s) or is not a member, as a precondition to approval of any Transfer under this sub-Section 2.a, the purchaser must agree in writing

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

that it will deposit or provide a letter of credit guaranteeing payment of 100% of the first year's prize money. Payment will be made under this letter of credit in the event the Tournament is not held; if the Tournament is held, payment will be made under the letter of credit only to the extent of a shortfall in prize money payments. Any payment under the letter of credit will be non-refundable.

- vii. The purchaser of a Tournament Class Membership, as a precondition to approval of any Transfer under this sub-Section 2.a, must also agree in writing that it will pay for the Supervisor's time and travel (lodging, food, and other reasonable expenses) for the week prior to the first edition of the Tournament under the new ownership.
- b. Violations of Transfer Rule
- i. WTA Management shall determine whether an attempted Transfer violates sub-Section 2.a in its sole discretion.
 - ii. If WTA Management determines that there has been a violation of sub-Section 2.a, WTA Management shall decide whether to impose a fine in the range of \$100,000 to \$500,000, taking into consideration factors such as the severity of the violation, the size of the transaction, and such other factors as it deems appropriate.
 - iii. In such circumstance, WTA Management shall notify the member of the violation and fine and provide the member the opportunity to submit additional information and to request a waiver or reduction in the fine by the Board of Directors.
 - iv. In connection with submitting the Transfer request to the Board of Directors for consideration (or as soon thereafter as reasonably possible), the CEO shall notify the Board of Directors of the violation and fine.
 - v. The Board of Directors may decide whether to waive or reduce the fine. Any such fine shall be assessed in addition to any Transfer Fee (if the Transfer is approved) or on its own (if the Transfer is disapproved).
 - vi. Approval of any Transfer shall be conditioned on payment of both any Transfer Fee and any fine (subject to a decision by the Board of Directors to waive or reduce the fine).

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

- vii. Any purported Transfer made without full compliance with this Section 2 and/or the WTA's approval shall be voidable by WTA in its sole discretion and, in such case, any such purported Transfer shall be null and void without any force or effect.

- viii. Should WTA learn of facts or circumstances constituting a violation of this Section 2 following a purported Transfer and/or approval of a Transfer, WTA has continuing jurisdiction to assess and collect any fine and Transfer Fee in accordance with the foregoing.

3. Membership Lease

All Leases shall be subject to the written approval of the WTA and no Lease shall be deemed effective until such approval is provided. No member shall be permitted, directly or indirectly, to enter into or become subject to a Lease, or any amendment or other modification to any Lease, except in accordance with and subject to the provisions set forth in this Section 3. For purposes of this Section, "Lease" shall mean an agreement, arrangement or other transaction whereby the right to operate or manage a Tournament is transferred, in whole or in part, directly or indirectly, by operation of law or otherwise, to an individual or entity that is not the owner of the applicable Tournament Class Membership.

For clarity, a "Lease" shall include any agreement, arrangement or other transaction pursuant to which a member receives any direct or indirect consideration or other benefit from a third party in exchange for (i) a third party managing all or substantially all of the operations of a Tournament and/or (ii) assigning to a third party any material operating or management rights for a Tournament, but shall exclude service agreements or arrangements for ordinary course operations (e.g., concessions, security, ticketing, cleaning, etc.); provided, however, that the CEO shall have the right, taking into account the terms of any such agreement or arrangement and the circumstances related thereto, to determine whether any agreement, arrangement or other transaction shall be deemed a Lease for purposes of this Rule. Members may appeal the CEO's determination to the Board of Directors.

For the avoidance of doubt, any agreement, arrangement or other transaction whereby a member transfers, assigns or leases any "ownership interest" (as defined in Section XII.1.7.c), in whole or in part, shall be considered a Transfer, and therefore subject to the Transfer approval process set forth in Section XII.1.2. Further, for clarity, no member may lease or assign, or delegate to or provide any lessee or other person or entity the right to direct or control, any of its voting rights,

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

whether pursuant to a Lease or otherwise, except in the context of a Transfer in compliance with Section XII.I.2.

- a. Prior to entering into or executing any Lease (or any amendment or modification to any Lease), the member/lessor shall request the written approval of the WTA. Any purported Lease or amendment or modification to any Lease made without full compliance with this Section XII.I.3 shall be null and void, without any force or effect, and may not be performed. The member/lessor wishing to apply for approval of the Lease shall submit a written request for approval of the Lease to the CEO and shall furnish to the CEO the following information and documentation (subject to limited redactions as needed to protect financially sensitive information, if any):
 - i. The name and address of each party to the Lease and each officer, director, and beneficial owner of each of those parties;
 - ii. A written statement certifying the material terms of the proposed Lease, including, without limitation, all potential payments (cash, in-kind benefits or otherwise) by the lessee (or any of its affiliates) to the member (or any of its affiliates);
 - iii. Evidence of the proposed lessee's ability (financial or otherwise) and experience to fulfill the obligations associated with the rights granted in the Lease;
 - iv. Copies of any agreements relating to the Lease; and
 - v. Any other information the CEO deems necessary and requests from time to time for (A) purposes of making a recommendation to the Board of Directors or (B) ensuring that the Lease and arrangement between the member and the lessee are in compliance with the Rules and/or in the best interest of the WTA.

All information and materials submitted to the CEO shall be subject to review by the CEO, and, as the CEO deems appropriate, by WTA legal representatives. Notwithstanding the forgoing, to the extent the CEO deems it necessary to confirm compliance with WTA Rules, the CEO may request any redacted information or materials from a member. In such event, members shall be required to provide such requested information and materials to the CEO on an un-redacted basis; provided, however, that any un-redacted information so provided (i) may only be reviewed by the CEO and, as the CEO deems appropriate, WTA legal representatives, and (ii) shall remain confidential.

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

Notwithstanding the terms and conditions set forth in any Lease, the member/lessor shall separately notify the CEO prior to the extension or renewal of any Lease and/or the exercise of any right of first negotiation, refusal or relocation or other back-end right, and WTA approval shall be independently required at such time:

- (a) to amend, extend the term of, or renew, any Lease by any party thereto, whether by an option, right of first refusal or otherwise;
 - (b) to relocate, or exercise any rights related to relocation of, a Tournament; and
 - (c) to transfer, assign, pledge, mortgage, grant a security interest or other direct or indirect disposition or encumbrance of any Lease or any rights or obligations of any party thereunder.
- b. Upon receipt of the information required under sub-Section 3.a above, the CEO shall conduct such inquiry as deemed appropriate and shall submit to the Board of Directors (i) the CEO's recommendation for approval, acceptance, or other action with respect to the proposed Lease, (ii) the identity of each party to the Lease and relevant background information for each such party, (iii) the term of the Lease, and (iv) any other information the CEO deems necessary for the Board of Director's consideration of the proposed Lease consistent with the confidentiality provisions of Section XII.1.3.a above. The Board of Directors shall have the right, in its sole discretion, to approve or disapprove a Lease or delegate to the CEO the right to approve or disapprove a Lease. Any such approval or acceptance by the Board of Directors or the CEO may be given, withheld or conditioned in the sole discretion of the Board of Directors or the CEO, as applicable. Conditions to approval may include, without limitation, (A) the Lease containing mandatory lease terms (in addition to those set forth in Appendix C) as prescribed by the Board of Directors or the CEO from time to time, and (B) any other condition to ensure that the Lease is in compliance with the Rules and/or in the best interest of the WTA.
- c. For the avoidance of doubt, approval of a Lease by the CEO or the Board of Directors shall not extend to any Subsequent Transaction, whether or not contemplated by the terms of a Lease or otherwise. For purposes of this Section, "Subsequent Transaction" means (i) any amendment or modification to, or extension or renewal of, any Lease or any agreement related thereto, (ii) the exercise by any person or entity of any rights of first negotiation or refusal, relocation

rights, other back-end rights or any purchase or sale rights, and (iii) any sale, transfer, assignment, pledge or other disposition or encumbrance by any person or entity of any Lease or any "ownership interest." Any such Subsequent Transaction shall be subject to separate and independent approval by the WTA in accordance with the Rules at the time that any such terms are sought to be triggered and/or exercised by any party.

- d. All Leases shall be required to include, as an attachment or rider thereto, the language set forth in Appendix C (or language in form and substance substantially similar thereto, modified only as necessary to conform to the defined terms in the applicable agreement).
- e. The WTA may in its discretion waive any or all of the requirements of this Section 3.
- f. Any violation of this Section 3 shall be a violation of a Condition of Membership (as defined in the WTA By-Laws) and shall, among other things, be subject to the imposition of sanctions under Section 2.6 of the WTA By-Laws. In such circumstance, WTA Management shall notify the member of the violation and sanction and provide the member with the opportunity to submit additional information. In the event that the WTA learns or becomes aware of facts or circumstances constituting a violation of this Section 3 following finalization of a purported Lease or an amendment or modification to any Lease and/or approval of a Lease, the WTA has continuing jurisdiction to assess any sanction in accordance with the foregoing.
- g. Each member shall be responsible for ensuring compliance with the provisions of this Section 3 in connection with any Lease directly or indirectly relating to it. Furthermore, notwithstanding anything to the contrary in any Lease or otherwise (i) the entering into or enjoyment of any Lease by a member shall not relieve such member of any of its obligations under the Rulebook, the WTA By-Laws, any decision, ruling or action by the WTA Tour (including by the Board of Directors, any authorized committee of the Board of Directors, or the CEO, with respect to matters within their respective jurisdictions), any resolution or policy adopted by the Board of Directors or any other agreement or arrangement between such member and the WTA, (ii) each member shall be responsible for the acts of any lessee or counterparty to any Lease and all payments and other obligations to the WTA, and (iii) any and all lessees or counterparties to any Lease shall be required to comply with all of the terms and provisions of the Rules. All requests and payments made by any member to the WTA shall be made directly by the member/lessor, unless otherwise expressly approved or directed by WTA. Unless otherwise directed

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

by the member/lessor, WTA Management shall have the right, but not the obligation, to communicate and coordinate directly with any lessee of any Lease, including, without limitation, with respect to the operational elements of the applicable Tournament.

- h. In the event a lessee defaults with respect to any of the financial or other obligations in the Rulebook applicable to Tournaments, including the prize money requirements and Tournament Standards of Performance, the lessor shall, at all times, remain liable for such defaults and any penalties for such defaults shall be imposed against the lessor's Tournament Class Membership.
- i. The requirements set out above shall be waived for any Lease entered into before November 3, 2008; provided, however, that the CEO shall have the right at any time, and from time to time, to request copies of any Lease entered into before such date and/or any other information related thereto that the CEO deems reasonably necessary for purposes of making a recommendation to the Board of Directors or ensuring that the Lease and arrangement between the member and the lessee are in compliance with the Rules and/or in the best interest of the WTA, and each member shall be required to furnish all such documentation and information upon request. Any modification, amendment or extension to such a Lease shall be subject to the provisions of this Section XII.I.3.

All requests that would impact the WTA Calendar for the next Tour Year must be submitted to the WTA for approval no later than thirty (30) days prior to the Board of Directors meeting at which such WTA Calendar is to be reviewed and approved. If any Tournament or prospective new owner seeks a change it must:

- d. Pay the cost of any security risk assessment prepared by the WTA's Security Director or a professional security consulting firm that the WTA designates if the WTA deems such security risk assessments necessary;
- e. Pay for the Supervisor's time and travel (lodging, food, and other reasonable expenses) for the week prior to the first edition of the Tournament at the new location; and
- f. Be subject to Financial Security Requirements and a loss of Top 10 Player Delivery, as set forth herein.

For any proposed change of location for a membership which has been in the same location for less than five (5) years, if approved by the Board of Directors, such approval shall be subject to payment of a fee in accordance with the below schedule (a "First Change of Location"). The Board of Directors retains the discretion to waive or reduce such fee or collect all or part of the fee in installments.

WTA 1000 Mandatory	WTA 500	WTA 250
\$675,000	\$105,000	\$50,000

If a member makes a request for a change of location for a membership within five (5) years after the start of the calendar year in which an approved First Change of Location takes effect (i.e. the requested change of location would be effective prior to the fifth edition of the Tournament in its current location) and the Board of Directors approves the request (a "Second Change of Location"), such approval shall be subject to payment of a fee in accordance with the below schedule. The Board of Directors retains the discretion to waive or reduce such fee and/or collect all or part of the fee in installments.

WTA 1000 Mandatory	WTA 500	WTA 250
\$1,350,000	\$210,000	\$100,000

If the Board of Directors elects not to exercise the right to purchase such membership and approves the request (a "Third

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

Change of Location”), such approval shall be subject to payment of a fee in accordance with the below schedule. The Board of Directors retains the discretion to waive or reduce such fee and/or collect all or part of the fee in installments.

WTA 1000 Mandatory	WTA 500	WTA 250
\$2,700,000	\$420,000	\$200,000

If a member makes a request for a change of location for a membership within five (5) years after the start of the calendar year in which an approved Third Change of Location or any subsequent change of location takes effect (i.e. the requested change of location would be effective prior to the fifth edition of the Tournament in its current location), the WTA will have the right to purchase such membership as set out above for a Third Change of Location or, in the alternative, if the Board of Directors elects not to exercise the right to purchase such membership and approves the request, such approval shall be subject to payment of double the full amount of the fee applicable to the immediately prior change of location. The Board of Directors retains the discretion to waive or reduce such fee and/or collect all or part of the fee in installments.

The following shall not be deemed a change of location for the purpose of this Section 4: (a) a change of venue within 125 miles of the original venue unless otherwise determined by the Board of Directors; (b) Tournaments which have been pre-approved to annually alternate or rotate locations; and (c) location changes made at the request of the WTA. In determining whether a change of venue is a change of location, the Board of Directors may consider the following factors: (i) distance between venues; (ii) defined media markets; (iii) time zones; (iv) climates; (v) topographies; (vi) governments; (vii) predominant languages; (viii) economic specializations; and (ix) international political areas.

A change of location made in conjunction with an approved Transfer shall be deemed a change of location for the purposes of this Section 4.

In connection with any approval of a change of location for a membership and in addition to any rights set forth above, the Board of Directors shall have the right to impose any condition on any change of location that it deems in the best interests of the WTA.

5. Simultaneous Transfer of Ownership and Location

A proposed change of location made in conjunction with a request for a transfer of ownership must be made simultaneously, and those requests will be considered jointly. In addition, the change of location fee will not

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

apply to a proposed location change in conjunction with a request for Transfer of ownership; however, the Transfer set out in Section XII.1.2 shall apply.

6. WTA Action

- a. If ownership is transferred, the new owner will succeed to the rights and obligations of the former owner. However, if change of location is involved, the new owner's rights and obligations will be the same as the owner of a new Tournament.
- b. Regarding proposed changes of location, if the WTA approves such a change in connection with a Transfer of ownership, it will make best efforts to assign an appropriate date, and the Tournament will then become part of the WTA.

7. Limitations on Ownership

- a. No person or entity (or group of persons or entities acting in concert) shall, directly or indirectly, own or control (by contract or otherwise) an "ownership interest" in more than five (5) WTA Tournaments, of which no more than two (2) may be multi-week combined men's and women's events of the same or similar category (e.g., WTA 1000 Mandatory Tournament).

Additionally, no person or entity (or group of persons or entities acting in concert) shall, directly or indirectly, own or control (by contract or otherwise) an ownership interest in more than 45% of WTA Tournaments in the European Geographic Region or the Americas Geographic Region or the Asia-Pacific Geographic Region (as these Regions are defined by the WTA for the purposes of Top 10 Player Delivery); and/or:

- i. 25% of all WTA 1000 Mandatory Tournaments; or
 - ii. 25% of all WTA 500 Tournaments; or
 - iii. 40% of all WTA 250 Tournaments.
- b. Any entity having ownership interests in WTA Tournaments that exceed any of the limitations set forth in sub-Section a above as of June 23, 1999, will be grandfathered as to any such Tournaments above such limitations. However, if such entity sells its ownership interest in a Tournament, it thereafter will not have the right to purchase or obtain an ownership interest in any additional WTA Tournament

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

without WTA approval, if such entity has ownership interests at or above any of the limitations set forth in sub-Section a above.

- c. For purposes of this Rule, the words “ownership interest” shall mean:
- i. Any direct or indirect proprietary interest in a Tournament other than an interest of 5% or less in any call of the equity or debt securities of a member whose shares are traded on an internationally recognized securities exchange (a “proprietary interest”); or
 - ii. With respect to any Tournament in which the relevant person, entity, or group does not have a proprietary interest, the right to:
 - (a) Exercise the Tournament’s voting rights;
 - (b) Apply to the WTA for a change in the venue or geographic location of the Tournament;
 - (c) Serve as or appoint the Tournament’s designated representative; or
 - (d) Transfer any of the rights described in sub-Sections (a)-(c) above, or apply to the WTA for approval to Transfer any direct or indirect proprietary interest in the Tournament.
- d. Without limiting the generality of sub-Section c.i, a person or entity shall be deemed to have an ownership interest in a Tournament if it has a direct or indirect interest in the proceeds resulting from the sale of that Tournament or in the operating income or losses of that Tournament. But a person or entity providing services or guaranteed payments to a Tournament in consideration of an interest in the operating income or losses of that Tournament during the period it is providing those services or payments shall not be deemed to have an ownership interest in the Tournament, provided the CEO has approved the terms of such agreement between any such person or entity and any Tournament. Such agreement shall not be approved if it is found to be an attempt to circumvent Section XII.I.1 – Definition of Ownership.
- e. Discovery and Sanctions for Non-Compliance

If the WTA has reason to believe that a person or entity may own or control multiple Tournaments in addition to those already disclosed to the WTA, it may request such person or entity to provide information that will confirm or negate the existence of such ownership or control.

TOURNAMENTS
SECTION XII - WTA TOURNAMENT MEMBERSHIPS

If the person or entity fails to provide such information in a timely fashion or provides inaccurate or incomplete information, the WTA may, in the reasonable exercise of its discretion i) consider such non-compliance in determining whether to impose sanctions; and/ or ii) conclude – based on such non-compliance – that the person or entity does in fact have an ownership interest in the Tournament or Tournaments in question.

J. TOURNAMENT MINIMUM INSURANCE REQUIREMENTS

Tournaments are required to participate in the mandated Tournament insurance program. This program will provide for full compliance of all mandated insurance requirements. Coverage costs will be set by WTA's designated insurer each Tour Year. The MPC for the Indian Wells, Miami, Madrid, and Beijing WTA 1000 Mandatory Tournaments shall be equal to the total on-site prize money paid to men tennis players participating in such event; provided, however, that if such WTA 1000 Mandatory Tournament does not have a corresponding men’s event, the MPC shall be equal to the amount stated in such WTA 1000 Mandatory Tournament’s sanction, membership, or other written agreement between the WTA and such WTA 1000 Mandatory Tournament but in any event shall be no less than the lowest amount of MPC paid by the Indian Wells, Miami, Madrid, or Beijing WTA 1000 Mandatory Tournaments.

B. ALL OTHER WTA 1000 MANDATORY AND WTA 500 TOURNAMENTS

All WTA 1000 Mandatory Tournaments other than Indian Wells, Miami, Madrid, and Beijing (“All Other WTA 1000 Mandatory Tournaments”) and WTA 500 Tournaments are required to pay players MPC in the amounts determined by the Board of Directors in 2024 and, in subsequent years prior to achieving equal on-site prize money, pursuant to the prize money formula in this Section XIV.B (“PMF”) (each a “Minimum MPC”). Unless otherwise determined by the Board of Directors, the Minimum MPC increases by three percent (3%) each Tour Year (rounded to the nearest \$1,000).

1. All Other WTA 1000 Mandatory Tournaments

Except as this Section XIV.B otherwise states, the Minimum Player Compensation for each of the All Other WTA 1000 Mandatory Tournaments

equals the amount next to the applicable Tour Year in the following table:

2023	An individual Tournament's 2022 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2019, 2020, and 2021 to (y) that Tournament's average PSI for 2020, 2021, and 2022, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to Sections XIV.B.3 and 4 below, but not less than \$3,183,000.
2024	An individual Tournament's 2023 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2020, 2021, and 2022 to (y) that Tournament's average PSI for 2021, 2022, and 2023, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to Sections XIV.B.3 and 4 below, but not less than \$3,278,000.

2. WTA 500 Tournaments

Except as this Section XIV.B otherwise states, the Minimum Player Compensation for each individual WTA 500 Tournament equals the amount next to the applicable Tour Year in the following table:

2023	An individual Tournament's 2022 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2019, 2020, and 2021 to (y) that Tournament's average PSI for 2020, 2021 and 2022, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to Section XIV.B.3 below, but not less than \$926,000.
2024	An individual Tournament's 2023 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2020, 2021, and 2022 to (y) that Tournament's average PSI for 2021, 2022 and 2023, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to Section XIV.B.3 below, but not less than \$954,000.

3. Special Circumstances

a. New Tournaments and Existing Tournaments that Change Locations

If an existing All Other WTA 1000 Mandatory or WTA 500 Tournament changes locations and the new location is within 125 miles of the prior location, the MPC calculations shall include the actual results of the Tournament for each applicable year, subject to the PMF Committee's discretion.

If a new All Other WTA 1000 Mandatory or WTA 500 Tournament is approved to enter the WTA Tour calendar or an existing All Other WTA 1000 Mandatory or WTA 500 Tournament changes locations and the new location is greater than 125 miles from the prior location,

FINANCIAL

SECTION XIV - PRIZE MONEY FORMULA

such Tournament's MPC will be determined as follows:

- i. Year 1: MPC will be equal to the MPC of the prior location or, if it is a new All Other WTA 1000 Mandatory or WTA 500 Tournament, the minimum 2020 MPC in the table in Section XIV.B.1, 2, or 3.b, as applicable.
 - ii. Year 2: Year 1 MPC increased by 3%.
 - iii. Year 3: Year 2 MPC multiplied by the respective Tournament's PSI Growth from (x) Year 1 to (y) Year 2.
 - iv. Year 4: Year 3 MPC multiplied by the respective Tournament's PSI Growth from (x) average PSI for Year 1 and Year 2, to (y) average PSI for Year 2 and Year 3.
 - v. Year 5: MPC to be calculated in accordance with this Section XIV.B.
- b. Tournaments that Annually Rotate Between Venues Greater than 125 Miles Apart (e.g., Rogers Cup)

Unless the Board of Directors otherwise determines, for any Tournament that annually rotates between venues that are greater than 125 miles apart, that Tournament's Minimum Player Compensation equals the amount next to the applicable Tour Year in the following table:

2023	An individual Tournament's 2022 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2020 and 2021 to (y) that Tournament's average PSI for 2021 and 2022, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to this Section XIV.B.3 and Section XIV.B.4 below, but not less than (a) \$3,183,000 for an All Other WTA 1000 Mandatory Tournament and (b) \$926,000 for a WTA 500 Tournament.
2024	An individual Tournament's 2023 MPC multiplied by that Tournament's PSI Growth from (x) that Tournament's average PSI for 2021 and 2022 to (y) that Tournament's average PSI for 2022 and 2023, as determined pursuant to Section XIV.B.7 below and subject to adjustment pursuant to this Section XIV.B.3 and Section XIV.B.4 below, but not less than (a) \$3,278,000 for an All Other WTA 1000 Mandatory Tournament and (b) \$954,000 for a WTA 500 Tournament.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- c. Tournaments that Annually Rotate Between All Other WTA 1000 Mandatory and WTA 500 Tier Levels (e.g., Doha and Dubai)

In calculating a particular Tour Year's MPC for any Tournament that annually rotates between All Other WTA 1000 Mandatory and WTA 500 Tier levels, the following Rules apply.

- i. A Tournament's MPC for a particular Tour Year will be calculated based on that Tournament's Tier level for that Tour Year as if that Tournament operated at that Tier level for all applicable Tour Years (i.e., as if that Tournament never changed Tier levels), subject to the Tier level minimums for each Tour Year.

For example, in calculating a Tournament's 2023 MPC at the WTA 500 Tier level, its prior Tour Years' MPC amounts shall be calculated, and restated as necessary, as if that Tournament was a WTA 500 event each Tour Year. Similarly, in calculating a Tournament's 2023 MPC at the All Other WTA 1000 Mandatory Tier level, its prior Tour Years' MPC amounts shall be calculated, and restated as necessary, as if the that Tournament was an All Other WTA 1000 Mandatory event each Tour Year.

