Premier League Owners' Charter

As owners and Directors, we are the custodians of our Clubs and will uphold the spirit of these commitments.

1. We understand the vital role of our fans and we commit to listening to their views and protecting our Club's heritage.
2. We have collective responsibility for the continued success of the Premier League and want it to remain the most watched football league in the world.
3. We recognise the value each Club has to its broader community and the desire of each individual Club to win and to grow. We will run our Club in an economically stable, sustainable, and socially responsible manner.
4. We want to develop and attract the world's best players, coaches and managers to the Premier League.
5. We are committed to making football free from discrimination and abuse. The Premier League should be a place for everyone.
6. We understand the importance of a football pyramid that rewards success on the pitch, upholds promotion and relegation and qualification for other competitions by current sporting merit.
7. We will promote the strength and financial sustainability of English football, including our national teams and we will continue to support all levels of the game.
8. We support the competitiveness of the Premier League as one of its greatest assets but recognise that, off the pitch, there is strength in our collective unity. We will openly debate the issues facing us and protect Premier League and Shareholders' confidentiality in public.
9. We are collectively committed to the Premier League and recognise our responsibility to support it. We will not engage in the creation of new competition formats outside of the Premier League's Rules.
10. We believe that all Shareholders in the Premier League should have an equal voice. We will conduct our Club's dealings with good faith, honesty and the highest possible standards of professional behaviour and sporting integrity.

Guidance

‘Normal market conditions’ are typically those in which revenues bear a reasonable relationship to any costs incurred, taking into account the economic value of the product supplied or service provided.

Normal market conditions shall typically be assessed through benchmarking, i.e. in light of the terms under which comparable Transactions carried out by comparable Clubs have taken place in comparable circumstances.

Adopting a tender process that attracts bids from non-Associated Party bidders is good evidence that the resulting Transaction has been concluded in normal market conditions, subject to any applicable Fair Market Value Assessment. However, that will be the case only where the necessary conditions are satisfied, being non-discriminatory treatment of all bidders at all stages of the procedure and objective selection and award criteria being specified in advance of the process. For completeness, a lack of competing bids from non-Associated Parties is not, in and of itself, determinative that the Transaction in question has not been concluded in normal market conditions.

In any event, an assessment of normal market conditions shall consider all the relevant circumstances of the particular case. There can be exceptional circumstances in which a Transaction, even if carried out at market prices, may not be considered in line with market conditions. For instance, and by way of example only, where a Transaction does not meet an actual need of the Associated Party, they may not be acting in a manner similar to that of a non-Associated Party under normal market conditions. Accordingly, Transactions carried out under such conditions may confer an advantage on a Club which it would not have obtained under normal market conditions.

A.1.98.	“Fair Market Value Assessment” means an assessment as to whether the consideration either paid or received or to be paid or received by the Club, Player, Manager or Senior Official (as applicable) pursuant to a Transaction represents Fair Market Value. In conducting a Fair Market Value Assessment, the Board is required to: <ol style="list-style-type: none"> (a) consider: <ol style="list-style-type: none"> (i) an assessment of the value of the Transaction produced by an independent expert procured by the Board (save that the Board may elect not to obtain an assessment by an independent expert where the Transaction in question involves no consideration paid or to be paid to the Club, Player, Manager or Senior Official or involves the sale or loan of a Player’s registration); (ii) any relevant information provided by the Club (including any assessment of the value of the Transaction produced or procured by the Club); and (iii) such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment; and (b) comply with any protocols agreed by Clubs for that purpose (including the Fair Market Value Assessment Protocol – Commercial Rights Agreements at Appendix 18 of the Rules). For the avoidance of doubt, where there is no such protocol in place applicable to a particular type of Transaction, the Board will conduct the Fair Market Value Assessment as it sees fit, in compliance with paragraph (a), above;

- D.33.2.3. the Board shall then calculate the percentage share of Central Funds that would have been allocated to each Club and Relegated Club for that Competition, had the Competition been completed (in the case of Clubs) by reference to its position in the League Table and Forecast Live TV Picks for the completed Competition (the **"Forecast Central Funds Percentage"**); and
- D.33.2.4. the Reduced Central Funds shall then be allocated so that each Club and Relegated Club receives its Forecast Central Funds Percentage.
- D.34. For the avoidance of doubt, Central Funds distributed prior to the point of curtailment will form part of each Club's (and Relegated Club's) share of Reduced Central Funds resulting in a balancing amount due to or from the League to give effect to the process outlined in Rule D.33.

Guidance

By way of example of the operation of Rule D.33.2, where:

- the Reduced Central Funds in respect of a Competition is £1 billion;
- using the methods referred to in Rule D.33.2.1, Club A's place in the League Table is 10th, with 15 League Matches televised live and a further three League Matches due to be televised live; and
- the Board determines that, had the Competition been completed as scheduled, and Club A would have had 25 League Matches televised live and if finishing the Competition in 10th place in the League Table, the Club would have received 10% of the total Central Funds payable in respect of that Competition,

Club A will receive £100 million from the Reduced Central Funds.

Section E: Clubs – Finance

- E.51. If the PSR Calculation results in a loss of up to £15m, then the Board shall determine whether the Club will, until the end of T+1, be able to pay its liabilities described in Rule E.16.9.1 and fulfil the obligations set out in Rules E.16.9.2 and E.16.9.3.
- E.52. If the PSR Calculation results in a loss of in excess of £15m then the following shall apply:
- E.52.1. the Club shall provide, by 31 March in the relevant Season, Future Financial Information to cover the period commencing from its last accounting reference date (as defined in section 391 of the Act) until the end of T+2 and a calculation of estimated aggregated Adjusted Earnings Before Tax until the end of T+2 based on that Future Financial Information;
- E.52.2. the Club shall provide such evidence of Secure Funding as the Board considers sufficient; and
- E.52.3. if the Club is unable to provide evidence of Secure Funding as set out in Rule E.52.2, the Board may exercise its powers set out in Rule E.17.
- E.53. If the PSR Calculation results in losses of in excess of £105m:
- E.53.1. the Board may exercise its powers set out in Rule E.17; and
- E.53.2. the Club shall be treated as being in breach of these Rules and accordingly the Board shall refer the breach to a Commission constituted pursuant to Section W (Disciplinary) of these Rules, which shall be determined in accordance with the Profitability and Sustainability Rules – Standard Directions set out at Appendix 1 to these Rules.
- E.54. The sum set out in Rule E.53 shall be reduced by £22m for each Season covered by T-1 and T-2 in which the Club was in membership of The Football League.

Associated Party Transactions

Guidance

Clubs have agreed Rules E.55 to E.76 as a necessary tool in maintaining the effectiveness of the Profitability and Sustainability Rules, by ensuring the veracity of the costs and revenues reported by Clubs for the purposes of compliance.

They seek to ensure:

- the long-term financial sustainability of Clubs by extinguishing reliance on enhanced commercial revenues received from entities linked to the Club's ownership; and
- fairness amongst Clubs, so that Clubs are not able to derive an unfair advantage over domestic competitors by increasing revenues or reducing costs via arrangements with entities linked to a Club's ownership.

Rules E.55 to E.76 (to include any determinations of the Board made pursuant to those Rules) should be interpreted at all times in line with the purpose and objectives set out above.

- E.55. Each Associated Party Transaction must be submitted to the Board (in such form and including such detail as required by the Board) in order for the Board to conduct a Fair Market Value Assessment of it.
- E.56. Each Club submitting an Associated Party Transaction shall procure that a declaration by a director (or equivalent) of the relevant Associated Party by way of confirmation that they consider the Associated Party Transaction to be at Fair Market Value is obtained and submitted to the League with the Associated Party Transaction.

Section E: Clubs – Finance

Guidance

For the avoidance of doubt, where the Board informs a Club that it considers, in its reasonable opinion, that a Transaction submitted by the Club (whether as a Databank Transaction or Threshold Transaction) or otherwise discovered by the Board is an Associated Party Transaction, that Club will be required to procure and submit the documentation referred to in Rule E.56.

While no disciplinary action will be taken by the League solely on the basis that the document referred to in Rule E.56 is not provided, the Board shall be permitted to draw adverse inferences in respect of the Club's inability to demonstrate that the Associated Party Transaction is at Fair Market Value in circumstances where the Club fails to provide it.

- E.57. The submissions required by Rule E.55 must be made to the Board either:
- E.57.1. prior to execution of the agreement governing the Associated Party Transaction; or
- E.57.2. within two clear Working Days after the execution of the agreement governing the Associated Party Transaction.
- E.58. Where the Club opts to execute an Associated Party Transaction prior to receiving written confirmation from the Board in accordance with these Rules that it approves the Transaction and that no further action will be taken in respect of it, the Club must ensure that:
- E.58.1. the receipt of consideration, of any kind, by it under the terms of the Associated Party Transaction is made expressly subject at all times to confirmation by the Board (in accordance with Rule E.65) that the Board approves the Transaction and no further action will be taken in respect of it; and
- E.58.2. any consideration derived or to be derived from the Associated Party Transaction is excluded from the Club's accounting of revenue for the purposes of confirming its actual/forecast profit/loss before tax in Form 3a, unless and until the Board approves the Transaction and confirms no further action will be taken in respect of it.

Guidance

For the avoidance of doubt, a Club may provide rights to a counterparty under the terms of an Associated Party Transaction prior to receiving approval from the Board in respect of that Transaction under the Rules but may not receive any consideration. If a Club does not choose to provide rights to a counterparty in the intervening period, the Board may need to update its Fair Market Value Assessment where the rights to be provided by the Club to the counterparty reduce as a result of the passage of time (such as, for example, where the rights relate to fixtures which are being fulfilled). A Club's decision not to provide such rights to a counterparty pending approval by the Board, and any consequential impact on the Fair Market Value of the Transaction, is at the Club's own risk.

Receipt of any consideration whatsoever by a Club under the terms of an Associated Party Transaction prior to confirmation that the Board approves the Transaction shall be a breach of these Rules.

- E.59. Where an Associated Party Transaction is submitted or discovered the Board will conduct a Fair Market Value Assessment of it.

Threshold Transactions

- E.60. Each Threshold Transaction must be submitted to the Board (in such form and including such detail as confirmed by the Board from time to time) in order for the Board to conduct an assessment of it in accordance with Rule E.63.

Section E: Clubs – Finance

- E.61. The submissions required by Rule E.60 must be made to the Board either:
 - E.61.1. prior to the execution of the agreement governing the Threshold Transaction; or
 - E.61.2. within two clear Working Days after execution of the agreement governing the Transaction.
- E.62. Where the Club opts to execute a Threshold Transaction prior to receiving written confirmation from the Board in accordance with these Rules that it approves the Transaction and that no further action will be taken in respect of it, the Club must ensure that the receipt of consideration, of any kind, by it under the terms of the Threshold Transaction is made expressly subject at all times to confirmation by the Board (in accordance with Rule E.64) that it approves the Transaction and no further action will be taken in respect of it.

Guidance

For the avoidance of doubt, a Club may provide rights to a counterparty under the terms of a Threshold Transaction prior to receiving approval from the Board in respect of that Transaction under the Rules but may not receive any consideration. If a Club does not choose to provide rights to a counterparty in the intervening period, where the Board considers in its reasonable opinion that a Fair Market Value Assessment is required in accordance with Rule E.64, it is possible that the rights to be provided by the Club to the counterparty may reduce as a result of the passage of time (such as, for example, where the rights relate to fixtures which are being fulfilled). A Club's decision not to provide such rights to a counterparty pending approval by the Board, and any consequential impact on the Fair Market Value of the Transaction, is at the Club's own risk.

Receipt of any consideration whatsoever by a Club under the terms of a Threshold Transaction prior to confirmation that the Board approves the Transaction shall be a breach of these Rules.

- E.63. When in receipt of a Threshold Transaction, the Board will (within five clear Working Days, save where further time is required due to exceptional circumstances or the requirement for further information from the Club in order to reach a conclusive decision) determine whether:
 - E.63.1. the Threshold Transaction is an Associated Party Transaction; or
 - E.63.2. the Board has reasonable grounds to suspect that the Threshold Transaction is otherwise than at Arm's Length.
- E.64. Where the Board determines that a Threshold Transaction submitted or discovered is an Associated Party Transaction or that it has reasonable grounds to suspect that it is otherwise than at Arm's Length, it will conduct a Fair Market Value Assessment of it. In all other cases, no further action will be required in respect of the Threshold Transaction and the Board will confirm in writing that it approves the Threshold Transaction.

Guidance

Without prejudice to Rule E.70, where the Board considers that a Fair Market Value Assessment of a Transaction submitted by the Club as a Threshold Transaction is warranted, it will, prior to making the determination, provide the relevant Club with a provisional indication to that effect, together with written reasons, and an opportunity to produce any further submissions it wishes to make within seven days, which the Board will consider before making a final determination.

Section E: Clubs – Finance

Fair Market Value Assessment

- E.65. Where the Board is required to conduct a Fair Market Value Assessment in accordance with these Rules, it will conclude that Fair Market Value Assessment (and communicate its findings, including whether the Board approves the relevant Transaction, to the Club) within 10 clear Working Days of either receipt of the Associated Party Transaction in accordance with Rule E.55, or its determination in accordance with Rule E.64, as applicable, save where further time is required due to exceptional circumstances or the requirement for further information and/or documentation from the Club or additional analysis to be undertaken in order to reach a conclusive decision, in which case Rule E.66 will apply.
- E.66. In circumstances where:
 - E.66.1. the Board reasonably requires further information and/or documentation from the Club or additional analysis to be undertaken to conclude its Fair Market Value Assessment; or
 - E.66.2. due to exceptional circumstances, further time is required for the Board to conclude its Fair Market Value Assessment,
 the 10 clear Working Day period referred to at Rule E.65 above will cease to apply. Where further information requested of the Club is provided to the Board in a timely manner, the Board will conclude its Fair Market Value Assessment of standard Transactions to which the Commercial Rights Agreement or Player Registrations Protocols apply within 30 days of either receipt of the Associated Party Transaction in accordance with Rule E.55, or its determination in accordance with Rule E.64, as applicable.

Guidance

For the avoidance of doubt, the "standard Transactions" referred to in Rule E.66 to which the Commercial Rights Agreement Protocol applies are those for which: (i) all consideration is cash consideration (i.e. the Transaction does not provide for consideration, for example, by way of value-in-kind, royalty arrangements or revenue shares); and (ii) the Club has clearly and promptly evidenced that the Transaction is the product of genuine commercial negotiations for which there is a genuine commercial rationale. The "standard Transactions" referred to in Rule E.66 to which the Player Registrations Protocol applies are those for which there is a permanent transfer of a Player between an Associated Party and the Club.

- E.67. Where, having completed a Fair Market Value Assessment, the Board determines, in its reasonable opinion, that it is not satisfied that the relevant Transaction is at Fair Market Value:
 - E.67.1. the Board will determine and confirm to the Club what it does consider, in its reasonable opinion, to be the Fair Market Value of the Transaction;
 - E.67.2. where the Transaction has not been executed, the Club, Player, Manager or Senior Official will not be permitted to execute the Transaction at a value other than that Fair Market Value determination by the Board; and
 - E.67.3. where the Transaction has been executed, subject to Rule E.67.3.3:
 - E.67.3.1. where the Board determines that: (a) the Transaction involves a net receipt of consideration; and (b) the Fair Market Value of the Transaction is below the total value of net consideration received (notwithstanding the prohibition in Rule E.58, above) or to be received by the Club, Player, Manager or Senior Official, the Club, Player, Manager or Senior Official must, within seven clear Working Days of that determination either:

- (i) take all such steps as are necessary to end the Transaction (in which case, any consideration received must be returned to the counterparty by the same deadline); or
 - (ii) take all such steps as are necessary to vary the Transaction and/or to return to the counterparty any consideration received in excess of the Fair Market Value determination, in order to ensure that the total value of any net consideration received or to be received is not in excess of that Fair Market Value determination,
- and, whichever approach is adopted, written confirmation must be provided to the League of the action taken by the Club, Player, Manager or Senior Official to comply with the requirements of this Rule by the same deadline;
- E.67.3.2. where the Board determines that: (a) the Transaction involves a net payment of consideration; and (b) the Fair Market Value of the Transaction is above the total net value of consideration paid (notwithstanding the prohibition in Rule E.58, above) or to be paid by the Club, Player, Manager or Senior Official, the Club, Player, Manager or Senior Official must within seven clear Working Days of that determination either:
- (i) take all such steps as are necessary to end the Transaction; or
 - (ii) take all such steps as are necessary to vary the Transaction and/or to pay to the counterparty such consideration as is necessary to cover the shortfall between that Fair Market Value determination and the consideration paid, in order to ensure that the total value of any consideration paid or to be paid is not below that Fair Market Value determination,
- and, whichever approach is adopted, written confirmation must be provided to the League of the action taken by the Club, Player, Manager or Senior Official to comply with the requirements of this Rule by the same deadline; and
- E.67.3.3. where the Transaction involves the transfer (whether temporary or permanent) of a Player's registration, the Club concerned must proceed in accordance with Rule E.67.3.1(ii) or E.67.3.2(ii), as applicable, and may not proceed in accordance with Rule E.67.3.1(i) or E.67.3.2(i), as applicable.

Guidance

The burden of proof is on the Club submitting the Transaction to demonstrate that it is at Fair Market Value. Where the Board is not satisfied that a Transaction is at Fair Market Value, it will, prior to making the determination, provide the relevant Club with a provisional indication to that effect, together with written reasons, and an opportunity to produce any further submissions it wishes to make within seven days, which the Board will consider before making a final determination.

The Board may determine that the action provided for at Rule E.67.2 need not be taken in circumstances where the Club will not unduly benefit from the Transaction in question. For example, in circumstances where the value of the Transaction is: (i) in excess of the value of consideration the Club, Player, Manager or Senior Official shall receive; or (ii) less than the value of consideration the Club, Player, Manager or Senior Official shall provide.

- E.68. Where, having completed a Fair Market Value Assessment, the Board determines that, in its reasonable opinion, the relevant Transaction does not fall to be restated to Fair Market Value, it will confirm the same to the Club and no further action will be required.

Compliance

- E.69. Without prejudice to the Board's powers set out in Rules E.55 to E.68, where it considers, acting reasonably, that a Transaction should have been submitted to the Board pursuant to Rules E.55 and/or E.59 but has not been, it may conduct a Fair Market Value Assessment of that Transaction in accordance with Rules E.65, E.66 and E.67.
- E.70. The following conduct constitutes a breach of the Rules and will be liable to be dealt with in accordance with the provisions of Section W (Disciplinary) of these Rules:
 - E.70.1. failure by a Club to submit an Associated Party Transaction or a Threshold Transaction to the Board strictly in accordance with these Rules;
 - E.70.2. failure by a Club to use all reasonable care to ensure that an Associated Party Transaction is at Fair Market Value;
 - E.70.3. failure by a Club to use all reasonable care to ensure it does not arrange or facilitate a Transaction between a Player, Manager or Senior Official of that Club and a third party that is not at Fair Market Value;
 - E.70.4. failure by a Club to provide accurate or complete information in connection with any submission of an Associated Party Transaction or a Threshold Transaction to the Board or providing misleading information in connection with such a submission;
 - E.70.5. failure by a Club, Official and/or Director engaged in the process of submission of any Associated Party Transaction or Threshold Transaction on behalf of a Club to use all reasonable care to ensure that the information provided to the Board is accurate and complete and not misleading;
 - E.70.6. failure by a Club to provide written confirmation of the steps taken by the Club, Player, Manager or Senior Official to comply with the requirements of Rule E.67.3 by the deadline in that Rule (and/or fulfil those steps);
 - E.70.7. engaging in conduct that is intended to circumvent Rules E.55 to E.68 (including the definitions contained therein) or obstruct the Board's investigation of compliance of them;
 - E.70.8. engaging in, permitting and/or facilitating any arrangement, the intention or effect of which is to conceal details from the League of any remuneration of any kind payable by a Club (whether directly or indirectly) to a Player, Manager or Senior Official that would otherwise fall to be disclosed under these Rules;
 - E.70.9. failure to comply with the obligations in Rules E.73 to E.75 regarding submission of Databank Transactions to the League; and/or
 - E.70.10. where the Board has made a determination as to the Fair Market Value of a Transaction, executing the Transaction otherwise than in accordance with that Fair Market Value determination or otherwise failing to comply with Rules E.57, E.62 or E.69.

Guidance

When considering whether a Club has taken all reasonable care to ensure an Associated Party Transaction is at Fair Market Value, the League shall consider: (i) the extent to which a Club has in place effective procedures and processes (being clear, practical, accessible, and effectively implemented and enforced) for ensuring an Associated Party Transaction is at Fair Market Value; and (ii) evidence of such procedures and processes being followed, together with appropriate enquiries and scrutiny, in respect of the Transaction in question. The League may issue further guidance on this point if it deems necessary.

Challenge	
E.71.	A Person may challenge a determination by the Board under Rules E.64, E.67 or E.69, by way of arbitration pursuant to Rule X.3, with the dispute deemed to be a 'Board Dispute', for the purposes of Rule X.3.2.
E.72.	Where a Person challenges a determination by the Board pursuant to Rule E.71 (an "FMV Dispute"), the provisions of Section X (Arbitration) will apply in full, save that: <ul style="list-style-type: none"> E.72.1. the single arbitrator or chair of the tribunal (as applicable) will have the power to abbreviate the deadlines set out in Section X to ensure that the dispute can be concluded (and an award handed down) within 30 days of them/the tribunal becoming seised of the matter, save where the abbreviation of any such deadline causes clear prejudice to any party; E.72.2. notwithstanding Rule X.18.2, and with the sole exception of information concerning any specific Transactions considered by the Board and/or the independent expert procured by the Board to inform the Board's decision under Rule E.67 (the "Comparable Transaction Data") – the disclosure of which, if requested, shall be in accordance with Rule E.72.3 – no party shall be entitled to any disclosure in respect of the Databank (and for this purpose, all Persons bound by these Rules hereby undertake not to seek disclosure of the Databank in any forum for any purpose), and the tribunal shall not have jurisdiction to order disclosure of all or part of the Databank for any reason. All parties to these Rules agree that the non-disclosure of the Databank shall not prevent them having a fair and reasonable opportunity to present their case (or deal with that of their opponent(s)) in the context of an FMV Dispute; and E.72.3. the Comparable Transaction Data shall only be disclosed on the following terms: <ul style="list-style-type: none"> E.72.3.1. Comparable Transaction Data shall be disclosed upon request to external legal advisers and independent external experts acting for a party to an FMV Dispute ("External Recipients of Data") but shall not be disclosed to any parties to such a dispute at any time (whether directly, indirectly through any External Recipient of Data or otherwise), subject to Rule E.72.4; E.72.3.2. as a condition precedent to receiving Comparable Transaction Data, each External Recipient of Data shall provide to the League, all parties to the dispute and the tribunal a signed Comparable Transaction Data Undertaking; E.72.3.3. Comparable Transaction Data will be treated by each External Recipient of Data as strictly confidential and will be used by each such individual solely for the purpose of the proper conduct of the particular FMV Dispute in respect of which it has been disclosed and for no other commercial or other purpose whatsoever; E.72.3.4. Comparable Transaction Data may only be shared with other External Recipients of Data who have provided a signed undertaking in respect of the specific Comparable Transaction Data in accordance with Rule E.72.3.1 and the tribunal;

E.72.3.5.	any documents containing or referring to Comparable Transaction Data will be clearly marked as being 'Restricted Access – contains Comparable Transaction Data' and shall not be shared with any party to the dispute except insofar as all Comparable Transaction Data is redacted in advance;
E.72.3.6.	the parties agree that their external legal advisers and independent external experts may make submissions and give evidence to the tribunal respectively concerning Comparable Transaction Data without needing specific instructions from their instructing party (providing it is otherwise professionally appropriate to do so) in circumstances where that party will not have, and is not permitted to have, access to the Comparable Transaction Data. The parties further agree that this does not prevent them having a fair and reasonable opportunity to present their case (or deal with that of their opponent(s));
E.72.3.7.	any External Recipient of Data wishing to refer to Comparable Transaction Data during a hearing shall be responsible for indicating to the tribunal in advance that it wishes to do so to enable appropriate steps to be taken to maintain the confidentiality of such data. In particular, no party representatives (except External Recipients of Data) shall be permitted to be present for the part(s) of any hearing where Comparable Transaction Data is discussed and shall only be given a copy of the transcript for the hearing in which any such discussion has been redacted;
E.72.3.8.	insofar as the tribunal considers it necessary to refer to Comparable Transaction Data in its award(s), it shall provide a full copy to External Recipients of Data only and a redacted version for the parties; and
E.72.3.9.	Comparable Transaction Data (including any documents containing or referring to such data) shall be returned to the League and/or destroyed within 30 days of the award being made in an FMV Dispute by all External Recipients of Data; and
E.72.4.	the single arbitrator or chair of the tribunal (as applicable) will have the power, in exceptional circumstances, where a party is able to demonstrate that it is necessary to remedy or avoid any unfairness in the process, to order disclosure of the Comparable Transaction Data to one or more identified representatives of the Club, subject at all times to the provisions of Rules E.72.3. Where such an order is made, the individual(s) to whom the Comparable Transaction Data is/are to be disclosed will be treated as External Recipients of Data for the purposes of Rules E.72.3.2 to E.72.3.5 and E.72.3.7 to E.72.3.9.

League Databank	
E.73.	Each Club must submit to the League (in such form and including such detail as confirmed by the Board from time to time) details of each Databank Transaction it enters into, no later than 14 clear Working Days after its execution.

Guidance

Clubs are not required to submit details of a Databank Transaction in accordance with Rule E.73 if they have submitted the details of the same Transaction in compliance with Rules E.55 or E.60.

Section E: Clubs – Finance

- E.74. Each Promoted Club must, by the date of the first League Match played in the relevant Season, submit to the League (in such form and including such detail as confirmed by the Board from time to time) details of each Databank Transaction it has entered into in the five years prior to it becoming a member of the League (save where the League is already in possession of such details due to its previous membership of the League).
- E.75. The information submitted to the League:

Guidance

For the avoidance of doubt, Rule E.75.2 shall not apply to information submitted to the League via the iFAS system. The League may use such information for the purpose of carrying out its regulatory and governance functions pursuant to the Rules.

Transitional Provisions

- E.76. The provisions of Rules E.55 to E.70 apply to:
- E.76.1. each Transaction executed after the adoption of those Rules, including any renewals, extensions and variations to such Transactions and/or the exercise of any options by the Club to renew, extend or vary any aspect of such Transaction (each of which will be treated as a further and new Transaction for the purposes of the Rules);
- E.76.2. each renewal or extension of, or variation to, an existing Transaction (including any agreement governing that Transaction) that is exercised, negotiated or otherwise comes into operation after the adoption of the Rules (which will each be treated as a new Transaction for the purposes of the Rules); and
- E.76.3. each exercise of an option by the Club to renew, extend or vary any aspect of an existing Transaction (including any agreement governing that Transaction) that is exercised, negotiated, triggered or otherwise comes into operation after the adoption of the Rules (which will be treated as a new Transaction for the purposes of these Rules),
- provided that nothing in this Rule E.76 is to be taken as requiring any Club or counterparty to act in breach of any valid term of an existing agreement, entered into prior to the adoption of Rules E.55 to E.70.

Guidance

For the avoidance of doubt, Rule E.76 shall apply irrespective of whether the Transaction or any renewal, extension or variation of it is documented in writing.

Section E: Clubs – Finance

Disciplinary Issues

In such a case:

Access to the facilities, areas and rooms described in this Section of the Rules shall, on the date of each League Match, be restricted to such personnel as are accredited by the League or Home Club and each Home Club shall ensure that such facilities, areas and rooms are stewarded in such a manner as to enforce this restriction.

Section K: Stadium Criteria and Broadcasters' Requirements

Section K: Stadium Criteria and Broadcasters' Requirements

- K.48. Each Club shall ensure that for each League Match played at its Stadium:
- K.48.1. the Stadium is supplied with internet connectivity with a total bandwidth capacity of 1360 megabits per second, for the exclusive use of Broadcasters, accredited representatives of the media, data partners and representatives of the League; and
 - K.48.2. within that total bandwidth, the Club provides connections to the internet and permits the installation and maintenance by the League of connectivity in accordance with the specification notified to the Club in advance of each Season.

Guidance

The League shall notify Clubs of the connectivity specifications for the forthcoming Season by no later than the preceding 30 June.

- K.49. Each Club shall give the Match Manager all such assistance, and access to such facilities, areas and rooms, as may be reasonably required.
- K.50. Each Club shall:
- K.50.1. provide at its Stadium for the use of the League in relation to this Section K a network access facility within its Outside Broadcast Compound and provide such rights and access as is needed for its installation and maintenance; and
 - K.50.2. ensure that for at least three hours before kick-off and two hours after the final whistle of each League Match at its Stadium an appropriately competent Official is available to ensure as far as reasonably practicable uninterrupted use of the services set out at Rule K.48.
- K.51. Each Club shall provide necessary access to accredited representatives of the League whose role is to identify unauthorised data collection at League Matches, if requested by the League or its appointee (currently Football DataCo Limited). Such access will include, but is not limited to, access to Stadium management facilities and any CCTV systems.

Guidance

Accreditation of the representatives referred to in Rule K.51 will be undertaken by the League or its appointee (currently Football DataCo Limited) on behalf of the League and Clubs.

Television Gantry

- K.52. Subject to Rule K.54, each Club shall ensure that its Stadium has a Television Gantry which:
- K.52.1. is situated so that cameras can be positioned on the half-way line;
 - K.52.2. (where the gantry is constructed after 5 June 2019) is, subject to any dispensation granted by the Board, no higher than 18 metres from pitch level and no further than 30 metres behind the relevant touchline;
 - K.52.3. is at least 19 metres wide and at least two metres deep;
 - K.52.4. is able to accommodate at least three UK TV Commentary Positions and five cameras, allowing at least two metres by two metres per camera (in accordance with Rule K.66 and Appendix 4);
 - K.52.5. permits the cameras to have a full and clear view of the whole pitch; and
 - K.52.6. permits each camera position and UK Commentary Position to be easily accessible by technical personnel during the League Match without disturbing the cameramen or commentators.

Guidance

When considering the location of the Television Gantry, Clubs should be aware of the need to position the gantry so as to ensure that the cameras positioned on it do not face directly into the sun.

- K.53. Each UK TV Commentary Position and each camera position on the Television Gantry shall be Hardwired.
- K.54. A Club may fulfil the requirements set out in Rule K.52, above, across two gantries in close proximity to each other provided that:
- K.54.1. one is at least 12 metres wide and two metres deep and able to accommodate at least two UK Commentary Positions and three cameras (allowing at least two metres by two metres per camera), in which case Rule K.52.1 shall apply to this gantry; and
 - K.54.2. the other is at least seven metres wide and two metres deep and able to accommodate at least one UK Commentary Position and two cameras (allowing at least two metres by two metres per camera).

 - K.56.4. have a full and clear view of the whole pitch; and
 - K.56.5. have a desk large enough to hold a monitor, two laptop computers and such commentary equipment as UK Broadcasters may reasonably require.

Guidance

A Club will not be penalised for a failure to provide a full and clear view of the whole pitch under these Rules if the permanent infrastructure of its Stadium is such that this is not possible (for example, due to the presence of stanchions supporting the roof of a stand), provided that its inability to provide such a full and clear view is communicated to the Board in the Technical Specification. Notwithstanding this, there must be no temporary or movable installations restricting the view.

International TV Commentary Positions

- K.57. Subject to Rule K.46, each Club shall provide at each League Match played at its Stadium:
- K.57.1. at least 15 International TV Commentary Positions (which need not be on the Television Gantry, provided that they are situated on the same side of the pitch as the Television Gantry and are sufficiently Hardwired for the receipt of the Broadcasters' feeds to monitors), of which five must have capacity for video and audio to be transmitted via a mini-camera to the Outside Broadcast Compound; and
 - K.57.2. no fewer than five additional seats for the use of International Broadcasters' technical staff.

Guidance

The mini-cameras referred to in Rule K.57.1 will be used to film commentators and not Match footage.

- K.58. Each International TV Commentary Position shall:
 - K.58.1. be situated as close to the half-way line as reasonably practicable;

 - K.58.7. have a desk large enough to hold a monitor, two laptop computers and such commentary equipment as International Broadcasters may reasonably require.

Guidance

Where the Rules specify that different Persons are entitled to each be placed as near to the half-way line as reasonably practicable, the Match Manager shall allocate actual positions.

Radio Commentary Positions

- K.59. Each Club shall provide at each League Match played at its Stadium at least 15 Radio Commentary Positions for use by Radio Broadcasters and (subject to the priority over such seats of the Radio Broadcasters) by any radio broadcasters with whom the Home Club or the Visiting Club has entered into a Club Radio Contract, and each such position shall:
 - K.59.1. comprise one seat;
 - K.59.2. be situated as close to the half-way line as reasonably practicable and in any event no further than 25 metres either side of it;
 - K.59.3. have a clear view of a television monitor; and

- K.61. Each Club shall provide at each League Match played at its Stadium a minimum of 10m² of secure storage space for use on match day to store equipment required by TV Broadcasters using the presentation positions referred to at Rule K.60, above. The storage must be located as near to the pitch as reasonably practicable to enable TV Broadcasters to efficiently set up and clear away the presentation areas at kick-off, half-time and after the final whistle.

Guidance

If a single suitable area cannot be identified, the storage area may consist of two separate areas (within close proximity to the pitch) amounting to 10m² in aggregate.

TV Broadcasters will be encouraged to only use the storage area for equipment required for use at the presentation positions so that the storage area is not used for equipment that could otherwise be stored at the Outside Broadcast Compound. TV Broadcasters will be instructed to lay flat or fold equipment that exceeds the height of the advertising boards when the storage area is located in front of supporter seating so that it does not interfere with the supporters' view of the pitch.

The storage area does not need to be for the exclusive use of the TV Broadcasters using the presentation positions; it can be used by the Club to store other items provided that the space available to the TV Broadcasters using the presentation positions is not less than 10m². The storage must be adequately stewarded in accordance with Rule K.47.

- K.62. In respect of each League Match for which TV Broadcasters are using the pitchside presentation positions referred to at Rule K.60, above, the Home Club shall ensure that no equipment that could cause a noise disturbance to any TV Broadcaster's Transmission from a pitchside presentation position is used on the pitch for at least 30 minutes after the final whistle, or, where notified by the League no later than three hours prior to kick-off, for 60 minutes after the final whistle.

Tunnel Interview Positions

- K.63. Each Club shall provide at each League Match played at its Stadium at least five Hardwired tunnel interview positions, two of which shall be for the use of UK Broadcasters, and three of which shall be for the use of International Broadcasters, save that:
 - K.63.1. where the League confirms to the Home Club no later than seven days prior to a League Match to be played at its Stadium that more than 12 International Broadcasters will be in attendance, the Club must provide at least six tunnel interview positions for the use of TV Broadcasters (five of which must be Hardwired); and
 - K.63.2. where the League confirms to the Home Club no later than seven days prior to a League Match to be played at its Stadium that more than 15 International Broadcasters will be in attendance, the Club must provide at least seven tunnel interview positions for the use of TV Broadcasters (five of which must be Hardwired).

Guidance

Where a Club is regularly required to provide additional tunnel interview positions, in accordance with Rules K.63.1 and K.63.2, it is recommended that it installs permanent Hardwiring to those positions, to be used as necessary.

- K.64. The tunnel interview positions shall be:
 - K.64.1. located in the same stand as, and in close proximity to, the tunnel and the Players' dressing rooms;
 - K.64.2. designed so that television interviews within them can be conducted against the Interview Backdrops; and
 - K.64.3. configured and designed in such way so as to ensure that each position can be used simultaneously and without causing noise disturbance of any kind to the other positions.

Section K: Stadium Criteria and Broadcasters' Requirements

- K.65. The following additional requirements apply in respect of any tunnel interview positions created by Clubs after 30 June 2016:
- K.65.1. one tunnel interview position must measure at least 2.5 metres by 2.5 metres; and
 - K.65.2. with the exception of those interview positions required by Rules K.63.1 and K.63.2, all additional tunnel interview positions must measure at least two metres by 1.6 metres.

Guidance

Tunnel interview positions should be configured in such a way that the largest position is the one that Players and Managers arrive at first, where reasonably practicable.

Clubs should use such sound proofing and/or partitions as is/are necessary to satisfy the requirement set out at Rule K.64.3.

The size requirements of the additional tunnel interview positions required by Rules K.63.1 and K.63.2 will be agreed by the League and the relevant Club in each case.

Camera Positions: Match Coverage

- K.66. Each Club shall provide at each League Match played at its Stadium Hardwired positions for television cameras in accordance with the requirements of Appendix 4 to these Rules, save that in respect of all League Matches, the Home Club shall also provide a Hardwired fixed, unmanned camera position in the tunnel.
- K.67. Each Club shall:
- K.67.1. provide such pods and hoists as are necessary in order to ensure that all camera equipment can be installed in the required camera positions; and
 - K.67.2. ensure there is safe access to and egress from (including in case of emergency) the required camera positions for all persons and equipment.

Guidance

A pod is a pair of scaffolding tubes fixed (at an equal distance apart) to the front of the camera position to support a camera mount. A hoist is a rope and pulley system for lifting equipment from floor level to working height. When fitting pods, Clubs should consult the League who will offer guidance on the dimensions required.

Camera Positions: Team and Supporter Arrivals

- K.68. Each Club shall provide at its Stadium a sufficient number of separate and static Hardwired camera positions to enable the filming of the arrivals of each team before each League Match.

Guidance

With respect to Rule K.68, ordinarily a 'sufficient number' of camera positions will be achieved by the provision of two separate camera positions per entry point to the Stadium (so if the Home Club and the Visiting Club arrive at the same point, two positions will be required, and if they arrive at different points, four positions will be required).

- K.69. Each Club shall permit TV Broadcasters to film coverage of supporters outside its Stadium before each League Match.

Section K: Stadium Criteria and Broadcasters' Requirements

Television Studios

- K.70. Subject to Rules K.43 and K.46, each Club shall provide at each League Match played at its Stadium at least two Hardwired studios for the use of Broadcasters. Subject to Rule K.72, below, each studio shall:

- K.71. The Home Club shall, where possible, make available a covered presentation space for use by the Host Broadcaster, the parameters and location of which will be agreed by the League and the Home Club, where the Host Broadcaster requests such covered presentation space no fewer than 10 days in advance of the League Match.

Guidance

With regard to the studio window, ideally the bottom of the window should be 50cm from the floor and the top of the window should be two metres from the floor.

- K.72. Where a Club either relocates or reconfigures an existing studio or constructs a new one (which shall include all planning in respect of such relocation, reconfiguration or construction) after 1 August 2022, at least one of the studios shall comply with the following specifications (with the second studio complying with the specifications in Rule K.70, above):

 - K.72.9. does not have a false ceiling installed;
 - K.72.10. have a lighting rig permanently installed on the ceiling except where it is agreed between the League and the Club that such installation is not required; and
 - K.72.11. have a roof that is designed to slop downwards away from the studio window (to the extent the studio has an external roof).

Section K: Stadium Criteria and Broadcasters' Requirements

- K.73. In respect of studios constructed prior to 1 August 2022, each Club shall as soon as reasonably practicable and in any event prior to 1 August 2023, undertake any necessary action to ensure one of the studios (to be identified by the League):
- K.73.1. does not contain any structure that is not necessary to maintain its structural integrity;
 - K.73.2. has a window that consists of a single flat pane of glass that is at least 4.5 metres wide by 1.5 metres high and has a 'Sound Transmission Class' of no less than 60, and at least 65 wherever reasonably practicable; and
 - K.73.3. is compliant with the requirements at Rules K.72.4 to K.72.10.

Guidance

Wherever possible, the Hardwiring cabinets referred to at Rules K.70 and K.72 should be located at the back of the studio and in any event in a location that is not visible on or does not interfere with a Broadcaster's set.

TV Broadcasters: Observer Seats

- K.74. Subject to Rule K.46, each Club shall make available at each League Match played at its Stadium at least 25 seats for the use of accredited representatives of TV Broadcasters, to be situated in close proximity to the half-way line, with easy access to the tunnel area and Mixed Zone. Each seat shall have a desktop, electricity supply, a clear view of a television monitor, and internet connectivity as set out in Rule K.48.

Guidance

These seats will be for the use of working personnel of TV Broadcasters. The tickets for these seats will be distributed by the League, who will also monitor their use.

The location of, and facilities provided at, these seats should be such that they are equivalent to the press seats referred to in Rule K.98.

Clubs may provide fewer than 25 seats that are permanently equipped with the specified facilities if they can provide a plan (to be approved by the League) that demonstrates how 25 seats with the specified facilities could be made available within the 14-day deadline referred to in Rule K.46.

Where necessary, Clubs shall take appropriate steps to ensure that any television monitors installed for accredited representatives of TV Broadcasters cannot be observed during the League Match by supporters of either participating Club.

Reporter, Floor Manager and Match Manager Positions

- K.75. Each Club shall provide:
- K.75.1. at least eight seats (the positions of which shall be Hardwired) at each League Match played at its Stadium for the use of accredited representatives of UK Broadcasters, International Broadcasters, the League and the League's Appointed Production Partner. Such seats shall be situated as near to the trainers' benches as practicable and must provide a full, clear view of the whole pitch; and

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

It is envisaged that Broadcasters may use some of the seats allocated at K.75.1 for technical equipment. Use of the four seats referred to at Rule K.75.2 should only be requested for presenters, reporters and floor managers working at the pitchside presentation positions provided for at Rule K.60.

- K.76. Each Club shall provide one position at each League Match played at its Stadium for the use of the Match Manager, which must be situated:
- K.76.1. sufficiently close to the position of the fourth official to enable the Match Manager to easily communicate with the fourth official during the League Match without needing to enter either technical area to do so; and
 - K.76.2. so as to enable the Match Manager to easily communicate with the floor manager(s) of the League's Appointed Production Partner and the Host Broadcaster (where applicable) during a League Match. If the Club is unable to fulfil this requirement at its Stadium it must permit the League or the League's Appointed Production Partner to install a system to facilitate such communication.

Guidance

Where reasonably possible, Clubs should provide additional positions for the floor managers of the Host Broadcaster (where applicable) and the League's Appointed Production Partner, located in close proximity to the Match Manager's position and so as to enable easy communication with the fourth official.

Visiting Club Analyst Positions

- K.77. Each Club shall provide at each League Match played at its Stadium three dedicated positions for the use of analysts of the Visiting Club, each of which shall:

 - K.80.2. may, at its discretion, permit into the Mixed Zone such other accredited representatives of the media as it considers appropriate.

Guidance

Further discussions will be undertaken with Clubs about the branding of the Mixed Zone. The League's preference is that Interview Backdrops should be used in Mixed Zones.

Accreditation of representatives of the media will be undertaken by the League or its appointee (currently Football DataCo Limited) on behalf of the League and Clubs.

Access to Tunnel Interview Positions

- K.81. Each Club shall at each League Match played at its Stadium permit accredited representatives of TV Broadcasters access to the tunnel interview positions referred to in Rules K.63 to K.65 to prepare for, set up and carry out all activity permitted by these Rules. The Match Manager will manage all such access to ensure that, as far as reasonably practicable, the Persons referred to in this Rule only have access to the tunnel interview positions when needed.

Guidance

TV Broadcasters' representatives are only permitted access to the tunnel interview positions for the filming of the exchange of team sheets, interviews, team arrivals, match reports, and to conduct unfilmed, informal discussions with coaching staff where the latter choose to speak to Broadcasters (and for the avoidance of doubt they are not obliged to engage in such informal discussions although they are encouraged to do so) and all other activities required by these Rules.

Hardwiring

- K.82. Each Club shall:
 - K.82.1. ensure that, where required to do so by these Rules, it installs Hardwiring to the League's specification;

Section K: Stadium Criteria and Broadcasters' Requirements

- K.82.3. provide to the League a certificate in writing in advance of each Season confirming that the Hardwiring at its Stadium is in compliance with Rule K.82.1, above, such certificate to be provided by an independent Person experienced in the design and installation of permanent outside broadcast cable infrastructure.

- K.83. Each Club shall permit the installation of temporary cabling by Broadcasters sufficient to ensure the continuous Transmission of League Matches played at its Stadium in the event of the failure of any Hardwiring required by these Rules (in addition to any other measures that the League may specify in order to ensure such continuous Transmission).

