PRESIDENT'S LETTER

As we successfully complete another year of achievement in our athletic activities and the "M" Club, I would like to thank all "M" members and especially our Board of Directors for their contributions during the past year. It has been a great honor to be President of this organization and associate with our outstanding membership.

The "M" Club is excited about our activities the past year and the renovation of the "M" Room at the golf course is a major highlight. John Ghindia, Don Dufek Jr. and Bill Austin have done an outstanding job on this project and everyone will be pleased with the results.

The Hall of Honor is a new activity for our club. We are now the sponsor of this event and co-hosted the 2002 induction ceremony in February with the athletic department. This will be an ongoing activity for our club and it is a win-win for club members and the athletic department.

Our winter meeting and brunch featured Dave Brandon, UM Regent, CEO of Dominos Pizza and former football player. Dave was excellent as he reviewed the current state of our University and answered many questions.

Our athletic teams continue to perform well during the winter season. The Field Hockey National Championship was a great start and the Women's

"M" DAY GOLF OUTING

Indoor Track Big 10 Championship was another highlight. As we go to press, the Men's hockey team is battling for the league lead and is hopeful for an NCAA bid. Both basketball teams have excellent recruiting classes which bode well for the future.

Thanks again for all your continued support. Hope to see everyone at "M" Day in June.

GO BLUE!

HALL Of HONOR 2002

LETTERWINNERS

M CLUB

Eight members of the University of Michigan athletic family were honored Saturday, February 2nd with induction into the Michigan Hall of Honor. Members of this year's class distinguished themselves and the University through significant and outstanding accomplishments while in college and following graduation.

Inductees in the 17th Hall of Honor ceremony include Edsel Buchanan, gymnastics and cheerleading; Anthony Carter, football; Herman Fishman, basketball and baseball; Bennie McRae, track and field and football; Elmer Dayton Mitchell, Director in Intramural Sports; Bill Mogk, baseball; Penny Neer, basketball, softball, and track and field; and Michael "Campy" Russell, basketball.

"This year's class is a very special class having not only made outstanding contributions to their respective sports but also have made significant contributions to their communities following their time at the University of Michigan," said Bill Martin, U-M Director of Intercollegiate Athletics.

The University of Michigan Hall of Honor was established in 1978 to recognize those persons who have made significant

contributions as athletes, coaches, and administrators to upholding the tradition of Wolverine athletics as well as enhancing the image and reputation of the University of Michigan.

This year was also special since it is the first year that the Letterwinners "M" Club joined the Athletic Department in honoring and sponsoring the inductees.

"The tie-in between the Letterwinners "M" Club and the Athletic Department in regards to the Hall of Honor is a natural and a win-win for both groups," said Lynn Evans, president of the Letterwinners "M" Club. "As an organization representing all prior Michigan letterwinners, and with a history of almost 90 years, the club is excited about this year's induction and continuing the long-term relationship between the "M" Club, the Athletic Department and the University."

The inductees were honored with a reception at the U-M Golf Course preceding the Michigan-Wisconsin basketball game. They were also honored at halftime of the basketball game at Crisler Arena. The next induction will be in the Fall of 2003 and then every other year.

Edsel Buchanan

Edsel Buchanan competed as a gymnast for the University of Michigan for four years and was a five-year member of the varsity cheerleading team. Buchanan was a Big Ten trampoline champion (1949) and a three-time NCAA national champion (1949-51), becoming the only athlete to win three consecutive national trampoline championships. Based on these accomplishments Buchanan was inducted into the U.S. Trampoline association in 1965. Today, Buchanan continues to be involved in several intramural organizations.

Anthony Carter

Anthony Carter had a "hall of fame" career at Michigan that is accented by his inclusion into the U-M Hall of Honor, the third major Hall of Fame induction for the famed Wolverine #1. Carter earned four letters as a Michigan wide receiver, played on a pair of Big Ten championship teams, and earned All-America honors three times (1980-82), becoming only the second Wolverine three-time All-American. Carter was Big Ten player of the year in 1982 and twice named team MVP. Carter went on to a successful 14-year professional career that included 11 years playing in the NFL.

Herman Fishman

Herman Fishman earned six letters at the University of Michigan, lettering three times in basketball (1936-38) and three times in baseball (1936-38). As a basketball guard, Fishman led the conference in scoring and competed in a total of 54 games for the Wolverines. Fishman was also a star pitcher for the Michigan baseball team and in 1936 he carried a 0.86 earned run average, which was a conference record. After completing his athletic career Fishman went on to start a boys' athletic camp, Camp Michigama, which continues to be successful today.