- ii. In calculating a Tournament's PSI Growth, a Tournament may choose to have either:
- (a) all applicable Tour Years' PSI reflect the payments from the WTA for commercial benefits and television based on the respective Tier level in which the Tournament operates in that particular Tour Year; or
 - (b) all applicable Tour Years' PSI reflect the actual payments that the Tournament received from the WTA for commercial benefits and television in each particular Tour Year;

provided, however, that once a Tournament elects either (a) or (b) above, it cannot change its election for three (3) Tour Years and must apply to the PMF Committee for any such change, which application the PMF Committee may approve or reject in its sole discretion.

For example, in calculating a Tournament's 2023 PSI Growth when it will be operating at the All Other WTA 1000 Mandatory Tier level, its PSI for all applicable Tour Years may include either:

- the WTA payments to All Other WTA 1000 Mandatory Tournaments for commercial benefits and television (even

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

if that Tournament operated at the WTA 500 Tier level in a prior Tour Year); or

- the actual WTA payments for commercial benefits and television that the Tournament received in each Tour Year (e.g., WTA 500 payments in 2022, All Other WTA 1000 Mandatory payments in 2021, WTA 500 payments in 2020, etc.).
- d. Tournaments that Combine with or Separate from ATP Events

Subject to the approval of the Board of Directors, if a Tournament that previously (i) was combined with an ATP event (regardless of the category or tier level of such ATP event) transitions to a WTA-only Tournament or (ii) was a WTA-only Tournament combines with an ATP event (regardless of the category or tier level of such ATP event), then the Tournament's MPC will be determined as follows:

- i. Year 1 of new Tournament: MPC will be equal to the MPC of the prior Tournament.
 - ii. Year 2 of new Tournament: Year 1 MPC increased by 3%.
 - iii. Year 3 of new Tournament: Year 2 MPC multiplied by the respective Tournament's PSI Growth from (x) Year 1 to (y) Year 2.
 - iv. Year 4 of new Tournament: Year 3 MPC multiplied by the respective Tournament's PSI Growth from (x) average PSI for Year 1 and Year 2, to (y) average PSI for Year 2 and Year 3.
 - v. Year 5 of new Tournament: MPC to be calculated in accordance with this Section XIV.B.
- e. Unanticipated Consequences of the PMF

After the WTA or the Independent Accountant notifies a Tournament of its MPC for a Tour Year, the Tournament may request that the PMF Committee adjust its MPC because of: (i) a one-year, extreme decrease in the Tournament's PSI; or (ii) unanticipated consequences of the PMF that the PMF Committee did not contemplate when creating the PMF. The Tournament must submit such request in writing to the WTA or the Independent Accountant with relevant documentation to substantiate the one-year, extreme decrease in PSI or unanticipated consequences, as applicable.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

Upon receiving a request under this Section XIV.B.3.e, the Player Representative Member, Tournament Representative Member, and CEO shall review it and, notwithstanding any of the provisions of Section XIV.B.6, vote to determine whether a one-year, extreme decrease in PSI or unanticipated consequences exist, with a simple majority carrying the vote. If the outcome of such a vote is that a one-year, extreme decrease in PSI or unanticipated consequences do not exist, then the request must be denied. If the outcome of such a vote is that a one-year extreme decrease in PSI or unanticipated consequences do exist, then in accordance with Section XIV.B.6.c the PMF Committee may make any or no adjustments to MPC as a result of the request in its sole discretion. For clarity, a determination that a one-year extreme decrease in PSI or unanticipated consequences exist does not obligate the PMF Committee to make any adjustment to the Tournament's MPC.

4. Top 10 Player Delivery

Notwithstanding the foregoing provisions, any increase in the Minimum Player Compensation for the All Other WTA 1000 Mandatory Tournaments will be subject to the following adjustments in the event any Tournament in such category does not receive the Top 10 Player Delivery provided for in Section II.B. In the event any Tournament does not receive Top 10 Player Delivery in a particular Tour Year ("Prior Year"), such Tournament will be considered an "Exempt Tournament" for purposes of the PMF and, in the Tour Year immediately following the Prior Year ("Next Year"), such Tournament will be required to pay player compensation equal to the Tournament's Minimum Player Compensation calculated for the Prior Year.

For purposes of calculating the Exempt Tournament's MPC for a subsequent Tour Year (in which the Tournament received Top 10 Player Delivery and is thus not an Exempt Tournament for such subsequent Tour Year), the Tournament's PSI Growth will be multiplied by the Prior Year's MPC as if the Tournament received Top 10 Player Delivery in all prior years. The below examples in sub-Sections a through d include the following assumptions:

Assumptions for Tournament X:

2017 MPC	\$3,000,000

PSI Growth for 2018	4.00%
PSI Growth for 2019	5.00%

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- a. Example #1 – Calculation of 2019 MPC with Top 10 Player Delivery Received in both 2017 and 2018

2019 MPC: If Tournament X receives Top 10 Player Delivery in both 2017 and 2018, when determining 2019 MPC, PSI Growth will be multiplied by 2018 MPC calculated as if the Tournament received Top 10 Player Delivery in prior years. In this case, 2019 MPC would be \$3,276,000, calculated as follows:

- i. Calculate 2018 MPC as if the Tournament received Top 10 Player Delivery in prior years - 2017 MPC of \$3,000,000 increased by 5%, which is the PSI Growth for 2017.

2017 MPC	\$3,000,000
PSI Growth for 2017	5.00%
2018 MPC	\$3,150,000

- ii. Calculate 2020 MPC by increasing the 2019 MPC calculated in i. above by 4%, which is the PSI Growth for 2019 MPC.

2018 MPC	\$3,150,000
PSI Growth for 2018	4.00%
2019 MPC	\$3,276,000

- b. Example #2 – Calculation of 2019 and 2020 MPC with Missed Top 10 Player Delivery in both 2017 and 2018

2019 MPC: If Tournament X does not receive Top 10 Player Delivery in 2017 and 2018, then its MPC for 2019 will be \$3,000,000, which is equal to its MPC for 2017 and 2018 (no increase in 2019 MPC due to missed Top 10 Player Delivery in 2017 and 2018) and is calculated as follows:

2017 MPC	\$3,000,000	
PSI Growth for 2017	5.00%	not applied because of missed Top 10 Player Delivery in 2017
2018 MPC	\$3,000,000	
PSI Growth for 2018	4.00%	not applied because of missed Top 10 Player Delivery in 2018
2019 MPC	\$3,000,000	

2020 MPC: If Tournament X does not receive Top 10 Player Delivery in 2017 and 2018, when determining 2020 MPC, PSI Growth will be multiplied by 2018 and 2019 MPC calculated as if the Tournament

not actual 2019 MPC (actual was \$3,000,000, which is equal to 2017 MPC and 2018 MPC); calculated solely for determining 2020 MPC

- c. Example #3 – Calculation of 2019 MPC with Missed Top 10 Player Delivery in 2018 Only

2019 MPC: If Tournament X does not receive Top 10 Player Delivery in 2018, then its MPC for 2019 will be \$3,150,000, which is equal to its MPC for 2018 (no increase in 2019 MPC due to missed Top 10 Player Delivery in 2018) and is calculated as follows:

- i. Calculate 2018 MPC as if the Tournament received Top 10 Player Delivery in prior years - 2017 MPC of \$3,000,000 increased by 5%, which is the PSI Growth for 2017.

2017 MPC	\$3,000,000

2017 MPC	\$3,000,000
PSI Growth for 2017	5.00%
2018 MPC	\$3,000,000

not applied because of missed Top 10 Player Delivery in 2017

- ii. Calculate 2019 MPC as if the Tournament received Top 10 Player Delivery in prior years - 2017 MPC of \$3,000,000 increased by 5%, which is the PSI Growth for 2017, and 2018 MPC increased by 4%, which is the PSI Growth for 2018.

PSI Growth for 2017	5.00%

PSI Growth for 2018	4.00%
2019 MPC	\$3,276,000

not actual 2018 MPC; calculated solely for determining 2019 MPC

A Tournament will only be an Exempt Tournament for the Tour Year immediately following the Tour Year in which such Tournament did not receive its Top 10 Player Delivery.

The terms of this sub-Section 4 shall not apply to Indian Well, Miami, Madrid, or Beijing WTA 1000 Mandatory Tournaments, as to which any absence of Top 10 Player Delivery shall result in the consequences specified in Section II.B.

5. Definitions

- a. Primary Sources of Income

“Individual Tournament Primary Sources of Income” or “Individual Tournament PSI” for any individual Tournament, as applicable, in any Tour Year shall be equal to, without duplication:

- i. the aggregate revenues in respect of any advertising, sponsorship and promotion relating to such Tournament (including the value of any property or services from any Barter), net of all Taxes (as defined below), receivable by such Tournament or their Tournament Affiliates (as defined below) in respect of such Tour Year (as determined by the PMF Committee (as defined

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

below)), including all revenues from any Tournament sponsor or advertiser in any form, irrespective of how such revenues are characterized by the Tournament or Tournament Affiliate (e.g., including any payments in respect of tickets, premium seating, hospitality, naming rights, etc. by any sponsor that are made in connection with such sponsor's arrangement with the Tournament or Tournament Affiliate, in each case, subject to Section XIV.B.8.f); plus

- ii. the aggregate revenues (including the value of any property or services from any Barter) in respect of any sale, licensing or other exploitation of Television Rights, net of all Taxes, receivable by such Tournament or their Tournament Affiliates in respect of such Tour Year (as determined by the PMF Committee); plus
- iii. the aggregate revenues (including the value of any property or services from any Barter) in respect of any sale, lease or license of, without duplication, (i) tickets and other gate receipts, (ii) luxury suites, premium or club seating and seat licenses, (iii) hospitality packages, and (iv) any other form of admission (including any payments or rebates from any ticketing agent), in each case, net of Taxes and any Ticketing Fees (as defined below), receivable by such Tournament or their Tournament Affiliates in respect of such Tour Year (as determined by the PMF Committee) (collectively, "Admission Rights"); plus
- iv. the aggregate payments receivable by such Tournament or their Tournament Affiliates from the WTA (except for any payments for which the WTBA is due a like-kind amount, which shall be accounted for as Non-WTA revenues, and except for payments from the WTA related to missed Top 10 Player Delivery, which shall be accounted for as Non-PSI revenues), including, without limitation, payments from the WTA for commercial benefits or television; minus
- v. for each Tournament that received a Capital Credit (as defined below) for such Tour Year, the product of (x) such Capital Credit, multiplied by (y) a fraction, the numerator of which shall be the total player compensation paid by such Tournament for such Tour Year, and the denominator of which shall be the total actual, estimated or projected (as applicable) PSI of such Tournament and its Tournament Affiliates for such Tour Year. The Capital Credits may not reduce the increase in any Tournament's PSI below \$0.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- vi. Notwithstanding the foregoing provisions of this Section XIV.B.5.a, PSI for any individual Tournament shall always equal or exceed 85% of such Tournament's Aggregate WTA Revenues (defined below) (as determined by the PMF Committee, subject to Section XIV.B.6.f). In the event PSI would otherwise be less than 85% of the Tournament's Aggregate WTA Revenues, the PMF Committee shall adjust the calculation of PSI by including the Tournament's next largest revenue category (from among those identified in the following sentence) in the calculation of PSI until the PSI for the Tournament equals or exceeds 85% of the Tournament's Aggregate Revenues, and any revenue categories so included shall continue to be included in the calculation of the PSI for the Tournament going forward. The eligible revenue categories include, but are not limited to (i.e., new or currently unknown categories may be included), merchandise, parking and food and beverage. For purposes of this calculation, any Barter which is excluded from the calculation of PSI pursuant to sub-Sections XIV.B.5.e.i(a), (b), and (c) shall not be included in the Tournament's Aggregate Revenues.

"Tournament Aggregate WTA Revenues" shall be the sum of PSI and Non-PSI. "Non-PSI" shall be defined as any and all revenues related to the Tournament other than those revenues included in PSI, including, but not limited to, merchandise, parking, food and beverage, and any contributions received from, or investments made by, a concessionaire pursuant to a concessionaire agreement (with such contributions and investments included in Non-PSI on an amortized basis over the entire term (or remaining term if a contribution or investment occurs after the first year of the term) of the applicable concessionaire agreement).

Any and all revenues unrelated to the Tournament shall be considered "Non-WTA" and are not to be included in the determination of "Tournament Aggregate WTA Revenues". Examples of Non-WTA revenues may include, but not be limited to, developmental tennis academies or activities, rentals or other revenues related to non-WTA events held at the stadium throughout the year but outside of the Tournament period, and any Barter which is excluded from the calculation of PSI pursuant to sub-Sections XIV.B.5.e.i(a), (b), and (c).

- vii. If any Tournament or Tournament Affiliate receives payment from the WTA related to a tier downgrade or other sanction, such payment(s) shall be classified as Non-WTA revenues and excluded from the calculation of PSI, Non-PSI and Tournament Aggregate WTA Revenues.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

b. PSI Growth

“PSI Growth” from Period A to Period B shall be equal to the sum of (i) one, plus (ii) the percentage difference, expressed as a decimal and rounded to the nearest hundredth of 1%, between PSI for Period A and PSI for Period B (the “PSI Percentage Increase”), minus (iii) an “Expense Credit”, expressed as a decimal, determined as follows:

PSI Percentage Increase	Expense Credit
Less than 7.00%	3.00%
Equal to or greater than 7.00% but less than 7.50%	2.00%
Equal to or greater than 7.50% but less than 8.00%	1.50%
Equal to or greater than 8.00%	1.00%

provided, however, that in no event may the result of a Tournament’s PSI Growth calculation for any period be less than zero.

c. Capital Credits

The purpose of “Capital Credits” is to provide an incentive for Tournaments to make capital investments in their stadia and other facilities. For 2023, the Capital Credit for any Tournament shall be equal to the actual amount of depreciation for all capital items (determined in accordance with IFRS or US GAAP (as such terms are defined below), as applicable) for Pre-Approved Capital Projects (as defined below) to the extent recorded by a Tournament or its Tournament Affiliate in accordance with IFRS or US GAAP (as applicable), applied on a straight-line method over the depreciable life of the applicable capital item (not to exceed 20 years) commencing with the first Tour Year in which such capital item is placed in service by the applicable Tournament or Tournament Affiliate.

For any Tournament that has multiple Capital Credits, the Capital Credits each year are limited to the amount of the Tournament’s annual PSI increase. Any unused or unrealized Capital Credits will not be carried forward to subsequent years.

For example, if a Tournament has Capital Credits of \$45,000 in 2022 and \$25,000 in 2023, the Tournament’s PSI increase before the Capital Credit would have to be at least \$45,000 in 2022 and \$70,000 (\$45,000 plus \$25,000) in 2023 in order to receive the full Capital Credit. If the Tournament’s PSI increase from 2022 to 2023 before the Capital Credit was \$55,000, its Capital Credit would be limited to \$55,000.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

“IFRS” means International Financial Reporting Standards, consistently applied.

“Pre-Approved Capital Projects” are those capital projects that (a) are placed in service by a Tournament or Tournament Affiliate on or after January 1, 2009, (b) constitute improvements to a Tournament’s tennis stadium, arena or other facility that the Tournament demonstrates to the satisfaction of the PMF Committee is likely to result in growth in PSI, and (c) are approved in advance by the Board of Directors upon the recommendation of the PMF Committee.

“US GAAP” means United States generally accepted accounting principles, consistently applied.

d. Tournament Affiliates

For purposes of this Section XIV, the term “Tournament Affiliate” means, with respect to any Tournament, any entity that is (a) involved in the operation, marketing or broadcast of such Tournament’s event and (b) either (i) an operator of such Tournament, or an owner of, or an entity that controls, in either case whether directly or indirectly, a 30% or greater equity interest in such Tournament (an “Owner/Operator”), (ii) an entity in which an Owner/Operator owns, directly or indirectly, a 30% or greater equity interest, or (iii) otherwise in control of, controlled by or under common control with any Owner/Operator.

Any and all revenues received by a Tournament Affiliate of any Tournament shall be included in the calculation of PSI, as if such revenues had been received by such Tournament itself, subject to exclusions for Non-WTA activity as described below.

The PMF Committee shall review all of a Tournament’s transactions with its Tournament Affiliates that the Tournament reports in accordance with Section XIV.B.7 and determine whether any revenue from those transactions is, or should be, PSI.

e. Other Definitions

For purposes of this Section XIV:

- i. The term “Barter” shall mean the value of any trade for goods or services receivable by a Tournament or Tournament Affiliate in exchange for any of the revenues that are included in the calculation of PSI under Section XIV.B.5.a. All Barter, regardless of whether the Barter is utilized by the Tournament or by the

FINANCIAL

Tournament Affiliate, shall be included in the calculation of PSI, except for the following:

- (a) any Barter consisting of media commitments for promotional time or space that are not for resale and are used solely (a) to promote the Tournament, (b) to promote the WTA or any related event or activity of the Tournament that generates PSI, (c) to promote charitable or not-for-profit organizations or agencies that are unrelated to the Tournament or Tournament Affiliate, or (d) for public service announcements;
 - (b) any Barter that is both used to satisfy the Tournament Standards of Performance and is for the direct benefit of the players. Such direct player benefits include, but are not limited to, hotel accommodations; player transportation; player food, meals and beverages; lounge for players; internet access for players; and gifting and on-court supplies for players; and
 - (c) any Barter that is transferred to a third party as part of an agreement that produces revenues that are included in the calculation of PSI under Section XIV.B.5.a.
- ii. The term "Television Rights" means any and all rights to transmit the audio-visual depictions of matches, whether whole or partial, for reception by the public by any means and in any form now known or hereafter devised. "Television Rights" shall include the right to transmit such depictions to "in-flight" devices, computers, cellular telephones, handhelds, PDAs and other mobile devices capable of receiving the transmission of such depictions.
 - iii. The term "Taxes" means any and all taxes, surcharges, levies, impositions and other charges imposed or assessed on any Tournament or Tournament Affiliate by any governmental or quasi-governmental authority that are not refunded to, or otherwise received as a benefit by, such Tournament or Tournament Affiliate in any form, except for any taxes, surcharges, levies, impositions and other charges that (x) are imposed or assessed on the total income or revenues of any person or entity, or (y) are imposed or assessed specifically on or against the activities conducted by such Tournament or Tournament Affiliate at the site of the event, or any income, revenues, profits or other consideration generated there from (unless the tax, surcharge, levy, imposition or charge applies to the same or similar activities conducted by a reasonably broad range of other businesses or

persons in the applicable jurisdiction or income, revenues, profits or other consideration therefrom, and otherwise qualifies under this definition of "Taxes").

- iv. The term "Ticketing Fees" means any and all fees, convenience charges, surcharges or other charges imposed on any Tournament or Tournament Affiliate by any ticketing agent on the purchase of tickets or other Admission Rights that are not refunded to such Tournament or Tournament Affiliate.

6. PMF Committee

- a. A committee ("PMF Committee") shall be appointed as provided below to assist in all matters relating to the establishment, implementation, interpretation, administration and calculation of the PMF.
- b. The PMF Committee will consist of (a) one (1) Player Board Representative selected by a majority vote of the Player Board Representatives (the "Player Representative Member"), (b) one (1) designee of the Player Board Representatives, who shall be selected by a majority vote of the Player Board Representatives and shall have experience in accounting matters (together with the Player Representative Member, the "Player Committee Members"), (c) one (1) Tournament Board Representative selected by a majority of the Tournament Board Representatives (the "Tournament Representative Member"), (d) one (1) designee of the Tournament Board Representatives, who shall be selected by a majority vote of the Tournament Board Representatives and shall have experience in accounting matters (together with the Tournament Representative Member, the "Tournament Committee Members"), and (e) the CEO. Members of the PMF Committee (other than the CEO) may be removed and replaced at any time by (x) in the case of any Player Committee Member, a majority vote of the Player Board Representatives, and (y) in the case of any Tournament Committee Member, a majority vote of the Tournament Board Representatives. Only the Player Representative Member and the Tournament Representative Member shall be entitled to vote in any proceedings or deliberations of the PMF Committee. The other members of the PMF Committee will be entitled to participate in all such proceedings and deliberations (unless otherwise mutually determined by the Player Representative Member and the Tournament Representative Member) but shall not be entitled to vote.
- c. Subject to Section XIV.B.6.f below, the PMF Committee will be responsible, in the first instance, for determining any and all issues that may arise from time to time with respect to the establishment,

FINANCIAL

interpretation, implementation, administration or calculation of the PMF. All decisions and actions of the PMF Committee shall be determined by the unanimous vote of the Player Representative Member and the Tournament Representative Member. In the absence of such a unanimous vote, the PMF Committee shall not be deemed to have made any decision or taken any action. A quorum shall exist only when both the Player Representative Member and the Tournament Representative Member are present; in the absence of such a quorum, the PMF Committee shall not conduct any business whatsoever. The PMF Committee shall, if requested by any member of the PMF Committee or any member of the Board of Directors, set forth its decision in a written memorandum. Notwithstanding anything to the contrary in this Section XIV.B.6.c, for any PMF Committee decision or action that requires the unanimous vote of the Player Representative Member and the Tournament Representative Member, the PMF Committee may make such decision or take such action without a meeting upon the unanimous consent of the Player Representative Member and the Tournament Representative Member, which may be written or electronic and, as long as it is submitted with information from which authorization can be determined, will have the same effect as the unanimous vote of the Player Representative Member and the Tournament Representative Member.

- d. The PMF Committee shall also be responsible for (a) appointing an independent accounting firm (the "Independent Accountant") to assist the PMF Committee in developing and overseeing the system of Tournament reporting, to perform certain procedures on Tournament reports, to report on the results of such procedures and to assist the PMF Committee in its calculation of the Minimum Player Compensation utilizing information reported by the Independent Accountant through such procedures (together with any other information otherwise received by the Independent Accountant and as the PMF Committee may determine from time to time), (b) recommending in advance any Capital Credits for eligible capital projects, and (c) reviewing and ratifying the Independent Accountant's calculation of the Minimum Player Compensation for each Tour Year in accordance with this Section XIV.
- e. The PMF Committee shall meet or consult with representatives of the Independent Accountant at least four (4) times (quarterly) during each Tour Year, including (a) at least once prior to March 31 of the Tour Year to review the scope of the Procedures (as defined below) and (b) again to review the results of the Procedures prior to finalizing the calculation of Minimum Player Compensation for Individual Tournaments the following Tour Year.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- f. If the PMF Committee does not resolve an issue by the unanimous vote of the Player Representative Member and the Tournament Representative Member required under Section XIV.B.5.c within 90 days after the issue has been disclosed to the PMF Committee (unless such period is extended for a further defined period by the PMF Committee in accordance with Section XIV.B.6.c above), the matter shall be referred to an independent mediator (the “Mediator”). The Mediator shall not have any relationship to the WTA (including, without limitation, any relationship to or with any member of the WTA, any member of the PMF Committee, the Independent Accountant or WTA management) that could reasonably be expected to interfere with the exercise of such person’s independent judgment. The Mediator shall be appointed by the unanimous consent of the Board of Directors, after consultation with the CEO. If the Board of Directors is unable to agree on the appointment of the Mediator within a reasonable period of time, either the Player Representative Member or the Tournament Representative Member may request that the Mediator be appointed by the AAA. The Mediator shall serve for a defined term of no less than one (1) year (or a term of one (1) year, if appointed by the AAA), but may be discharged at any time by the unanimous consent of the Player Board Representatives and the Tournament Board Representatives. All proceedings conducted by or otherwise involving the Mediator shall be conducted in a cost-effective manner, with presentations by videoconference whenever such means are less costly than a live hearing. The Mediator shall set forth his or her recommended resolution in a written memorandum within sixty (60) days of the date the mediation commenced (unless such period is extended for a further defined period with the unanimous consent of the Board of Directors). If the issue is not fully resolved by the unanimous vote of the Player Representative Member and the Tournament Representative Member required under Section XIV.B.5.c within ten (10) days after the Mediator’s issuance of his or her recommended resolution, any Player Board Representative, any Tournament Board Representative, the WTBA or any Tournament may refer the issue to arbitration for final and binding resolution in accordance with Section XIX.A below. The recommendation of the Mediator shall be kept strictly confidential, and shall not be disclosed to or considered by any arbitrator appointed pursuant to Section XIX.B.

7. Reporting System

- a. On an annual basis, each Tournament shall prepare and submit to the Independent Accountant and PMF Committee a complete report of its actual PSI and other financial results for such event (including all business and operations related to the event conducted by any

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

Tournament Affiliate), in the form prescribed from time-to-time by the PMF Committee (a “Final Report”) no later than 120 days after the conclusion of the Tournament; provided, however, that a Tournament may apply to the PMF Committee for a reasonable extension of the deadline to file its Final Report in extraordinary circumstances (e.g., force majeure, significant data loss or system failure, etc.), which the PMF Committee may approve or reject in its sole discretion. A Tournament that fails to submit its Final Report within 120 days after its conclusion is subject to a fine in accordance with Section XIV.B.10.