Transmission of Pre-Match Media Conference

- K.84. Each Club shall permit the League to install such facilities as are required to allow Broadcasters to enable the Transmission of the Club's Pre-Match Media Conference, where such facilities are not already in place (subject to any embargo implemented in accordance with Rule K.127).

Power Supply

- K.85. Each Club shall provide at its Stadium and make available to Broadcasters, at their request, access to electricity supply sufficient to power the Broadcasters' non-match day operations (referred to at Rule K.102) and match day operations.
- K.86. At each League Match, the Home Club shall provide such facilities and access as is required by a Broadcaster to establish its own power supply for an Outside Broadcast Compound.

Guidance

The League shall notify Clubs of the match day and non-match day power supply specifications for the forthcoming Season by no later than the preceding 30 June. For the avoidance of doubt, the non-match day operations referred to in Rule K.85 shall be limited to the Broadcasters' set-up for the match day.

To the extent permitted under applicable laws and regulations, each Club may require that carbon emissions which are measurable within their Stadium footprint as a direct result of the Broadcasters' power supply requirements for non-matchday operations (referred to at Rule K.102) are attributed to the relevant Broadcaster(s) for environmental reporting purposes.

Rapid Electric Vehicle Charging Points

- K.87. Each Club shall make available at each League Match played at its Stadium a minimum of four rapid electric vehicle charging points (the precise location to be agreed between the League and the Club) that shall be for the use of TV Broadcasters for the full match day, provided that the TV Broadcasters make a request for such rapid electric vehicle charging points no later than three days before the date of the League Match. The Club is permitted to require any representative of a TV Broadcaster using the rapid electric vehicle charging point to pay for any power used by the electric vehicle charging point provided any such payment does not exceed the cost incurred by the Club for the same.

Guidance

In circumstances where TV Broadcasters have not requested the use of any or all of the rapid electric vehicle charging points at least three days in advance of the date of the League Match, the charging points may be available for use by the Home Club.

Section K: Stadium Criteria and Broadcasters' Requirements

Section K: Stadium Criteria and Broadcasters' Requirements

Car Park Spaces

- K.88. Subject to Rule K.46, each Club shall make available to the League a minimum of 20 car park spaces as close to the Outside Broadcast Compound as reasonably practicable for each League Match played at its Stadium for the use by TV Broadcasters.

Outside Broadcast Compound

- K.89. At each League Match, the Home Club shall provide a secure, level area (with a hard surface suitable for the parking of TV Broadcasters' vehicles) outside and adjacent to the Stadium of at least 1500m² for the exclusive use of the League's and TV Broadcasters' vehicles.

K.90. The Outside Broadcast Compound shall:

- K.90.1. have sufficient drainage, waste disposal and recycling facilities;
- K.90.2. have at least one male and one female toilet facility for the exclusive use of TV Broadcasters that are available from the arrival of the TV Broadcasters on a match day until at least one hour after the final whistle. The toilet facilities must be serviced by hot running water, have adequate cleansing facilities and be the subject of regular cleaning and maintenance throughout the match day; and
- K.90.3. include sufficient working lights to enable complete illumination of the area above the League's and TV Broadcasters' vehicles,

and each Club shall ensure that Broadcasters are given all requested access to the network access facility within the Outside Broadcast Compound located at its Stadium.

Guidance

These toilet facilities can be temporary provided that they comply with the specifications outlined at Rule K.90.2.

Where it is not possible for a Club to provide adequate toilet facilities within the Outside Broadcast Compound, alternative toilet facilities for the exclusive use of TV Broadcasters should be agreed between the Club and the League.

- K.91. The Outside Broadcast Compound shall have an unobstructed view of the southern horizon such as to allow satellite uplinking or, if the Outside Broadcast Compound does not have such unobstructed view, the Club must provide an additional area as close as reasonably practicable to the Outside Broadcast Compound to enable satellite uplinking.

Guidance

The identity of the suppliers of the relevant 'network access facility' for the purpose of Rule K.90 will be notified to Clubs by the League in advance of each Season.

With regard to Rule K.91, if an additional area is needed because satellite uplinking is not reasonably practicable from the Outside Broadcast Compound, then the additional area must be sufficiently large (approximately 120m²) to accommodate six satellite news gathering trucks.

Clubs should be aware of the additional provisions regarding the Outside Broadcast Compound at Rule K.50.

Official Club Team Sheets

- K.92. Each Home Club shall provide to the Match Manager the official team sheets of both the Home Club and the Visiting Club as soon as reasonably practicable after they have been submitted to the referee pursuant to Rule L.23.

Guidance

Rule L.23 provides that at least 75 minutes before the kick-off, a representative of each Club must submit to the referee and their opponents a team sheet.

The Match Manager will give copies of the team sheets to Broadcasters and to the League's data providers. Clubs will remain responsible for distributing it to others (e.g. representatives of the written media).

- K.93. A Club playing in a League Match shall not publish the teams until 75 minutes before kick-off.

TV Broadcaster Refreshment Facilities

- K.94. Each Home Club shall provide refreshment and catering facilities at each League Match played at its Stadium of an equivalent standard to the facilities referred to at Rule K.96, below, for the use of accredited representatives of TV Broadcasters and/or the League at a time agreed between the League and the Club (within the parameters detailed in the table below). Where a Club is unable to provide an equivalent standard of catering at the facilities referred to in this Rule K.94 to that provided in accordance with Rule K.96, below, the standard of catering to be provided in accordance with this Rule K.94 shall be agreed between the Club and the TV Broadcaster prior to the start of each Season.

Type of League Match	Broadcaster Crew Size	Earliest Permitted Broadcaster Access to Refreshment Facilities	Latest Permitted Broadcaster Access to Refreshment Facilities	Maximum Duration of Individuals' Access to Refreshment Facilities (to allow for staggered breaks)

League Matches that are Transmitted live in the UK	60-125	6 hours prior to kick-off	3.5 hours prior to kick-off	120 minutes

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

The facilities should provide an area for the accredited representatives of TV Broadcasters to eat and rest during the agreed timeframe.

Access to the refreshment facilities may be staggered.

Clubs may locate the refreshment facilities in the Media Working Area before it is made available to accredited representatives of the media, or in its the hospitality area before it is made available to hospitality guests. Some representatives of TV Broadcasters (for example, those who are in attendance to report or commentate on the League Match) will not require use of these refreshment facilities during the timeframe agreed between the League and the Club and will instead attend the Media Working Area in accordance with Rule K.96, below. TV Broadcasters will confirm the number of their accredited representatives that will attend these refreshment facilities for each League Match and the timeframe in which they will attend the refreshment facilities within the 14-day deadline referred to in Rule K.46.

Media Working Area

K.95. Each Club shall provide at each League Match played at its Stadium a working area for the use of accredited representatives of the media and Broadcasters, such area to be located in the same stand as the Players' dressing rooms and comprising a room of minimum 50m² and supplied with 25 individual or linked work stations, each of which shall have its own desk, chair, electricity supply and internet connectivity as set out in Rule K.48.

K.96. Refreshment facilities of a standard to be determined by the Home Club shall be made available to accredited representatives of the media and Broadcasters for a reasonable period before and after the League Match and during the half-time interval. The Home Club shall ensure that they are able to provide at least one vegan refreshment option to those using the area referred to at Rule K.95, above, and that they follow best practice when catering for any dietary requirements.

Media Conference Room

K.97. Each Club shall provide at each League Match at its Stadium a media conference room with the following minimum facilities:

- K.97.1. seating for 70 persons;
- K.97.2. lighting of a sufficient level for the filming and live Transmission of the Post-Match Media Conference;
- K.97.3. a podium at the front of the room and in clear view of the cameras, with table and chairs to seat three people; and
- K.97.4. a Hardwired camera platform at the rear of the room of sufficient size to accommodate at least two cameras and with an unobstructed view of the podium.

Guidance

This can be the same room as the media working area described in Rule K.95.

With regard to Rule K.97.4, ideally the camera platform should be able to accommodate up to 10 cameras.

Press Seats

K.98. Each Club shall provide at each League Match played at its Stadium a minimum of 50 seats for the use of accredited representatives of the media and the League's data providers. Such seats must be located: (a) near the media working room; and (b) in a position enabling a clear view of the whole pitch.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

Accreditation of representatives of the media will be undertaken by the League or its appointee (currently Football DataCo Limited) on behalf of the League and Clubs.

K.99. The seats referred to in Rule K.98, above, shall have a desktop, electricity supply, a clear view of a television monitor, telephone point, and internet connectivity as set out in Rule K.48.

Facilities for Photographers

K.100. Each Club shall provide at each League Match played at its Stadium facilities for photographers to the following minimum standards:

- K.100.1. pitch side access for 20 accredited photographers and messengers and appropriate pitch side wiring and wireless internet connectivity;
- K.100.2. bibs bearing the word "Photographer" on the rear, numbered consecutively, the numbers appearing on both the front and rear of the bib;
- K.100.3. bibs of a different colour bearing the word "Messenger" on the rear and similarly numbered; and
- K.100.4. a working area or wire room of 20 square metres, internet connectivity as set out in Rule K.48, 16 power points, a television monitor, shelves to support laptop computers and refreshment facilities.

Guidance

Accreditation of photographers will be undertaken by the League or its appointee (currently Football DataCo Limited) on behalf of the League and Clubs.

Stadium Developments

- K.101. Each Club must:
 - K.101.1. save where the works are urgent as a result of an emergency, inform the League of any proposed building works at any part of its Stadium that could affect its ability to provide, or allow accredited representatives of Broadcasters access to, the facilities specified in this Section K as soon as reasonably practicable and in any event prior to the commencement of such works; and
 - K.101.2. obtain the prior approval of the League for any architectural or other plans relating to the construction or refurbishment of facilities required in this Section K. Such approval must be sought prior to any planning application (save where it is agreed by the League and the Club that no planning application is required) and provide the League with a reasonable timeframe in which to consider and respond to the request (which will be no less than 14 days) before any planning application is made (or if no planning application is required, before construction is due to begin). If no response is received from the League within that timeframe approval will be deemed to be granted.

**Access to Stadium for TV Broadcasters' Non-Match Day Set Up**

- K.102. Each Club shall provide the necessary access to TV Broadcasters from two days prior to each League Match played at its Stadium to enable the TV Broadcasters to set up the equipment required to facilitate the Transmission of the League Match. Requests made by TV Broadcasters for access to the Stadium earlier than two days prior to the League Match for this purpose should be accommodated by the Club as far as reasonably practicable. The Club shall ensure that appropriate Officials are present on these days to enable the TV Broadcasters to finalise the set-up of their equipment.
- K.103. Where the Home Club's team undertakes a training session on the pitch on a day that a TV Broadcaster is in attendance at the Stadium to set up the equipment required to facilitate the Transmission of the League Match, the TV Broadcaster shall not be present at pitch level for the duration of the training session. However, the Club shall permit the TV Broadcaster to continue working in any area above pitch level for the duration of the training session (unless otherwise agreed between the Club and the League that the TV Broadcaster shall also vacate the area above pitch level for no more than 90 minutes).

Content Sessions

- K.104. Unless otherwise agreed by the League, each Club shall ensure that, during the six days preceding the day of each League Match, there is a period of two hours during which all TV Broadcasters (including such number of International Broadcasters as the League may determine) and the League's Appointed Production Partner may conduct the discussions and/or record the content and/or conduct the interviews with Players and the Manager required by Rules K.114 to K.123 ("**Content Session**"). The Content Sessions required by Rules K.114 to K.123 may take place virtually, if so requested by the relevant Club and/or relevant Broadcaster(s), and agreed by the League.

Guidance

Interviews conducted during Content Sessions should not take place in front of a branded backdrop or in a location where any prominent branding is visible.

Content Sessions may be used by the League's Appointed Production Partner and TV Broadcasters to capture digital content for use on the TV Broadcasters' social media platforms (the nature of such content to be mutually agreed between the League or Broadcaster and the Club).

Any Club that commences a Content Session after the time provided for by the Club in accordance with Rules K.114.3 or K.118.2 may be considered by the League to be in breach of its obligation to provide that Content Session. In all circumstances, any Content Sessions that commence 60 minutes after that time will be considered to be a breach of the relevant Club's obligations to provide that Content Session.

- K.105. Each Club is entitled to apply to the Board for special dispensation for a Player to be granted an exemption from the requirements of Rules K.114 to K.123 for a period of up to four weeks during a Season. The Board will only grant such special dispensation in exceptional circumstances and only once per Season in respect of each Player. Should a Club wish to make an application for special dispensation in accordance with this Rule, it must do so in writing to the Board, citing reasons (and, where appropriate, providing supporting evidence) for its application. The Board's decision as to whether or not to grant such special dispensation in each case is final and not subject to challenge. Where such dispensation is granted, the Board will confirm to the Club how that dispensation affects the Player's remaining obligations under Rules K.114 to K.123 for the remainder of the Season.

- K.106. Each Club must ensure that its training ground includes a suitable, dedicated room in which (subject to Rules K.116 and K.122, below) the recording and interviews required by Rules K.114 to K.123 can be carried out. This room must measure no less than 2.5 metres by 2.5 metres and must be equipped with suitable facilities to enable the recording of interviews by TV Broadcasters, including, for example, mains power, sound proofing, black-out blinds and curtains on all windows and isolated air conditioning.
- K.107. Prior to the start of each Season, each Club shall provide at least four locations at its training ground (precise locations to be mutually agreed between the Club and the League but one of which being the dedicated room referred to at Rule K.106, above) that can be used for the Content Sessions required by Rules K.114 to K.123.
- K.108. Each Club shall, upon the request of the League or the League's Appointed Production Partner, permit the League's Appointed Production Partner and/or TV Broadcasters access to its Stadium for a continuous and uninterrupted period of no more than two hours within the period commencing 48 hours prior to any League Match played at its Stadium (the specific timing of which to be mutually agreed between the Club and the League) during which they can film and present. Specific filming locations shall be mutually agreed between the Club and the League, but shall where reasonably practicable include:
- K.108.1. the Stadium exterior;
 - K.108.2. the Stadium bowl;
 - K.108.3. the Home Club dressing room; and
 - K.108.4. the tunnel area.
- K.109. Each Club shall ensure that, in each case, its Content Session takes place on a date when its subsequent first team match is a League Match.

Guidance

The League may waive or vary the requirements set out in Rule K.109 (at its absolute discretion) in exceptional circumstances and upon request from a Club if, for example, the proximity in time between a match in the UEFA Europa League or UEFA Conference League competition and the subsequent League Match and/or the location of the relevant UEFA Europa League or UEFA Conference League Match makes it impracticable for the Club to arrange its Content Session at a time when its subsequent first team match is a League Match. A Club seeking a waiver or variation of these requirements from the League in respect of a particular Content Session must notify the League of that fact in good time and abide by the League's decision as to whether or not to grant the Club's request.

In lieu of a conventional interview, any Broadcaster entitled to attend a Content Session may apply to the League for permission to use its allotted time in that Content Session for a background briefing with the Player(s) and/or the Manager who will be made available. Such an application will only be granted by the League with the permission of the Club concerned.

Mid-Season Media Access Session

- K.110. Each Club shall make no fewer than three Players available to the League's Appointed Production Partner for a continuous and uninterrupted period of no less than 60 minutes no earlier than one month before, and no later than two months after, match round 19 of each Season (the "**Mid-Season Media Access Session**"). The date and location of the Mid-Season Media Access Session, and the identity of the Players who shall participate in the Mid-Season Access Session, shall be mutually agreed between the Club and the League no later than two weeks before the date it is scheduled for (such Players having participated in at least 10 League Matches in the relevant Season unless otherwise agreed).

**Training Ground and Stadium Filming**

- K.111. At least once per calendar month (with the exception of the months of June and July, and any calendar month in which there is an international break lasting 14 consecutive days or more), each Club must permit TV Broadcasters and the League's Appointed Production Partner to film and Transmit live at the TV Broadcasters' or the League's request (through the presence of one or more on-site reporters, technicians and/or producers, if required) one uninterrupted period of no less than 15 minutes of a Club training session involving the first team squad. Clubs must give no less than 48 hours' notice to the League of each such session and may limit the proximity of TV Broadcasters and the League's Appointed Production Partner to a maximum of 30 metres from the pitch on which the training session is to take place. In circumstances in which the Club's first team squad is training at a location other than its training ground, Clubs shall, in satisfaction of their obligation under this Rule K.111:
- K.111.1. invite TV Broadcasters and the League's Appointed Production Partner to capture the content required by this Rule K.111 at that other location, such invitation to be given at least one week prior to the relevant training session; or
- K.111.2. provide the League's Appointed Production Partner with footage of a training session at that location filmed for their own media channels.
- K.112. At least once per calendar month (with the exception of the months of June and July), each Club shall provide the League's Appointed Production Partner with at least five minutes of edited footage taken at the Club's training ground or other location (the content of which to be varied over any one Season). Clubs may publish the footage captured in accordance with this Rule K.112 on their own media channels provided that they provide the footage to the League's Appointed Production Partner no later than the point at which it is published on those media channels.

Guidance

Any content provided by Clubs or filmed by the League's Appointed Production Partner for the purposes of Rule K.112 will be distributed for the use of TV Broadcasters, unless otherwise agreed with the relevant Club. Any such content shall be used by TV Broadcasters in accordance with the terms of their contract with the League, which restricts use of that content to authorised purposes only.

Examples of footage to be provided in accordance with Rule K.112 include content from the first team's training session (such as goal scoring, shooting practice and goalkeeper saves) and 'behind the scenes' content filmed pre- and post-training.

If agreed between the Club and the League, some or all of the footage required at Rule K.112 may be captured by an accredited representative of the League.

The League may grant dispensation to Clubs from the requirements of Rule K.112 where training schedules, fixtures in other competitions or international breaks make compliance with the Rule impractical. In such circumstances, Clubs should seek dispensation from the League as far in advance of the affected week(s) as reasonably possible.

- K.113. Twice per Season, and only if agreed between the League or the League's Appointed Production Partner and the Club, each Club shall make available a Club representative (whose identity shall be mutually agreed in advance between the League or the League's Appointed Production Partner and the Club) for a continuous and uninterrupted period of no less than 60 minutes for an interview (to be conducted by TV Broadcasters and/or the League's Appointed Production Partner) at the Club's training ground or Stadium.

Guidance

The Club representative required by Rule K.113 could be, by way of example, a senior Club executive or a senior member of the coaching, sports science, scouting or other backroom staff.

UK Content Sessions

- K.114. In respect of a League Match to be Transmitted live by a UK Broadcaster, each participating Club shall be required to make its Players and/or its Manager available for a Content Session with that UK Broadcaster (a "**UK Content Session**"), in accordance with the following requirements:
- K.114.1. in advance of the League Match to which the UK Content Session relates, the relevant UK Broadcaster will provide each participating Club (with a copy to the League) with a shortlist of two Players that it wishes to be made available for the UK Content Session;
- K.114.2. subject to Rule K.115, each participating Club must make (at least) one of the two Players included on the shortlist referred to at Rule K.114.1, above, available for the UK Content Session and must inform the relevant UK Broadcaster (with a copy to the League) which of the two Players it has selected when providing the notice referred to at Rule K.114.3, below. The Player(s) made available in accordance with this Rule K.114.2 shall, upon the request of the relevant UK Broadcaster made at least 10 days prior to the League Match to which the Content Session relates, be different to the Player(s) made available for the International Content Session in accordance with Rule K.118.1, unless otherwise agreed between the Club and the UK Broadcaster;
- K.114.3. unless otherwise agreed by the League (and subject to Rules K.116 and K.117), each Club shall give the League and the relevant UK Broadcaster at least: (a) six days' notice of the name(s) of the Player(s) who will be made available for the UK Content Session to which the League Match relates, selected in accordance with this Rule K.114; and (b) seven days' notice of the date, time, and location of the UK Content Session;
- K.114.4. in the event that the Player selected by the Club becomes unable to participate in that UK Content Session due to illness, injury or other exceptional circumstance, the Club must: (a) inform the relevant UK Broadcaster (with a copy to the League) as soon as reasonably possible; and (b) ensure that the second Player included on the shortlist referred to at Rule K.114.1, above, is made available as a replacement, or another suitable alternative is provided who is acceptable to the Broadcaster;
- K.114.5. each participating Club must make its Manager available for each UK Content Session; and
- K.114.6. each participating Club must ensure that:
- K.114.6.1. at the request of a UK Broadcaster that is Transmitting the League Match live, the Player(s) selected to participate in a UK Content Session (and who, for the avoidance of doubt, is not participating in an International Content Session) shall be made available for a continuous and uninterrupted period of no less than 30 minutes for filming and/or interview by the relevant UK Broadcaster, provided that no such Club shall be required to accede to such a request more than five times per Season; and
- K.114.6.2. in all other circumstances, its Player(s) or Manager who is selected to participate in a UK Content Session is made available for a continuous period of no less than 15 minutes for filming and/or interview by the relevant UK Broadcaster.

Guidance

Broadcasters will be encouraged to provide the shortlist referred to at Rule K.114.1 as far in advance of the League Match in question as possible to allow Clubs sufficient time to meet their obligations under Rule K.114.3 (and, in any event, such shortlists should be sent to Clubs no later than 24 hours before the deadline set out in Rule K.114.3). Any delay in the submission of such shortlists by Broadcasters will be taken into account by the League when considering Clubs' compliance with Rule K.114.3.

The League recognises that there may be weeks in which Clubs play two (or indeed in exceptional cases more than two) League Matches, e.g. over the Christmas period, and the League will take account of this fact when monitoring compliance with these Rules. The League will monitor Broadcaster access during such times to ensure that unreasonable demands are not being placed on Clubs.

- K.115. The selection of Players to be made available by Clubs for UK Content Sessions throughout the Season is subject to the following:
 - K.115.1. subject to Rules K.115.2 and K.115.3, below, each Player listed on a Club's Squad List must be made available by the Club, in accordance with Rule K.114, above, for no fewer than 75% of the UK Content Sessions for which he is selected (by his inclusion on the shortlists referred to at Rule K.114.1, above);
 - K.115.2. no Club will be required to make any Player available for two consecutive UK Content Sessions; and
 - K.115.3. no Club will be required to make any Player available for UK Content Sessions on more than six occasions per Season.

Guidance

By way of example, should a Player be shortlisted for UK Content Sessions on five occasions throughout the Season, he must be made available by the Club on four of those occasions. If it is determined at the end of the Season that a Player has been made available by his Club for fewer than 75% of the UK Content Sessions for which he has been shortlisted, that Club will be in breach of Rule K.115.

Clubs are free to exceed the minimum requirements referred to at Rule K.115 (by, for example, making a Player available for more than six UK Content Sessions and/or more than 75% of the UK Content Sessions for which he has been shortlisted), should they wish to do so.

- K.116. Each Club shall ensure that:
 - K.116.1. when requested, and on no fewer than five occasions per Season, its UK Content Session takes place at a location other than its training ground (the date and location of such UK Content Session to be agreed by the Club and the relevant UK Broadcaster). Subject to the agreement of the UK Broadcaster, the Player made available for a UK Content Session provided in accordance with this Rule K.116.1 may be the same Player made available for an International Content Session required by Rule K.118.1, below;
 - K.116.2. when requested, and on no more than six occasions per Season, its UK Content Session takes place at the dedicated room at its training ground referred to at Rule K.106, above; and
 - K.116.3. all UK Content Sessions to which Rules K.116.1 and K.116.2 do not apply take place at the locations referred to at Rule K.107 (excluding the dedicated room referred to at Rule K.106).

Guidance

Where possible, the UK Content Sessions referred to at Rule K.116.3 are to be equally split across the locations referred to at Rule K.107 (excluding the dedicated room referred to at Rule K.106).

- K.117. Each Club shall ensure that, on no fewer than five occasions per Season, it makes two or more of its Players available together for a UK Content Session. The date of such Content Session in each case shall be subject to the agreement of the Club and the relevant UK Broadcaster. Where it is agreed between the Club and the relevant UK Broadcaster that two or more Players will be made available together for a Content Session, the identity of the Players to be made available will be determined as follows:
 - K.117.1. the relevant UK Broadcaster will provide the Club (with a copy to the League) with a shortlist of two Players, from which the Club will select one Player to be made available for the Content Session;
 - K.117.2. subject to Rule K.115, above, once the identity of the first Player to be made available is confirmed by the Club to the relevant UK Broadcaster, the UK Broadcaster will then provide a further shortlist of two Players, which may include a Player included on the shortlist referred to at Rule K.117.1, above, (with a copy to the League), from which the Club will select one Player to be made available for the Content Session; and
 - K.117.3. in the event that the relevant UK Broadcaster and the Club agree that one or more further Player(s) will be made available for the Content Session, their identity in each case will be determined by means of the process referred to in Rule K.117.2, above.

International and Non-Live Content Sessions

- K.118. Subject to Rule K.122, below, in respect of each League Match:
 - K.118.1. both participating Clubs shall ensure the attendance of (at least) one Player and/or the Manager during the Content Session for discussion and/or recording and/or interview by International Broadcasters, non-live UK Broadcasters and the League's Appointed Production Partner, for a period of no less than 45 minutes (an "International Content Session");
 - K.118.2. both participating Clubs shall give the League at least one weeks' notice of the date, time and location of their respective International Content Session (subject to Rule K.122) and the name(s) of the individual(s) who will be made available for the International Content Session. These details may be amended in each case, subject to the agreement of the League, in exceptional circumstances and provided that no such amendment is made within 72 hours of the League Match to which the International Content Session relates;
 - K.118.3. in the event that the individual(s) selected by the Club in accordance with Rule K.118.2, above, becomes unable to participate in that International Content Session due to illness, injury or other exceptional circumstance, the Club must: (a) inform the League and the relevant Broadcaster and/or the League's Appointed Production Partner as soon as reasonably possible; and (b) ensure that a suitable alternative individual(s) is provided who is acceptable to the League and/or the relevant Broadcaster; and
 - K.118.4. any Player(s) to be made available by the Club for an International Content Session must have featured prominently in any of the Club's previous three League Matches (assessed as at the date when the notice referred to in Rule K.118.2, above, is provided to the League).

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

There may be occasions in which a Club wishes to make a Player available for an International Content Session who does not meet the criteria specified in Rule K.118.4, but who is nevertheless editorially relevant (for example, a Player who has recently recovered from injury or who has been recently signed). In such circumstances, Clubs should consult with the League, which may provide dispensation from the requirements of Rule K.118.4, where it agrees with the editorial relevance of the Player.

Any content captured in accordance with Rule K.118 may be used on the League's own digital channels subject to any applicable holdback agreements.

- K.119. Each Club shall ensure that:
- K.119.1. when requested, and on no fewer than five occasions per Season, its International Content Session takes place at a location other than its training ground (the date and location of such International Content Session to be agreed by the Club and the relevant International Broadcaster or the League's Appointed Production Partner);
 - K.119.2. when requested, and on no more than 10 occasions per Season, its International Content Session takes place at the dedicated room at its training ground referred to at Rule K.106; and
 - K.119.3. all International Content Sessions not addressed at Rules K.119.1 to K.119.2 take place at the locations referred to at Rule K.107 (excluding the dedicated room referred to at Rule K.106).

Guidance

Where possible, the International Content Sessions referred to at Rule K.119.3 are to be equally split across the locations referred to at Rule K.107 (excluding the dedicated room referred to at Rule K.106).

- K.120. In respect of each League Match, each International Content Session must take place by the following deadlines:

Day of League Match	Deadline for International Content Session
Saturday, Sunday or Monday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Friday.
Tuesday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Monday.
Wednesday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Tuesday.
Thursday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Wednesday.
Friday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Thursday.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

The League may grant dispensation to Clubs from the deadlines set out in Rule K.120 where training schedules and/or fixtures in other competitions make adhering to such deadline impracticable. In such circumstances, Clubs should seek such dispensation as far in advance of the relevant deadline as reasonably possible to allow the League to consider the request and its effect on Broadcasters.

- K.121. Over the course of each Season, each Club shall ensure that:
- K.121.1. its Manager is made available for International Content Sessions on no fewer than three occasions;
 - K.121.2. each of its Players is made available for International Content Sessions as follows:
 - K.121.2.1. if the Player has been included in his Club's starting line-up in respect of 30 or more League Matches throughout the Season, that Player must have been made available by his Club for no fewer than three International Content Sessions;
 - K.121.2.2. if the Player has been included in his Club's starting line-up in respect of 20 or more League Matches throughout the Season, that Player must have been made available by his Club for no fewer than two International Content Sessions; and
 - K.121.2.3. if the Player has been included in his Club's starting line-up in respect of 10 or more League Matches throughout the Season, that Player must have been made available by his Club for at least one International Content Session;
 - K.121.3. subject to Rules K.118 and K.121.1, every International Broadcaster that wishes to attend one of the Club's International Content Sessions is permitted to do so and is given no less than 10 minutes of access to interview either: (a) one of the Club's Players; or (b) its Manager; and
 - K.121.4. upon the request of a non-live UK Broadcaster in respect of a League Match that is taking place on a weekend but is not being Transmitted live in the UK (but on no more than three occasions per Season and subject to Rules K.118 and K.121.1) at least one of the Club's Players is made available to non-live UK Broadcasters for a period of no less than 30 minutes (a "Non-Live Content Session"). At least seven days in advance of a Non-Live Content Session, each Club shall:
 - K.121.4.1. give the League and the relevant non-live UK Broadcaster notice of the date, time and location of the Non-Live Content Session; and
 - K.121.4.2. provide the non-live UK Broadcaster with a shortlist of at least five Players (who, unless otherwise agreed between the Club and the League, have featured prominently in one of the Club's previous three League Matches), from which the non-live UK Broadcaster will select one Player who will be made available for the Non-Live Content Session.

Guidance

Regardless of the number of International Broadcasters present, Clubs are only required to provide (at least) one Player and the Manager for the 45 minutes specified in Rule K.118. However, Clubs should be aware that the requirement that the Player and/or Manager be made available for a 45 minute period during the International Content Session remains even in the event that no International Broadcasters are in attendance. In those circumstances, the League may use the full 45 minute entitlement, if necessary.

Section K: Stadium Criteria and Broadcasters' Requirements

UK Broadcasters should request that a Club provide a Non-Live Content Session at least 10 days prior to the League Match to which the Non-Live Content Session relates.

Clubs may provide the access to non-live UK Broadcasters required under Rule K.121.4 in one continuous period or in two separate sessions each being no less than 15 minutes in length.

- K.122. On no fewer than four occasions during each Season (the dates of which are subject to the agreement of the Club and the League's Appointed Production Partner), a Club must make two or more of its Players available together for an International Content Session. In such cases, the League's Appointed Production Partner will provide the relevant Club with a shortlist of at least three Players (by no later than seven days prior to the date on which the relevant International Content Session is to take place) from which the Club will select the two or more Players who will be made available for the International Content Session.

Guidance

The International Content Sessions referred to at Rule K.122 may be carried out in parallel, meaning that (subject to the agreement of the League) a Club may make more than one of its Players available for an International Content Session to take place away from the dedicated room referred to in Rule K.106.

Additional League Content Sessions

- K.123. On no fewer than four occasions during each Season, in each case in lieu of its requirement to participate in an International Content Session in accordance with Rule K.118, above, each Club shall, at the request of the League's Appointed Production Partner or relevant International Broadcaster, make available one Player or its Manager for a continuous period of no less than 60 minutes for the recording of additional 'in-depth' feature content by the League's Appointed Production Partner (the **"Feature Session"**), subject to the following:
 - K.123.1. the date and time of each Feature Session shall be mutually agreed between the Club and the League's Appointed Production Partner;
 - K.123.2. one of the Feature Sessions shall take place on a training pitch to facilitate the filming of particular skills or training session (the **"Masterclass"**). The date of the Masterclass and the activity that will take place during it shall be mutually agreed between the Club and the League's Appointed Production Partner;
 - K.123.3. in advance of each Feature Session, the League's Appointed Production Partner shall provide the relevant Club with a shortlist of four individuals (either Players and/or the Manager) from which the Club will select one who will be made available for the relevant Feature Session; and
 - K.123.4. an individual's participation in a Feature Session (whether a Player or the Manager) shall not count towards the League's assessment of compliance with Rule K.121.

Guidance

The League's Appointed Production Partner shall give the Clubs as much notice as reasonably practicable in respect of the date of the Masterclass, and in any event such notice shall be no less than seven days.

- K.124. Each Club shall provide the League's Appointed Production Partner with access to its training ground for one day each Season to film 'behind the scenes' content, the precise details of which (including the time, date and location of the filming) shall be mutually agreed between the Club, the League and the League's Appointed Production Partner.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

Any content provided by Clubs or filmed by the League's Appointed Production Partner for the purposes of Rule K.124 will be distributed for the use of TV Broadcasters, unless otherwise agreed with the relevant Club. Any such content shall be used by TV Broadcasters in accordance with the terms of their contract with the League, which restricts use of that content to authorised purposes only.

- K.125. Within a week of the final League Match of each Season, the League Champions for that Season must participate in five additional features with the League and the UK Broadcaster designated by the League (the **"Champions' Features"**) in accordance with the following conditions:
 - K.125.1. of the five Champions' Features, no fewer than three must include interviews with one or more Players who have played a significant role in the Club's performance throughout the Season; and
 - K.125.2. the content of each of the Champions' Features must be agreed by the Club, the League and the UK Broadcaster designated by the League.

Guidance

In the event that the League Champions are required to participate in any other competitions during the week following the final League Match of the Season, making compliance with Rule K.125 impractical, the League and the Club will agree revised dates outside the deadline in Rule K.125 but as soon as possible thereafter.

Pre-Match Media Conference

- K.126. In addition to the requirements of Rules K.114 to K.121, each Club shall ensure that its Manager attends a media conference with Broadcasters and, at its discretion, such other accredited representatives of the media as the Club considers appropriate, to be scheduled as follows:

Day of League Match	Day of Pre-Match Media Conference
Saturday, Sunday or Monday	Thursday or Friday to start no later than 13:30 (save for exceptional circumstances, to be managed and monitored by the League, e.g. in the case of late return from a fixture in a UEFA Club Competition taking place on a Thursday).
Tuesday	Monday to start no later than 13:30.
Wednesday	Monday or Tuesday to start no later than 13:30.
Thursday	Tuesday or Wednesday to start no later than 13.30pm.
Friday	Wednesday or Thursday to start no later than 13.30pm.

- K.127. Each Club must allow UK Broadcasters and the League access to the Pre-Match Media Conference for the Transmission of that conference. Clubs must not delay or otherwise restrict the Transmission of the Pre-Match Media Conference for any longer than 30 minutes after the commencement of that conference.

Section K: Stadium Criteria and Broadcasters' Requirements

Pre-Match Filming

- K.128. In addition to the requirements of Rule K.138, each Club shall:
- K.128.1. by no later than two weeks prior to each Club's first League Match of the Season, the Club and the League shall agree three positions within the Stadium that may be utilised by Broadcasters for pre-match filming prior to each League Match ("Pre-Match Positions"), one of which shall be the Home Club's dressing room; and
 - K.128.2. make available at each League Match played at its Stadium at least two Pre-Match Positions (one of which shall be the Home Club's dressing room).
- K.129. By no later than two weeks prior to each League Match, the Home Club must notify the League:
- K.129.1. which of the Pre-Match Positions will be available to Broadcasters in advance of the League Match; and
 - K.129.2. a continuous period of 60 minutes, within the period between four hours and two hours prior to kick-off (precise details to be agreed between the League and the Club), when filming can take place by Broadcasters at the designated Pre-Match Positions.

Guidance

Examples of suitable Pre-Match Positions include the dugout(s), the Manager's office, the Directors' Box and/or the tunnel area. The League will ensure that only one Broadcaster at a time is permitted to film at the designated Pre-Match Positions.

- K.130. Prior to each League Match to be Transmitted live in the UK, the Home Club must agree with the UK Broadcaster and the League's Appointed Production Partner the details of a continuous and uninterrupted period of 45 minutes, within the period between 120 minutes and 15 minutes prior to kick-off, when they can film and present from a location on the pitch (the exact pitch position(s) to be mutually agreed between the UK Broadcaster or the League's Appointed Production Partner and the Club). Where requested, a maximum of two International Broadcasters and the League's Appointed Production Partner shall also be permitted to film and present from the agreed positions during the same 45 minute period.

Guidance

Where by reason of adverse weather conditions (or other exceptional circumstances), the filming referred to in Rule K.130 poses a risk to the condition of the pitch, the requirements of Rule K.130 may be waived with the agreement of the League.

The League will monitor requests to conduct the filming referred to in Rule K.130 to ensure: (a) that requests to do so are made sufficiently in advance of the League Match to enable the Club to properly plan and to ensure that the timing and location of the filming can be recorded in the documents circulated by the relevant Match Manager in the week leading up to the League Match; and (b) that the filming does not in any way impact upon pre-Match warm-ups by either team or negatively affect the quality of the pitch.

- K.131. On the day of a League Match each participating Club shall, when requested by the League's Appointed Production Partner, use reasonable efforts to provide pre-match footage featuring at least one Player or the Manager, filmed on a mobile device and not exceeding 60 seconds to the League's Appointed Production Partner no later than 15 minutes prior to kick-off for use on TV Broadcasters' digital media channels.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

Any content provided by Clubs or filmed by the League's Appointed Production Partner for the purposes of Rule K.131 will be distributed for the use of TV Broadcasters, unless otherwise agreed with the relevant Club. Any such content shall be used by TV Broadcasters in accordance with the terms of their contract with the League, which restricts use of that content to authorised purposes only.

Footage provided in accordance with Rule K.131 should be editorially relevant. Examples of such footage could include a pre-match meal, the team walking on the pitch, or an interview or self-shot piece to camera of a Player discussing the League Match or sending a message to the Club's supporters. Where reasonably practicable, the mobile footage should be recorded by the Players.

If agreed between the Club and the League, the footage required at Rule K.131 may be captured by (i) an accredited representative of the League's Appointed Production Partner and/or (ii) at the International Content Session arranged in accordance with Rule K.118 in the week preceding the relevant League Match.

Match Day Filming

- K.132. Each Club shall, at the request of the League or the League's Appointed Production Partner, permit an accredited representative of the League's Appointed Production Partner access to the following areas to capture content throughout the day of a League Match:
- K.132.1. the tunnel area;
 - K.132.2. the pitchside; and
 - K.132.3. for the duration of the League Match, a static position behind the goals.

Guidance

The League's Appointed Production Partner shall share the content captured in accordance with Rule K.132 with the Club so that the footage can be published on the Club's own media channels.

Interviews - General

- K.133. If interpretation into English is required for any interview taking place pursuant to Rules K.114 to K.121 (Content Sessions), K.134 (Matchday Pre-Match Interviews) or, in respect of Managers only, K.148.3 and K.150 (Post-Match Interviews), then it must be provided by the Club.

Match Day Pre-Match Interviews

- K.134. Each Club shall ensure that the following are made available for an interview with one TV Broadcaster (or the League's Appointed Production Partner) within the period between 45 minutes and 120 minutes before the kick-off of the League Match:
- K.134.1. one of its Players (whose identity shall be confirmed by the Club to the Match Manager and UK Broadcaster filming the League Match (the "**Host Broadcaster**") at least 15 minutes before the interview) who is to be in the starting line-up of the League Match (but who must not be the Player who was made available for the interview required by this Rule prior to the previous League Match) who will be asked no more than three questions, all of which shall be related to that League Match; and
 - K.134.2. its Manager, such interview to take place after the team sheets have been publicly announced, the exact time to be agreed with the TV Broadcaster and Match Manager (and to be adhered to by the Club and Manager once so agreed).

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

With regard to Rule K.134.1, it is appreciated that if the pre-match interview takes place before the announcement of the teams, the Club Official nominating a Player to take part may not be aware of the starting line-up due to timing issues. Clubs may accordingly prefer to ensure that such interviews take place after the announcement of the teams. The League reserves the right to investigate a breach of this provision if the nominated Player is one who could reasonably have been anticipated would not start the League Match, and/or if a Club persistently nominates Players none of whom go on to start the League Matches in question.

If the Manager wishes to be interviewed before the announcement of the teams, this will be acceptable provided that the relevant TV Broadcaster (or the League) agrees, and provided that the Manager discloses their team selection to the relevant TV Broadcaster (or the League), who will keep this information strictly confidential until after the teams have been publicly announced which, as noted in Rule K.93, will not occur until 75 minutes before kick-off.

Either of the interviews referred to at Rule K.134, above, may take place in the Club's dressing room or any area proposed by the Host Broadcaster, subject to the agreement of the Club.

- K.135. Each Visiting Club shall, at the request of the League, the League's Appointed Production Partner or the Host Broadcaster (such request to be made no later than 24 hours before kick-off) and in each case in lieu of its requirement to facilitate the interviews provided for at Rule K.134, above, ensure that one of its Players (whose identity shall be mutually agreed between the Club and the League or League's Appointed Production Partner) or its Manager is made available for a short interview to be conducted on the pitch by the League's Appointed Production Partner or the Host Broadcaster before or during the pre-match warm-up. The timing of the interview shall be mutually agreed between the Club and the League, the League's Appointed Production Partner or the Host Broadcaster.

Guidance

A maximum of five interviews of Visiting Club Players as referred to at this Rule K.135 shall take place at any one Club's Stadium each Season.

The filming required by Rule K.135 should not in any way: (a) impact upon the Club's pre-match warm-up; or (b) negatively affect the quality of the pitch.

In circumstances in which there are safety or security concerns in relation to an interview referred to at Rule K.135 being delivered on the pitch, the Club and the League or the League's Appointed Production Partner may mutually agree to conduct the interview at a suitable alternative location.

For the avoidance of doubt, the time period in which the interviews referred to at Rule K.134 must take place shall not apply to interviews conducted in accordance with Rule K.135.

- K.136. In addition to the interview requirements at Rules K.134 and K.135, above, upon the request of the Host Broadcaster, each Club shall make available one of its Players (whose identity shall be agreed between the Club and the Host Broadcaster) or its Manager for an interview that will take place at the pitchside presentation position being utilised by the Host Broadcaster. The time of the interview shall be mutually agreed between the Club and the Host Broadcaster.

Technical Area Filming

- K.137. Each Club shall provide at its Stadium, and make available to the League's Appointed Production Partner and the Host Broadcaster upon request, a camera position in each technical area for remotely operated cameras (as referred to in Appendix 4 to these Rules), the specific location of which is to be agreed between the Club and the League.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

The cameras used in these camera positions shall have no audio functionality at source.

The Visiting Club may, up to three hours prior to kick-off, request that the camera position in their technical area be moved to an alternative position in the technical area, with that position to be agreed between the Visiting Club, the Home Club the League and the Host Broadcaster.

Dressing Room Filming

- K.138. In respect of each League Match to be Transmitted live by a UK Broadcaster, each participating Club shall permit the UK Broadcaster or the League to gain access to and film footage of its dressing room between the time that the Club's Strip has been laid out for the Players and the time that the Players arrive at the Stadium.

Guidance

Access to the dressing rooms will be for no longer than five minutes and will be monitored by the Match Manager, who will ensure that only the necessary TV Broadcaster and/or League personnel are present. Any footage will not be Transmitted until after the official team sheets have been published.

Half-time Interviews

- K.139. In respect of each League Match to be Transmitted live by a UK Broadcaster, the UK Broadcaster may request that the Manager (or a senior member of the coaching staff) of either or each participating Club provides an interview at the end of the half-time interval, before the re-start of the League Match. The Manager may elect to provide the interview requested or decline to do so, at their absolute discretion.

Post-Match Interviews, Mixed Zone and Post-Match Media Conference

- K.140. After the conclusion of each League Match, each participating Club must ensure that it makes its Player(s) and/or Manager available for interview strictly in accordance with the provisions of Rules K.145 to K.153, below. For the avoidance of doubt the relevant interviewees must remain so available until the interviews are concluded, even if this is after the times stated below.
- K.141. No Player or Manager who has been sent-off in a League Match or is suspended for a League Match will be required to be made available for interview during or after that League Match. In such circumstances, the media obligations relating to a Club's Manager shall be fulfilled by the Club's assistant manager or another senior member of its coaching staff.
- K.142. Where a TV Broadcaster is utilising a pitchside presentation position referred to at Rule K.60, each participating Club that is in a non-losing position at the final whistle shall, when mutually agreed with that TV Broadcaster, make its Player(s) and/or Manager required for the interviews referred to at Rules K.148 and K.149 available at the relevant pitchside presentation position instead of the Tunnel Interview Positions referred to at Rule K.81.

