CHARTIFACTS

Week Commencing - 16th March 2009 - Issue #992

SINGLES. With the exception of No.8, *Dead And Gone* by T.I. feat. Justin Timberlake, our top 10 singles have remained almost the same as last week with just a few entries swapping places. Coldplay's recent tour here has pushed a lot of their singles up and back into the charts; *Viva La Vida* is at No.30 from No.38 last week, *Clocks* is at No.72, *Fix You* is at No.79, *Life In Technicolour II* is at No.81, *The Scientist* is at No.90 and at No.95 is *Violet Hill*. The last act to match this feat was Metallica last September. Elsewhere in the charts we have a few bullets - *Bottle Pop* by the Pussycat Dolls feat. Snoop Dogg has jumped from No.25 to No.17 this week, Kings Of Leon's *Use Somebody* is at No.18 from No.24 and Ladyhawke's *My Delirium* has reached No.20 from last week's No.27.

No.26 HEY BOYS AND GIRLS (TRUTH OF THE WORLD PT.2) - Evermore. The popular brothers from Evermore have hit the charts again with their second single released from their upcoming fourth studio album *Truth Of The World*. The three brothers Jon (guitar, vocals), Peter (keyboards, bass, piano, vocals) and Dan Hume (Drum, Vocals) are not new to the charts, their last single *Light Surrounding You* made an impressive mark at No.1 (Jan. '07) on the singles chart and was also accredited with platinum sales. The band have described the meaning of this single as a bit of a laugh at the 'over the top' media that we read and see on television.

No.27 DON'T TRUST ME - 3OH!3. Coming in at No.27 on the chart this week is this single by American punk rock/electronica band, 3OH!3. This track was the third track off their debut album *Want* and has since made the U.S Billboard Single Charts at No.51 and also the Finnish Singles Chart at No.17. The band have recently supported Katy Perry in a European Tour and plan on the *Warped* tour in 2009. They are also headlining the 2009 Alternative Press Tour around the U.S. This is their first Australian hit!

No.56 I AM AUSTRALIAN - Bruce Woodley, Claire Woodley, Dave Carter & Merelyn Carter. This song ranks with *Down Under*, *True Blue*, *Sounds Of Then* and *I Still Call Australia Home* as one of the truly iconic "Australian" hits. The song has real pedigree... written by Bruce Woodley of the Seekers and Bushwacker Dobe Newton in 1987, it first charted in June 1997 when three more Aussie legends, Judith Durham (also of the Seekers), Russell Hitchcock (from Air Supply) and Mandawuy Yunupingu (of Yothu Yindi fame) took it to No.17 on the ARIA Singles Chart. This latest chart version was recorded live at Melbourne's Rod Laver Arena during the National Day of Mourning Service for the victims of Victoria's devastating February bushfires. This version is performed by the song's composer Bruce Woodley with his daughter, Claire along with Country music couple David and Merelyn Carter (Carter & Carter). It contains two extra verses specifically relating to the bushfires and is especially poignant for the Carters who are from the township of Kinglake which was virtually destroyed in the inferno.

No.86 MAD - Ne-Yo. American R&B singer Ne-Yo has climbed the ARIA Singles Chart to No.86 this week with his newly released track, *Mad*. This is Ne-Yo's third single from his most recent album *Year Of The Gentlemen* which peaked at No.7 in September last year. This single has not only made the charts down under, it has also hit international charts such as US Billboard (No.11), UK (No.19), NZ Singles Chart (No.5) and many more. It is clear that Ne-Yo is no stranger to the charts with other hit singles such as *Closer* (No.8 Sept. '08), *So Sick* which peaked at No.4 in May 2006 and *Because Of You* (No. 23 May '07).