- b. Unless otherwise determined by the PMF Committee, all Final Reports and Supplemental Information (as defined below) shall be prepared in accordance with IFRS (or, with respect to any Tournament held in the United States, US GAAP), this Section XIV, and the instructions to the Final Reports and Supplemental Information (collectively, including IFRS or US GAAP (as applicable) and this Section XIV, the “Reporting Requirements”). To the extent of any conflict or inconsistency between IFRS or US GAAP and the terms of this Section XIV or any instructions to the Final Reports or Supplemental Information, the terms of this Section XIV or such instructions shall control.
- c. All Final Reports shall be certified by the principal owner of the Tournament and the Tournament’s tournament director as fairly presenting, in all material respects, the results of operations of the Tournament (including all business and operations conducted by any Tournament Affiliate), in accordance with the Reporting Requirements. If at any time the principal owner, tournament director, or any accounting or financial employee, contractor, or agent of a Tournament learns of an error in a Final Report or any other document or information submitted to the PMF Committee, the Tournament must disclose the error to the PMF Committee and the Independent Accountant. For clarity, each principal owner and tournament director must advise its accounting and financial employees, contractors, and agents of their obligations to disclose such errors, and each Tournament is solely responsible for the contents of its Final Report and any other documents or information it submits to the PMF Committee.
- d. The Independent Accountant shall review each Tournament’s financial results and the reasonableness of any estimates or projections of revenues, expenses or Capital Credits included in the Final Reports and may propose adjustments to such estimates or projections as the Independent Accountant deems appropriate; provided, however, that subject to Section XIV.B.6.f, the determination of all calculations shall

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

be made by the PMF Committee. Furthermore, the PMF Committee may require any Tournament to submit such supplemental financial or other information or reports as the PMF Committee may request from time-to-time ("Supplemental Information").

- e. The Independent Accountant shall issue a report on each Tournament's Final Report (and Supplemental Information, as applicable) to the PMF Committee. The PMF Committee shall determine each Tournament's Minimum Player Compensation for the following Tour Year in accordance with the PMF and based on the actual PSI and other financial results set forth in the Final Report (and Supplemental Information, as applicable). Such determinations shall be calculated individually for each Tournament and communicated to each Tournament as follows:
 - i. Projected calculation of the following Tour Year's MPC will be provided to the Tournament within 30 days after the Tournament's submission of their Final Report for the prior year; and
 - ii. The final level of MPC for the following Tour Year will be provided to the Tournament at the next quarterly meeting of the PMF Committee.
- f. The PMF Committee may from time-to-time, subject to Section XIV.B.6.f, promulgate, amend and modify rules and interpretations under this Section XIV, including, without limitations, financial reporting procedures and requirements and the forms for the Final Reports.

8. Accounting Rules

- a. PSI shall be calculated exclusively pursuant to the accrual method of financial accounting and not, for any purpose, the cash method of financial accounting.
- b. For the purpose of calculating PSI, any Barter shall be valued at the fair market value of the goods or services received by the Tournament or Tournament Affiliate.
- c. If any Tournament or Tournament Affiliate receives guaranteed cash payments (including any up-front or lump-sum payment) in the first year of any agreement that produces PSI that exceeds the average annual guaranteed cash payments due under such agreement (which average shall be calculated by dividing the aggregate guaranteed cash payments payable under such agreement, including the guaranteed

FINANCIAL

cash payments payable in the first year, by the total number of years of the scheduled term of the agreement, excluding options to extend and customary early termination rights), the amount of such excess shall be deemed to have been received ratably by such Tournament or Tournament Affiliate over the scheduled term of such agreement, unless such scheduled term exceeds seven (7) years, in which case, such amount shall be deemed to have been received ratably over the first seven (7) years of such scheduled term, with interest at an appropriate rate determined by the PMF Committee.

- d. If any Tournament or Tournament Affiliate receives guaranteed cash payments in any other year of any such agreement that exceed the average annual guaranteed cash payments due under such agreement (calculated as described in Section XIV.B.8.c above), the PMF Committee may, subject to Section XIV.B.6.f, allocate such excess over any period during the scheduled term of the agreement as the PMF Committee deems appropriate. Furthermore, if the PMF Committee determines that the payment schedule in any multi-year agreement is disproportionate to the allocation of rights or benefits receivable or conveyed thereunder (allowing for reasonable annual payment increases), the PMF Committee may, subject to Section XIV.B.6.f, reallocate such payments over such period as the PMF Committee deems appropriate.
- e. Any and all revenues receivable by a Tournament Affiliate of any Tournament shall be included in the calculation of PSI, as if such revenues had been receivable by such Tournament itself, subject to Section XIV.B.8.f below.
- f. PSI shall only include those revenues that are attributable to a WTA Tournament and shall exclude revenues to the extent they are attributable to any other events (other than events that are held as a part of, or in connection with, a WTA Tournament, such as, without limitation, a concert held at the Tournament site during and as part of the Tournament). For clarity, revenues (including but not limited to admission rights, sponsorship, and broadcast revenues) from celebrity pro-ams, legends matches, and similar events held during the WTA Tournament week at the Tournament's facilities (whether before, during, or after Tournament sessions) are PSI. The PMF Committee shall, subject to Section XIV.B.6.f, determine the allocation of any payments receivable by any Tournament or Tournament Affiliate between (x) those amounts that are attributable to a WTA Tournament and (y) those amounts that are attributable any ATP or other men's tournament held by such Tournament or any of its Tournament Affiliates or any other events for which the payor has acquired rights.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- g. For Tournaments that are played simultaneously with an ATP tournament (combined) or before/after an ATP tournament (back-to-back), any domestic broadcasting and/or sponsorship contracts sold by the parent company that include broadcasting/sponsorship elements combined for both the WTA and ATP events shall be recorded in PSI at 50% of the total value of the shared contracts.

If a Tournament has domestic broadcasting contracts which separately cover the WTA and ATP events, PSI shall include 100% of the revenues related to the WTA contract and all revenues related to the ATP contract shall be excluded from PSI.

Any other revenues which are generated during the ATP and WTA tournaments (e.g., admission rights) shall be recorded in PSI at 50%, unless the Tournament is able to specifically identify the revenues related to only the WTA Tournament, in which case these WTA specific revenues shall be included in PSI at 100%.

Subject to Section XIV.B.3.d, this methodology shall be applied consistently for each reporting Tour Year.

- h. If the PMF Committee determines that any Tournament or any of its Tournament Affiliates has entered into one or more transactions for the purpose of circumventing the PMF, the Tournament shall be subject to an appropriate remedy as determined by the Board of Directors upon the recommendation of the PMF Committee (including, without limitation, the imposition of an appropriate Fine and/or the reallocation or imputation of PSI in one or more Tour Years).
- i. Complimentary tickets and other Admission Rights shall be excluded from PSI, up to a maximum per Tour Year determined on an annual basis by the PMF Committee based on historical averages.
- j. Any recovery by any Tournament or Tournament Affiliate under any business interruption insurance policy or any other insurance policy shall be included in PSI, but solely to the extent that such recovery compensates such Tournament or Tournament Affiliate for lost revenues that would otherwise have been included in PSI. The amount of such recovery shall be included in PSI net of any premiums paid for the policies under which such party recovers, any deductible and any unreimbursed out-of-pocket expenses arising out of or related to the events giving rise to such recovery.
- k. All revenues described in this Section XIV shall be based on the Tournament's local currency; provided, however, that if a

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

Tournament's local currency is not the U.S. dollar, then any revenues received in U.S. dollars (e.g., payments from the WTA for commercial benefits and television) must be converted to the Tournament's local currency based on the average daily exchange rate for the 12-month period immediately prior to the Tournament's end date in a given Tour Year (or, with respect to any revenues accrued but not actually received, the year of such accrual).

I. Discovery of and Adjustments for Prior Year Transactions

If at any time the PMF Committee discovers that an amount of a Tournament's revenue from a prior Tour Year was misstated because either it should have been included in its PSI and was not included in its PSI for that Tour Year or it should not have been included in its PSI and was included in its PSI for that Tour Year, then beginning with the first Tour Year in which the applicable revenue was misstated (up to a maximum of three (3) Tour Years prior to the current Tour Year unless the PMF Committee determines that a material amount of revenue was excluded from an earlier Tour Year) ("Misstatement Year"):

- i. the Tournament's PSI for each Tour Year from the Misstatement Year through the Tour Year immediately preceding the current Tour Year must be restated with the correct revenue ("Restated PSI"); then
- ii. the Tournament's MPC for all Tour Years from the Misstatement Year through the Tour Year immediately preceding the current Tour Year must be recalculated using the applicable Restated PSI ("Restated MPC"); then
- iii. the total difference between the prior Tour Years' original (i.e., not using the Restated PSI) and Restated MPCs ("Prior Year True-Up") must be applied as an increase or decrease to the current Tour Year's MPC calculation, resulting in an "Adjusted MPC" for the current Tour Year (which cannot be less than the Tournament's minimum MPC for the current Tour Year per Section XIV.B.1, 2, or 3.b, as applicable); then
- iv. the Restated MPC for all applicable Tour Years (including the current Tour Year) must be used to calculate the Tournament's MPC for all future Tour Years (i.e., the Prior Year True-Up and current Tour Year's Adjusted MPC must not be used in calculating the MPC for any future Tour Year); and then

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- v. if any misstatement or omission
- (a) by an All Other WTA 1000 Mandatory Tournament causes its Restated PSI in any Tour Year to be at least three and one-half percent (3.5%) higher or lower than its original PSI from that Tour Year; or
 - (b) by a WTA 500 Tournament causes its Restated PSI in any Tour Year to be at least five percent (5%) higher or lower than its original PSI from that Tour Year

(either of the foregoing a “Material Misstatement”), then the Tournament is subject to disciplinary action in accordance with Section XIV.B.10 below.

As an example, assume that WTA 500 Tournament A had a 2017 MPC of \$816,121 and a 2018 MPC of \$846,632 and during the 2018 Tour Year reported to the PMF Committee that \$40,000 of taxes should have been included in its 2016 PSI reporting as a \$40,000 decrease to its 2016 total PSI of \$6,550,000.

Tournament A’s 2019 (current Tour Year) MPC would be calculated by:

- restating its 2016 PSI as \$6,510,000 to reflect the \$40,000 error in taxes (i.e., $\$6,550,000 - \$40,000 = \$6,510,000$); then
- recalculating its 2017 MPC with its 2016 Restated PSI, resulting in a Restated 2017 MPC of \$813,497, and then subtracting its original 2017 MPC from its Restated 2017 MPC to yield a 2017 Prior Year True-Up of \$2,624 (i.e., $\$813,497 - \$816,121 = (-\$2,624)$); then
- recalculating its 2018 MPC using its Restated 2017 MPC, resulting in a Restated 2018 MPC of \$844,028, and then subtracting its original 2018 MPC from its Restated 2018 MPC to yield a 2018 Prior Year True-Up of \$2,604 (i.e., $\$844,028 - \$846,632 = (-\$2,604)$); then
- adding the 2017 Prior Year True-Up and 2018 Prior Year True-Up to yield a total Prior Year True-Up of (-\$5,228) (i.e., $(-\$2,624) + (-\$2,604) = (-\$5,228)$); then
- calculating the Tournament’s Restated 2019 MPC using the Restated 2017 MPC and Restated 2018 MPC (assume the result is a 2019 Restated MPC of \$859,286); then

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- adding the total Prior Year True-Up to its Restated 2019 MPC, resulting in a 2019 Adjusted MPC of \$854,058 (i.e., $\$859,286 + (-\$5,228) = \$854,058$).

For 2019, Tournament A's 2019 Adjusted MPC (\$854,058) would be the MPC that the PMF Committee recommends to the Board of Directors.

For calculating Tournament A's 2020 MPC and all future Tour Years' MPCs, its 2019 Restated MPC (\$859,286) is used and its 2019 Adjusted MPC (\$854,058) is ignored.

As its 2016 Restated PSI is approximately 0.61% ($1 - (\$6,510,000 / \$6,550,000) = .0061 = .61\%$) lower than its original 2016 PSI and its 2019 Adjusted MPC is approximately 0.61% ($1 - (\$854,058 / \$859,286) = .0061 = 0.61\%$) lower than its 2019 Restated MPC, Tournament A would not be subject to a fine in accordance with Section XIV.B.10 below.

- m. The PMF Committee may, subject to Section XIV.B.6.f, develop such additional accounting rules and procedures as it may deem appropriate from time-to-time.

9. Review Procedures

The PMF Committee (through the Independent Accountant) and the WTBA (through an independent public accounting firm selected and engaged by the WTBA for such purpose ("WTBA Accountant")) shall each have the right to perform procedures on the books and records of each Tournament and its Tournament Affiliates to confirm that such Tournament's Final Reports are complete and accurate, subject to and in accordance with the provisions of this Section XIV.B.9.

The PMF Committee shall agree upon and instruct the Independent Accountant to perform certain procedures on the Final Reports and other financial information submitted by the Tournaments, which procedures may be modified or supplemented by the PMF Committee from time-to-time ("Procedures"). Each Tournament shall be subject to the Procedures at least once every three (3) years, but the PMF Committee may instruct the Independent Accountant to perform the Procedures on any Tournament more frequently if it so determines in its discretion.

For any Tour Year, the WTBA shall have the right to require the Independent Accountant to perform the Procedures on any Tournament on which it has not yet performed the Procedures for such Tour Year. In addition, after the Independent Accountant performs the Procedures on

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

a specific Tournament, the WTBA Accountant (at the WTBA's direction and expense) shall have the right to review the Independent Accountant's work papers for such Procedures and, together with a representative of the Independent Accountant and the WTA and in accordance with the Procedures, to require additional data and documentation from and to conduct on-site interviews with the tournament director and staff of such Tournament regarding issues that, in the PMF Committee's discretion, are relevant to the calculation of such Tournament's MPC and the PMF. The WTBA's rights under this paragraph extend to a maximum of three (3) Tournaments per Tour Year; provided, however, that the WTBA shall not exercise such rights on a specific Tournament more than once in any three (3) Tour Year period unless the previous Procedures by the Independent Accountant or review by the WTBA Accountant revealed that such Tournament's Final Report contained any material misstatement or material omission (as determined by the PMF Committee, subject to Section XIV.B.6.f).

Each Tournament and its Tournament Affiliates shall make available to the PMF Committee, the Independent Accountant, the WTBA Accountant (subject to the immediately preceding paragraph of this Section XIV.B.9), and their respective agents copies of all documents, agreements, financial statements, books and records relating to the Tournament's PSI, Non-PSI, Non-WTA revenues, Capital Credits and other financial results, including any and all work papers of its accountants. No Tournament or Tournament Affiliate shall enter into any agreement that would prohibit or restrict such Tournament or Tournament Affiliate from providing such materials to such parties, limit such parties' access to such materials, or otherwise preclude or impair the ability of the PMF Committee to calculate or review the Minimum Player Compensation.

Any Procedures performed on a Tournament undertaken by the PMF Committee (through the Independent Accountant) or review by the WTBA under this Section XIV.B.9 may encompass such Tournament's three (3) most recently completed Tour Years and will include all transactions and other information directly or indirectly related to such Tournament's event with respect to those Tour Years, but may not include any transactions or other information that relates exclusively to any prior period. In the event that the Independent Accountant or the WTBA Accountant requests any document or other information from any Tournament or Tournament Affiliate with respect to any transaction that the Tournament asserts relates exclusively to a period prior to the start of the three (3) most recently completed Tour Years, the PMF Committee may require the Tournament to make a sufficient showing of the pertinent time period of such transaction without having to disclose to the Independent Accountant or WTBA Accountant the substance of the underlying transaction (e.g., by disclosing the time period or "term" provision of a requested contract).

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

10. Compliance

- a. Any Tournament that fails to submit its Final Report to the PMF Committee by its 120-day deadline is subject to a fine in accordance with the following chart:

Tournament Category	Fine Amount	
	Missed Deadline	Increase for Each 7 Calendar Days after Deadline
All Other WTA 1000 Mandatory	\$10,000	\$1,000
WTA 500	\$5,000	\$500

In addition, for each consecutive Tour Year in which a Tournament misses its 120-day deadline, its applicable Missed Deadline fine in the chart above doubles.

For example, if an All Other WTA 1000 Mandatory Tournament misses its 120-day deadline in a Tour Year, does not submit its Final Report until 14 calendar days after that deadline, and met its deadline the prior Tour Year, then its applicable fine is \$12,000 ($\$10,000 + (\$1,000 \times 2) = \$12,000$).

As another example, if a WTA 500 Tournament misses its 120-day deadline for the second consecutive Tour Year and does not submit its Final Report until 28 calendar days after that deadline, then its applicable fine is \$12,000 ($(\$5,000 \times 2) + (\$500 \times 4) = \$12,000$).

- b. Any Tournament that submits to the PMF Committee or the Independent Accountant a Final Report, Supplemental Information, or any other document or information on which the PMF Committee or Independent Accountant reasonably relies in determining its MPC that contains any Material Misstatement(s) is in breach of the Tournament Standards of Performance and is subject to disciplinary action in accordance with Section XVIII.A.49 that, subject to the PMF Committee's discretion, must include a fine equal to the greater of \$2,500 or fifty percent (50%) of its Prior Year True-Up related to such Material Misstatement(s), but no greater than \$100,000.
- c. If in its sole discretion the PMF Committee determines that a Tournament otherwise violates the PMF, then the Tournament is in breach of the Tournament Standards of Performance and is subject to disciplinary action in accordance with Section XVIII.A.49.

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

- d. A Tournament shall pay any fine(s) levied under Sections XIV.B.10.a-c above in accordance with Section XVIII.A.49.b.iv. A Tournament may appeal any fine(s) or other sanction(s) levied under Sections XIV.B.10.a-c above in accordance with Section XVIII.A.49.
- e. In addition to any sanctions under Sections XIV.B.10.a-c above, any willful noncompliance with the terms of the PMF is grounds for disqualification under and in accordance with Section XII.H.1.

11. Expiration

Notwithstanding anything to the contrary in this Section XIV or any other provision of this Rulebook, all of the provisions of this Section XIV.B shall be applicable for the 2023 Tour Year and automatically extend for additional Tour Years subject to this Section XIV.B.11.

No later than January 31 of any Tour Year either the Player Board Representatives or the Tournament Board Representatives may submit a request to the CEO for a meeting between the Player Board Representatives and the Tournament Board Representatives to discuss whether to terminate the provisions of this Section XIV.B following the end of such Tour Year. Following such meeting, either (a) a majority of the Player Board Representatives or (b) a majority of the Tournament Board Representatives may each elect to terminate the provisions of this Section XIV.B by giving written notice to the other members of the Board of Directors not later than May 31 of such Tour Year. In the event such a termination notice is given, the provisions of this Section XIV.B shall remain effective notwithstanding such notice through the end of the Tour Year in which such notice is given and such termination shall become effective on the start of the immediately following Tour Year. However, unless a termination notice is delivered by May 31 of any Tour Year, this Section XIV.B shall automatically be extended and shall remain in effect for the entirety of the following Tour Year (in which case, the guaranteed minimum amounts in Section XIV.B will be increased for each successive Tour Year in the same proportion as the prior increases in such amounts).

C. WTA 250 TOURNAMENTS

1. Minimum Player Compensation

For the 2023 Tour Year, each WTA 250 Tournament must pay MPC of at least \$318,000. The MPC for WTA 250 Tournaments increases by three percent (3%) each Tour Year (rounded to the nearest \$1,000).

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

2. Increased Prize Money

WTA 250 Tournaments shall have the option to increase their prize money to allow more than one (1) Top 10 Player to play singles and/or doubles in the Tournament. Tournaments must increase prize money by \$250,000 for each additional Top 10 Player accepted into the draw. Prize money increases will be distributed in accordance with Section XV.D. Tournaments may notify the WTA anytime up until the Qualifying Sign-In deadline of their decision to increase prize money above the minimum.

The WTA will not accept additional Top 10 Player entries until the Tournament provides written notice to the WTA confirming the required prize money increase.

Regardless of whether any Top 10 Player(s) withdraw(s), a WTA 250 Tournament may not reduce its prize money if:

- a. the Tournament accepts an additional Top 10 Player at the Main Draw Entry Deadline;
- b. the Tournament publicly announces the prize money increase; or
- c. the Qualifying Sign-In Deadline has passed.

3. Top 10 Player Delivery

An increase in the WTA 250 Tournament's minimum prize money will not alter the Top 10 Player Delivery requirements set out in Section II.B above.

D. NOT A MAXIMUM

Nothing in this Section XIV shall prevent a Tournament from paying player compensation in excess of the Minimum Player Compensation. For the avoidance of doubt, in the event any Tournament has been approved to pay player compensation in excess of the Minimum Player Compensation, and the Minimum Player Compensation increases from the prior Tour Year, such Tournament will not be required to increase its player compensation further. (For example, if a Tournament is paying 110% of the Minimum Player Compensation and the Minimum Player Compensation increases by 5%, such Tournament will not be required to increase its player compensation for that Tour Year.)

If in any Tour Year a Tournament voluntarily pays player compensation greater than its PMF-calculated MPC for that Tour Year, the calculation of that Tournament's MPC in future Tour Years must use its PMF-calculated

FINANCIAL
SECTION XIV - PRIZE MONEY FORMULA

MPC for all prior Tour Years (i.e., any player compensation greater than its PMF-calculated MPC that the Tournament voluntarily paid is not included in the calculation of its MPC in future Tour Years). For example, if a WTA 500 Tournament's 2023 PMF-calculated MPC is \$1,200,000 but it pays 2023 player compensation of \$1,500,000, then for purposes of calculating that Tournament's 2024 MPC, its 2023 MPC is \$1,200,000 (and not \$1,500,000).

E. AMENDMENT

Notwithstanding anything to the contrary in this Section XIV or any other provision of this Rulebook, the terms of this Section XIV may only be amended by the Board of Directors in its sole discretion, provided, that any amendment to this Section XIV shall be deemed to be a "Supermajority Matter" for purposes of the By-laws and this Rulebook.

2. Applicability to Players under the Age Eligibility Rule

- a. Within sixty (60) days before or thirty (30) days after a WTA 1000 Mandatory, WTA 500, or WTA 250 Tournament (including the

CODE OF CONDUCT
SECTION XVII - CODE OF CONDUCT

WTA Finals) and the Exhibition/Non-WTA Event is located either (i) within 125 miles/200 kilometers, measured linearly, of the site of the Tournament, or (ii) within the same generally recognized market area of the Tournament, as determined by the CEO;

- b. During the same week a WTA 1000 Mandatory, WTA 500, or WTA 250 Tournament (including the WTA Finals) is scheduled; or

CODE OF CONDUCT
SECTION XVII - CODE OF CONDUCT

- b. A Player shall not be subject to the applicable Exhibition/Non-WTA Event fine if her entry in the applicable week would not have been accepted into the respective Tournament by virtue of the better of her WTA Singles Ranking or Singles Special Ranking being below the cutoff at the Main Draw Entry Deadline.

6. Waiver Consideration

Waiver requests should be submitted at least six (6) weeks prior to the Exhibition/Non-WTA Event but no later than one (1) week prior to the Exhibition/Non-WTA Event.

The CEO may consider such waiver requests according to the individual circumstances presented, including, without limitation, (i) the number of days over which the Exhibition/Non-WTA Event is scheduled, (ii) the television coverage of the Exhibition/Non-WTA Event, (iii) any marketplace conflicts, (iv) whether the Exhibition/Non-WTA Event could be reasonably expected to promote fan and media interest, excitement, and attendance at those WTA Tournaments nearest to where the event is to take place, and (v) the extent to which a Player's participation in the Exhibition/Non-WTA Event would (a) negatively impact the overall health of the WTA Tour or (b) lead to confusion among tennis fans, media, and others about the logic, flow, and progression of the WTA circuit and the importance of participation in WTA Tournaments.

The written notification to a Player of the CEO's decision on a waiver request shall include the reasons for such decision.

