

CURRICULUM VITAE

(Rev. 2007-02-12)

Barry Lane Beyerstein

Department of Psychology
Simon Fraser University
Burnaby, B.C., V5A 1S6 Canada

Home: 183 April Road
Port Moody, B.C.
V3H 3M7 Canada

Telephone, SFU: (604) 291-3743

Telephone: Home (604) 469-1301

FAX, SFU : (604) 291-3427

FAX: Home (604) 469-2337

Electronic Mail: beyerste@sfu.ca

Birth date: May 19, 1947

Birthplace: Edmonton, Alberta, Canada.

Citizenship: Canadian

EDUCATION: B.A. (Honors, First Class), 1968: Psychology, Simon Fraser University, Burnaby, B.C.

Ph.D., Experimental and Biological Psychology, 1973: University of California, Berkeley.
Supervisory Committee: (Interdisciplinary Committee in Neurosciences, U.C., Berkeley)
Chair: R.D. Freeman (Physiological Optics & Biophysics), R.L. DeValois (Psychology),
H.B. Barlow (Physiology and Anatomy), M.R. Rosenzweig (Psychology).

AREAS OF SPECIALIZATION: Brain-behavior relationships, Psychopharmacology (drug research, addiction, history of drug use, drugs and the law, drug policy), Sensory Psychophysiology (olfaction, pain, vision), Critical assessment of claims of the paranormal and pseudoscience (e.g., ESP, mediums, astrology, handwriting analysis, faith healing, medical and psychological quackery, etc.), Sleep, biological rhythms and behaviour, Development of the Brain, Psychology of human error, Psychology of deception (con-artistry, frauds, hoaxes, etc.)

TEACHING POSITIONS:

2004-present	Professor of Psychology, Simon Fraser University
1986-2004	Associate Professor, Department of Psychology, Simon Fraser University.
2001	Instructor, research methods and critical thinking, Phase VI program for senior medical students, Faculty of Medicine, The University of British Columbia.
1990	Visiting Professor, Jilin University, Changchun, People's Republic Of China.
1975-1985	Assistant Professor, Department of Psychology, Simon Fraser University.
1973-1975	Visiting Assistant Professor, Department of Psychology, Simon Fraser University.
1969-1973	Instructor in Psychology (part time), John F. Kennedy University, Martinez, California. (Now located in Orinda, CA)
1971-1973	Faculty Associate in Psychology, University of California, Berkeley.
1972-1973	Departmental Teaching Coordinator, Department of Psychology, University of California, Berkeley.
1970-1971	Lecturer in Psychobiology, St. Mary's College, Moraga, Ca.
1969-1971	Teaching Assistant, Department of Psychology, University of California, Berkeley.
1968 (Summer)	Laboratory Instructor, Behavioral Sciences Foundation, Simon Fraser University.
1967-1968	Teaching Assistant, Department of Psychology, Simon Fraser University.

RESEARCH POSITIONS:

- 1973-present Brain Behaviour Laboratory, Psychology Department, Simon Fraser University.
- 1978-present Drug Studies Laboratory, Psychology Department, Simon Fraser University.
- 1990-present Adjunct Faculty, Institute for Inquiry, Amherst, New York. (Affiliated with SUNY system)
- 1985-1988 Collaborative Group, Imaging Research Center, Health Sciences, University of British Columbia.
- 1973 Consultant, Amblyopia Project, School of Optometry, University of California, Berkeley.
- 1972-1973 Research Associate, Vestibular Laboratory, Pacific Medical Center, San Francisco, Ca.:
Development of Auricularis EMG test for vestibular dysfunction.
- 1972-1973 Research Associate, Hearst Bioengineering Laboratory, Group in Biophysics, Berkeley: Visual deprivation and neural development.
- 1969 Research Assistant, Primate Vision Laboratory, University of California, Berkeley, Dr. R. L. De Valois: Electrophysiological and behavioural studies of primate vision.
- 1968-69 Research Assistant, Dr. D. A. Riley, University of California: Animal discrimination learning.
- 1968 Research Assistant, Dr. H. Weinberg, S.F.U.: Electrophysiology of sleep and dreaming.

