### **TUGboat editorial information**

This regular issue (Vol. 39, No. 1) is the first issue of the 2018 volume year. The second issue is planned to be the proceedings of the annual conference, and the third another regular issue.

*TUGboat* is distributed as a benefit of membership to all current TUG members. It is also available to non-members in printed form through the TUG store ([tug.org/store](http://tug.org/store)), and online at the *TUGboat* web site ([tug.org/TUGboat](http://tug.org/TUGboat)). Online publication to non-members is delayed up to one year after print publication, to give members the benefit of early access.

Submissions to *TUGboat* are reviewed by volunteers and checked by the Editor before publication. However, the authors are assumed to be the experts. Questions regarding content or accuracy should therefore be directed to the authors, with an information copy to the Editor.

The submission deadline for the first 2018 issue is March 16.

The *TUGboat* style files, for use with plain TeX and L<sup>A</sup>T<sub>E</sub>X, are available from CTAN and the *TUGboat* web site, and are included in common TeX distributions. We also accept submissions using ConTeXt. Deadlines, templates, tips for authors, and more, is available at [tug.org/TUGboat](http://tug.org/TUGboat).

Thus, the physical address you provide in the manuscript will also be available online. If you have any reservations about posting online, please notify the editors at the time of submission and we will be happy to make suitable arrangements.

### **Other TUG publications**

TUG is interested in considering additional manuscripts for publication, such as manuals, instructional materials, documentation, or works on any other topic that might be useful to the TeX community in general.

If you have such items or know of any that you would like considered for publication, please contact the Publications Committee at [tug-pub@tug.org](mailto:tug-pub@tug.org).