The Committee or Board of Directors may determine that an interpreter is required in the interest of fairness. If so, they may retain such person at the expense of the WTA. The Committee or Board of Directors, as appropriate, shall make a determination, which shall be supported by written findings.

d. Meetings of the Committee

The Committee shall be scheduled to meet in person or by teleconference at least two (2) times per year, at least one (1) meeting of which shall be scheduled to be held outside the United States, unless there are no matters scheduled to be heard at the time of any such meeting. f. Request for New Hearing

Notwithstanding Section XVII.G.3.e above, after the Committee or Board of Directors renders a decision on a Player's or Tournament Support Personnel's violation of this Code, the WTA, applicable Player, or applicable Tournament Support Personnel may submit a request to the WTA for the Committee or Board of Directors, as applicable, to grant a new hearing ("New Hearing") of such violation because of the discovery of information that: (i) was not known to the WTA or applicable Player or Tournament Support Personnel at the time of the Committee's or Board of Directors' original hearing on his or her violation; and (ii) is capable of causing the Committee or Board of Directors, as applicable, to render a different decision on the

g. Payment of Fines

Any fine imposed must be paid to the WTA within thirty (30) days of the final imposition, unless written extension of time is granted by the WTA. All unpaid fines at the end of the year will be subject to a penalty of 15% interest on the outstanding balance. Filing of an appeal will not prevent the WTA from deducting fines from player prize money or any payments due from the WTA to Tournaments, nor shall it delay the due date of any fine invoice.

The following is a list of recommended food groups:

i. Carbohydrates (60% of total calorie intake)

13. Hotel Rooms/Per Diem – Player

a. Official Hotel Location and Transport Requirements

Tournaments will establish an official hotel that meets the standard requirements of the WTA. Hotels must be located in a secure and safe area. Motels or any accommodations that require entrance to rooms from the street or public outdoor walkways are not acceptable. Transport must be provided to and from the official hotel to the Tournament site.

b. Hotel Rates and Availability

Each Tournament should use its best effort to arrange for discounted or complimentary accommodations. If the official hotel daily rate for a double room (2 persons in room) including taxes and excluding breakfast is higher than the per day maximums below, then an alternative player hotel must be provided with a rate equal to or less than the rates below:

- i. US\$270 (€250 in Europe) at WTA 1000 Mandatory Tournaments;
- ii. US\$225 (€210 in Europe) at WTA 500 Tournaments; and
- iii. US\$200 (€185 in Europe) at WTA 250 Tournaments.

The maximum rates above are increased by \$15 (€15 in Europe) if breakfast is included.

Rates should be available the day before Qualifying commences until the conclusion of the Tournament.

Tournaments may apply to the WTA for relief from these hotel rate standards, which may be granted by the WTA on a case-by-case basis, depending upon local considerations which make compliance with such standards impractical and unrealistic.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

c. Alternate Hotel Location and Transport Requirements

The alternate hotel should be no more than 10-15 miles (or 10-15 minutes) from the Tournament site. Tournament transportation must be provided from the alternate hotel.

d. WTA Notification of Hotel Accommodations and Room Lists

The Supervisor should be notified by the Tournament of all housing arrangements. In addition, each Tournament shall provide the WTA with an official hotel room list.

e. Player Hotel Room Entitlement

Under the per diem rule, each player competing in the Main Draw (singles or doubles) at all WTA Tournaments and the Qualifying at WTA 1000 Mandatory, WTA 500, and WTA 250 Tournaments shall be entitled to a double room, including room taxes, at one of the official hotels selected by the Tournament, provided that the player reserves her room through the Tournament's designated hotel booking process. Specific hotels for Qualifying and Main Draw may be designated by a Tournament.

If multiple players elect to share a room, each player in such room is still entitled to receive full per diem, with the players' per diem nights combined for such room. If a player does not use her per diem nights in her own room or a shared room, then she may designate the entirety of the nights in her per diem room to one (1) Player Support Team Member. In either case, per diem shall begin in accordance with sub-section h or i below. A player requesting either alternate arrangement should inform the Tournament at the time of hotel booking, but the arrangement is not guaranteed.

The Tournament shall only pay the per diem allowances through the official hotel(s). Payment to the players is prohibited. Tournaments may apply to the WTA for relief from this requirement, which will only be granted by the WTA if the Tournament agrees to make secure arrangements for per diem payments to underage athletes.

Players who reserve a hotel room through the Tournament's designated hotel booking process may not knowingly share their room with individuals who are provisionally suspended or serving a period of ineligibility under the Integrity Rules or these Rules unless it cannot reasonably be avoided. If a player is found to be in violation of this Rule, she will be fined an amount equal to her per diem for that Tournament. Such penalty shall be in addition to any penalties

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

that may be imposed for violating the prohibited association rules of the Integrity Rules.

f. Reservation Process and Deadlines

If a player does not make her hotel reservation in accordance with the Tournament's designated hotel booking process and by the deadline stated on the Tournament Fact sheet, she is not guaranteed a room or any discounted rate.

The hotel booking process must be clearly described on the Tournament Fact Sheet. The Tournament must ensure that a contact person is available by telephone and email starting at least six (6) weeks before the Tournament and the contact details must appear on the Tournament Fact Sheet.

g. Required Length and Timing of Hotel Stay

i. Minimum Per Diem Nights

The minimum numbers of nights for which singles and doubles Main Draw players shall receive hotel room/per diem is listed in the table below.

Tournament Category	Singles Main Draw	Singles Qualifying	Doubles Main Draw
WTA 1000 Mandatory - 10+ days	10	2	5
WTA 1000 Mandatory - 9 days	8	2	5
WTA 500 with a Qualifying draw of 24 or less	6	3	4
WTA 500 with a Qualifying draw greater than 24	6	2	4
WTA 250 with a Qualifying draw of 24 or less	5	3	4
WTA 250 with a Qualifying draw greater than 24	5	2	4
WTA 125	4	0	2

ii. Exception for Combined Events with ATP

WTA player hotel room/per diem at combined events shall be consistent with the WTA per diem rules, except where per diem provided under the ATP rules is greater, in which case the ATP per diem rule shall apply.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

h. Per Diem for Main Draw Players

A player's Main Draw per diem nights: (i) begin three (3) days* before the start of a Tournament's Main Draw or the day that she registers, whichever is later; and (ii) continue through the night of her final exit from the Tournament (e.g. last match, withdrawal, etc.) or the night that she reaches the minimum per diem nights to which she is entitled under this Rule, whichever is later. In all cases, the last night for which any player will receive per diem is the night of the Tournament's final match, whether or not she has received her minimum per diem nights.

*If the Main Draw starts Wednesday, then per diem begins Sunday; if the Main Draw starts Tuesday, then per diem begins Saturday; if the Main Draw starts Monday, then per diem begins Friday; if the Main Draw starts Sunday, then per diem begins Thursday; if the Main Draw starts Saturday, then per diem begins Wednesday; and so on.

i. Per Diem for Qualifying Players

Per diem nights for Qualifying will be counted from the day of the Qualifying Sign-In deadline.

Qualifiers shall be afforded hotel room/per diem through the later of the minimum number of nights or the night of the player's final exit from the Qualifying Draw, and successful Qualifiers shall be afforded the same hotel room/per diem as Main Draw players. However, nights used under the Qualifying per diem shall count towards the minimum number of nights to which a player is entitled under the Main Draw per diem. Regardless of the number of days played to qualify, successful Qualifiers shall receive per diem from the day of the Qualifying Sign-In through the night of a player's final exit (e.g., last match, withdraw, etc.) from the Main Draw, or until the minimum number of nights for a singles Main Draw player has been provided, whichever is later.

Players who play in the Qualifying but who do not qualify and then play in the Doubles Main Draw shall receive the applicable nights for Qualifying per the table in sub-Section g above in addition to the standard Doubles Main Draw per diem allowance.

j. Per Diem for Lucky Losers and Alternates

Each day, the highest ranked among the Lucky Losers (see Section V.A.1.a.vi) and Doubles Alternates (and singles Main Draw Alternates if there is no Qualifying) who have signed in to preserve

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

their eligibility shall receive hotel/per diem the same as Main Draw players.

This hotel/per diem starts as follows and continues through the night following the last day a Lucky Loser or Alternate, as applicable, is eligible to be awarded a spot in the Main Draw.

- i. For singles, hotel/per diem begins:
 - (a) For the highest ranked Lucky Loser, on the day the Main Draw starts; or
 - (b) For the highest ranked Alternate, on the day before the Main Draw starts.
- ii. For doubles, hotel/per diem for the highest ranked Doubles Alternate begins on the day of the Doubles Sign-In Deadline.

The hotel/per diem will fall to the next highest-ranked Lucky Loser or Alternate, as applicable, in the event the highest-ranked Lucky Loser or Alternate, as applicable, moves off the list (e.g., moves into the Main Draw), with the hotel/per diem beginning on the day the highest-ranked Lucky Loser or Alternate, as applicable, moves off the list.

k. Per Diem for Players Who Withdraw On-Site for a Medical Condition

Players who have withdrawn by any method for a Medical Condition on site before starting to compete (and such doubles players' partners) shall receive hotel/per diem as follows, provided that they have complied with all requirements of the applicable withdrawal according to Section IV.A.

Draw	Nights
Singles Qualifying	1
Singles Main Draw	2
Doubles Main Draw	2

At WTA/ATP combined events, Main Draw (singles and doubles) and Qualifying players who have withdrawn on-site for a Medical Condition before starting to compete and who are examined by the on-site Tournament Physician shall receive hotel/per diem through the night of the examination.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

I. Hotel Upgrade or Per Diem in Lieu of Accommodation Request

If the official hotel designated by the Tournament does not meet the standard requirements, the WTA may request an upgrade in accommodations to a hotel of that standard rating.

If the Tournament is unable or refuses to comply with this rule, then the WTA may choose the per day per diem (see Section XVIII.A.13.b) in lieu of hotel accommodations for a player who is entitled to a complimentary room.

m. Player Responsibility for Personal Expenses

A player is responsible for all hotel charges over and above those for the room rate and tax (double room or double room cost).

14. Hotel Rooms and Per Diem – WTA Staff

a. General

All rooms below shall be provided from the day before the Qualifying Sign-In through the final day of the Tournament. The Tournament shall be responsible for payment of hotel room taxes and resort or similar fees and the WTA staff and Supervisors shall be responsible for all incidental expenses. In addition, each Tournament should use best efforts to arrange for the player rate at the official hotel to be offered to WTA staff working at the Tournament.

b. WTA Tournaments

WTA Tournaments are required to provide three (3) complimentary hotel rooms for the WTA staff, which may be divided among the Supervisor, PHCP staff, and Massage Therapist. The allocation of WTA staff rooms, however, shall be determined by the WTA and communicated to the Tournament by the Supervisor.

c. WTA/ATP Combined Events

At WTA/ATP combined events, where ATP Supervisors receive a complimentary hotel room, per diem, and laundry service, the equal number of WTA Supervisors shall also receive similar complimentary accommodations and benefits. In addition to the complimentary hotel rooms and benefits provided to the tour Supervisors, all WTA/ATP combined events must provide the WTA and ATP each one (1) complimentary hotel room, which may be used for a PHCP or Massage Therapist.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

15. Internet Communication

In each instance in the Rules where a high-speed internet connection is required, it shall consist of an always-on, high-speed internet connection. A minimum total 1Mb/sec (mega bit per second) of available bandwidth must be available for the WTA offices and staff, including the Player Development and medical offices (e.g., Tournament Physician, PHCP, and Massage Therapist), unless otherwise approved by the WTA. User access via Ethernet or WiFi is recommended.

Tournaments are recommended to use web filtering technology to restrict access to internet gambling sites in all areas where internet access is provided by the Tournament.

16. Laptop Computers

The use of laptop computers within the confines of the Tournament match courts is strictly forbidden. The exception to this provision is properly credentialed media, Tournament vendors, and Tournament staff when used in the performance of their duties.

17. Laundry Service

Each Tournament shall provide laundry service to participating players from the first day of Qualifying until the completion of the Tournament. Laundry service may be limited to 'next-day wash & fold' service and may be provided on site and handled by the locker room attendants, or directly at the official hotel. Laundry service costs should be reasonable (whether per item or per bag), and must be approved by the WTA at least one (1) month prior to the Tournament.

18. Lighting

a. Specifications and Measurements

Lighting must be distributed evenly on the court, with the minimum and recommended standards as stated in the chart below.

	Required

*Or no lower than other non-show court lights at the facility.

It is the responsibility of the Tournament Director to ensure, upon final preparation of the tennis courts before the Tournament commences, that all court specifications, including lighting measurements, comply with the standards set forth in Appendix J – Light Measurements.

Measurements should be taken from approximately three (3) feet (0.914 meters) above the court.

The Supervisor has the authority to suspend play on any court if the intensity of illumination, in his/her judgment, is insufficient for Professional Tennis.

b. Second Court for Outdoor Night Matches

If an outdoor Tournament holds night sessions, a second match court with lighting that meets Tour standards will be required.

19. Live Scoring

Beginning with the Qualifying, each Tournament shall be responsible for providing live scoring services including the set up and maintenance of an encrypted scoring network with a signal throughout the venue, based on specifications provided by WTA, to support the live scoring services for each match of the event and will provide the WTA access to such signal and assist WTA in its efforts to produce and host the live score data generated from each match, including but not limited to by delivering the live scoring data directly to the WTA (or its designees) in the on-site TV compound. Each Tournament hereby consents to WTA's non-exclusive use of such live score data, subject to the restrictions below. Each Tournament must use a company approved by the WTA.

Tournaments shall not allow or authorize the dissemination, transmission, publication, or release from the grounds of the Tournament of any live match scores or related statistical data, including without limitation the live score data from the scoring network, by a third party until thirty (30) seconds after the actual occurrence of the incident of match play or action that leads to such live score update (e.g. a point being scored), such delay shall not be applicable to the live audio and/or visual broadcast or streaming by any method or means (i.e. moving pictures and/or sound/audio reporting of actual on-court action) and purposes related to such

In addition, each Tournament shall notify WTA in advance of any third party to whom the Tournament has granted access to the network used for live scoring for the purpose of accessing the live score data. Persons who are or work for data resellers shall not be issued credentials.

20. Locker Room

a. Facility Requirements

Each Tournament must provide a secure "Players Only" locker room facility (including toilets, showers, and other standard locker room amenities) adjacent to the Tournament site, suitable for women's use, to which only players and WTA staff will be admitted.

The locker room should have good ventilation and temperature control and must include changing and bathing rooms and afford privacy to the players. Lockers or other similar storage units must be provided in order for the players to lock up and secure their belongings.

Showers must have hot/cold water with appropriate reserves for players' use. It is recommended that locker rooms have individual showers with privacy stalls/curtains to allow for player privacy. Towels must be provided near the showers in the locker room.

The locker room must be kept clean, and sanitary and towel bins must be provided.

Additionally, it is requested that a submersion bath be located in the shower area for recovery purposes and emergency cooling of players at Tournaments where Extreme Weather Conditions exist. Tournaments seeking an exemption from any of the Tournament Standards of Performance must request the exemption from the WTA at least three (3) months in advance of the Tournament. Exemption requests must be sent in writing.

Breaches of the Tournament Standards of Performance and/or an apparent lack of ability to solve documented problems affecting the quality of the presentation of the Tournament shall result in a disciplinary penalty and/or loss or change in a Tournament's status as provided herein.

b. Violations/Procedures

i. Investigation of Alleged Violations

The WTA shall investigate any alleged violation of the Tournament Standards of Performance requirements.

ii. WTA Determination

The imposition of a warning, fine, or other penalty shall be determined by the WTA. Upon the completion of its investigation, the WTA shall determine the potential wrongfulness of the conduct of the Tournament involved and shall notify the Tournament of any violations and penalties. A copy of the WTA's decision shall be delivered to the Tournament.

Where a violation is capable of being cured in a timely manner, with timeliness being based on the circumstances, the WTA will provide the Tournament with the opportunity to cure a violation prior to issuing a determination.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

iii. Possible Penalties

Violations of the Tournament Standards of Performance shall subject a Tournament to one (1) or more of the following: (a) a warning; (b) a fine; (c) being placed on "Probationary" status; (d) loss or change in membership status; (e) forfeiture of all sums, if any, paid to the WTA; and/or (f) any other reasonable penalties. In addition to the foregoing, when a Tournament or Tournament partner uses a Player Likeness in violation of Section VII.B.7.a, then the affected Player may request that such Tournament shall be precluded from using her likeness in any and all advertising the following year of the Tournament provided that such request is made at least six (6) months prior to the start of such Tournament.

Violations of the Tournament Standards of Performance shall be classified by the WTA by Tournament category and by Violation Level. Please see Appendix H for a chart detailing Violation Levels and corresponding fines. If a Tournament receives a warning in a Supervisor Report for a violation and that violation is not remedied the following year, then the Tournament will be fined according to the chart in Appendix H.

iv. Payment of Fines

All fines for violations of the Tournament Standards of Performance shall be paid by the Tournament to the WTA, to the attention of the Chief Operating Officer, within twenty-one (21) days after receipt of written notice thereof. Fines not paid within twenty-one (21) days may be deducted from Commercial Benefits or other payments due from the WTA to the Tournament.

All Tournament Standards of Performance fines shall be retained by the WTA, with the exception of those fines assessed against a Tournament due to a violation which directly affects the players (i.e., violations due to insufficient courts, hotel facilities, medical staff, or Section D.2 of the WTA Betting, Gambling and Fantasy Sponsorship Rules), which shall be split 50/50 between the WTA and the WTBA.

In addition to the foregoing, for fines assessed against a Tournament because the Tournament used a Player Likeness in violation of Section VII.B.7.a or Section D.3 of the WTA Betting, Gambling and Fantasy Sponsorship Rules, then the entirety of such fine shall go to the WTBA.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

- v. Board of Directors Decision on Recommended Loss of Membership

In the event that the WTA recommends that the penalty imposed on the Tournament should be the loss of the Tournament's membership, such recommendation shall be reviewed by the Board of Directors, prior to the imposition of the penalty and the Board of Directors may affirm, modify or reverse the WTA's recommendation.

- vi. Subsequent Violations

Subsequent violations of the Tournament Standards of Performance by a Tournament previously placed on probation may result in a revocation of its WTA membership in accordance with the procedures set forth in sub-Section v immediately above. In addition, fines double for violations of the same Issue (see Appendix H) in consecutive Tour Years.

- c. Review and Appeal Process

- i. Tournament Request for Appeal

After paying all fines as provided above, any Tournament sanctioned for a breach of the Tournament Standards of Performance may request a hearing before the Standards Committee, with the exception of appeals involving monetary penalties of \$50,000 or more or a loss or change in membership status, in which case the matter will be referred to the Board of Directors for a decision.

This petition shall be in writing and must be filed with the CEO within twenty-one (21) days after notice of the penalty is received by the Tournament from the WTA. Such petition shall state in detail the basis for such appeal.

- ii. Hearing Procedures

The Tournament shall be advised of the date, time and place for the hearing of such appeal; however, attendance is not mandatory. In addition to submitting a written submission of the basis for its appeal, a Tournament may also request in writing to send a representative to the hearing to orally present its appeal.

On appeal, the Standards Committee or the Board of Directors may affirm, reverse, or modify the decisions of the WTA. The

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

decision of the Standards Committee or the Board of Directors shall be final and non-appealable.

iii. Request for New Hearing

Notwithstanding Section XVIII.A.49.c.ii above, after the Standards Committee or Board of Directors renders a decision on a Tournament's breach of the Tournament Standards of Performance, the WTA or any applicable Tournament Support Personnel may submit a request to the WTA for the Standards Committee or Board of Directors, as applicable, to grant a new hearing ("New Hearing") of such breach because of the discovery of new information that: (i) was not known to the Tournament at the time of the Standards Committee's or Board of Directors' original hearing on the breach; and (ii) is capable of causing the Standards Committee or Board of Directors, as applicable, to render a different decision on the breach ("New Information"). Such request must be submitted to the WTA no later than ninety (90) days after notice of the Committee's or Board of Directors' original decision unless the Committee or Board of Directors otherwise agrees.

The Standards Committee or Board of Directors, as applicable, has no obligation to grant a New Hearing and has sole, absolute discretion in determining whether a New Hearing request contains any New Information and whether to grant a New Hearing on a breach. The decision regarding a New Hearing by the Committee or Board of Directors, as applicable, is final and non-appealable. If the Standards Committee or Board of Directors, as applicable, grants a New Hearing, the provisions of this Section XVIII.A.49.c will apply to that hearing.

B. MEDICAL SECTION

1. Mandatory Physical Examination

Each player participating in a WTA Tournament must complete all components of a mandatory physical examination as required by the WTA no more than once per Tour Year unless WTA SS&M reasonably determines that any further follow-up related to the mandatory physical examination is medically necessary. STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

The local medical team should include no more than two (2) assistant physicians. The Tournament Physician may assist in providing medical care for spectators and Tournament staff; however, the priority will be to care for the Players. Therefore, it is recommended that separate medical staff, such as first aid or paramedics, be appointed to care for spectators and Tournament staff. In either case, all such information must be in English and submitted or entered by the end of each Tournament day.

(d) WTA Mandatory Physical Examination

The Tournament Physician shall be available to assist in completing the WTA Mandatory Physical Examinations.

treatment, medical testing, or prescriptions, if they are necessary.

d. Additional Requirement for the WTA Finals

During the WTA Finals, an Internal Medicine/Primary Care Physician and an Orthopedic Surgeon must be appointed to provide medical coverage for the entire Tournament.

6. Medical Procedures

a. Medical Conditions

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation or medical treatment by the PHCP in conjunction with the Tournament Physician, if appropriate, during the warm-up or the match.

i. Treatable Medical Conditions

(a) Acute Medical Condition

The sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.

(b) Non-Acute Medical Condition

A medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the change of ends or set break.

ii. Non-Treatable Medical Conditions

Players may not receive treatment at any time during the match (or warm-up) for the following conditions:

- (a) Any medical condition that cannot be treated appropriately.
- (b) Any medical condition (inclusive of symptoms) that will not be improved by available medical treatment within the time allowed, specifically chronic conditions such as overuse injuries and recurring injuries.
- (c) General player fatigue.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

- (d) Any medical condition requiring injections, intravenous infusions, or supplemental oxygen, except for diabetes for which prior medical certification has been obtained or Tournament Physician evaluation has been completed and for which subcutaneous injections of insulin may be administered.

b. Medical Evaluation

i. Purpose

The purpose of the medical evaluation is to determine if a player has sustained or aggravated a treatable medical condition and, if so, to determine when medical treatment is warranted and whether a Medical Time-Out (as further described in sub-Section c below, "MTO") is necessary. The development of the condition need not be witnessed by the Chair Umpire.

ii. Player Request and Process

If at any time during the warm-up or the match, the player believes that medical evaluation and treatment are required, she may request, through the Chair Umpire only, to see a PHCP.

The Chair Umpire may ask the player if she is able to continue playing; however, the Chair Umpire is under no obligation to do so.

The player has the option to:

- (a) Stop play and wait until the PHCP arrives, only in the case that a player believes she has developed an acute, treatable medical condition necessitating an immediate stop in play; or
- (b) Wait until the next change of ends or set break to see the PHCP, if the injury is a non-acute, treatable medical condition.

The player is expected to be forthright about whether she believes she suffers with an acute medical condition that warrants a stop in play; otherwise, she is subject to a penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

iii. Timing and Location of Evaluation

Accompanied on the court by the Supervisor (or Referee), the PHCP will begin, and the Chair Umpire shall begin to time, the evaluation when the PHCP commences communication with the player.

Evaluations by the PHCP shall be performed within a reasonable length of time, balancing player safety on the one hand and continuous play on the other (recommended not to exceed three (3) minutes), and may take place off court, if the PHCP so requests.

Once the evaluation is completed, the PHCP will inform the Chair Umpire if treatment is needed and when treatment is to begin.

iv. Involvement of Tournament Physician

At the discretion of the PHCP, should further evaluation be required by the Tournament Physician, this shall be a separate evaluation, also of a reasonable length of time.

v. Potential Outcomes of Evaluation

(a) Non-Treatable Medical Condition

If after evaluation, the PHCP determines the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed. Medical treatment, including medication, is allowed only for treatable medical conditions.

(b) Treatable Medical Condition Requiring MTO

The PHCP may authorize for that condition a one- (1) time, three- (3) minute MTO, which would take place during a change of ends or set break, unless the PHCP determines it is an acute medical condition that requires immediate medical treatment.

(c) Treatable Medical Condition not Requiring MTO

If the PHCP determines that the player has a treatable medical condition, but that a MTO is not needed in cases such as illness or muscle cramping, then the PHCP may,

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

following the evaluation, begin treatment if time remains in the change of ends or set break. If necessary, the PHCP may treat the player for this medical condition for two (2) additional change of ends, not necessarily consecutive.

vi. Medical Treatment

A player may only receive on-court medical evaluation, treatment, and/or supplies from the PHCP (who may request assistance from the Tournament Physician) during any 90-second change of ends or 120-second set break (not necessarily consecutive) for each treatable medical condition.

