## By-Laws.

1. The School year of the University shall consist of two terms of twenty weeks each without an intermission.
2. The faculty may give a vacation to the school not to exceed eight days during the holidays at Christmas.
3. The term of employment of each teacher and member of the Faculty shall continue during good behavior.
4. The tuition in the Collegiate Department is \$20; payable in advance; and the tuition in the Preparatory Department is \$15 per term, payable each half term in advance.
5. Every student in the Collegiate Department must pay an admission fee of \$2 50 per term, in advance, for incidental expenses.
6. The salary of the President of the University is two thousand five hundred dollars a year; and the salary of each professor, other than the President, is two thousand dollars per year;—provided the annual income from the University fund and the receipts from tuition in the Collegiate Department are sufficient for that purpose after the salary of the President is paid therefrom; and if there is any deficiency the Board shall not pay interest on the claim.
7. The salary of the Principal of the Preparatory Department is twelve hundred dollars a year; and the salary of the Assistant in the said department is eight hundred dollars a year.
8. The salaries herein provided for are payable quarterly, as follows: On the first days of January, April, June and October; and all such salaries, together with the tuition and admission fee herein provided for are payable in United States gold coin, and not otherwise.
9. All elections by the Board of Regents shall be given by ballot.
10. As a condition of admission into the Collegiate Department all persons must pass a thorough examination by or under the direction of the Faculty in Mental and Practical Arithmetic, Reading, Writing, Spelling, English Grammar, Geography, History of the United States, Elementary Algebra to Equations of the second degree, Latin Grammar and Reader, Four Books of Cæsar, Greek Grammar and Reader; and produce evidence of good moral character; but as to persons seeking admission upon county scholarships, such examination shall take place and proof be produced at the end of the first term, as provided in the act organizing the University. Provided, that until school year commencing in 1878 it shall be sufficient for the applicant to have the qualifications required of teachers of common schools by the statutes of this State.
11. The qualifications for admission into the Preparatory Department and the course of study therein shall be prescribed by the Faculty and teachers.
12. In the terms of admission and course of study there shall be no distinction made between the males and females.
13. The course in the University shall consist of four years, and the curric-

ulum of study shall consist of Higher Arithmetic, Algebra, Geometry, Trigonometry, Mensuration and Surveying, Conic Sections, Calculus, Physiology, Book-Keeping, Chemistry, Natural Philosophy, Astronomy, Geology, Natural History, Rhetoric, Logic, Political Economy, Mental and Moral Science, History, Latin, Greek, French and German.

14. The President of the University and Faculty shall be charged with the duties of one of the professorships, and shall have authority to divide the course of instruction between himself and the other professors.

15. The Executive Committee shall audit all accounts and demands against the Board for salaries and other current expenses authorized by the Board, and issue warrants upon the Treasurer, signed by themselves and countersigned by the Secretary, in payment of the same; and such committee is authorized from time to time to provide wood, water and the necessary furniture for the University building, and to make necessary repairs and improvements thereon and upon the grounds belonging thereto, and to employ a Janitor.

16. At each session of the Board the Executive Committee shall make a report thereto of their acts and doings since the last meeting, including a detailed statement of all liabilities incurred by them, and all accounts and demands audited, with the vouchers therefor, and all warrants issued by them.

17. Any student who shall in anywise injure or destroy any property of the University shall be liable therefor, and upon neglect or refusal to make such compensation as the Executive Committee shall determine to be reasonable, may be suspended or expelled.