Bennie McRae

Bennie McRae was a two-sport standout while at Michigan in both track and field and football. While competing for the track team, McRae won four Big Ten titles over a two-year period. In 1961, McRae was listed by Track and Field News as one of the top 10 hurdlers in the world. Despite his stellar track success, most remember McRae for his strong performances as left halfback for the football team which eventually helped him become an All-Big Ten selection in football.

2002 INDUCTEES

Elmer Dayton Mitchell

Dr. Elmer Dayton Mitchell continues to be renowned throughout the country and the world as the "Father of Intramurals." In 1919, Mitchell became the Director of Intramural Sports at U-M and worked under the motto "Athletics for All." Under Mitchell's administration, the University intramural program received national recognition and acclaim and in time served to be a model for future intramural directors.

Bill Mogk

Bill Mogk had an outstanding four-year (1950-53) baseball career at Michigan and earned three varsity letters for the 1951, '52 and '53 seasons. Legendary coach Ray Fisher asked Mogk to fill in many different gaps and play many different positions. Mogk played second base as a sophomore but moved to first base as a junior. During that year, he did not make a single error, becoming the first Wolverine to play errorless for an entire season. Mogk went on to compete for the Detroit Sandlots and continues to be involved as a coach for Grosse Pointe (Mich.) South High School.

Penny Neer

Penny Neer earned eight letters in three different varsity sports at U-M, competing in basketball, track and field, and softball. Neer was a three-time Big Ten discus champion in 1980, '81 and '82. During her junior year, she became U-M's first woman All-American in track and field, and as a senior, Neer won the national title in discus, making her the first U-M woman to win a national title in track and field. Neer also holds the Michigan discus record, is a member of Michigan Sports Hall of Fame, and was named to the Big Ten All-Decade team.

Michael "Campy" Russell

Michael "Campy" Russell was a U-M basketball standout who was elected by a near unanimous vote to be Big Ten Player of the Year in 1974, and he was also selected to the All-America team that same year. During the 1974 season, he led the Big Ten in scoring with 24 points per game and was second in rebounding with 11.3 rebounds per game. Russell continued on to a successful professional career, competing 10 years in the NBA. Today, Russell continues to be involved in several community organizations and has also served on the Pontiac (Mich.) city council.

The common thread within the Maize and Blue

The family of Letterwinners is growing at the fastest rate ever. Athletes from all 25 Varsity sports join our ranks once they have earned the block "M". In round numbers, since 1864 only 8,000 men and women have earned the athletic "M" and are "M" Club members. These names will be listed on acrylic panels soon to be installed on the East wall of your "M" Room.

Prior to the explosive expansion of the Varsity athletic program, most Varsity activity and focus was at Ferry Field, Yost Field House or the IM Building. In that atmosphere, athletes from all sports were in close proximity and inter-sport relationships were easily developed. This made for great allegiance and common bond between Letterwinners. A conscious awareness of the importance and significance of the athletic "M" was shared among all athletes. The "M" Club was the unifying organization for all athletes. Today, with the diversity of programs and the scattered facilities, this type of relationship is more difficult to attain. Yet, the pride, performance and commitment displayed by "M" athletes and the successes achieved by them remains the same – **as does the mission of the "M" club which is to maintain tradition and to support and assist in the continuation of excellence in Michigan Athletics.**

All Letterwinners are automatically members of the "M" Club

However, to receive all of the benefits of being an "M" Club member, you must pay your annual dues. If need to pay your dues, you can contact Pam Stevens at pmsteve@umich.edu or at 734.647.1208

Your letterwinners "M" Club is the uniting and unifying organization for all Michigan athletes. All members and their guests may participate in "M" Club family social activities and visit the renovated "M" Room any time the golf course is open to the public. **Dues paying "M" Club members, in addition, receive preferential consideration when ordering Football, Basketball and Hockey Tickets, Bowl Ticket Priority, seating assignments and receive select information and publications regarding "M"**

athletics. Your Executive Board urges – no, requests – all Letterwinners to become dues paying members. The renovation of the "M" Room to make the portrayal of Michigan athletics current, inclusive of all Varsity programs (from the beginning) and give honor and recognition to legends and heroes of the past has been a major financial undertaking.

It is through your involvement with the "M" Club that former athletes can help pass on the tradition and standards to the current generation. Currently we have about 2,000 dues paying members. We hope to double that for the year 2002. **Annual Dues are \$30 for one year or Lifetime Dues for \$500. Additional contributions by Life Members are, of course always welcomed.**

WINTER EVENT

January 26, 2002

On Saturday, January 26th, the Letterwinners **"M"** Club held the ninth annual Winter Event Brunch at the U-M Golf Course Clubhouse, preceding the Vermont Basketball and Bowling Green Hockey games.