Guidance

In circumstances in which there are safety or security concerns in relation to an interview referred to at Rule K.142 being delivered at the pitchside presentation position, the Club and the League may mutually agree to conduct the interview at a suitable alternative location.

Section K: Stadium Criteria and Broadcasters' Requirements

K.143. Each Club shall, upon the request of TV Broadcasters and unless otherwise agreed between the Club and the League, make the Player(s) and/or its Manager required at Rules K.148 and K.149, below, available for interviews to be Transmitted live directly to the TV Broadcasters' studios.

K.144. Each Club that has won a League Match shall, when requested by the League or the League's Appointed Production Partner, use reasonable efforts to provide the League's Appointed Production Partner with no more than 60 seconds of footage filmed on a mobile device after the final whistle and featuring at least one Player or the Manager for use on TV Broadcasters' digital media channels. Such footage shall be provided to the League's Appointed Production Partner no later than 60 minutes after the final whistle.

Guidance

Any content provided by Clubs or filmed by the League's Appointed Production Partner for the purposes of Rule K.144 will be distributed for the use of TV Broadcasters, unless otherwise agreed with the relevant Club. Any such content shall be used by TV Broadcasters in accordance with the terms of their contract with the League, which restricts use of that content to authorised purposes only.

If agreed between the Club and the League or the League's Appointed Production Partner, the footage required at Rule K.144 may be captured by an accredited representative of the League's Appointed Production Partner.

'Super-Flash' interviews

K.145. Prior to the conclusion of each League Match, the Host Broadcaster may notify a participating Club of a shortlist of three Players who participated in the League Match and who the Host Broadcaster wishes to interview immediately after the conclusion of the League Match and before returning to the dressing room (the "Super-Flash Interview"). Where mutually agreed between the Club and the Host Broadcaster prior to the conclusion of the League Match, the Super-Flash Interview(s) may take place on the pitch.

Guidance

Where the Super-Flash Interview(s) take place on the pitch, the Host Broadcaster may utilise the Aerial Cabled Wire Cameras (as referred to in Appendix 4 to these Rules) to record the Super-Flash Interview footage.

In circumstances in which, after the League Match, there are safety or security concerns in relation to an interview referred to at Rule K.145 being delivered on the pitch, the Club and the League may mutually agree to conduct the interview at a suitable alternative location.

K.146. When in receipt of that shortlist, the relevant Club must select at least one of the shortlisted Players to be made available for the Super-Flash Interview, together with one further Player (who may or may not be one of the other Players shortlisted by the Host Broadcaster but must have featured prominently in the League Match) who must also be made available for the Super-Flash Interview.

Guidance

Where the shortlisted Player selected pursuant to Rule K.146 is unable to participate in the Super-Flash Interview due to a need to receive immediate medical treatment that becomes apparent to the Club after the conclusion of the League Match, the Club will not be in breach of Rules K.145 or K.146 in the event that it replaces that injured Player with another shortlisted Player who has already returned to the dressing room before being made available for the Super-Flash Interview.

Section K: Stadium Criteria and Broadcasters' Requirements

K.147. In the event that the Host Broadcaster does not wish to carry out the Super-Flash Interview to which it is entitled, any other UK Broadcaster present at the League Match may exercise that right (and in the event that no UK Broadcaster wishes to do so, the League may do so).

UK Broadcasters

K.148. In respect of each UK Broadcaster that has the right to the Transmission of a League Match, that UK Broadcaster is entitled to interview two Players and the Manager from each participating Club (save where that Club has provided a Super-Flash Interview to that UK Broadcaster in accordance with Rule K.145, above) following each League Match, in accordance with the following requirements:

- K.148.1. prior to the conclusion of the League Match, the UK Broadcaster may:
 - K.148.1.1. on no more than five occasions per Season notify a participating Club of a shortlist of two Players who participated in the League Match and who the UK Broadcaster wishes to interview following the League Match; and
 - K.148.1.2. on all occasions other than those referred to at Rule K.148.1.1, above, notify a participating Club of a shortlist of three Players who participated in the League Match and who the UK Broadcaster wishes to interview following the League Match;
- K.148.2. when in receipt of the shortlist referred to at Rule K.148.1, above, the relevant Club must select at least one of the shortlisted Players to be made available for interview with the UK Broadcaster, together with one further Player (who may or may not be one of the other Players shortlisted by the UK Broadcaster but must have featured prominently in the League Match) and the Club's Manager; and
- K.148.3. the relevant Players and the Manager must be made available for interview: (a) within 20 minutes of the conclusion of the League Match for interviews with a UK Broadcaster that has Transmitted the League Match live; and (b) within 45 minutes of the conclusion of the League Match for all other UK Broadcasters.

Guidance

In assessing compliance with the requirements of Rule K.148.3, the League will take account of whether the relevant UK Broadcaster submitted its shortlist to the Club prior to the conclusion of the League Match, as required.

International Broadcasters and the League

K.149. In respect of each League Match, each participating Club must ensure that at least one of its Players who featured prominently in the League Match and/or its Manager is made available for interview by International Broadcasters in attendance at the League Match and the League's Appointed Production Partner (subject to Rule K.151, below), in accordance with the requirements set out in Rule K.152, below. Any Player made available for interview by the League's Appointed Production Partner shall not be a Player made available for interview by the UK Broadcaster as required under Rule K.148, unless otherwise agreed with the League.

Section K: Stadium Criteria and Broadcasters' Requirements

K.150. Each participating Club is required to ensure that each International Broadcaster in attendance at the League Match and the League receive an interview by either a Player or its Manager in accordance with the deadlines set out in Rule K.152, below, save that a Club that has lost the League Match shall be required to provide such interviews to 15 International Broadcasters and the League (or more International Broadcasters, should they wish to do so). The interviews required by this Rule may take place virtually, if so requested by the relevant Broadcaster(s).

K.151. The identity/ies of the individual(s) to be made available for interview in accordance with Rule K.149, above, may be determined by the Club concerned at its discretion, however:

K.151.1. where it receives one or more requests from International Broadcasters that its Manager be made available for an interview, it must ensure that it makes its Manager available in accordance with the following requirements:

No. of requests by International Broadcasters	Minimum no. of interviews for which Manager must be made available
1	1
2	1
3	2
4	2
5	3
6	3
7 or more	3

and;

K.151.2. no Club may refuse four consecutive requests from the same International Broadcaster (in respect of four different League Matches) that a Player with the ability to speak in that International Broadcaster's local language is made available for an interview, unless otherwise agreed between the Club and the League.

Guidance

International Broadcasters may only request interviews from Players with the ability to speak in their local language for the purposes of Rule K.151.2 where one or more such Player(s) has participated in the League Match.

K.152. Each participating Club must make its Players and/or its Manager available for interviews with International Broadcasters and the League by the following deadlines:

K.152.1. within 20 minutes of the conclusion of the League Match for the League save that: (a) where a Player has provided a Super-Flash Interview to the League, he is not required to provide a further post-match interview to the League; and (b) for each League Match that is broadcast live by a UK Broadcaster, this deadline is extended to 30 minutes for Players/the Manager from a Club that has lost the relevant League Match;

Section K: Stadium Criteria and Broadcasters' Requirements

K.152.2. within 30 minutes of the conclusion of the League Match for each International Broadcaster Transmitting the League Match live (save that this deadline is extended to 45 minutes for Players/the Manager from a Club that has lost the relevant League Match); and

K.152.3. within 45 minutes for each other International Broadcaster that has Transmitted the League Match.

Radio Broadcasters

K.153. Each Club participating in a League Match must ensure that each Radio Broadcaster that has the right to the Radio Transmission of that League Match is permitted to interview: (a) at least one Player who featured prominently in the League Match; and (b) the Manager, following the League Match.

Guidance

For the avoidance of doubt, all Players selected for doping control following a League Match are still expected to comply with their obligations regarding Broadcaster access (save where the doping control officer refuses to allow the Player to depart from the doping control station as a result of, for example, a lack of available chaperones). However, where selection for doping control affects a Player's ability to make himself available for interview within the deadlines stipulated by these Rules, that will be taken into account by the Board when determining whether a breach has occurred.

Furthermore, Clubs should ensure that they make a sufficient number of Players available for interview by International Broadcasters and the League to ensure compliance with the deadlines set out at Rule K.152. For example, if a Club makes only one Player available for interview by International Broadcasters and the League, it is unlikely that all such Broadcasters will receive interviews within the relevant deadlines. In such circumstances, where the deadlines are missed as a result of too few Players being made available by a Club, that Club will be in breach of these Rules.

"Radio Broadcasters" means for the purposes of this Rule UK and/or Irish radio broadcasters only.

Interviews with TV Broadcasters which take place pursuant to Rules K.145 to K.149 may take place in any location agreed between the relevant Broadcaster and the relevant Club.

K.154. Before 31 July each year, each Club must confirm to the League whether, in respect of each League Match throughout the Season:

K.154.1. each of the Players listed on its team sheet will walk through the Mixed Zone when exiting the Stadium following the League Match; or

K.154.2. a minimum of six of the Players listed on the team sheet will walk through the Mixed Zone when exiting the Stadium following the League Match and the Club will ensure that each Broadcaster in attendance in the Mixed Zone is able to interview at least one such Player.

K.155. Having made the election referred to at Rule K.154, above, each Club must ensure that it complies with its chosen approach at each League Match.

Guidance

Clubs may withdraw a Player from walking through the Mixed Zone in exceptional circumstances, e.g. where the Player has suffered injury and needs medical treatment or is subject to doping control.

K.156. Each Home Club shall facilitate a media conference following each League Match (the "Post-Match Media Conference").

Section K: Stadium Criteria and Broadcasters' Requirements

- K.157. The Post-Match Media Conference shall take place in the media conference room referred to in Rule K.97.
- K.158. Each Home Club shall ensure that Broadcasters that wish to do so have access to the Post-Match Media Conference and may at its discretion give such access to accredited representatives of other media.
- K.159. Each Club shall ensure that its Manager attends the Post-Match Media Conference.

League Champions

- K.160. Each Season, following the conclusion of each of the League Matches at which: (a) a Club's result in that League Match guarantees that it will become League Champions; and (b) the trophy is awarded to that Club for becoming League Champions, the Club concerned shall grant access to the Host Broadcaster to its dressing room from the period between the conclusion of the League Match and 60 minutes after the conclusion of the League Match.

Guidance

The Club's own media channel may also conduct filming during the period referred to in Rule K.160. Where it chooses to do so, the Club and Host Broadcaster shall engage in good faith discussions in advance to ensure that both are able to carry out their media requirements in cooperation with each other.

- K.161. Following the conclusion of the League Match at which the trophy is awarded to the League Champions, the League Champion Club shall not permit any Player(s) required to participate in the Club's media obligations with the League's Appointed Production Partner or any Broadcasters to engage in any Club or other media activity that could interfere with or delay any such media obligations.

Guidance

For the avoidance of doubt, and in accordance with Rule L.34, the League Champions must comply with the schedule in the relevant Countdown to Kick-Off immediately after the trophy has been lifted.

Promotional Photographs and Footage

- K.162. Each Club shall:
 - K.162.1. select (and notify the League of) one continuous and uninterrupted half day period, no later than 48 hours before the start of each Season, during which its Contract Players and Manager may be photographed and/or filmed by TV Broadcasters, the League's Appointed Production Partner or the League's appointees;
 - K.162.2. ensure that each of its Contract Players and its Manager is available for a continuous and uninterrupted period of no less than 60 minutes during such half day period for the photography and filming referred to at Rule K.162.1, above; and
 - K.162.3. ensure that any Contract Player or its Manager who is not available on the day referred to at Rule K.162.1, above, shall be made available for a continuous and uninterrupted period of no less than 60 minutes no later than two weeks after the close of the relevant Summer Transfer Window to be photographed and/or filmed by TV Broadcasters, the League's Appointed Production Partner or the League's appointees.

Section K: Stadium Criteria and Broadcasters' Requirements

- K.163. For the purposes of the photography and filming referred to in Rule K.162:
 - K.163.1. each Contract Player shall wear each of the Strips registered by the Club pursuant to Rule M.17; and
 - K.163.2. the Manager shall wear match day attire (such as the Club's official training kit or blazer or suit).

Guidance

Club media and broadcast channels are permitted to attend the session referred to in Rule K.162, provided that any additional filming or photography by such channels in no way interrupts or inhibits that session.

- K.164. On the day referred to at Rule K.162.1, each Club shall:
 - K.164.1. permit the League, TV Broadcasters, the League's Appointed Production Partner and the League's appointees access to the facilities referred to at Rule K.166 at least three hours prior to the commencement of the photography and filming referred to at Rule K.162.1; and
 - K.164.2. provide appropriate refreshments and catering facilities for representatives of the League, TV Broadcasters, the League's Appointed Production Partner and the League's appointees in attendance in connection with the photography and filming referred to at Rule K.162.1.

- K.165. Each Club shall provide to the League's Appointed Production Partner photographs of any new Contract Player or Manager within 48 hours of their registration with the Club.

Guidance

The League's Appointed Production Partner shall notify the Clubs in advance of the relevant Transfer Window of the specific requirements for any photographs to be provided under Rule K.165.

If mutually agreed between the Club and the League, the Club can request that the League's Appointed Production Partner (or the League's appointees) capture the photographs referred to at Rule K.165.

- K.166. Each Club shall make available at its Stadium or training ground suitable facilities, the details of which shall be agreed between the Club and the League in advance, with the benefit of mains electric power, for the purposes of the filming and photography referred to in Rule K.162.
- K.167. Each Club shall share with the League's Appointed Production Partner at least two minutes of footage from the first interview with any new Player or Manager that has been registered with the Club no later than such time that any footage from that interview is published on the Club's own media channels.

Guidance

Clubs may request that use of the footage provided to the League's Appointed Production Partner in accordance with this Rule K.167 by Broadcasters should be embargoed until midnight on the day the footage is published on the Club's own media channels.

- K.168. Each Club shall provide to the League by no later than 30 September each year a group photograph of all of the Players included on its Squad List and any Under 21 Players who in the Club's reasonable opinion will play in a significant number of League Matches in the forthcoming Season.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

The purpose of the photography and filming requirement, referred to at Rule K.162, is primarily to provide footage of players to be used by TV Broadcasters. In addition, photographs and video of players captured in accordance with Rules K.162 and K.164 may be used by the League's agreed official commercial partners and licensees. The League will hold the copyright in these photographs and licence it to Clubs.

- K.169. By no later than its first League Match of the Season, each Club shall provide to the League information about each of its Players and its Manager, indicating, for example, their hobbies, interests and any interesting facts, together with details of each language in which they are able to carry out any media duties required by these Rules.
- K.170. Each Club shall ensure that, when reasonably requested to do so by the League, Players and Managers will take part in recordings for the promotional purposes of Broadcasters and the League.

Guidance

The League will manage the requests for access made by Broadcasters under Rule K.170 to ensure that the demands made of Clubs or of individual Players and Managers are not too onerous.

Pre-Season Media Access, Footage and Events

Pre-Season Media Access

- K.171. Each Club shall make one Player (to be mutually agreed between the Club and the League), its captain and its Manager available to TV Broadcasters and the League's Appointed Production Partner for a continuous period of no less than 60 minutes, prior to the start of each Season ("**Pre-Season Media Access**"). The time, date and location of such Pre-Season Media Access, together with the identity of the Player in attendance, in addition to the Club's captain, shall be determined in accordance with Rules K.172 and K.173, below.
- K.172. Each Club must ensure that the Player participating in the Pre-Season Media Access (in addition to its captain) is a Player who was listed in the Club's starting line-up in no fewer than 20 League Matches during the preceding Season (save that the League may grant dispensation from this requirement at its discretion, for example, where the Club registers one or more new Players).
- K.173. By no later than the 10 July preceding each Season, each Club must:
 - K.173.1. notify the League of identity of the Player (in addition to its captain and Manager) who will be made available for the Pre-Season Media Access; and
 - K.173.2. agree with the League the time, date and location of the Pre-Season Media Access (which may run immediately prior to, following or concurrently with the period referred to in Rule K.162, provided that it in no way inhibits the ability of the League's Appointed Production Partner and/or any Broadcaster to carry out the photography or filming required under that Rule).

Guidance

Participation by a Player or Manager in a Pre-Season Media Access will not be taken into account by the League in its assessment of Club compliance with Rules K.115 and K.121.

Section K: Stadium Criteria and Broadcasters' Requirements

Pre-Season Launch Event

- K.174. Prior to the commencement of each Season, one Club (to be selected by the League) shall make at least one Player and/or its Manager available to the League for a continuous and uninterrupted period of no less than 60 minutes (the "**Pre-Season Launch Event**"). The date (to be confirmed by no later than 10 July), time and location of the Pre-Season Launch Event, and the identity of the Player(s) and/or its Manager required to participate in the Pre-Season Launch Event shall be agreed between the Club and the League.

Guidance

The Pre-Season Launch Event will be used by the League to launch each new Season and to communicate any key themes or messages for the upcoming Season.

The League has absolute discretion to determine which Club shall participate in the Pre-Season Launch Event, save that it will not select a Club to participate in the Pre-Season Launch Event for any two consecutive Seasons.

A Club's participation in the Pre-Season Launch Event will not be taken into account by the League in its assessment of a Club's compliance with Rule K.171.

Promoted Club Access Session

- K.175. Each Promoted Club shall, during the first week of their first team's training ahead of a new Season, make a location(s) at its Stadium or training ground available to the League's Appointed Production Partner for a continuous and uninterrupted period of no less than two hours (the "**Promoted Club Access Session**"). Precise details of the date, time and location(s) of the Promoted Club Access Session and the identity of appropriate Club spokespeople to be made available during the Promoted Club Access Session shall be mutually agreed between the Promoted Club and the League.

Guidance

A Promoted Club's obligations under Rule K.175 are in addition to its obligations under Rule K.171 to K.173 (where applicable).

Floodlights

- K.176. On the day of each League Match, each Club shall ensure that its floodlights are operational and comply with the requirements of these Rules for such period as the Board may from time to time specify.
- K.177. A Club's Stadium must have floodlights giving a maintained vertical illuminance of:
 - K.177.1. an average of at least 1650 lux and a minimum of at least 1000 lux when measured towards the principal camera on the Television Gantry;
 - K.177.2. an average of at least 1000 lux and a minimum of at least 650 lux at any one location on the pitch when measured towards the four vertical planes at 0°, 90°, 180° and 270° as shown in the pitch lighting grid set out below; and
 - K.177.3. an average of at least 1650 lux and a minimum of at least 1000 lux on the horizontal reference plane.

Guidance

The average lux value referred to in Rule K.177.1 is calculated by adding together the readings in each direction taken from each of the 96 measurement points referred to in Rule K.179 and dividing them by 96.

The average lux value referred to in Rule K.177.2 is calculated by adding together the readings taken in the same direction at each of the 96 measurement points referred to in Rule K.179 and dividing the total by 96.

The average lux value referred to in Rule K.177.3 is calculated by adding together the readings taken in the same direction at each of the 96 measurement points referred to in Rule K.179 and dividing the total by 96.

Clubs should also take measurements on the horizontal plane at all 96 measurements as referred to in Rule K.179 for reference. These measurements should be reported in the certificate required by Rule K.188.

All measurements should be taken at one metre above the pitch surface.

K.178. The floodlighting must provide uniformity of maintained vertical illuminance at all locations on the pitch such that the minimum illuminance is no less than half of the maximum illuminance and no less than 60% of the average illuminance.

Guidance

The requirements of Rule K.178 are often expressed by technical experts as "U1 values" and "U2 values" in the following manner:

"Uniformity (U1 [min/max]) > 0.50
Uniformity (U2 [min/ave]) > 0.60"

K.179. Calculation, measurement and reporting of the lux values shall be undertaken on the pitch using 96 measurement points in a grid format and at an equal distance from each other on each axis.

K.180. At each of the 96 measurement points referred to in Rule K.179, above, five measurements shall be taken at one metre above the pitch and in the following five directions:

- K.180.1. one measurement shall on the horizontal plane at each reference point as shown in the pitch lighting grid set out below;
- K.180.2. when necessary, one measurement shall be taken towards the main camera on the Television Gantry (represented at position no. 1 on the Master Camera Plan of Appendix 4 to these Rules); and
- K.180.3. four measurements shall be taken in four directions. The measurements shall be taken at 0°, 90°, 180° and 270° planes as shown in the pitch lighting grid set out below.

Guidance – Pitch Lighting Grid

To illustrate what is meant by this, Clubs are requested to measure and report lux values using a grid as shown below demonstrating each point on the pitch at which a measurement must be taken and recorded:

The certificate to be provided to the League pursuant to Rule K.188, below, must contain the outcome of the measurement of the lux values at each point and in each direction on the pitch in this format. As five measurements must be taken at each of the 96 points, a total of 480 measurements must be taken (or 576 if including an assessment of illuminance towards the main camera).

K.181. The 12 rows of seating nearest to the pitch (save for such rows in the stand where the Television Gantry is situated) shall be illuminated such that they have a minimum vertical illuminance perpendicular to the pitch of at least 200 lux and provide a comfortable, glare-free environment for spectators.

K.182. The illuminance referred to in Rule K.181, above, shall be measured by measurements taken at illuminance test reference points located at 10 metre intervals on the tenth row of seating around the pitch. The illuminance test reference points are required in all seating areas around the perimeter of the pitch save for areas adjacent to the Television Gantry.

K.183. Floodlighting shall be installed and arranged so as not to cause undue glare to Players.

Guidance

This is especially important in the goalmouth area where it is recommended by the International Commission on Illumination that no floodlights are installed in the horizontal zone of 5° of either side of the goal line.

Section K: Stadium Criteria and Broadcasters' Requirements

Section K: Stadium Criteria and Broadcasters' Requirements

K.184.	Each Club's floodlighting shall have: K.184.1. colour rendering index Re of greater than 80; K.184.2. an average colour temperature of between 5200kelvin and 6000kelvin, being the average of three measurements taken in the middle of each goal-line and on the centre spot; and K.184.3. flicker (as measured by flicker factor) of no more than 6% at any one or more of the 96 measurement points referred to in Rule K.179, above, when measured towards the principal camera on the Television Gantry.
K.185.	Each Club must have installed at or adjacent to its Stadium an alternative power source for the floodlights such that the floodlighting shall continue with a minimum average illuminance of greater than 800 lux on the horizontal plane in the event of the failure of the primary power source.
K.186.	Details of the alternative power source referred to in Rule K.185, above, the estimated time before floodlights are available again in the event of failure of the primary power source, and the lux value of the floodlights when powered by the alternative power source must be set out in the annual floodlighting report referred to in Rule K.188 and the procedure referred to in Rule K.190, below.
K.187.	Each Club shall ensure that the floodlighting installation and supporting services at its Stadium are properly designed and maintained.
K.188.	In advance of each Season, the League will notify each Club whether it is required to undergo an independent assessment of its compliance with the illuminance requirements of Rules K.177 and K.180 by a Person appointed by the League or, alternatively, whether it is required to provide a certificate signed by a Chartered Electrical Engineer, a member of the Institute of Lighting Professionals, a member of the Illuminating Engineering Society or a member of the Society of Light and Lighting (in this Rule "the Signatory") certifying: K.188.1. the floodlights have been inspected by the Signatory and in their opinion comply with Rules K.177 to K.187; K.188.2. the illuminance meter used to measure compliance with Rule K.177 was: K.188.2.1. cosine corrected; K.188.2.2. suitable for use for measuring the illuminance of floodlighting; K.188.2.3. fitted with a wide-angle receptive light sensor; and K.188.2.4. calibrated at least once in the previous 12 months (and a copy of the most recent certificate of calibration shall be attached to the certificate required to be provided in accordance with this Rule); and K.188.3. the floodlighting installation and its supporting services have been designed to an appropriate standard in compliance with these Rules and have been properly maintained.
K.189.	If works are undertaken at a Club's floodlighting installation and support services after the submission of the certificate referred to in Rule K.188, above, then the Club must provide a further such certificate to the League within four weeks of those works being concluded.

K.190.	Each Club must devise, implement and make available to the League on request, an operation procedure to ensure the minimum possible level of disruption in the event of a power failure at the Stadium (as referred to in Rule K.185) or a failure in any Stadium electrical system, which complies with such guidance as issued by the League from time to time.

Where Board approval has been granted in accordance with this Rule, that approval will be time-limited (whether to a particular League Match or such other period as the Board deems appropriate). The Club concerned will be expected to take such remedial action during the close Season as necessary to ensure that no similar issues arise during the following Season.

- V.3. The Winter Transfer Window in any year shall commence at 00:01 on 1 January or at such other date and time as the Board shall determine and shall end on 31 January next if a Working Day or, if not, on the first Working Day thereafter, at a time to be determined by the Board.
- V.4. Outside a Transfer Window, the Board in its absolute discretion may:
- V.4.1. refuse an application to register a player; or
 - V.4.2. grant an application to register a player and, if thought fit, impose conditions by which the Club making the application and the player shall be bound.

Temporary Transfers

- V.5. A **“Temporary Transfer”** shall mean the transfer of a contract registration effected in accordance with Rules V.6 to V.10.
- V.6. Subject to the conditions set out below, a Temporary Transfer shall be permitted:
- V.6.1. between Clubs;
 - V.6.2. between a Club and a club in membership of The Football League, the National League, the Northern Premier League, the Isthmian League and the Southern League; and
 - V.6.3. between a Club that has its registered address in Wales and a club in membership of the Welsh Premier League.

- V.7. The conditions referred to in Rule V.6 are:
- V.7.1. a Temporary Transfer to a Club may not take place in the Transfer Window in which the Transferor Club acquired the Player’s registration;
 - V.7.2. during the period of the Temporary Transfer of his contract registration a Player shall not play against the Transferor Club;
 - V.7.3. if during the period of a Temporary Transfer the Player’s registration is transferred permanently from the Transferor Club to the Transferee Club, the two Clubs may agree in writing (with such agreement copied to the League) that the Player shall not play against the Transferor Club for the remainder of the Season;
 - V.7.4. subject to any conditions imposed by the Board in the exercise of its discretion under Rule V.4.2, the minimum period of a Temporary Transfer shall be the period between two consecutive Transfer Windows and the period of a Temporary Transfer shall not extend beyond 30 June next after it was entered into, save that the Board may, in its absolute discretion, permit a Temporary Transfer to be terminated before the commencement of the second Transfer Window (subject to such conditions as the Board deems appropriate);
 - V.7.5. the maximum number of Temporary Transfers to any one Club registrable in the same Season shall be four and in no circumstances shall more than one be from the same Transferor Club at any one time save there shall be excluded from these numbers any Temporary Transfer of the kind described in V.7.6.1 or V.7.6.2;
 - V.7.6. not more than two Temporary Transfers shall be registered by a Club at the same time except that there shall be excluded from that number:
 - V.7.6.1. any Temporary Transfer which become permanent; and
 - V.7.6.2. the Temporary Transfer of a goalkeeper which in its absolute discretion the Board may allow in circumstances it considers to be exceptional;
 - V.7.7. a Club may transfer the registration of no more than one of its goalkeepers by way of temporary Transfer to another Club each Season, subject to any further Temporary Transfer of one of its goalkeepers pursuant to Rule V.7.6.2; and
 - V.7.8. any other conditions agreed between the Transferor Club and the Transferee Club or, in the exercise of its discretion, imposed by the Board.

Guidance

For the avoidance of doubt, no Club that already has two Temporary Transfers registered at the same time may be permitted to register a further player whose permanent registration is held by a Club on a ‘sub-loan’. That is to say, if a player is loaned by a club based overseas (or to which Rules V.5 to V.7 do not otherwise apply), that player cannot then be ‘sub-loaned’ by the overseas club to another Club where that Club already has two Temporary Transfers registered at that time.

An example of the circumstances in which the Board might exercise its discretion in Rule V.7.4 is where a Player subject to a Temporary Transfer is unable to represent the Club temporarily holding his registration due to a long-term injury. In such circumstances, the Board might approve the termination of the Temporary Transfer on the condition that the Player is prohibited from making any first team appearances at the Club with which he re-registers, during the remaining period of the original Temporary Transfer.

Section V: Players – Transfers of Registrations

- V.8. The Loan Fee payable on a Temporary Transfer shall be such sum (if any) as shall have been agreed between the Transferee Club and the Transferor Club and set out in Football Association Form H.2 or H.3 (as appropriate) or in a supplementary agreement.

- V.17.4. a copy of Form 14 must be sent forthwith to the Board.
- V.18. Contract terms shall be deemed to be no less favourable if, disregarding any provision for a Signing-on Fee in the Player's current contract which is stated to be a once only payment, they are at least equal in value to the most favourable terms to which the Player was or is entitled in any year of his current contract.

The Player's Options

- V.19. Upon receiving an offer on Form 14 a Player may either:
- V.19.1. accept the same within one month of its date and enter into a new contract with his Club in the terms offered; or
- V.19.2. decline it in writing.
- V.20. If the Player considers that the terms offered by his Club and set out in Form 14 are less favourable than those in his current contract, he may give notice to that effect to his Club and the Board in Form 15 and apply for a free transfer.
- V.21. Such application shall be determined by the Board and if it succeeds:
- V.21.1. the Player's Club will not be entitled to a Compensation Fee upon a Transferee Club effecting his New Registration; and
- V.21.2. the Player will receive severance pay in accordance with his contract.

Section V: Players – Transfers of Registrations

The Club's Options

V.24.	An Out of Contract Player who continues to receive from his Club the amount of his basic wage under the provisions of Rule V.22.3 shall not be entitled to play for that Club. If such Out of Contract Player unreasonably refuses or other relevant circumstances exist whereby the Out of Contract Player will not accept an offer of employment by another Club (or club), his Club may make application to the Premier League Appeals Committee for an order that payments to the Out of Contract Player may cease without affecting his Club's entitlement to a Compensation Fee.
V.25.	A Club which having continued to pay the Player the amount of his basic wage under Rule V.22.3 intends to cease making such payments shall give to the Player two weeks' notice to that effect and upon a Transferee Club effecting the Player's New Registration the Club shall not be entitled to a Compensation Fee.
The Compensation Fee	
V.26.	The Compensation Fee payable by a Transferee Club to a Transferor Club upon the transfer of the registration of a Contract Player to the Transferee Club shall be such sum as shall have been agreed between the Transferee Club and the Transferor Club and set out in the Transfer Agreement.

V.29.	Subject to Rules V.30 and V.35, all Compensation Fees, Loan Fees (including in both cases instalments thereof) and Contingent Sums payable to a Club or to a Football League club shall be paid (together in each case with value added tax at the then current rate) by the Transferee Club into the Compensation Fee Account by telegraphic transfer or by such other means as the Board may from time to time direct.
V.30. V.33.	Where any Compensation Fee payable under the provisions of Rule V.17 is not agreed between the Transferee Club and the Transferor Club, the Transferee Club shall upon applying to register the Out of Contract Player pay into the Compensation Fee Account at least half the Compensation Fee offered to the Transferor Club and the balance shall likewise be paid as determined by the Professional Football Compensation Committee under Rule V.27.2.
V.34. Guidance

Clubs should be aware that the equivalent provision in the EFL Regulations (EFL Regulation 52.2) applies to domestic and international transfers.

Section V: Players – Transfers of Registrations

V.35. An agreement for an International Transfer and a Transfer Agreement with a Transferor Club which is not in membership of the League or The Football League shall provide that the Compensation Fee, any instalments thereof and any Contingent Sums payable by the Transferee Club shall be paid (together with any value added tax payable in respect thereof) to The Football Association by telegraphic transfer or by such other means as the Board may from time to time direct for payment to the Transferor Club in accordance with The Football Association Rules.

V.36.2. in every other case, the Transferee Club shall forthwith inform the Transferor Club to that effect on Form 16 and shall pay such Contingent Sum by the date stipulated in the transfer agreement (which must be no later than the following 31 July) in accordance with Rule V.29.

V.37. If any Transferee Club acts in breach of Rules V.29 or V.32 to V.36 (inclusive):

V.38. Subject to Rule V.39, upon payment of a Compensation Fee, a Contingent Sum, International Loan Fee or a payment made pursuant to Rule U.39, a Club shall forthwith pay to the League a levy equal to 4% of the sum paid (net of any value added tax) and in the case of a Compensation Fee or International Loan Fee payable by instalments, the levy upon the whole of it shall be paid as aforesaid upon the Transferee Club applying to register the Player to which it relates.

V.39. Such levy shall not be payable on a Loan Fee unless the registration of the Contract Player who is the subject of the Temporary Transfer is transferred on a permanent basis from the Transferor Club to the Transferee Club during, or within four months of the expiry of, the Temporary Transfer, in which case a levy equal to 4% of the aggregate of any Loan Fee and Compensation Fee shall be paid to the League.

Section V: Players – Transfers of Registrations

V.40. Where a Transferee Club registers a Player and the relevant consideration tendered by the Transferor Club includes the registration of another Player or some other form of non-financial consideration or value-in-kind, the Transferee Club and Transferor Club shall attribute a financial value to the Player(s) transferred, which shall be noted in the Transfer Agreement(s), and upon which a levy equal to 4% of such value shall be paid in each case.

Guidance

Where in the case of a proposed transfer of the type referred to in Rule V.40, above, the Board is of the view that the financial value attributed to either of the Players is materially below that Player's true transfer value (with the effect that a reduced sum is payable by way of levy), the Board will request that the Transferor Club(s) restate(s) the declared transfer value and may exercise its power under Rule V.12 if necessary.

V.41. The sums received by the League by way of levy shall be used to pay premiums due under the Professional Footballers' Pension Scheme and any surplus shall be added to the Professional Game Youth Fund.

Solidarity – England and Wales

V.42. V.42.1. Clubs (or clubs) affiliated to the Football Association; and

V.42.2. Clubs (or clubs) affiliated to the Football Association of Wales but which participate in leagues sanctioned by the Football Association.

V.43. Any Club that makes or continues any claim (including any claim made prior to admission into membership of the League) in breach of the agreement set out in Rule V.42, above, shall indemnify those Club(s) or club(s) that are the subject of the claim against any liability imposed by FIFA, the Football Association or any other relevant regulatory body of football and/or any judicial bodies exercising jurisdiction pursuant to any rules thereof.

Transfer Windows

V.44. During the Transfer Windows in each Season, no Club may register and secure governing body endorsements (in accordance with The FA's Men's Players Points Based System) for more than six new U21 Non-Home-Grown Players.

Guidance

The cap on U21 Non-Home-Grown Players set out in Rule V.44 is applicable per Season (which, for the avoidance of doubt, includes the Summer Transfer Window immediately prior to the Season). A Club shall be entitled to register U21 Non-Home-Grown Players without obtaining a governing body endorsement where such Players will be loaned out to clubs outside of the United Kingdom without first participating in League Matches. If at a later date that Club wishes such Players to participate in League Matches it must apply for a governing body endorsement in respect of the Player, who will then (if he is an Under 21 Player) be counted towards the cap on U21 Non-Home-Grown Players set out in Rule V.44 (and any subsequent cap on the number of new U21 Non-Home-Grown Players that the Club may register).

No defect in the service of a complaint shall invalidate all or any part of the proceedings if it can be shown that it is likely that the complaint has come to the attention of the Respondent.
- W.26. As soon as reasonably practicable following receipt of a complaint, the Chair of the Judicial Panel shall appoint a Commission to hear the complaint, confirm the identities of the Commission members to the Board and the Respondent(s) and require each appointed individual to complete a statement of impartiality in such form as the Chair of the Judicial Panel shall prescribe. Where a party objects to one or more of the appointments made to the Commission, it must raise such objection within two Working Days of the relevant appointment(s), which shall be resolved by the Chair of the Judicial Panel in such manner as they think fit.
- W.27. At any stage the Commission may indicate (either of its own accord or as a result of representations from a Person, Club (or club) and in any event in its sole discretion), that if the complaint is upheld, it may wish to exercise its power under Rule W.51.5 to award compensation to any Person or to any Club (or club). If the Commission so indicates, it shall notify the parties to the proceedings and the relevant Person, Club (or club) of this fact. The Commission may then make appropriate directions as to the receipt of evidence of loss from the relevant Person, Club (or club) as well as directions on the receipt of evidence in response from the parties to the proceedings.
- W.28. Where (in proceedings in which the Respondent is a Club or Relegated Club) the Commission makes the indication referred to at Rule W.27, above, and after having heard evidence from both parties subsequently determines that no compensation is to be awarded in accordance with Rule W.51.5, the Club (or Relegated Club) claiming compensation in such circumstances may appeal that determination to an Appeal Board. If it fails to do so (or if the Appeal Board dismisses any such appeal) the Club (or Relegated Club) will not be able to bring any further claim of any kind (whether for compensation, in damages or otherwise) against the Respondent Club arising out of the breach of these Rules in respect of which the Commission was appointed.

W.59.	In the event that a party wishes to seek any interim measures, relief or order prior to the Commission being Fully Constituted (including without limitation, where the Board wishes to seek compliance with and/or enforcement of a Person's obligations under Rules W.1 and W.16), then that party shall be entitled to seek such measures, order or relief in accordance with the following provisions: <ul style="list-style-type: none"> W.59.1. the party seeking the interim measures, order or relief (the "Interim Applicant") shall serve its application on the other party and file its application (the "Interim Application") with the Chair of the Judicial Panel;

Section W: Disciplinary

- W.59.2. within two clear days of being served with the Interim Application, the Chair of the Judicial Panel shall appoint an individual from the Judicial Panel to hear it (the **"Interim Commission"**) and require the appointed individual to complete a statement of impartiality in such form as the Chair of the Judicial Panel shall prescribe. Where a party objects to the appointment made to the Interim Commission, it must raise such objection within two Working Days of the appointment, which shall be resolved by the Chair of the Judicial Panel in such manner as they think fit;
- W.59.3. the Interim Commission shall decide all procedural and evidential matters and shall give directions within two clear days of their appointment with a view to ensuring the resolution of the Interim Application within 14 clear days of it being made, save in exceptional circumstances. The directions shall include without limitation:
- W.59.3.1. the extent to which there shall be oral or written evidence or submissions; and

For the avoidance of doubt, and without prejudice to the generality of those powers, where the Interim Application involves a request by the Board for a direction, declaration or other measure that a Person complies with its obligations under Rules W.1 and W.16, and/or an order enforcing such obligations, the Interim Commission may make the following orders, without excluding any other order that it deems appropriate:
- W.59.4.1. where the respondent to the Interim Application is a Club, the suspension of the Club's entitlement to receive Central Funds from the League, either: (a) for a prescribed period of time; (b) pending compliance in full with its obligations under Rules W.1 and W.16 (following which the withheld Central Funds will be provided to the Club); and/or (c) unless prescribed actions are taken by the Club within a prescribed period of time; and/or

Guidance

No Club or Person to whom the Rules apply must be able to defeat the proper investigation of potential breaches of the Rules by refusing or delaying the answering of questions or provision of information or documents or failing to provide full, complete and prompt assistance to the Board. In these circumstances it is necessary that an Interim Commission is able to impose interim measures that will require and enforce compliance with those obligations by imposing a consequence on the respondent unless and/or until there is compliance.

Where an Interim Commission makes an order of the sort referred to in Rule W.59, it may (if it deems appropriate) provide for a review date on which, if the order remains in force due to the respondent's ongoing non-compliance with its obligations under Rules W.1 and W.16, it can consider whether the ongoing effect of the order and the length of time in which it has been in place renders it clearly disproportionate, in which case it may be vacated.

Section W: Disciplinary

- W.60. The Interim Commission shall issue its decision in writing (which may be in summary, with detailed reasons to follow) in respect of the Interim Application within 14 days of it being served (or, where there are exceptional circumstances pursuant to Rule W.59.3, in accordance with the directions issued by the Interim Commission).
- W.61. Any decision by an Interim Commission in respect of an Interim Application may be appealed by either party, in accordance with Rule W.62, below. Where the appeal is against an order by an Interim Commission of the sort referred to in Rule W.59.4.1 or W.59.4.2 that order will, save in exceptional circumstances, remain in full force and effect pending the outcome of proceedings before the Appeal Board.

Appeals

- W.62. Either:
- W.62.1. a Club (or club) or Person that wishes to challenge:
- W.62.1.1. the decision of the Board to impose a fixed penalty;

Section W: Disciplinary

W.67.	An appeal shall be commenced by the appellant sending or delivering to the Chair of the Judicial Panel Form 21 or Form 22, as the case may be, so that it is received within 14 days of the date of the decision appealed against (time being of the essence) unless a lesser period is ordered pursuant to Rule W.69.
W.68.	As soon as reasonably practicable following receipt of Form 21 or Form 22, as appropriate, the Chair of the Judicial Panel shall appoint an Appeal Board to hear the appeal, confirm the identities of the Appeal Board members to the parties and require each appointed individual to complete a statement of impartiality in such form as the Chair of the Judicial Panel shall prescribe. W.69. W.72.	A respondent to an appeal may request that the Appeal Board upholds the decision of the Commission or Interim Commission for the reasons given by the Commission or Interim Commission and/or for additional reasons. Any additional reasons should be fully particularised in the respondent's response to the appeal.
W.73.	Notice of the date, time and place of the appeal hearing shall be given in writing to the parties and the Chair of the Judicial Panel by the chair of the Appeal Board.
W.74.	If a party fails, refuses or is unable to attend the hearing the Appeal Board may either adjourn it or proceed in the party's absence.
W.75.	Except in cases in which the Appeal Board gives leave to adduce fresh evidence pursuant to Rule W.71, an appeal shall be by way of a review of the evidence adduced before the Commission or Interim Commission and the parties shall be entitled to make oral representations. Subject to the foregoing provisions of this Rule, the Appeal Board shall have an overriding discretion as to the manner in which the hearing is conducted.
W.76.	The Appeal Board may permit the appellant at any time to withdraw the appeal on such terms as to costs and otherwise as the Appeal Board shall determine.

Section W: Disciplinary

W.77.	The Appeal Board shall make its decision unanimously or by majority. No member of the Appeal Board may abstain.
W.78.	The Appeal Board's decision shall be announced as soon as practicable after the appeal hearing and if possible at the end thereof and shall be confirmed in writing by the chair of the Appeal Board to the parties, giving reasons (with a copy provided to the Chair of the Judicial Panel). If the decision reached by the Appeal Board was by a majority, no minority or dissenting opinion shall be produced or published.

W.79.	Upon the hearing of an appeal, an Appeal Board may:
W.79.1.	allow the appeal;

W.79.8.	make such other order as it thinks fit.
W.80.	Subject to the provisions of Section X (Arbitration) of these Rules, the decision of an Appeal Board shall be final.
Admissibility of Evidence	
W.81.	In the exercise of their powers under this Section of these Rules, a Commission or an Appeal Board shall not be bound by judicial rules governing the admissibility of evidence. Instead, facts relating to a breach of these Rules may be established by any reliable means.
Legal Representation	
W.82.	The parties to proceedings before a Commission or an Appeal Board shall be entitled to be represented by a solicitor or counsel provided that they shall have given to the other party and to the chair of the Commission or of the Appeal Board as the case may be 14 days' prior written notice to that effect identifying the solicitor or counsel instructed. In relation to proceedings before an Interim Commission, if there is to be an oral hearing, the parties shall notify one another and the Interim Commission of their intention to instruct a solicitor or counsel and their identity no later than two clear days before that hearing.
Publication	
W.83.	All proceedings convened under this Section W shall be confidential and heard in private, save as follows:

Where provision of such a decision would conflict with the confidentiality protection afforded by this Rule W.83, the League will make appropriate redactions. Where the League does not itself decide to circulate an interlocutory decision, any other party to that decision may request that the League does so, which the League may only refuse on the grounds that it does not consider (acting reasonably) the decision to be of wider application or use to the Board and Clubs;
- W.83.3. final awards of any Commission, Interim Commission or Appeal Board shall be confirmed publicly and published on the League's website;
- W.83.4. a Sanction Agreement that includes either: (a) a fine in excess of £100,000; or (b) a 'sporting sanction' of any kind, shall be confirmed publicly and published on the League's website; and
- W.83.5. at the conclusion of each Season, the Board will present to Clubs at the subsequent annual general meeting a summary of all disciplinary action taken pursuant to this Section W in the preceding 12 months, including (in each case) details of the respondent, the Rule(s) breached and the sanction(s) imposed.