Players may not receive medical treatment for non-treatable medical conditions.

(a) Definition

PHCP on-court medical evaluation, treatment, or supplies shall include:

- (i) Adjustment of medical support and/or tape;
- (ii) Provision of medication; or
- (iii) Supplies for contact lenses.

(b) Process and Timing

All such requests for treatment must be made through the Chair Umpire, who shall notify the PHCP and Supervisor (or Referee) of a player's request to see the PHCP and will time the change of ends (or set break) as the usual 90 (or 120) seconds. Medical treatment is limited to two (2) change of ends (or set breaks) for each treatable condition, before or after a MTO (defined below) and need not be consecutive. If adjustment of medical equipment is necessary during or immediately following the warm-up, the player must request an adjustment immediately following the warm-up, limited to 90 seconds.

This treatment should not exceed two (2) changes of ends, which need not be consecutive. During a warm-up, if adjustment of medical equipment is necessary it must be done at the end of the warm-up (90 seconds).

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

(c) Non-Medical Equipment

Any non-medical equipment (e.g., hair accessories, food, drinks, etc.) requested by a player while on court must be given to an on-court official by a PHCP or Supervisor/Referee to be delivered to the player.

vii. Additional Administrative Procedures Applicable to Change of Ends or Set Break

If evaluation takes place on a change of ends, prior to "Time" being called, the Chair Umpire will ask the PHCP if she is continuing the evaluation. The PHCP will indicate:

- (a) If yes, the PHCP clearly will state if she is continuing the evaluation, or if she is starting a MTO. If the evaluation is completed before "Time" has been called, the remaining time of the change of ends may be added to the three (3) minutes for the MTO.
- (b) If no, the Chair Umpire will call "Time" at sixty (60) seconds (change of ends) or ninety (90) seconds (set break). Once "Time" is called, the player has thirty (30) seconds in which to resume play.

c. Medical Time-Out

A MTO is granted by the Supervisor or Chair Umpire when the PHCP has evaluated the player and has determined that additional time for medical treatment is required. The MTO takes place during a change of ends or set break, unless the PHCP determines the player has developed an acute medical condition that requires immediate medical treatment.

i. Player Allowance

A player is allowed one (1) MTO per match for each distinct treatable medical condition. The following shall be considered as one (1) treatable medical condition:

- (a) All treatable musculoskeletal injuries that manifest and are assessed as part of a kinetic chain continuum; and
- (b) Any and all clinical manifestations of heat illness and cramping subject to the following:

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

- (i) A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a MTO for muscle cramping. In cases where there is doubt about whether it is (x) an acute medical condition, (y) non-acute medical condition, inclusive of muscle cramping, or (z) non-treatable medical condition, the decision of the PHCP in conjunction with the Tournament Physician, if appropriate, is final. If a player exhibits symptoms of an illness or heat illness (i.e., heat stroke or heat exhaustion) and cramping is one of the manifested symptoms, a MTO may be taken, which will be determined by the PHCP at the time of evaluation.

- (ii) A player who has stopped play by claiming an acute medical condition, but is determined by the PHCP, in conjunction with the Tournament Physician, if appropriate, to have muscle cramping, shall be ordered by the Supervisor/Referee or Chair Umpire to resume play immediately. If the player cannot continue playing due to severe muscle cramping, the player may forfeit the point or game(s) needed to get to a change of ends or set break in order to receive treatment.* There may be a total of two (2) change of ends treatments for muscle cramping in a match, not necessarily consecutive. If it is determined by the Chair Umpire or Supervisor/Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct may be issued.

*The chair umpire will announce to the players and spectators: "Miss/Mrs. ____ is requesting immediate medical treatment for cramping. She may receive this treatment only on a change of ends/set break and therefore is conceding all points and games up to the next change of ends/set break."

ii. Time and Duration of Treatment

Should the MTO take place, it will not exceed three (3) minutes. It shall begin after the completion and diagnosis of medical condition by the PHCP and Tournament Physician, if required, and be timed from the moment when the PHCP is ready to commence treatment.

iii. Off-Court Treatment

At the discretion of the PHCP, and for reasons of privacy and

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

modesty, treatment during a MTO may be performed off court in the most private location nearest the court and may proceed in conjunction with the Tournament Physician.

In such a case, the Chair Umpire and/or Supervisor shall be responsible for notifying the PHCP of time remaining. At the conclusion of the three- (3) minute, off-court treatment, the player will immediately return to court.

iv. Provisions for Players with Diabetes

Players with diabetes with prior medical written certification obtained from a primary care physician or endocrinologist and submitted to the Anti-Doping Program administrator may be allowed to use devices to check blood sugar during the reasonable time evaluation period and administer insulin (if needed) during the MTO. Players who have not submitted prior medical certification of diabetes must be evaluated by the Tournament Physician before checking blood sugar or administering insulin and must retroactively submit documentation to the Anti-Doping Program administrator if insulin is injected.

v. Additional MTO Administrative Procedures

- (a) At the commencement of the MTO the Chair Umpire will announce publicly, "Miss/Mrs. ____ is now receiving a Medical Time-Out" and start timing.
- (b) The Chair Umpire will announce to the players and the PHCP the following:
 - (i) "Two (2) minutes remaining."
 - (ii) "One (1) minute remaining."
 - (iii) "Thirty (30) seconds remaining."
 - (iv) "Time" (publicly).
- (c) Should the MTO take less than the permitted three (3) minutes, the PHCP shall inform the Chair Umpire when treatment has finished, and the Chair Umpire shall announce to the players: "Treatment complete" and then publicly: "Time."
- (d) When treatment takes the full three (3) minutes, the Chair

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

Umpire shall announce "Treatment complete" and then publicly: "Time." After "treatment complete," is announced, if needed, the player should be given the time necessary to put on her socks and shoes before "Time" is called.

- (e) If a player is unable to play after thirty (30) seconds, then the player will be subject to a Code of Conduct violation (in accordance with the Point Penalty Schedule).
- (f) At the conclusion of the MTO, the PHCP shall leave the court. The player may receive treatment on two (2) additional change of ends, which need not be consecutive, for each MTO taken.
- (g) Following the match, the player must meet with the on-site PHCP, and the Tournament Physician if the PHCP deems necessary, for an evaluation and assessment of the injury or illness.

vi. Consecutive MTOs

A total of two (2) consecutive MTOs may be allowed by the Supervisor or Chair Umpire for the special circumstance in which the PHCP determines the player has developed at the same time at least two (2) distinct treatable medical conditions.

(a) Circumstances Allowing for Consecutive MTOs

Such circumstances may include:

- (i) A medical illness in conjunction with a musculoskeletal injury; or
- (ii) Two (2) or more distinct musculoskeletal injuries.

(b) Process and Timing

In such cases, the PHCP will perform a medical evaluation for the two (2) or more treatable medical conditions during a single evaluation, and may then determine that two (2) consecutive MTOs are required, advising the Chair Umpire accordingly.

The Chair Umpire will count down the MTOs separately, making appropriate announcements for the commencement

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

of each MTO (e.g., “Miss/Mrs. ____ is taking a second Medical Time-Out”).

d. Resumption of Play and Penalties for Rule Violations

After completion of a MTO or medical treatment, any delay in resumption of play shall be penalized as a Code of Conduct violation for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct Section of the Code of Conduct.

e. Additional Administrative Procedures

i. Biohazardous Materials

The Chair Umpire will suspend play and call for the PHCP when Biohazardous Materials (blood and vomit) are present on the court. Play is suspended until the court is cleaned by the appropriate Tournament Personnel, with proper disposal of Biohazardous Materials using the Tournament-provided spill kits.

(a) Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible and call the PHCP to the court for evaluation and treatment. The PHCP, in conjunction with the Tournament Physician, if appropriate, will evaluate the source of the bleeding and request a MTO for treatment, if necessary.

If requested by the PHCP and/or Tournament Physician, the Supervisor or Chair Umpire may extend the MTO and allow up to a total of five (5) minutes to assure control of the bleeding.

If within five (5) minutes, the bleeding is not controlled, the PHCP may advise that continued play is detrimental to the player's health. In that case, the Supervisor/Referee may retire the player from the match.

If blood has spilled onto the court or its immediate vicinity, play should not resume until the blood spill has been cleaned appropriately.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

(b) Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomit has spilled onto the court, or if the player requests medical evaluation.

If the player requests medical evaluation, then the PHCP shall determine if the player has a treatable medical condition.

If vomiting is continuous, the PHCP may advise that continued play is detrimental to the player's health. In that case, the Supervisor/Referee may retire the player from the match.

If vomit has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

ii. Physical Incapacity

During the match, if there is an emergency medical condition, and the player involved is unable to make a request for a PHCP, the Chair Umpire immediately shall call for the PHCP and Tournament Physician to assist the player.

Either before or during a match, if a player is considered physically unable to compete, or poses a serious health risk to players, officials, or Tournament staff, the PHCP and/or Tournament Physician should inform the Supervisor and recommend that the player be ruled unable to compete in the match to be played, or retired from the match in progress.

The Supervisor/Referee shall use great discretion before taking this action and should base the decision on the best interests of Professional Tennis, as well as taking all medical advice and any other information into consideration.

Subject to the restrictions set forth in Section IV.C.2 - Matches Scheduled Same Day, the player subsequently may compete in another event at the same tournament if the Tournament Physician determines the player's condition has improved to the extent that the player may safely physically perform at an appropriate level of play and no longer poses a serious health risk to players, officials or Tournament staff.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

iii. Medically-Warranted Clothing Change

If during an on-court evaluation or MTO the PHCP deems it medically-warranted for the player to change her clothing, the PHCP could include this during the MTO (performed off court at the closest/most private location); otherwise, a clothing change only may be taken at the end of a set.

iv. Simultaneous Court Calls

In the event there are simultaneous court calls, when a second PHCP is not covering the Tournament, the PHCP will go to the first request, unless otherwise advised of a medical emergency.

If there are two (2) court calls on the same court the following procedure will occur:

- (a) The PHCP will go to the first request or medical emergency, administer a complete evaluation and MTO, if indicated, then;
- (b) Go to the second request and administer a complete evaluation and MTO, if indicated; and
- (c) The PHCP will rotate treatments on the change of ends, if necessary, beginning with the player who had the first request, until the process is complete.

In the event the PHCP determines both court calls to be muscle cramping, the PHCP will treat the player who had the first request for sixty (60) seconds (as timed by the Chair Umpire) and then treat the second player for the remaining sixty (60) seconds of the 120 second change of ends, or treat each player for ninety (90) seconds during a set break.

v. Warm-Up Period

With regard to the Medical Rule, the match includes both the warm-up and play; thus, any medical condition incurred during the warm-up is considered a medical condition during the match.

If a player sustains an acute treatable medical condition during the warm-up that prevents the player from starting the match as scheduled, the player can receive either a MTO or ninety- (90) second treatment period at the end of the warm-up, prior to the start of the match.

STANDARDS
SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

If the MTO is taken during the warm-up, the four- (4) minute warm-up shall be suspended until the conclusion of the MTO. If it is clear the player is not physically able to compete after receiving treatment, then the match should not begin.

i. Measurement Methods

Extreme Weather Conditions shall be defined as when the Heat Stress Index (Wet-Bulb Globe Temperature (WBGT)) meets or exceeds the levels stated below for Extreme Weather Conditions - Modification of Play and Extreme Weather Conditions - Suspension of Play. If a WBGT meter is not available for measuring the Heat Stress Index (WBGT), then the Heat Index (Apparent Temperature) should be calculated based on the chart below.

Extreme Heat Condition – Modification of Play											
Extreme Heat Condition – Suspension of Play											

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

ii. Modification of Play

Extreme Weather Condition - Modification of Play shall be defined as when the Heat Stress Index (WBGT) meets or exceeds 30.1 degrees Celsius/86.2 degrees Fahrenheit or when the Heat Index (Apparent Temperature) meets or exceeds 34.0 degrees Celsius/93.2 degrees Fahrenheit.

iii. Suspension of Play

Extreme Weather Condition - Suspension of Play shall be defined as when the Heat Stress Index (WBGT) meets or exceeds 32.2 degrees Celsius/90.0 degrees Fahrenheit or when the Heat Index (Apparent Temperature) meets or exceeds 40.1 degrees Celsius/104.2 degrees Fahrenheit.

b. Procedures for Measuring/Monitoring Weather Conditions

The WBGT Index or Apparent Temperature should be measured by the PHCP a minimum of three (3) times, and a maximum of five (5) times, per day. The readings will be determined by the PHCP and the Supervisor prior to the start of play and will be posted in the Supervisor's office. Measurements should be taken every two (2) hours, but at a minimum, three (3) readings should be taken at the following times:

- i. One-half hour before match play begins;
- ii. Middle of the scheduled day; and
- iii. Just prior to beginning of the last match of the day, or prior to the start of the first evening match.

The WBGT Index or Apparent Temperature also should be measured under the following circumstances:

- iv. Following any suspension of play; and
- v. At the discretion of the Supervisor, in consultation with the Tournament Physician and/or PHCP.

c. Modification of Play Timing and Weather Condition Change

When the Extreme Weather Condition Modification of Play is in effect before the start of a match, the procedures set out below in sub-Section d, shall be followed.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

In the event that during the day there is a change in weather conditions as determined by this periodic monitoring, the Extreme Weather Condition Rule can be put into effect at any time on all courts, including matches already in progress. Once notified that the Extreme Weather Condition Rule is in effect, the Chair Umpire must inform the players at the next opportunity, no later than the next change of ends.

If there is a sudden change in weather conditions and the Rule is lifted, those matches already in progress will continue under the Extreme Weather Condition Rule. In the case of rain or interruption to play, the Supervisor and PHCP can re-assess the Extreme Weather Condition Rule.

d. Modification of Play Procedures, Singles

A 10-minute break will be allowed between the second and third sets if either player requests such a break. If neither player requests such a break, then play will continue.

The Supervisor, in consultation with the PHCP, also may choose to delay the starting time for matches until such a time as the Extreme Weather Condition Modification of Play no longer is in effect.

i. During the ten (10) minute break

- (a) A player may leave the court for a toilet or change of attire break and it will not be counted toward her allotment of toilet/change of attire breaks.
- (b) Medical evaluations, MTOs, or medical treatments will not be allowed, unless approved by the Referee/Supervisor prior to leaving the court or before the end of the second set, in which case treatment may be conducted off court.

A player, however, may be allowed to receive an adjustment of medical support (including re-taping), medical equipment, and/or medical advice from the PHCP.

ii. Immediately following the ten (10) minute break

- (a) Any delay in resumption of play shall subject a player to back-to-back Time Violations in accordance with Section VII.G.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

- (b) No re-warm up will be allowed. (This rule also applies to any MTO or toilet or change of attire breaks allowed during the match.)
- (c) A player may not receive medical evaluations, MTOs, or medical treatments, unless approved by the Referee/Supervisor prior to leaving the court or before the end of the second set.

iii. Consecutive Breaks

An Extreme Weather Condition ten (10) minute break and a Bathroom/Change of Attire break may not be taken consecutively.

e. Suspension of Play Procedures

When the Extreme Weather Condition Suspension of Play is in effect, the Supervisor, in consultation with the Tournament Physician, PHCP, and Tournament Director, may suspend play according to the suspension policy then in effect, until the temperature falls below the criterion for Suspension of Play.

f. Lightning

The Supervisor has the authority to suspend play when lightning is sighted. Play shall resume when the likelihood of a lightning strike has passed.

8. Consecutive Withdrawals

See Section IV.A.7 - Consecutive Withdrawals.

C. ELECTRONIC REVIEW

1. Required Use

A WTA-approved electronic system for reviewing line calls and/or overrules ("ELC System") is authorized for use at WTA Tournaments with the court surface for which the ELC System was approved.

a. WTA/ATP Combined WTA 1000 Mandatory Tournaments

Use of an ELC System is required at minimum on center court during the Main Draw at all WTA 1000 Mandatory hard court Tournaments. In addition, if a court will be equipped with an ELC System for the

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

Main Draw and that court also will be used for Qualifying, then the ELC System is required to be used on that court during Qualifying.

- b. All Other WTA 1000 Mandatory and WTA 500 Tournaments

Use of an ELC System is required at minimum on center court for the Main Draw at all WTA 1000 Mandatory and WTA 500 hard and grass court Tournaments.

2. Reviewable Points

A request for an Electronic Review of a line call or overrule by a player (team) shall be allowed only on either a point-ending shot or when a player (team) stops playing the point during a rally. (Returns are permitted, but then the player immediately must stop.)

3. Doubles Appeal to Chair Umpire

In doubles, the appealing player must make her appeal in such a way that either play stops or the Chair Umpire stops play. If an appeal is made to the Chair Umpire, then he/she must first determine that the correct appeal procedure was followed. If it was not correct, or if it was late, then the Chair Umpire may determine that the opposing team was hindered deliberately, in which case the appealing team loses the point.

4. Number of Challenges Allowed

Each player (team) shall receive three (3) incorrect challenges per set and one (1) extra challenge in case of a tie-break. In doubles, when a ten (10) point match tie-break is played in lieu of a final set, the number of challenges is reset to three (3) at the beginning of the match tie-break.

5. Additional Challenge for Tie-Break Game

During the tie-break game in any set, each player (team) shall receive one (1) additional challenge. This is in addition to any challenges not lost, if any, during the set.

6. Clear Communication to Umpire of Intent to Challenge

To challenge a line call or overrule, the player must show to the Chair Umpire an immediate interest in making a challenge and must do so in a timely manner. The player must make her intention to challenge known to the Chair Umpire either verbally or visually (e.g., by using her racquet, arm, or hand). The Chair Umpire will:

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

- a. Reconfirm with the player her intent to challenge;
- b. Confirm that the player has challenges remaining; and
- c. Proceed with the Electronic Review.

7. No Electronic Review Decision Available

The original call or overrule always will stand if the Electronic Review is unable, for whatever reason, to make a decision on that line call or overrule. In this case, the player shall not have her available number of challenges reduced.

8. Electronic Review in Lieu of Call from On-Court Officials

If there is no call made from the on-court officials (unsighted Line Umpire, and Chair Umpire cannot make the call) on a point-ending shot, the Chair Umpire may call for a review, and the result of the review will not affect the remaining challenges of either player.

9. Final Decision

The decision of the Electronic Review is final and cannot be appealed. In the situation where the written ruling (IN/OUT) on the video board differs from the graphic shown (ball mark digital imagery), then the ball mark imagery determines whether the ball is IN or OUT, not the written ruling, however, the Chair Umpire must contact the review official to get the final confirmation on the call.

10. Review Official

A certified official, approved by the Supervisor, shall act as the review official, whose duties shall include, but are not limited to:

- a. Determining which impact shall be reviewed by the system.
- b. Monitoring the system to ensure it is functioning properly.
- c. Notifying the Chair Umpire immediately in the case of a system failure or any other condition that prohibits or brings into question the ability of the system to review a challenged call. In this case, the Chair Umpire immediately shall notify both players that review is not available until further notice.
- d. Acting as the final authority on the number of challenges each player has remaining. Communicating with the Chair Umpire, at first

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

possible opportunity, when one (1) challenge is left, and confirming the one (1) remaining challenge.

The review official and supporting technology staff shall be located within the stadium or arena in a secured area and with an unobstructed view of the court.

11. Video Board

For each court that is using a review system, there shall be a minimum of one (1) video board, of sufficient size, located in a position where the Chair Umpire, players, and spectators may view the results of the challenge.

12. Review Booth

The following specifications are recommended for the electronic system review booth:

- a. The booth must be located in direct line of sight to the court, in order to provide an unobstructed view of the court. It should preferably be at the back (North or South end) of the court when possible.
- b. The Review Official must have a full view of the whole court and line umpires.
- c. The booth must have direct audio from the Chair Umpire's microphone (not from the television feed).
- d. The Review Official should be able to hear the line umpire calls from the court.
- e. The booth must have room for five (5) persons plus equipment (minimum of 25 sq. meters (82 sq. feet) with a minimum court frontage of 5 meters (16.5 feet) as required by review vendor).
- f. The booth should have full air conditioning for equipment and personnel, unless technically unable to do so, and approved by the WTA and the vendor.
- g. Access to the booth must be reasonably easy and safe.
- h. Appropriate communication with the Supervisor, Chair Umpire, and Video Board operator (if not in the same room) must be available.
- i. Tables, chairs, and high stools must be provided as requested by the ELC team.

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

D. COACHING

Provided the following rules and procedures are followed, Off-Court Coaching will be allowed during play in a nondisruptive manner.

1. Coach Seats

- a. Each Tournament must provide player/coach box seats in accordance with Section XVIII.A.10.b.
- b. Coaching is allowed only from the designated player/coach box.
- c. Any Player Support Team member authorized to sit in the designated player/coach box must comply with this Section XVIII.D.

2. Manner of Coaching

- a. Brief verbal coaching is allowed only when a player is at the same end of the court as her designated player/coach box.
- b. Subtle, non-verbal coaching (defined as hand signals or gestures that do not hinder the opponent) is allowed when a player is at the same or the opposite end of the court as her designated player/coach box.
- c. A player may not approach her coach or engage in conversation with her coach other than permitted brief verbal coaching during play, changeovers, or set breaks.
- d. A player may approach her coach and engage in conversation with her coach during an opponent's MTO or toilet/change of attire break or another break approved by the Chair Umpire during which the players have remained on court.
- e. If a coach's verbal coaching, hand signals, or gestures begin to interrupt play or become a hindrance to the opponent(s), the Supervisor will notify the coach of the escalation prior to action being taken against the player. If the distractions persist, the player may be subject to coaching penalties and fines in accordance with Section XVII.D.4.a.vii.
- f. Coaches may not speak to their players when the player leaves the court for any reason (except as permitted during a rain delay).

Nothing herein shall prevent Tournaments from permitting their Host Broadcaster from distributing clips from its Produced Matches in the Event Domestic Area as part of a free or subscription based news service.
- iii. The right to incorporate Virtual Advertising in the broadcast exploitation of the Tournament Media Rights in the Domestic Area as long as (a) the Virtual Advertising does not negatively alter, impair, or obstruct any signage of the WTA or WTA sponsor(s), (b) the Virtual Advertising does not negatively alter, impair, or obstruct any competitive elements of a Match, including but not limited to court surface, players (including their attire and equipment), balls, net, lines and officials, or interfere with the integrity of the competitive presentation of the Match, and (c) the Clean Feed delivered to the WTA (or anyone acting under its authority) for international broadcast does not contain any such Virtual Advertising; and

- v. Notwithstanding the foregoing exclusivity, the WTA (or anyone acting under its authority) shall at all times have the (i) right to stream the Matches worldwide on a pay basis; and (ii) the exclusive right to provide a stream of the Matches to betting service operators, provided such operators only offer access to the Matches to its customers that have an account with such operator. 3. Overspill

The natural and incidental reception of broadcast and streaming transmissions from either the WTA or its licensees within the Domestic Area or a Tournament or its licensees outside of the Domestic Area will not (a) constitute a violation of these Standards as long as there is no marketing, promotion, advertising, or support of such Overspill, or (b) give rise to any additional payments by the WTA to a Tournament or any damages, remedies, setoff rights, or holdback rights.

4. Match Schedule

- or (ii) an amount equal to any Per Match Fees due pursuant to sub-Sections a or b above as the result of such failure.
- e. The payments specified above (and/or permitted offset pursuant to sub-Section d) shall be made no later than thirty (30) days following receipt by the Tournament of an invoice issued by the WTA.

 - iii. The Clean Feed will contain all commercial identification visible at a Tournament's site. (a) Camera 1

Provides a traditional master shot and must be positioned high up in the stands (center court line).

Positioning must be correct for optimal main angle camera coverage. In order to calculate this, a guideline ratio of 4:1 should be used, where 4 is the distance from the base of the net to the bottom of the camera platform and 1 is the

STANDARDS

SECTION XVIII - TOURNAMENT STANDARDS OF PERFORMANCE

height of the camera lens from the ground. This gives an angle of 12 degrees.

(b) Camera 2

Provides coverage/close up and must be positioned approximately three (3) rows lower below Camera 1 (center court line) either in a central position or an off center position toward the side where Cameras 3 and 4 are positioned. The camera's position should give the effect of looking over the player's shoulder as she serves from that side of the court.

(c) Cameras 3 and 4

Provide player close-ups for cutting into coverage and isos and may be positioned courtside on the same or opposite side from where the players sit down on the change of ends. The camera objective lens height should be approximately one (1) meter.

