16 After the closing date for receipt of offers, all offers will be opened privately by an independent party appointed by the CFS in the presence of a scrutineer appointed by the CFS who is not an employee, officer or director of the CFS, nor a base quota owner.

Award of Quota

17 New entrant base quota will be awarded in accordance with the applicant meeting all application criteria to become a licensed producer. The sale price will be \$3.9548 per kilogram of quota.

18 In the case of more applicants than lots offered, the applications will be reviewed by the Board and its officers, who will determine eligibility based on the application. Preference will be given to a person who does not, currently or in the past, own quota in the supply-managed sector. Of those applicants declared eligible, the successful recipient will be randomly chosen by drawing of names/applicants by the independent third party.

Terms of Purchase

19 Acceptance by the CFS of an offer to purchase base quota will create a binding contract between the CFS and the purchaser.

20 A non-refundable deposit equal to 25% of the purchase price must be delivered to the CFS within 14 days of receiving a written notice of acceptance of the purchaser's offer. Notices are deemed to be received ten days after being mailed. The full purchase price must be delivered to CFS at the time the base quota being purchased is put into production. Both payments must be in the form of a cheque, certified cheque, bank draft or money order payable to the Saskatchewan Chicken Industry Development Fund.

21 Base quota purchased by a new applicant under this Order must be put into production within one year of the purchaser receiving written notice of acceptance of the purchaser's offer, or such longer period of time as the CFS, in its sole discretion, may allow.

22 The base quota must be produced on land owned by the applicant, and such land may not serve as a production location for any other licensed producer. No other licensed producer, or any individual who has a direct or indirect beneficial interest in another licensed producer, may have any direct or indirect beneficial interest in a new applicant or in the production location where a new applicant puts the base quota into direct production.

23 Base quota purchased under this Order shall be forfeited and cancelled if:

- (a) it has not been put into production in accordance with this Order; or
- (b) it is subsequently determined by the Board that the purchaser does not satisfy the eligibility or other requirements outlined in this Order.

24 Base quota purchased under this Order may not be transferred by the base quota owner in accordance with the provisions of *The Chicken Marketing Plan Regulations* prior to the tenth anniversary of the base quota being awarded.

25 Base quota purchased under this Order is subject to all applicable provisions and restrictions set out in *The Chicken Marketing Plan Regulations* and CFS Orders.

Withdrawal of Base Quota

26 CFS reserves the right to withdraw the base quota offered for sale under the Order at any time before or after the closing time for receipt of offers. Unless and until the CFS has accepted in writing an offer from an applicant, a contractual relationship (either expressed or implied) is not created with any person submitting an offer in response to this Order.