- W.84. All Clubs and Persons bound by these Rules (and any Person required to observe these Rules as a result of any obligation whether to the League or to any third party) shall be deemed to have provided their full and irrevocable consent to publication of the details, awards and Sanction Agreements referred to in Rule W.83, above (including details of any submissions, oral or written statements or other evidence adduced in the proceedings to which those documents relate), save that such Clubs and Persons may apply to the Board and/or the body that has handed down the award to request the redaction of any information that is either: (a) medically sensitive; or (b) confidential in relation to safeguarding. For this purpose, reasonable prior notice of the date of publication of any award (and its contents) or Sanction Agreement, in accordance with Rules W.83.3 or W.83.4, must be provided to the parties.

Ad Hoc Appointments

- W.85. Notwithstanding Rules W.19 to W.21 and W.63 and any other Rules to the contrary, the Chair of the Judicial Panel may, in their absolute discretion, when appointing Commissions, Appeal Boards, tribunals and otherwise, as provided for in the Rules, appoint on an ad hoc basis individuals who are not members of the Judicial Panel but whom they consider would be suitable for the particular appointment (and for the period of their temporary appointment each such person will be considered a member of the Judicial Panel). It is anticipated that the Chair of the Judicial Panel will exercise this power only in exceptional circumstances.

Disciplinary and Dispute Resolution

Section X : Arbitration

Definitions	
X.1.	In this Section of these Rules:
X.1.1.	“the Act” means the Arbitration Act 1996 or any re-enactment or amendment thereof for the time being in force;

X.1.3.	“the tribunal” means the arbitral tribunal; and
X.1.4.	“the chair” means the chair of the tribunal.
Agreement to Arbitrate	
X.2.	Membership of the League shall constitute an agreement in writing between the League and each Club, between the League and each Director of each Club and between each Club for the purposes of section 5 of the Act in the following terms:
X.2.1.	to submit all disputes which arise between them (including in the case of a Relegated Club any dispute between it and a Club or the League, the cause of action of which arose while the Relegated Club was a member of the League), whether arising out of these Rules or otherwise, to final and binding arbitration in accordance with the provisions of the Act and this Section of these Rules;
X.2.2.	that the seat of each such arbitration shall be in England and Wales;
X.2.3.	that the issues in each such arbitration shall be decided in accordance with English law; and
X.2.4.	that no other system or mode of arbitration will be invoked to resolve any such dispute.
X.3.	Disputes subject to arbitration under this Section X will be deemed to fall into one of three categories, being:
X.3.1.	disputes arising from decisions of Commissions or Appeal Boards made pursuant to Rules W.1 to W.85 (Disciplinary) of these Rules (“Disciplinary Disputes”);
X.3.2.	disputes arising from the exercise of the Board’s discretion (“Board Disputes”); and
X.3.3.	other disputes arising from these Rules or otherwise.
X.4.	In the case of a Disciplinary Dispute, the only grounds for review of a decision of a Commission or Appeal Board by way of arbitration under this Section X shall be that the decision was:
X.4.1.	reached outside of the jurisdiction of the body that made the decision;
X.4.2.	reached as a result of fraud, malice or bad faith;
X.4.3.	reached as a result of procedural errors so great that the rights of the applicant have been clearly and substantially prejudiced;

X.5.1.	was reached outside the jurisdiction of the Board;
X.5.2.	could not have been reached by any reasonable Board which had applied its mind properly to the issues to be decided;
X.5.3.	was reached as a result of fraud, malice or bad faith; or
X.5.4.	was contrary to English law, and
	directly and foreseeably prejudices the interests of a Person or Persons who were in the contemplation of the Board at the time that the decision was made as being directly affected by it and who suffer loss as a result of that decision.
Standing	
X.6.	A Person who is not a party to a Disciplinary Dispute or a Board Dispute may not invoke these arbitration provisions in respect of such a dispute, unless that party can show that they are sufficiently affected by the outcome of the dispute that it is right and proper for them to have standing before the tribunal.
Commencement of the Arbitration	
X.7.	An arbitration shall be deemed to have commenced (and for the purpose of Rule X.2 a dispute shall be deemed to have arisen) upon the party requesting an arbitration serving upon the other party (and copied to the Board) a request in Form 23.
Appointing the Arbitrators	
X.8.	Subject to Rule X.13, the tribunal shall comprise three Suitably Qualified Persons (as defined in Rule X.10) and there shall be no umpire.
X.9.	Within 14 days of the party requesting an arbitration serving upon the other party (and copied to the Board) the Form 23 pursuant to Rule X.7, each party shall by notice in Form 24 addressed to the other party (and copied to the Board) appoint one Suitably Qualified Person (as defined in Rule X.10) to act as an arbitrator in the arbitration requested. And within 14 days of their appointment (i.e. of the date of the second appointee being appointed) the two arbitrators so appointed shall appoint another Suitably Qualified Person (as defined in Rule X.10) as the third arbitrator who shall sit as chair. If the two arbitrators so appointed fail to agree on the appointment of the third arbitrator the Board (or The Football Association if the League is a party) shall make the appointment giving notice in writing to that effect to each party.
X.10.	A Suitably Qualified Person for the purposes of this Section X shall be any individual who is both:
X.10.1.	a solicitor of no less than 10 years’ admission or a barrister of no less than 10 years’ call; and
X.10.2.	independent of the party appointing them and able to render an impartial decision.
X.11.	If a party refuses or fails to appoint an arbitrator when it is obliged to do so in accordance with these Rules the Board (or The Football Association if the League is a party) shall make the appointment giving notice in writing to that effect to each party.

Section X: Arbitration

- X.12. Upon appointment all arbitrators must sign a statement of impartiality. Any arbitrator not signing such a statement within seven days of appointment may not act and the party appointing them must nominate another arbitrator within seven days subject to the provisions in Rules X.8 to X.11.

Appointing a Single Arbitrator

- X.13. Notwithstanding the provisions of Rule X.8, the parties shall be at liberty to appoint a single arbitrator (who must be a Suitably Qualified Person) in which case:
- X.13.1. Form 25 shall be substituted for Form 24; and
- X.13.2. this Section of these Rules shall be interpreted on the basis that the tribunal comprises a single arbitrator who shall undertake the duties of the chair.

Replacing an Arbitrator

- X.14. Schedule 1

Part 1

Disciplinary Procedure and Penalties

1. Introduction

The disciplinary procedure aims to ensure that the Club behaves fairly in investigating and dealing with allegations of unacceptable conduct with a view to helping and encouraging all employees of the Club to achieve and maintain appropriate standards of conduct and performance. The Club nevertheless reserves the right to depart from the precise requirements of its disciplinary procedure where the Club considers it expedient to do so and where the Player's resulting treatment is no less fair.

2. Records

All cases of disciplinary action under this procedure will be recorded and placed in the Club's records until deleted in accordance with paragraph 4.2. A copy of the Club's disciplinary records concerning the Player will be supplied to the Player at his request.

3. The Procedure

The following steps will be taken as appropriate in all cases of disciplinary action:

3.1 Investigation

No action will be taken before a proper investigation has been undertaken by the Club into the matter complained of. If the Club determines the same to be appropriate the Club may by written notice suspend the Player for up to 14 days while the investigation takes place. If the Player is so suspended this contract will continue together with all the Player's rights under it including the payment of the Player's remuneration and benefits but during the period of suspension the Player will not be entitled to access to any of the Club's premises except at the prior request or with the prior consent of the Club and subject to such conditions as the Club may impose. The decision to suspend the Player will be notified in writing to the Player by the Club.

3.2 Disciplinary Hearing

- 3.2.1 If the Club decides to hold a disciplinary hearing about the matter complained of, the Player will be given full details in writing of the complaint against him and reasonable notice of the date and time of the hearing. At the hearing the Player will be given an opportunity to state his case either personally or through his representative as provided for in clause 13 of this contract.
- 3.2.2 Subject as provided in paragraph 3.2.3 no disciplinary penalty will be imposed without first giving the Player the opportunity to state his case to the Manager or if the Player so requests to a director of the Club and where the Club considers it appropriate or where the Player requests the same without a disciplinary hearing.
- 3.2.3 A disciplinary hearing may proceed in the Player's absence and a disciplinary penalty may be imposed if he fails to appear at such hearing after having received proper notice thereof.

3.3 Appeals

- 3.3.1 The Player shall have a right of appeal to the Board against any disciplinary decision. The Player should inform the Board in writing of his wish to appeal within 14 days of the date of notification to him of the decision which forms the subject of such appeal. The Board will conduct an appeal hearing as soon as possible thereafter at which the Player will be given a further opportunity to state his case. The decision of the Board will be notified to the Player in writing within seven days and subject to paragraph 3.3.2 will be final and binding under this procedure.
- 3.3.2 In the event of any sanction being imposed or confirmed in excess of an oral warning, the Player may by notice in writing served on the Club and the League within 14 days of receipt by the Player of written notification of the decision of the Board give notice of appeal against it to the League who will determine the matter in accordance with the League Rules.
- 3.3.3 If the Player exercises any right of appeal as aforesaid, any sanction imposed by the Club upon the Player shall not take effect until the appropriate appeal has been determined and the sanction confirmed varied or revoked as the case may be.

4. Disciplinary Penalties

- 4.1 At a disciplinary hearing or on an appeal against a disciplinary decision, the Club may dismiss the allegation or if it is proved to the Club's satisfaction may:
- 4.1.1 give an oral warning a formal written warning or after a previous warning or warnings a final written warning to the Player;
 - 4.1.2 impose a fine not exceeding the amount of the Player's basic wage for a period of up to two weeks for a first offence (unless otherwise approved by the PFA in accordance with the Code of Practice) and up to four weeks for subsequent offences in any consecutive period of 12 months but only in accordance with the provisions of the Code of Practice;
 - 4.1.3 order the Player not to attend at any of the Club's premises for such period as the Club thinks fit not exceeding four weeks; and/or
 - 4.1.4 in any circumstances which would entitle the Club to dismiss the Player pursuant to any of the provisions of clause 10 of this contract dismiss the Player or impose such other disciplinary action (including suspension of the Player and/or a fine of all or part of the amount of the Player's basic wage for a period not exceeding six weeks).
- 4.2 Any warning or sanction given under this disciplinary procedure will be deleted in the Club's records after 12 months.

Part 2 Grievance Procedures

1. The Player shall bring any grievance informally to the notice of the Manager in the first instance. The Player may be required by the Manager to put any such grievance in writing. Having enquired into such grievance the Manager will then notify the Player of his decision.
2. If the grievance is not determined by the Manager to the Player's satisfaction the Player may within 14 days thereafter serve formal notice of the grievance in writing on the secretary of the Club and the matter shall thereupon be determined by the chairman of the Club or by the Board as soon as possible and in any event within four weeks of the receipt of the notice.

To achieve and maintain the ‘FIFA Quality’ rating under the FIFA Quality Programme for Football Turf, the Artificial Surface pitch needs to be certified on an annual basis by a FIFA accredited agent.

Existing Artificial Surface pitches have an average natural life span of 10 to 12 years, depending on the number of hours of use. Accordingly, as they reach the end of their natural life span, they should be replaced with pitches that achieve the necessary rating under the FIFA Quality Programme for Football Turf. When determining whether an Artificial Surface has reached the end of its life span, the following factors are relevant: (a) whether the seams of the Artificial Surface are pulling apart; (b) any matting of the Artificial Surface; (c) poor drainage; (d) abnormal hardness of the Artificial Surface; and (e) whether the infill depth has fallen below 20mm. The presence of one or more of these factors indicates that the Artificial Surface should be replaced, regardless of the age of the surface.

 - 10.2.2. respond in writing to the ISO’s written report.

Guidance

It is expected that the Club Officials who will attend the meeting with the ISO and the League referred to in Rules 10.2.1, 17.4.1 and 18.6.1 will include the Academy Manager and the Chief Executive.

11. Having regard to any steps pursuant to Rule 10.2, the ISO shall:
 - 11.1. finalise its written report and send a further copy to the Club. The Club shall not be entitled to request a further meeting with the ISO; and
 - 11.2. inform the PGB of its recommendation as to whether the Club is prima facie capable of adhering to the Safe To Operate Rules and Compliance Rules for the relevant Category of Academy for which it has applied.
12. The ISO and/or the PGB may, at its discretion, request written representations from the League in respect of a Club’s application for an Academy Licence.
13. Following receipt of the ISO’s recommendation, the PGB shall decide whether to grant to the Club an Academy Licence for a fixed time period. If the PGB:
 - 13.1. does grant to the Club such an Academy Licence, the Club shall be subject to a Full ISO Audit during the term of the Academy Licence and the results of that Full ISO Audit shall be used by the PGB as a basis to determine whether to grant the Club a further Academy Licence or continue to hold an Academy Licence; or
 - 13.2. does not grant to the Club such an Academy Licence, the Club shall not be eligible to re-apply for an Academy Licence until the following Season unless otherwise authorised by the PGB. The PGB may set such conditions for the re-application as it considers appropriate (including that the Club covers the cost of any re-application).
14. A Club shall only have the right to make representations to the PGB in connection with its application for an Academy Licence if it believes that the ISO’s written report(s) contain any manifest error.

Grant of Academy Licence

15. An Academy Licence shall be granted on such terms as determined by the PGB and shall, subject to the PGB determining otherwise (including that an Academy Licence shall only be granted for fixed period of time), be valid from the date it is granted until such time as it is varied or revoked by the PGB or resigned by the Club.

Assessment of Academies

16. Each Club that holds an Academy Licence shall be subject to assessment by the ISO in respect of the Club's adherence to the Academy Licensing Criteria. Such assessment shall include:
- 16.1. an audit of the Club's adherence to the Safe To Operate Rules (and, at the ISO's discretion, to the Compliance Rules) to occur at least once per Season (an **"Annual ISO Audit"**);
 - 16.2. an audit of the Club's adherence to all of the Academy Licensing Criteria for the relevant Category of Academy (a **"Full ISO Audit"**) to occur as often as the ISO considers necessary; and
 - 16.3. such other assessment (including the undertaking of an ISO Audit) as the ISO considers necessary.

Annual ISO Audit

17. The process for an Annual ISO Audit shall be as follows:
- 17.1. The ISO shall write to the Club to inform it of the start date of the Club's Annual ISO Audit.
 - 17.2. By no later than ten days after receiving a notice pursuant to Rule 17.1, a Club must submit to the ISO an up-to-date Academy Self-Assessment Report in respect of the Safe To Operate Rules (and Compliance Rules, if so directed by the ISO) together with any other documents or information requested by the ISO and/or which the Club wishes the ISO to take into account.
 - 17.3. The ISO shall review the information received from the Club during the Annual ISO Audit and conclude whether in the ISO's reasonable opinion the Club is adhering to the Safe To Operate Rules (and, if applicable, the Compliance Rules). The ISO shall send to the Club a provisional written report setting out its findings.
 - 17.4. Upon receipt of the ISO's provisional report, the Club shall be entitled to:
 - 17.4.1. request and attend a meeting with the ISO to discuss the provisional report; and
 - 17.4.2. respond in writing to the ISO's draft report.
 - 17.5. Having regard to any steps taken pursuant to Rule 17.4, the ISO shall finalise its written report and send a copy to the Club. The Club shall not be entitled to request a further meeting with the ISO or to respond in writing to the final report.
 - 17.6. If, in its final report, the ISO concludes that the Club is not adhering to the Safe To Operate Rules (and, if applicable, the Compliance Rules), the ISO shall issue to the Club an action plan setting out what remedial steps the Club must take and the deadline(s) for the Club to do so (an **"Audit Action Plan"**).
 - 17.7. By no later than the date(s) specified in the Audit Action Plan, a Club must submit to the ISO a written update as regards the remedial steps it has taken in response to the Audit Action Plan.

- 17.8. The ISO shall review information received from the Club in response to the Audit Action Plan and conclude whether in the ISO's reasonable opinion the Club has taken satisfactory remedial steps or is on course to do so. If the ISO concludes that a Club has not taken satisfactory remedial steps or is not on course to do so, the ISO shall inform the PGB of that conclusion and may also:
 - 17.8.1. refer the Club to the League or the Football League (where applicable) to take action, as a breach of these Rules; and/or
 - 17.8.2. refer the Club to the PGB to make such decision in respect of the Academy as the PGB sees fit (which may include, but is not limited to, taking one or more of the actions set out in Rule 27).
- 17.9. The ISO may for as long as it considers necessary continue to monitor the remedial steps that a Club has taken in response to an Audit Action Plan. Such monitoring may include (but is not limited to) amending an Audit Action Plan and/or repeating the steps in Rules 17.7 to 17.8.

Full ISO Audit

18. The process for a Full ISO Audit shall be as follows:
- 18.1. The ISO shall write to the Club to inform it of the start date of the Club's Full ISO Audit. The ISO shall give such notice to the Club no less than ten days before the proposed start date. The ISO may, at its discretion, agree to move the start date if reasonably requested to do so by the Club.
 - 18.2. By no later than three days before the start date of a Full ISO Audit, a Club must submit to the ISO:
 - 18.2.1. a completed and up-to-date Academy Self-Assessment Report in respect of all the Academy Licensing Criteria for the relevant Category of Academy; and
 - 18.2.2. any other documents or information requested by the ISO and/or which the Club wishes the ISO to take into account.
 - 18.3. On the start date of the Full ISO Audit, the ISO shall attend the Club to carry out an on-site assessment of the Academy's performance as against the Standards. The ISO may attend the Club on such further days as it considers necessary in order to complete the on-site review.
 - 18.4. After completing its on-site review, the ISO (and Club) shall:
 - 18.4.1. follow the processes set out in Rules 17.3 to 17.8 as regards the Club's adherence to the Safe To Operate Rules and Compliance Rules; and
 - 18.4.2. follow the processes set out in Rules 18.5 to 18.9 as regards the Club's performance in relation to the Standards.
 - 18.5. Further to Rule 18.4.2, the ISO shall conclude how in the ISO's reasonable opinion the Club is performing against the Standards. The ISO shall within 28 days of the on-site review (or longer if the ISO deems it necessary) send to the Club a provisional written report setting out its findings.
 - 18.6. Upon receipt of the ISO's provisional report, the Club shall be entitled to:
 - 18.6.1. request and attend a meeting with the ISO to discuss the provisional report; and
 - 18.6.2. respond in writing to the ISO's provisional report.

General

- 18.7. Having regard to any steps taken pursuant to Rule 18.6, the ISO shall:
- 18.7.1. finalise its written report and send a copy to the Club. The Club shall not be entitled to request a further meeting with the ISO or to respond in writing to the final report; and
- 18.7.2. update the PGB, which shall then make such decision in respect of the Academy as the PGB sees fit (which may include, but is not limited to, taking one or more of the actions set out in Rule 27).
- 18.8. If the Club's performance against the Standards is assessed to be either "inadequate" or "immediate review", the Club shall be subject to a further Full ISO Audit (which may be streamlined to assess specific Standards only) (a "Re-Audit") unless otherwise directed by the PGB.
- 18.9. The process for a Re-Audit shall be the same as the processes for a Full ISO Audit set out in Rules 18.1 to 18.5 (as adjusted for the elements of the Full ISO Audit which are the subject of the Re-Audit). Following a Re-Audit, if the ISO's conclusion remains that the Club's level of performance is "inadequate" (or worse) in respect of the same Standards that were identified as such in the most recent Full ISO Audit, the ISO may:
- 18.9.1. carry out a further Re-Audit of the Club and the Club shall bear all costs of the ISO which are reasonably incurred in connection with the further Re-Audit;
- 18.9.2. refer the Club to the League or the Football League (where applicable) to take action, as a breach of these Rules; or
- 18.9.3. refer the Club to the PGB to make such decision in respect of the Academy as the PGB sees fit (which may include, but is not limited to, taking one or more of the actions set out in Rule 27).

ISO's general power to refer a breach of the Rules

19. Notwithstanding Rules 16, 17 and 18, the ISO may at any time:
- 19.1. refer a Club to the League or the Football League (where applicable) to take action, as a breach of these Rules; and/or
- 19.2. refer the Club to the PGB to make such decision in respect of the Academy as the PGB sees fit (which may include, but is not limited to, taking one or more of the actions set out in Rule 27).

Guidance

Rule 19 may be used in situations where the ISO considers that time is of the essence and a referral to the League, Football League and/or PGB should not be delayed pending the completion of an ISO Audit.

Changes to Academy Category

20. A Club may apply to upgrade the Category of its Academy for the next Season. The process for such applications shall be as follows:
- 20.1. A Club that seeks to upgrade the Category of its Academy for the next Season must submit a written application to that effect to each of the PGB (via the ISO) and the League or Football League. A Club's application must be received by no later than the deadline for applications, which shall be specified each Season by the League or Football League.

General

- 20.2. A Club that submits an application in time shall, as soon as practicable, be subject to a Full ISO Audit in respect of its current Category of Academy. At the conclusion of this Full ISO Audit, the PGB shall make such decision in respect of the application as it sees fit.
- 20.3. A Club may, at the discretion of the PGB, have the Category of its Academy upgraded on a provisional basis for the next Season. In such circumstances, the Club shall at the end of that next Season be subject to a further Full ISO Audit in respect of the upgraded Category of Academy at which it had been operating on a provisional basis. At the conclusion of this Full ISO Audit, the PGB shall make such decision in respect of the application as it sees fit.
21. For the purposes of Rule 20, a Full ISO Audit means the process set out in Rules 18.1 to 18.7 only. A Club shall not be entitled to a Re-Audit pursuant to Rules 18.8 to 18.9 following a Full ISO Audit undertaken in connection with an application to upgrade the Category of its Academy.
22. A Club that has its Academy status downgraded by the PGB may not re-apply for the same or higher Category status from which it was downgraded within one year of the PGB's determination unless:
- 22.1. the PGB is satisfied that there are exceptional circumstances which justify an application; and
- 22.2. the Club bears any costs of the League, ISO and PGB reasonably incurred by any of those bodies in assessing and determining the Club's application.
23. Clubs participating in the League must operate a Category 3 Academy or higher:
- 23.1. in the case of Clubs in membership of the League in Season 2022/23, by no later than the start of Season 2024/25; and
- 23.2. in the case of Promoted Clubs becoming a member of the League from Season 2023/24, within two years of becoming a member of the League.

Guidance

Whilst Clubs must be compliant by the dates set out in Rule 23, Clubs should be mindful that the application process may take some time. As such, Clubs are encouraged to make applications as soon as possible.

For the avoidance of doubt, the requirements of Rule 23 will apply irrespective of whether a club remains in membership of the League at the end of the 'lead-in' period.

24. A Club (or club) will ensure that the Category status of its Academy is not lowered, or it does not cease to operate an Academy, in any Season during which it is a member of the League or is in receipt of the sums set out in Premier League Rule D.25.

Guidance

A Club (or club) will be in breach of Rule 24 in circumstances where the Category status of its Academy is lowered by its own volition or when a decision in respect of the Category status is taken under these Rules.

Appeals against Decisions of the PGB

25. A Club may only appeal against the decision of the PGB not to issue it an Academy Licence, or against the PGB's determination of the Category of its Academy, if that decision was:
- 25.1. reached as a result of fraud, malice or bad faith;

General

- 25.2. reached as a result of procedural errors so great that the rights of the Club have been clearly and substantially prejudiced;
- 25.3. reached as a result of a perverse interpretation of the law; or
- 25.4. one which could not reasonably have been reached by any tribunal which had applied its mind properly to the facts of the case.
26. Any appeal by a Club pursuant to Rule 25 shall be dealt with in accordance with Rule K (Arbitration) of the Rules of The Football Association.

Consequences for Breaches of Rules 3 to 26

27. If a Club fails to comply with any Rule in this section, or if a Club or Official makes a false statement or falsifies a document as set out in Rule 29, then the PGB may take one or more of the following actions:
- 27.1. vary or revoke the Club's Academy Licence;
- 27.2. suspend the Club's Academy Licence for such time as it shall determine during which the Club shall have the opportunity to ensure it becomes compliant with the relevant Rule;
- 27.3. determine that the Club's Academy shall have a lower Category than its current Category;
- 27.4. withdraw or suspend the Club's entitlement to any central funding provided for the purposes of youth development; or
- 27.5. require the ISO to undertake an ISO Audit of the Club's Academy as soon as reasonably practicable.
28. A Club that has its Academy Licence removed may not re-apply for an Academy Licence within three years of the PGB's determination unless:
- 28.1. the PGB is satisfied that there are exceptional circumstances which justify a further application; and
- 28.2. the Club bears any costs of the League, ISO and PGB reasonably incurred by any of those bodies in assessing and determining the Club's further application.

Guidance

The circumstances referred to above include a change in ownership or strategic priority within the Club leading to a significantly higher level of commitment to and investment in the Academy. The Club would need to demonstrate an improvement in performance against targets, not simply plans to improve performance.

29. Any Club or Official making a false statement (whether made verbally or in writing) or falsifying a document in connection with:
- 29.1. an application for an Academy Licence;
- 29.2. the League's annual evaluation undertaken pursuant to Rule 40.2;
- 29.3. an ISO Audit; or
- 29.4. any other provision of these Rules,
- shall be in breach of these Rules and shall be liable to be dealt with in accordance with the provisions of Section W (Disciplinary) of the Premier League Rules.

General

30. Without prejudice to Rule 27, any breach of Rules 3.2, 6, 29, 35.2, 45 to 53, 56, 58 to 60, 119, 120, 127 to 131, 133 to 136, 139 to 152, 157, 158, 172 to 174, 181 to 183, 191, 192, 194 to 210, 215, 218, 236 to 249, 263, 265, 266, 269 to 272, 278, 284, 287, 288, 300, 303, 306 to 308, 313 to 317, 335, 338, or 344 shall be liable to be dealt with under the provisions of Section W of the Premier League Rules.

Guidance

Failure to comply with any of the Rules in this section, other than those specified in Rule 30, above, will not ordinarily lead to liability to disciplinary action under Section W (Disciplinary). However, such failure to comply may be dealt with pursuant to the terms and conditions of the Club's Academy Licence and may lead to the revocation, suspension or downgrading of that licence, or the withdrawal or suspension of central funding, pursuant to Rule 27.

The League considers that the Rules specified in Rule 30 are of such a nature that breach should open the possibility of disciplinary action under Section W because they impact upon other people or entities, and in particular, Academy Players and/or other Clubs.

Youth Development Rules

Strategy, Leadership and Management of the Academy

Performance Management Application/Intelligence Platform

35. Each Club which operates an Academy shall:
- 35.1. utilise the Performance Management Application/Intelligence Platform from the date of its implementation by the League and record on it the data listed in Rule 1.73;
 - 35.2. ensure that the data held on the Performance Management Application/Intelligence Platform which is within the Club's control is held securely and is only released to, or accessed by, those Persons who require access to it pursuant to any of these Rules; and
 - 35.3. provide the League with such information as it may from time to time require for the purposes of analysing and benchmarking on a national or Category-wide basis any aspect of the performance of Academy Players or Clubs.

 - 38.5.1. recruitment;
 - 38.5.2. coaching; and
 - 38.5.3. Professional Development Phase coaching; and
 - 38.6. any other Official that the Club deems appropriate.
39. The Technical Board shall provide technical advice and support in the development of the Club's Playing Philosophy, Coaching Philosophy and Coach Competency Framework, and in the development, implementation and monitoring of the Academy Performance Plan.

Youth Development Rules

Effective Measurement

Monitoring	
40.	The League shall conduct:
40.1.	on-going monitoring of each Academy; and
40.2.	an annual evaluation of each Academy which shall be made available to the Club, the ISO and, if required, the PGB.
41.	A Club shall be entitled to publish the results of its ISO Audit and the Category of its Academy.
Productivity Profile	
42.	Each year the League will provide each Club which operates an Academy with an up to date Productivity Profile, benchmarked (on an anonymised basis) against other Clubs (and, if appropriate, Football League clubs).
43.	The League may publish Productivity Data.

Guidance

The time periods applied for Productivity Data and how it will be presented will be reviewed with Clubs alongside other measures of Academy performance.

Youth Development Rules

Performance Management, Player Development and Progression

Performance Clock/Development Journey	
44.	Each Club which operates an Academy:
44.1.	shall maintain a Performance Clock/Development Journey for each of its Academy Players (updated within seven days of each performance that falls to be recorded) and ensure that it is made available to:
44.1.1.	the Academy Player;
44.1.2.	his Parent(s) (and without prejudice to the generality of the foregoing the Club shall provide to the Academy Player and his Parent(s) a copy of his Performance Clock/Development Journey if he ceases to be registered with the Club);
44.1.3.	the League; and
44.1.4.	the ISO; and
44.2.	shall nominate a member of staff who shall be responsible for:
44.2.1.	being the point of contact for the League for the Performance Management Application/Intelligence Platform;
44.2.2.	supporting and coordinating the training of Club users in using the Performance Management Application/Intelligence Platform; and
44.2.3.	supporting an annual review of data quality.

Guidance

The Performance Clock/Development Journey records the the Academy Player's progress throughout his development. The Performance Clock is an embedded application in the Performance Management Application/Intelligence Platform. Information is carried forward year on year (and from club to club) to build into a comprehensive record of the Academy Player's development. The Performance Clock/Development Journey should provide a breakdown of the time spent in individual and team technical and practical development, matches played, sports science and medicine (including psychological and social development) and educational progression. The Performance Clock/Development Journey logs qualitative information and evidence documented by both coach and Academy Player relating to an Academy Player's successful progression in the above areas. The Performance Clock/Development Journey also evidences the Academy Player's Multi-disciplinary Reviews.

It should be noted that while there is scope within the Performance Clock/Development Journey for the Academy Player to give feedback and comments, the primary responsibility to maintain Performance Clock/Development Journey lies with the Club. Any Club which fails to maintain its Academy Players' Performance Clock/Development Journey, and make them available in accordance with Rule 44, may jeopardise its categorisation.

Individual Learning Plans and Multi-disciplinary Reviews

45.	Each Club which operates an Academy shall ensure that it undertakes a Multi-disciplinary Review in respect of each Academy Player:
45.1.	every 12 weeks (if he is in one of the Under 9 to Under 11 age groups);
45.2.	every six weeks (if he is in one of the Under 12 to Under 18 age groups); and
45.3.	with such frequency as is necessary according to his developmental needs (if he is one of the Under 19 to Under 21 age groups).

Performance Management, Player Development and Progression

Guidance

Neither the Academy Player nor his Parent(s) need be present at the Multi-disciplinary Review. See however the Club's obligations under Rules 47, 48 and 50 to 53.

46.	Each Multi-disciplinary Review shall assess the performance and development of the Academy Player against his performance targets set at previous Multi-disciplinary Reviews. At the end of each Multi-disciplinary Review the Club shall update the Academy Player's Individual Learning Plan to take account of conclusions reached at the Multi-disciplinary Review.
47.	Each Club which operates an Academy shall ensure that it conducts a meeting with each of its Academy Players: <ul style="list-style-type: none"> 47.1. no fewer than four times per Season (if he is in one of the Under 9 to Under 18 age groups); and 47.2. with such frequency as is necessary according to his development needs (if he is one of the Under 19 to Under 21 age groups).
48.	At the meetings referred to in Rule 47, the Club shall: <ul style="list-style-type: none"> 48.1. discuss with the Academy Player his Individual Learning Plan; and 48.2. take all appropriate action (for example by way of amending his Individual Learning Plan to set mutually agreed performance targets and/or such individual coaching, athletic development or educational support as may be necessary).
49.	Each Multi-disciplinary Review shall be recorded on the Academy Player's Performance Clock/Development Journey.
50.	Each Club which operates an Academy shall meet with the Parent(s) of each Academy Player under the age of 18 at least twice a year and provide to and discuss with the Parent(s) a detailed review of all aspects of the Academy Player's performance and development based on his most recent Multi-disciplinary Reviews.
51.	A written record of the discussion referred to in Rule 50 shall be given to the Parent(s) and noted on the Academy Player's Performance Clock/Development Journey.
52.	Each Club which operates an Academy shall, between 1 May and 30 June in each year, provide to the Parent(s) of each Academy Player under the age of 18 an annual written report on all aspects of the Academy Player's performance and development over the preceding season.
53.	Each Club shall permit a representative of the League to attend and access, via the Performance Management Application/Intelligence Platform, Multi-disciplinary Reviews if so requested by the League.

Guidance

It is recommended that one of the meetings referred to in Rule 50 is held at around the mid-Season point and the other at the end of the Season. The annual written report referred to in Rule 52 should form the basis of the end of Season meeting.

Regular reviews of all aspects of an Academy Player's development are a key part of the Elite Player Performance Plan. Each periodic Multi-disciplinary Review will have input from each discipline within the Academy (coaching, education and welfare, and sports science and medicine/performance support).

Performance Management, Player Development and Progression

The following best practice recommendations are made, which supplement the above minimum requirements.

1. Multi-disciplinary Reviews should not only measure the Academy Player's progression against his own performance targets, but also benchmark his development against that of his peers.
2. The procedure for undertaking Multi-disciplinary Reviews with Academy Players should follow a standard protocol. The meeting should involve the head coach for the Academy Player's Development Phase and the Head of Education (particularly if the Club is providing education to the Academy Player), plus any other relevant Academy Staff (e.g. sports scientists) as required.
3. Similar protocols may be adopted for the meetings with Parent(s). Thus, it is recommended that the meeting is attended by the head coach for the Academy Player's Development Phase, the Head of Education and any other relevant Academy Staff.

Youth Development Rules

Staff

General

- 54. Each Club which operates an Academy shall establish a staffing structure for its Academy which shall:
 - 54.1. subject to Rule 55, include the mandatory posts required by this section of the Rules for the Category applicable to its Academy; and
 - 54.2. have regard to the guidelines and best practice set out in the Elite Player Performance Plan.
- 55. Save for the Academy Manager, Senior Academy Physiotherapist, the physiotherapists described in Rule 107, Academy Doctor, Head of Safeguarding and the coaches described in Rules 76 and 77, a Club need not employ those Academy Staff whose employment is mandatory for the Category of its Academy pursuant to these Rules provided that the Club is able to demonstrate to the reasonable satisfaction of the League, the ISO or the PGB (whichever body is appropriate), that its staffing structure includes the same expertise and achieves the same results as if all the mandatory posts required by this section of the Rules were filled.

Guidance

The functions covered by the mandatory posts must be delivered by all Clubs operating an Academy. However, the League acknowledges that Clubs should have flexibility in the organisation of their staffing structure provided that the structure that is adopted delivers the same outputs and results as if the mandatory posts were filled.

- 56. Each Club that operates an Academy shall ensure that the Staff Registration System is updated at the start of each Season, and within seven days of an applicable member of staff changing roles, joining or leaving the Club.

Guidance

Clubs should submit information for all Academy Staff that work in the following areas on a full time, part-time, contractual or other basis: Academy Management, Operations, Coaching, Performance Support/Analysis, Sports-Science and Medicine, Recruitment, Education and Player Care and Safeguarding.

- 57. The Club shall document its staffing structure in an organisational chart which shall:
 - 57.1. show the reporting lines of each member of Academy Staff; and
 - 57.2. be made available to Academy Staff, the League and the ISO.
- 58. The relationship between a Club and each member of its Academy Staff shall be appropriately documented by way of:
 - 58.1. an employment contract;
 - 58.2. a statement of terms of employment pursuant to Section 1 of the Employment Rights Act 1996; or
 - 58.3. in the case of a non-employee, a contract for services.
- 59. Each member of Academy Staff shall be given:
 - 59.1. a written job description (which may be contained in the document referred to in Rule 58); and
 - 59.2. an annual performance appraisal.

Staff

- 60. Each Club which operates an Academy shall:
 - 60.1. provide Continued Professional Development to members of Academy Staff where required to do so pursuant to these Rules; and
 - 60.2. take all reasonable steps to ensure that each member of Academy Staff who is required by these Rules to undertake Continued Professional Development does so.

Guidance

It is envisaged that CPD will be delivered partly by Clubs and partly externally (e.g. by The Football Association).

Academy Management Team

- 61. Each Club which operates an Academy shall establish an Academy Management Team which shall:
 - 61.1. be led by the Academy Manager; and
 - 61.2. in addition to the Academy Manager, consist of such other Officials as the Club Board deems necessary in order for the Academy Management Team to properly perform the functions with which it is tasked by these Rules and otherwise, and which may accordingly include the Head of Education, the Head of Sports Science and Medicine, the Head of Recruitment, the Head of Academy Coaching, the individual referred to at Rule 119, the Head of Safeguarding, the Academy Operations Manager and the Academy Secretary.

Coaching Curriculum	
122.	Each Club which operates an Academy shall prepare (and make available to the League and the ISO on request) a Coaching Curriculum which shall have regard to: <ul style="list-style-type: none"> 122.1. the Club's Vision Statement, Coaching Philosophy and Playing Philosophy; 122.2. the Club's Academy Performance Plan; 122.3. the minimum hours of coaching delivered; and 122.4. these Rules.
123.	The Club's Coaching Curriculum shall be drawn up by the Academy Manager (or, in the circumstances set out in Rule 68, the Head of Academy Coaching) who shall consult with all appropriate Club Officials (which may include the Manager, the Chief Executive, coaching staff, the Academy Management Team and the Technical Director if the Club has appointed one).
124.	The Club's Technical Board shall approve the Club's Coaching Curriculum.

Guidance

Reference is made in the Rules to sections 6.6 to 6.8 of the Elite Player Performance Plan, which set out further detail about the Coaching Curriculum in each Development Phase.

It is recommended that the Coaching Curriculum gives particular consideration to desired outcomes and the coaching strategies needed to achieve them at each Development Phase.

See also Rule 66.6 (role of Academy Manager in the Coaching Curriculum) and Rule 74.2 (role of the Head of Academy Coaching).

Coaching Hours		Foundation Phase	Youth Development Phase	Professional Development Phase
125.	The coaching of age groups Under 15 and older in Category 1 and Category 2 Academies shall take place over 46 weeks of each year, such weeks to be determined by reference to the Games Programme Schedule (including the two periods set out therein during which no matches in the Foundation Phase and Youth Development Phase Games Programmes shall take place).			
126.	All other coaching in Academies shall take place over 40 weeks of each year.			
127.	Save as otherwise permitted by the PGB, the minimum hours of coaching to be delivered by Academies each week to each Academy Player (subject to his fitness, welfare and academic status) and the permitted Training Model per Category and per Development Phase are as follows:			
Category 1	Coaching hours per week	4 rising to 8 for older Academy Players	8 rising to 12 for older Academy Players	14 reducing to 12 for Academy Players who have commitments to the professional squad during the Professional Development Phase

Coaching

		Foundation Phase	Youth Development Phase	Professional Development Phase
Category 1	Permitted Training Model	Part Time	Part Time, Hybrid, Full Time	Full Time, Hybrid
Category 2	Coaching hours per week	4 rising to 6 for older Academy Players	7 rising to 12 for older Academy Players	14 reducing to 12 for Academy Players who have commitments to the professional squad during the Professional Development Phase
	Permitted Training Model	Part Time	Part Time, Hybrid	Full Time

Category 4	Coaching hours per week	N/A	N/A	14 reducing to 12 for Academy Players who have commitments to the professional squad during the Professional Development Phase Games Programmes
	Permitted Training Model	N/A	N/A	Full Time

Guidance

The above hours of coaching are the minimum the Rules require per week, subject to the Academy Player's fitness. It is acknowledged, however, that Academies can alter these hours as they see fit, provided that the above stated hours are achieved on average over each six or 12 week Multi-disciplinary Review period (as relevant). As regards "subject to fitness", this includes not only where an Academy Player is recuperating from injury, but also where in the opinion of the coaching staff and/or the medical and sports science staff, his coaching hours need to be reduced for him to receive adequate rest and recovery and/or avoid overuse injuries.

Coaching in the above tables refers to on-the-pitch coaching and in matches. It is expected that Clubs will need to spend additional time in other environments off the pitch in order to work with Academy Players to assist them in developing the key technical, tactical, physical and psychological and social skills.

Where an Academy falls short of providing its Academy Players with the above hours of coaching, the Academy will need to demonstrate that despite this, its Academy Players are being provided with a proper Coaching Curriculum. This can be demonstrated by the progression of the Academy Player at each stage of the development process.

Coaching

For Category 3 Clubs in the Youth Development Phase, the hours stated above should be applied as follows:

- U12 and U13: 5 hours
- U14: 6 hours
- U15 and U16: 7 hours

A Club may be permitted to operate a Training Model in a particular Development Phase other than as set out in the table in Rule 127 above. This would need to be approved in advance by the League (who may take advice from the Educational Advisor).

128.	The maximum time in which Academy Players in the Foundation Phase can be engaged in a single coaching session is 120 minutes and there will be appropriate rest periods between each such session.
129.	Each Club shall ensure that: <ul style="list-style-type: none"> 129.1. each Academy Player has access to an individual coaching plan tailored to his specific needs; 129.2. each Academy Player is made aware of his individual coaching plan (and any changes thereto) as soon as reasonably practicable in advance of his being coached in accordance with it; and 129.3. all coaching is recorded on the Academy Player's Performance Clock/Development Journey.
130.	Each Club shall ensure that a coach to Academy Players and Trialists ratio of 1:10 is maintained for each coaching session (save that the ratio for Category 1 Academies using the Full Time Training Model shall be 1:8).
131.	Each Club shall ensure that each Academy Player in age groups Under 9 and older participates at least once a year in a Festival (or other coaching event such as a Training Camp or a Tournament).
132.	Each Club shall ensure that each of its coaches plans each coaching session by setting out the learning objectives which the session is designed to achieve and the coaching which will be given in order to achieve them.

Development Centres

133.	Each Club which operates a Category 1, Category 2, Category 3 or Category 4 Academy may, with the consent of the League and subject to Rules 143 to 145, operate one or more Development Centres, to be located within: <ul style="list-style-type: none"> 133.1. one hour's travelling time of the location of its principal venue for the provision of coaching and education to Academy Players, where the Development Centre will be attended by players in the Foundation Phase age groups or lower; and 133.2. 90 minutes travelling time of the location of its principal venue for the provision of coaching and education to Academy Players, where the Development Centre will be attended by players in the Youth Development Phase age group (and not by players in the Foundation Phase age groups or lower).
134.	A Club may only permit a Child to attend its Development Centre where they reside within the following travel times from the Club's principal venue for the provision of coaching and education: <ul style="list-style-type: none"> 134.1. for Children in the Under 11 age group or below, one hour; and 134.2. for Children in the Under 12 to Under 16 age groups inclusive, 1.5 hours.

Coaching

Guidance

There are no time/distance restrictions for Development Centres to be attended by Players in the Under 17 age group or above.

Any question or dispute concerning the travel time requirements in this Rule, and whether the Child is entitled to attend a Development Centre, shall be determined by the Board. When making a determination, the Board will consider applicable travel times based on the likely time of day and mode of transport to be used by the player when attending the Development Centre.

135.	A Child being coached at a Club's Development Centre: <ul style="list-style-type: none"> 135.1. may not be registered for that Club; 135.2. may not play in matches for that Club and/or participate in training with that Club's Academy unless registered as a Trialist; and 135.3. will be free to play for other teams.
136.	Clubs which operate Development Centres shall keep an attendance record, proof of home address (and any subsequent change(s) of address) and date of birth of all players who participate in coaching sessions thereat, which it shall provide to the League and/or The Football Association on request.
137.	Each Development Centre operated by a Club may be inspected from time to time by the League and by the ISO.
138.	Without prejudice to the generality of Rule 137, the inspection referred to in that Rule may include: <ul style="list-style-type: none"> 138.1. inspection of the facilities provided; and 138.2. assessment of whether the coaching provided at the Development Centre is in accordance with the Club's coaching syllabus.
139.	No Club shall cause or permit a Child whose registration is held by another Club (or club) or with whom another Club (or club) has entered into a pre-registration agreement which remains current to attend its Development Centre.
140.	Subject to Rules 146 to 148, below, no Club shall cause or permit a team representing its Development Centre to play football against a team representing another Club (or a Football League club).
141.	Prior to a Child attending a Development Centre for the first time, the Club operating that Development Centre must: <ul style="list-style-type: none"> 141.1. provide details to the Child's Parent(s) of the status and purpose of the Development Centre, the fact that attendance by the Child at the Development Centre does not preclude the Child from playing for or training with any other Development Centre or (subject to Rule 135) any other Club or team and confirmation that his attendance confers no rights on the Club in relation to his registration, and obtain a signed notification from the Parent(s) that they have received and accept such details; and 141.2. provide to the Child's Parent(s) a copy of any guidance on Development Centres produced by the League.
142.	No Club shall induce or attempt to induce a Child to attend its Development Centre by offering him, or any Person connected with him, whether directly or indirectly, a benefit or payment of any description whether in cash or in kind.