SCHOLARSHIPS AND AWARDS:

- Clifton G. Brown Memorial Scholar (1965-66)
Government of B.C. First Class Scholarship (1965-1968)
S.F.U. Undergraduate Scholarship (1966-1968)
Gold Medal, B.C. Psychological Association (1968)
National Research Council of Canada Postgraduate Scholarship (1968)
Woodrow Wilson Fellow (1968-1969)
Newman Scholarship, University of California, Berkeley (1969-1970)
University of California, Graduate Division Scholarship (Summer, 1970)
University of California, Tuition Scholarship (1968-1971)
President's Certificate for Service, S.F.U. Speaker's Bureau (1984)
Yukon Science Institute Travelling Lecturer (1989)
Donald K. Sampson Memorial Award (1990) B.C. College of Psychologists
Fellow, Committee for the Scientific Investigation of Claims of the Paranormal (1991)
Elected to the U.S. Council for Scientific Medicine (1997)
President's Award for Service to the University, SFU (2003)
Elected fellow, The Council for Scientific Medicine and Mental Health (2003)
Mentor Award, Center for Inquiry-Transnational, Amherst, NY (2005)

RESEARCH GRANTS:

- 1972-73 Institute of Medical Sciences, San Francisco: "Development of EMG test for vestibular dysfunction." (\$1,700)
- 1975 B.C. Ministry of Labour: "Interactive effects of caffeine and alcohol on psychomotor performance." (\$2,500)
- 1976-77 President's Research Fund, S.F.U.: "Studies of visual anisotropy." (\$1,600)
- 1978 Non-medical Use of Drugs Directorate, Health & Welfare Canada: "An ecological study of barroom aggression."
(\$13,000)
- 1979 President's Research Fund, S.F.U.: "Data analysis, Rat Park experiments." (\$500)
- 1979 B.C. Ministry of Labour: "Sex differences and time of environmental exposure as determinants of morphine consumption in rats." (\$3,000)
- 1980 Health Promotion Branch, Health and Welfare Canada: "Rat Park--Addiction Studies." (\$9,850)
- 1980-81 Steel Research Fund: (with B. Alexander) "Environmental determinants of opiate addiction." (\$12,540)
- 1981-82 Steel Research Fund: (with B. Alexander) "Mechanisms underlying resistance to opiate addiction in colony-raised rats." (\$17,507)
- 1982 Research Contract, General Monitors Inc., Costa Mesa, Ca.: (with B. Clayman, Dept. of Physics, S.F.U.),
"Odor and molecular vibration." (\$32,000)
- 1983 Steel Research Fund: (with B. Alexander) "Experimental tests of animal models of addiction." (\$21,270)
- 1983 Research Contract, General Monitors Inc., Costa Mesa, Ca.: (with B. Clayman, Dept. of Physics, S.F.U.), 2nd
Installment, "Odor and molecular vibration." (\$32,000)
- 1983 Concerned Citizens' Drug Study and Education Society: Grant to investigate proposed changes in British addiction
treatment policies." (\$1,500)
- 1983 B.C. Govt. Y.E.P. Program: Grant to employ student research assistant, Drug Studies Lab. (\$1,200)
- 1983-84 Work Study Program Grant: "Cognitive styles and adolescent smoking behaviour." (\$1,200)
- 1983-84 Steel Research Fund: (with B. Alexander) "Animal studies of addictive behaviour." (\$9,000)
- 1984-86 Steel Research Fund: "Cognitive styles and smoking behaviour." (\$11,119.50)
- 1984 B.C. Govt. Y.E.P. Program: "Genetics of morphine preference in mice." (\$2,300)
- 1984-85 Special Grant, President's Office, S.F.U. (with D. Isobe): "Muscle biofeedback in Cerebral Palsy." (\$2,300)
- 1985 Steel Research Fund: "Determinants of Adolescent Smoking." (\$1,800)
- 1986-87 Steel Research Fund: "Genetics of opioid preference and opioid effects on biological rhythms." (\$3,339)

- 1986 Challenge '86 Program: "Drugs and biological rhythms." (\$4,400)
 1986-87 Work Study Employment Grants: "LAAM - effects on circadian rhythms." (\$2,400) "Study of smell-evoked memories." (\$1,200)
 1987 Concerned Citizens' Drug Study & Education Soc.: (with B. Alexander) "A study of methadone-related deaths in the province of B.C." (\$2400)
 1987 R. H. Wright Sensory Sciences Institute: A study of unconscious odour conditioning. (\$500)
 1987 Challenge '87 Grants: Drugs and Biological Rhythms (\$6000)
 1987 President's Research Grant, S.F.U. (with H. Weinberg): Pheromones and aging. (\$5000)
 1989 Steel Research Fund: Genetic contributions to opioid preference and dependence. (\$7300)
 1993 SSHRC Grant to present workshop on "smart drugs", Washington, D.C. (\$500)
 1996 SSHRC Research Grant: Psychological effects of mild head injuries. (\$5000)

