FROM THE LEADERSHIP

2019 was a year that reinforced SANFL's proven approach of responsible strategic governance and commitment to the long-term sustainability and health of South Australian football.

The ongoing focus on debt reduction positions SANFL strongly for the future. League debt has been reduced to \$2.8m and is on-track to be eliminated by October 31, 2020, while payments to SANFL member clubs have helped reduce club debt to \$8m.

It is a far cry from the position the League and its clubs occupied prior to the move to the redeveloped Adelaide Oval in 2014, when SANFL faced crippling combined League and club debts of \$55m while holding just \$28m of net assets. It is a testament to our approach, which has positioned SANFL as arguably the most relevant, financially stable and community-connected State League in the country. However, none of this is possible without a strong product on-field and our key indicators show that football in South Australia is healthier than it has ever been. After passing the 200,000 mark for the first time in 2018, overall participation rose again in 2019 and we now have more than 222,400 people either playing football or participating in football programs in South Australia. Significant growth in the women's game continues to be a headline story, with a 24 per cent increase in the number of SA females registered in club teams.

Other key highlights from the year included:

- Glenelg breaking a 33-year premiership drought, defeating Port Adelaide in front of a crowd of more than 39,000 at Adelaide Oval. It was the third consecutive year that the SANFL Grand Final has attracted a crowd of more than 39,000 people.
- Overall growth in SANFL Statewide Super League attendances of 4% when compared with 2018, and a 19% increase in the average Channel 7 audience during the home and away season.
- Across the Finals Series, attendances were at their highest since 2014, the year in which SANFL finals moved to Adelaide Oval. In addition to drawing large crowds, the 2019 SANFL finals also attracted a strong television audience on Channel 7, with the Grand Final achieving 56% market share and a peak TV audience of 145,902.
- Continued success of our elite development programs, with a total of 13 players selected in the 2019 AFL Draft, including two Rookie listed players, and 5th pick Dylan Stephens and a further two players taken in the first round.

- The strong pool of female talent being reflected at the 2019 AFLW Draft with 16 South Australian players listed with AFLW Clubs.
- Total football participation reached 222,407, representing 8.7% growth, while the number of registered club players peaked at 54,449.
- AFL Auskick participation numbers in South Australia continued to rise, with a total 11,671 participants in 2019, a 9% increase on 2018. More than 2,200 (almost one in five) Auskick participants in SA were female.
- In the SANFL Juniors competition, over 13,000 boys and girls were registered to play across 682 teams and 54 community clubs.
- SANFL Community Football successfully established the third Regional Football Council (Mid North and Yorke Peninsula Regional Council) to underpin the future sustainability of regional football.
- The SA Country Football Championships, combined for the first time with the regional SANFL League match, was an overwhelming success, generating \$500,000 for the Port Pirie region.
- The continuing growth in female football resulted in SANFL's recruitment of over 240 new umpires, bringing the total number of registered umpires across the State to 2,513.
- SANFL has been nominated for the 2019 Governor's Multicultural Awards in recognition of SANFL's contribution to multiculturalism, inclusion and social harmony through its multicultural football programs.
- The successful launch of the SANFL APM Inclusive League in Adelaide provided an opportunity for males with an intellectual disability to play competition footy.

Such achievements continue to reinforce SANFL's position as a professional, focussed and committed organisation driven by a common purpose of growing and maintaining South Australian football at all levels.

It is this approach and our shared love of footy that ensures we continue to invest in the game, to provide more opportunities for more South Australians to participate in football, no matter the age, ability, gender or cultural background and to operate strong and competitive State League competitions for both men and women.

FROM THE LEADERSHIP

Financial Performance

SANFL's financial performance in 2019 was headlined by further debt reduction, reflecting the League's ongoing commitment to prudent financial management. Highlights of our 2019 Financial Results include:

- Secured bank debt reduced from \$7.3m to \$2.8m due to the further proceeds from land sales at Football Park.
- Statutory net profit of \$3.39m, excluding \$4.5m in game development grants paid to SANFL member clubs and net assets of \$95.93m.
- Reduction in financing expenses of \$205,000 due to SANFL's lowered debt position..
- SANFL commenced in January 2020 a significant redevelopment of the Tavern at Football Park that will form part of the land development project at that site. With more than 2,000 new local residents by 2027, the Tavern will create a significantly improved revenue stream for SANFL from the 2021 financial year.
- The Adelaide Oval Hotel construction is well underway and the hotel is scheduled to open by the end of September 2020. Again, this will create a new revenue stream for SANFL as a 50% Joint Venture shareholder of AOSMA who is constructing and operating the Hotel.

Club debt was also reduced to \$8m following payments totalling another \$2.5m to the eight member clubs. Those payments represent the fourth tranche of the \$16m being distributed to SANFL member clubs over seven years from the Football Park redevelopment.

Cash earnings fell by \$2.2m, largely due to a decrease in net income received from Adelaide Oval as a 50% joint venture partner, which can be attributed to fewer major events at Adelaide Oval, lower attendances and increases in operating costs in 2019.

While SANFL is budgeting on a similar financial result in 2020, there are two major projects underway that that will lead to an improved financial result from 2021 and SANFL returning to a cash earnings surplus by 2022:

FROM THE LEADERSHIP

Health of the Game

Further growth in participation has ensured that football maintained its position as the leading code in South Australia in 2019.

The total number of male and female registered club participants in SA climbed to a record 54,449, representing an increase of 2.95% on 2018, making football the most popular club sport played in SA.

Overall female participation in football continued to grow, most significantly in the number of registered club participants in SA, which reached 7,594 players (a 24% increase). Regionally, the number of female players grew by almost 50 per cent, with over 3,100 females registered in club teams across regional SA following the introduction of eight new dedicated female competitions.

Girls are also participating in the game earlier, with the number of girls aged 5-8 registered at Auskick centres throughout SA reaching 2,418 – a 15% increase.

These results are pleasing from a game health standpoint as it shows that more females are moving through our established pathways and engaging more deeply with the game, which points to further sustainable growth in female football participation.

2019 also saw the expansion of the Statewide Super Women's League to eight teams with the entry of Woodville-West Torrens and Central District into the competition. This means that all eight SANFL clubs are now represented in the competition for the first time in its three-year history. In a further boost to the competition and women's football overall, Statewide Super also dedicated \$30,000 of its naming rights sponsorship towards female talent development at SANFL Clubs, helping to facilitate the creation of eight part-time development officers in each SANFL Club zone in 2019. We thank Statewide Super for its continued support of football in South Australia.

SANFL Community Football also experienced another successful and progressive year, highlighted by one of the most successful SA Country Championships in recent years. Held in Port Pirie in July, this was the first time the SANFL League regional match was played as part of the Championships, resulting in an attendance figure of approximately 5,000 people across the weekend and more than \$500,000 in economic benefit to the Port Pirie region. The third Regional Football Council was established to provide support and resources to Community Football

in the State's Mid North and Yorke Peninsula region. This followed the successful establishment of regional councils in the Eyre Peninsula and Limestone Coast regions in 2017 and 2018 respectively which have already seen positive benefits for local leagues and club volunteers.

SANFL maintained its strong focus on diversity and achieved several significant milestones in expanding access to the game to an even broader demographic. Multicultural participation numbers continued to rise across the board and, in 2019, there were over 1,400 registered multicultural NAB AFL Auskick participants in SA, representing a 13% increase on 2018.

SANFL also successfully launched two key initiatives aimed at fostering diversity in our game – the SANFL APM Inclusive League in Adelaide for males living with an intellectual disability and SANFL ECH Walking Footy for over 50s, which held its first come and try sessions ahead of an inaugural competition, due to commence in March 2020. In recognition of our contribution to multiculturalism, inclusion and social harmony through our various football programs and related activities, SANFL has been nominated for the 2019 Governor's Multicultural Awards, which are set to be announced in March 2020.

Junior development remains a strong focus for SANFL and it was pleasing to see strong participation and growth numbers again in 2019. SANFL Juniors – the community club-based competition for under 7s through to under 16.5s in the Adelaide metropolitan area – continued to thrive with more than 13,000 boys and girls registered across 682 teams and 54 community clubs. NAB AFL Auskick participation numbers also grew significantly and there are now more than 11,200 girls and boys participating in the program, an increase of nearly 10% compared to 2018.

The urgent need to develop quality, well-designed shared-used facilities continues to be one of the major challenges facing grassroots football. Pleasingly, 2019 saw some positive steps forward in closing the gap in facilities, with round one of the Grassroots Football, Cricket and Netball Facility Program providing \$6m in funding for a total build spend of \$15.1m on facilities throughout the State.

Key to the success of this round one funding has been the collaboration between the State Government, SANFL, SACA and Netball SA in project planning and advocacy.

FROM THE LEADERSHIP

AFL

The health of the game in SA is in no small part due to the strong and collaborative relationship SANFL has with the AFL. The AFL provided SANFL Game Development grants of \$1.7m and Talent Development fees of approximately \$1m, in addition to specifically funding some SANFL specialist Talent and Game Development staff positions. This funding assists SANFL in delivering its SA-based Auskick, school and community football programs. It also enables us to maintain above benchmark results in talent development on the back of SANFL-managed talent programs.

League Competitions

High quality football and evenness of the competition were hallmarks of the 2019 SANFL Statewide Super Men's League, which culminated in a well contested Grand Final at Adelaide Oval on September 22.

In front of more than 39,000 people – the third consecutive year that the Grand Final has attracted at least that many fans – Glenelg defeated Port Adelaide by 28 points to end a 33-year premiership drought.

Glenelg were the pacesetters all year, losing just three games during the home and away season to finish top of the table for the first time since 2009. With the dual forward threats of Liam McBean and Luke Reynolds, who finished first and second in the Ken Farmer Medal respectively, and the midfield power of Magarey Medallist Luke Partington and Jack Oatey Medallist Matthew Snook, Glenelg had a year to remember and ended the season as deserved premiers.

The Grand Final had a peak viewing audience on Channel 7 of more than 145,000 and achieved a 56% market share and overall attendance numbers across the Finals Series were at their highest since 2014, the year in which SANFL Finals moved to the Adelaide Oval.