(d) Camera 5

The best type of lamp source is a tungsten lamp with a color temperature of 3200 Kelvin. The tungsten light source offers a far more stable color temperature than discharge lamps and is far more reliable. The most suitable luminaries are flood lights with a symmetrical reflector and 1.5 kw. Depending upon the reflective values of surfaces within the area and the distance between the luminaries and the playing surface, 60-80 (30-40 on each side) luminaries are required.  - ii. At a minimum, each Tournament shall, at no cost to the WTA, provide to the WTA all facilities reasonably necessary to permit one (1) or more on-camera unilateral commentary positions, for World Feed production on each court that is supporting a World Feed production and to display a reasonably sized temporary banner near the commentary position in a location approved by the WTA and Tournament.
 - iii. The facilities shall include, without limitation, cameras, color monitors, microphones, camera operators, directors, switchers, an audio mixer, technicians, high speed internet, and business telephones, with the understanding that the WTA (and/or its designees) will be charged no more than the Tournament's then-current rate card prices for the use of those facilities and personnel.

 - iii. Subject to space restraints and contractual restrictions and, except as this Section XVIII.F.h.iii otherwise states, at the cost of the WTA (or its designees), each Tournament shall provide any other production facilities and production space that the WTA (or its designees) deems necessary for production personnel and equipment used in connection with the broadcast of the Tournament (e.g., production trucks, satellite equipment, camera equipment, mobile units, tape units, switchers, microphones), including but not limited to the power required for use of such equipment; provided, however, that the WTA (or its designees) is responsible for the cost of power only to the extent that the WTA's (or its designees') power requirements exceed the greater of the industry-standard adequate power supply or an amount of power equivalent to the power supplied to the Host Broadcaster. The WTA (and its designees) must not be charged more than the Tournament's cost for all such production facilities (including power) and production space. The following outlines the standard production facilities and production space requirements:
 - (a) Transmission Office: Office space within the TV compound, which is at least 10 feet x 15 feet and contains two (2) long work tables (approximately 6 feet x 3 feet), seven (7) chairs, access to four (4) power outlets, Host Broadcaster cabling

APPENDIX D

WTA BETTING, FANTASY & GAMBLING SPONSORSHIP RULES

Modified as of January 17, 2023

WTA tournaments may enter sponsorship agreements with a Tennis Betting Operator or Tennis Betting Brand (a “Betting Sponsor”) subject to the terms and conditions stated below and the WTA rules applicable to all tournament sponsorships.

If a betting, casino, lottery or fantasy sport-branded company is not a Tennis Betting Operator but the proposed sponsorship will promote a Tennis Betting Brand, these rules shall apply to the sponsorship.

If a betting, casino, lottery or fantasy sport-branded company is not a Tennis Betting Operator and the proposed sponsorship will not promote a Tennis Betting Brand, these rules shall not apply to the sponsorship except that WTA approval shall still be required and Tournament Support Personnel shall still comply with the TACP (as defined below). If, during the term of the sponsorship, the company becomes a Tennis Betting Operator or the sponsorship will promote a Tennis Betting Brand, the sponsorship must comply with these rules.

Combined and back-to-back tournaments with a Betting Sponsor must also comply with the ATP Fantasy Sport and Betting Sponsorship Rules with respect to their men’s events; if there is a discrepancy between these rules and the ATP rules, the more stringent rule must be followed with respect to the women’s event, including payment of an equivalent percentage of the sponsor fee (based on gross revenue) to WTA as a contribution toward initiatives aimed at addressing harms associated with sports betting such as the social media abuse of players and problem gambling. Pre-existing, multi-year agreements with Betting Sponsors that received WTA approval in 2021 shall be grandfathered in connection with this provision but only for the original term approved by WTA.

The ITIA will be assessing whether agreements with Betting Sponsors have any negative effects on the integrity of the sport. As a result, agreements between WTA tournaments and Betting Sponsors shall not extend beyond December 31, 2026.

Please contact Courtney McBride if you have any questions (cmcbride@wtatennis.com).

13. Hotel Rooms/Per Diem – Player

a. Official Hotel Location and Transport Requirements

Tournaments will establish an official hotel that meets the standard requirements of the WTA. Hotels must be located in a secure and safe area. Motels or any accommodations that require entrance to rooms from the street or public outdoor walkways are not acceptable. Transport must be provided to and from the official hotel to the Tournament site.

b. Hotel Rates and Availability

Each Tournament should use its best effort to arrange for discounted or complimentary accommodations. If the official hotel daily rate for a double room (2 persons in room) including taxes and excluding breakfast is higher than US\$175 (€160 in Europe) per day at WTA 125 Tournaments, then an alternative player hotel must be provided with a rate equal to or less than the rate above. The maximum rate is increased by \$15 (€15 in Europe) if breakfast is included.

Rates should be available the day before Qualifying commences until the conclusion of the Tournament.

Tournaments may apply to the WTA for relief from these hotel rate standards, which may be granted by the WTA on a case-by-case basis, depending upon local considerations which make compliance with such standards impractical and unrealistic.

c. Alternate Hotel Location and Transport Requirements

The alternate hotel should be no more than 10-15 miles (or 10-15 minutes) from the Tournament site. Tournament transportation must be provided from the alternate hotel.

d. WTA Notification of Hotel Accommodations and Room Lists

The Supervisor should be notified by the Tournament of all housing arrangements. In addition, each Tournament shall provide the WTA with an official hotel room list.

e. Player Hotel Room Entitlement

Under the per diem rule, each player competing in the Main Draw (singles or doubles) at WTA 125 Tournaments shall be entitled to

APPENDIX E
WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

a double room, including room taxes, at one of the official hotels selected by the Tournament, provided that the player reserves her room through the Tournament's designated hotel booking process. Specific hotels for Qualifying and Main Draw may be designated by a Tournament.

If multiple players elect to share a room, each player in such room is still entitled to receive full per diem, with the players' per diem nights combined for such room. If a player does not use her per diem nights in her own room or a shared room, then she may designate the entirety of the nights in her per diem room to one (1) Player Support Team Member. In either case, per diem shall begin in accordance with sub-section h or i below. A player requesting either alternate arrangement should inform the Tournament at the time of hotel booking, but the arrangement is not guaranteed.

The Tournament shall only pay the per diem allowances through the official hotel(s). Payment to the players is prohibited. Tournaments may apply to the WTA for relief from this requirement, which will only be granted by the WTA if the Tournament agrees to make secure arrangements for per diem payments to underage athletes.

Players who reserve a hotel room through the Tournament's designated hotel booking process may not knowingly share their room with individuals who are provisionally suspended or serving a period of ineligibility under the Integrity Rules or these Rules unless it cannot reasonably be avoided. If a player is found to be in violation of this Rule, she will be fined an amount equal to her per diem for that Tournament. Such penalty shall be in addition to any penalties that may be imposed for violating the prohibited association rules of the Integrity Rules.

f. Reservation Process and Deadlines

If a player does not make her hotel reservation in accordance with the Tournament's designated hotel booking process and by the deadline stated on the Tournament Fact sheet, she is not guaranteed a room or any discounted rate.

b. Number and Placement

Each court is required to have a minimum of two (2) shot clocks clearly visible to the players and the Chair Umpire. The shot clock panels must be placed on the back wall or corner of the court on the left far and right far side from the Chair Umpire.

c. Additional Positions

In addition to the two (2) shot clock placements specified above, each Tournament may show the shot clock timing in other locations on or around the court and spectator areas.

APPENDIX E
WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

36. Scoring System

- a. All Singles (Main Draw and Qualifying) matches in all WTA Tournaments are the best of three (3) tie-break sets. All Main Draw Doubles matches in all WTA Tournaments are the best of three (3) sets with No-Ad scoring in the first two (2) sets and a 10-point match tie-break as the third set. The WTA has the right to authorize the use of alternative scoring systems at WTA Tournaments and to award appropriate ranking points.
- b. The organizing committee of each Grand Slam Tournament will decide which scoring system will be used at each Grand Slam.
- c. There will be no rest period before the final set except when the Extreme Weather Condition Rule is in effect. (See Section XVIII.B.7 - Extreme Weather Conditions and Lightning.)
- d. The ITF Rules of Tennis will apply in their entirety except where noted in these Rules.

37. Seating – Minimum

The minimum center court seating capacity is 750.

38. Security and Credentialing Systems

The WTA has considered Tournament security issues and has determined that the Tournaments and players are the appropriate parties to bear the responsibility for Tournament security. Each Tournament shall be responsible for providing on-site security for players, Tournament staff, officials, and spectators and shall, if requested, promptly provide the WTA with detailed information about security plans.

As part of each Tournament's security plan, a photo credentialing system must be established. Tournaments must include and take reasonable steps to enforce the following policy on all non-media persons issued credentials: No credentialed person may continually collect, disseminate, transmit, publish, or release from the grounds of the Tournament any match scores or related statistical data during match play (from the commencement of a match through its conclusion) for any commercial or gambling purposes. Such policy shall be printed on all Tournament credentials or otherwise notified to credentialed persons.

APPENDIX E

WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

Use of video surveillance systems must comply with Appendix E, Section A.46.

Players shall cooperate with Tournament security measures.

39. Stringing

Each Tournament must provide quality racquet stringing services on-site from the day before the start of Qualifying until the completion of the Tournament. The stringer must be available on site each day matches are scheduled until thirty (30) minutes after the end of the last match. The stringing costs per racquet and the stringer's hours of availability must be approved by the WTA at least one (1) month prior to the Tournament.

At WTA/ATP combined events, the stringer must be available on site each day two (2) hours prior to the starting time of the first scheduled match. The recommended maximum fee per racquet is US\$20 (or €20) at combined events. If play has been scheduled at an approved alternate site during a combined event, then access to the stringing service must be provided at such alternate site from the start of play until play has been completed at that site.

40. Television and Digital Media

Tournaments must comply with the Television and Digital Media requirements set forth in Sections XVIII.E and F.

41. Ticketing

Tournaments must include and take reasonable steps to enforce the following policy on all ticket holders: No ticket holder may continually collect, disseminate, transmit, publish, or release from the grounds of the Tournament any match scores or related statistical data during match play (from the commencement of a match through its conclusion) for any commercial or gambling purposes. Such policy shall be printed on all Tournament tickets or otherwise notified to ticket holders prior to purchase. Tournaments should also have notices posted in the local language and in English at all tournament entrances, VIP hospitality areas, player areas, and throughout the Tournament grounds.

42. Tournament Director

The Tournament Director shall be approved in advance by the WTA and shall be responsible for the overall conduct and organization of the

APPENDIX E

WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

Tournament and other such personnel as necessary for the proper conduct of a tennis tournament including, but not limited to, the Tournament Physician, Referee, Chief of Umpires, Chair Umpires, Line Umpires, and Ball Persons. New Tournament Directors that have not previously been approved by the WTA must attend a one (1) day orientation session at a WTA designated office or WTA Tournament. Each Tournament Director must complete the Tennis Integrity Protection Programme module prior to the start of the Tournament. Tournament Directors are prohibited from playing in their own Tournament.

43. Towels and Sheets

Each Tournament must provide an adequate supply of already washed (with antimicrobial soap and hot water), absorbent, bath-sized towels that will accommodate i) all locker room (shower) needs, ii) SS&M staff (PHCP, Tournament Physician, and Massage Therapist) and iii) on-court needs. Each Massage Therapist will require a minimum of twenty (20) sheets and twenty (20) towels per day.

44. Towel Bins

Tournaments must provide on-court player towel bins, the design and location of which is subject to Supervisor approval. The Chair Umpire must assign towel bins to players before each match, and players must use only their assigned towel bins to place towels during each match. Each player must handle her own towels and must not request towels from, or give her towels to, any ball person at any time before, during, or after a match.

a. Design

Towel bins must be clearly identifiable for each player/team. Tournaments may place branding on towel bins.

b. Location

For all match courts, eight (8) towel bins must be available with two (2) towel bins located in each corner of the court. Depending on the court configuration, the towel bins should:

- i. Be easily accessible and raised high enough that players do not need to bend down;
- ii. Be placed either against the side wall outside the extension of

APPENDIX E
WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

the baseline or against the back wall outside the extension of the doubles sideline, whichever location is the shortest distance for the players;

- iii. Be located away from spectators and on-court personnel;
- iv. Be placed at least 20 cm/7.9 inches apart; and

Transportation drivers should work no more than 8 hours per day. Transportation drivers must not smoke or use mobile devices while transporting players and must follow traffic regulations and advise players to wear seatbelts.

Transportation desks must be set up at the Venue.

a. Airport Transportation

Unless otherwise agreed upon by the WTA, airport transportation must be provided to Qualifying and Main Draw players, as well as Player Support Team members when traveling with a player, beginning the day before the Qualifying Sign-In deadline (as long as 24-hour notice is given to the Tournament) until the morning following the final day of the Tournament.

Airport transportation must be provided to WTA staff, associates, and contractors working at the Tournament.

b. Transportation between Hotels and Tournament Site

Tournaments are required to provide transportation for players, credentialed guests, coaches, and WTA staff between the official hotel (and alternative hotel, if provided) and the Tournament site and practice facility on a regularly scheduled shuttle, beginning the day before the Qualifying Sign-In deadline. Transportation must be available up to one (1) hour after the last match is completed.

If private housing is provided, the Tournament has the responsibility to advise players of the transportation available, if any. The Supervisor

APPENDIX E

WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

also should be advised of any other available local transportation. It is recommended that all Tournaments arrange for a player discount with a local car rental agency.

46. Video Cameras

Closed-circuit television (“CCTV”) and video surveillance systems (including security drones) are used at Tournaments for general public security, crime prevention, and other specified purposes. As use of such systems collects and processes individuals’ personal and biographical data, a Tournament’s collection, use, and disclosure of surveillance footage (including captured audio) must (a) comply with all applicable laws and regulations and (b) be fair, transparent, and respect an individual’s right to privacy.

CCTV and video surveillance cameras must not be placed in private areas where there is a reasonable expectation of privacy, including (but not limited to): locker rooms, nursing rooms, bathrooms, and treatment rooms. In all other areas, Tournaments must assess whether the placement of CCTV and video surveillance cameras is appropriate in the circumstances, taking into account the reasonable expectations of individuals and the potential impact on their rights and freedoms.

If CCTV or video surveillance cameras are used in credential-restricted areas, including fitness and warm down areas, the cameras must be visible and signs must be placed prominently to inform individuals that they are in an area where a camera is in operation. Signs must be placed more prominently and frequently in areas where individuals are less likely to expect that they will be monitored. Signs in areas accessed by players must include the purpose of the camera’s use if other than for security.

Tournaments must make information available about the location of CCTV and video surveillance systems (including any use of security drones) in player areas and how the footage will be used and provide individuals a mechanism to raise complaints or concerns and view footage captured of them.

A Tournament’s disclosure of CCTV and video surveillance footage to third parties must be consistent with the purpose(s) communicated with the individuals. Tournaments may not publicly release the following types of CCTV and video surveillance footage without an individual’s consent: (a) footage captured in an area where an individual would reasonably expect privacy and cameras are not visible and/or signs placed; (b) footage that would reasonably be deemed to be extremely sensitive or inappropriate, and (c) footage that if released could reasonably place the player at a competitive disadvantage.

APPENDIX E
WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

Tournaments must make CCTV and video surveillance footage available upon request to the WTA and ITIA for use in connection with Rules and Integrity Rules investigations and proceedings.

47. Walkie-Talkies

Each Tournament must provide one (1) walkie-talkie for each Supervisor, PHCP, Communications Manager (if on site), WTA IT Staff, Live Scoring vendor, Referee, Chief of Umpires, and Tournament Physician, and two (2) walkie-talkies for each match court. Each Tournament also must provide one (1) walkie-talkie to the Massage Therapists for their shared use. In addition, each Tournament must provide walkie-talkies, in accordance with the WTA Television Broadcast Standards requirements (see Section XVIII.F.4 - Tournament Facilities). It is requested that a private medical channel is provided for use by the PHCPs, Massage Therapists, and Tournament Physicians. Separate channels are required for:

- a. The collective use of the Supervisor(s), officiating staff, PHCPs, and Massage Therapists to ensure direct and private communication for on-court matters among them; and
- b. The use of the Electronic Review Official and the Chair Umpire to ensure a direct and private communication for on-court matters between them (each court with Electronic Review must have a different channel).

48. WTA Office

- a. Location and Security Requirement

The Supervisor shall be provided with a private and secure office with a desk from which the Supervisor can base him/herself in order to carry out his/her duties. Players and associated people conveniently should be able to access the Supervisor and WTA information in the WTA office. It is also a place for Officials and Tournament staff to meet, when necessary.

- b. Office Equipment/Communication and Installation Timing

Each Tournament must provide the Supervisor with a printer and a minimum of one (1) international telephone line in the WTA office and high speed internet connections operational by 9:00 a.m. tournament local time the day of Qualifying Sign-In. The Supervisor shall notify

APPENDIX E
WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

the Tournament at least eight (8) weeks prior to the start of Qualifying of the exact number of telephone lines and internet connections needed. At a minimum, each Tournament must provide one (1) high speed internet connection for each staff permanently located in the WTA Office during the Tournament (Supervisors and Player Relations staff), wireless access is acceptable. The Tournament shall be responsible for the cost of installing the telephone lines and internet connections.

It is recommended that telephone number(s) be available at the time the Tournament Fact Sheet is published seven (7) weeks prior to each Tournament (one (1) week prior to the official entry deadline). Telephone numbers, however, must be available one (1) week prior to the Qualifying Sign-In day. A photocopy machine also should be available in the WTA office or in a nearby convenient location.

c. Office Furniture and Setup

The appropriate number of working positions must be prepared for each Supervisor and/or Player Relations representative working on site. The office should have adequate wall/table space or bulletin boards available for Tour information and must have a live score monitor. A locking drawer or a cabinet must also be provided for the Supervisor's use.

49. WTA Coach Program

Each Tournament must comply with and provide all Tournament-related benefits under the WTA Coach Program Rules available on PlayerZone, TournamentZone, and www.wtatennis.com/wta-rules. For questions about the WTA Coach Program, please contact the WTA Coach Program Manager at coach@wtatennis.com.

50. Breach of Tournament Standards of Performance

a. General

The provisions of the Tournament Standards of Performance shall be strictly applied by the WTA. Each WTA Tournament must follow, abide by, and conform to all requirements set forth in the Tournament Standards of Performance unless otherwise approved in writing by the WTA.

Tournaments seeking an exemption from any of the Tournament Standards of Performance must request the exemption from the

APPENDIX E
WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

WTA at least three (3) months in advance of the Tournament. Exemption requests must be sent in writing.

Breaches of the Tournament Standards of Performance and/or an apparent lack of ability to solve documented problems affecting the quality of the presentation of the Tournament shall result in a disciplinary penalty and/or loss or change in a Tournament's status as provided herein.

b. Violations/Procedures

i. Investigation of Alleged Violations

The WTA shall investigate any alleged violation of the Tournament Standards of Performance requirements.

ii. WTA Determination

The imposition of a warning, fine, or other penalty shall be determined by the WTA. Upon the completion of its investigation, the WTA shall determine the potential wrongfulness of the conduct of the Tournament involved and shall notify the Tournament of any violations and penalties. A copy of the WTA's decision shall be delivered to the Tournament.

Where a violation is capable of being cured in a timely manner, with timeliness being based on the circumstances, the WTA will provide the Tournament with the opportunity to cure a violation prior to issuing a determination.

iii. Possible Penalties

Violations of the Tournament Standards of Performance shall subject a Tournament to one (1) or more of the following: (a) a warning; (b) a fine; (c) being placed on "Probationary" status; (d) loss or change in membership status; (e) forfeiture of all sums, if any, paid to the WTA; and/or (f) any other reasonable penalties. In addition to the foregoing, when a Tournament or Tournament partner uses a Player Likeness in violation of Section VII.B.7.a, then the affected Player may request that such Tournament shall be precluded from using her likeness in any and all advertising the following year of the Tournament provided that such request is made at least six (6) months prior to the start of such Tournament.

APPENDIX E
WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

Violations of the Tournament Standards of Performance shall be classified by the WTA by Tournament category and by Violation Level. Please see Appendix H for a chart detailing Violation Levels and corresponding fines. If a Tournament receives a warning in a Supervisor Report for a violation and that violation is not remedied the following year, then the Tournament will be fined according to the chart in Appendix H.

iv. Payment of Fines

All fines for violations of the Tournament Standards of Performance shall be paid by the Tournament to the WTA, to the attention of the Chief Operating Officer, within twenty-one (21) days after receipt of written notice thereof. Fines not paid within twenty-one (21) days may be deducted from Commercial Benefits or other payments due from the WTA to the Tournament.

All Tournament Standards of Performance fines shall be retained by the WTA, with the exception of those fines assessed against a Tournament due to a violation which directly affects the players (i.e., violations due to insufficient courts, hotel facilities, medical staff, or Section D.2 of the WTA Betting, Gambling and Fantasy Sponsorship Rules), which shall be split 50/50 between the WTA and the WTBA.

In addition to the foregoing, for fines assessed against a Tournament because the Tournament used a Player Likeness in violation of Section VII.B.7.a or Section D.3 of the WTA Betting, Gambling and Fantasy Sponsorship Rules, then the entirety of such fine shall go to the WTBA.

v. Board of Directors Decision on Recommended Loss of Membership

In the event that the WTA recommends that the penalty imposed on the Tournament should be the loss of the Tournament's membership, such recommendation shall be reviewed by the Board of Directors, prior to the imposition of the penalty and the Board of Directors may affirm, modify or reverse the WTA's recommendation.

vi. Subsequent Violations

Subsequent violations of the Tournament Standards of Performance by a Tournament previously placed on probation

APPENDIX E
WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

may result in a revocation of its WTA membership in accordance with the procedures set forth in sub-Section v immediately above. In addition, fines double for violations of the same Issue (see Appendix H) in consecutive Tour Years.

c. Review and Appeal Process

i. Tournament Request for Appeal

After paying all fines as provided above, any Tournament sanctioned for a breach of the Tournament Standards of Performance may request a hearing before the Standards Committee, with the exception of appeals involving monetary penalties of \$50,000 or more or a loss or change in membership status, in which case the matter will be referred to the Board of Directors for a decision.

This petition shall be in writing and must be filed with the CEO within twenty-one (21) days after notice of the penalty is received by the Tournament from the WTA. Such petition shall state in detail the basis for such appeal.

ii. Hearing Procedures

The Tournament shall be advised of the date, time and place for the hearing of such appeal; however, attendance is not mandatory. In addition to submitting a written submission of the basis for its appeal, a Tournament may also request in writing to send a representative to the hearing to orally present its appeal.

On appeal, the Standards Committee or the Board of Directors may affirm, reverse, or modify the decisions of the WTA. The decision of the Standards Committee or the Board of Directors shall be final and non-appealable.

iii. Request for New Hearing

Notwithstanding Appendix E Section A.49.c.ii above, after the Standards Committee or Board of Directors renders a decision on a Tournament's breach of the Tournament Standards of Performance, the WTA or any applicable Tournament Support Personnel may submit a request to the WTA for the Standards Committee or Board of Directors, as applicable, to grant a new hearing ("New Hearing") of such breach because of the

APPENDIX E
WTA 125 TOURNAMENT STANDARDS OF PERFORMANCE

discovery of new information that: (i) was not known to the Tournament at the time of the Code of Conduct and Standards of Performance Committee's or Board of Directors' original hearing on the breach; and (ii) is capable of causing the Standards Committee or Board of Directors, as applicable, to render a different decision on the breach ("New Information"). Such request must be submitted to the WTA no later than ninety (90) days after notice of the Committee's or Board of Directors' original decision unless the Committee or Board of Directors otherwise agrees.

The Standards Committee or Board of Directors, as applicable, has no obligation to grant a New Hearing and has sole, absolute discretion in determining whether a New Hearing request contains any New Information and whether to grant a New Hearing on a breach. The decision regarding a New Hearing by the Committee or Board of Directors, as applicable, is final and non-appealable. If the Standards Committee or Board of Directors, as applicable, grants a New Hearing, the provisions of this Appendix E Section A.49.c will apply to that hearing.

APPENDIX F

ROOF POLICY

General Conditions:

- WTA Tournaments played outdoors may have one (1) or more courts with a retractable roof, allowing play to continue or be resumed even when inclement weather affects the Tournament.
- Tournaments with retractable roofs shall remain primarily outdoor events. Wherever practicable, the conditions on courts with retractable roofs shall be the same as those on all other courts.
- When the roof on a court is open, the two (2) moveable halves shall be positioned as determined by the Supervisor based on the site's configuration.
- At combined events, the Supervisor, in consultation with the ATP supervisor, shall make all decisions concerning the closing, re-opening, and positioning of the roof.