Coaching

Guidance

When considering whether or not a benefit constitutes an inducement, the League will refer to any guidance that it has issued to Clubs in relation to this matter.

| 146.1.2. | may not take part in matches or attend tours that require an overnight stay; and |
| 146.1.3. | may not wear the Club's first team match kit in any match; |
| 146.2. | contact sessions for each Child attending a Pre-Academy Training Centre does not exceed: |
| 146.2.1. | for Children in the Under 7 year or below, two per week; and |
| 146.2.2. | for Children in the Under 8 year, three per week; and |

| 147.2. | no Club may provide training, coaching, or matches at a Junior Training Centre for any player not in between their Under 9 year and their Under 16 year (inclusive). |

Guidance

In order to ensure that a 'shadow Academy system' is not operational in the Junior Training Centre environment, the number of matches involving Junior Training Centres playing against other Junior Training Centres, a Club's Academy or a Football League club's academy for which dispensation will be granted by the League will be limited.

Senior Training Centres

Guidance

For the avoidance of doubt, Senior Training Centres will not include operations undertaken as or in conjunction with college-based education programmes, as such programmes should be education-led and not elite player development focused and should market themselves accordingly.

Youth Development Rules

Games Programme

General	
149.	Save as permitted by the Board, Clubs shall not affiliate to any other youth leagues or enter any cup competitions except The Football Association Youth Challenge Cup.
150.	An Academy Player whose registration is held by a Club which operates an Academy shall play football only in a Games Programme or in Authorised Games, subject to Rule 159, and in coaching and training games (participation in which is limited to registered Academy Players and Trialists) organised by and played at an Academy.
151.	A Club which operates an Academy shall not require, cause or allow an Academy Player whose registration it holds to play football except as permitted by Rule 150.
152.	Each Club which operates an Academy shall record in each Academy Player's Performance Clock/Development Journey: <ul style="list-style-type: none"> 152.1. each match in which he has played; and 152.2. his playing time in each match.

Guidance

With regard to Rule 152.1, the matches which are to be recorded on an Academy Player's Performance Clock/Development Journey include all Authorised Games in which he plays.

The Performance Clock may be used to record other playing information about the Academy Player, e.g. substitutions, cautions, position played in. It forms part of the Performance Management Application/Intelligence Platform.

153.	In all matches that form part of the Games Programme, each Club is required to ensure that all participating Academy Players wear a shirt bearing a clearly visible number on the back, which corresponds to the number allocated to the relevant Academy Player on any teamsheet submitted in accordance with these Rules or otherwise.
------	--

Foundation Phase Games Programme

154.	The League will organise a Games Programme for teams in each of the Under 9 to Under 11 age groups of Clubs operating Category 1 and 2 Academies (and for the avoidance of doubt teams from both Categories shall participate together in this Games Programme).
155.	The Football League will organise a Games Programme for teams in each of the Under 9 to Under 11 age groups of Clubs operating Category 3 Academies.
156.	The Games Programmes referred to in Rules 154 and 155 shall consist of matches which: <ul style="list-style-type: none"> 156.1. shall be competitive but whose results (except in the case of Tournaments) shall not give any particular competitive significance between Academies (for example, no league table or the like shall be produced); 156.2. subject to Rule 156.3, shall be organised on a local basis so that, as far as reasonably possible, no team has to travel more than one hour to an away match (save that longer travel times may be necessary in order that each Club can participate meaningfully in the Games Programme);

Games Programme

- 156.3. may be played in Festivals organised on a local, regional or national basis and each Club which operates a Category 1 Academy shall organise and host a minimum of three Festivals per Season;
- 156.4. shall take place during the Games Programme Schedule;
- 156.5. may include matches against representative county schoolboy sides (being sides selected by the English Schools' Football Association);
- 156.6. shall be played outdoors, save in respect of:
 - 156.6.1. Clubs operating Category 1 or 2 Academies when, during the second half of December and the whole of both January and February, they shall be played indoors; and
 - 156.6.2. Clubs operating Category 3 Academies when, during the second half of December and the whole of both January and February, they may be played indoors; and
- 156.7. shall consist of matches played in accordance with the following formats (save that some matches played indoors may be played as Futsal games):

Age group	Team size	Pitch size (yards)	Goal size (feet)	Ball size
Under 9	4v4, 5v5, 6v6 or 7v7	30x20 to 40x30 (4v4 and 5v5) 50x30 to 60x40 (7v7)	12x6	3 (or 4 at the Home Club's option)
Under 10	4v4, 5v5, 6v6 and 7v7	30x20 to 40x30 (4v4 and 5v5) 50x30 to 60x40 (7v7)	12x6 (4v4 and 5v5) 12x6 to 16x7 (7v7)	4
Under 11	7v7 or 9v9	50x30 to 60x40 (7v7) 70x40 to 80x50 (9v9)	12x6 to 16x7 (7v7) 16x7 (9v9)	4

The participating Clubs shall endeavour to agree which of the above formats shall be utilised, but in default of agreement the home Club shall decide.

Guidance

The League will organise a regional indoor programme during the second half of December, and the entirety of January and February. In particular, a programme of Futsal will be delivered for Category 1 and Category 2 Academies. Clubs will be free to apply to organise Authorised Games outside pursuant to Rule 157.2.

The League will organise Tournaments (lasting more than one day) for each of the Under 9, Under 10 and Under 11 age groups in the May or June of each year (and in scheduling them it will be borne in mind that June is often the month when Academy "downtime" occurs). The Tournaments so arranged for the Under 11 age group will include teams from clubs in countries other than England and Wales.

In order to deliver the Foundation Phase Games Programme to all Clubs, the target travel time of one hour may be exceeded from time to time, in particular in order to accommodate those Clubs whose home 'locality' is small.

Both Leagues will co-operate to create cross-Category Festivals from time to time which shall include all Categories of Academy and be regionally based.

Games Programme

A six-week programme of Festivals of Futsal and other small-sided indoor football for each age range in the Foundation Phase will be staged. This programme will run from November to February and be organised on a basis of five regions (North East, North West, Midlands, London and South West, and London and South East). A Futsal tournament involving a regional qualification process culminating in a national finals event will be organised for each of the Under 9, Under 10 and Under 11 age groups.

- 157. Each Club which operates a Category 1, Category 2 or Category 3 Academy:
 - 157.1. must participate fully in the Foundation Phase Games Programme; and
 - 157.2. may organise and participate in additional Authorised Games of the types listed in paragraphs (c), (d), (f) and (h) of that definition only (which shall be notified to the League (if the Club operates a Category 1 or Category 2 Academy) no later than 72 hours before they are scheduled to take place).

Guidance

The Games Programme Schedule will incorporate free weeks (in addition to those referred to in Rule 193) during which no fixtures will be arranged by the Leagues. This will allow Clubs to organise additional fixtures pursuant to Rule 157.2. In addition, Clubs will be able to rearrange fixtures in the Foundation Phase Games Programme in order to attend tournaments and Festivals provided suitable notice is given, the integrity of the Games Programme is maintained, and a suitable date for the rearrangement of the fixture is agreed.

- 158. Each Club shall ensure that each of its Academy Players in the Foundation Phase shall, subject to fitness, participate in at least half the playing time in any one Season of matches in the Foundation Phase Games Programme and any other matches organised by the Club pursuant to Rule 157.2 such playing time to be reasonably spread out over the season.

Guidance

An Academy Player in the Foundation Phase may still play for his school team or school representative county side.

When assessing whether Rule 158 has been complied with, each Academy Player's playing time over the course of the Season will be assessed and an average calculated (i.e. the Academy Player need not play in half the time of every match). In addition, Rule 158 requires that the playing time is spread relatively evenly over the course of the fixture programme. This is to ensure Clubs do not try to backload playing time at the end of the Season simply to ensure the average is met.

For the avoidance of doubt, where a Club permits an Academy Player in the Foundation Phase to participate in matches for a team at grassroots level (see Rule 1.22(g)), such matches shall not count towards the playing time calculation pursuant to Rule 158.

- 159. Academy Players in the Foundation Phase, with the prior approval of their Club, may train and play for teams at grassroots level, outside the Academy system.

Guidance

Approval for training and playing with teams at grassroots level will be given by each Club on an annual basis, having considered player-by-player circumstances, development plans, club philosophy and any conditions implemented by The Football Association. From the Youth Development Phase, registered Academy Players shall not be permitted to train and play grassroots football.

- 166.2. be competitive but whose results shall not be given any particular competitive significance between Academies (for example, no league table or the like shall be produced).

167. The Games Programme for Category 2 Clubs referred to in Rule 165 shall be organised on a regional basis, that is to say so that as far as reasonably possible no team has to travel more than two hours to an away match (save that longer travel times may be necessary in order that each Club can participate meaningfully in the Games Programme).

173. Each Club shall ensure that each of its Academy Players in the Under 12 to Under 14 age groups shall, subject to fitness, participate in half the playing time of matches in the Youth Development Phase Games Programme and any other matches organised by his Club pursuant to Rule 172.2, the Academy Player's playing time to be reasonably spread over the season.

174. Each Club shall ensure that each of its Academy Players in the Under 15 to Under 16 age groups shall, subject to fitness, participate in at least 20 matches per season (being matches in the Youth Development Phase Games Programme or any other matches organised by his Club pursuant to Rule 172.2). Participation in a match shall for the purposes of this Rule mean playing at least 50% of the game time.

Guidance

An Academy Player in the Youth Development Phase may still play for his school team or school representative county side.

When assessing whether Rule 173 has been complied with, each Academy Player's playing time over the course of the Season will be assessed and an average calculated (i.e. the Academy Player need not play in half the time of every match). In addition, Rule 173 requires that the playing time is spread relatively evenly over the course of the fixture programme. This is to ensure clubs do not try to backload playing time at the end of the Season simply to ensure the average is met.

**Professional Development Phase Games Programme**

175. The League will organise two Games Programmes, one for teams of Clubs operating Category 1 Academies and one for teams of Clubs operating Category 2 Academies.
176. The Football League will organise a Games Programme for teams of Clubs operating Category 3 and Category 4 Academies, and following such consultation determine with those Clubs in its absolute discretion what games programme(s) should be developed for those Clubs, Rules relating to the games programme and (subject to Rule 177.3) how that games programme should be delivered.
177. The Games Programmes organised by The League and The Football League pursuant to Rules 175 and 176 will be constituted on the following geographical bases:
- 177.1. Category 1:
- 177.1.1. a national league and a regional league (depending on age group) with some matches played on a national basis and some international matches against teams representing clubs in membership of national associations other than The Football Association or the Football Association of Wales (and such matches may be played either in England or abroad);
- 177.2. Category 2:
- 177.2.1. in two leagues, each of which shall be constituted on a geographical basis (for example one league of northern based teams and one of southern based teams), the exact constitution of each league to be determined by the Board in its absolute discretion having regard to those Clubs (and Football League clubs) which operate Category 2 Academies;
- 177.2.2. where practical, international matches against teams representing clubs in membership of a national association other than The Football Association or the Football Association of Wales (and such matches may be played either in England or abroad); and
- 177.3. Categories 3 and 4:
- 177.3.1. in two or more leagues, each of which shall be constituted on a geographical basis (for example one league of northern based teams and one of southern based teams), the exact number of leagues and their geographical constitution to be determined by The Football League in its absolute discretion and having regard to those Football League clubs (and Clubs) which operate Category 3 and 4 Academies.
178. Matches in the Professional Development Phase Games Programme organised under Rule 175:
- 178.1. shall be played in accordance with the Laws of the Game (and for the avoidance of doubt shall be in the 11v11 format);
- 178.2. shall be for Players in the Under 18 age group (and younger) only, save that a Club may name in its team sheet a goalkeeper in the Under 19 age group;
- 178.3. shall only have five substitutes named on the team sheet (for the avoidance of doubt up to three substitutes may enter the field of play and, in accordance with the IFAB Protocol, up to one 'concussion substitute' and/or one 'additional substitute' (as appropriate) from those substitutes listed on the team sheet);

- 178.4. shall consist of competitive leagues and Tournaments; and
- 178.5. may include an optional Futsal programme organised by the League (for Clubs operating Category 1 and Category 2 Academies) in the months of December, January and February.

Guidance

For the purposes of Rule 178.3, if all three substitutes have entered the field of play and the IFAB Protocol is subsequently activated then the remaining substitutes and, if necessary, any Players already substituted may be utilised as a 'concussion substitute' and/or 'additional substitute'.

179. Matches in the Professional Development Phase Games Programme organised under Rule 176:
- 179.1. shall be played in accordance with the Laws of the Game (and for the avoidance of doubt shall be in the 11 v 11 format);
- 179.2. shall be for Players in the Under 18 age group (and younger) only, save that up to three Players in the Under 19 age group may be named on the team sheet for a match;
- 179.3. shall only have five substitutes named on the team sheet (and for the avoidance of doubt all five substitutes may enter the field of play);
- 179.4. shall consist of competitive leagues and/or Tournaments; and
- 179.5. may include an optional Futsal programme organised by the League in the months of December, January and February.
180. Further provisions binding on Clubs competing in the leagues referred to in Rule 178.4 shall be set out in the rules of those leagues.
181. Each Club which operates an Academy:
- 181.1. must participate fully in the Professional Development Phase Games Programme; and
- 181.2. may organise and participate in additional Authorised Games (which shall be notified to the relevant League no later than 72 hours before they are scheduled to take place).

Premier League 2 and Professional Development League

182. Each Club which operates a Category 1 Academy shall compete in Premier League 2 as part of the Professional Development Phase Games Programme.
183. Each Club which operates a Category 2 Academy shall compete in the Professional Development League as part of the Professional Development Phase Games Programme, unless it is able to demonstrate to the League that its starting 11 in its first team matches during the preceding Season in those competitions set in Premier League Rules L.9.1 to L.9.5 included on average at least five Players in the Under 21 age group or younger.
184. Each Club which operates a Category 3 or Category 4 Academy may compete in the development league to be organised by The Football League as part of the Professional Development Phase Games Programme.
185. The League will organise Premier League 2, which shall consist of a national league competition played on a competitive basis.

186. The League will organise the Professional Development League, which shall consist of a league or leagues played on a competitive basis organised on a regional basis, the composition of such regional league(s) to be at the absolute discretion of the Board who shall so far as reasonably possible determine the composition of each such league to ensure that each Club has to travel no more than three hours to each match (save that longer travel times may be necessary in order that each Club (or club) can participate meaningfully in the Professional Development League).

187. The Football League will, if required, organise (or procure the organisation of, for example, through the Football Combination or Central League) Professional Development League 3, which shall consist of a league or leagues played on a competitive basis and organised on a regional basis, the composition of such regional league(s) and the minimum number of matches to be played by each Club to be at the absolute discretion of The Football League who shall so far as reasonably possible determine the composition of each such league to ensure that each Club (or club) has to travel no more than three hours to each match (save that longer travel times may be necessary in order that each Club (or club) can participate meaningfully in Professional Development League 3). For the avoidance of doubt teams of Clubs operating Category 3 and Category 4 Academies shall compete together in Professional Development League 3.

188. Further provisions binding on Clubs competing in Premier League 2 and the Professional Development League shall be set out in the rules of those Leagues.

189. The League will in addition organise international matches (which may take place by way of Tournaments) for teams competing in Premier League 2 and the Professional Development League.

Games Programme: Postponement etc. of Matches

190. A match in the Games Programme between Academy teams in age groups Under 9 to Under 16 inclusive shall not be cancelled, postponed or abandoned except with the written consent of the Board or on the instructions of the officiating referee (or if the officiating referee is a minor, the official of the county FA who has accompanied them to the match) who shall be empowered to instruct that such match be cancelled, postponed or abandoned only if they consider that the pitch is unfit for, or if adverse weather conditions preclude, the playing of the match in which event the Club at whose ground the match should have been played shall within seven days give to the Board notice in writing to that effect.

191. Except in the case of an Under 9 to Under 16 Games Programme match which, without either participating Club being at fault, is cancelled, postponed or abandoned under the provisions of Rule 190, any Club which causes the cancellation, postponement or abandonment of such a match will be in breach of these Rules.

192. The Board shall have power to specify the equipment and facilities to be provided by Clubs for the playing of matches between Academies.

193. In consultation with The Football Association, a minimum of four weekends each Season will be identified by the League upon which there will be no fixtures for Academy teams, such weekends being devoted to international development, selected players' courses and in-service training of coaches and staff.

Education

194. Each Club which operates an Academy shall establish an Education Programme which shall set out the activities to be undertaken by the Club to ensure that the education of its Academy Players and Players up to the Under 21 age group who are not regular members of the Club's first team squad is supported effectively and which:

- 194.1. is appropriate to the Category of its Academy;
- 194.2. complies with all applicable requirements set out in this section of the Rules; and
- 194.3. is evaluated by the Club within each Training Model and/or Development Phase to ensure it is meeting its objectives as set out therein.

195. Each Club which operates an Academy shall ensure that each of its Academy Players receives a formal Education Programme which:

- 195.1. is appropriate to his age and Training Model;
- 195.2. meets his specific academic needs;
- 195.3. complies with all legal requirements;
- 195.4. is structured to ensure that his academic development is not compromised as a result of his being coached by the Club's Academy;
- 195.5. in the case of an Academy Player who is entered into a Scholarship Agreement with the Club, consists of the SEP and an educational programme approved by the League (which must include an academic or vocational qualification approved by the League and be subject to ongoing quality assurance by the League); and
- 195.6. shall continue notwithstanding that the Academy Player signs a professional contract and which shall comply with the requirements of the Education and Skills Act 2008 with regard to education and training.

Guidance

- In respect of the approval required from the League in Rule 195.5:
- Should a Club wish one of its Academy Players to engage in an apprenticeship or education programme outside the SEP framework, it must first obtain the League's permission to do so and agree appropriate measures for monitoring and quality assurance.
 - Should a Club wish to enter into an agreement with a training provider that is not the League this must be pre-approved and will be subject to annual monitoring by the League.
 - Any other programme of education approved in writing by The Football League will be in conjunction with the PFA.

196. Each Academy Player's educational progression under his Education Programme shall be recorded electronically and be made available to the League.

197. Each Club which operates an Academy shall nominate a member of staff who shall be responsible for:

- 197.1. liaising with the school at which Academy Players are being educated;
- 197.2. ensuring that any issues concerning an Academy Player's education arising from that liaison are addressed to the satisfaction of the school;

Duty of Care

- 197.3. ensuring that for Academy Players on the Full Time and Hybrid Training Models (and where the League requests, for Academy Players on the Part Time Training Model) each Academy Player's school performance and educational data are obtained from his school, recorded electronically and be made available to the League; and
- 197.4. co-ordinating and delivering the SEP.

Reports on Educational Progression

198. Each Club which operates an Academy shall provide progress reports to the Parent(s) of each Academy Player in the Youth Development Phase to whom it provides a Full Time or Hybrid Education Programme and Scholars in the Professional Development Phase.
199. The progress reports shall:
- 199.1. detail the educational progression of the Academy Player; and
- 199.2. be provided as and when necessary, but as a minimum at least once every 12 weeks.

Guidance

With regard to Rule 199.2, Rule 45.2 states that Academy Players in the Under 12 to Under 18 age groups shall receive a Multi-disciplinary Review every six weeks. The educational progress report need only be undertaken once every 12 weeks (i.e. not for each Multi-disciplinary Review) but must be undertaken as part of a Multi-disciplinary Review.

Delivery of the Education Programme

200. **Part Time Training Model**
- Each Club which operates an Academy shall, in respect of each of its Academy Players being trained under the Part Time Training Model, make contact in writing with the Academy Player's school on a minimum of three occasions in each academic year to:
- 200.1. inform the Academy Player's school that he is being so trained;
- 200.2. if the League so requests, obtain from the Academy Player's school his school reports and, where possible, educational attainment data;
- 200.3. use the information obtained (if any) to monitor the Academy Player's academic progression by reference to his school reports and, where possible, educational attainment data, and record it electronically; and
- 200.4. liaise with the school on two occasions in each academic year basis in order to discuss and address any issues concerning the Academy Player's education which have risen or may arise as a consequence of his being trained at the Club's Academy.

Guidance

The Part Time Training Model may be used by Category 1, 2 and 3 Academies in the Foundation Phase and Youth Development Phase: see further Rule 127.

The Part Time Training Model envisages that coaching will take place outside the Core Coaching Time, but Clubs should nevertheless establish good communication with each Academy Player's school.

The written communication referred to in Rule 200 should be used by Clubs to obtain reports and educational attainment data (in accordance with Rule 200.2) and/or address any issues (including any conflict between the demands of coaching and education) which have arisen or may arise as a consequence of the Academy Player being trained at the Academy (in accordance with Rule 200.4).

Duty of Care

201. **Hybrid Training Model**
- Each Club which operates the Hybrid Training Model must appoint a sufficient number of appropriately qualified teaching staff to provide the educational support referred to in Rule 202.2 and, from Season 2025/26, have a full-time Head of Education.
202. Each Club which operates an Academy shall, in respect of each of its Academy Players being trained under the Hybrid Training Model:
- 202.1. undertake all necessary liaison and co-operation with the Academy Player's school to ensure that the required element of coaching can take place within the Core Coaching Time;
- 202.2. provide to the Academy Player such additional educational support (to be detailed in the written agreement referred to in Rule 202.5) as shall be necessary to compensate for teaching he has missed, and to ensure that his education is not adversely affected, as a result of being released from school to undertake coaching during the Core Coaching Time;
- 202.3. obtain from the Academy Player's school his school reports and, where possible, educational attainment data;
- 202.4. monitor the Academy Player's academic progression (including by use of the information obtained from the Academy Player's school pursuant to Rule 202.3) and record the information obtained pursuant to Rule 202.3 electronically in a timely fashion and at least every 12 weeks (to coincide with dates of his Multi-disciplinary Reviews);
- 202.5. enter into a written agreement with the Academy Player's school and Parent(s) which sets out details of the delivery of the Hybrid Training Model to the Academy Player, including weekly timetables, the likely impact on the Academy Player's education, and outline the compensatory education which will be provided by the Club;
- 202.6. ensure that the Academy Player follows a curriculum which reflects the 'Progress 8' measurement of educational assessment and attainment (save that where there are educational reasons why an Academy Player requires an amended curriculum to be followed, the League may grant dispensation from this requirement, subject to the approval of an Educational Advisor); and
- 202.7. liaise with the school at least every 12 weeks in order to discuss and address any issues concerning the Academy Player's education which may arise or have arisen as a consequence of his being so trained.

Guidance

The Hybrid Training Model may be used by Category 1 and Category 2 Academies in the Youth Development Phase: see further Rule 127.

Compensatory education should meet the requirements of each individual Academy Player's specific educational needs, as well as replacing the lessons being missed whilst away from their school. It is not expected that this is matched hour for hour, but it is expected that the content missed is able to be covered effectively in the compensated delivery time. In the case of practical subjects or those requiring specific resourcing (e.g. Sciences / Design and Technology) alternative plans should be made and be evident. A teacher to learner ratio of 1:10 is optimal for compensatory education.

Duty of Care

203. **Full Time Training Model**
Each Club which operates an Academy shall, in respect of each of its Academy Players in the Youth Development Phase being trained under the Full Time Training Model, ensure that it provides the Academy Player with coaching and education in accordance with a programme which complies with Rules 204 to 209 and which is approved in advance by the League.
204. The education element of the Full Time Training Model must comply with these Rules and be structured in accordance with one of the three options set out below or in accordance with such other proposals as the League may approve.
205. Each Club which operates the Full Time Training Model must:
- 205.1. unless otherwise approved by the League, only enable Academy Players in the Under 12 and Under 13 age groups to participate in the Full Time Training Model where they reside within 90 minutes of the Club's principal training venue;
 - 205.2. enter into an agreement with any school at which its Academy Players are being educated setting out the obligations of the Club and the school in respect of the education of those Academy Players;
 - 205.3. ensure that Academy Players in the Under 12, Under 13 and Under 14 age groups being educated at schools are fully integrated with other pupils of their age, which obligation shall include (without limitation) attending lessons with such other pupils according to the school's normal timetable (save where the Academy Players are being coached in the Core Coaching Time in accordance with these Rules);
 - 205.4. ensure that there is in place a written agreement between the Club, each Academy Player engaged on the Full Time Training Model, his Parent(s) and his school which sets out full details of his education and Coaching Curriculum;
 - 205.5. ensure that the Education Programme of each such Academy Player provides him with a minimum of 20 hours' education during each week of the school term;
 - 205.6. ensure that appropriate staff/student ratios are utilised for all educational activity in which the Academy Player is engaged;
 - 205.7. ensure that each Academy Player follows a curriculum which reflects the 'Progress 8' measurement of educational assessment and attainment (save where there are educational reasons why an Academy Player requires an amended curriculum to be followed, the League may grant dispensation from this requirement, subject to the approval of an Educational Advisor);
 - 205.8. obtain from the Academy Player's school his school reports and, where possible, educational attainment data;
 - 205.9. monitor the Academy Player's academic progression (including by use of the information obtained from the Academy Player's school pursuant to Rule 205.8) and record the information obtained pursuant to Rule 205.8 electronically in a timely fashion and at least every 12 weeks (to coincide with dates of his Multi-disciplinary Reviews);
 - 205.10. permit the League to conduct reviews with Academy Players in the Under 12 to Under 18 age groups, as required; and
 - 205.11. pursuant to Rule 195.5, ensure that Scholars are provided with sufficient time and support to prepare for the 'End Point Assessment'.

Duty of Care

Guidance

With regard to Rule 205.9, and pursuant to Rule 45.2, Academy Players in the Under 12 to Under 18 age groups must receive a Multi-disciplinary Review every six weeks. The requirement in Rule 205.9 must be undertaken at every second such Multi-disciplinary Review.

206. Without prejudice to the generality of Rule 40, each Club which operates the Hybrid or Full Time Training Model must in respect of each such Training Model:
- 206.1. not do so unless the League has pre-approved and annually certified its proposed delivery of the Training Model;
 - 206.2. permit the League to monitor and assess its delivery of the Training Model, including in respect of an individual Academy Player, in order to ensure that it complies with these Rules; and
 - 206.3. forthwith implement any changes to its delivery of the Training Model that the League may require.

Guidance

The League may take advice from its Educational Advisers in connection with the assessment pursuant to Rule 206. When carrying out such an assessment, the League may consider, among other factors, a school's (a) ability to meet the cultural needs of the Academy Players and (b) safeguarding policies and practices.

In the case of concerns over a Training Model which has been previously approved, it is anticipated that in the first instance an action plan to address any issues would be drafted, and the Academy Support Manager or Educational Adviser would work with the Club over a specific period to put the recommendations in place. Accordingly, Rule 207 below, would be regarded as a last resort.

207. If the League is not satisfied that a Club's delivery of the Hybrid or Full Time Training Model complies with these Rules:
- 207.1. it may refuse to an application to register an Academy Player on it; and
 - 207.2. the Board may exercise its powers set out in Rule 295.
208. If a Club wishes to engage an Academy Player on the Full Time Training or Hybrid Model (whether or not the Academy Player is already registered with the Club), it shall complete either PLYD Form 5A or PLYD Form 5B (as appropriate) signed on behalf of the Club by an Authorised Signatory and submit a copy to the Board within five days of it being entered into.
209. If the registration of an Academy Player on the Full Time Training Model is terminated by the Club or by the Board of its own volition, or if he changes to another Training Model, the Club shall, unless his Parent(s) agrees otherwise, continue to provide to him until the end of the academic year in which he reaches the age of 16 education and accommodation in accordance with the arrangements made at the time that he was first engaged on the Full Time Training Model.

Guidance

The Full Time Training Model may be used by Category 1 Academies in the Youth Development Phase, and must be used by all Academies in the Professional Development Phase: see further Rule 127.

PLYD Form 5A must be used for all Academy Players whom the Club wishes to engage on the Full Time Training Model. If the Academy Player is not already registered with the Club, PLYD Form 5 (Academy Player Registration Application) must also be completed and submitted to the League (see Rule 278). If the Academy Player is already registered with the Club, PLYD Form 5 need not also be submitted. Clubs' attention is drawn to the undertakings that they must give under PLYD Form 5.

Duty of Care

The three options referred to in Rule 204 are set out below. This list of options is not exhaustive, and Clubs are free to develop other models which deliver the same results as the options set out in the Elite Player Performance Plan.

Each Club's proposals for how it will deliver the Full Time Training Model must be approved in advance by the League. The League may also check each Club's delivery of the Full Time Training Model in order to verify that it is in accordance with these Rules and with the pre-approved proposals, and in order to verify that no Academy Player's education is being prejudiced as a result of his being engaged on the Full Time Training Model. Clubs' attention is drawn to Rules 294 and 295 in this regard.

Option 1

Clubs may enter into a contractual relationship with an identified school (with the option of an alternative school if approved by the League) at which Academy Players receive their education. To ensure compliance with Rule 209, the written agreement between the Club, each Academy Player, his Parent(s) and his school pursuant to Rule 205.4 should include the provision of education until the end of the academic year in which the Academy Player reaches the age of 16.

The relationship will need to be flexed in terms of the amount of time that Academies would require Academy Players to be available for daily coaching. The school day will need to be flexed to accommodate the Coaching Curriculum whilst ensuring that boy's educational development does not suffer.

Specific tutor support for the Education Programme will be required for all Academy Players engaged in the Full Time Training Model over and above the normal curriculum. Additional tutor support will need to be individually tailored to the Academy Players' needs.

Clubs will need to decide how and where Academy Players will be coached. The optimum environment is at the Club's dedicated training facilities, but this will require a school in Education Option 1 to be in close proximity to the Club's training facility so that the Academy Players can move easily between the school and the Club. With the Full Time Training Model, the school will need to be in close proximity to the training ground or else the training will need to be accommodated at the school.

The other major consideration for Clubs which operate Category 1 Academies will be the need to provide dedicated housing, house parents and a secure environment in which to live and work whilst staying with the Club. This will need to apply to all Academy Players who live outside a short commute from their Club's training ground.

Option 2

In this option, Clubs may choose to develop and extend their own educational facilities at the training ground and, in effect, develop an onsite school facility. For Clubs which operate a Category 1 Academy, accommodation would still be required on or near the training ground to house the Academy Players and the associated social and welfare support would need to be factored into the delivery of this approach. Clubs may continue to contract an educational partner/provider but the schooling would take place at the Club.

Option 3

Clubs may wish to establish their own schools. These schools may be general in their recruitment with specialist classes or groups of classes catering for the Academy Players' specialist needs. In this Education Option the same issues regarding the location of the school on or near the training ground remain relevant as does the need to provide appropriate housing and care.

210.	Each Club which operates an Academy shall notify the League, in such a manner as the League shall from time to time specify, of the Training Model on which each of its Academy Players is engaged and, if there is a proposed change in circumstances for an Academy Player (for instance, changing to/from the Full Time Training Model or Hybrid Training Model or Part Time Training Model), forthwith inform the League of the change in PLYD Form 5C and provide such evidence as the League may require to show that the Academy Player and his Parent(s) consented to the change.
------	---

Duty of Care

Personal Development and Life Skills Plans

211.	Each Club which operates an Academy shall establish a Personal Development and Life Skills Plan to support the holistic development of each of its Academy Players and Players up to the age of the Under 21 age group.
212.	The programme referred to in Rule 211 shall ensure that each Academy Player and Players up to the age of the Under 21 age group trained under the Full Time Training Model and/or in the Professional Development Phase has the opportunity to engage in activities outside the Academy which will encourage him to take an active part in the community and develop an understanding of good citizenship.
213.	Each Academy Player shall engage in the activities referred to in Rule 212 unless he has good cause not to do so and each Club shall take all reasonable steps to ensure that each of its Academy Players does so engage.
214.	Each Club shall nominate an Official to be responsible for the welfare and supervision of Academy Players engaged on the Part Time Training Model or Hybrid Training Model, while they are present at the Club's facilities.

Inductions and Transitions

215.	Each Club shall arrange a pre-season induction event for Academy Players and their Parent(s) and there shall be at least one such induction event per Development Phase and on every occasion that a new Academy Player joins the Club.
------	---

Guidance

A Club's Induction and Transition Strategy should include, as a minimum, provision for:

- Academy Players joining the Club;
- Academy Players leaving the Club; and
- Academy Players transitioning between Development Phases at the end of season.

Provisions for Academy Players leaving the Club (or club) should be tailored to reflect the age of the Academy Player and the time spent in the Academy. The provisions should comprise, but not be limited to:

- access to mental and emotional wellbeing support;
- access to careers advice and information on education pathways;
- provision of record of Academy performance/achievement and support in identifying and accessing further playing pathways; and
- provision of Club 'Academy Alumni' events and/or community platforms.

All Clubs which operate an Academy should demonstrate support for a minimum of three years from the point of departure for all Academy Players from the Club (or club) in the Professional Development Phase. Provisions should cover the above areas, with a focus on mental and emotional wellbeing and facilitating new opportunities in football, education and wider career pathways.

216.	The induction meeting referred to in Rule 215 shall provide such information to the Academy Players and their Parent(s) as is necessary in order for them to understand the coaching and, if relevant, education that the Academy Player will receive from the Club.
217.	Each Club which operates an Academy shall permit a representative of the League to attend such induction meetings on request.

Duty of Care

218. The Code of Conduct set out in Appendix 14 shall be binding on all Academy Players registered on a PLYD Form 5 (and their Parent(s)) and on Clubs and Officials and any breach thereof by such Academy Players or by Clubs or Officials shall be treated as a breach of these Rules.

219. Each Club which operates an Academy shall devise and implement an Induction and Transition Strategy.

Academy Player and Parent Voice

220. Each Club which operates an Academy shall devise and implement one or more mechanisms to invite and receive feedback from Academy Players and their Parent(s).

221. Clubs shall establish, maintain and, when necessary, implement a complaints procedure for Academy Players and Parent(s), a copy of which shall be submitted to the League.

Guidance

The League may conduct surveys and questionnaires from time to time to ascertain the views of Academy Players and their Parent(s).

Safeguarding and Mental and Emotional Wellbeing

222. Each Club shall take all reasonable steps to ensure that it protects the welfare of each of its Academy Players and Players up to the Under 21 age group who continue to train with the Academy on a regular basis by offering support for his wellbeing and pastoral care generally.

223. Each Club which operates an Academy shall devise a mental and emotional wellbeing action plan, to include details of support available and a referral process for concerns, in accordance with such guidance issued by the League from time to time.

224. The provisions of Section S (Safeguarding and Mental Health) of the Premier League Rules apply to Academies and Development Centres.

225. Without prejudice to the generality of Rule 224 each Club shall appoint an Academy safeguarding officer who shall:

225.1. undertake the functions set out in Premier League Rule S.5.7 specifically with regard to the Academy; and

225.2. liaise with the Club's Head of Safeguarding.

Health and Safety

226. Clubs and Academy Staff shall observe and comply with any guidance issued by the League in respect of health and safety management and any breach thereof shall be treated as a breach of these Rules.

227. Clubs shall ensure that their Academy Players are insured in accordance with advice circulated by the League from time to time.

Duty of Care

Inclusion, Diversity and Equality

228. Each Club which operates an Academy and is in membership of the Premier League must comply with Premier League Rule J.4. Each other Club bound by these Rules must comply with the EFL Code of Practice regarding equality and diversity.

229. Each Club which operates an Academy shall deliver training for its Academy Players and Academy Staff on equality, diversity and inclusion each Season.

Injury and Medical

230. Each Club which operates an Academy shall ensure that each of its Academy Players undergoes the following tests to measure physical and physiological fitness (in accordance with any guidance issued by the League from time to time):

230.1. age-appropriate medical and physical screening;

230.2. anthropometric assessments;

230.3. physiological/fitness testing;

230.4. movement and posture/functional screening;

230.5. predictive testing of size and shape/maturation measurement (save that a Club operating a Category 4 Academy shall not be obliged to conduct such tests);

230.6. psychological profiling (Category 1 Academies only);

230.7. cardiac screening for Academy Players in the Under 15 age group and above;

230.8. medical examinations on all its Academy Players registered on Scholarship Agreements in accordance with the requirements laid down in Appendix 6 to the Rules; and

230.9. monitoring of physical exertion (Category 1 Academies only),

Guidance

In the circumstances outlined in Rule 291, where a different Club or club signifies its intent to register the Academy Player beyond his Under 16 year, the two Clubs/clubs concerned, the Academy Player (through his Parent(s)) and the League shall enter into discussions, where appropriate, to consider means by which he might begin training with his new Club or club before the end of his Under 16 year, provided always that his education is not negatively affected in any way.

The Board shall determine such an application in such manner as it shall think fit and, in particular, shall have power to appoint one or more suitably qualified Persons to enquire into all the circumstances of the application (adopting such procedures as are considered appropriate) and to report to the Board, recommending whether the application should be granted or refused. If the application is granted, the Board may impose conditions (e.g. as to compensation) on the cancellation of the registration. For the avoidance of doubt, the ability to determine any application, and any conditions relating thereto, shall continue notwithstanding any expiry of the registration after the date of the original application.

Youth Development Rules

Compensation

- Compensation**
345. The registration of an Academy Player at an Academy shall impose an obligation on the applicant Club or Football League club ("**the Applicant Club**") to pay compensation for the training and development of that Academy Player to any Club, Football League club or Former Football League club (in respect of such period as that club were a member of the Football League) which previously held his registration ("**the Training Club**") provided that:
- 345.1. the Training Club had indicated in PLYD Form 7 (or, in the case of a Football League club, the equivalent Football League form) its intention to retain the Academy Player's registration;
 - 345.2. the Training Club had offered to enter into a Scholarship Agreement pursuant to Rule 299 with the Academy Player;
 - 345.3. the Academy Player sought registration at the Applicant Club because he had moved residence outside the permitted travelling time from his last Training Club;
 - 345.4. save where Rule 291 applies, the Training Club and Academy Player mutually agreed to terminate the Academy Player's registration pursuant to Rule 292.2 and agreed that the Training Club should retain the right to receive compensation should the Academy Player sign for another Club (or club); or
 - 345.5. the Board has made a determination to that effect pursuant to Rule 297; and
 - 345.6. in all the above cases, the Training Club held a valid licence to operate an Academy in accordance with these Rules (or to operate a Football Academy or Centre of Excellence in accordance with the Rules pertaining to youth development which these Rules replaced).
346. The obligation in Rule 345 to pay compensation to a Former Football League club shall not apply in the following circumstances:
- 346.1. the registration of an Academy Player is released from a Former Football League club in accordance with Rule 293.2; or
 - 346.2. the Former Football League club ceases to operate an Academy in accordance with these Rules.

Guidance

For clarity, until 30 June immediately after the second Season following relegation to the National League, the Former Football League club shall be entitled to compensation for its registered Academy Players if it continues to operate an Academy in accordance with these Rules.

347. Where the Applicant Club is in both a lower division and has an Academy of lower Category than the Training Club as at the time that the Academy Player joins it, the obligation in Rule 345 to pay compensation shall be varied as follows:
- 347.1. where the Academy Player is registered with the Applicant Club within 12 months of his being registered to the Training Club, the Applicant Club shall be obliged to pay the contingent compensation (referred to in Rule 352) but not any initial training costs fee (as referred to in Rule 352); or

Compensation

347.2.	where the Academy Player is registered with the Applicant Club in circumstances where at least 12 months have elapsed since he was registered as an Academy Player with any Club or club, there shall be no obligation on the Applicant Club to pay any compensation (whether by way of initial training costs fee or contingent compensation).
348.	Where Rule 347 applies and the Academy Player subsequently ends his registration with the Applicant Club and registers as an Academy Player at another Academy which is either operated by a Club in the same or a higher division or is an Academy of the same or higher Category than the original Training Club (the "Further Club"), the Further Club shall be obliged to pay compensation (both to the initial training costs fee and contingent compensation) to the original Training Club in respect of the Academy Player's time at that Club, in accordance with the provisions of Rules 345 and 349.

Guidance

In such a scenario, nothing in Rules 347 and 348 shall affect any obligation (as otherwise set out in these Rules) upon the Further Club to pay compensation to the Applicant Club.

349.	The amount of compensation referred to in Rule 345 shall be:
349.1.	such sum as shall be due pursuant to this section of the Rules; or
349.2.	as regards the compensation payable by the Applicant Club to the most recent Training Club, such sum as shall have been agreed between them.
350.	Rules 352 to 363 govern the compensation due in respect of an Academy Player who is in, or about to enter, any age group between Under 9 and Under 16 at the time when he is first registered with the Applicant Club save for an Academy Player to whom Rule 351.2 applies.
351.	In default of agreement between the Applicant Club and the Academy Player's most recent Training Club, the Professional Football Compensation Committee shall (in accordance with the provisions of Appendix 13) determine the compensation payable to the latter in respect of an Academy Player:
351.1.	who is in any age group between Under 17 and Under 21 when he is registered for the Applicant Club; or
351.2.	to whom the Training Club made an offer of a Scholarship Agreement pursuant to Rule 299.
352.	The compensation due in respect of an Academy Player to whom Rule 350 applies shall consist of an initial training costs fee payable to the most recent Training Club (and to be paid within seven days of the Academy Player being registered for the Applicant Club) and contingent compensation as is payable to all qualifying Training Clubs in accordance with these Rules.
353.	The initial training costs fee referred to in Rule 352 shall be calculated by:
353.1.	multiplying the applicable annual fixed training costs calculated in accordance with Rule 354 by the applicable number of years; and
353.2.	adding thereto any initial fee (capped at such sum as would have been payable when calculated in accordance with this section of the Rules) paid by the most recent Training Club when it acquired the registration of the Academy Player.

Compensation

354.	In Rule 353:																												
354.1.	the "applicable annual fixed training costs" means the sums set out in the table in Rule 355 referable to:																												
354.1.1.	the age group of the Academy Player during any year that he was registered with the Training Club; and																												
354.1.2.	the Category of the Training Club's Academy during that year; and																												
354.2.	the "applicable number of years" means the number of years for which the Academy Player was registered for the Training Club (subject to Rule 362).																												
355.	The applicable annual fixed training costs by reference to the age group of the Academy Player and the Category of Academy are as follows:

Guidance

In order to give effect to the compensation Rules under the Elite Player Performance Plan ("EPPP"), Clubs' previous Football Academies and Centres of Excellence will have a 'deemed' retrospective categorisation to give effect to the provisions for fixed training costs fee compensation in respect of the years up until the coming into force of the Rules. The following applies:

Status	Deemed retrospective Category for the purposes of calculating compensation (in respect of the period up until the end of Season 2011/12)
Club operated a licensed Football Academy which is placed into Category 1 under the new Rules (all Category 1 Clubs will be the subject of an ISO audit by no later than 31 May 2012)	Category 1
Club operated a licensed Football Academy which is not placed into Category 1 under the new Rules	Category 2
Club operated a licensed Centre of Excellence	Category 3

The annual fixed training costs set out in table at Rule 355, above, shall apply to all registrations of Academy Players with Applicant Clubs that are approved following the coming into force of the Season 2022/23 edition of these Rules (i.e. for registrations approved from that date, the annual fixed training costs shall be calculated by reference to the figures herein).

Compensation

356. The contingent compensation referred to in Rule 352 shall consist of:
- 356.1. appearance fees calculated by reference to the number of First Team Appearances (up to a maximum of 100) made by the Academy Player for the Applicant Club or any other Club or Football League club for whom the Academy Player subsequently becomes registered (including by way of a Temporary Transfer or other loan) and to the divisional status of the relevant Club as set out in the table in Rule 358;
 - 356.2. subject to Rule 357, appearance fees shall be calculated up to a maximum of 100 First Team Appearances;
 - 356.3. if the Academy Player's registration is transferred prior to his 23rd birthday to a club affiliated to a national association other than The Football Association (save for any Welsh club which is a member of the League, The Football League or the National League), 20% of any Compensation Fee, Loan Fee and Contingent Sum that the Applicant Club receives which is in excess of:
 - 356.3.1. any amounts of training compensation and/or solidarity payment paid to the Applicant Club and the Training Club pursuant to the FIFA Regulations for the Status and Transfer of Players; and
 - 356.3.2. the actual sum (if any) paid by the Applicant Club to the Training Club to acquire the Academy Player's registration;
 - 356.4. 5% of all Compensation Fees (and transfer fees, where applicable), Loan Fees and Contingent Sums paid in respect of all future transfers of the Academy Player's registration (whether permanent or temporary) to Clubs (or clubs) in membership of the League, The Football League or the National League; and
 - 356.5. 5% of all Loan Fees and Contingent Sums paid in respect of all future transfers on loan to a club affiliated to a national association other than the Football Association (save for any Welsh club which is a member of the League, The Football League or the National League).