CONFERENCE GRANTS:

- 1973 Office of Special Events, University of California, Berkeley: "Symposium on Biofeedback." (\$1,500)
 1976 Div. of Continuing Studies, S.F.U.: (with H. Weinberg) for "The Brain Behaviour Revolution - Implications for behaviour control." [S.F.U., Nov., 1986], (\$4,000)
 1981 V.P., Academic, S.F.U.: (with B. Alexander) for International Conference on Drug Abuse [Vancouver, May, 1981], (\$8,000)
 1981 Alcohol and Drug Commission of B.C.: (with B. Alexander) for International Conference on Drug Abuse. (\$12,900)
 1983 S.S.H.R.C.: Travel grant to present invited address, S.U.N.Y., Buffalo. (\$200)
 1984 Concerned Citizens' Drug Study & Educ. Soc.: (with B. Alexander) for symposium on heroin addiction featuring W. R. Ghent, M.D., Council on Health Care, Cdn. Medical Association (\$1200)
 1994 Conference Grant: Hidden Memories of Sexual Abuse Conference, S.F.U. (\$2000)
 1995 SSHRC Travel Grant to conduct workshop on smoking, Santa Monica, Ca.
 1997 SSHRC Travel Grant to present seminar on "pharmacological puritanism," New Orleans, LA.

OFFICES, POSITIONS HELD:

- 1966-67 President, Arts Undergraduate Assn. and member of Executive Council, S.F.U. Student Society
 1966-67 Editorial Board, Peak Publications Society
 1970-71 Group Leader, Berkeley Community Encounter Project, Berkeley, Ca.
 1973 Organizer and Chair, Biofeedback Symposium, Psych. Dept., U.C., Berkeley
 1976 Organizer and Co-chair: "Brain Behaviour Revolution - Implications for Behaviour Control." S.F.U.
 1978 Organizer, Research Colloquium Series for B.C. Community College Instructors.
 1979-2000 Director, Concerned Citizens' Drug Study and Education Society.
 1981 Organizer and Co-chair, Conference: "Drug Abuse - Policy Options for British Columbia."
 1983-1990 Board of Scientific and Technical Consultants, Committee for the Scientific Investigation of Claims of the Paranormal.
 1985-1990 Judge, Olympics for the Mind, Creative Problem Solving Competition.
 1986 Steering Committee, IX Institute on Drugs, Crime and Justice, Imperial College, London, UK
 1986-present Executive Committee, R. H. Wright Sensory Sciences Institute.
 1986-present Chair, Society of B.C. Skeptics
 1987-1990 Chair, Electronic Communications Committee, CSICOP
 1987-2000 Advisory Board, Drug Policy Foundation, Washington, D.C.
 1987 Faculty, IX Institute on Drugs, Crime & Justice, Imperial College of Science and Technology, University of London, United Kingdom
 1988 Co-Chairman (Scientific), International Conference on Drug Policy Reform, Drug Policy Fndn., Bethesda, Maryland, Oct. 20-23.
 1988-1993 Contributing Editor, *International Journal on Drug Policy*.
 1990-present Executive Council, Committee for the Scientific Investigation of Claims of the Paranormal
 1990-2000 Scientific Affairs and Health Committee, Drug Policy Foundation.
 1990-present Deputy Director, S.F.U. Animal Care Facility
 1990 Visiting Professor, Jilin University, Changchun, People's Republic of China
 1990-1991 B.C. College of Psychologists: Committee on Misuse and Abuses of Psychological Testing.
 1991-1995 Founding board member, League for Effective Action on Drugs
 1991 Organizer and Chair, conference: "Why do bogus personality readings seem to work?" SFU, Oct. 26/91
 1991 Organizer and Chair, panel: "Psychological Quackery." CSICOP Annual Conference, Berkeley, Ca., May 3-5
 1991 Organizer and Chair, panel: "What is the moral authority for the War on Drugs." 5th Intl. Conference on Drug Policy Reform. Washington, D.C., November 13-16, 1991.
 1992 Faculty, "The Skeptic's Toolbox," Eugene, OR, University of Oregon, Aug. 20-24, 1992.
 1992 Coordinator for establishment of Psychology Degree Program, University College of the Fraser Valley.
 1993 Faculty, "The Skeptic's Toolbox II" University of Oregon, August, 1993
 1993 Founding Board Member, Canadian Foundation for Drug Policy
 1993 Organizer and Chair, Workshop on "Smart Dugs" (Nootropics), Washington, D.C.
 1994 Organizer and Co-chair, "Memories of Sexual Abuse" Conference, Vancouver, B.C.
 1994 Program Committee, 1994 CSICOP Conference, "Psychology of Belief," Seattle, Washington.
 1995-present Advisory resources panel member, The False Memory Syndrome Foundation, Philadelphia, PA.
 1995 Organizer and chair, workshop: psychopharmacology of smoking, DPF Conference Los Angeles, CA.
 1995 Invited foreign expert, China Academy of Science and Technology. Toured the principal teaching and research facilities for Traditional Chinese Medicine, People's Republic of China.
 1997-present Chair, selection committee, The Nora and Ted Sterling Prize in Support of Controversy.
 1997-2000 Member, The Alternative Therapy Evaluation Committee, The Insurance Corporation of British Columbia
 1997 Elected to the Council for Scientific Medicine. USA.
 1998 Founding board member, Canadians for Rational Health Policy