Rain:

- In the event of rain falling prior to the scheduled start of play, the roof shall remain closed for the duration of the match.
- If the rain stops or the weather forecast is good, the roof may be opened after the match in progress is completed. Decisions on re-opening the roof will be made on a match-by-match basis depending upon current conditions and the weather forecast.
- If play commences with the roof closed, the roof shall remain closed for the remainder of such match. A decision may be made to open the roof for the following scheduled matches.
- If play commences with the roof open, a decision to close the roof will normally be made after play has stopped due to rain, although if other factors warrant the roof to be closed prior to play being stopped, the Supervisor shall make such decision.
- In general, the roof will not be closed because of a threat of rain.
- In the event high winds of a sufficient capacity to harm the retractable roof are forecasted with reasonable certainty, the roof may be closed prior to the start of the match. The reverse is applicable when the roof is closed and high winds or other conditions necessitate, for safety reasons, that the roof be reopened.

APPENDIX F

ROOF POLICY

- Changes to the order of play, including the completion of an unfinished match on a different court than the one on which it started, may be authorized in exceptional circumstances in the best interests of completing a Tournament on schedule.

Darkness:

- If the roof must be partially closed in order for the lights to work properly, then the roof must be partially closed prior to the start of the match. The Supervisor will determine the exact time of day after which the roof will be closed for this purpose.

Cold:

- In the event the temperature is below 50F/10C prior to the start of a match, in order to enhance the fan experience, the roof may be closed as directed by the Supervisor. Decisions on whether to close the roof for cold will be made on a match-by-match basis.

UNITED CUP RULES

The United Cup is a country vs country mixed team competition for eighteen (18) teams with a minimum of four (4) players (two (2) WTA players and two (2) ATP players) and a maximum of six (6) players (three (3) WTA players and three (3) ATP players) on each team.

A. Player Nationality

1. A player's nationality as of the entry date shall be used to determine team entry. All player nationality determinations are subject to WTA approval.
2. Change of Nationality
 - a. A player may only represent one (1) country in the United Cup during her career, unless:
 - i. The player changes her nationality in the WTA database; and
 - ii. Any of the following apply:
 - (a) The player competed under such nationality in the Billie Jean King Cup or Olympic Tennis Event;
 - (b) The player competed under such nationality in Professional Tennis tournaments during the Tour Year immediately preceding the United Cup;
 - (c) WTA determines the full circumstances of the player's situation demonstrate the player has a sufficient, genuine connection to the country that the player wishes to represent; or
 - (d) In exceptional circumstances, as determined by WTA.
 - b. All requests to change a player's nationality are subject to WTA approval.

B. Team Qualification

1. Entry
 - a. Players must enter the Tournament to be eligible.
 - b. The entry deadline is 5:00 p.m. Eastern time (New York, USA time) on October 17, 2023.

APPENDIX J
UNITED CUP RULES

2. Acceptance

a. At the entry deadline

- i. Acceptance is determined using the WTA/ATP Singles Ranking or Singles Special Ranking/Protected Ranking of a country's highest-ranked singles player based on the rankings as of the Monday before the entry deadline.
- ii. The teams with the five (5) highest-ranked WTA players and five (5) highest-ranked ATP players to enter will be accepted as the first ten (10) teams. If players of the same nationality qualify in both WTA and ATP, the next-highest-ranked players will qualify their country until ten (10) teams are qualified (five (5) from WTA top-ranked players and five (5) from ATP top-ranked players).

If two (2) or more players' rankings are tied, then a player using her actual WTA Ranking receives priority over a player using her Special Ranking. If two (2) or more players' actual WTA Rankings are tied or Special Rankings are tied, the ranking (actual WTA Ranking or Special Ranking) of the next highest ranked player on each team will break the tie. If still tied, the next highest ranked player, and so on.

- iii. The next six (6) teams are determined using the highest combined ranking of the highest-ranked WTA player and highest-ranked ATP player from each team (other than players on the teams already accepted); provided, however, that if the host country does not qualify for acceptance, it will receive one (1) Wild Card and only five (5) teams will be accepted using combined rankings.

If two (2) or more teams are tied, the team with the highest ranked singles player (WTA or ATP) takes priority. If still tied, the team with the next highest ranked singles player (WTA or ATP) takes priority.

- b. FOREWORD

The International Tennis Federation (ITF) is the governing body of the game of tennis and its duties and responsibilities include protecting the integrity of the game through determination of the Rules of Tennis.

To assist the ITF in carrying out this responsibility, the ITF has appointed a Rules of Tennis Committee which continually monitors the game and its rules, and when considered necessary makes recommendations for changes to the Board of Directors of the ITF who in turn make recommendations to the Annual General Meeting of the ITF which is the ultimate authority for making any changes to the Rules of Tennis.

Appendix V lists approved alternative procedures and scoring methods. In addition, on its own behalf or on application by interested parties, certain variations to the rules may be approved by the ITF for trial purposes only at a limited number of tournaments or events and/or for a limited time period. Such variations are not included in the published rules and require a report to the ITF on the conclusion of the approved trial.

Note: *If there are any inconsistencies between the English version and Rules of Tennis translated into other languages, the English version shall prevail.*

APPENDIX L ITF RULES OF TENNIS

1. THE COURT

The court shall be a rectangle, 78 feet (23.77 m) long and, for singles matches, 27 feet (8.23 m) wide. For doubles matches, the court shall be 36 feet (10.97 m) wide.

The court shall be divided across the middle by a net suspended by a cord or metal cable which shall pass over or be attached to two net posts at a height of 3½ feet (1.07 m). The net shall be fully extended so that it completely fills the space between the two net posts and it must be of sufficiently small mesh to ensure that a ball cannot pass through it. The height of the net shall be 3 feet (0.914 m) at the centre, where it shall be held down tightly by a strap. A band shall cover the cord or metal cable and the top of the net. The strap and band shall be completely white.

- The maximum diameter of the cord or metal cable shall be 1/3 inch (0.8 cm).
- The maximum width of the strap shall be 2 inches (5 cm).
- The band shall be between 2 inches (5 cm) and 2½ inches (6.35 cm) deep on each side.

For doubles matches, the centres of the net posts shall be 3 feet (0.914 m) outside the doubles court on each side.

For singles matches, if a singles net is used, the centres of the net posts shall be 3 feet (0.914 m) outside the singles court on each side. If a doubles net is used, then the net shall be supported, at a height of 3½ feet (1.07 m), by two singles sticks, the centres of which shall be 3 feet (0.914 m) outside the singles court on each side.

- The net posts shall not be more than 6 inches (15 cm) square or 6 inches (15 cm) in diameter.
- The singles sticks shall not be more than 3 inches (7.5 cm) square or 3 inches (7.5 cm) in diameter.
- The net posts and singles sticks shall not be more than 1 inch (2.5 cm) above the top of the net cord.

The lines at the ends of the court are called baselines and the lines at the sides of the court are called sidelines.

Two lines shall be drawn between the singles sidelines, 21 feet (6.40 m) from each side of the net, parallel with the net. These lines are called the

APPENDIX L

ITF RULES OF TENNIS

servicelines. On each side of the net, the area between the serviceline and the net shall be divided into two equal parts, the service courts, by the centre serviceline. The centre serviceline shall be drawn parallel with the singles sidelines and half way between them.

Each baseline shall be divided in half by a centre mark, 4 inches (10 cm) in length, which shall be drawn inside the court and parallel with the singles sidelines.

- The centre serviceline and centre mark shall be 2 inches (5 cm) wide.
- The other lines of the court shall be between 1 inch (2.5 cm) and 2 inches (5 cm) wide, except that the baselines may be up to 4 inches (10 cm) wide.

All court measurements shall be made to the outside of the lines and all lines of the court shall be of the same colour clearly contrasting with the colour of the surface.

No advertising is allowed on the court, net, strap, band, net posts or singles sticks except as provided in Appendix IV.

In addition to the court described above, the court designated as “Red” and the court designated as “Orange” in Appendix VII can be used for 10 and under tennis competition.

Note: Guidelines for minimum distances between the baseline and backstops and between the sidelines and sidestops can be found in Appendix IX.

2. PERMANENT FIXTURES

The permanent fixtures of the court include the backstops and sidestops, the spectators, the stands and seats for spectators, all other fixtures around and above the court, the chair umpire, line umpires, net umpire and ball persons when in their recognised positions.

In a singles match played with a doubles net and singles sticks, the net posts and the part of the net outside the singles sticks are permanent fixtures and are not considered as net posts or part of the net.

3. THE BALL

Balls, which are approved for play under the Rules of Tennis, must comply with the specifications in Appendix I.

APPENDIX L

ITF RULES OF TENNIS

The International Tennis Federation shall rule on the question of whether any ball or prototype complies with Appendix I or is otherwise approved, or not approved, for play. Such ruling may be taken on its own initiative, or upon application by any party with a bona fide interest therein, including any player, equipment manufacturer or National Association or members thereof. Such rulings and applications shall be made in accordance with the applicable Review and Hearing Procedures of the International Tennis Federation.

The event organisers must announce in advance of the event:

- a. The number of balls for play (2, 3, 4 or 6).
- b. The ball change policy, if any.

Ball changes, if any, can be made either:

- i. After an agreed odd number of games, in which case, the first ball change in the match shall take place two games earlier than for the rest of the match, to make allowance for the warm-up. A tie-break game counts as one game for the ball change. A ball change shall not take place at the beginning of a tie-break game. In this case, the ball change shall be delayed until the beginning of the second game of the next set; or
- ii. At the beginning of a set

If a ball gets broken during play, the point shall be replayed.

Case 1: If a ball is soft at the end of a point, should the point be replayed?

Decision: If the ball is soft, not broken, the point shall not be replayed.

Note: Any ball to be used in a tournament which is played under the Rules of Tennis, must be named on the official ITF list of approved balls issued by the International Tennis Federation.

4. THE RACKET

Rackets, which are approved for play under the Rules of Tennis, must comply with the specifications in Appendix II.

The International Tennis Federation shall rule on the question of whether any racket or prototype complies with Appendix II or is otherwise approved, or not approved, for play. Such ruling may be undertaken on its own initiative, or upon application by any party with a bona fide

APPENDIX L

ITF RULES OF TENNIS

interest therein, including any player, equipment manufacturer or National Association or members thereof. Such rulings and applications shall be made in accordance with the applicable Review and Hearing Procedures of the International Tennis Federation.

Case 1: Is more than one set of strings allowed on the hitting surface of a racket?

Decision: No. The rule mentions a pattern (not patterns) of crossed strings. (See Appendix II)

Case 2: Is the stringing pattern of a racket considered to be generally uniform and flat if the strings are on more than one plane?

Decision: No.

Case 3: Can vibration damping devices be placed on the strings of a racket? If so, where can they be placed?

Decision: Yes, but these devices may only be placed outside the pattern of the crossed strings.

Case 4: During a point, a player accidentally breaks the strings. Can the player continue to play another point with this racket?

Decision: Yes, except where specifically prohibited by event organisers.

Case 5: Is a player allowed to use more than one racket at any time during play?

Decision: No.

Case 6: Can a battery that affects playing characteristics be incorporated into a racket?

Decision: No. A battery is prohibited because it is an energy source, as are solar cells and other similar devices.

5. SCORE IN A GAME

a. Standard game

A standard game is scored as follows with the server's score being called first:

APPENDIX L
ITF RULES OF TENNIS

No point	-	“Love”
First point	-	“15”
Second point	-	“30”
Third point	-	“40”
Fourth point	-	“Game”

except that if each player/team has won three points, the score is “Deuce”. After “Deuce”, the score is “Advantage” for the player/team who wins the next point. If that same player/team also wins the next point, that player/team wins the “Game”; if the opposing player/team wins the next point, the score is again “Deuce”. A player/team needs to win two consecutive points immediately after “Deuce” to win the “Game”.

b. Tie-break game

During a tie-break game, points are scored “Zero”, “1”, “2”, “3”, etc. The first player/team to win seven points wins the “Game” and “Set”, provided there is a margin of two points over the opponent(s). If necessary, the tie-break game shall continue until this margin is achieved.

The player whose turn it is to serve shall serve the first point of the tie-break game. The following two points shall be served by the opponent(s) (in doubles, the player of the opposing team due to serve next). After this, each player/team shall serve alternately for two consecutive points until the end of the tie-break game (in doubles, the rotation of service within each team shall continue in the same order as during that set).

The player/team whose turn it was to serve first in the tie-break game shall be the receiver in the first game of the following set.

Additional approved alternative scoring methods can be found in Appendix V.

6. SCORE IN A SET

There are different methods of scoring in a set. The two main methods are the “Advantage Set” and the “Tie-break Set”. Either method may be used provided that the one to be used is announced in advance of the event. If the “Tie-break Set” method is to be used, it must also be

APPENDIX L

ITF RULES OF TENNIS

announced whether the final set will be played as a “Tie-break Set” or an “Advantage Set”.

a. “Advantage Set”

The first player/team to win six games wins that “Set”, provided there is a margin of two games over the opponent(s). If necessary, the set shall continue until this margin is achieved.

b. “Tie-break Set”

The first player/team to win six games wins that “Set”, provided there is a margin of two games over the opponent(s). If the score reaches six games all, a tie-break game shall be played.

Additional approved alternative scoring methods can be found in Appendix V.

7. SCORE IN A MATCH

A match can be played to the best of 3 sets (a player/team needs to win 2 sets to win the match) or to the best of 5 sets (a player/team needs to win 3 sets to win the match).

Additional approved alternative scoring methods can be found in Appendix V.

8. SERVER & RECEIVER

The players/teams shall stand on opposite sides of the net. The server is the player who puts the ball into play for the first point. The receiver is the player who is ready to return the ball served by the server.

Case 1: Is the receiver allowed to stand outside the lines of the court?

Decision: Yes. The receiver may take any position inside or outside the lines on the receiver’s side of the net.

9. CHOICE OF ENDS & SERVICE

The choice of ends and the choice to be server or receiver in the first game shall be decided by toss before the warm-up starts. The player/team who wins the toss may choose:

- a. To be server or receiver in the first game of the match, in which case the opponent(s) shall choose the end of the court for the first game

APPENDIX L
ITF RULES OF TENNIS

of the match; or

- b. The end of the court for the first game of the match, in which case the opponent(s) shall choose to be server or receiver for the first game of the match; or
- c. To require the opponent(s) to make one of the above choices.

Case 1: Do both players/teams have the right to new choices if the warm-up is stopped and the players leave the court?

Decision: Yes. The result of the original toss stands, but new choices may be made by both players/teams.

10. CHANGE OF ENDS

The players shall change ends at the end of the first, third and every subsequent odd game of each set. The players shall also change ends at the end of each set unless the total number of games in that set is even, in which case the players change ends at the end of the first game of the next set.

During a tie-break game, players shall change ends after every six points.

Additional approved alternative procedures can be found in Appendix V.

11. BALL IN PLAY

Unless a fault or a let is called, the ball is in play from the moment the server hits the ball, and remains in play until the point is decided.

12. BALL TOUCHES A LINE

If a ball touches a line, it is regarded as touching the court bounded by that line.

13. BALL TOUCHES A PERMANENT FIXTURE

If the ball in play touches a permanent fixture after it has hit the correct court, the player who hit the ball wins the point. If the ball in play touches a permanent fixture before it hits the ground, the player who hit the ball loses the point.

14. ORDER OF SERVICE

At the end of each standard game, the receiver shall become the server

APPENDIX L

ITF RULES OF TENNIS

and the server shall become the receiver for the next game.

In doubles, the team due to serve in the first game of each set shall decide which player shall serve for that game. Similarly, before the second game starts, their opponents shall decide which player shall serve for that game. The partner of the player who served in the first game shall serve in the third game and the partner of the player who served in the second game shall serve in the fourth game. This rotation shall continue until the end of the set.

15. ORDER OF RECEIVING IN DOUBLES

The team which is due to receive in the first game of a set shall decide which player shall receive the first point in the game. Similarly, before the second game starts, their opponents shall decide which player shall receive the first point of that game. The player who was the receiver's partner for the first point of the game shall receive the second point and this rotation shall continue until the end of the game and the set.

After the receiver has returned the ball, either player in a team can hit the ball.

Case 1: Is one member of a doubles team allowed to play alone against the opponents?

Decision: No.

16. THE SERVICE

Immediately before starting the service motion, the server shall stand at rest with both feet behind (i.e. further from the net than) the baseline and within the imaginary extensions of the centre mark and the sideline.

The server shall then release the ball by hand in any direction and hit the ball with the racket before the ball hits the ground. The service motion is completed at the moment that the player's racket hits or misses the ball. A player who is able to use only one arm may use the racket for the release of the ball.

17. SERVING

When serving in a standard game, the server shall stand behind alternate halves of the court, starting from the right half of the court in every game.

In a tie-break game, the service shall be served from behind alternate halves of the court, with the first served from the right half of the court.

APPENDIX L

ITF RULES OF TENNIS

The service shall pass over the net and hit the service court diagonally opposite, before the receiver returns it.

18. FOOT FAULT

During the service motion, the server shall not:

- a. Change position by walking or running, although slight movements of the feet are permitted; or
- b. Touch the baseline or the court with either foot; or
- c. Touch the area outside the imaginary extension of the sideline with either foot; or
- d. Touch the imaginary extension of the centre mark with either foot.

If the server breaks this rule it is a “Foot Fault”.

Case 1: In a singles match, is the server allowed to serve standing behind the part of the baseline between the singles sideline and the doubles sideline?

Decision: No.

Case 2: Is the server allowed to have one or both feet off the ground?

Decision: Yes.

19. SERVICE FAULT

The service is a fault if:

- a. The server breaks Rules 16, 17 or 18; or
- b. The server misses the ball when trying to hit it; or
- c. The ball served touches a permanent fixture, singles stick or net post before it hits the ground; or
- d. The ball served touches the server or server’s partner, or anything the server or server’s partner is wearing or carrying.

Case 1: After tossing a ball to serve, the server decides not to hit it and catches it instead. Is this a fault?

APPENDIX L

ITF RULES OF TENNIS

Decision: No. A player, who tosses the ball and then decides not to hit it, is allowed to catch the ball with the hand or the racket, or to let the ball bounce.

Case 2: During a singles match played on a court with net posts and singles sticks, the ball served hits a singles stick and then hits the correct service court. Is this a fault?

Decision: Yes.

20. SECOND SERVICE

If the first service is a fault, the server shall serve again without delay from behind the same half of the court from which that fault was served, unless the service was from the wrong half.

21. WHEN TO SERVE & RECEIVE

The server shall not serve until the receiver is ready. However, the receiver shall play to the reasonable pace of the server and shall be ready to receive within a reasonable time of the server being ready.

A receiver who attempts to return the service shall be considered as being ready. If it is demonstrated that the receiver is not ready, the service cannot be called a fault.

22. THE LET DURING A SERVICE

The service is a let if:

- a. The ball served touches the net, strap or band, and is otherwise good; or, after touching the net, strap or band, touches the receiver or the receiver's partner or anything they wear or carry before hitting the ground; or
- b. The ball is served when the receiver is not ready.

In the case of a service let, that particular service shall not count, and the server shall serve again, but a service let does not cancel a previous fault.

Additional approved alternative procedures can be found in Appendix V.

23. THE LET

In all cases when a let is called, except when a service let is called on a second service, the whole point shall be replayed.

APPENDIX L
ITF RULES OF TENNIS

Case 1: When the ball is in play, another ball rolls onto court. A let is called. The server had previously served a fault. Is the server now entitled to a first service or second service?

Decision: First service. The whole point must be replayed.

24. PLAYER LOSES POINT

The point is lost if:

- a. The player serves two consecutive faults; or
- b. The player does not return the ball in play before it bounces twice consecutively; or
- c. The player returns the ball in play so that it hits the ground, or before it bounces, an object, outside the correct court; or
- d. The player returns the ball in play so that, before it bounces, it hits a permanent fixture; or
- e. The receiver returns the service before it bounces; or
- f. The player deliberately carries or catches the ball in play on the racket or deliberately touches it with the racket more than once; or
- g. The player or the racket, whether in the player's hand or not, or anything which the player is wearing or carrying touches the net, net posts/singles sticks, cord or metal cable, strap or band, or the opponent's court at any time while the ball is in play; or
- h. The player hits the ball before it has passed the net; or
- i. The ball in play touches the player or anything that the player is wearing or carrying, except the racket; or
- j. The ball in play touches the racket when the player is not holding it; or
- k. The player deliberately and materially changes the shape of the racket when the ball is in play; or
- l. In doubles, both players touch the ball when returning it.

Case 1: After the server has served a first service, the racket falls out of the server's hand and touches the net before the ball has bounced. Is

APPENDIX L ITF RULES OF TENNIS

this a service fault, or does the server lose the point?

Decision: The server loses the point because the racket touches the net while the ball is in play.

Case 2: After the server has served a first service, the racket falls out of the server's hand and touches the net after the ball has bounced outside the correct service court. Is this a service fault, or does the server lose the point?

Decision: This is a service fault because when the racket touched the net the ball was no longer in play.

Case 3: In a doubles match, the receiver's partner touches the net before the ball that has been served touches the ground outside the correct service court. What is the correct decision?

Decision: The receiving team loses the point because the receiver's partner touched the net while the ball was in play.

Case 4: Does a player lose the point if an imaginary line in the extension of the net is crossed before or after hitting the ball?

Decision: The player does not lose the point in either case provided the player does not touch the opponent's court.

Case 5: Is a player allowed to jump over the net into the opponent's court while the ball is in play?

Decision: No. The player loses the point.

Case 6: A player throws the racket at the ball in play. Both the racket and the ball land in the court on the opponent's side of the net and the opponent(s) is unable to reach the ball. Which player wins the point?

Decision: The player who threw the racket at the ball loses the point.

Case 7: A ball that has just been served hits the receiver or in doubles the receiver's partner before it touches the ground. Which player wins the point?

Decision: The server wins the point, unless it is a service let.

Case 8: A player standing outside the court hits the ball or catches it before it bounces and claims the point because the ball was definitely going out of the correct court.

APPENDIX L
ITF RULES OF TENNIS

Decision: The player loses the point, unless it is a good return, in which case the point continues.

25. A GOOD RETURN

It is a good return if:

- a. The ball touches the net, net posts/singles sticks, cord or metal cable, strap or band, provided that it passes over any of them and hits the ground within the correct court; except as provided in Rule 2 and 24 (d); or
- b. After the ball in play has hit the ground within the correct court and has spun or been blown back over the net, the player reaches over the net and plays the ball into the correct court, provided that the player does not break Rule 24; or
- c. The ball is returned outside the net posts, either above or below the level of the top of the net, even though it touches the net posts, provided that it hits the ground in the correct court; except as provided in Rules 2 and 24 (d); or
- d. The ball passes under the net cord between the singles stick and the adjacent net post without touching either net, net cord or net post and hits the ground in the correct court, or
- e. The player's racket passes over the net after hitting the ball on the player's own side of the net and the ball hits the ground in the correct court; or
- f. The player hits the ball in play, which hits another ball lying in the correct court.

Case 1: A player returns a ball which then hits a singles stick and hits the ground in the correct court. Is this a good return?

Decision: Yes. However, if the ball is served and hits the singles stick, it is a service fault.

Case 2: A ball in play hits another ball which is lying in the correct court. What is the correct decision?

Decision: Play continues. However, if it is not clear that the actual ball in play has been returned, a let should be called.

APPENDIX L
ITF RULES OF TENNIS

26. HINDRANCE

If a player is hindered in playing the point by a deliberate act of the opponent(s), the player shall win the point.

However, the point shall be replayed if a player is hindered in playing the point by either an unintentional act of the opponent(s), or something outside the player's own control (not including a permanent fixture).

Case 1: Is an unintentional double hit a hindrance?

Decision: No. See also Rule 24 (f).

Case 2: A player claims to have stopped play because the player thought that the opponent(s) was being hindered. Is this a hindrance?

Decision: No, the player loses the point.

Case 3: A ball in play hits a bird flying over the court. Is this a hindrance?

Decision: Yes, the point shall be replayed.

Case 4: During a point, a ball or other object that was lying on the player's side of the net when the point started hinders the player. Is this a hindrance?

Decision: No.

Case 5: In doubles, where are the server's partner and receiver's partner allowed to stand?

Decision: The server's partner and the receiver's partner may take any position on their own side of the net, inside or outside the court. However, if a player is creating a hindrance to the opponent(s), the hindrance rule should be used.