357. For the purposes of calculating the contingent compensation referred to in Rule 352, First Team Appearances made in excess of 100 and up to a maximum of 200 (the **"Additional Appearances"**) will result in contingent compensation being payable in circumstances where one or more of a Player's Additional Appearances are played for a Club (or clubs) in a higher division than one or more of the Player's first 100 First Team Appearances. In such circumstances the Additional Appearances will be treated as if they had formed part of the Player's first 100 First Team Appearances, with the result that an additional compensation fee will be due which is equal to any difference in the compensation paid in respect of the Player's first 100 First Team Appearances and any Additional Appearances of a higher value (starting with the lowest compensated appearance).

Guidance

Example 1:

A Player makes 100 First Team Appearances in the Championship, followed by 10 First Team Appearances in the Premier League.

The 100 Championship appearances would result in contingent compensation of £250,000 (£2,500 x 100) being payable to training clubs.

The 10 subsequent appearances in the Premier League would be worth £300,000 (£30,000 x 10) being payable to training clubs.

Compensation

The contingent compensation payable to the training club(s) would be 'topped up' to the contingent compensation for 10 Premier League appearances, less the contingent compensation of the Player's lowest-compensated 10 appearances in his first 100 appearances:

- 10 Premier League appearances = £30,000 x 10 = £300,000
- 10 Championship appearances = £2,500 x 10 = £25,000

Total 'top up' fee payable: £300,000 - £25,000 = £275,000

Example 2:

A Player's first 100 First Team Appearances are broken down as follows: (i) 1-25 at EFL League 2 level; (ii) 26-75 at EFL League 1 level; and (iii) 76-100 at EFL Championship level. The Player goes on to make a further 25 First Team Appearances at EFL Championship level (matches 101-125) and 50 First Team Appearances at Premier League level (matches 126-175).

These first 100 appearances would result in contingent compensation of £93,750 (£250 x 25; £500 x 50; £2,500 x 25) being payable to training clubs.

The contingent compensation payable to the training club(s) would be 'topped up' to the contingent fee for:

- 25 EFL Championship appearances (£2,500 x 25), less the contingent compensation of the Player's lowest-compensated 25 appearances in his first 100 appearances (being at EFL League 2 level: £250 x 25). 'Top up' fee payable in respect of these matches: £62,500 - £6,250 = £56,250; and
- 50 Premier League appearances (£30,000 x 50), less the contingent compensation of the Player's remaining lowest-compensated 50 appearances in his first 100 appearances (being at EFL League 1 level: £500 x 50). 'Top up' fee payable in respect of these matches: £1,500,000 - £25,000 = £1,475,000.

Total 'top up' fee payable: £1,531,250.

358. The appearance fees referred to in Rule 356.1 are as follows:
- 358.1. Premier League: £30,000;
 - 358.2. EFL Championship: £2,500;
 - 358.3. EFL League 1: £500; and
 - 358.4. EFL League 2: £250.

Guidance

The contingent fees set out above come into force with effect from the coming into force of the Season 2022/23 edition of these Rules and are forward-looking from that date. In order to calculate the contingent fees applicable for registrations approved before the coming into force of the Season 2022/23 edition of these Rules, reference should be made to the following figures:

Compensation

Number of First Team Appearances	Divisional Status of the Club			
	Premier League Club	Football League Championship Club	Football League 1 Club	Football League 2 Club
10	£150,000	£25,000	£10,000	£5,000
20	£150,000	£25,000	£10,000	£5,000
30	£150,000	£25,000	£10,000	£5,000
40	£150,000	£25,000	£10,000	£5,000
50	£150,000	£25,000	£10,000	£5,000
60	£150,000	£25,000	£10,000	£5,000
70	£100,000	£25,000	£10,000	£5,000
80	£100,000	£25,000	£10,000	£5,000
90	£100,000	£25,000	£10,000	£5,000
100	£100,000	£25,000	£10,000	£5,000

For the avoidance of doubt, in such circumstances:

- Rule 357 will not apply, such that only First Team Appearances up to a maximum of 100 will apply for the purposes of calculating contingent compensation; and
- Rule 359.1.2 will not apply, such that matches played for a foreign club where a player is the subject of a Temporary Transfer will not apply for the purposes of calculating contingent compensation.

359.	In Rule 356:
359.1.	“First Team Appearance” means:
359.1.1.	an appearance either in the starting 11 or as a playing substitute in a first team fixture in the Premier League, the Football League Championship and Football Leagues 1 and 2 (including play-offs), the Football League Cup, the F.A. Cup, the Football League Trophy, the FIFA Club World Cup, the UEFA Europa Conference League, the UEFA Europa League or the UEFA Champions League; and
359.1.2.	where a player is subject to a Temporary Transfer or other loan from a Club or Football League club to a foreign club, an appearance for a foreign club in league or domestic cup competition, the FIFA Club World Cup, the UEFA Europa Conference League, UEFA European League or the UEFA Champions League;
359.2.	the contingent compensation shall be payable upon the earlier of: (a) every 10 First Team Appearances played by the Player; (b) the end of each Season; or (c) the termination (whether by effluxion of time, cancellation, transfer or otherwise) of the Academy Player’s registration at a Club (or Football League club). For the avoidance of doubt, in the event of a termination of an Academy Player’s registration, the obligation to pay future sums pursuant to that Rule shall transfer to any new Club (or Football League club) for whom the Academy Player subsequently becomes registered; and
359.3.	“Compensation Fee”, “Loan Fee” and “Contingent Sum” shall be interpreted to exclude compensation payable pursuant to Rule 345.

Compensation

Guidance

For the purposes of Rule 359.1.2, the banding of the relevant competitions will be based on alignment of foreign competitions with the domestic governing body endorsement competition banding (with each Band to be as defined in the ‘Governing Body Endorsement Requirements for Players’ document) whereby:

- appearances in the UEFA Champions League carry the same appearance-based contingencies as appearances for a Premier League Club;
- appearances in foreign Band 1 domestic competitions, the UEFA Europa League and the UEFA Conference League carry the same appearance-based contingencies as appearances for a Championship club;
- appearances in foreign Band 2 domestic competitions carry the same appearance based contingencies as appearances for a League One club; and
- appearances in foreign Band 3, Band 4 or Band 5 domestic competitions carry the same appearance-based contingencies as appearances for a League Two club.

The relevant banding shall be determined with reference to the banding of that club at the time of the relevant appearance.

360.	Reference in Rules 356 and 359 to the transfer or termination of an Academy Player’s registration shall be interpreted to include transfers or terminations of his registration after he has ceased to be an Academy Player and Clubs who subsequently sign the Academy Player shall be bound to comply with Rules 356.1 to 356.5 and for the avoidance of doubt the original Applicant Club shall not be liable to the Training Club in respect of:
360.1.	any appearance fees payable pursuant to Rule 356.1 and due in respect of appearances made by the Academy Player after he has ceased to be permanently registered for the Applicant Club; or
360.2.	sums payable pursuant to Rules 356.3 to 356.5 arising from transfers in respect of which the Applicant Club was not the Transferor Club.
361.	Any agreement between a Club and another Club (or club) as to the compensation payable on the transfer of a registration, whether pursuant to Rule 349.2 or otherwise, may not take effect so as to vary the contingent compensation payable pursuant to this section of the Rules to any other Club (or Football League club).
362.	If an Academy Player has spent part only of any year at the Training Club, the amount of compensation in respect of that year shall be calculated pro rata (taking into account whether or not the Training Club’s Academy was operational or not during the Close Season or any part of it).
363.	If the Academy Player has been registered for a Training Club for part only of the period between the start of his Under 9 year to the conclusion of his Under 16 year, the amount of contingent compensation payable to that Training Club calculated in accordance with these Rules shall be paid pro rata to the Training Club.

Guidance

Rule 363 covers the following situations:

1. where an Academy Player has been registered for only one Training Club but not for the entirety of the period from the start of his Under 9 year to the conclusion of his Under 16 year; and

2. where the Academy Player has been registered for more than one Training Club during the period. In either case, the Training Club(s) receive(s) contingent compensation pro rata to the period that it/they held the Academy Player's registration.

364.	The compensation set by the Professional Football Compensation Committee in respect of an Academy Player to whom Rule 351 applies shall be determined on the application of either Club and in accordance with the Committee's Regulations (set out at Appendix 13).
365.	The new registration of a Contract Player under Premier League Rule U.17 shall impose an obligation on the Club next holding his registration to pay to the former Club (or club) compensation for the training and development of that Player if the Club (or club): <ul style="list-style-type: none"> 365.1. had held that Player's registration as an Academy Player; 365.2. had offered to enter into a Scholarship Agreement with him which offer he had not accepted; or 365.3. had entered into a Scholarship Agreement with him, and either <ul style="list-style-type: none"> 365.3.1. the Scholarship Agreement had been terminated at the Player's request; or 365.3.2. in accordance with the terms thereof, the former Club (or club) had offered him a contract as a Contract Player which offer he had not accepted.
366.	The amount of compensation payable pursuant to Rule 365 shall be: <ul style="list-style-type: none"> 366.1. such sum as shall have been agreed between the applicant Club (or club) and the former Club; or 366.2. such sum as the Professional Football Compensation Committee on the application of either Club (or club) shall determine pursuant to Rule 364.
367.	Any agreement between Clubs or between a Club and a Football League club as to the amount of compensation payable shall be in writing, and a copy provided to the League within five days of being entered into.
368.	All compensation (including instalments thereof and contingent sums) payable to a Club or Football League club shall be paid by the Applicant Club into the Compensation Fee Account.

Guidance

The fees set out in Rules 355 and 358 are to be revised annually by the PGB.

The Regulations of the Professional Football Compensation Committee referred to in Rule 364 are in Appendix 13 of the Premier League Rules. They remain unchanged as regards the calculation of compensation for:

- Academy Players in the Under 18 and older age groups;
- an Academy Player with whom the Training Club had agreed to enter into a Scholarship Agreement; and
- an Academy Player with whom the Applicant Club enters into a Scholarship Agreement.

Disciplinary Procedure and Penalties

1. Introduction

The disciplinary procedure aims to ensure that the Club behaves fairly in investigating and dealing with allegations of unacceptable conduct with a view to helping and encouraging all Scholars to achieve and maintain appropriate standards of conduct and performance. The Club nevertheless reserves the right to depart from the precise requirements of its disciplinary procedure where the Club considers it expedient to do so and where the Scholar's resulting treatment is no less fair.

2. Records

All cases of disciplinary action under this procedure will be recorded and placed in the Club's records until deleted in accordance with paragraph 4.2. A copy of the Club's disciplinary records concerning the Scholar will be supplied to the Scholar at his request.

3. The Procedure

The following steps will be taken as appropriate in all cases of disciplinary action:

3.1 Investigation

No action will be taken before a proper investigation has been undertaken by the Club into the matter complained of. If the Club determines the same to be appropriate the Club may by written notice suspend the Scholar for up to 14 days while the investigation takes place. If the Scholar is so suspended this agreement will continue together with all the Scholar's rights under it except that during the period of suspension the Scholar will not be entitled to access to any of the Club's premises except at the prior request or with the prior consent of the Club and subject to such conditions as the Club may impose. The decision to suspend the Scholar will be notified in writing to the Scholar by the Club.

3.2 Disciplinary Hearing

3.2.1 If the Club decides to hold a disciplinary hearing about the matter complained of the Scholar will be given full details in writing of the complaint against him and reasonable notice of the date and time of the hearing. At the hearing the Scholar will be given an opportunity to state his case either personally, through his representative or the PFA.

3.2.2 Subject as provided in paragraph 3.2.3, no disciplinary penalty will be imposed without first giving the Scholar the opportunity to state his case.

3.2.3 A disciplinary hearing may proceed in the Scholar's absence and a disciplinary penalty may be imposed if the Scholar fails to appear at such hearing after having received proper notice thereof.

3.3 Appeals

3.3.1 The Scholar shall have a right of appeal to the Board against any disciplinary decision. The Scholar should inform the Board in writing of his wish to appeal within seven days of the date of notification to him of the decision which forms the subject of such appeal. The Board will conduct an appeal hearing as soon as possible thereafter at which the Scholar will be given a further opportunity to state his case either personally or through his representative. The decision of the Board will be notified to the Scholar in writing within seven days and, subject to paragraph 3.3.2, will be final and binding under this procedure.

3.3.2 In the event of any sanction being imposed or confirmed in excess of an oral warning the Scholar may by notice in writing served on the Club and the League within seven days of receipt by the Scholar of written notification of the decision of the Board appeal against it to the League and such appeal shall be determined in accordance with the League Rules.

3.3.3 If the Scholar exercises any right of appeal as aforesaid any sanction imposed by the Club upon the Scholar shall not take effect until the appeal has been determined and the sanction confirmed, varied or revoked as the case may be.

4. Disciplinary Penalties and Termination

4.1 At a disciplinary hearing or on an appeal to the Board against a disciplinary decision the Club may dismiss the allegation or if it is proved to the Club's satisfaction may:

4.1.1 give an oral warning, a formal written warning or after a previous warning or warnings a final written warning to the Scholar;

4.1.2 impose a fine not exceeding the amount of 50% of his monthly salary;

- 4.1.3 order the Scholar not to attend at any of the Club's premises for such period as the Club thinks fit not exceeding two weeks; or
 - 4.1.4 where the circumstances set out in Clause 10.1 of this agreement apply, terminate this agreement.
- 4.2 Any warning or sanction given under this disciplinary procedure will be deleted in the Club's records after 12 months.

Appendix 1

Profitability and Sustainability Rules - Standard Directions

Introduction

1. These Standard Directions have been agreed by Clubs to ensure that any complaint regarding a breach of the Profitability and Sustainability Rules (Rules E.49 to E.54) (a **"PSR Complaint"**) can be resolved, including any appeal to an Appeal Board, as expeditiously as possible and, absent exceptional circumstances, prior to the 1 June following the submission of the relevant Club's Annual Accounts (the **"Backstop Date"**).
2. The League and Clubs recognise and agree that, given the possibility of the imposition of a sporting sanction in the form of a points deduction on any Club found to be in breach of Rules E.49 to E.54 and the desirability (so as to protect the interests of other Clubs) of any such points deduction taking effect in the Season in which the relevant Club's Annual Accounts are submitted, it is important that clarity is reached regarding any such sanction prior to the subsequent Annual General Meeting. This provides certainty for the League, its Member Clubs and other stakeholders as to the membership of the League in the subsequent Season.
3. It is for this reason that the League and Clubs have agreed to bring forward the date for the submission of Annual Accounts to 31 December (pursuant to Rule E.50.2) and have agreed these Standard Directions.
4. The League and the Clubs recognise and agree that this degree of expedition set out in these Standard Directions is reasonable and procedurally fair in all but the most exceptional cases.

Application

5. These Standard Directions apply in respect of any PSR Complaint. They vary the provisions of Section W (Disciplinary) of the Rules (and where necessary Section X (Arbitration) of the Rules), to the extent that is necessary to give them effect. They apply in all cases other than where the Chair of the Commission or on appeal the Chair of the Appeal Board (or the Chair of the Judicial Panel, if a Commission or Appeal Board has not yet been appointed), whether following an application by either party, agreement by both parties or of the Chair's own volition, concludes that exceptional circumstances exist that justify their disapplication. This may include, for example, where multiple PSR breaches over multiple years and other breaches of the Rules are alleged.

Appendix 1

Power to vary

6. Where these Standard Directions apply, the procedural steps within them may only be varied (including to add or remove a procedural step) by the Chair of the Commission or on appeal the Chair of the Appeal Board (or the Chair of the Judicial Panel, if a Commission or Appeal Board has not yet been appointed), whether following an application by either party, agreement by both parties or of the Chair's own volition. However, such variation of the procedural steps within the Standard Directions will only be permitted where both:
 - a. there are specific circumstances warranting the variation; and
 - b. in any event the variation does not defeat the purpose of these Standard Directions by endangering the possibility of concluding the Commission proceedings, and any subsequent appeal, by the Backstop Date.
7. Where a deadline referred to in these Standard Directions falls on a day that is not a Working Day, it shall be varied so as to fall on the subsequent Working Day. Capitalised terms not otherwise defined herein bear the meaning given to them in the Rules.

Standard Directions - Commission

8. Any PSR Complaint must be served by the Board on the Respondent in accordance with Rules W.23 to W.25 (including any documents relied upon in support), by no later than two weeks (14 days) following provision by the Club of its Annual Accounts pursuant to Rule E.50.2.
9. As soon as reasonably practicable after service of the PSR Complaint, a Commission will be appointed in accordance with Rules W.26.
10. The Respondent must provide its answer to the PSR Complaint (**"Answer"**) to the Board and the Commission pursuant to Rule W.29 (including any documents relied upon in support), no later than two weeks (14 days) following receipt of the PSR Complaint.
11. By no later than one week (seven days) following receipt of the Answer, the Chair of the Commission will hold a directions hearing at which the Chair will:
 - a. consider and decide any application for the disapplication of the Standard Directions as a whole;

Appendix 1

- b. consider and decide any application for the variation or augmentation of the procedural steps within the Standard Directions;
 - c. set down the single hearing date (to conclude no later than 12 weeks (84 days) after the filing of the PSR Complaint);
 - d. set down the dates for all remaining procedural steps leading up to it;
 - e. consider and decide any application for specific disclosure of documents; and
 - f. consider and decide any other procedural application.
- 12.** All and any procedural applications must be served by the Respondent at the same time as its Answer, and by the Board at the same time as the PSR Complaint, or if arising out of the Answer, within three days of its receipt, so that they can be considered at the hearing referred to at paragraph 11, above.
- 13.** Any exercise of the power under Rule W.27 to indicate that if the PSR Complaint is upheld the Commission may wish to exercise its power under Rule W.51 to award compensation, and any exercise of the power under Rules W.38.9, W.52 or W.53 to set directions for the assessment of the entitlement to and amount of compensation, shall not allow involvement of the other Club(s) (club(s)) or Person(s) prior to the Backstop Date, and any assessment of compensation shall take place after the full process provided for by these Standard Directions.
- 14.** By no later than four weeks (28 days) following receipt of the Answer, the parties must exchange (and provide to the Commission) any written evidence of fact or expert evidence on which they intend to rely at the hearing, together with any other documents or other material ordered to be provided at the directions hearing (unless such other documents or other material are directed to be provided earlier).
- 15.** Any PSR Complaint referred to a Commission by the Board must be determined by the Commission at a single hearing, at which the parties shall make submissions and adduce evidence both in relation to breach and to sanction, to be listed for between one and five days, so as to conclude the Commission proceedings (by the Commission's decision, together with written reasons) within 12 weeks (84 days) of the serving of the PSR Complaint on the Respondents by the Board pursuant to Rules W.23 to W.25, within which period the procedural steps below must take place.

Appendix 1

- 16.** By no later than five days prior to the hearing of any PSR Complaint, the parties must exchange skeleton arguments.
- 17.** The Commission must provide its decision, together with written reasons, within one week (seven days) of the conclusion of the hearing (the **"Commission Decision"**).

Standard Directions – Appeal Board

- 18.** Any appeal will be on an expedited basis.
- 19.** Where a party wishes to appeal a Commission Decision, it must serve its Form 22 on the Chair of the Judicial Panel in accordance with Rule W.67 (the **"PSR Appeal"**) (including any argument and documents relied upon in support), by no later than one week (seven days) following receipt of the Commission Decision in accordance with paragraph 17, above.
- 20.** As soon as reasonably practicable after service of the PSR Appeal, an Appeal Board will be appointed in accordance with Rule W.68. The Chair of the Judicial Panel shall take steps in advance to identify members of the Appeal Board, or others pursuant to Rule W.85, who would be available to consider and decide an appeal at short notice should one be made, and to ask them to hold dates.
- 21.** The respondent to the PSR Appeal shall provide its response to the PSR Appeal (**"Response"**) to the appellant and to the Appeal Board (including any argument and documents relied upon in support), no later than one week (seven days) following receipt of the PSR Appeal.
- 22.** By no later than one week (seven days) following receipt of the Response to the PSR Appeal, the Chair of the Appeal Board will hold a directions hearing at which the Chair will:
- a. consider and decide any application for the disapplication of the Standard Directions as a whole;
 - b. consider and decide any application for the variation or augmentation of the procedural steps within the Standard Directions;
 - c. set down the single appeal hearing date (to conclude no later than and if possible some time before 24 May);
 - d. set down the dates for all remaining procedural steps leading up to it; and
 - e. consider and decide any other procedural application.

Appendix 1

23. All and any procedural applications must be served by the respondent to the appeal at the same time as its response to the PSR Appeal, and by the appellant at the same time as the PSR Appeal, or if arising out of the response to the PSR Appeal, within three days of its receipt, so that they can be considered at the hearing referred to at paragraph 22, above.
24. Any PSR Appeal must be determined at a single hearing before an Appeal Board, at which the parties shall make submissions and adduce evidence both in relation to breach and to sanction, to be listed for between one and three days, so as to conclude the appeal (by the Appeal Board decision, together with written reasons) no later than the Backstop Date, within which period the procedural steps below must take place.
25. By no later than three days prior to the hearing of any PSR Appeal, the parties must exchange skeleton arguments.
26. The Appeal Board must provide its decision, together with written reasons, (the **"Appeal Decision"**) prior to and if possible some time before the Backstop Date.

Further challenge

27. The League and Clubs recognise and agree that, given the desirability (so as to protect the interests of other Clubs) of any points deduction taking effect in the Season in which the relevant Club's Annual Accounts are submitted, and the need for certainty for the League, its Member Clubs and other stakeholders as to the membership of the League in the subsequent Season, any Appeal Decision will save in exceptional circumstances remain in full force and effect pending resolution of any attempt to challenge it in arbitration under Rule X.4.
28. Any attempt to establish exceptional circumstances so as to seek a stay of the effect of the Appeal Decision must be brought before a single arbitrator appointed in accordance with Rule X.13, and for this purpose Clubs and the League agree to such appointment. Any such stay application shall be heard and decided by the provision of the single arbitrator of their decision, with written reasons to follow, prior to 8 June, within which period the procedural steps below must take place.
29. The Request for Arbitration in Form 23 limited to the stay application (including any argument and documents relied upon in support), shall be served within two days after the Appeal Decision, the arbitrator shall be appointed as soon as reasonably practicable thereafter, and two days after the request for Arbitration, the respondent to the arbitration shall serve their Answer (including any argument

Appendix 1

and documents relied upon in support). The stay application shall be heard on one or both of the following two days on the basis of the Request and Answer and oral submissions, and decided by the provision of the single arbitrator of their decision with written reasons to follow, prior to 6 June.

Camera Positions

(Rule K.66)

Each Club shall provide at each League Match played at its Stadium positions for television cameras in accordance with the requirements of this Appendix 4, and each such position shall be Hardwired.

1. Pursuant to Rule K.66, and subject to paragraph 2 below, Clubs must provide Hardwired camera positions in the locations shown on the Master Camera Plan, at all League Matches.
2. Any camera positions that are not required for use by Broadcasters, may be used by the Club, subject to the Club obtaining the necessary League approvals no less than 10 days prior to the League Match.
3. The Stadium lay-out shown in the Master Camera Plan is indicative only. It is not intended to be an exact representation of a Stadium; rather they are intended to show:
 - 3.1 where cameras should be placed in relation to the pitch; and
 - 3.2 the relative height above the pitch of each camera.
4. The League will work with each Club to identify and agree the location of each camera illustrated on the Master Camera Plan at the Club's Stadium. This will then be recorded on the Club's agreed Technical Specification.

CAMERA PLANS: KEY

Numbers in brackets refer to the designated Camera Number.

All camera positions must provide a full and clear view of the whole pitch, including in circumstances where supporters are standing with their arms raised and when supporters are moving in any of the Stadium's stairwells and/or stands. All camera positions should be allocated a two metre by two metre working space that is clear of any structure or obstacle and which cannot be accessed by fans, unless otherwise agreed with the League.

The Clubs are responsible for adopting best practice camera mounting, hoisting and safety procedures for the use of, access to and egress from all camera positions.

Appendix 4

All camera positions are manned, with the exception of camera 15 and cameras 18 to 23, which are remotely operated cameras.

The Clubs are responsible for providing the camera positions for cameras 1 to 41 and all equipment (such as pods, hoists and camseats) as are necessary to ensure that all camera equipment can be installed in those camera positions in accordance with Rules K.66 and K.67.1.

The Clubs shall make camera positions for the Ad Hoc Cameras available. However, the installation of the infrastructure and equipment required to install the Ad Hoc Cameras will be undertaken and paid for by the Broadcasters, the League and/or the League's Appointed Production Partner. The Clubs shall assist the Broadcasters and/or the League with the installation of the Ad Hoc Cameras wherever reasonably practicable.

Main Camera (1)

- Positioned on television gantry exactly on the halfway line facing away from the sun. The television gantry should be compliant with Rules K.52 to K.54 and the associated guidance
- Ideal angle is 12 to 14 degrees from the gantry to the centre spot and 22 to 24 degrees from the gantry to the near-side touchline
- This camera will be used to provide the main wide-shot coverage of the game

Close-Up Camera (2)

- Positioned on television gantry. Normally located next to the camera 1, it is used to provide closer coverage of the action and player/referee close-ups
- A large lens must be used

Pitch-Side Halfway Camera (3)

- A fixed camera on the half-way line at pitch level on the same side as camera 1
- The position should enable an unobstructed view of the field of play and substitutes' benches for the fourth official, and a clear view of the pitch for the Club representatives
- If this camera position is on the same side of the pitch as the technical areas, the camera position may be outside of the technical areas so to prevent obstructing the view from the trainers' benches. However, any alternative camera position must enable an unobstructed view of both goals when Officials are standing at the front corners of the technical areas
- A large lens must be used

Appendix 4

Close-Up Camera (4)

- Positioned on television gantry. Normally located next to cameras 1 and 2, it is used to provide closer coverage of the action and player/referee close-ups
- A large lens must be used

Steadicams (5 and 6)

- Up to two hand held portable 'steadicams', each positioned either side of the half-way line on the same side as main camera may work the length of each half but concentrating on a zone extending between the goal-line and 18 yard line
- The cameras should not cause any viewing obstructions to the trainers' benches and sufficient space must be allowed for Players to warm up
- Host Broadcasters are permitted to use their 'steadicams' on the pitch during the pre-match warm up for a short period of time, up until 30 seconds before kick-off and after the final whistle
- Resting positions to be agreed with each Club at the start of each Season

18 Yard Cameras (7 and 8)

- Two cameras installed on the same side as camera 1 at the same level or higher than the main camera positions, facing each of the 18 yard lines. Often used to cover play in a wide angle, but also used for close up coverage
- Large lenses may be used

High-Behind Goal Camera (9 and 10)

- Two cameras installed in the stands behind either goal, at a height which permits an unobstructed view of the penalty spot from above the crossbar. Both cameras need to be able to see the far side goal in its entirety and all four corner flags. Large lenses may be used

Low-Behind Goal Cameras (11, 12, 13 and 14)

- Four cameras, two at each end, at pitch level in fixed positions behind each goal-line. The area for all such pitch level cameras located behind each goal-line should start at the six yard line (where it meets the goal-line) and extend towards the touchline (as shown on the Master Camera Plan)
- These may be positioned in front of the advertising boards if there is not sufficient or safe space to operate the cameras from behind the LED Boards. The location of these cameras will be agreed between the Club and the League

Beauty-Shot Camera (15)

- A fixed camera mounted high in the stadium to give a panoramic static shot of the pitch
- This camera is remotely operated

Appendix 4

Reverse Angle Cameras (16 and 17)

- Two cameras located opposite camera 1 for 'reverse-angle' coverage and usually for coverage of the trainers' benches
- On or close to the centre line
- One of these cameras covers close up shots of the Managers, therefore if your gantry is opposite the trainers' benches, camera 14 should be included as part of the TV gantry requirement
- Large lenses may be used

Pole Cameras (18 and 19)

- A camera on a pole mount may be used behind goals in front of the advertising boards. They will be rigged at full height, up to the top of the goals. These cameras may be static or mounted on a jib arm. Where a jib style pole cam is in use, Broadcasters will lower the jib arm as low as possible if play is at the opposite end of the pitch. Where facilities for disabled supporters are located directly behind these cameras, Clubs are permitted to rig them at a lower level, subject to obtaining prior approval from the League

Goal-Line Cameras (22 and 23)

- Two cameras located on the same side as the main camera, level with the goal-line and with an unobstructed view of the whole goal and the goal-line inside the penalty area

Mini-Cameras (20 and 21)

- Mini-cameras may be placed directly behind the goal net but cannot be attached to the net or the actual posts and crossbar. It can be as close to the net as desired as long as it does not touch the net. A mini-camera may therefore be attached to the poles which support the net or the cable connecting the back of the net to the vertical stanchions directly behind the goal

Corner Cameras (24, 25, 26 and 27)

- Options for cameras to be placed in all four corners approximately five metres above the pitch
- Large lenses may be used

Small Lens or Electronic Newsgathering (ENG) Cameras (28, 29, 30, 31, 32, 33, 34 and 35)

- Eight portable ENG cameras at pitch level, behind each goal-line
- These cameras must be positioned outside (nearer the touchline) the cabled Host Broadcaster cameras and would be required to be fixed during each half
- There may be a requirement for these cameras to change ends at half-time
- Clubs shall allow ENG Cameras to be replaced by small lens cabled cameras or permit the ENG cameras to be connected by a cable

Appendix 4

- In addition to the camera operator, Clubs must permit two producers who are accredited representatives of the Host Broadcaster, or two other individuals accredited by the League or the League's Appointed Production Partner to accompany two of these camera positions (one producer/individual accompanying one camera position) if requested by the Host Broadcaster, the League or the League's Appointed Production Partner

Hi Motion or Big Lens Close Up Cameras (36, 37, 38 and 39)

- Up to four big lens cameras, at pitch level, between the six yard and 18 yard line, but as close to the six yard line as reasonably possible
- In addition to the camera operator, Clubs must permit two producers who are accredited representatives of the Host Broadcaster, or two other individuals accredited by the League or the League's Appointed Production Partner to accompany two of these camera positions (one producer/individual accompanying one camera position) if requested by the Host Broadcaster, the League or the League's Appointed Production Partner

ISO and Analysis Cameras (40 and 41)

- Two cameras positioned on the television gantry. If space is not available on the main gantry then suitable positions must be made available near to, and at a similar level to, the main gantry and not more than 20 metres from the half-way line
- Large lenses may be used
- This will be the location of 180 degree Stadium wide angle filming, where such filming is required

Remote Flight Cameras (Ad-Hoc Cameras)

- These cameras are commonly referred to as drones. They shall not fly over or across any part of the Stadium. They shall be operated by providers approved by the Civil Aviation Authority who will allocate safe fly zones on either land owned by the Club where reasonably possible and safe to do so, or at an alternative safe location
- The Clubs must permit Civil Aviation Authority approved providers to fly a broadcast flight camera when requested to do so by the Broadcasters and/or the League. Flights shall take place pre-match, at half time and post-match, and at agreed times during the League Match. Camera flight times must be listed on the Countdown to Kick-Off to ensure that all relevant personnel at the Club and PGMOL are aware that the flight is an approved flight

Appendix 4

Aerial Cabled Wire Cameras (Ad-Hoc Cameras)

- These cameras include:
 - four point aerial cabled camera systems used for camera flight above the field of play (being a moving camera system with two- or three-dimensional movements); and
 - wirecams located on a single wire system suspended in the air that move horizontally along the length of the pitch, and generally sit at the same height as camera 1; or
 - railcams located on a fitted track fitted to the front of a Stadium tier or advertising board that move horizontally along the length of the pitch
- Clubs shall ensure that their Stadium can facilitate the installation of a four point aerial cabled camera system and at least one of a wirecam or a railcam where reasonably possible and safe to do so, unless otherwise agreed with the League
- These cameras shall be operated from one of the UK or International TV Commentary Positions provided for at Rules K.55 and K.57 respectively, as determined by the Broadcasters

Technical Area Cameras (Ad-Hoc Cameras)

- Two remotely operated cameras (one fixed in each technical area) to be permitted when requested by the Host Broadcaster, the League or League's Appointed Production Partner
- These cameras shall not be permitted to record or transmit audio, in accordance with Rule K.137

Tunnel Camera

- One remotely operated camera to be permanently to be installed by the League or the League's Appointed Production Partner at the camera position referred to at Rule K.66

Club Cameras

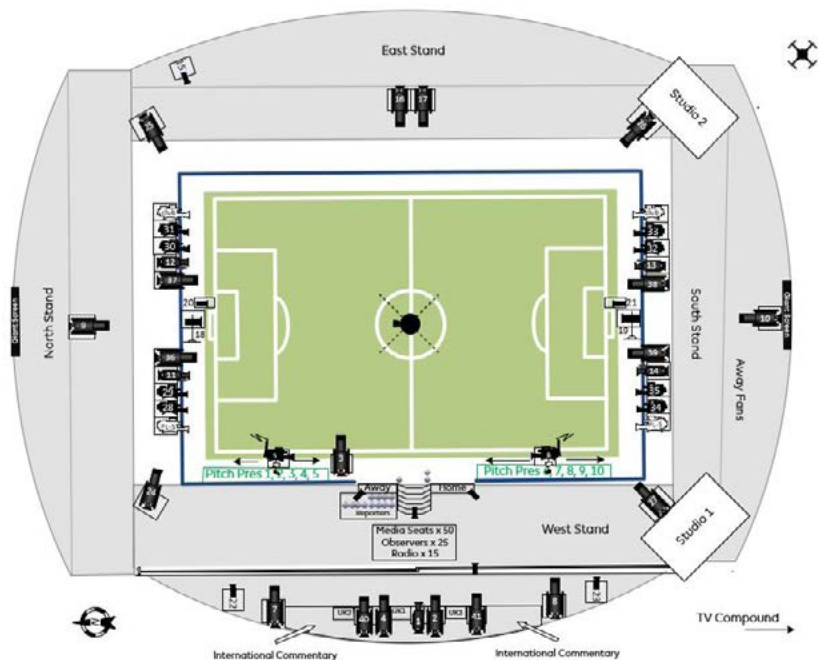

- Two camera positions at pitch level (one at each end of the pitch) to be used for cameras belonging to the Home and Visiting Clubs
- These camera positions should be located outside of the Host Broadcaster's cameras (closer to the touchline) as shown on the Master Camera Plan
- Whilst Clubs shall make these camera positions available at each League Match played at its Stadium, the use of Club cameras will be subject to the Club obtaining the necessary League approvals no less than 10 days prior to the League Match

Premier League Social Media Filming

- Two camera positions at pitch level (one at each end of the pitch) for an accredited representative of the League’s Appointed Production Partner, to capture video content with a mobile phone
- These positions shall be fixed to enable the accredited representative of the League’s Appointed Production Partner, to connect the WiFi as prescribed at Rule K.48
- Access for this filming will also be provided in the tunnel and the tunnel interview positions as provided for at Rule K.131

Head Injury Protocol

A. INTRODUCTION

Background

1. The International Football Association Board's ("IFAB") protocol in respect of additional permanent concussion substitutions ("APCS") ("IFAB Protocol") was introduced in Premier League Matches in Season 2024/25 ("Match(es)").
2. The IFAB Protocol is binding upon Clubs pursuant to Rule L.30 of the Premier League Rules ("Rules") and the relevant rules applicable to the Premier League's youth competitions. Clubs are permitted, in addition to five substitutions, to utilise up to one APCS and/or one 'additional substitute' (as appropriate) from those substitutes listed on the team sheet in a Match.
3. In addition, Rule O.20 provides that:

'Where a Player, whether engaged in a League Match, any other match or in training, has sustained, or is suspected of having sustained, a concussive injury:

O.20.1 the Club must comply with the Head Injury Protocol, any other concussion protocol and guidance issued by the League in respect of the treatment of that Player and any review of that treatment; and

O.20.2 notwithstanding Rule O.20.1, above, the Player shall not, under any circumstances, be allowed to resume playing or training (as the case may be) that same day. Furthermore, he shall not be allowed to return to playing in matches or participating in training thereafter unless he has been examined and declared fit to do so by his Team Doctor or, if they are unavailable, by another medical practitioner. In such circumstances, the welfare of the Player is paramount and the decision of the Team Doctor or other medical practitioner as to whether the Player is fit to resume playing or training shall be final.'

4. Following consultation with a range of stakeholders including the Premier League's medical groups¹ and Clubs, this Head Injury Protocol ("Protocol") will provide direction to Clubs (including medical staff), Players and the Premier League in respect of the assessment and treatment of head injuries including concussive injuries (whether actual or suspected) as defined at Annex 1 in Matches. It is designed to improve Player welfare in the acute stages of head injury management and preserve the long-term well-being of Players.

¹ Premier League Heads of Medical group, the Football Medical Governance Group and the Head Injuries Advisory Group.

Appendix 5

Scope

5. This Protocol sets out a series of uniform operating procedures, applicable to all Clubs in Matches (save where expressly excluded).
6. This Protocol is divided into:
 - a. obligations binding on Clubs and incorporated into the Rules, a breach of which will be dealt with under Section W (Disciplinary) of these Rules. These obligations are set out in numbered paragraphs 9-13, 15-19, 23, 24.b, 25, 27-32, 33.b, 35-39, 42-44 and apply principally to the following individuals:
 - i. Players;
 - ii. Club medical teams (including but not limited to doctors, physiotherapists, therapists, sport scientists and other members of the team); and
 - iii. Managers and members of the coaching staff listed in Rule L.23.3.
 - b. any non-binding guidance issued by the Premier League from time to time to assist Clubs and facilitate compliance with their obligations under the Rules.
7. For the avoidance of doubt, in line with Rule O.1, nothing in this Protocol replaces, reduces or affects in any way the obligations imposed on Clubs by statute and/or common law in the fields of medicine, occupational health and/or health and safety. Capitalised terms not otherwise defined in this document bear the meaning given to them in the Rules (including the Youth Development Rules).

B. PROTOCOL

8. The Protocol is structured as follows:
 - A General Club obligations
 - B Identification of requirement for a head injury medical assessment ("HIMA")
 - C HIMA (Stages 1 – 4)
 - D Review by the Premier League
- A. **General Club obligations**
9. Prior to the first Match of each Season, Clubs will ensure that the Team Doctor, Medical Coordinator and a minimum of two other medical staff from each Club

Appendix 5

have successfully completed the Premier League's Video Replay training module. Each Club has a continuing obligation to ensure that any new Team Doctors, Medical Coordinators and Club medical staff complete the Premier League's Video Replay training module before they are involved in a training session and/or a Match.

10. Each Club must ensure that all Team Doctors, Club medical staff, Medical Coordinators, Players and Managers attend mandatory education / review session(s) on HIMAs facilitated by the Premier League and, if requested, provide feedback to support the development of this Protocol. As a minimum, all attendees will be educated on how to identify – in addition to the signs and symptoms of concussive injuries – significant mechanisms of injury² and direct head impacts (with no display of any immediately observable signs and symptoms of concussion). Each Club has a continuing obligation to educate and inform all Team Doctors, Club medical staff, Medical Coordinators, Players and Managers of any changes to the Protocol.
11. At each Match, at least one member of each Club's Medical Staff must be nominated by the Club as the designated Medical Video Operator ("MVO") identified to the Premier League on Form 9. The nominated person(s) must have successfully completed the Premier League's Video Replay training module within the previous 12 months.
12. Each Club (including members of its medical team and Players) must, subject to any legal and/or regulatory restrictions preventing disclosure, provide the Premier League with such information as is necessary to ensure compliance with the Rules, this Protocol and the IFAB Protocol.

B. Identification

13. The Club's Team Doctor, physiotherapist, therapist and Medical Coordinator are required to carry, at a Match, the Pocket Concussion Recognition Tool (at Annex 2), which, provides a list of (1) visible clues of suspected concussion and (2) signs and symptoms of suspected concussion.

² A significant mechanism of injury in the context of sustaining a head injury is (1) any instance where a high velocity object and/or force is applied directly to the head resulting in a head impact or (2) any instance where a high velocity object and/or force is applied to another body part resulting in an indirect transmission of forces to the head. A significant mechanism of injury can be varied in terms of their type and location of impact, should be considered on an individual Player basis and clinical discretion should be applied.

Appendix 5

14. Clubs should be aware of the following non-exhaustive means of identifying a Player who requires a HIMA:
 - a. Direct observation of the head injury event by the Club's medical team
 - b. Alerts by the Match Official(s), Players, Managers and coaching staff, other Club's medical team and/or the Medical Coordinator
 - c. Review of the video replay on the medical tablets
 - d. Direction and alerts from other sources as implemented by the Premier League from time to time.
15. To support the diagnosis and clinical decision-making process, Clubs must utilise the medical tablets (if available) to review head injury events in compliance with the Premier League's Video Replay training module and in conjunction with any other means of identification set out in paragraph 14, above. Clubs should be aware of the following signs and symptoms – as further particularised at Annex 3 – present upon review of the video footage:
 - a. Motor incoordination/ataxia
 - b. No protective action (hypotonic or tonic)
 - c. Evidence of seizure/convulsion
 - d. Tonic posturing
 - e. Lying motionless
 - f. Clearly dazed or blank/vacant look.
16. As a minimum, Clubs must conduct a HIMA on Players who are suspected to have sustained (a) a significant mechanism of injury and/or (b) significant direct head impact with no display of any immediately observable signs and symptoms of concussion.
17. The Team Doctor, Medical Coordinator and MVO must be located in close proximity to Club medical teams during a Match. The Team Doctor, the Medical Coordinator and MVO must (a) communicate with each other to categorise incidents that occur during the Match using the framework set out at paragraphs 18(a)-(c), below and (b) record all communications, including categorisations of incidents and whether a consensus between the parties is reached, on the Premier League's electronic system (in place from time to time) within 24 hours of the conclusion of the Match.

Appendix 5

18. The Team Doctor, the Medical Coordinator and MVO shall categorise incidents as follows:
- a. **Code Red:** This means that there is evidence on the video review that the Player has sustained or is suspected of having sustained a concussive injury and must be removed from the field of play. In such circumstances, it is mandatory that the Team Doctor removes the Player from the field of play.
 - b. **Code Amber:** This means that the video review does not demonstrate conclusive evidence that the Player has sustained or is suspected of having sustained a concussive injury but the mechanism of injury, head impact and/or visible signs are of concern. In such cases, the Team Doctor must perform an immediate HIMA and rely on his/her clinical judgement to inform the decision regarding the removal of the Player from the field of play. Players that require a HIMA in accordance with paragraph 16 above should be categorised as Code Amber.
 - c. **Code Green:** This means that the video review does not show any evidence of an actual or suspected concussive injury that warrants further consideration by the Team Doctor.
19. Clubs must save any footage that is reviewed on the medical tablets when categorising an incident as Code Red, Code Amber and/or Code Green and ensure that such footage is made available to the Premier League on request.
20. If a head injury event is subsequently identified (that may not have been identified during the Match), the Premier League will store the video footage for such purpose as deemed necessary to discharge its legal and/or regulatory obligations.
- C. HIMA (STAGES 1 – 4)**
21. The HIMA is split into the following stages:
- a. Stage 1 – baseline assessment of Players
 - b. Stage 2 – on-field assessment
 - c. Stage 3 – post Match assessment and follow-up
 - d. Stage 4 – long term follow-up.
22. Clubs should ensure that, in addition to the stages set out above, Players who have sustained a head injury should be regularly monitored for evolving signs and symptoms of concussion in between these stages. The exact frequency of these additional reviews should be determined by the Team Doctor.