Significantly, Glenelg's fifth premiership means they became fourth club to break a premiership drought of at least 14 years since the League advanced to a 10-team competition with the introduction of the two AFL teams in 2014. In this time, seven different clubs have played in a Grand Final with five different premiers and all 10 clubs have advanced to at least a Preliminary Final. The competition could not be more compelling.

In the SANFL Statewide Super Women's League, South Adelaide reinforced its position as the dominant force in women's football, claiming back-to-back premierships with a 22-point win over North Adelaide. It is a remarkable achievement by the Panthers, who after winning their first flag in their inaugural season, repeated the feat in 2019 despite losing a host of key players in the off-season. It is a testament to coach Rick Watts and the entire playing group, who were led admirably by experienced captain Lauren Buchanan.

Key Partnerships

SANFL acknowledges the continuing support of Statewide Super as Naming Rights partner of the SANFL men's and women's elite state league competitions.

SANFL's historic partnership with its Major Partner, West End, is one of the longest sporting partnerships in SA. Importantly, this major partnership not only provides significant financial support to SANFL, but also to SANFL Clubs.

In late 2019, SANFL was pleased to welcome Kia Motors Australia as a Premier Partner and official vehicle supplier for SANFL. SANFL also announced National Pharmacies as its Naming Rights partner for the ever-expanding SANFL Juniors competition from 2020.

SA Power Networks teamed with SANFL to support the roll out of a new personal wellbeing and development program – the SANFL Female Personal Pathways program – for all Statewide Super Women's League players. We also welcomed Simon Alexander Jewellers in a unique partnership that will see our Statewide Super Women's League Premiership players receive a custom-made premiership ring from 2020.

We also acknowledge and thank our ongoing Premier Partners – Channel 7, Torrens University, Coca-Cola Amatil, Burley, JC Decaux and Ausco.

FROM THE LEADERSHIP

Governance

Bill Moody was elected as Commissioner for a three-year term, replacing June Roache who was a member of the Commission since 2015. Incumbent Commission member Peter Lindner was re-elected to serve for a further three years. Louise Small was appointed to the Commission on a one-year term, replacing Jane Woodlands-Thompson who resigned after three years on the Commission to focus on her new role at Collingwood Football Club.

Through support from the Office for Recreation, Sport & Racing, in 2019 SANFL delivered the SANFL Equal Goals Club Governance Program with the aim of providing SANFL clubs with financial assistance to undertake governance initiatives to support increasing the diversity of their boards.

Acknowledgements

Three greats of South Australian football became the newest members of the South Australian Football Hall of Fame in 2019.

Popular Sturt and Carlton midfielder Peter Motley joined Port Adelaide, Essendon and Adelaide icon Greg Anderson and Sturt's first premiership captain-coach, the late Bill Mayman, in joining the illustrious honour roll of footballing giants.

South Adelaide great Jim Deane also had his distinguished career recognised, becoming the sole South Australian inductee in the Australian Football Hall of Fame in the class of 2019.

In 2019, SANFL mourned the passing of several iconic players and administrators, including League Life member and long-serving administrator Glen Rosser, League Player Life Member Maxwell Hewitt, Player Life Member Craig Cock, League Life Member David Wark Sr, Player Life Member and Magarey Medallist Ron Benton and distinguished administrator and League Life Member Nerio Ferraro.

SANFL also paid tribute to an inaugural inductee into the SA Football Hall of Fame, Player Life Member and member of the Order of Australia, Robert Oatey OAM who passed away in September.

This year's Statewide Super Volunteer of the Year was Andrew Frazer, who was recognised for his more than 20 years' service to the Bridgewater Callington Raiders Football Club in the Adelaide Hills. SANFL would also like to

acknowledge the more than 22,000 other volunteers who dedicate their time to the game and their local clubs across South Australia. Without them, community football cannot function.

Finally, we acknowledge SANFL's former General Manager of Football, Adam Kelly, who departed the League in January 2020 to take up his appointment as Head of Football at the Adelaide Football Club. Over the past five years, Adam has had a significant impact at SANFL and on football in South Australia with his engaging manner, strong work ethic, innovative thinking and passion for the game. Adam has been a strong advocate for football at all levels in South Australia, including the SANFL clubs and State League. During his time with SANFL he has helped to maintain our competition as the best State League of any sport in Australia. We wish Adam all the very best in his next chapter in football.

While 2019 has been a challenging year in some respects, it has also been another year of continued momentum for football in South Australia. Despite the impacts of reduced stadium revenues, SANFL has maintained its focus on reducing debt and investing in the game at all levels. The outcomes of this commitment to strategic governance and sound financial management can be found throughout this year's Annual Report, whether it be in record participation numbers, the strength of our development programs and talent pathways, and the quality and integrity of our League competitions.

However, none of this would be possible without the continued dedication of our SANFL team members across South Australia. The Commission would like to put on record its sincere thanks to all those who dedicate their time to growing the game across the State whose shared love of footy and ongoing commitment to growing the game at all levels underpins our continued success.

FINANCIAL OVERVIEW

	2019	2018
Cash Earnings	(\$1,513,410)	\$689,911
Statutory profit per annual report	\$3,392,910	\$6,988,844
Net Assets	\$95,933,111	\$99,256,140
Secured Debt	\$2,801,890	\$7,300,100

- SANFL use cash earnings as its operating measure – as this is the cash actually generated from operations.
- SANFL's cash earnings result was negative \$1.51m compared to the 2018 result of a surplus of \$689,911.
- The decline of \$2.21m is predominantly due to a decrease in the net income generated from Adelaide Oval. The key factors causing this decline were:
 - A decline in cricket attendances, particularly the Big Bash 20 over format which has had average attendances decline by 39% in recent seasons.
 - A decline in AFL Football attendances in 2019 of 6% with an average attendance of 40,000.
 - Less major events being staged at the oval in 2019 outside of sporting match days.
 - Increasing operating costs for Adelaide Oval.
- As SACA and SANFL are the joint shareholders of the Oval they must fund any trading shortfall of the Ovals operations. The above factors resulted in the service fee paid to AOSMA to fund its net operations increase by approximately \$2.3m in 2019 compared to 2018.
- In addition, SANFL and SACA each contributed \$1.47m to a sinking fund that creates a reserve for future asset replacement at the oval and \$400,000 to the State Government sports fund.
- AFC and PAFC as tenants have no exposure to the risk of financing stadium operations or these additional payments.
- The Statutory profit of \$3.39m includes a number of abnormal non-cash items that are detailed below - and excludes \$4.5m paid to the clubs as distributions and SANFL's annual debt contractual requirements.
- SANFL reduced its secured bank debt by \$4.5m to \$2.8m by applying the proceeds of land sales at Football Park. This compares to a debt level of \$37m in 2014.
- SANFL also reduced State League club debt by a further \$2.5m to \$8m compared to the 2014 debt levels of approximately \$16m.

Detailed Overview

The trading result for SANFL for 2019 was a statutory net profit of \$3.39m which was a decrease of \$3.59m compared to 2018. The statutory profit includes a number of non-cash adjustments that are detailed over the page. These are accounting adjustments that have no cash impact and were largely attributable to the decrease in the statutory result.

The following table adjusts the statutory profit for these non-cash items and reconciles it to "cash earnings". Cash earnings is SANFL's measure of the net cash being generated from its operations for the period.

FINANCIAL OVERVIEW

	2019	2018
Statutory profit per annual report	\$3,392,910	\$6,988,844
Exclusion of Non-cash adjustments:		
Exclude revaluation of balance sheet items measured at NPV – Note 1	(\$3,687,470)	(\$1,350,899)
Add back depreciation, amortisation and asset write-downs – Note 2	\$3,276,482	\$3,348,099
Less gain on land acquisition – Note 3	-	(\$2,093,552)
Less the equity accounted increase in investment in AOSMA – Note 4	(\$353,842)	(\$1,436,671)
Add other non-cash adjustments	\$353,327	\$572,425
Statutory profit excluding non-cash adjustments	\$2,981,407	\$6,028,246
Less Football Development Grants paid to State League Clubs	(\$4,466,612)	(\$4,286,000)
Less debt repayment - Note 5	-	(\$922,000)
Less capital purchases	(\$28,205)	(\$130,335)
Cash Earnings	(\$1,513,410)	\$689,911

Note 1 – SANFL has a number of balance sheet items that are valued at net present value or market value. These assets must be revalued each year with the change in value impacting SANFL's statutory profit. These revaluations have no impact on SANFL's cash earnings and are therefore excluded in the above reconciliation.

Note 2 – SANFL has a significant depreciation and impairment charge mainly against assets located at Football Park. The impairment charge in 2019 of \$1.82m was the final material write-down after the stadium demolition during the financial year. These charges are added back as there is no cash earnings impact.

Note 3 – A \$2.09m gain was realised on a parcel of land that SANFL contracted to purchase at Football Park in 2018. This was an accounting entry to recognise the market value of the land compared to its purchase price that has no impact on cash earnings.

Note 4 – As the 50% joint venture shareholder of AOSMA, SANFL equity accounts this investment and therefore recognises in its statutory result 50% of any movements in the net equity of AOSMA. This can fluctuate on an annual basis.

Note 5 – As SANFL was ahead of its contractual debt repayment requirements, no debt repayments were made other than from the proceeds of land sale.

Secured debt reduced from \$7.30m to \$2.80m inclusive of the proceeds of sale of further parcels of land at Football Park of \$9.05m. The land sale proceeds were allocated to both SANFL and SANFL club debt reduction. Clubs were distributed a total of \$2.50m as the fourth instalment of \$16m over 7 years.

SANFL's cash flow statement shows a negative "Net cash flows from operating activities" of \$1.23m which is consistent with the negative cash earnings result described above.

Some key points regarding the 2019 financial result are:

- Land sales of \$9.05m at Football Park
- Land payments to SANFL clubs of \$2.50m to enable debt reduction, \$8.4m has been paid to date.
- Reduction in secured debt of \$4.5m.
- Reduction in financing expenses of \$205,000 due to debt reduction.

Looking ahead to 2020

While SANFL is budgeting on a similar financial result in 2020, there are two major projects underway that that will lead to an improved financial result in 2021 and SANFL returning to a cash earnings surplus by 2022:

- SANFL commenced in January 2020 a significant redevelopment of the Tavern at Football Park that will form part of the land development project at that site. With more than 2,000 new local residents by 2027 the Tavern will create a significantly improved revenue stream for SANFL from the 2021 financial year.
- The Adelaide Oval Hotel construction is well underway and the Hotel is scheduled to open by the end of September 2020. Again, this will create a new revenue stream for SANFL as a 50% Joint Venture shareholder of AOSMA who is constructing and operating the Hotel.