"M" Club President Lynn Evans and Board Member Frank Legacki welcomed back to Ann Arbor the maize and blue crowd! The event kicked off with a buffet style brunch followed by guest speaker Dave Brandon, CEO of Domino's Pizza, U-M Regent and **"M"** Club member (football). Also, U-M Field Hockey Coach, Marcia Pankratz, joined us to discuss her team's 2001 NCAA Championship.

Regent Brandon shared his thoughts on the major challenges facing the University and Athletic Department. The Regents number one priority is selecting a new President ASAP.

Marcia Pankratz commented that the Field Hockey teams past NCAA tournament experience was a major factor in bringing home Michigan's

51st National Team Championship, and the first in a women's sport, when the Wolverines defeated top ranked Maryland 2-0 in the NCAA title game November 18th in Kent, Ohio. "The team seemed to gel in attitude and performance throughout the tournament".

Lynn Evans provided an update on the **"M"** Club's plans for the June 1, 2002 **"M"** Day Golf Outing and Annual Meeting as well as improvements to the **"M"** Room and the Club's web page.

Winter Event Brunch Chairman Frank Legacki and his committee greatly appreciated everyone who attended this year's event. We hope to build on this year's program to make future events even more fun-filled and attractive.

Mark your Calendars and plan on attending M-Day June 1, 2002 and the 2002 Football Brunch preceding the Iowa game Homecoming weekend October 26, 2002.

LETTERWINNERS WALL AND NEW PICTURES

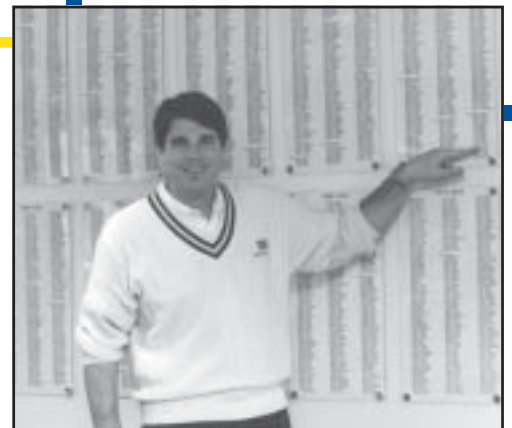

The "M" Club Board is encouraging all letterwinners to visit the "M" Room to see the renovated and updated pictures and wall displays. The collection has been two years in assembling.

The new Letterwinners Wall is now displayed on the East Wall and is the "M" Room's most recent addition. Since 1864 over 8,000 men and women have earned the block "M". The names of each of these individuals are listed in alphabetical order under the year they first lettered. We will update the Letterwinners Wall annually.

The new National championship Team's plaque is displayed on the "M" Room's North Wall.

The new Honorary "M" plaque is displayed on the "M" Room's West Wall.

Thanks to Don Dufek, John Ghindia, Bill Austin, the Bentley Library and the University's Photo Services Department, pictures are being added daily representing each of the current Varsity Teams, past Championship Teams and Individuals, as well as individuals who have been inducted into the University of Michigan Athletic Department's Hall of Honor.

Women's Sports Pioneer and Honorary "M" Marie Hartwig Passed Away December 23, 2001

Former University of Michigan professor and athletics administrator Marie Hartwig, one of the leading pioneers for women's sports both on a local and national level, passed away Sunday, Dec. 23 at the age of 95.

Marie, the first woman to be inducted into the University of Michigan Athletic Department Hall of Honor, was an associate athletic director for the Wolverines in the 1970's. She was an avid sportswoman, talented musician and a dedicated educator. She started her career here at the University of Michigan in 1930 before retiring in 1976.

Then U-M athletic director Don Canham named the Hartwig Building after Marie in 1984. The building today houses the Wolverine athletic ticket department, media relations office, marketing and promotions, and information technology.

"M" DAY GOLF OUTING

JUNE 1, 2002

REGISTRATION DEADLINE MAY 20!

The annual "M" Day golf outing will be held Saturday, June 1 at the U-M golf course. Lunch will again consist of hamburgers and chicken. Hot Dogs will be available at a central location on the golf course.

The tariff for golf and lunch will again be \$80. Golf carts are included in the \$80 price. All checks should be made out to the Letterwinners "M" Club.

In order to reserve a spot, you must be current in your dues. If you have not paid your 2002 dues or are not a life member, please send in your money with the reservation form. Dues are \$30/annually or \$500/life. Dues are waived for first-year graduates and graduating seniors only.

"M" letterwinners who have graduated within the past year may play golf for free and receive a complimentary lunch. Instaplak of Toledo will once

again be on hand to photograph your group. They will also be available for orders of individual "M" plaques featuring your name, sport and year of graduation.

Any "M" letterwinner or group may sponsor a hole, the club house or the tent for a cost of \$100, which will permit each sponsor's name to be prominently displayed.