Appendix 5

Stage 1 – baseline assessment of Players

23. Clubs must ensure that every Player that is registered in the Club's Squad List has a baseline Sport Concussion Assessment Tool ("**SCAT**") – either the 6th Edition ("**SCAT6**")³ or the latest version of the SCAT – and Immediate Post-Concussion Assessment and Cognitive Testing ("**ImpACT**") performed ("**Baseline Assessment**") either (i) when recruited or (ii) at intervals no greater than two years apart. This should be recorded and if the Player has experienced a recent concussion the Baseline Assessment should be delayed until they have been asymptomatic and returned to unrestricted training and/or participation in Matches for one month.
24. Baseline Assessments and any subsequent SCAT or ImpACT assessments:
- a. should be performed by Clubs in the Player's first language if they do not have a good understanding of English
 - b. must be uploaded by Clubs to the Premier League's electronic system (in place from time to time) within seven days of completion and results must be made available on match day to assist the interpretation of the HIMA.

Stage 2 – on-field assessment

25. Clubs must ensure that all trauma situations are (a) considered by a doctor who holds a current Advanced Trauma Medical Management in Football ("**ATMMiF**") (as required by Rule O.5.1) and (b) addressed in compliance with the ATMMiF guidelines. Clubs (and their medical teams) must follow the on-field HIMA process set out below and in the flowchart at Annex 4.
26. Clubs should adhere to the principle of 'if in doubt, sit them out'. If it is not possible to entirely and confidently exclude a concussive injury, the Player should be removed from the field of play and take no further part in the Match.
27. Clubs must immediately permanently remove from the field of play Players who display one or more of the following list of acute signs and symptoms:
- a. Confirmed loss of consciousness
 - b. Suspected loss of consciousness
 - c. Tonic posturing
 - d. No protective action – floppy
 - e. Convulsion or impact seizure

³ See the International Consensus Statement on concussion in Sport (6th edition, 2023)

Appendix 5

- f. Balance disturbance/ataxia
 - g. Clearly dazed or blank/vacant look
 - h. Apparent confusion
 - i. Amnesia
 - j. Oculomotor signs and/or pupillary abnormalities (e.g. spontaneous nystagmus or involuntary eye movement)
 - k. Significant scalp or facial swelling or deformity
 - l. Nausea and/or vomiting
 - m. Uncharacteristic behaviour
 - n. Headache or pressure in head
 - o. Neck pain due to trauma
 - p. Vertigo, dizziness, drowsiness, unsteadiness
 - q. Blurred or double vision, sensitivity to light
 - r. Tinnitus, deafness, or hyperacusis (noise sensitivity)
 - s. Feeling as though slowing down
 - t. Feeling as if 'in a fog'
 - u. Feeling unwell.
- 28.** If none of the signs or symptoms set out in paragraph 27, above, are present then the rest of the on-field HIMA set out below and in the flowchart at Annex 4 must be completed.
- 29.** Clubs must adhere to the on-field component of the SCAT and, as a minimum requirement, Clubs must perform the following assessments for the on-field HIMA:
- a. Application of ATMMiF protocol, including assessment of the cervical spine/neck
 - b. Assessment of amnesia
 - c. Completion of Pocket Concussion Recognition Tool at Annex 2
 - d. Assessment of oculomotor and pupillary function
 - e. Communication of outcome of the review of the video footage.

Appendix 5

- 30.** Clubs must compare findings in paragraph 29, above, with the relevant aspects of the Player's Baseline Assessment and if there is any evidence of significant deviation or clinical suspicion of a possible concussive injury, the Player must be permanently removed from the field of play and evaluated off the field of play.
- 31.** In conjunction with the on-field HIMA, Clubs must review the video footage on the medical tablets, referenced in paragraphs 9 and 15, above. Any review of the medical tablet video footage should not delay a HIMA if clear signs and symptoms are present. A Player must not return to the field of play unless and until the MVO, the Medical Coordinator and any other individual (as agreed by the Premier League and Clubs from time to time) have reviewed the video footage.
- 32.** The Team Doctor has ultimate responsibility for the Player's welfare and, therefore, save for the circumstances set out in paragraph 18(a), above, they will make the final decision on the withdrawal of the Player from the field of play. Players, Managers and Match Official(s) cannot interfere and/or obstruct the assessment and decision of the Team Doctor.
- 33.** If the Player returns to the field of play, Clubs:
- a. should ensure that there is continued observation with a SCAT re-assessment of the Player at half-time (if relevant) and at the end of the Match to ensure no signs or symptoms have evolved
 - b. must immediately remove the Player from the field of play if any of the acute signs or symptoms become apparent.
- 34.** An additional permanent concussion substitution (as defined above as "APCS") can be used:
- a. immediately after a concussive injury occurs or is suspected
 - b. after an on-field and/or off-field assessment
 - c. at any other time when a concussive injury occurs or is suspected, including when a Player has been previously assessed and returned to the field of play.
- 35.** Should an APCS or normal substitution be utilised in respect of an actual or suspected concussive injury, Clubs must ensure that all follow-up assessment protocols set out in paragraphs 38 and 39, below, and the reporting of the event are completed and recorded on the Premier League's electronic system (in place from time to time).

Appendix 5

36. Following an APCS, a Home Club must ensure that an announcement is made in the Stadium with the following messaging: 'Concussion Substitute for [Club] – [Number/Player], replaced by [Number/Player]'
37. Clubs must ensure that all assessments in Stage 2 when completed are documented on the Premier League's electronic system (in place from time to time) within seven days (of completion) with any requested PDF documents uploaded.

Stage 3 - post Match assessment and follow-up

38. Clubs must adhere to the FA's return to play guidelines⁴ in place from time to time ("**FA RTP Guidelines**") and the additional assessments set out in paragraph 39, below.
39. Clubs must ensure that, irrespective of whether the Player was removed from the field of play, Team Doctors follow-up with every Player that has undergone an on-field HIMA as set out below:

Follow up	Purpose	Timeframe	Assessment(s) to be completed
Head Injury Follow-Up 1 (HIFU 1)	Early identification of a concussion diagnosis	To be completed for every Player within 24 hours of the on-field HIMA or within three hours if the Player has been removed from the field of play	SCAT
Head Injury Follow-Up 2 (HIFU 2)	Late identification of concussion diagnosis	To be completed for every Player 36-72 hours after the on-field HIMA	SCAT ImPACT
Head Injury Follow-Up 3 (HIFU 3)	Detection of continuing neurocognitive deficits and medical clearance	To be completed once Players have successfully completed Stage 4 of the FA RTP Guidelines (Enhanced Care Setting)	SCOAT ImPACT
Return to play (RTP)	Case closure: Return to full training and competition	When the Player is deemed fit to return to full training and competition	Final clinical assessment

40. An abnormal assessment in HIFU 1 and/or HIFU 2 (i.e. the score significantly differs from the Player's Baseline Assessment or from normative results if a Baseline Assessment is not available) confirms a concussion diagnosis. A Club should not exclude a concussion diagnosis until (i) both HIFU1 and HIFU 2 have been

Appendix 5

completed with normal results and (ii) none of the signs and symptoms set out in paragraph 27, above, are present.

41. Clubs should provide all relevant information in respect of concussion management to a Player with a concussive injury (suspected or actual) including, but not limited to, the requirement to not (a) consume alcohol and/or be left alone and/or drive a motor-powered vehicle/machinery for 24 hours after the on-field HIMA and (b) travel overseas until medical clearance is provided.
42. Players presenting with delayed signs or symptoms of a concussive injury, but who were not identified at the time of the head injury event, can enter the process set out in paragraph 38, above, at the relevant stage and Clubs must ensure that, for such Players, the video footage referenced in paragraphs 9 and 15, above, is reviewed.
43. All assessments in Stage 3 when completed must be documented on the Premier League's electronic system (in place from time to time) within seven days (of completion) with any requested PDF documents uploaded.

Stage 4 - long term follow-up

44. Clubs, working with the Premier League, must send a Player for an independent medical expert review if they have had:
 - a. two confirmed concussions in any 12-month period
 - b. more than five confirmed concussions across their football career including academy football
 - c. signs and/or symptoms that persist for more than six days following the event in which he sustained a concussive injury
 - d. concussion diagnosed after an apparent low impact trauma, and/or
 - e. significant decline in their annual Baseline Assessment from the preceding Season.
- D. Review by the Premier League**
45. A Review may be instigated in the event that there is evidence of an alleged breach of the Rules and/or the Protocol (the "**Incident**").

⁴ <https://www.Englandfootball.com/concussion>.

Appendix 5

46. In addition to ascertaining whether any Rules may have been breached, the purpose of the Review is to investigate and identify learning points and recommendations with the aim of enhancing safety in the Premier League and improving outcome(s) in subsequent incidents.
47. The Premier League's Chief Medical Officer, in conjunction with the Chief Football Officer and the Director of Governance (or their nominee, if applicable), will authorise and determine the scope of a Review and appoint an individual to undertake it ("**Reviewer**").
48. The Reviewer will identify the individual(s) who will be able to provide relevant information. This may include (but not be limited to) the Player, Club medical staff, Match Officials, and other Club Officials and representatives of the Premier League present at the Match. The Review may also include the collection of video and/or photographic evidence.
49. The Reviewer will contact the individuals identified in paragraph 48, above, and provide them with a short timeframe (i.e. as expeditiously as practicable) to schedule a meeting to discuss the Review. Any meetings, in person or by video conferencing, shall be recorded.
50. In the event that confidential medical information is to be shared with the Premier League and/or third parties, it is incumbent on the Premier League, the Club and the Player to ensure the Player's consent to disclosure is obtained (and documentary confirmation is provided to the Premier League) and that there are no legal and/or regulatory restrictions preventing or restricting disclosure.
51. The Reviewer will seek oral and/or written evidence from the individual(s) identified in paragraph 48, above, and, if deemed necessary, request information from external individuals to the Club and/or the Premier League. Following a comprehensive review, a report will be prepared, as expeditiously as practicable following the Incident, and, in the first instance, be sent in draft to the Club for observations. Thereafter, the report should be sent to the Chief Medical Officer, the Chief Football Officer and the Director of Governance (or their nominee, if applicable) for their review and consideration of next steps ("**Report**").
52. As a minimum, the Report will cover the following broad areas:
 - a. a summary of the background leading up to the Incident
 - b. a description of the Incident itself

Appendix 5

- c. a timeline of subsequent events and actions identified
 - d. a summary of the statements and comments of those involved
 - e. a summary of the recommendations and/or learning points (such as further education and training). This should include positive reinforcement and, if necessary, identification of areas in which work is required by the Club and/or the Premier League to enhance safety and improve outcome(s) for subsequent incidents.
53. The Report may also include a recommendation for the matter to be considered by the Premier League's Legal team for the following non-exhaustive reasons:
 - a. a deliberate or reckless failure to comply with the Rules and/or the Protocol
 - b. a failure to utilise the medical tablets (as directed)

Annex 1 - Definition of Sport-related concussion

For the purposes of this Protocol, the term concussion is defined as (adapted from McCrory et al., 2017⁵):

Sport-related concussion ('SRC') is a traumatic brain injury induced by biomechanical forces. Several common features that may be utilised in clinically defining the nature of a concussive head injury include the following:

1. SRC may be caused either by a direct blow to the head, face, neck or elsewhere on the body with an impulsive force transmitted to the head.
2. SRC typically results in the rapid onset of short-lived impairment of neurological function that resolves spontaneously. However, in some cases, signs and symptoms evolve over a number of minutes to hours.
3. SRC may result in neuropathological changes, but the acute clinical signs and symptoms largely reflect a functional disturbance rather than a structural injury and, as such, no abnormality is seen on standard structural neuroimaging studies.
4. SRC results in a range of clinical signs and symptoms that may or may not involve loss of consciousness. Resolution of the clinical and cognitive features typically follows a sequential course. However, in some cases symptoms may be prolonged.
5. The clinical signs and symptoms cannot be explained by drug, alcohol, or medication use, other injuries (such as cervical injuries, peripheral vestibular dysfunction, etc.) or other comorbidities (e.g. psychological factors or coexisting medical conditions).

RECOGNISE & REMOVE

Head impacts can be associated with serious and potentially fatal brain injuries. The Concussion Recognition Tool 5 (CRT5) is to be used for the identification of suspected concussion. It is not designed to diagnose concussion.

STEP 1: RED FLAGS – CALL AN AMBULANCE

If there is concern after an injury including whether ANY of the following signs are observed or complaints are reported then the player should be safely and immediately removed from play/game/activity. If no licensed healthcare professional is available, call an ambulance for urgent medical assessment:

- Neck pain or tenderness
- Double vision
- Weakness or tingling/ burning in arms or legs
- Severe or increasing headache
- Seizure or convulsion
- Loss of consciousness
- Deteriorating conscious state
- Vomiting
- Increasingly restless, agitated or combative

Remember:

- In all cases, the basic principles of first aid (danger, response, airway, breathing, circulation) should be followed.
- Assessment for a spinal cord injury is critical.
- Do not attempt to move the player (other than required for airway support) unless trained to do so.
- Do not remove a helmet or any other equipment unless trained to do so safely.

If there are no Red Flags, identification of possible concussion should proceed to the following steps:

STEP 2: OBSERVABLE SIGNS

Visual clues that suggest possible concussion include:

- Lying motionless on the playing surface
- Slow to get up after a direct or indirect hit to the head
- Disorientation or confusion, or an inability to respond appropriately to questions
- Blank or vacant look
- Balance, gait difficulties, motor incoordination, stumbling, slow laboured movements
- Facial injury after head trauma

© Concussion in Sport Group 2017

STEP 3: SYMPTOMS

- Headache
- “Pressure in head”
- Balance problems
- Nausea or vomiting
- Drowsiness
- Dizziness
- Blurred vision
- Sensitivity to light
- Sensitivity to noise
- Fatigue or low energy
- “Don’t feel right”
- More emotional
- More Irritable
- Sadness
- Nervous or anxious
- Neck Pain
- Difficulty concentrating
- Difficulty remembering
- Feeling slowed down
- Feeling like “in a fog”

STEP 4: MEMORY ASSESSMENT

(IN ATHLETES OLDER THAN 12 YEARS)

- Failure to answer any of these questions (modified appropriately for each sport) correctly may suggest a concussion:**
- “What venue are we at today?”
 - “Which half is it now?”
 - “Who scored last in this game?”
 - “What team did you play last week/game?”
 - “Did your team win the last game?”

Athletes with suspected concussion should:

- Not be left alone initially (at least for the first 1-2 hours).
- Not drink alcohol.
- Not use recreational/ prescription drugs.
- Not be sent home by themselves. They need to be with a responsible adult.
- Not drive a motor vehicle until cleared to do so by a healthcare professional.

The CRT5 may be freely copied in its current form for distribution to individuals, teams, groups and organisations. Any revision and any reproduction in a digital form requires approval by the Concussion in Sport Group. It should not be altered in any way, rebranded or sold for commercial gain.

ANY ATHLETE WITH A SUSPECTED CONCUSSION SHOULD BE IMMEDIATELY REMOVED FROM PRACTICE OR PLAY AND SHOULD NOT RETURN TO ACTIVITY UNTIL ASSESSED MEDICALLY, EVEN IF THE SYMPTOMS RESOLVE

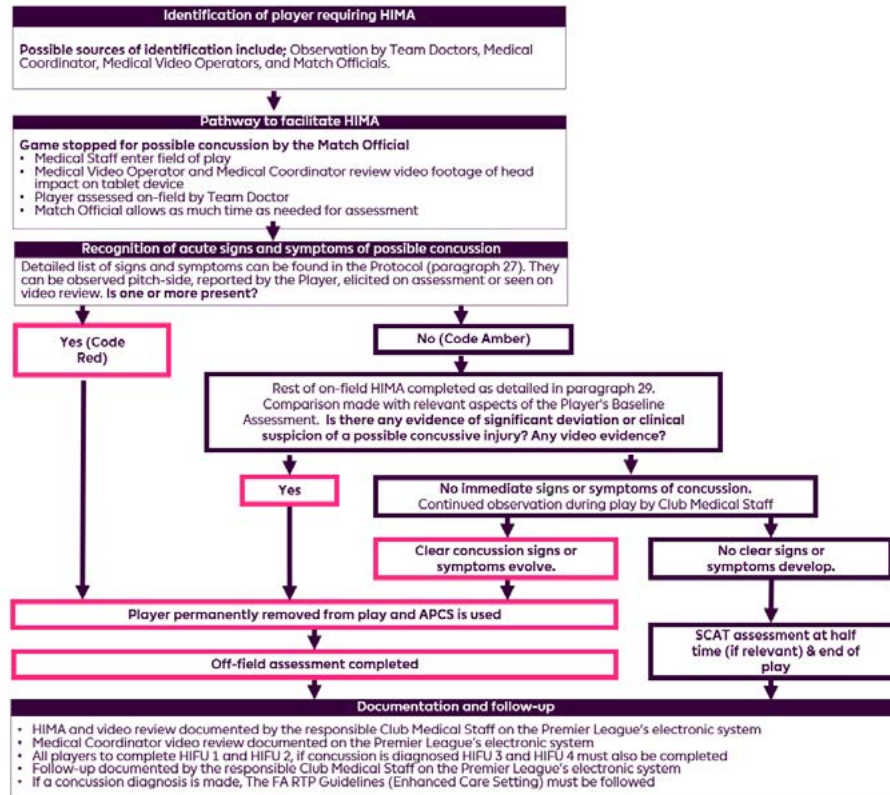

Annex 3 - Definitions

International consensus definitions (Davis et al, 2019⁶) for visible signs suggestive of concussion on video review are set out in the table below.

Sign/Symptom	Definition
Lying motionless	Lying without purposeful movement on the playing surface, for >2 seconds. Does not appear to move or react purposefully, respond or reply appropriately to the game situation (including teammates, opponents, umpires or medical staff).
Motor incoordination	Appears unsteady on feet (including losing balance, staggering/stumbling, struggling to get up, falling), or in the upper limbs (including fumbling). May occur in rising from the playing surface, or in the motion of walking/running/skating.
Impact seizure	Involuntary clonic movements that comprise periods of asymmetric and irregular rhythmic jerking of axial or limb muscles.
Tonic posturing	Involuntary sustained contraction of one or more limbs (typically upper limbs), so that the limb is held stiff despite the influence of gravity or the position of the player. The tonic posturing could involve other muscles such as the cervical, axial, and lower limb muscles. Tonic posturing may be observed while the athlete is on the playing surface, or in the motion of falling, where the player may also demonstrate no protective action.
No protective action – floppy	Falls to the playing surface in an unprotected manner (i.e. without stretching out hands or arms to lessen or minimise the fall) after direct or indirect contact to the head. The player demonstrates loss of motor tone (which may be observed in the limbs and/or neck) before landing on the playing surface.
Blank/vacant look	The player exhibits no facial expression or apparent emotion in response to the environment. It may include a lack of focus/attention of vision. Blank/vacant look is best appreciated in reference to the athlete’s normal or expected facial expression.

 - 27.1 the status of each of the Transferor Club and the Transferee Club;
 - 27.2 the age of the Player;

 - 4.2 appointing individual members of the Judicial Panel to sit on Commissions, Appeal Boards, tribunals and otherwise, as provided for in the Rules;
 - 4.3 where appropriate, and pursuant to paragraph 20, below, appointing on an ad-hoc basis individuals who are not members of the Judicial Panel, but whom he considers would be suitable for the particular appointment, to sit on Commissions, Appeal Boards, tribunals and otherwise, as provided for in the Rules;
 - 4.4 where appropriate, sitting as a member of an Appeal Board (whether as chair or otherwise);

 5. The Chair of the Judicial Panel shall, at their discretion, appoint a deputy chair from the membership of the Judicial Panel to assist with such tasks as they think fit. They may also delegate any administrative and/or secretarial function required by their role to any other member or employee of their chambers or firm, as appropriate.
- #### C. Composition of the Judicial Panel
6. The Judicial Panel shall comprise a Disciplinary Panel and an Appeals Panel, appointments to which shall be the responsibility (and at the discretion) of the Chair of the Judicial Panel, save that no member of the Judicial Panel shall:

Appendix 15

D. Term and termination

- 11. Subject to paragraph 13, below, the term of each member of the Judicial Panel shall be 10 years. At the end of that term, the member may be reappointed for a further term by the Chair of the Judicial Panel, at their absolute discretion.
- 12. A member of the Judicial Panel appointed for any purpose provided for by the Rules may continue to act on the matter for which they were so appointed notwithstanding that their term of office has expired, with the permission of the Chair of the Judicial Panel. Where the Chair of the Judicial Panel does not grant such permission, any questions as to the future progress of the matter shall be determined by the Chair of the Judicial Panel at his absolute discretion.
- 13. The appointment of any member of the Judicial Panel (including the Chair) shall cease before the conclusion of the applicable term if:
 - 13.1 by notice in writing to the Chair of the Judicial Panel, the member resigns from the Judicial Panel;
 - 13.2 the member accepts a position that would render the member ineligible from appointment to the Judicial Panel, in accordance with paragraph 6, above;
 - 13.3 the member becomes subject to any of the matters set out in Rule F.1; and
 - 13.4 in the opinion of the Chair of the Judicial Panel:
 - 13.4.1 the member becomes physically or mentally incapable of discharging their duties as a member of the Judicial Panel; and/or
 - 13.4.2 the member has refused or failed to conduct proceedings properly and/or efficiently and expeditiously and in either case substantial injustice has as a result been caused to a party to such proceedings.

E. Miscellaneous

- 14. The Chair of the Judicial Panel shall be remunerated for their role as Chair by way of an annual fee or salary, payable by the League (with the level of fee agreed for the entire term at the start of the term). The terms of their appointment shall, at the start of the term, be subject to the approval of the Premier League's Audit and Remuneration Committee.
- 15. Each member of the Judicial Panel will be paid a daily rate for their work on matters covered in these Terms of Reference, the level of which shall be agreed by the League and the Chair of the Judicial Panel and subject to the approval of the Premier League's Audit and Remuneration Committee. In addition, members of the Judicial Panel may be reimbursed for any reasonable out of pocket expenses incurred during the course of their work.

- 16.** Liability for payment of the sums referred to at paragraph 15, above, shall be determined in accordance with the Rules and, in particular, the provisions empowering Commissions, Tribunals and Appeal Boards to impose cost orders. Where the Rules are silent as to liability for payment of the sums referred to at paragraph 15, above, the matter shall be referred to the Chair of the Judicial Panel to determine in such manner as they think fit.
- 17.** No amendment to these Terms of Reference shall be made without the approval of Clubs at a General Meeting. Any amendment made pursuant to this paragraph 17 shall be effective immediately and shall be binding on all members of the Judicial Panel, including the Chair, all Clubs and the League.
- 18.** Any hearings, appeals, deliberations or proceedings of any description held pursuant to or arising from the Rules which are in progress as of 6 February 2020 shall continue in full force and effect, without variation, with any individuals validly appointed to conduct such matters under any iterations of the Rules previously in force fully empowered to conclude those matters, whether or not those individuals are (or become) members of the Judicial Panel.
- 19.** Save where specifically defined in these Terms of Reference, capitalised terms bear the meaning given to them in the Premier League's Articles of Associations and/or the Rules (including the YDRs).
- 20.** Notwithstanding all of the above, the Chair of the Judicial Panel may, in their absolute discretion, when appointing Commissions, Appeal Boards, tribunals and otherwise, as provided for in the Rules, appoint on an ad hoc basis individuals who are not members of the Judicial Panel but whom they consider would be suitable for the particular appointment (and for the period of their temporary appointment each such person will be considered a member of the Judicial Panel). It is anticipated that the Chair of the Judicial Panel will exercise this power only in exceptional circumstances (for example, where specific and/or unforeseen knowledge or expertise is required). Those individuals appointed on an ad hoc basis will be subject to the same daily rates and the same approach to expenses reimbursement as members of the Judicial Panel.

Appendix 16

COVID-19 Emergency Protocol

(Rule O.24)

1. In the event of:
 - a. a Club experiencing an Outbreak (as defined in any Outbreak Protocol issued by the League);
 - b. the imposition of new Government restrictions (whether imposed at a local or national level) in response to an escalation in the public health risks posed by COVID-19 (whether due to the emergence of a new variant of COVID-19, an increase in the COVID-19 infection rate or otherwise); or
 - c. the Board determining that a worsening of the COVID-19 outlook at either a local or national level poses a material risk to the staging of multiple League Matches (whether or not Government imposes new restrictions in response),

the League may implement such emergency measures (either on one Club, a group of Clubs or all Clubs) as it considers necessary to enhance the bio-security of any venue at which Players or Academy Players are trained or coached and/or any League Matches are staged, protect the safety of Players, Academy Players and Officials, minimise the spread of COVID-19 among those groups so far as possible and maintain Government and stakeholder support for the continuation of training and League Matches involving the Club ("**Emergency Measures**").

2. While the specifics of any Emergency Measures will be for the League to determine, for the avoidance of doubt, they may include some or all of the following:
 - a. a mandatory regime for COVID-19 surveillance testing of the Club's Players and Officials;
 - b. accreditation and/or screening requirements to access training and League Match venues;
 - c. restrictions on the use of indoor spaces at training and League Match venues (including limitations on numbers and modification of areas to enable social distancing);
 - d. restrictions on manual therapy of Players, Academy Players and Officials;
 - e. restrictions on the use of showering or bathing facilities, ice baths and/or cryogenic chambers;
 - f. restrictions on training methods;
 - g. requirements in respect of personal protective equipment (including face coverings);
 - h. limitation or suspension of Academy activities;
 - i. restrictions on team travel;
 - j. restrictions on the preparation and service of food and beverages within training and League Match venues; or

Appendix 16

- k. additional monitoring measures to ensure compliance with the Emergency Measures (including the presence of Premier League representatives at the Training Ground/Academy Training Ground to monitor compliance).

Guidance

While any decision as to the imposition and nature of Emergency Measures will be at the discretion of the League, prior to taking any such decision it will procure advice from the Premier League Football Medical Governance Group and, where possible within time constraints, consult with the relevant Club(s).

3. Where the League implements Emergency Measures:
 - a. they will be time-limited and subject to regular review by the League to ensure that they continue to be necessary and proportionate; and
 - b. any Club subject to the Emergency Measures must comply with them in all respects. Failure to do so will constitute a breach of the Rules.

Appendix 17

Competition Interruption - Squad Management Protocol

A. Introduction

1. This document details a range of measures that Clubs have agreed, pursuant to Rule C.18, may be implemented by the Board in the event that it considers them necessary to ensure the completion of a Competition. In accordance with Rule C.19, they may be implemented by written notice to Clubs ("**Implementation Notice**").
2. Any of the below, though more particularly elements of Section B, may be subject to future overriding FIFA regulations and be updated accordingly as a result.

B. Postponement of League Matches

Guidance

3. Following the issue of an Implementation Notice, the Board will only permit the rearrangement or postponement of a League Match in exceptional circumstances, which will be judged on a case-by-case basis.
4. However, by way of guidance to Clubs:
 - a. permission will not be granted to postpone a League Match where the applicant Club has 14 or more Players listed on its Squad List available;
 - b. where the Club has fewer than 14 such Players available to participate in the relevant League Match, the Board may permit the application, save where one or more of the following scenarios applies:
 - i. one or more of the Club's Squad List Players' inability to participate is attributable to a failure by the Club or the Player concerned to comply with any medical (or other) protocol issued by the Board in accordance with Rule C.18 ("**Protocol**");
 - ii. one or more of the Club's Squad List Players' inability to participate is as a result of the Player being subject to Government-mandated isolation following a return from overseas; and
 - iii. the Club was able to utilise a Replacement Player (as defined at paragraph 11, below) but, for whatever reason, failed to do so.
5. Further, in respect of any application by a Club to reschedule or postpone a League Match due to concerns regarding insufficient Squad List Players, the Board will also give consideration to:
 - a. the number of registered Under 21 Players (and their relevant experience) available to the Club at the relevant time. Clubs will be expected to utilise appropriately experienced Under 21 Players. This will include any Under 21

Appendix 17

Player who has made a first team appearance for:

- i. the Club;
 - ii. another Premier League or EFL club; and
 - iii. an overseas club; and
- b. the relevant position(s) of the Squad List Player(s) who is/are unavailable (for example, the availability of appropriately experienced goalkeepers).
6. For the avoidance of doubt, the Board believes that it would be extremely difficult to realistically apply and enforce any sort of subjective weighting against the level of a Player who may become unavailable for whatever reason.

Process

7. Any application by a Club for the Board to exercise its discretion to rearrange or postpone a League Match must be:
 - a. made as far in advance of the relevant League Match as reasonably practicable; and
 - b. accompanied by all evidence that the Club wishes the Board to consider in support of its application.
8. If the Club's application is turned down by the Board, the Club must complete the fixture.
9. In the event that the Club refuses to complete the fixture, and the Board determines that a Club has:
 - a. failed to use its best endeavours to ensure that a League Match takes place on the scheduled time and date; and/or
 - b. causes the postponement of a League Match,
 the matter will be dealt with in accordance with Section W (Disciplinary) of the Premier League Rules. In the event that the matter is referred to the Chair of the Judicial Panel, who appoints a Commission to hear the complaint, that Commission will have the sanctioning powers set out at Rule W.51.4 (including the power to deduct points to be scored in a League Match).

C. Squad management

10. Following the issue of an Implementation Notice, the provisions of this Section C will apply, subject to the rules and regulations of FIFA and The FA.

Appendix 17

11. In the event that a Club loses one or more Players from its Squad List in place prior to the interruption of the Competition, whether due to:
 - a. the Player's contract expiring and the Club and Player being unable to agree a new contract or an appropriate extension;
 - b. the Player being on loan and the two Clubs/clubs and Player being unable to agree an appropriate extension;
 - c. the Player refusing to train or play due to concerns over COVID-19 or equivalent;
 - d. the Player self-isolating because they have been in close contact with someone showing symptoms of COVID-19 or equivalent; and
 - e. the Player becoming infected with COVID-19 or equivalent or becoming injured due to the increased volume of League Matches,
 the Board will only consent to the replacement of the lost Player(s) in its Squad List with:
 - f. any player who was registered with (and eligible to play for) the Club prior to the suspension but who was not included in the Squad List; or
 - g. a Player who is returning to the Club following an expired loan with another club and then only in the circumstances detailed at paragraph 12.a, below,
 (in either case, a **"Replacement Player"**).
12. Further, in considering whether to grant consent for the Replacement Player to be added to the Squad List outside of a Transfer Window, the Board will be mindful of the following factors:
 - a. in accordance with FIFA Regulations, the Player must have been on loan to a club in a league which has been curtailed. If subsequent FIFA Guidance relaxes this restriction that will be reflected accordingly;
 - b. where a Player previously available to the Club has become unavailable due to the expiry of his contract or a loan, what steps the Club has taken to agree an appropriate extension with that Player (and his parent Club/club, as appropriate);
 - c. the availability of *'appropriately experienced Under 21 Players'* (as referred to at paragraph 5.a, above) registered to the Club;
 - d. the guidance in respect of goalkeepers set out in the League's Squad Limits Guidance Note; and

Appendix 17

- e. whether the Player had previously been on the Club's Squad List during the relevant season.
 13. Clubs retain the ability under Rule U.1 to field Under 21 Players without restriction.
- D. Full Strength Teams**
14. Rule L.21 requires Clubs to field a full-strength team in every League Match.
 15. The League's Squad Limits Guidance Note provides that *'where a team is drawn exclusively from its Squad List as submitted to the Premier League, then such team will be classed as "full strength" for the purposes of this Rule.'*
 16. The Rule requiring full strength teams should remain unamended to protect the integrity of the competition and ensure fairness to all.
 17. The Board will not consider the Rule to have been breached where a team fielded by a Club (i.e. its starting 11) is comprised solely of Players from its Squad List. However, while all cases will be considered on their merits, where a team fielded by a Club features Players who are not on its Squad List, when other Players from its Squad List are available to play, it may elect to take disciplinary action in accordance with Section W (Disciplinary) of the Rules.
- E. Disciplinary approach**
18. Following the issue of an Implementation Notice, the following disciplinary and procedural provisions shall apply in respect of breaches of any Protocol.
 19. As with all disciplinary matters, ultimately any allegation of a breach of a protocol will be dealt with on its facts, on a case-by-case basis. However, given the critical importance of adherence to Protocols in place following an interruption to a Competition and the unanimous view of Clubs that breaches should be dealt with swiftly and with significant consequences, the Board envisages adopting the following approach:
 - a. where an alleged breach of a protocol is reported the Board will consider a range of factors, including those set out in the following non-exhaustive list:
 - i. the extent to which the breach has compromised the safety of one or more other Relevant Persons;
 - ii. the extent to which the breach was intended to secure (and/or did secure) a competitive advantage;

Appendix 17

- iii. the state of mind of those committing the breach (e.g. inadvertent, negligent or intentional);
 - iv. the number of individuals involved in the breach; and
 - v. whether the breach represents a repeated breach of the Protocol by the Club; and
- b. having considered these factors, the Board will determine which of the following three categories the breach falls into, and take the disciplinary action set out in the adjacent column:

Nature of breach	Board approach
Minor breach	Warning and reprimand, which are retained on file
Standard breach	Fine of up to £100,000 (in line with its summary jurisdiction)
Significant breach	Refer the matter to a Commission

20. Where the Board refers a breach to a Commission, Section W (Disciplinary) of the Rules provides that a prescribed timetable is ordinarily followed, resulting in a period of at least a month before a hearing is convened and an award issued (Clubs have 14 days to respond to a complaint, with the Board having a further 14 days to reply, before a directions hearing is convened to set out a further timetable, again with the parties able to agree abridged timetables). However, all of the relevant timeframes can be abridged either with the consent of the Chair of the Judicial Panel/Commission or the agreement of the parties (see Rule W.31).
21. The Board considers it essential that allegations of breaches of a Protocol are dealt with as expeditiously as possible, given the condensed timeframes in which the remainder of the relevant season will be completed. To that end, it proposes that, in every case where an alleged breach of a Protocol is referred to a Commission:
- a. the complaint should be issued by email (rather than recorded delivery post) and is deemed to be received on the same day (rather than three days after posting);
 - b. the Chair of the Judicial Panel should be required to appoint a Commission within 24 hours of the matter being referred to them;
 - c. within 24 hours of their appointment, the Commission must convene a directions hearing to determine a timeline for resolving the case and to consider the matters set out at Rule W.38 (rather than such a hearing being convened after submissions have been exchanged); and

Appendix 17

- d. the presumption will be that all cases should be dealt with within seven days, save that:
 - i. either the Board or an affected Club can apply to the Commission at the directions hearing for an extended timetable in exceptional circumstances; and/or
 - ii. where the Board considers that urgent provisional measures are required (for example, where ongoing conduct of a Club is demonstrably risking the safety of one or more individuals), it may apply to the Chair of the Judicial Panel for these timelines to be abridged further.

Appendix 18

Fair Market Value Assessment Protocol – Commercial Rights Agreements

A. Application

1. This Fair Market Value Assessment Protocol – Commercial Rights Agreements (“**CRA Protocol**”) sets out the process by which the Board will conduct the Fair Market Value Assessment required by the Rules in relation to the following types of Associated Party Transactions and Threshold Transactions:
 - a. sponsorship or licensing agreements or agreements pursuant to which the counterparty is granted a right of association with the Club, any Player, its Manager or any Senior Official of the Club; and
 - b. agreements pursuant to which the counterparty advertises its brand, products or services in any way with the Club, whether in its Stadium, Training Ground, website or otherwise.
2. Capitalised terms not otherwise defined in this Protocol bear the meaning given to them in the Premier League Rules (“**Rules**”).

B. Rules

3. Fair Market Value is defined as follows:

“Fair Market Value” means the amount for which an asset, right or other subject matter of the Transaction would be sold, licensed or exchanged, a liability settled, or a service provided, between knowledgeable, willing parties engaging in an arm’s length transaction in normal market conditions;

Guidance

‘Normal market conditions’ are typically those in which revenues bear a reasonable relationship to any costs incurred, taking into account the economic value of the product supplied or service provided.

Normal market conditions shall typically be assessed through benchmarking, i.e. in light of the terms under which comparable Transactions carried out by comparable Clubs have taken place in comparable circumstances.

Adopting a tender process that attracts bids from non-Associated Party bidders is good evidence that the resulting Transaction has been concluded in normal market conditions, subject to any applicable Fair Market Value Assessment. However, that will be the case only where the necessary conditions are satisfied, being non-discriminatory treatment of all bidders at all stages of the procedure and objective selection and award criteria being specified in advance of the process. For completeness, a lack of competing bids from non-Associated Parties is not, in and of itself, determinative that the Transaction in question has not been concluded in normal market conditions.

Appendix 18

In any event, an assessment of normal market conditions shall consider all the relevant circumstances of the particular case. There can be exceptional circumstances in which a Transaction, even if carried out at market prices, may not be considered in line with market conditions. For instance, and by way of example only, where a Transaction does not meet an actual need of the Associated Party, they may not be acting in a manner similar to that of a non-Associated Party under normal market conditions. Accordingly, Transactions carried out under such conditions may confer an advantage on a Club which it would not have obtained under normal market conditions.

4. Fair Market Value Assessment is defined as follows:

“Fair Market Value Assessment” means an assessment as to whether the consideration either paid or received or to be paid or received by the Club, Player, Manager or Senior Official (as applicable) pursuant to a Transaction represents Fair Market Value. In conducting a Fair Market Value Assessment, the Board is required to:

(a) consider:

- (i) *an assessment of the value of the Transaction produced by an independent expert procured by the Board (save that the Board may elect not to obtain an assessment by an independent expert where the Transaction in question involves no consideration paid or to be paid to the Club, Player, Manager or Senior Official or involves the sale or loan of a Player’s registration);*
- (ii) *any relevant information provided by the Club (including any assessment of the value of the Transaction produced or procured by the Club); and*
- (iii) *such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment; and*

(b) *comply with any protocols agreed by Clubs for that purpose (including the Fair Market Value Assessment Protocol – Commercial Rights Agreements). For the avoidance of doubt, where there is no such protocol in place applicable to a particular type of Transaction, the Board will conduct the Fair Market Value Assessment as it sees fit, in compliance with paragraph (a), above;*

C. Process

5. Where a Club is required to submit a Transaction to the League pursuant to Section E of the Rules, it must submit the following to the League, via the Databank referred to at Rule E.75:

- a. all relevant information required to accurately complete the Databank submission form;
- b. a copy of the documents recording in full the terms and conditions of the Transaction;
- c. where the Transaction is an Associated Party Transaction:
 - i. any relevant information, evidence or submissions that the Club wishes to be considered by the Board as to the Fair Market Value of the Transaction, bearing in mind the FMV Assessment Factors set out below;
 - ii. any other relevant information which the Board might reasonably expect or request to be provided with in order to complete its Fair Market Value Assessment of the Associated Party Transaction, including all relevant information regarding any arrangement, understanding, agreement or other incentive directly or indirectly with the Club or any other Associated Party of the Club, bearing on, or potentially relevant to, the contracting Associated Party's decision to enter into the Associated Party Transaction or the market conditions in which the Associated Party Transaction was negotiated;
 - iii. the declaration of a director (or equivalent) of the relevant Associated Party by way of confirmation that they consider the Associated Party Transaction to be at Fair Market Value (pursuant to Rule E.56);
 - iv. a summary and documentary evidence of any prospecting process conducted by the Club, including:
 - whether a prospecting process took place (and if no such process took place, an explanation as to the genesis of the Transaction);
 - whether the Club engaged an agency in its process and, if so, the terms of the agency arrangement;
 - details of how many brands the Club (and/or the agent) approached, how many brands responded expressing interest, how many brands the Club (and/or the agent) met with, how many offers were received and, details of those offers including:
 - the identity of the offering party and jurisdiction(s) in which they operate;
 - the term of the offer;
 - whether the partnership proposed is regional or global;
 - the fee structure; and
 - the inventory to be provided; and

- v. a summary and documentary evidence of the counterparty's rationale for entering into the Transaction, including its key marketing objectives, its key target markets, and its key customer target, to the extent the Club has access to such information and having taken reasonable steps to procure that such evidence is submitted to the League; and
 - d. where the Transaction is a Threshold Transaction that the Club does not consider to be an Associated Party Transaction, any information, evidence or submissions that the Club wishes to be considered by the Board as to whether the Transaction is at Arm's Length.
6. Where a Fair Market Value Assessment of the Transaction is required, the Board will procure an assessment by an independent assessor with suitable experience and expertise ("**Independent FMV Assessor**"). For that purpose, the Independent FMV Assessor will be:
- a. provided with, to the extent applicable:
 - i. a copy of the documents recording in full the terms and conditions of the Transaction and information provided in the Databank submission form, with all references to any specific fees or other consideration payable to the Club, Player, Manager or Senior Official redacted (with such redactions the responsibility of the Club);
 - ii. a summary of the fee structure (without any specific reference to the value of fees paid or payable), including payment schedule, the structure of any bonuses, royalties or contingent payments;
 - iii. a summary of any associated fees paid or payable by the Club (as a percentage of revenue to be derived from the Transaction);
 - iv. a summary of other elements of value provision, including 'value-in-kind' and any services to be provided;
 - v. all other documents and information submitted by the Club for the purpose of the Fair Market Value Assessment in accordance with paragraph 5.c; and
 - vi. details of specific Transactions submitted to the Databank which are identified as being appropriate and relevant to the Independent FMV Assessor's assessment; and
 - b. required to provide to the Board an assessment of what constitutes Fair Market Value for the Transaction, based on the FMV Assessment Factors.

Guidance

For the purpose of paragraph 6.a.vi above, appropriate and relevant Transactions will be provided by the League's Regulatory team following identification by the Independent FMV Assessor of: (i) Transactions that it is aware of from public information; and (ii) categories of appropriate and relevant Transactions (including, by way of example only, comparable Clubs, sponsorship type and sponsorship sector).

7. The League will take such steps as are necessary to ensure no conflict of interest in the role of the Independent FMV Assessor in respect of any Fair Market Value Assessment and that competitively sensitive information made available to the Independent FMV Assessor is kept appropriately confidential.
8. Where, at any point in the Fair Market Value Assessment process, the League or the Independent FMV Assessor considers that further information or documents from the Club is required in order to reach a conclusive decision as to the Fair Market Value of the Transaction, the League may request such information or documents from the Club, Player, Manager or Senior Official, who/which must provide complete and prompt assistance in respect of any such request. The Board will take into consideration, including drawing possible adverse inferences, any failure by a Club, Player, Manager or Senior Official to provide requested information or documents when assessing whether a Transaction is at Fair Market Value.

D. FMV Assessment Factors

9. In providing its assessment of what constitutes Fair Market Value of a Transaction, the Independent FMV Assessor must consider all information that is appropriate, relevant and readily available to it, bearing in mind the following non-exhaustive list of relevant factors (the **"FMV Assessment Factors"**):
 - Fees derived from comparable Transactions in football (and, secondarily, comparable Transactions in other sports or industries of similar profiles, of which the Independent FMV Assessor is aware). For the avoidance of doubt it is likely that comparable football transactions will be most applicable
 - Fees derived for any preceding Transaction entered into by the Club in the same category (if appropriate and applicable)
 - Term of the Transaction (including, in respect of renewals of existing Transactions, the remaining term of the arrangement)
 - Whether the Transaction is a new partnership or renewal
 - Industry sector of the counterparty brand and applicable product category
 - Tier of the partnership
 - Assets and rights delivered as part of the Transaction
 - Media exposure of assets

- Products, services or value in kind provided by the counterparty
- Any renewal provisions or options granted to the relevant counterparty
- Any additional obligations to be performed by the Club as part of the Transaction
- Obligations on both parties
- Scarcity of assets (including the number of partners that the Club, Player, Manager or Senior Official already has and the extent to which relevant commercial rights have already been sold)
- Evidence of the existence or absence of other offers (particularly from non-Associated Parties) to engage in the Transaction, at a similar level for similar assets and rights, to include (for example) information regarding the identity of other bidding parties, the stage to which negotiations with those parties progressed, the terms of any formal or written offers made and/or whether the Club engaged an agency or similar to identify the Associated Party and/or underbidders, and the terms of any such agency agreements
- Market trends
- Source and sufficiency of funding of the counterparty
- The presence of a competitive market for the Club in respect of the Transaction (and whether the Transaction was, in fact, concluded in that market)
- The 'normal market conditions' expected to apply to a Transaction of the type under consideration
- In respect of Clubs:
 - Fan base of the Club (including social media following, global audience and media footprint)
 - Brand value of the Club
 - Geographic spread of fanbase, including elements which may be of particular appeal to particular partners (such as demographic information)
 - Club commercial strategy
 - Playing success of the Club (both in domestic and international club competitions)
 - The relevant Club's track record of achieving partnership/commercial deal values and delivering returns on partner investment
 - Geographical location of Club
 - Playing or coaching talent currently (or previously) employed by the Club
 - Developments likely to affect the Club's performance or fanbase in the future
 - Evidence of the process undertaken by the Club to identify the counterparty to the Transaction
- In respect of the specific counterparty to the Transaction:
 - Whether the counterparty is an existing partner of the Club
 - Key marketing objectives

- Key target markets and the counterparty's current presence in those markets
 - Key target customers
10. The weight attached to any individual FMV Assessment Factor shall be at the discretion of the Independent FMV Assessor, dependent on the particular Transaction being assessed.
 11. Once it has conducted the assessment referred to at paragraph 6, above, the Independent FMV Assessor will provide a written determination to the League's Regulatory Legal department setting out its decision as to what the Fair Market Value of the Transaction is (whether expressed as a single value or a range of values, as it deems appropriate) and an explanation of that decision.