ALBUMS. Two interesting and different mile-stones occur in our top 5 this week. The first is regarding U2's *No Line On The Horizon* which has held the No.1 spot for another week. However, it is their 11th ARIA No.1 Album - all of which have debuted at No.1! This started back in 1984 with *The Unforgettable Fire*, which kept Midnight Oil's *Red Sails In The Sunset* out of the top spot, and most recently in November 2006 with their *U218 Singles*. *No Line On The Horizon* is their sixth album to spend more than a single week at No.1. Our second mile-stone concerns Kings Of Leon's *Only By The Night* which this week celebrates six months in the top 5 (or top 4) since its release in September last year. Similar to the Singles chart, the Albums chart has got a touch of Coldplay fever with four of their albums in the top 100; *Viva La Vida* is at No.6, *A Rush Of Blood To The Head* is at No.46, No.47 is *Parachutes* and *X & Y* is at No.57.

No.2 ALL I EVER WANTED - Kelly Clarkson. She started out as the winner of the inaugural *American Idol* and several years later she's released her fourth album. For this album, Clarkson experimented with several different styles of music and co-wrote half of the tracks. Ryan Tedder of OneRepublic helped out with some production duties on this album. This is her second chart peak at No.2 - her second album *Breakaway* hit No.2 in July 2005 and was also accredited six times platinum. Her other two albums have both been accredited gold; *Thankful* which hit No.33 in October 2003 and *My December* which reached No.4 in July 2007.

No.19 HELL OF A RIDE - Adam Brand. *Hell Of A Ride* has debuted at No.2 on the Country Albums Chart which has given Brand his sixth album to reach No.2 on the Country Chart. The first was *Built For Speed* (No.24 Feb. '02) accredited platinum, *Get Loud* (No.16 Aug. '04) accredited gold, *What A Life* (No.28 Jul. '06) accredited gold, *Christmas In Australia* (No.68 Sep. '08) and *Blame It On Eve* (No.10 Jan. '08). This multiple Golden Guitar winner started out as a travelling salesman in Perth, WA before deciding he wanted to pursue his music career and drove across to Sydney.

No.28 RADIO WARS - Howling Bells. Howling Bells is made up of Juanita Stein (vocals/rhythm guitar), Glenn Rainbow Moule (drums), Brendan Picchio (bass) and Joel Stein (lead guitar). This is their second album; the first was their self-titled album *Howling Bells* which hit No.53 in July 2006. Howling Bells are originally from Sydney, but moved to the UK, where this album recently debuted at No.55 on the UK Album Charts. Ken Nelson, who has worked with Coldplay, Feeder and Snow Patrol, produced *Radio Wars*.

No.65 WATCHMEN: MUSIC FROM THE MOTION PICTURE - Soundtrack. The latest super-hero movie to hit the big screens has an accompanying soundtrack. This movie follows the investigation of a super-hero's mysterious death. Included on this album are artists and bands from many different genres; Bob Dylan, My Chemical Romance, Billie Holiday, Philip Glass Ensemble and Simon and Garfunkel.

No.78 BARE BONES - Madeleine Peyroux. *Bare Bones* has debuted at No.1 on the Jazz chart this week, which gives Peyroux her second No.1 debut on the Jazz chart; her first was *Half The Perfect World* (No.26 Sep. '06). Peyroux's first album to chart was *Careless Love* which hit No.26 in May 2005 and was accredited gold. Peyroux was born in Atlanta, Georgia but moved all around America before finally moving to Paris with her mother.

No.86 SUPPORTING CASTE - Propagandhi. Propagandhi are as well known for their unapologetic stance on human and animal rights as they are for their music. All members are active vegans and a portion of proceeds from their album sales are donated to varying activist groups. Propagandhi hail from Canada and are currently in the middle of a world tour, leaving Australia only a few weeks ago. This is their first album to hit the albums chart, though *Potemkin City Limits* was their last album. Propagandhi is made up of Chris Hannah (vocals, guitar), Todd Kowalski (bass) Jord Samolesky (drums) and Dave Guillar (guitar).

No.94 CITY HOMICIDE - Soundtrack. *City Homicide* is an Australian police TV drama set in Melbourne, following four detectives and their superior officers. The soundtrack is full of Aussie artists and bands including John Butler Trio, Gabriella Cilmi, Wolfmother, Paul Kelly and Pete Murray.