27. CORRECTING ERRORS

As a principle, when an error in respect of the Rules of Tennis is discovered, all points previously played shall stand. Errors so discovered shall be corrected as follows:

- a. During a standard game or a tie-break game, if a player serves from the wrong half of the court, this should be corrected as soon as the error is discovered and the server shall serve from the correct half of

APPENDIX L
ITF RULES OF TENNIS

the court according to the score. A fault that was served before the error was discovered shall stand.

- b. During a standard game or a tie-break game, if the players are at the wrong ends of the court, the error should be corrected as soon as it is discovered and the server shall serve from the correct end of the court according to the score.
- c. If a player serves out of turn during a standard game, the player who was originally due to serve shall serve as soon as the error is discovered. However, if a game is completed before the error is discovered the order of service shall remain as altered. In this case, any ball change to be made after an agreed number of games should be made one game later than originally scheduled.

A fault that was served by the opponents(s) before the error was discovered shall not stand.

In doubles, if the partners of one team serve out of turn, a fault that was served before the error was discovered shall stand.

- d. If a player serves out of turn during a tie-break game and the error is discovered after an even number of points have been played, the error is corrected immediately. If the error is discovered after an odd number of points have been played, the order of service shall remain as altered.

A fault that was served by the opponent(s) before the error was discovered shall not stand.

In doubles, if the partners of one team serve out of turn, a fault that was served before the error was discovered shall stand.

- e. During a standard game or a tie-break game in doubles, if there is an error in the order of receiving, this shall remain as altered until the end of the game in which the error is discovered. For the next game in which they are the receivers in that set, the partners shall then resume the original order of receiving.
- f. If in error a tie-break game is started at 6 games all, when it was previously agreed that the set would be an "Advantage set", the error shall be corrected immediately if only one point has been played. If the error is discovered after the second point is in play, the set will continue as a "Tie-break set".

APPENDIX L

ITF RULES OF TENNIS

- g. If in error a standard game is started at 6 games all, when it was previously agreed that the set would be a “Tie-break set”, the error shall be corrected immediately if only one point has been played. If the error is discovered after the second point is in play, the set will continue as an “Advantage set” until the score reaches 8 games all (or a higher even number), when a tie-break game shall be played.
- h. If in error an “Advantage set” or “Tie-break set” is started, when it was previously agreed that the final set would be a match tie-break, the error shall be corrected immediately if only one point has been played. If the error is discovered after the second point is in play, the set will continue either until a player or team wins three games (and therefore the set) or until the score reaches 2 games all, when a match tie-break shall be played. However, if the error is discovered after the second point of the fifth game has started, the set will continue as a “Tie-break set”. (See Appendix V)
- i. If the balls are not changed in the correct sequence, the error shall be corrected when the player/team who should have served with new balls is next due to serve a new game. Thereafter the balls shall be changed so that the number of games between ball changes shall be that originally agreed. Balls should not be changed during a game.

28. ROLE OF COURT OFFICIALS

For matches where officials are appointed, their roles and responsibilities can be found in Appendix VI.

29. CONTINUOUS PLAY

As a principle, play should be continuous, from the time the match starts (when the first service of the match is put in play) until the match finishes.

- a. Between points, a maximum of twenty-five (25) seconds is allowed. When the players change ends at the end of a game, a maximum of ninety (90) seconds are allowed. However, after the first game of each set and during a tie-break game, play shall be continuous and the players shall change ends without a rest.

At the end of each set there shall be a set break of a maximum of one hundred and twenty (120) seconds.

The maximum time starts from the moment that one point finishes until the first service is struck for the next point.

Event organisers may apply for ITF approval to extend the ninety

APPENDIX L ITF RULES OF TENNIS

(90) seconds allowed when the players change ends at the end of a game and the one hundred and twenty (120) seconds allowed at a set break.

- b. If, for reasons outside the player's control, clothing, footwear or necessary equipment (excluding the racket) is broken or needs to be replaced, the player may be allowed reasonable extra time to rectify the problem.
- c. No extra time shall be given to allow a player to recover condition. However, a player suffering from a treatable medical condition may be allowed one medical time-out of three minutes for the treatment of that medical condition. A limited number of toilet/change of attire breaks may also be allowed, if this is announced in advance of the event.
- d. Event organisers may allow a rest period of a maximum of ten (10) minutes if this is announced in advance of the event. This rest period can be taken after the 3rd set in a best of 5 sets match, or after the 2nd set in a best of 3 sets match.
- e. The warm-up time shall be a maximum of five (5) minutes, unless otherwise decided by the event organisers.

30. COACHING

Coaching is considered to be communication, advice or instruction of any kind and by any means to a player.

In team events where there is a team captain sitting on-court, the team captain may coach the player(s) during a set break and when the players change ends at the end of a game, but not when the players change ends after the first game of each set and not during a tie-break game.

In all other matches, coaching is not allowed.

Case 1: Is a player allowed to be coached, if the coaching is given by signals in a discreet way?

Decision: No.

Case 2: Is a player allowed to receive coaching when play is suspended?

Decision: Yes.

Case 3: Is a player allowed to receive on-court coaching during a match?

APPENDIX L
ITF RULES OF TENNIS

Decision: Sanctioning bodies may apply to the ITF to have on-court coaching allowed. In events where on-court coaching is allowed, designated coaches may enter the court and coach their players under procedures decided by the sanctioning body.

31. PLAYER ANALYSIS TECHNOLOGY

Player analysis technology, that is approved for play under the Rules of Tennis, must comply with the specifications in Appendix III.

The International Tennis Federation shall rule on the question of whether any such equipment is approved, or not approved. Such ruling may be taken on its own initiative, or upon application by any party with a bona fide interest therein, including any player, equipment manufacturer or National Association or members thereof. Such rulings and applications shall be made in accordance with the applicable Review and Hearing Procedures of the International Tennis Federation.

AMENDMENT TO THE RULES OF TENNIS
(Article 28 of the Constitution of ITF Ltd)

The official and decisive text to the Rules of Tennis shall be for ever in the English language and no alteration or interpretation of such Rules shall be made except at an Annual General Meeting of the Council, nor unless notice of the Resolution embodying such alterations shall have been received by the ITF in accordance with Article 17 and such Resolution or one having the like effect shall be carried by a majority of two-thirds of the votes recorded in respect of the same.

Any alteration so made shall take effect as from the first day of January following, unless the Meeting shall by the like majority decide otherwise.

The Board of Directors shall have power, however, to settle all urgent questions of interpretation subject to confirmation at the General Meeting next following.

This text shall not be altered at any time without the unanimous consent of a General Meeting of the Council.

	<u>MASS (WEIGHT)</u>	<u>REBOUND</u>	<u>FORWARD DEFORMATION</u>	<u>RETURN DEFORMATION</u>
<u>MAXIMUM CHANGE¹</u>	0.4 grams (0.014 ounces)	4.0 cm (1.6 inches)	0.08 cm (0.031 inches)	0.10 cm (0.039 inches)

Notes:

- ¹ The largest permissible change in the specified properties resulting from the durability test described in the current edition of *ITF Approved Tennis Balls & Classified Court Surfaces*. The durability test uses laboratory equipment to simulate the effects of nine games of play.
- d. Only the ball types specified in the ITF Rules of Tennis can be used in 10 and under tennis competition. See the complete rules for details.
- e. All tests for rebound, mass, size, deformation and durability shall be made in accordance with the Regulations described in the current edition of *ITF Approved Tennis Balls & Classified Court Surfaces*.

CLASSIFICATION OF COURT PACE

The ITF test method used for determining the pace of a court surface is ITF CS 01/02 (ITF Court Pace Rating) as described in the ITF publication entitled "ITF guide to test methods for tennis court surfaces".

Court surfaces which have an ITF Court Pace Rating of 0 to 29 shall be classified as being Category 1 (slow pace). Examples of court surface types which conform to this classification will include most clay courts and other types of unbound mineral surface.

Court surfaces which have an ITF Court Pace Rating of 30 to 34 shall be classified as being Category 2 (medium-slow pace), while court surfaces with an ITF Court Pace Rating of 35 to 39 shall be classified as being Category 3 (medium pace). Examples of court surface types which conform to this classification will include most acrylic coated surfaces plus some carpet surfaces.

Court surfaces with an ITF Court Pace Rating of 40 to 44 shall be classified as being Category 4 (medium-fast pace), while court surfaces which have an ITF Court Pace Rating of 45 or more shall be classified as being Category 5 (fast

ITF RULES OF TENNIS

pace). Examples of court surface types which conform to this classification will include most natural grass, artificial grass and some carpet surfaces.

Case 1: Which ball type should be used on which court surface?

Decision: 3 different types of balls are approved for play under the Rules of Tennis, however:

- a. *Ball Type 1 (fast speed) is intended for play on slow pace court surfaces*
- b. *Ball Type 2 (medium speed) is intended for play on medium-slow, medium and medium-fast pace court surfaces*
- c. *Ball Type 3 (slow speed) is intended for play on fast pace court surfaces*

Note:

In addition to the ball types specified under paragraph (b) above, the Stage 1 (Green) ball may be used for all levels of competitive play except for world ranking professional tennis events, Davis Cup and Billie Jean King Cup, the Olympic and Paralympic Tennis Events, World Tennis Tour Men's, Women's and Junior Tournaments and Team events sanctioned by the ITF and affiliated Regional Associations, ITF Senior Circuit and Team events and ITF Wheelchair Tennis Tour Circuit and Team events.

Each National Association shall have the right to decide which national competitive events should use the Stage 1 (Green) ball.

APPENDIX II

THE RACKET

For all measurements in Appendix II, SI units shall take precedence

- a. The racket shall consist of a frame and string(s). The frame shall consist of a handle and head, and may also include a throat. The head is defined as that part of the racket to which the string(s) connect. The handle is defined as that part of the racket connected to the head which is held by the player in normal use. The throat, where present, is that part of the racket that joins the handle to the head.
- b. The hitting surface, defined as the main area of the stringing pattern bordered by the points of entry of the strings into the head or points of contact of the strings with the head, whichever is the smaller, shall be flat and consist of a pattern of crossed strings, which shall

APPENDIX L

ITF RULES OF TENNIS

be alternately interlaced or bonded where they cross. The stringing pattern must be generally uniform and, in particular, not less dense in the centre than in any other area.

The racket shall be designed and strung such that the playing characteristics are identical on both faces.

- c. The racket shall not exceed 73.7 cm (29.0 inches) in overall length, and 31.7 cm (12.5 inches) in overall width. The hitting surface shall not exceed 39.4 cm (15.5 inches) in overall length, when measured parallel to the longitudinal axis of the handle, and 29.2 cm (11.5 inches) in overall width, when measured perpendicular to the longitudinal axis of the handle.
- d. The racket shall be free of any attached object, protrusion or device which makes it possible to change materially the shape of the racket, or its moment of inertia about any principal axis, or to change any physical property which may affect the performance of the racket during the playing of a point. Attached objects, protrusions and devices that are approved as Player Analysis Technology, or that are utilised to limit or prevent wear and tear or vibration or, for the frame only, to distribute weight, are permitted. All permissible objects, protrusions and devices must be reasonable in size and placement for their respective purpose(s).

No energy source that in any way could change or affect the playing characteristics of a racket may be built into or attached to a racket.

APPENDIX III

PLAYER ANALYSIS TECHNOLOGY

Player Analysis Technology is equipment that may perform any of the following functions with respect to player performance information:

- A. Recording
- B. Storing
- C. Transmission
- D. Analysis
- E. Communication to a player of any kind and by any means

Player Analysis Technology may record and/or store information during a match. Such information may only be accessed by a player in accordance with Rule 30.

APPENDIX IV

ADVERTISING

1. Advertising is permitted on the net as long as it is placed on the part of the net that is within 3 feet (0.914 m) from the centre of the net posts and is produced in such a way that it does not interfere with the vision of the players or the playing conditions.

A mark (non-commercial) of the sanctioning body is permitted on the lower part of the net, minimum 20 inches (0.51 m) from the top of the net, as long as it is produced in such a way that it does not interfere with the vision of the players or the playing conditions.

2. Advertising and other marks or material placed at the back and sides of the court shall be permitted unless it interferes with the vision of the players or the playing conditions.
3. Advertising and other marks or material placed on the court surface outside the lines is permitted unless it interferes with the vision of the players or the playing conditions.
4. Notwithstanding paragraphs (1), (2) and (3) above, any advertising, marks or material placed on the net or placed at the back and sides of the court, or on the court surface outside the lines may not contain white or yellow or other light colours that may interfere with the vision of the players or the playing conditions.
5. Advertising and other marks or material are not permitted on the court surface inside the lines of the court.

APPENDIX V

ALTERNATIVE PROCEDURES AND SCORING METHODS

The alternatives listed in this Appendix V may be used.

SCORE IN A GAME (RULE 5)

“No-Ad” SCORING METHOD

A “No-Ad” game is scored as follows with the server’s score being called first:

No point	-	“Love”
First point	-	“15”

APPENDIX L
ITF RULES OF TENNIS

Second point	-	“30”
Third point	-	“40”
Fourth point	-	“Game”

If both players/teams have won three points each, the score is “Deuce” and a deciding point shall be played. The receiver(s) shall choose whether to receive the service from the right half or the left half of the court. In doubles, the players of the receiving team cannot change positions to receive this deciding point. The player/team who wins the deciding point wins the “Game”.

In mixed doubles, the player of the same gender as the server shall receive the deciding point. The players of the receiving team cannot change positions to receive the deciding point.

SCORE IN A SET (RULES 6 AND 7)

1. SHORT SETS

The first player/team who wins four games wins that set, provided there is a margin of two games over the opponent(s). If the score reaches four games all, a tie-break game shall be played. Alternatively (at the discretion of the sanctioning body), if the score reaches three games all, a tie-break game shall be played.

2. SHORT SET TIE-BREAK

When playing Short Sets only, a Short Set tie-break may be used. The first player/team to win five points wins the “Game” and “Set”, with a deciding point if the score reaches four all. The order and number of serves shall be determined by the sanctioning body. Players/Teams will only change ends after the first four points have been played.

3. MATCH TIE-BREAK (7 POINTS)

When the score in a match is one set all, or two sets all in best of five sets matches, one tie-break game shall be played to decide the match. This tie-break game replaces the deciding final set.

The player/team who first wins seven points shall win this match tie-break and the match provided there is a margin of two points over the opponent(s).

APPENDIX L
ITF RULES OF TENNIS

4. MATCH TIE-BREAK (10 POINTS)

When the score in a match is one set all, or two sets all in best of five sets matches, one tie-break game shall be played to decide the match. This tie-break game replaces the deciding final set.

The player/team who first wins ten points shall win this match tie-break and the match provided there is a margin of two points over the opponent(s).

Note: *When using the match tie-break to replace the final set:*

- *the original order of service continues. (Rules 5 and 14)*
- *in doubles, the order of serving and receiving within the team may be altered, as in the beginning of each set. (Rules 14 and 15)*
- *before the start of the match tie-break there shall be a 120 seconds set break.*
- *balls should not be changed before the start of the match tie-break even if a ball change is due.*

CHANGE OF ENDS (RULE 10)

During a tie-break game, players shall change ends after the first point and thereafter after every four points.

THE LET DURING A SERVICE (RULE 22)

“NO LET” RULE

This alternative is play without the service let in Rule 22a, whereby a serve that touches the net, strap or band is in play.

At the discretion of the sanctioning body, when playing doubles using Short Sets in combination with No-Ad scoring and the No-Let rule, either player on the receiving team is permitted to return a serve that touches the net, strap or band and lands within the correct service box.

APPENDIX L
ITF RULES OF TENNIS

APPENDIX VI

ROLE OF COURT OFFICIALS

The referee is the final authority on all questions of tennis law and the referee's decision is final.

In matches where a chair umpire is assigned, the chair umpire is the final authority on all questions of fact during the match.

The players have the right to call the referee to court if they disagree with a chair umpire's interpretation of tennis law.

In matches where line umpires and net umpires are assigned, they make all calls (including foot-fault calls) relating to that line or net. The chair umpire has the right to overrule a line umpire or a net umpire if the chair umpire is sure that a clear mistake has been made. The chair umpire is responsible for calling any line (including foot-faults) or net where no line umpire or net umpire is assigned.

A line umpire who cannot make a call shall signal this immediately to the chair umpire who shall make a decision. If the line umpire cannot make a call, or if there is no line umpire, and the chair umpire cannot make a decision on a question of fact, the point shall be replayed.

In team events where the referee is sitting on-court, the referee is also the final authority on questions of fact.

Play may be stopped or suspended at any time the chair umpire decides it is necessary or appropriate.

The referee may also stop or suspend play in the case of darkness, weather or adverse court conditions. When play is suspended for darkness, this should be done at the end of a set, or after an even number of games have been played in the set in progress. After a suspension in play, the score and position of players on-court in the match shall stand when the match resumes.

The chair umpire or referee shall make decisions regarding continuous play and coaching in respect of any Code of Conduct that is approved and in operation.

Case 1: The chair umpire awards the server a first service after an overrule, but the receiver argues that it should be a second service, since the server had already served a fault. Should the referee be called to court to give a decision?

Decision: Yes. The chair umpire makes the first decision about questions of tennis law (issues relating to the application of specific facts).

APPENDIX L
ITF RULES OF TENNIS

However, if a player appeals the chair umpire's decision, then the referee shall be called to make the final decision.

Case 2: A ball is called out, but a player claims that the ball was good. May the referee be called to court to make a decision?

Decision: No. The chair umpire makes the final decision on questions of fact (issues relating to what actually happened during a specific incident).

Case 3: Is a chair umpire allowed to overrule a line umpire at the end of a point if, in the chair umpire's opinion, a clear mistake was made earlier in the point?

Decision: No. A chair umpire may only overrule a line umpire immediately after the clear mistake has been made.

Case 4: A line umpire calls a ball "Out" and then the player argues that the ball was good. Is the chair umpire allowed to overrule the line umpire?

Decision: No. A chair umpire must never overrule as the result of the protest or appeal by a player

Case 5: A line umpire calls a ball "Out". The chair umpire was unable to see clearly, but thought the ball was in. May the chair umpire overrule the line umpire?

Decision: No. The chair umpire may only overrule when sure that the line umpire made a clear mistake.

Case 6: Is a line umpire allowed to change the call after the chair umpire has announced the score?

Decision: Yes. If a line umpire realises a mistake, a correction should be made as soon as possible provided it is not as the result of a protest or appeal of a player.

Case 7: If a chair umpire or line umpire calls "Out" and then corrects the call to good, what is the correct decision?

Decision: The chair umpire must decide if the original "Out" call was a hindrance to either player. If it was a hindrance, the point shall be replayed. If it was not a hindrance, the player who hit the ball wins the point.

APPENDIX L
ITF RULES OF TENNIS

Case 8: A ball is blown back over the net and the player correctly reaches over the net to try to play the ball. The opponent(s) hinders the player from doing this. What is the correct decision?

Decision: The chair umpire must decide if the hindrance was deliberate or unintentional and either awards the point to the hindered player or order the point to be replayed.

BALL MARK INSPECTION PROCEDURES

1. Ball mark inspections can only be made on clay courts.
2. A ball mark inspection requested by a player (team) shall be allowed only if the chair umpire cannot determine the call with certainty from their chair on either a point-ending shot or when a player (team) stops playing the point during a rally (returns are permitted but then the player must immediately stop).
3. When the chair umpire has decided to make a ball mark inspection, they should go down from the chair and make the inspection themselves. If they do not know where the mark is, they can ask the line umpire for help in locating the mark, but then the chair umpire shall inspect it.
4. The original call or overrule will always stand if the line umpire and chair umpire cannot determine the location of the mark or if the mark is unreadable.
5. Once the chair umpire has identified and ruled on a ball mark, this decision is final and not appealable.
6. In clay court tennis the chair umpire should not be too quick to announce the score unless absolutely certain of the call. If in doubt, wait before calling the score to determine whether a ball mark inspection is necessary.
7. In doubles the appealing player must make their appeal in such a way that either play stops or the chair umpire stops play. If an appeal is made to the chair umpire then they must first determine that the correct appeal procedure was followed. If it was not correct or if it was late, then the chair umpire may determine that the opposing team was deliberately hindered.
8. If a player erases the ball mark before the chair umpire has made a final decision, they concede the call.
9. A player may not cross the net to check a ball mark without being subject to the Unsportsmanlike provision of the Code of Conduct.

APPENDIX L
ITF RULES OF TENNIS

ELECTRONIC REVIEW PROCEDURES

At tournaments where an Electronic Review System is used, the following procedures should be followed for matches on courts where it is used.

1. A request for an Electronic Review of a line call or overrule by a player (team) shall be allowed only on either a point-ending shot or when a player (team) stops playing the point during a rally (returns are permitted but then the player must immediately stop).
2. The chair umpire should decide to use the Electronic Review when there is doubt about the accuracy of the line call or overrule. However, the chair umpire may refuse the Electronic Review if they believe that the player is making an unreasonable request or that it was not made in a timely manner.
3. In doubles the appealing player must make their appeal in such a way that either play stops or the chair umpire stops play. If an appeal is made to the chair umpire then they must first determine that the correct appeal procedure was followed. If it was not correct or if it was late, then the chair umpire may determine that the opposing team was deliberately hindered, in which case the appealing team loses the point.
4. The original call or overrule will always stand if the Electronic Review is unable, for whatever reason, to make a decision on that line call or overrule.
5. The chair umpire's final decision will be the outcome of the Electronic Review and is not appealable. If a manual choice is required for the system to review a particular ball impact, a review official approved by the referee shall decide which ball impact is reviewed.
6. Each player (team) is allowed three (3) unsuccessful appeals per set, plus one (1) additional appeal in the tie-break. For matches with advantage sets, players (teams) will start again with a maximum of three (3) unsuccessful appeals at 6 games all and every 12 games thereafter. For matches with match tie-break, the match tie-break counts as a new set and each player (team) starts with three (3) appeals. Players (teams) will have an unlimited number of successful appeals.

PLAN OF THE COURT

Note: All court measurements shall be made to the outside of the lines.

APPENDIX L
ITF RULES OF TENNIS

APPENDIX IX

SUGGESTIONS ON HOW TO MARK OUT A COURT
Including Blended Lines

Note: All court measurements shall be made to the outside of the lines.

The following procedure is for the usual combined doubles and singles court. (See note at foot for a court for one purpose only.)

First select the position of the net; a straight line 42 feet (12.80 m) long. Mark the centre (X on the diagram above) and, measuring from there in each direction, mark:

- at 13'6" (4.11 m) the points a, b, where the net crosses the inner sidelines,
- at 16'6" (5.03 m) the positions of the singles sticks (n, n),
- at 18'0" (5.48 m) the points A, B, where the net crosses the outer sidelines,
- at 21'0" (6.40 m) the positions of the net posts (N, N), being the ends of the original 42'0" (12.80 m) line.

Insert pegs at A and B and attach to them the respective ends of two measuring tapes. On one, which will measure the diagonal of the half-court,

APPENDIX L ITF RULES OF TENNIS

take a length 53'1" (16.18 m) and on the other (to measure the sideline) a length of 39'0" (11.89 m). Pull both taut so that at these distances they meet at a point C, which is one corner of the court. Reverse the measurements to find the other corner D. As a check on this operation it is advisable at this stage to verify the length of the line CD which, being the baseline, should be found to be 36'0" (10.97 m); and at the same time its centre J can be marked, and also the ends of the inner sidelines (c, d), 4'6" (1.37 m) from C and D.

The centreline and serviceline are now marked by means of the points F, H, G, which are measured 21'0" (6.40 m) from the net down the lines bc, XJ, ad, respectively.

Identical procedure the other side of the net completes the court.

If a singles court only is required, no lines are necessary outside the points a, b, c, d, but the court can be measured out as above. Alternatively, the corners of the baseline (c, d) can be found if preferred by pegging the two tapes at a and b instead of at A and B, and by then using lengths of 47'5" (14.46 m) and 39'0" (11.89 m). The net posts will be at n, n, and a 33'0" (10 m) singles net should be used.

When a combined doubles and singles court with a doubles net is used for singles, the net must be supported at the points n, n, to a height of 3 feet 6 inches (1.07 m) by means of two singles sticks, which shall be not more than 3 inches (7.5 cm) square or 3 inches (7.5 cm) in diameter. The centres of the singles sticks shall be 3 feet (.914 m) outside the singles court on each side.

To assist in the placing of these singles sticks it is desirable that the points n, n, should each be shown with a white dot when the court is marked.