The above initiatives will provide critical new revenue streams for SANFL to offset the financial risk that SANFL is exposed to from Adelaide Oval operations – mainly declining attendances and a reliance on major event revenue.

WEST END STATE TEAM

The West End State team produced one of South Australia's most memorable victories to win back the Haydn Bunton Junior Cup on foreign soil in 2019.

Facing a WAFL outfit gunning for its seventh win in succession, the Croweaters showed tremendous heart and spirit to win by seven points in a thrilling encounter at Optus Stadium in Perth.

It was SANFL's first win in the West since the Alastair Clarkson-coached South Aussies defeated the Sandgropers in 2003, giving the class of 2019 plenty of reason to celebrate.

Without star quintet Mitch Grigg, Zane Kirkwood, Joel Cross, Nick Little and Matt Panos, the West End State Team was staring down the barrel of a third consecutive loss to the Black Swans after trailing by 22 points 10 minutes into the second term.

But the fleet-footed South Australians – coached by North Adelaide premiership mentor Josh Carr - worked their way back into the contest by booting the final three majors of the term to trim the deficit to just four points at the main change.

West Adelaide's Kaine Stevens and Norwood's Dom Barry were prominent early, the latter booting his two goals in the opening half.

With Fos Williams Medallist Michael Knoll controlling the stoppages with his savvy hitouts, the rest of the side joined in after half-time as the Croweaters kicked six goals to two with a slick brand of football in the pristine conditions.

Knoll – a former basketballer – finished with 15 disposals and 31 hit outs to be the first SA player other than Zane Kirkwood to be awarded the Fos Williams Medal since West's Tom Keough in 2015.

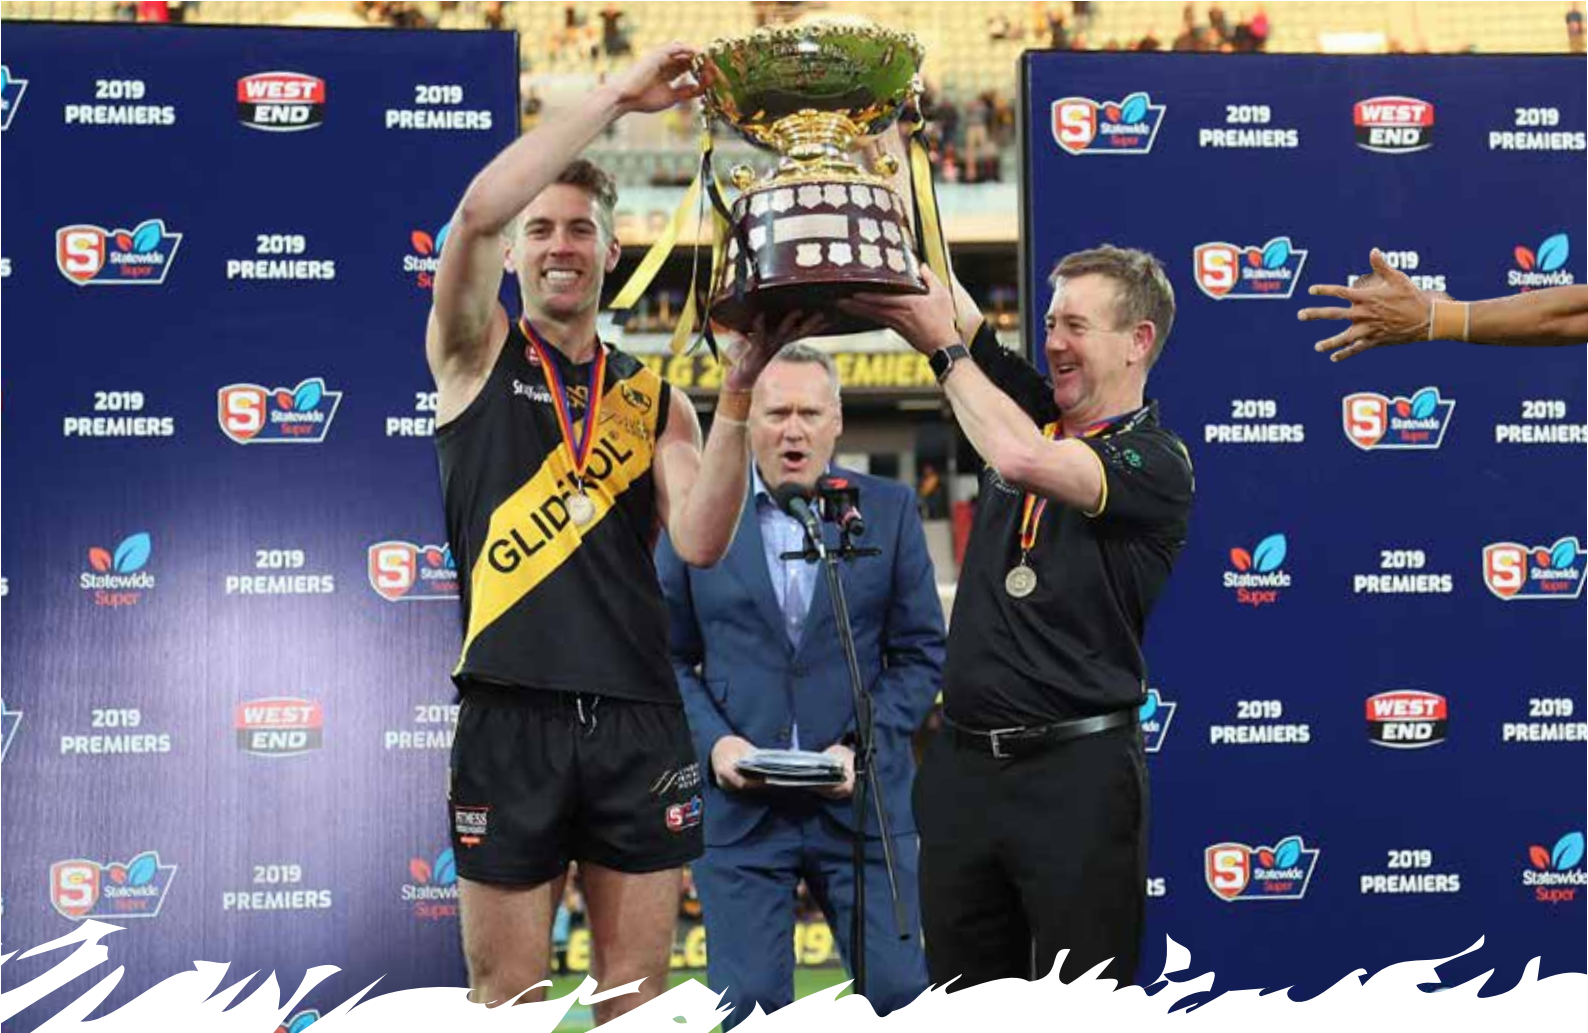

Native Sandgroper Aidan Tropiano was SA's leading disposal winner with 28 while Eagle Jordan Foote collected 24 and applied a crucial tackle late in the fourth quarter to stop a likely WA goal. Together with West Adelaide's John Noble (24 disposals), and Barry (23 disposals) they were among the 14 debutants who played a major role in carrying their State to a memorable triumph.

SANFL STATEWIDE SUPER LEAGUE

The SANFL Statewide Super League is the oldest State League competition in Australia.

The 2019 SANFL Statewide Super League competition attracted more than 284,000 spectators across the season, an increase on the 270,000 in attendance for 2018. All minor rounds were played at suburban grounds, with the Finals Series showcased at Adelaide Oval.

Glenelg shook off a 33-year premiership drought and a long tale of Port Adelaide torment to win the 2019 SANFL Statewide Super League Grand Final by 28 points over the Magpies at Adelaide Oval.

Contesting the finals for the first time since 2011, the Tigers showed why they were crowned minor premiers, proving too clean and efficient from the outset in front of 39,105 fans.

Tenacious Tiger Matt Snook (28 possessions, eight tackles and seven clearances) was a deserved recipient of the Jack Oatey Medal after a sterling midfield display while Josh Scott and Marlon Motlop (three goals apiece) proved a handful in attack for the Bays.

It was Glenelg's first premiership since 1986 and fifth overall, exorcising the demons of five successive grand final

defeats at the hands of the Magpies between 1977-92. Glenelg coach Mark Stone joined Graham Cornes (1985-86), Neil Kerley (1973) and Bruce McGregor (1934) as just the fourth Bays premiership coach.

"This means an enormous amount to the football club but we wanted to write our own history,"

"It is really special to me because I am the fortunate one (coach) that got to break the drought and bring the cup back (to Tigerland)."

CROWD 39,105

Since the introduction of the two AFL clubs' State League teams into the SANFL competition in 2014, five different clubs had experienced premiership success, all 10 teams have advanced to at least a preliminary final and some of the longest premiership droughts in SANFL history have been broken, resulting in growing interest in the competition.

Across the finals series, attendances were at their highest since 2014, the year in which SANFL finals moved to Adelaide Oval, with the total attendance figure of 71,958, underlining the continued growth and relevance of State League football in South Australia.

In addition to drawing large crowds, the SANFL Statewide Super League also attracted a strong TV audience on Channel 7, with an average viewership across the 2019 finals series of 66,253 and almost 40% market share. The Grand Final itself achieved 56% market share and a peak TV audience of 145,902.

Significantly, the finals numbers followed the overall season trend where crowd numbers were up by four per cent when compared with 2018, while the average Channel 7 TV audience during the home and away season grew by 19%.

Reserves

Norwood broke a 21-year premiership drought with a comfortable 19-point win against Woodville-West Torrens in the 2019 Reserves Grand Final at Adelaide Oval.

Chasing their first Reserves flag since 1998, the Redlegs overcame a sluggish start to set up the victory with a strong second term to avoid a seventh successive Grand Final loss.

With AFL Draft prospect Dylan Stephens and Reserves Magarey Medallist Jed Spence prominent in the midfield, Gavin Hughes' Legs kept the Eagles goalless for more than a quarter.