1999 Member, external review panel, Dept. of Psychology, University College of the Fraser Valley, Abbotsford, B.C.
 2000 - present Consultant to the U.S. NCRHI Veterinary Task Force on unscientific therapies.
 2000 - present Advisory Board - Institute for Neuroscience and Consciousness Studies, Austin, TX
 2004 - present Member, Allied Health and Alternative Therapies Committee, British Columbia Medical Association
 2004 - present Member, Admissions interview board, Faculty of Medicine, The University of British Columbia
 2005 - 2006 Member, Organizing Cttee., Conference on Anomalies of the Brain (2006) Sponsored by The Royal Society of Edinburgh, Edinburgh University, and the British Psychological Society.
 2005 Member, Organizing Committee for 2007 World Skeptics' Conference, Beijing, P.R.C.

MEMBERSHIPS ORGANIZATIONS AND BOARDS:

Chair of session and presenter in, "Alternative Medicine, Government and the Law, at conference Science Meets Alternative Medicine, sponsored by The Scientific Review of Alternative Medicine and the Merrill Foundation, Philadelphia, PA, Feb. 26-Mar. 1, 1999.
- Beyerstein, B. L. (1999) Drugs and steroids that enhance athletic performance: Means of detection, means of deception. Panel on Drugs, Sports, and Youth. Kaizen '99: Changing Perspectives. Conference Sponsored by Sport B.C., Vancouver, B.C., February 15, 1999.
- Beyerstein, B.L. (1998) Judgmental biases in assessing healthcare: Why bogus therapies seem to work. Plenary Session on Complementary Medicine: The 44th Annual St. Paul's Continuing Medical Education Conference. Vancouver, BC, November 24, 1998.