E. Board Assessment

12. The burden of proof is on the Club submitting the Transaction to demonstrate that it is at Fair Market Value.
13. Once in receipt of the Independent FMV Assessor's written determination, the League's Regulatory team (having considered the FMV Assessment Factors) will provide to the Board a written report including the following:
 - a. the information provided to the League by the Club, pursuant to paragraph 5, above;
 - b. the Independent FMV Assessor's written determination; and
 - c. such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment.
14. In order to inform the report referred to at paragraph 13 above, the League's Regulatory team may obtain any further expert input it considers necessary to assist the Board with the Fair Market Value Assessment.
15. The Board will take such steps as are necessary to ensure no conflict of interest in respect of any Fair Market Value Assessment and that competitively sensitive information is kept appropriately confidential including, for example, by ensuring that no members of the Board involved in the marketing and sale of the League's rights in any product or service category are involved in the consideration of a Fair Market Value Assessment of a Transaction in that same category.
16. Where, having reviewed the report referred to at paragraph 13, above, and having considered any other information available to it and the FMV Assessment Factors, the Board determines, in its reasonable opinion, it is not satisfied that

- the Transaction is at Fair Market Value, it will inform the Club, Player, Manager or Senior Official of its provisional determination as to the Fair Market Value of the Transaction in writing. The Club, Player, Manager or Senior Official will then be given seven days in which to respond to this provisional determination. Where following receipt and consideration of the response, the Board remains of the view that it is not satisfied that the Transaction is at Fair Market Value, it will confirm that decision in writing and Rule E.67 will apply.
17. Where, having completed a Fair Market Value Assessment, the Board determines that, in its reasonable opinion, the relevant Transaction does not fall to be restated to Fair Market Value, it will confirm the same to the Club and no further action will be required.

Appendix 19

Fair Market Value Assessment Protocol - Player Registrations

A. Application

1. This Fair Market Value Assessment Protocol – Player Registrations (“**Player Registrations Protocol**”) sets out the process by which the Board will conduct the Fair Market Value Assessment required by the Rules in relation to any Associated Party Transaction (or any Threshold Transaction that the Board considers should be subjected to a Fair Market Value Assessment pursuant to Rule E.64) under which the permanent or temporary registration of a player registration is effected (a “**Player Registration**”).
2. Capitalised terms not otherwise defined in this Protocol bear the meaning given to them in the Premier League Rules (“**Rules**”).

B. Rules

3. Fair Market Value is defined as follows:

“Fair Market Value” means the amount for which an asset, right or other subject matter of the Transaction would be sold, licensed or exchanged, a liability settled, or a service provided, between knowledgeable, willing parties engaging in an arm’s length transaction in normal market conditions;

Guidance

‘Normal market conditions’ are typically those in which revenues bear a reasonable relationship to any costs incurred, taking into account the economic value of the product supplied or service provided.

Normal market conditions shall typically be assessed through benchmarking, i.e. in light of the terms under which comparable Transactions carried out by comparable Clubs have taken place in comparable circumstances.

An assessment of normal market conditions shall consider all the relevant circumstances of the particular case. There can be exceptional circumstances in which a Transaction, even if carried out at market prices, may not be considered in line with market conditions. Accordingly, Transactions carried out under such conditions may confer an advantage on a Club which it would not have obtained under normal market conditions.

4. Fair Market Value Assessment is defined as follows:

“Fair Market Value Assessment” means an assessment as to whether the

Appendix 19

consideration either paid or received or to be paid or received by the Club, Player, Manager or Senior Official (as applicable) pursuant to a Transaction represents Fair Market Value. In conducting a Fair Market Value Assessment, the Board is required to:

- (a) consider:
 - (i) an assessment of the value of the Transaction produced by an independent expert procured by the Board (save that the Board may elect not to obtain an assessment by an independent expert where the Transaction in question involves no consideration paid or to be paid to the Club, Player, Manager or Senior Official or involves the sale or loan of a Player’s registration);
 - (ii) any relevant information provided by the Club (including any assessment of the value of the Transaction produced or procured by the Club); and
 - (iii) such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment; and
- (b) comply with any protocols agreed by Clubs for that purpose (including the Fair Market Value Assessment Protocol – Commercial Rights Agreements). For the avoidance of doubt, where there is no such protocol in place applicable to a particular type of Transaction, the Board will conduct the Fair Market Value Assessment as it sees fit, in compliance with paragraph (a), above.

C. Process

5. Where a Club is required to submit a Transaction to the League pursuant to Section E of the Rules that involves a Player Registration, it must:
 - a. indicate when uploading the relevant documents to the League’s Football Administration System (“**FAS**”), whether the Transaction is a Threshold Transaction, an Associated Party Transaction or neither, using the tick boxes included in FAS for that purpose; and
 - b. where the Transaction is an Associated Party Transaction, submit:
 - i. via FAS any relevant information, evidence or submissions that the Club wishes to be considered by the Board as to the Fair Market Value of the Transaction, bearing in mind the FMV Assessment Factors set out below;
 - ii. any other relevant information which the Board might reasonably expect or request to be provided with in order to complete its Fair

Market Value Assessment of the Associated Party Transaction, including all relevant information regarding any arrangement, understanding, agreement or other incentive directly or indirectly with the Club or any other Associated Party of the Club, bearing on, or potentially relevant to, the contracting Associated Party's decision to enter into the Associated Party Transaction or the market conditions in which the Associated Party Transaction was negotiated;

- iii. the declaration of a director (or equivalent) of the relevant Associated Party by way of confirmation that they consider the Associated Party Transaction to be at Fair Market Value (pursuant to Rule E.56); and
 - c. where the Transaction is a Threshold Transaction that the Club does not consider to be an Associated Party Transaction, any information, evidence or submissions that the Club wishes to be considered by the Board as to whether the Transaction is at Arm's Length.
6. Where a Fair Market Value Assessment of the Transaction is required, the Board may elect to procure an assessment of the value of the Transaction by an independent assessor with suitable experience and expertise ("**Independent FMV Assessor**"). Should the Board elect to procure such an assessment, the Independent FMV Assessor will be:
- a. provided with:
 - i. a copy of the transfer agreement and any other document(s) recording in full the terms and conditions of the Transaction, with all references to any specific fees or other consideration payable redacted;
 - ii. a summary of the fee structure (without any specific reference to the value of fees paid or payable), including payment schedule, the structure of any contingent payments; and
 - iii. all other documents and information submitted by the Club for the purposes of the Fair Market Value Assessment in accordance with paragraph 5.b; and
 - b. required to provide to the Board an assessment of what constitutes Fair Market Value for the Transaction, based on the FMV Assessment Factors.
7. Where, at any point in the Fair Market Value Assessment process, the League or the Independent FMV Assessor considers that further information or documents from the Club is required in order to reach a conclusive decision as to the Fair

Market Value of the Transaction, the League may request such information or documents from the Club, which must provide complete and prompt assistance in respect of any such request. The Board will take into consideration, including drawing possible adverse inferences, any failure by a Club, Player, Manager or Senior Official to provide requested information or documents when assessing whether a Transaction is at Fair Market Value.

D. FMV Assessment Factors

8. In providing its assessment of what constitutes Fair Market Value of a Transaction, the Independent FMV Assessor must consider all information that is appropriate, relevant and readily available to it, bearing in mind the following non-exhaustive list of relevant factors (the "**FMV Assessment Factors**"):
- Term of the contract to be entered into by the Player
 - Remaining term of the Player's contract prior to the transfer
 - The Player's age
 - The Player's position
 - The Player's record and experience, including:
 - Appearances and the competition in which those appearances have been made
 - Relevant statistics, including goals, assists and clean sheets
 - Domestic and international honours
 - Personal honours and awards
 - The Player's nationality and GBE status
 - The Player's injury history
 - The financial state and relative bargaining position of the Transferee and Transferor Club or club
 - The Transfer Window in which the Player Transfer is being conducted
 - Any compensation fees previously paid for the Player
 - The Player's brand value and fan base (including social media following and other appropriate metrics)
 - Scarcity within the market for players with similar characteristics to the Player
 - The level of interest in competition to obtain the Player's registration (particularly from non-Associated Parties)
 - Any urgent need for liquidity of the Transferor Club
 - Any urgent need to acquire the Player's registration (e.g. as a result of injury or lack of availability in a particular position)
 - The 'normal market conditions' expected to apply to a Transaction of the type under consideration
 - The remuneration payable to the Player

- Bonus payments, sell-on fees, image rights payments or other contingent payments payable in respect of the Player's registration.
9. The weight attached to any individual FMV Assessment Factor shall be at the discretion of the Independent FMV Assessor, dependent on the particular Transaction being assessed.
 10. Once it has conducted the assessment referred to at paragraph 6, above, the Independent FMV Assessor will provide a written determination to the League's Regulatory team setting out its decision as to what the Fair Market Value of the Transaction is (whether expressed as a single value or a range of values, as it deems appropriate) and an explanation of that decision.

E. Board Assessment

11. The burden of proof is on the Club submitting the Transaction to demonstrate that it is at Fair Market Value.
12. Where the Board is required to conduct a Fair Market Value Assessment, once in receipt of any written determination by an Independent FMV Assessor that the Board has elected to procure in respect of the Transaction, the League's Regulatory team (having considered the FMV Assessment Factors) will provide to the Board a written report including the following:
 - a. the information provided to the League by the Club, pursuant to paragraphs 6(a) and 7, above;
 - b. the Independent FMV Assessor's written determination, where one is procured; and
 - c. such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment.
13. In order to inform the report referred to at paragraph 12 above, the League's Regulatory team may obtain any further expert input it considers necessary to assist the Board with the Fair Market Value Assessment.
14. Where, having reviewed the report referred to at paragraph 12 above, and having considered any other information available to it and the FMV Assessment Factors, the Board determines, in its reasonable opinion, it is not satisfied that the Transaction is at Fair Market Value, it will inform the Club of its provisional determination as to the Fair Market Value of the Transaction in writing. The Club will then be given seven days in which to respond to this provisional determination.

- Where following receipt and consideration of the response, the Board remains of the view that it is not satisfied that the Transaction is at Fair Market Value, it will confirm that decision in writing and Rule E.67 will apply.
15. Where, having completed a Fair Market Value Assessment, the Board determines that, in its reasonable opinion, the relevant Transaction does not fall to be restated to Fair Market Value, it will confirm the same to the Club and no further action will be required.

Appendix 20

Fair Market Value Assessment Protocol – Agreements for the Supply of Goods or Services

A. Application

1. This Fair Market Value Assessment Protocol – Agreements for the Supply of Goods or Services (“**Costs Protocol**”) sets out the process by which the Board will conduct the Fair Market Value Assessment required by the Rules in relation to any Associated Party Transactions and Threshold Transactions pursuant to which a Club, Player, Manager or Senior Official provides, or is provided with goods and/or services (whether or not a payment is to be made for such goods and/or services).
2. Where an agreement meets the definition at paragraph 1 of this Costs Protocol and also meets the definition at paragraph 1 of the CRA Protocol (i.e. where, for example, pursuant to the same Transaction, the Club or individual receives goods or services but also grants the counterparty rights of association with it/them), the CRA Protocol shall take precedence and the Fair Market Value Assessment shall be conducted in accordance with that document, save that the Independent FMV Assessor should consider the FMV Assessment factors at paragraph 9, below, in relation to the goods and services provided, as well as the FMV Assessment factors at paragraph 8 of the CRA Protocol in respect of the rights granted to the counterparty.
3. Capitalised terms not otherwise defined in this Protocol bear the meaning given to them in the Rules.

B. Rules

4. Fair Market Value is defined as follows:

“Fair Market Value” means the amount for which an asset, right or other subject matter of the Transaction would be sold, licensed or exchanged, a liability settled, or a service provided, between knowledgeable, willing parties engaging in an arm’s length transaction in normal market conditions;

5. Fair Market Value Assessment is defined as follows:

“Fair Market Value Assessment” means an assessment as to whether the consideration either paid or received or to be paid or received by the Club, Player, Manager or Senior Official (as applicable) pursuant to a Transaction represents Fair Market Value. In conducting a Fair Market Value Assessment, the Board is required to:

(a) consider:

- (i) an assessment of the value of the Transaction produced by an independent expert procured by the Board (save that the Board may elect not to obtain an assessment by an independent expert where the Transaction in question involves no consideration paid or to be paid to the Club, Player, Manager or Senior Official or involves the sale or loan of a Player’s registration);
- (ii) any relevant information provided by the Club (including any assessment of the value of the Transaction produced or procured by the Club); and
- (iii) such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment; and

(b) comply with any protocols agreed by Clubs for that purpose (including the Fair Market Value Assessment Protocol – Commercial Rights Agreements). For

the avoidance of doubt, where there is no such protocol in place applicable to a particular type of Transaction, the Board will conduct the Fair Market Value Assessment as it sees fit, in compliance with paragraph (a), above.

 - i. any relevant information, evidence or submissions that the Club wishes to be considered by the Board as to the Fair Market Value of the Transaction, bearing in mind the FMV Assessment Factors set out below;
 - ii. any other relevant information which the Board might reasonably expect or request to be provided with in order to complete its Fair Market Value Assessment of the Associated Party Transaction, including all relevant information regarding any arrangement, understanding, agreement or other incentive directly or indirectly with the Club or any other Associated Party of the Club, bearing on, or potentially relevant to, the contracting Associated Party's decision to enter into the Associated Party Transaction or the market conditions in which the Associated Party Transaction was negotiated;
 - iii. the declaration of a director (or equivalent) of the relevant Associated Party by way of confirmation that they consider the Associated Party Transaction to be at Fair Market Value (pursuant to Rule E.56); and
 - iv. a summary and documentary evidence of the Club's procurement process; and
 - d. where the Transaction is a Threshold Transaction that the Club does not consider to be an Associated Party Transaction, any information, evidence or submissions that the Club wishes to be considered by the Board as to whether the Transaction is at Arm's Length.

7. Where a Fair Market Value Assessment of the Transaction is required, the Board may procure an assessment by an independent assessor with suitable experience and expertise ("**Independent FMV Assessor**"). For that purpose, the Independent FMV Assessor will be:
 - a. provided with, to the extent applicable:
 - i. a copy of the documents recording the full terms and conditions of the Transaction and information provided in the Databank submission form, with all references to any specific payments or other consideration payable by the Club, Player, Manager or Senior Official redacted (with such redactions the responsibility of the Club);
 - ii. a summary of the payment structure (without any specific reference to the value of fees paid or payable), including payment schedule, the structure of any bonuses, royalties or contingent payments; and
 - iii. all other documents and information submitted by the Club for the purpose of the Fair Market Value Assessment in accordance with paragraph 6.c; and
 - b. required to provide to the Board an assessment of what constitutes Fair Market Value for the Transaction, based on the FMV Assessment Factors.
8. Where, at any point in the Fair Market Value Assessment process, the League or the Independent FMV Assessor considers that further information or documents from the Club is required in order to reach a conclusive decision as to the Fair Market Value of the Transaction, the League may request such information or documents from the Club, Player, Manager or Official, who/which must provide complete and prompt assistance in respect of any such request. The Board will take into consideration, including drawing possible adverse inferences, any failure by a Club, Player, Manager or Senior Official to provide requested information or documents when assessing whether a Transaction is at Fair Market Value.

D. FMV Assessment Factors

9. In providing its assessment of what constitutes Fair Market Value of a Transaction, the Independent FMV Assessor must consider all information that is appropriate, relevant and readily available to it, bearing in mind the following non-exhaustive list of relevant factors (the "**FMV Assessment Factors**"):

 - The 'normal market conditions' expected to apply to a Transaction of the type under consideration
10. The weight attached to any individual FMV Assessment Factor shall be at the discretion of the Independent FMV Assessor, dependent on the particular Transaction being assessed.
 11. Once it has conducted the assessment referred to at paragraph 7, above, the Independent FMV Assessor will provide a written determination to the League's Regulatory team setting out its decision as to what the Fair Market Value of the Transaction is and an explanation of that decision.

E. Board Assessment

12. The burden of proof is on the Club submitting the Transaction to demonstrate that it is at Fair Market Value.
13. Where the Board is required to conduct a Fair Market Value Assessment, the League's Regulatory team (having considered the FMV Assessment Factors) will provide to the Board a written report including the following:
 - a. the information provided to the League by the Club, pursuant to paragraph 6;
 - b. the Independent FMV Assessor's written determination, where one is procured; and
 - c. such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment.
14. In order to inform the report referred to at paragraph 13 above, the League's Regulatory team may obtain any further expert input it considers necessary to assist the Board with the Fair Market Value Assessment.
15. Where, having reviewed the report referred to at paragraph 13 above, and having considered any other information available to it and the FMV Assessment Factors, the Board determines, in its reasonable opinion, it is not satisfied that the Transaction is at Fair Market Value, it will inform the Club, Player, Manager or Official of its provisional determination as to the Fair Market Value of the Transaction in writing. The Club, Player, Manager or Official will then be given seven days in which to respond to this provisional determination. Where following receipt and consideration of the response, the Board remains of the view that it is not satisfied that the Transaction is at Fair Market Value, it will confirm that decision in writing and Rule E.67 will apply.

16. Where, having completed a Fair Market Value Assessment, the Board determines that, in its reasonable opinion, the relevant Transaction does not fall to be restated to Fair Market Value, it will confirm the same to the Club and no further action will be required.

- #### C. Composition of the Independent Oversight Panel

10. A member of the Independent Oversight Panel appointed for any purpose provided for by the Rules may continue to act on the matter for which they were so appointed notwithstanding that their term of office has expired, with the permission of the Chair. E. OADT Decision Reviews

Responsibilities

12. The following determinations of the Board of the Premier League, in each case, shall fall to be reviewed by members of the Independent Oversight Panel ("**Reviewers**") in accordance with the process as set out in these Terms of Reference:

 - 12.2. any determination by the Board that a Director is liable to be disqualified as a Director under the provisions of Rules F.1 or F.2, in accordance with Rule F.7; and
 - 12.3. any determination by the Board made regarding a proposed change of Control in accordance with Rule F.30 (including that all Persons that satisfy the definition of Director have submitted a fully executed Form 4 and/or that conditions should be applied pursuant to Rule F.29)

Number of Reviewers

13. In respect of a review of a determination by the Board that a Person is not liable to be disqualified under the provisions of Rules F.1 or F.2, in accordance with Rule F.5.3, the Chair of the Independent Oversight Panel will ordinarily (save in exceptional circumstances) appoint a single Reviewer to conduct the OADT Decision Review. In all other cases, the OADT Decision Review will be conducted by three Reviewers from the Independent Oversight Panel (in which case, decisions will be by majority and will not require unanimity).
14. Where more than one OADT Decision Reviews are closely linked (whether because they all relate to a single proposed change of Control or otherwise) they may be considered by the same Reviewers as part of the same OADT Decision Review, at the discretion of the Chair.

Scope and standard of review

15. The role of the Reviewers when conducting an OADT Decision Review shall be to consider whether the Board's determination is reasonable in all of the circumstances,

based on the material available to the Board at the relevant time. In that regard, the Independent Oversight Panel is not intended to be utilised as a judicial process or an appellate body (such rights being provided elsewhere in the Rules).

Process

16. Once the Board has made a determination of the kind referred to in paragraph 12, above, the Board shall, within one day, provide to the Chair of the Independent Oversight Panel the material upon which it has based that determination.
17. The Chair shall then, within one working day (save in exceptional circumstances), appoint (at their discretion) one or more Reviewer(s) to conduct the OADT Decision Review.
18. There shall be no oral hearing. However, the Reviewer(s) may ask questions of the Board in writing to assist it in conducting the OADT Decision Review.
19. The Reviewer(s) shall conduct the OADT Decision Review as expeditiously as possible and, save in exceptional circumstances, shall conclude the review within seven days of appointment by the Chair.

Powers

20. The powers of the Reviewer in respect of each OADT Decision Review shall be:
 - 20.1. to confirm in writing that the Board's decision is reasonable in all of the circumstances, based on the material available to the Board at the relevant time; or
 - 20.2. to remit the matter back to the Board, with written reasons as to why it does not consider the Board's decision to be reasonable in all of the circumstances, based on the material available to the Board at the relevant time (including where it does not consider that any conditions imposed by the Board pursuant to Rule F.29 are appropriate, whether because they are not warranted or because they are insufficient to achieve the aims set out in that Rule).
21. In either case, the Reviewers must confirm in writing the outcome of the review (with reasons, if applicable) to the Board, the Club and any Director that is the subject of the decision subject to review.
22. Where the Reviewer(s) decide(s) to remit the matter back to the Board, the Board must re-consider the determination in light of the outcome of the review, though it will not be bound by that outcome and may proceed with its original decision if it considers it appropriate to do so.

F. Miscellaneous

23. The Independent Oversight Panel will act independently of the League.
24. The Chair shall be remunerated for their role as Chair by way of an annual fee or salary, payable by the League (with the level of fee agreed for the entire term at the start of the term). The terms of their appointment shall, at the start of the term, be subject to the approval of the Premier League's Audit and Remuneration Committee.
25. Each member of the Independent Oversight Panel will be paid a daily rate for their work on matters covered in these Terms of Reference, the level of which shall be agreed by the League and the Chair and subject to the approval of the Premier League's Audit and Remuneration Committee. In addition, members of the Independent Oversight Panel may be reimbursed for any reasonable out of pocket expenses incurred during the course of their work.
26. Liability for payment of the sums referred to at paragraphs 24 and 25, above, shall be borne by the League.
27. No amendment to these Terms of Reference shall be made without the approval of Clubs at a General Meeting. Any amendment made pursuant to this paragraph 27 shall be effective immediately and shall be binding on all members of the Independent Oversight Panel, including the Chair, all Clubs and the League.
28. Save where specifically defined in these Terms of Reference, capitalised terms bear the meaning given to them in the Premier League's Articles of Associations and/or the Rules.
29. Notwithstanding all of the above, the Chair of the Independent Oversight Panel may, in their absolute discretion, when appointing individuals to conduct OADT Decision Reviews, appoint on an ad hoc basis individuals who are not members of the Independent Oversight Panel but whom they consider would be suitable for the particular OADT Decision Review (and for the period of their temporary appointment each such person will be considered a member of the Independent Oversight Panel). It is anticipated that the Chair will exercise this power only in exceptional circumstances (for example, where specific and/or unforeseen knowledge or expertise is required) and will ensure that, in respect of each OADT Decision Review, there is at least one Reviewer who is a member of the Independent Oversight Panel. Those individuals appointed on an ad hoc basis will be subject to the same daily rates and the same approach to expenses reimbursement as members of the Independent Oversight Panel.

Fan Engagement Standard

FOREWORD

Supporters have always been the lifeblood of football and Premier League fans are known around the world for their passion and enthusiasm. There is no doubt they are essential to the ongoing success of the game, so I am delighted to introduce the new Fan Engagement Standard.

It is vital we ensure the voices of supporters are not only heard in the stands, but also when it comes to having a say on key issues relating to their clubs. The Standard puts structures in place to establish consistency across the League and improve transparency.

Clubs already carry out a great deal of work in this area, and the Standard is the next step in enhancing these collective efforts. It builds on existing work and is integral to ensuring fan consultation and regular dialogue is embedded across all policies and practices.

In committing to the Standard, Premier League clubs have agreed to take their fan engagement work even further. It provides a framework to support clubs in developing their existing work and introduces a number of core commitments, including the introduction of Fan Advisory Boards and the requirement for each club to nominate a Board-level official responsible for fan engagement.

We will continue to work with clubs and our partners across football to set new standards for meaningful engagement with fans. I look forward to seeing clubs continue this important work during the rest of the season and beyond.

Appendix 23

INTRODUCTION

In November 2022, Premier League (PL) clubs approved the introduction of a Fan Engagement Standard (FES).

The commitments of the FES will begin to be implemented by clubs during the remainder of the 2022/23 Season.

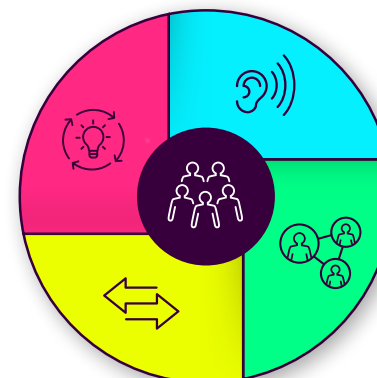

The first full calendar of activity will commence in the 2023/24 pre-season, when each club will publish its own Fan Engagement Plan.

The introduction of the FES reinforces our clubs' commitment to ensuring long-term meaningful engagement with fans. Building on existing work undertaken by clubs, the FES framework establishes a clear required standard for fan engagement and promotes the sharing of good practice.

In approving the FES, each Premier League club has agreed to a number of commitments, the key elements of which are summarised on page 621.

The full framework, which includes a detailed series of linked activities and incorporates the publication of key documents, can be viewed from page 622.

It is based on five key themes:

Leadership and Culture

The importance of club leadership in setting strategy and a culture of fan engagement and collaboration

Listening

Clubs listening to the views of their fans in a structured and timely manner

Collaborate and Participate

Supporting collaboration and the introduction of a Fan Advisory Board to promote meaningful dialogue between clubs and fans

Share

Decisions taken by clubs are transparent and clubs share information in a timely and accurate manner

Learn and Improve

Supporting clubs to learn and to develop their approach to fan engagement

Theme 1 Leadership and Culture	Embedding impactful approaches to fan engagement requires effective leadership, accountability and commitment from both clubs and fans. The actions taken by leaders and what they say matters. Club leaders have a responsibility to set an appropriate tone, vision and strategy for fan engagement with their fanbase. These elements should be underpinned by a culture of fan engagement throughout the club.
Theme 2 Listening	Fan voices should be heard in a structured and timely manner to assist clubs in making informed decisions regarding fan-facing issues. Clubs should recognise the diversity of their fanbase and endeavour to ensure they engage in a fair and representative manner.
Theme 3 Collaborate and Participate	Establishing appropriate structures and forums for constructive dialogue is key to ensuring a meaningful and transparent relationship between fan groups and club leadership. Creating forums with good governance and processes provides fans with the opportunity to discuss key fan-facing issues and to collaborate on specific topics or projects, as well as any proposals relating to heritage assets.
Theme 4 Share	In order to embed an effective two-way dialogue between the club and its fanbase, it is important that both parties are transparent regarding decisions taken and the rationale for specific viewpoints. Clubs should share information, subject to commercial and legal sensitivities, in a timely and accurate manner to build trust with fans and inform conversations.
Theme 5 Learn and Improve	Each club and its fanbase are on a journey to enhance existing activities supporting fan engagement. It is important that clubs continue to learn and develop to enable meaningful and sustainable change. Clubs should work together to ensure good practice and learned experiences are shared across the Premier League.

The Football Association Men's Players - Points Based System 2024/2025 Season

The rules and criteria set out in this document will apply for the 2024/25 season and will be effective from 1 June 2024. The criteria will be reviewed across the 2024/25 season in order that revised criteria can be issued in advance of the summer transfer window in 2025.

For any queries regarding these criteria or the application process, please contact Freddie Carter (Player Status Department) at Freddie.Carter@thefa.com (or GBE@thefa.com) or on 0844 980 8200 # 4818.

The FA is the approved governing body for Football in the UK. The FA has the ability (subject to other requirements being met) to issue a Governing Body Endorsement for a player, coach or manager who is intended to participate in any of the following:

- any match that has been organised and/or sanctioned by The FA, FIFA or UEFA;
- any match that has been organised by either the Premier League or the English Football League and that has also been sanctioned by The FA; or
- any match or category of match whereby consent of the FA has been given for that player, coach or manager's club to play.

Please note that this guidance should be reviewed in conjunction with the relevant advice issued by the Home Office. The FA is not registered to give advice on immigration routes or processes or to advise on an individual's immigration status and clubs should fully apprise themselves of their duties and responsibilities as sponsors. Information on aspects of immigration policy and law can be found on the Home Office website at www.gov.uk/browse/visas-immigration. You may also wish to seek advice from an Office of the Immigration Services Commissioner (OISC) registered advisor or someone who is appropriately qualified but otherwise exempt from such a registration requirement, for example, a qualified solicitor. The UK Visas and Immigration Centre can be contacted on 0300 123 2241.

If a club is seeking a GBE during a transfer window, any application should be submitted to The FA by midday on the relevant transfer deadline day (at the latest) in order for The FA to process the application that day. If a club signs and registers a Player who does not have a GBE, it should do so in the knowledge that the Player may not be granted a GBE if his application does not comply with the terms of these criteria and the Player may not be able to undertake any employment duties for the applicant club. Clubs are also advised to allow sufficient time for entry clearance or permission to stay to be granted. The time taken may vary depending upon where the player is making his application from. A guide to visa processing times is available on the Home Office website at: www.gov.uk/visa-processing-times.

Please note that an individual's personal and immigration history may be taken into account when their application is being considered.

Governing Body Endorsement Requirements for Players

Consideration will be given to the following when applying the criteria: injury; a period of paternity leave; serious illness or any legitimate medical reasons; suspension; international duty; bereavement; or family crisis.

In order to obtain the GBE, the individual must not be subject to a provisional suspension or any unexpired period of ineligibility from playing and/ or coaching activities in any jurisdiction as a result of being charged with or found guilty of a corruption offence and/ or a doping offence and/ or another misconduct.

In reviewing this criteria, the Football Association confirm we have reread the Code of Practice for Sports Governing Bodies and agree to our roles and responsibilities as set out within. We confirm we have acted in full compliance with the principles of the Code during this annual review.

Prior to contacting the Home Office during the annual review of this criteria, the Football Association confirm that full consultation has been carried out, this includes any organisation that could be interpreted as an interested party, such as clubs, bodies, or player associations related to football in the UK.

46. If a Player has been loaned to a club in a lower band than his parent club and has made a first team appearance (on the pitch) for his parent club during the Reference Period, he shall be granted the higher of the points he would have been eligible for in accordance with Table 6 if his parent club was the Player's Current Club.

Exceptions Panel

47. If a club requests an Exceptions Panel in accordance with paragraph 24 or 26, The FA will appoint an independent panel of three members, which shall include one legally qualified chair and two panel members who have relevant experience at the top level of the game (the “**Panel Members**”).
48. The FA may also, at its absolute discretion, refer any question in relation to the interpretation or application of any aspect of these criteria to either a legally qualified chair of the Exceptions Panel or an Exceptions Panel (as appropriate) to determine. Any decision made by a chair of the Exceptions Panel or an Exceptions Panel under this paragraph shall be final and binding.
49. A fee of £5,000 plus VAT will be charged for every Exceptions Panel, which must be paid by the club before the application will be considered by the Exceptions Panel.
50. The club will be notified of the identity of the Panel Members and have the opportunity to challenge the appointment of any Panel Member on the basis of an actual or perceived conflict of interest. Each Panel Member shall also have the opportunity to declare an actual or perceived conflict of interest (of him or herself or any other Panel Member) to the Chair or, if the conflict of interest relates to the Chair, to The FA. The Chair, or The FA respectively, shall then determine whether the Panel Member should be excluded from participating in the application. If the Panel Member is excluded from participating in the application, The FA will appoint a replacement Panel Member (to whom this paragraph shall also apply).
51. The Exceptions Panel can request any further information from The FA's Player Status Department, the applicant club or any third party (via The FA's Player Status Department) that it deems necessary, in its absolute discretion, in order to make its decision. If an Exceptions Panel meeting has been convened or is in progress when a request for further information is made, the Chair may adjourn the meeting to allow the information to be gathered. Where it is able to do so, the applicant club or The FA's Player Status Department will supply the further information to the Exceptions Panel within a reasonable timescale.
52. The Exceptions Panel shall only recommend to The FA that a GBE be granted if it is satisfied that either:
 - a. exceptional circumstances prevented the Player from achieving 15 points, and if those exceptional circumstances did not apply, the Player would have achieved 15 points; or

- b. the Youth Player shows significant potential and is of sufficient quality to enhance the development of the game in England and justify the Exceptions Panel recommending that a GBE be awarded.
53. The Exceptions Panel will make its decision, based on the papers submitted to it, at an in- person or virtual meeting at which The FA's Player Status Department will provide appropriate secretarial support. Each Panel Member has one vote and the decision will be made by a simple majority, with the chair having a casting vote.
54. If the Exceptions Panel recommends to The FA that a GBE be granted, The FA will consider whether to grant a GBE (but is under no obligation to do so).
55. Written reasons for the decision will be supplied by the Exceptions Panel to the applicant club. Written reasons will also be provided to the relevant league Stakeholder with a redacted copy provided (on a confidential basis) to all Stakeholders.

Appendix 3

ESC Players

Unless otherwise stated, references to paragraphs below are references to paragraphs within this Appendix.

SECTION I: CRITERIA

1. A Player may be granted a GBE as an ESC Player provided that:
 - 1.1 the club has evidenced to The FA's satisfaction that the Player is an elite player and will make a significant contribution to the sport. Guidance in respect of this will be issued by The FA from time to time but, as a minimum, The FA expects the Player to have, within the ESC Player Reference Period, satisfied one or more of the following:
 - 1.1.1. played in at least one Youth Competitive International Match for a National Association ranked in the top 50 places in the Aggregated FIFA World Rankings;
 - 1.1.2. played in at least five Youth Competitive International Matches for a National Association ranked outside the top 50 places in the Aggregated FIFA World Rankings;
 - 1.1.3. played in at least one Continental Youth Competition Match;
 - 1.1.4. played in at least five Domestic Youth Competition Matches;
 - 1.1.5. played in at least one Senior Competitive International Match for a National Association ranked in the top 50 places in the Aggregated FIFA World Rankings;
 - 1.1.6. played in at least five Senior Competitive International Matches for a National Association ranked outside the top 50 places in the Aggregated FIFA World Rankings;
 - 1.1.7. played in at least one match in a Continental Competition; or
 - 1.1.8. played in at least five Domestic Senior Competition Matches.

SECTION II: ESC PLACES AND WEIGHTED EQP MINUTES PERCENTAGE

ESC Places

2. For the 2024/25 Season, each club in the:
 - 2.1. Premier League and EFL Championship shall have up to four ESC Places available at any one time as determined by its Weighted EQP Minutes Percentage, as set out in Table 1 below.

Appendix 3 ESC Players

- 2.2. EFL League One and EFL League Two shall have up to two ESC Places available at any one time as determined by its Weighted EQP Minutes Percentage, as set out in Table 1 below.

Table 1

Weighted EQP Minutes Percentage	Number of Available ESC Places			
	Premier League	EFL Championship	EFL League One	EFL League Two
≥35%	4	4	2	2
≥30%	3	3	1	1
≥25%	2	2	-	-
≥20%	1	1	-	-

Guidance: A reduction in ESC Places shall have no impact on the ESC Players already permanently or temporarily registered with a club and their ability to play for that club.

However, in circumstances where: (a) the number of ESC Players registered at a club exceeds the number of ESC Places available to the club; and (b) one of the club's existing ESC Players leaves the club or transitions to become a Non-ESC Player, the club would not be able to recruit a replacement ESC Player until it has an available ESC Place.

For example:

- Club A participates in the EFL Championship and its Weighted EQP Minutes Percentage means it has four available ESC Places (each of which it has filled).
- Club A is subsequently relegated to EFL League One where it is entitled to two ESC Places (based on its Weighted EQP Minutes Percentage).
- The four ESC Players registered with Club A remain registered, and can play for, Club A.
- During the next Registration Period, two ESC Players leave Club A.
- Club A is unable to recruit further ESC Players until such time as the club is promoted back to the EFL Championship (and its Weighted EQP Minutes Percentage is ≥30%).

Appendix 3 ESC Players

3. From the 2024/25 Season, the ESC Places available to clubs in the Premier League and EFL Championship shall not, at any time, exceed 4 and the ESC Places available to Clubs in EFL League One and EFL League Two shall not, at any time, exceed 2.
4. Where the registration of an ESC Player is permanently transferred to another club, that ESC Player shall immediately be excluded from the calculation of how many of the selling club's ESC Places are filled.
5. Where the registration of an ESC Player is temporarily transferred to another club, that ESC Player shall fill an ESC Place of both the parent club and the loaning club for the duration of the temporary transfer. A club shall only be permitted to recruit an ESC Player on a temporary transfer if they have an available ESC Place that has not been filled. On expiry of the temporary transfer, the ESC Player shall no longer fill an ESC Place of the loaning club.

Weighted EQP Minutes Percentage Calculation

6. A club's Weighted EQP Minutes Percentage for the EQP Reference Period shall be calculated by The FA in accordance with the following procedure:
 - 6.1. For each EQP Qualifying Match played by the club during the EQP Reference Period, the following figures shall be calculated:
 - 6.1.1. EQP Minutes.
 - 6.1.2. Non-EQP Minutes.
 - 6.1.3. Total Minutes (i.e. EQP Minutes plus Non-EQP Minutes).
 - 6.2. From the 2024/25 Season, for each EQP Qualifying Match played by the club during the EQP Reference Period where an EQP was unavailable as a result of being an Injured Player, the Pro-Rata EQP Minutes for each Injured Player will be added to the club's EQP Minutes and Total Minutes figures.
 - 6.3. The EQP Minutes Percentage for each EQP Qualifying Match played by the club during the EQP Reference Period shall then be calculated as follows:

$$(EQP\ Minutes / Total\ Minutes) \times 100 = EQP\ Minutes\ Percentage$$
 - 6.4. Each EQP Qualifying Match during each Season of the EQP Reference Period will then be ranked from highest to lowest by reference to the EQP Minutes Percentage calculated for those matches ("**EQP Qualifying Match Ranking**").
 - 6.5. The top four and bottom four matches from the EQP Qualifying Match Ranking for each Season of the EQP Reference Period shall be disregarded.

Appendix 3 ESC Players

The remaining matches across all Seasons of the EQP Reference Period will then be combined to create a list of Relevant EQP Qualifying Matches

- 6.6. The following figures shall then be calculated from the Relevant EQP Qualifying Matches:
 - 6.6.1. Cumulative EQP Minutes.
 - 6.6.2. Cumulative Non-EQP Minutes.
 - 6.6.3. Cumulative Total Minutes (i.e. Cumulative EQP Minutes plus Cumulative Non-EQP Minutes).
- 6.7. Where the club has temporarily transferred an EQP on a Qualifying Loan during the EQP Reference Period, fifty percent of the Loan Player Minutes or, from the 2024/25 Season, fifty percent of the Pro-Rata EQP Minutes (as applicable) will be added to the parent club's Cumulative EQP Minutes and Cumulative Total Minutes.
- 6.8. The Weighted EQP Minutes Percentage shall then be calculated as follows:

$$(Cumulative\ EQP\ Minutes / Cumulative\ Total\ Minutes) \times 100 = Weighted\ EQP\ Minutes\ Percentage$$

Additional ESC places

7. Subject to paragraph 3 above, a club shall be granted up to two additional ESC Places (in addition to the number of ESC Places a club has been allocated as a result of its Weighted EQP Minutes Percentage) in accordance with the below:
 - 7.1. One additional ESC Place if, on average per Season within the EQP Reference Period, three or more of the club's English Qualified Players:
 - 7.1.1. made at least three appearances of 45 minutes or more in England Senior Competitive International Matches; and
 - 7.1.2. played in 30% or more of the Available Minutes (ESC).
 - 7.2. One additional ESC Place if, on average per Season within the EQP Reference Period, three or more of the club's English Qualified Players who are also Youth Players have, made at least three appearances of 45 minutes or more for the England U20 and/or U21 teams.

Guidance: The maximum number of ESC Places available to any club is four. As such, if a club has 3 ESC Places as a result of its Weighted EQP Minutes Percentage and would be entitled to 2 additional ESC Places under paragraph 7 above, it will still only have 4 ESC Places available.

Appendix 3 ESC Players

Where applicable, a player can count towards the requirements of both paragraph 7.1 and 7.2.

Guidance: The requirements of both paragraph 7.1 and 7.2 will be assessed as an average per Season within the EQP Reference Period.

For example, a club would meet the requirement in paragraph 7.1 if, for example, three players met those conditions in the first Season, no players met those conditions in the second Season but six players met those conditions in the third Season. The players meeting those conditions in each Season can be the same players.

SECTION III: TRANSITION - ESC PLAYER TO A NON-ESC PLAYER

Transition

8. A Club can apply for an ESC Player to transition to a Non-ESC Player if:
 - 8.1. At least one full domestic transfer window has passed since the date that the player was registered; and
 - 8.2. the ESC Player satisfies one of the following requirements:
 - 8.2.1 the Player's International Appearances meet the Auto Pass Percentage;
 - 8.2.2 the ESC Player achieves 15 points or more in accordance with paragraphs 33 to 46 of the main body of this document; or
 - 8.2.3 the ESC Player has, within the 12 months following the date on which he was granted a GBE:
 - a) played in 25% or more of the club's EQP Qualifying Matches; and
 - b) played in the required percentage of Available Minutes (ESC) as set out in Table 3 below.

Table 3

League in which ESC Player's Club Participates	Required percentage of Available Minutes (ESC)	
	Under 21 ESC Player	21 and over ESC Player
Premier League	15%	30%
EFL Championship	50%	50%
EFL League One	60%	60%
EFL League Two	70%	70%

Appendix 3 ESC Players

Guidance: For the purposes of this paragraph 8:

- The ESC Player's age shall be their age at the beginning of the 12 month period referred to in paragraph 8.2.3, regardless of whether they become 21 years old during the course of that 12 month period.
- Where the league in which the ESC Player's club participates changes during the 12 month period referred to in paragraph 8.2.3, the required percentage of Available Minutes (ESC) referred to in paragraph b) shall be calculated separately with reference to the period of time participating in each league competition.

For example:

- o Club A participates in the Premier League.
- o Player A, an Under 21 player, joins Club A as an ESC Player during the January transfer window.
- o Club A is relegated from the Premier League at the end of that Season and participates in the EFL Championship in the following Season.
- o To meet the required percentage of Available Minutes (ESC) for the 12-month period in those circumstances, Player A would need to play in:
 - 15% of Available Minutes (ESC) for the period in which Club A participated in the Premier League; and
 - 50% of Available Minutes (ESC) for the period in which Club A participated in the EFL Championship.

Guidance: The requirements set out in this paragraph 8 apply irrespective of whether an ESC Player remains with their original club or transfers to another club.

SECTION IV: MISCELLANEOUS

Extensions or transfers of a GBE

9. For the purposes of paragraph 9 of the main body of this document, if an ESC Player applies for an extended GBE (in accordance with paragraph 6 of the main body of this document), a transfer of a GBE (in accordance with paragraph 7 of the main body of this document) or makes a new club application for a GBE (in accordance with paragraph 8 of the main body of this document), the ESC Player's club must evidence to The FA's satisfaction that the ESC Player continues to comply with the requirements set out at paragraph 1 above.

Appendix 3 ESC Players

Reviewing GBE System

10. Without prejudice to what is set out below at paragraph 11, The FA will review how ESC Player registrations are used on an annual basis and reserves all its rights to make any changes it considers, in its absolute discretion, to be necessary to the criteria set out in this Appendix.
11. In the event that the League EQP Minutes Percentage in any one of the Premier League, EFL Championship, EFL League One or EFL League Two League is:
 - 11.1. 25% or less in any Season, no new ESC Player registrations will be permitted and the application of the criteria set out in this Appendix will be automatically stopped; and
 - 11.2. between 26% and 30% in any Season, the application of the criteria set out in this Appendix will be reviewed.