It resulted in transforming a seven-point quarter-time deficit into a 15-point half-time lead for the Norwood outfit, which was well led by former Hawthorn bigman Luke Surman, who claimed the Bob Lee Medal as best afield.

Surman, who has battled injuries for the majority of the season, was a real difference maker in the ruck and in attack as he finished with 21 disposals, 11 clearances and 18 hit outs.

STATEWIDE SUPER WOMEN'S LEAGUE

The SANFL Statewide Super Women's League continued its expansion in 2019, with the addition of two new clubs, Central District and Woodville-West Torrens, making it the first time that all eight SANFL Clubs were represented in Women's League football.

The expanded Women's League season included 10 minor rounds and a three-week finals series running from February 15 to grand final day on May 26. It also was the first time SANFL's elite men's and women's competitions came together with as many as 18 double-headers played during a six-round season crossover. This provided an opportunity to showcase the growing elite women's competition on men's League match days.

However, there was no change to the supremacy of South Adelaide in 2019, with the Panthers successfully defending its 2018 crown with a convincing 22-point win against North Adelaide in the Grand Final at ACH Group Stadium in May. The Panthers, who won the title in their inaugural season of 2018, proved they are well and truly the dominant force in South Australian women's football after producing their best at the business end of the season.

Despite losing a host of key players in the off-season – including experienced duo Courtney Gum and Kristi Harvey – Rick Watts' charges stared their adversity in the face much to the delight of the first-year premiership mentor.

"Thank you to the playing group," Watts said at the after-match presentation. "You have been amazing. We lost half of our side at the start of the year but you embraced everything we tried to do. Thank you so much from the bottom of my heart."

First-year South sensation Indy Tahau and Powerade Breakthrough Player Teah Charlton played significant roles in the victory.

Tahau, who finished with 20 disposals and two goals, was a fitting winner of the Best on Ground Medal after proving to be a key difference-maker in the outcome of the match.

SANFL Women's showdown series

In another first, the best performing SANFL Statewide Super Women's League players in 2019 had the opportunity to play in two historic Crows versus Power SANFL Statewide Super Women's Showdown games in June and July.

The exhibition series saw Port Adelaide FC represented by senior women for the first time. In a boost to the AFLW Draft hopes of emerging SA players, the two teams were selected under the same SANFL alignments as the Next Generation Academies currently in operation at SA's two AFL clubs.

TORRENS UNIVERSITY CUP

Torrens University Cup U18s

The U18 Torrens University Cup competition is the pinnacle of SANFL's elite boys talent pathway, the final step in each teenager's development ahead of their senior careers.

Woodville-West Torrens successfully defended its crown against South Adelaide after working hard for a 23-point win in the 2019 Torrens University Cup U18 Grand Final at Adelaide Oval.

Seemingly in control of the contest with a 28-point lead at half-time, the Eagles were forced to respond when the Panthers engineered a third-quarter surge immediately after the main change.

But a classy 50m set shot finish from a composed Michael Frederick helped steady the ship for the Eagles, who then pushed the advantage back out to 22 points on the back of a third goal to forward Josh Morris.

It allowed coach Shane Reardon's Eagles to keep their rivals at arm's length throughout the fourth quarter, with Eagles skipper Zane Williams kicking a pair of majors, the second an eye-catching snap from the pocket after showing his speed along the boundary line.

Frederick – the twin brother of Power rookie Martin Frederick – was fittingly awarded the Alan Stewart Medal as best afield as he tallied 20 disposals and nine marks to go with his crucial goal late in the third term.

Torrens University Cup U16s

The U16 Torrens University Cup competition is SANFL's gateway to the elite talent pathway, played from March until May each year.

Glenelg's all-conquering Under-16 side cruised to its fourth premiership in succession with a 39-point Grand Final win against a highly-fancied West Adelaide at City Mazda Stadium.

The Bays had every reason to doubt themselves after copping a 72-point loss from South Adelaide in Round 5, leaving them well outside of the top four with just two minor rounds to play. But an ensuing four-game winning streak, culminating in a commanding performance against the Bloods in the title-decider, resulted in an historic fourth flag in a row landing in the Brighton Road trophy cabinet.

"Winning four in a row in any grade is a huge achievement and it is testament to a lot of hard work by a lot of people, particularly with our South-East Academies," Glenelg U16 premiership coach Scott Uppington said.

"Hugh Stagg played his best game for the season, kicking three goals. Will Wiseman and Jack Harding were able to give our midfielders first use (of the ball) which gave us the ascendancy in clearances.

"Will Watts was outstanding in the middle, Lewis Rayson was his efficient self with his damaging left foot and Harry Tunkin was at his industrious best."

SANFL JUNIORS

SANFL Juniors is SANFL's entry level for football competitions across metropolitan Adelaide, played between the months of April and September each year.

As many as 54 Affiliated Clubs nominated a total of 681 boys and girls teams in season 2019. These teams played in 14 non-premiership and 34 premiership grade competitions.

The 2019 season has seen yet another year of growth in female participation with a record number of 103 girls' teams nominated, an increase from 97 teams in 2018.

A total of 5,275 matches were played across the 15-round season, which allowed opportunities for 13,445 participants to take to the field each weekend for their local clubs.

Highlighting the emphasis of even competitions across SANFL Juniors premiership grades, 23 different clubs were successful in winning premiership shields whilst 26 different clubs have produced competition medallists in season 2019.

COMMUNITY FOOTBALL

Season 2019 was another successful and progressive year for SANFL Community Football.

The third SANFL regional council was established, with the Mid North and Yorke Peninsula Regional Football Council now in operation. The region joins the Limestone Coast and Eyre Peninsula in having full-time football operations coordinators and an independent football council to assist local leagues and clubs in resourcing and developing the game in their region.

The SA Country Football Championships went from strength to strength in 2019. It was the first time a SANFL State League match for premiership points was played during the Championships, with the SANFL showdown between Port Adelaide and Adelaide broadcast live by Channel 7. This match, coupled with an overall weekend attendance of 5,000 people, generated more than \$500,000 in economic benefit to the Port Pirie Region.

SANFL Community Football held its annual Club Development Day in February 2019 with over 100 attendees. Special guest speaker Nathan Burke commenced the day addressing to the group about leadership and personal development. Clubs then had a choice of sessions centred around club and leadership, dynamics and creating good club culture and environments.

Regional communities were again supported by the AFL, with a pre-season JLT match held in Port Pirie, as well as AFL community camps in Kadina, Whyalla and Port Augusta.

The issue of Limestone Coast Women's Football League player Casey McElroy playing in a men's A Reserves Grade game for Padthaway Football Club in May 2019 instigated an intensive investigation and widely publicised SANFL Tribunal hearing. McElroy, who was found to be ineligible to play, was sanctioned with a six-week match suspension. It was considered that participating as an unregistered player in an official match was a serious breach of regulations, as well as the AFL's National Insurance Policy.

Finally, congratulations to the 57 South Australian players who debuted in the SANFL Statewide Super League in 2019, earning a total of \$28,500 for Community Football Clubs under the RAA Rookies program in 2019. Surpassing the 56 players who made their debut in 2018, the class of 2019 each earned \$500 for their original Community Football Club as well as a framed picture of them to hang in the clubrooms in recognition of their football pathway from grassroots community level. Also congratulations to the 29 (16 female and 13 male) South Australian players made it onto AFL Draft lists.

SANFL Statewide Super Volunteer of the Year

An icon of the Hills Football League and a dedicated member of the Bridgewater Callington Raiders Football Club, Andrew Frazer was recognised for more than 20 years of service to community football with the 2019 SANFL Statewide Super Volunteer of the Year Award.

Andrew was announced the winner at the Magarey Medal and Hall of Fame Dinner at Adelaide Oval from eight impressive finalists representing each SANFL Club zone who were nominated by their respective clubs for their outstanding contributions to grassroots footy.

Andrew is a committee member and facilities manager at Bridgewater Callington Raiders and is also a 300-game player, club legend and a life member. After his playing career ended in the mid-1990s, he turned his attention to helping the club off the field, investing significant time into junior development and demonstrating strong leadership when the club needed it most.

Andrew worked tirelessly following the devastating flooding of the Bridgewater changerooms in 2016, leading a campaign to transform the joint facilities at both Bridgewater and Callington ovals. The transformation of the facilities into modern clubrooms has enabled increased utilisation by men's and women's teams at all levels, ensuring that the Bridgewater Callington Raiders Football Club continues to flourish.

Andrew's efforts embody the spirit of community football in South Australia and he was a deserving winner of this year's SANFL Statewide Super Volunteer of the Year Award.

SA Country State Match

South Australia's Country team was edged out by WA Country by just nine points in a hard-fought contest at Optus Stadium in Perth on Saturday 27th July.

Looking to hold off the Sandgropers like they managed at Adelaide Oval in last year's thrilling encounter, the Croweaters were forced to play catch-up football after a slow start in the opening term. As hard as they tried, the visitors only found themselves further behind by the main change as WA slammed on five goals to SA's two in the second stanza.

But with North Adelaide great Leigh Ryswyk hitting the scoreboard for three goals, the Croweaters slowly clawed back into the contest to trail by just eight points at three-quarter time. As both sides kicked three goals each in the final quarter, this was to be close to the final margin as SA paid the ultimate price for its tardy start.

Penola's Scott Merrett was a deserved winner of the Barry Stringer Medal as SA's best player while Ryswyk and his fellow former Roosters in Todd Miles and Will Combe were also among the strong performers.

Former Port Adelaide Magpies defender Sid Masters – who was the leading goal kicker at the SA Country Championships – continued to show off the attacking side to his game by matching Ryswyk with three goals.

2019 SA Country Men's Championships

Central Zone claimed its first SA Country Championship since 2013 with a comprehensive win against Northern Zone in the Grand Final at Port Pirie in July.

Winning its third title since the Championship's inception in 1994, the Eagles won by a comfortable margin of 60 points as former North Adelaide star Leigh Ryswyk played his way toward a three-way tie for the Don McSweeney Medal as Player of the Championships.

Ryswyk was joined by Western Zone pair Xavier Watson and Sidney Masters, with Watson captaining his side to victory last year and Masters winning the Goalkicking Award with seven for the tournament.