- Beyerstein, B.L. (1998) Debate with Dr. Allan Best, CEO of the Tzu Chi Inst. for Complementary and Alternative Medicine. Topic: "Who's the Skeptic?" Presented at The Art and Science of Healing: A Complementary and Alternative Medicine Conference. Vancouver, BC, November 16, 1998.
- Beyerstein, B.L. (1998) Alternative Therapy: Where's the Evidence? The 10th Annual Dr. Cam Coady Memorial Lecture. The Westminster Medical Society. Coquitlam, BC, November 6, 1998.
- Beyerstein, B.L. (1998) The allure of Alternative Medicine. The Council of Academic Societies Plenary Session: "Alternative Medicine in Research, Medical Education and Clinical Practice." 109th Annual Meeting of the Association of American Medical Colleges, New Orleans, LA, November 2, 1998.
- Beyerstein, B.L. (1998) The neurology of the weird: Brain states and "mystical" visions. Presented to the seminar: "Embracing science in an irrational world." Sponsored by the Center for Inquiry Institute. Bellevue, Wa. October 17, 1998.
- Beyerstein, B.L. (1998) Psychopathy and other personality traits of the con-artist. Presented to symposium: The Psychology of Deception: Scams, Cons, and other Deceits. The University of Oregon, August 23, 1998.
- Beyerstein, B.L. (1998) Benign Hoaxes: Wake-up calls for the pompous and gullible. Presented to symposium: The Psychology of Deception: Scams, Cons, and other Deceits. The University of Oregon, August 21, 1998.
- Beyerstein, B.L. (1998) Paranormal and pseudoscientific beliefs in China. Session on the Occult in China, 2nd World Skeptics Conference, University of Heidelberg, Germany, July 25, 1998.
- Beyerstein, B.L. (1998) How can well-educated people come to believe in useless medical treatments? Session on Alternative Medicine, 2nd World Skeptics Conference, University of Heidelberg, Germany, July 23, 1998.
- Beyerstein, B.L. (1998) Word Magic: How analogy and metaphor underlie most paranormal beliefs. Invited address to the 1998 national convention of Mensa, UBC, Vancouver, B.C., July 18, 1998.
- Beyerstein, B.L. (1998) How honest, well-educated patients can be fooled into thinking that inert treatments have worked. Invited address to conference: The Intrusion of Tradition-Based Medicine. School of Law, The University of Colorado, Boulder, CO, June 13, 1998.
- Beyerstein, B.L. (1998) Why aren't talking therapies more effective in changing behaviour? Presented to symposium: What is the Future of the Talking Therapies? Strathcona Mental Health Facility, Vancouver, B.C., May 5, 1998.
- Beyerstein, B. L. (1998) Repressed memories or false memories? False memories and allegations of childhood sexual abuse Invited address, to conference, "Neglected Aspects of Abuse in the Family," Robson Square Centre, Vancouver, B.C., February 7, 1998.
- Beyerstein, B.L. (1997) A skeptic looks at medicine. Keynote Address, Annual Conference of the British Columbia College of Physicians and Surgeons, Victoria, B.C., October 24, 1997.
- Beyerstein, B.L. (1997) Invited organizer and chair: Panel on "Pharmacological Puritanism.," 11th International Conference on Drug Policy Reform, New Orleans, LA, October 17, 1997.
- Beyerstein, B.L. (1997) Neural mechanisms of transcendent bliss: Euphoriant drugs produce the same brain changes as religious induction procedures. 11th International Conference on Drug Policy Reform, New Orleans, LA, October 17, 1997.
- Beyerstein, B.L. (1997) Scientific issues in mass urine screening for metabolites of illicit drugs: Are the tests accurate? Invited address to the conference, "Surveillance Technologies: Challenges to Privacy Rights, organized by the Office of the Information and Privacy Commissioner of B.C., Victoria, B.C., October 8, 1997.
- Beyerstein, B.L. (1997) Ethical issues in random urine screening for drugs: Trying to read the mind by tapping the bladder. Invited address to the conference, "Surveillance Technologies: Challenges to Privacy Rights, organized by the Office of the Information and Privacy Commissioner of B.C., Victoria, B.C., October 9, 1997.
- Beyerstein, B.L. (1997) Magical versus Rational Thinking: The Epistemology and Metaphysics of Paranormal and Pseudoscientific Beliefs. Presented to The Skeptic's Toolbox, CSICOP Conference, Dept. of Psychology, The University of Oregon, August 21-25, 1997.
- Beyerstein, B.L. (1997) Brain mechanisms and hallucinations. Presented to The Skeptic's Toolbox, CSICOP Conference, Dept. of Psychology, The University of Oregon, August 21-25, 1997.
- Beyerstein, B.L. (1997) Graphology: A pseudoscience based on pareidolia and magical thinking. Presented to The Skeptic's Toolbox, CSICOP Conference, Dept. of Psychology, The University of Oregon, August 21-25, 1997.
- Beyerstein, B.L. (1997, May 16) Brain states and transcendent experiences. The Oregon Skeptics, Eugene Oregon.
- Beyerstein, B.L. (1997, February 14) Cognitive and heuristic biases: Why bogus therapies seem to work. Invited presentation to the session, "Alternative Medicine in a Scientific World", Annual Conference of the American Association for the Advancement of Science, Seattle, Washington.
- Beyerstein, B. L. (1996, October) Brain mechanisms and allegedly supernatural experiences. Presented to CSICOP seminar, Washington, D.C., October 26, 1996.
- Beyerstein, B. L. (1996, October) Distinguishing science from pseudoscience. Invited Keynote Address to the ATA Science Council annual convention, Red Deer, Alberta, October 6, 1996.
- Beyerstein, B. L. (1996, May 17) "The alleged Roswell UFO cover-up: Why conspiracy theories can rarely withstand scrutiny." Presented to VCON 21 Futurists and Science Fiction Writers' Conference, Vancouver, B.C.
- Beyerstein, B. L. (1996, June) Perceptual anomalies that lead to false beliefs about the world. Presented to the session "Mechanisms of Self-deception: Cognitive and Heuristic Biases," at the 20th Anniversary World Skeptics' Conference, sponsored by the Committee for the Scientific Investigation of Claims of the Paranormal, Amherst, New York, June 21, 1996.