FACILITIES

Grassroots Football, Cricket and Netball Facility Fund

Round one of the Grassroots Football, Cricket and Netball Facility Program provided \$6 million of funding for a total of \$15.1 million worth of facility investment to be delivered in South Australia. A total of 20 sporting clubs accessed the first round of the Program for various infrastructure projects, including unisex changerooms, lighting upgrades and playing field improvements to accommodate increasing participation, particularly female football.

The new funding program, announced in October 2018, has been made possible through a \$6 million contribution from the Office of Sport, Recreation and Racing, AFL, Cricket Australia, SANFL and SACA, while a further \$9 million will be contributed by local councils, sports clubs and the Federal Government.

A significant key to the success of Round one was the collaboration between State Government, SANFL, SACA and Netball SA in project planning and advocacy. By partnering with these key stakeholders, SANFL can continue to increase participation in football with an emphasis on inclusion and diversity through the development of quality, well-designed shared-use facilities.

Round 2 of the Program closed in November 2019 with a Round 3 anticipated for mid-2020 pending State Government approval.

Modular Build

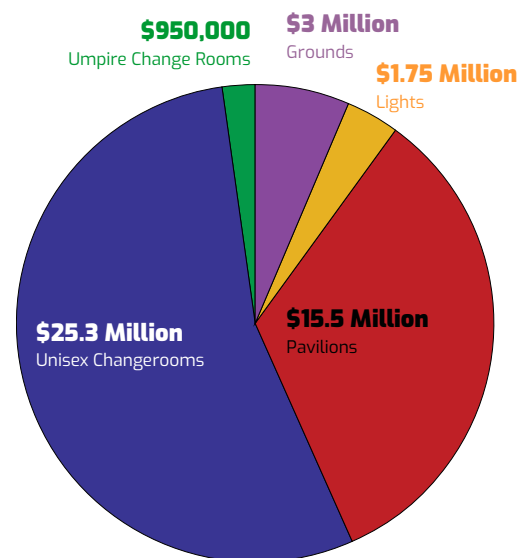

The SA-Ausco Modular and SANFL partnership culminated in the delivery of the first modular sporting facility build in metropolitan Adelaide at Blackwood Football Club. Completed in under six months, Ausco provided the 389m² high-specification unisex changeroom facility which also includes a dedicated umpires' changeroom, medical room and storage area.

Through the Grassroots Football, Cricket and Netball Facility Fund, Ausco is supporting the grandstand refurbishment at Bennett Oval Whyalla, as well as providing new canteen and bar amenities. Stage One of the Bennett Oval redevelopment is well underway, with work to include an upgrade of the playing surface and lights to bring them up to AFL standard. The redevelopment will allow Whyalla to host its first AFL pre-season match in more than two decades, showcasing Port Adelaide and the Western Bulldogs in the in the newly-renamed Marsh Cup in March 2020.

Other modular constructions under contract for building in the coming 12 months are Flagstaff Hill Community Centre, Henley Football Club and Port Broughton Combined Sporting Clubs.

Facility Highlights

- Ausco Modular and SANFL awarded the Parks and Leisure Australia 2019 SA/NT Community Facility of the Year award for the Blyth-Snowtown Football and Netball Club (BSFNC) facility upgrade.
- The first regional planning project to be delivered in South Australia, the Southern Adelaide Tennis, Netball, AFL and Cricket Strategy launched.
- 286 community club venues re-audited by SANFL staff, taking the national lead on completing this annual AFL task.
- Venue Improvement Plans commenced at five State level venues in partnership with SACA and local government at relevant sites.
- 19 projects funded via the Clubs SA Community Facility Fund contributing to a total overall investment of \$9.1 million at the community club level.

Community Club Venue Improvements 2019

- 286 venues
- 50% hosting female football (16% increase)
- 29 are now female friendly (70% improvement)
- Lighting upgrades delivered to 14 venues
- 6% overall improvement across SA

AFL Under 18 Girls National Championships

For the second year in succession, South Australia got its campaign off to a strong start with two convincing wins against the Northern Territory in Adelaide during May.

The Croweaters opened with a 58-point triumph against the Top End at Peter Motley Oval in Game 1 before holding their northern rivals goalless to win by 69 points in Game 2 at Karen Rolton Oval.

SA then supplied 16 of the 24 players selected to represent the Central Allies at the U18 AFL Youth Girls Championships on the Gold Coast in July.

The Central Allies improved on last year's winless campaign by earning two victories from three starts while Montana McKinnon, Teah Charlton and Madison Newman all earned All-Australian selection.

UMPIRING

The exceptional growth in female football resulted in SANFL's recruitment of 242 new umpires, which included 550 umpires registered with its junior panels in 2019.

Season 2019 marked several significant achievements for the SANFL Umpiring department, highlighted by the continued enforcement of the successful Last Disposal Out of Bounds rule.

A tightening of the Holding the Ball rule also continued to help our game as a spectacle.

As a result, SANFL observed a continued increase in the general flow of the game, resulting in a higher skill level and higher scores being registered.

There was no better example of this than the 2019 SANFL League Grand Final. In a tough, hard-at-the-ball contest, the umpiring allowed the players to display their skills, resulting in a pleasing performance.

Other key umpiring highlights for the 2019 season included:

- Boundary Umpire Matt Konetschka officiating in his second AFL Grand Final.
- SANFL Umpiring Centre of Excellence, headed by Talent Manager Garry Wyld, continuing to develop young umpires destined for SANFL and AFL roles.
- Continued growth of umpiring panels to provide competent junior umpires across all grades as SANFL Juniors continues to expand.
- SANFL Umpiring Recruitment Officer, Andrew Crosby, continues to oversee steady growth in our Multicultural and Female Umpiring Academies, while also ensuring overall recruitment numbers remain high.

2019 AFL UMPIRES

Field: Sam Hay, Curtis Deboy, Craig Fleer, Eleni Glouftsis & Leigh Haussen

2019 Umpiring awards

The following prestigious awards were presented at the 2019 Golden Whistle Awards held at Adelaide Oval in October.

- Golden Whistle (Best Field Umpire) – Mitch Harris
- Silver Whistle (Best Boundary Umpire) – Damian Robinson
- Goal Umpire Award – Mathew Wilson

Most Improved Awards

- Field Umpire – Thomas Bryce
- Boundary Umpire – Elliott Raymond
- Goal Umpire – James Georgiadis

Mark Posa Award – Most Outstanding Young Talent

- Taylor Dorsey (Boundary Umpire)

Andrew Vickers Medallion – Coaches Award

- Michael Schramm (Field Umpire)

David Elliott Award – Outstanding Service to Umpiring

- Theron Philp (Retired Field Umpire)

COACHING

Adelaide Crows AFLW Assistant Coach Narelle Smith and South Adelaide Statewide Super Women's League Premiership Coach Krissie Steen were invited into the inaugural 2019 AFL Women's Coaching Academy.

Both Smith and Steen were selected along with just four other female coaches from around Australia to join the AFL's inaugural Coaching Academy, designed to fast track the development of the nation's best female coaches. The Academy included several education sessions at the AFL, along with completing the AFL High Performance Level 3 Coaching Accreditation.

SANFL also had great success with its own 2019 SA Female Coaching Academy, after establishing the program in 2018. As many as 13 female coaches from across the eight SANFL clubs, including Eagles' inaugural head coach Tess Baxter, were mentored and provided with development opportunities, designed by SANFL State Coaching Manager Dave Reynolds and supported by SANFL Female Talent Manager Robbie Neill.

SANFL increased its contribution towards coach development in South Australia by establishing a new full-time role Coach Development and Education Coordinator. This role allowed SANFL to significantly increase the impact of coach development across the state.

SANFL coordinated 26 Coach Education Workshops which reached 624 coaches throughout SA, including presenters from AFL clubs and industry experts.

This year, SANFL made a significant improvement to the game day behaviour of coaches with the SANFL Juniors Competition. After piloting a 2019 Coach Behaviour Strategy, SANFL more than halved the amount of poor game day coach behaviour.

In 2019, 62 coaches were reported for poor game day behaviour, significantly down from 141 coaches in 2018. Just four coaches were reported for poor game day behaviour twice, compared to 22 coaches in 2018 and there were no coaches reported for poor game day behaviour on three or more occasions, compared to nine in 2018.

Overall numbers for SA accredited coaches also increased, with 2,896 SA Coaches registering with the CoachAFL national platform.

In collaboration with the AFL, SANFL redesigned the Level 2 Coaching Accreditation offering, allowing for 111 coaches to attend the accreditation in 2019, compared to 50 coaches the previous year. SA also had six coaches attend the AFL High Performance Level 3 Coaching Accreditation.

DIVERSITY & INCLUSION

Multicultural Programs

SANFL continued to grow its successful Welcome to Australian Rules Football (WTARF) program, located at a total of 12 centres in 2019, including 10 schools. An emphasis on rolling the program out to multicultural communities and football clubs saw the program introduced at a further two club-based centres.

The new Multicultural Coaches Pathway program saw six participants become AFL Foundation Coaching accredited, with all participants attending SANFL coaching workshops and assisting with coaching at a WTARF centre.

Sturt Football Club hosted the SANFL Multicultural League Match in 2019 at Peter Motley Oval in Round 8 of the Statewide Super League against Central District FC. The event was a melting pot of cultures and festivities with cultural performances, food and entertainment. The match day also drew a 10 per cent increase in spectators.

SANFL also launched its first multicultural Burley football design, with the story inspiration for the design by Arman Abrahamzadeh OAM and artwork by Mohsen Meysami. The artwork combines visual elements from Iranian art, calligraphy and culture with bold contemporary design. The word Liberty is shaped resembling a bird on one side of the match ball. Officially launched at the SANFL Nations Cup event earlier in the year, permission also was granted to use the ball as the official match ball in the Sturt v Central District multicultural match.

A highlight of SANFL's multicultural programs is the annual Iftar Dinner at Adelaide Oval – a celebration of diversity in Australian football and recognises the importance of the Ramadan tradition to Muslim culture in South Australia. It is an opportunity to reinforce SANFL's support for the Islamic community and to promote peace and understanding through sport.

The inaugural SANFL Nations Cup Festival saw six teams, over 100 players and performers and 250 spectators represent six multicultural communities. SANFL educated players from teams Vietnam, Lebanon, India, Afghanistan, Pakistan and team Asia the rules and skills of football in lead up training sessions to prepare all players for the celebration event day. All players wore specifically designed nation guernseys, with local multicultural community members designing their proud guernsey. The day was a festival of cultures with all nations also displaying unique cultural performances.

Another program introduced in 2019 was the Parent Education Session for multicultural parents new to the sport – teaching fundamentals in the skills, rules, transitional pathways, acceptance into football culture and its importance in Australian society. Six education sessions were rolled out with over 100 multicultural parents taking part in the program.

Finally, SANFL's 17 multicultural community ambassadors were active out in the field, notably Chen Zhang (Claire) who won the June AFL Multicultural Community Ambassador of the month.

Disability Programs

South Australia win 4th straight title

The 2019 Wheelchair Aussie Rules National Carnival was hosted in Adelaide for the first time, including teams from Victoria, Australian Defence Force and RSL. South Australia went through the Carnival undefeated and won the Gold medal match against Victoria 100 – 71. As an added bonus, two South Australians were awarded All-Australian honours for their performance at the tournament.

"I want to thank SANFL for the support provided to the team this year," SA player Chris Simpson said. "We were all very proud to wear the state colours and wore the guernsey with great pride."

To showcase the sport, an exhibition match was arranged between ex-SANFL and Port Adelaide players. Port Adelaide premiership player Darryl Wakelin, Norwood Magarey Medallist Michael Aish, Central District premiership midfielder Chris Gowans and North Adelaide Magarey Medallist Brenton Phillips were among those to strut their stuff on court.

SANFL kicked off new APM Inclusive League

SANFL commenced its first Inclusive League on May 18, providing more than 120 people with an intellectual disability the opportunity to play footy.

With the backing of new naming rights partner APM Employment Services, the SANFL APM Inclusive League built on the former successful C7 competition run by Adelaide Footy League. Christies Beach Football Club entered the competition for the first time and competed against Eastern Park, Salisbury, Goodwood and Kenilworth.

Eastern Park went through the inaugural season undefeated, winning the Grand Final against Goodwood Saints 5.5 (35) to 1.4 (10).

2019 SA Inclusive Team

The SA Inclusive Team competed in the AFL National Inclusion Carnival from July 15-21 in Blacktown, NSW. All States/Territories were represented in the carnival which is an incredible opportunity for players with an intellectual disability to showcase their talent.

Led by coach Don Miranda in his fourth year, South Australia performed well in the Lightning Carnival stage to progress to Division 1. The competition was extremely tough, with Northern Territory the eventual winners – the first time the trophy did not return to Victoria. SA lost to Victoria Country in the third-place playoff by just one point.

SA players Zac Georg-Dent, Jesse Goodman and Rhys Baker were selected in the All-Australian team which travelled to Brisbane in October to play an exhibition game at the Global Games (the largest sporting event in the world for athletes with intellectual disability).

Other highlights for the SA Inclusive Team included a tour of the Sydney Swans and GWS Giants facilities and doing a lap of honour during half-time of the GWS v Collingwood AFL match at Spotless Stadium.

All-Australian Camp for players with an intellectual impairment

The All-Australian squad from the AFL National Inclusion Carnival in July travelled to Brisbane from October 11-15 to play exhibition matches as part of the 2019 INAS Global Games. The Games included 1,000 athletes from 47 countries, competing across 10 sports in what is the largest sporting event for athletes with an intellectual impairment.

South Australia was represented by three players - Rhys Baker, Steven Hall and Andrew Doecke. Hall and Doecke were replacement players for All-Australians Zac Georg-Dent and Jesse Goodman who were unavailable due to their Australian selection at the Games for basketball and cricket respectively.

Players competed in two exhibition matches, attended education sessions and went on a team-bonding trip to Movieworld. Another highlight was being involved in the Opening Ceremony of the Games and marching with athletes from around the world through the streets of Brisbane.

The squad left with many memories and friendships that will last a lifetime and we look forward to following their journey and further inspiring the next generation of players with a disability.

INDIGENOUS

SANFL APY League

The 2019 SANFL APY League season wrapped up on Saturday, September 21 as Fregon (softball) and Central Swans (football) were crowned Premiers at the most iconic football ground in the country, Mutitjulu oval at the base of Uluru, in what was an incredibly successful finale to an outstanding season.

SANFL and SAPOL had a strong presence on the day with on-field presentations taking place following both grand finals, something that hasn't been possible for a few years. A strong and vocal crowd was in attendance with each team having a cheer squad behind the goals and swapping ends at the conclusion of each quarter. The behaviour of the players and spectators was brilliant and a highlight of how far we have come in a short space of time following the cancellation of the season in 2018 due to ongoing violence.

The football final was live streamed on the SANFL YouTube channel, featured several times in the media with highlights being shown during the AFL Preliminary Final between Collingwood v GWS, 7 News Adelaide on Saturday night and AFL Game Day on Sunday morning which has also appeared on 7AFLs social media channels with over 60,000 views.

AFL superstars Buddy Franklin, Issac Heeney, Nic Naitanui and Jack Riewoldt have all engaged with the footage on social media as has former NRL superstar Willy Mason and a host of other athletes providing enormous exposure. Channel 7's Today Tonight Adelaide were in attendance and put a feature piece to air on the SANFL APY League on Monday September 23 with outstanding feedback.

SANFL continues to be an industry leader in delivering remote competitions which was highlighted by the success of the 2019 season and being voted as a finalist at the SA Sports Awards in the Reconciliation category.

APY Women's Representative Opportunities

For the first time, APY Thunder was represented in the Northern Territory Softball Championships from September 13 – 15.

Full credit to Kevin Tannebring, Suzanne Tape and the NPY Women's council staff for ensuring this opportunity was memorable for all players, coaches and supporters. A 17-0 win in game 1 will be forever remembered as the very first game APY Thunder Kungkas have played in and it will inspire other young women to strive to be selected to represent APY Thunder at state carnivals in the future.

Whilst the girls didn't come home with the silver wear, comment was made that they were by far the best performing team across the weekend long carnival and it was only bad luck with a misfield which saw them defeated in the final.

Kevin Tannebring voted as a Finalist in the SA Volunteer of the Year Awards

Kevin Tannebring is SANFL's ambassador for the SANFL APY League who was recently appointed to the role of Chairperson of the Board of Directors.

For his outstanding contribution to the SANFL APY League, he was recognised as a finalist in the 2019 South Australian Volunteer of the Year Award.

This role requires Kevin to take time out of his week to travel to the APY Lands (fly to Alice Springs/Uluru and drive a further four hours) to attend meetings up to four times per year. Over the past two years, he has visited the APY Lands more than 25 times for a minimum of 100 nights away from home to ensure sport can be enjoyed by those in our most remote regions. Kevin has been volunteering his services for over 13 years on the APY Lands.

Don McSweeney Aboriginal Lands Cup

In its 15th year, the annual Don McSweeney Aboriginal Lands Cup, Careers and Leadership Program was held in Adelaide from July 16–19. The program, named in honour of late SANFL Life Member and passionate Aboriginal Ambassador Don McSweeney, the match is the culmination of a four-day education, training and leadership program.

Players from the APY Lands and Maralinga Lands came together with the honour to represent themselves, their families, their respective communities and to showcase their talent at Adelaide Oval in the annual Lands Cup game.

The program is an opportunity for our Indigenous young men to not only play football at Adelaide Oval but to develop their leadership skills and explore career pathways. They had a good understanding and appreciation of this opportunity as we worked with our emerging leaders.

One of the great success stories to emerge from the Don McSweeney Cup has been former Glenelg and Port Adelaide wingman Dom Barry, who is now playing in the SANFL Statewide Super League with Norwood.

This program would not be possible without the ongoing financial support of our major supporters, Commonwealth Government, State Government, Aboriginal Drug and Alcohol Council, Defence Force, SANFL Major Sponsor Statewide Super along with our local sponsors in Cowell Electric. Our sincere appreciation to St John Ambulance and SA Metropolitan Fire Service through their community programs educated the group in the area of First Aid and Driver Awareness. Thanks also to Adelaide, Port Adelaide, Norwood and Woodville West Torrens football clubs who each hosted the group.

Diversity Talent ID Program

The Indigenous Programs team worked together with SANFL's Talent department to roll out the Diversity Talent ID Program for U15 year old Indigenous and Multicultural young men and women throughout regional and metropolitan SA.

In 2019 the AFL Indigenous and Multicultural Programs took a new direction in relation to the National Diversity Championships for both male and female Flying Boomerangs and All Nations World teams.

Moving from national week-long carnivals, the new State based talent identification format was introduced. This involved the Indigenous and Talent teams travelling across regional South Australia to conduct skill testing to select the best male and female Indigenous and Multicultural talent to be invited to Adelaide for Diversity High Performance Camps, held in April and October..

The Diversity Programs are more than just football programs, they are aimed at preparing the next generation of Indigenous and Multicultural young men and women with leadership skills, qualities and experiences to become positive role models for their own families and communities.

The regional areas that were visited encompassed SANFL Club zones along with the Adelaide Crows and Port Adelaide Next Generation Academy zones, supported by SANFL and AFL club personnel. One metropolitan trial was held in Adelaide for each program.

Promotion for the regional and metropolitan trials were through the various avenues which included, SANFL clubs, Schools, Community Clubs, SANFL Juniors, SANFL Facebook and SANFL website.

OUR PARTNERS

Jake Parkinson, SANFL CEO, with Vito Borrello, National Pharmacies CEO.

SANFL's commercial partners play a vital role in supporting SANFL's vision of creating healthier more connected lives through the enjoyment of footy.

Statewide Super

League Naming Rights Partner

SANFL acknowledges the support of Statewide Super as Naming Right partner of the SANFL men's and women's elite State League competitions. Statewide Super is a respected and proud South Australian organisation with strong existing ties with football right across the State. The Statewide Super's commitment provides a tremendous boost for SANFL football – the strongest men's State League in the nation – and stands our League competition in great stead for the future.

West End

Major Partner

SANFL's historic partnership with its Major Partner, West End, dates back to 1954, making it one of the longest sporting partnerships in SA and one of which both organisations are immensely proud. The major partnership not only provides significant financial support to SANFL, but also to SANFL Clubs. The relationship is also much more than a sporting sponsorship, with West End involved in supporting a wide range of events and programs across the breadth of SANFL. It extends beyond the State League to Community Football in both metropolitan and regional areas.

Kia Motors Australia

Kia Motors Australia has aligned as a Premier Partner of SANFL in a three-year partnership which will see Kia vehicles driving footy across the State from 2020. As SANFL's official vehicle supplier, Kia will enable SANFL to continue to deliver on its vision. Kia replaces Maughan Thiem as SANFL's vehicle partner of many years. We thank Maughan Thiem for its support of SANFL and significant contribution to football in SA.

Simon Alexander Jewellers

Regarded as one of Adelaide finest jewellers, SANFL was pleased to welcome Adelaide owned and operated business Simon Alexander Jewellers as a partner in late 2019. The unique partnership will see each 2020 Statewide Super Women's League premiership player receive a custom-made 'premiership ring'. SANFL looks forward to a mutually beneficial partnership which will acknowledge our SANFLW players with a well-deserved memento of an outstanding achievement.

SA Power Networks

SA Power Networks has teamed up with SANFL to support Statewide Super Women's League players with a new personal development program. The SANFL Female Personal Pathways program, an initiative driven by SA Football Commissioner Louise Small, aims to equip players with the tools to support their wellbeing, mental health and personal growth whilst playing and training in a semi-professional elite football environment. The program was rolled out across the eight SANFL Clubs over pre-season and involves a series of educational workshops and forums.

National Pharmacies Juniors

SANFL announced National Pharmacies as its naming rights partner for the ever-expanding SANFL

Juniors competition from 2020. Now boasting some 630 junior teams across more than 50 community clubs, SANFL National Pharmacies Juniors is the largest Australian Rules junior football competition in the nation. National Pharmacies has had a long association with SANFL, with National Pharmacies Optical previously the Major Partner of SANFL umpires. SANFL is delighted to continue this great relationship with National Pharmacies, now aligned with the SANFL Juniors competition.

Skilled Careers

In 2019, SANFL teamed with the State Government as part of a new campaign to encourage more South Australians to take up pathways to skilled careers. The "Your Passion" campaign centres around apprenticeships and traineeships and will add to the career conversations taking place in clubrooms, grandstands and around the grounds on game days. The partnership provides football players, followers, young people and their parents and mentors with information about the thousands of jobs in our fast-growing industries possible through apprenticeships and traineeships.

We would also like to acknowledge the support of our existing Premier Partners – Channel 7, Torrens University, Coca-Cola Amatil, Burley, JC Decaux and Ausco. Their ongoing support of SANFL football allows continual growth and development across a wide breadth of SANFL programs.

INTEGRITY

Testing, procedures and numbers summary

The SANFL first implemented the Illicit Drug Policy in 2017 which included Illicit Drug Testing for the SANFL men's League competition, the very first league outside of the AFL to undertake such testing. Since this time the Illicit Drug Testing Policy has advanced to include the SANFL Women's competition in the Drug Testing regime. There are generally 140 tests conducted between both the men's and women's SANFL League competitions.

The testing is conducted during the week (known as 'out of competition' time) at the clubs' training sessions and 'in-season', which for the purposes of the testing procedure is the period during the football season.

The test is a urine test provided by the player with the sample provided in the presence of the tester. This sample is then sent off for further analysis at the laboratory with the results being provide back to the SANFL Integrity Manager. This is a confidential process with any positive test result being managed by the SANFL Integrity Manager, nominated club liaison officer and the player.

The SANFL Illicit Drug Policy and testing procedure has been embraced by the playing group. By working in partnership with the clubs, a collaborative approach is taken to administer the policy and minimise the potential that illicit drug use can have on the integrity of the SANFL competition.

Education

Education is a critical component of our SANFL competitions, from the Torrens University U18 competition through to the senior men's and women's competitions.

Prior to the commencement of the season, face to face education sessions are delivered to all clubs – U18s, SANFL Men's and SANFL Women's players. In 2019, approximately 1,300 players received face to face education on the Anti-Doping Code (ASADA Testing), Illicit Drug Policy including testing, match fixing and gambling, vilification of all kinds and social responsibility, including personal branding – that is, how does the player want to be known.

SANFL also has been developing an online education platform with UniSA. The first module is Illicit Drug Education and the aim is to develop further modules to complement the education sessions currently undertaken face to face. Once the 2020 season commences, the online education platform will be rolled out to every club whereby each player will have a unique login which can be monitored in order to provide feedback to clubs as to the compliance of completing the education module. This is a great initiative which will allow the players to undertake the education training in the comfort of their own homes at a time that is convenient to them.

Player Sanction

SANFL has zero tolerance for prohibited drug use in its competitions. In 2019, the League imposed its first sanction on a SANFL player for a breach of the Australian Football Anti-Doping Code, reinforcing the strong stance in maintaining fairness, safety and integrity on behalf of its participants.

OUR PEOPLE

A great place to work

With SANFL's head count numbers reaching 80 permanent staff at the close of 2019, the focus was about creating a great employee experience for all. SANFL is committed to recognising the dedication and hard work of our team in promoting and growing football. 2019 continued to be another successful year in terms of engaging our workforce, with staff engagement survey results revealing 96% of our workforce was proud to work for SANFL.

96% of our workforce was proud to work for SANFL

This engagement score was followed by the 92% of staff who said they would recommend SANFL as a great place to work.

Living our Values

Each year SANFL celebrates team members who have been nominated to be formally recognised for living our Values. All value nominations play an important role in embedding our values into everything we do. Congratulations to our

GOVERNANCE

Through support from the Office for Recreation, Sport & Racing, in 2019 SANFL delivered the SANFL Equal Goals Club Governance Program.

The aim of the program was to provide SANFL clubs with financial assistance to undertake governance initiatives to support increasing the diversity of their boards. This included activities that address barriers to inclusion as well as governance improvement initiatives.

Developing Our People

2019 saw a continuation of our education partnership with Torrens University with 15 per cent of our permanent workforce undertaking post graduate studies. This partnership has been a significant contributor to building the SANFL workforce and leadership capability.

Career Opportunities and Employment Pathways

SANFL offers a range of career opportunities, from part-time umpiring to full time game development positions and business administration across metro and regional areas. The pathway for a career with SANFL often commences with voluntary experience in football, including:

- A university student undertaking a course-required placement
- delivering Auskick programs or similar
- coaching/playing experiences at community and SANFL clubs.

SANFL has an intake of approximately 10 casual Game Development Officers each year which can lead to permanent employment. In 2019, three permanent positions have been awarded to casuals coming through the employment pathway.

Project activities included governance training for board members, review and updating of constitutions, development of board position description and skill matrices, as well as the creation of a board performance management framework.

SANFL has also undertaken a review of its constitution, ensuring it is inclusive and fit for the future.

HISTORY CENTRE

The SANFL History Centre at Bowden continues to evolve in increasingly diverse ways.

Significant progress was made in 2019 with the introduction of an updated version of the online cataloguing system, which is supported by the AFL. The use of this system is at no cost to SANFL or the SANFL clubs and is a much improved version.

The project to digitise SANFL vision is progressing, with the significant work of George Usher much appreciated. A grant of \$8000 was secured to assist with this project, which includes approximately 4,000 films, tapes, CDs, and DVDs. This phase of the project could be completed by mid-2020. Other projects include the digitisation of 500 badges from the Gage Collection, significant work on the Ron Blum Collection, continued digitisation of Budgets, annual reports and overall statistics, by Mark Giles and David O'Hara.

Digitising scrapbooks is another large project. A total of 715 books, containing 41,000 photographs and clippings have been completed.

SANFL club historians, and other interested individuals, met four times in 2019, to discuss various issues, including the cataloguing of items and updating the club displays on the third floor of Adelaide Oval.

Planning for the next SANFL/State Library of South Australia History Exhibition for 2022 will start in 2020.

Many thanks go to the knowledgeable and committed volunteers who attend the History Centre or liaise via email.

SANFL also thanks the SANFL History Committee and the chairman, long-serving SA Football Commissioner Dion McCaffrie. The League also acknowledges the many hours of work contributed each week by SANFL History Centre Manager Chris Halbert.

HISTORY MAKERS

Magarey Medal

Glenelg's Luke Partington became the first Tiger in 13 years to win the prestigious Magarey Medal at a gala ceremony held at Adelaide Oval in September.

The first Glenelg player to win SANFL's illustrious Statewide Super League best and fairest trophy since Brett Backwell in 2006, Partington is also the 10th in the club's history to earn the League's coveted individual honour.

Joining Glenelg greats such as Tony McGuinness, Fred Phillis and Kym Hodgeman, the 22-year-old polled 26 votes to finish ahead of Adelaide's Patrick Wilson on 21 and Norwood's Lewis Johnston on 17.

After polling a vote in Round 1, the 22-year-old was slow out of the blocks having missed Rounds 2 and 3 with a minor hamstring strain.

But the hard-running midfielder sprang to life from Round 7, as he attracted maximum votes from seven of eight matches, with Round 11 the only game he didn't poll in during the two-month period.

In this time, the former West Coast Eagle landed a staggering 21 of his total votes which proved to be enough to hold off early pacesetters in Wilson and Port Adelaide's Jack Trengove.

Measuring in at 181cm and 79kg, Partington averaged 29.5 disposals, five tackles, five clearances and a goal as he quickly cemented himself as one of SANFL's premier midfielders this season.

2019 MAGAREY MEDAL LEADERBOARD

- Luke Partington (Glenelg) 26
- Patrick Wilson (Adelaide) 21
- Lewis Johnston (Norwood) 17
- Sam Colquhoun (Sturt) 16

SANFL Statewide Super Women's League Best & Fairest

Norwood superstar Najwa Allen has left a lasting first impression on the Statewide Super Women's League after winning the 2019 Best and Fairest Award.

Recruited from Canberra in the off-season, the prolific midfielder polled 17 votes to edge out Redlegs running machine Monique Hollick who was runner-up with 14.

Fellow Norwood player Hannah Dunn made it a red-and-blue trifecta when she placed third with 13 votes.

Averaging a stunning 25.4 disposals, five marks and three clearances in her inaugural SANFL Women's campaign, Allen also had an impact on the scoreboard with seven goals for the season.

The 24-year-old polled five first preferences from the umpires, including three in the last four matches to leapfrog team-mates Hollick and Dunn, who were joint leaders at the end of Round 6 with 10 votes.

AWARD WINNERS

R.O Shearman Medal

Glenelg midfielder Luke Partington became just the second Tiger to win the R.O Shearman Medal after being presented with the coveted individual award in September.

Glenelg midfielder Luke Partington became just the second Tiger to win the R.O Shearman Medal after being presented with the coveted individual award in September.

Joining fellow Glenelg Magarey Medallist Brett Backwell who shared the Shearman Medal in 2003, Partington polled 76 votes to hold off Adelaide's Patrick Wilson on 72 and Port Adelaide's Jack Trengove on 69.

It capped a memorable night for Partington, who became the first Glenelg player since Backwell in 2006 to win the Magarey Medal.

The 22-year-old also won the competition's other individual trophy this year – the inaugural SANFL Digital Pass Player of the Year as voted by the Digital Pass commentators.

Statewide Super Women's League Coaches Trophy

Norwood's Najwa Allen added to her list of accolades in 2019 when she claimed the SANFL Women's Coaches Trophy.

The former GWS AFLW midfielder polled 68 votes, 20 ahead of her nearest rival in North Adelaide co-captain Nadia Von Bertouch.

Fellow Redlegs Monique Hollick and Hannah Dunn rounded out the top four while South had three players – Czenya Cavours, Teah Charlton and Hannah Munyard – attract at least 30 votes.

Votes are collated from the SANFL Women's coaches after each game throughout the minor round.

Ken Farmer Medallist

Glenelg premiership forward Liam McBean became the Tigers' first Ken Farmer Medallist in four seasons when he led the League's goal kicking list at the end of the 2019 minor round.

Edging out team-mate Luke Reynolds by just one goal with a haul of 46, McBean was Glenelg's first Ken Farmer Medallist since Clint Alleway in 2015 and Todd Grima in 2010.

The 24-year-old held on to win the prestigious individual prize despite being rested for the Tigers' final minor round clash against Sturt due to general soreness. Together, McBean and Reynolds booted 91.35 between them for the minor round, with McBean's haul finishing on 46.19 and Reynolds having 45.16.

Clever goalsneaks James Rowe (Woodville-West Torrens), Troy Menzel (Central District) and Josh Hone (Sturt) were next on the list behind the Tigers' dominant duo.

2019 ISC Leading Goalkicker

North Adelaide's Kelly Barltrop was a comfortable winner of the 2019 ISC Leading Goalkicker Award

Booting 26 majors across the minor round, the former Adelaide United goalkeeper was a significant 12 goals ahead of her nearest rival in West Adelaide's Chelsea Biddell on 14. Norwood veteran Jo Hill and West's Melanie Elsegood were the other two players to reach double figures. Barltrop broke the record for most goals kicked in a SANFL Women's season, which was previously held by former Rooster Katelyn Rosenzweig who kicked 15 last year. The 26-year-old, who was only held goalless in two matches, booted two hauls of five goals – against Sturt in Round 2 and the Eagles in Round 8.

AWARD WINNERS

Jack Oatey Medallist

Glenelg midfielder Matt Snook emphatically claimed the Jack Oatey Medal as best-afield in the Tigers' 28-point Statewide Super League Grand Final triumph over Port Adelaide.

The tough-as-nails Snook had 28 possessions, eight tackles and seven clearances to lead the way for Glenelg who were never headed.

Hampered by a pre-season groin complaint and eased into Glenelg's line-up early in the year through the Reserves, Snook finished 2019 on the dizziest high possible.

"I'm pretty emotional," said Snook, who became the third Tiger to claim the Jack Oatey Medal after Stephen Kernahan (1985) and Tony Hall (1986).

"It's something I never thought would happen. To be up there with some of the great names of the game is very special."

Reserves Magarey Medal

Norwood midfielder Jed Spence rebounded in the strongest way possible to win the 2019 Reserves Magarey Medal.

Starting the season with his local club Payneham Norwood Union, Spence made the most of his opportunity when called up by the Redlegs to poll a total of 15 votes from just 13 matches in the SANFL Reserves competition.

The 19-year-old ball magnet finished two votes ahead of joint runners-up, Sturt's Ed Allan and Eagle Jake Comitogianni.

Spence became the first Norwood player to win the Reserves Magarey Medal since Dylan Reinbrecht since Dylan Reinbrecht shared the award with Eagle Matt Appleton in 2015.

Powerade Breakthrough Men's Player Award

Emerging Norwood midfielder Cole Gerloff became the first Redleg to win the Powerade Breakthrough Player Award in 2019.

Originally from Cleve on the Eyre Peninsula, Gerloff established himself as a regular in Norwood's deep centre square rotation after playing just 10 League games in 2018. His rapid development, together with that of team-mates Matthew Nunn and Dylan Stephens, reduced the team's previous reliance on premiership stars Mitch Grigg and Matthew Panos throughout 2019.

The 20-year-old averaged 19 disposals, four marks, six tackles and three clearances while also spending time as a strong marking target inside attacking 50m, where he hit the scoreboard with 21 goals for the season.

Gerloff earned his nomination in Round 3 for collecting 16 disposals five marks and laying 11 tackles against Sturt.

Powerade Breakthrough Women's Player Award

South Adelaide sensation Teah Charlton won the 2019 Powerade Breakthrough Player Award after heading a fine field of contestants from the SANFL Statewide Super Women's League.

Joining fellow Panther Nikki Gore, who won the award last year, Charlton displayed her eye-catching potential with her quality finishes in front of goal and clean hands while marking strongly overhead.

Recruited from the Christies Beach Football Club, the 17-year-old averaged 15.5 possessions per game and booted 10 goals for the season while spending time in attack and through the midfield.

Overcoming stress fractures in her shins which crippled her 2018 campaign, Charlton was nominated for the Powerade Breakthrough Player Award for her performance in Round 3 in which she collected 19 disposals and kicked a goal against West Adelaide.

AWARD WINNERS

McCallum-Tomkins Medal

North Adelaide midfielder Harrison Magor (pictured) became the fourth Rooster in six years to win the McCallum-Tomkins Medal in the SANFL U18 Torrens University Cup.

Originally from Ports Football Club in Port Pirie, the 18-year-old polled 17 votes to finish two clear of runner-up Luke Barnett from Woodville-West Torrens in the Torrens University Cup competition.

Measuring in at 183cm and 83kg, Magor was named in North Adelaide's best players in 10 of his 11 matches this season.

Magor joined Jonathon Hayes (2014), Dakota Nixon (2016) and Boyd Woodcock (2017) as North players to win the McCallum Tomkins Medal since its inception in 2009.

U18 Torrens University Cup Most Valuable Player

North Adelaide midfielder Harrison Magor scooped the pool after winning the 2019 U18 Torrens University Most Valuable Player Award.

Magor averaged more than 28 disposals and seven clearances while also displaying the defensive side to his game with eight tackles per match.

A member of the Torrens University SA U18 team, Magor featured in all four games at the 2019 AFL National Championships playing predominantly as a rebounding defender.

The 18-year-old earned his nomination in Round 2 after chalking up 33 disposals, seven marks and six clearances against West Adelaide.

Magor joined Liam Jacka, who claimed honours in 2013, as just the second Rooster to win the Torrens University Cup MVP Award.

Stanley H. Lewis Trophy

Glenelg Football Club won its first Stanley H. Lewis Trophy since 2010 as SANFL's best performed club in 2019.

With its Statewide Super League team finishing minor premier, together with Reserves and Under-18s qualifying for finals, the Bays tallied a total of 2300 points to finish ahead of second-placed Norwood on 2100 points.

Woodville-West Torrens tallied 2050 points to finish in third place ahead of Sturt and South Adelaide on 1950. It was the ninth time Glenelg claimed the Trophy, with its most recent successes coming in 2009 and 2010.

WEST END SA FOOTBALL HALL OF FAME

Three South Australian football greats were inducted into the West End SA Football Hall of Fame at the Adelaide Oval in September 2019.

Popular Sturt and Carlton midfielder Peter Motley, Port Adelaide, Essendon and Adelaide wingman Greg Anderson and the Double Blues' first premierships captain-coach Bill Mayman became the latest names to now reside among the Croweaters' illustrious honour roll. Inductees are selected by the South Australian Football Hall of Fame Selection Committee, which comprises Leigh Whicker AM, Julian Burton OAM, John Halbert AM MBE, Tim Pfeiffer, Neil Kerley AM, Chris McDermott, David Shipway AM, Michelangelo Rucci and Bill Sanders AM.

LEAGUE LIFE MEMBERS

The Hon. John Olsen honoured with League Life Membership

Outgoing Chair of the SA Football Commission The Hon. John Olsen AO was honoured with League Life Membership for his contribution and service to football in South Australia.

Mr Olsen was appointed to the Commission in February 2010 and elected its Chair in November of that year at a pivotal time in SANFL's history. Among the achievements of the League under his 10-year tenure as Chair of the Commission were:

- The successful move to Adelaide Oval in 2014 and formation of a joint venture partnership with the South Australian Cricket Association.
- Positioning SANFL as the best State League competition outside of the AFL with strong attendances, high quality football, significant broadcast and digital engagement and strong talent pathways.
- A strategic move away from stadium management and purely into football, growing its football development investment and programs exponentially, now covering every age and every area of the State – including juniors, women's football, community football and more.

- Significantly lowered debt profile and that of its clubs as a result of land sale of Football Park, combined with the performance of Adelaide Oval.
- Increased football participation in SA past the 200,000 mark with more than 54,000 playing club football
- Overseen a record growth (more than 30% in 2018) in female football participation, dramatically increased umpire training, coaching etc.

Accepting his award at the Annual General Meeting in March 2020, Mr Olsen said he felt privileged to be awarded Life Membership of what is the oldest surviving football league of any code in Australia.

"Football has been in my blood ever since my early days growing up in Kadina where my father was President of the Kadina 'Bloods' and then through my support and association with West Adelaide," Mr Olsen said.

"I've always enjoyed working with football people because they're hard working, committed, and passionate about the game and that was certainly my experience during my tenure at SANFL.

"I'm proud of what's been achieved by everyone in the organisation over the past decade, to establish a solid foundation for the future of the game in SA."