- Beyerstein, B. L. (1996, June) A critical evaluation of Traditional Chinese Medicine. Presented to the session "Pseudoscience in China" at the 20th Anniversary World Skeptics' Conference, sponsored by the Committee for the Scientific Investigation of Claims of the Paranormal, Amherst, New York, June 22, 1996.
- Beyerstein, B. L. (1995, June) How to evaluate therapeutic claims. Workshop on Pseudoscience and the Paranormal. Sponsored by the China Assn. for Science and Technology and the State Science and Technology Commission. Beijing, P.R.C., June 17, 1995.
- Beyerstein, B. L. (1995, June) Herbal origins of some common western medicines. Symposium on Western Scientific Medicine and Traditional Chinese Medicine. Shu-Guang Hospital of the Shanghai University of T.C.M., Shanghai, P.R.C., June 20, 1995.
- Beyerstein, B. L. (1995, August) The psychobiology of hallucinations. Invited presentation to the Workshop on Human Error, University of Oregon, Eugene, Oregon, USA, August 19, 1995.
- Beyerstein, B. L. (1995, August) Biological rhythms and the timing of human errors. Invited presentation to the Workshop on Human Error, University of Oregon, Eugene, Oregon, USA, August 20, 1995.
- Beyerstein, B. L. (1995, August) On avoiding folly: Cognitive traps that lead to disastrous decisions. Invited presentation to the Workshop on Human Error, University of Oregon, Eugene, Oregon, USA, August 21, 1995.
- Beyerstein, B. L. (1995, October) Nicotine and the brain: What do smokers get out of smoking? Invited presentation to session on "Psychopharmacology of Smoking," 9th International Conference of the Drug Policy Foundation, Santa Monica, Ca., USA, October 19, 1995.
- Beyerstein, B. L. (1995, December) Anomalistic psychology: The study of unusual subjective experiences. Invited address to CSICOP conference, Long Beach, Ca., USA, December 9, 1995.
- Beyerstein, B. L. (1995, December) A brain researcher's view of near-death experiences. Keynote address to conference of the Rocky Mountain Skeptics, Boulder, CO., December 10, 1995.
- Beyerstein, B. L. (1994, June). The psychophysiology of hallucinations. Presented in the session "Anomalies of perception and interpretation" at the 1994 CSICOP Conference, "The Psychology of Belief," Seattle, Washington, USA.
- Beyerstein, B. L. (1994, June). Graphology: Pseudoscience in the courtroom. Presented in the session "Influencing beliefs in the courtroom: Expert testimony and science," at the 1994 CSICOP Conference, "The Psychology of Belief," Seattle, Washington, USA.
- Beyerstein, B. L. (1994, August). Anomalous thinking and the brain. Presented to the "Workshop on critical thinking," University of Colorado, Boulder, Co., USA.
- Beyerstein, B. L. (1994, August). Left and right brain thinking: Scientific vs. pseudoscientific views of brain laterality. Presented to the "Workshop on thinking," University of Colorado, Boulder, Co., USA.
- Beyerstein, B. L. (1994, August). Coming to the wrong conclusion for the right reasons. Presented to the "Workshop on thinking," University of Colorado, Boulder, Co., USA.
- Beyerstein, B. L. (1994, September) Can traumatic memories be repressed and recovered? Presented to the Departmental Convention, Department of Psychology, Simon Fraser University, Burnaby, B.C.
- Beyerstein, B. L. (1994, October) Pseudoscientific personality readings: Why astrology, graphology, and palm reading seem to work. Presented to Catalyst '94, Vancouver, B.C.
- Beyerstein, B. L. (1994, November) HIV, Drugs, and the Street: Reducing Drug-related harms. 8th Annual British Columbia HIV/AIDS Conference: HIV in Canada Today., University of British Columbia, Vancouver, B.C.
- Beyerstein, B. L. (1994, November) Effects of government taxation policy on legal and black market cigarette sales in Canada. Presented to the session "The Canadian Drug Scene," 8th International Conference of the Drug Policy Foundation, Washington, D.C.
- Beyerstein, B. L. (1994, November) Heroin overdose deaths in Canada: Casualties of the war on drugs. Presented to the session, "The Canadian Drug Scene," 8th International Conference of the Drug Policy Foundation, Washington, D.C.
- Beyerstein, B. L. (1994, November) Why the war on drugs cannot be won. Presented to Symposium on Drugs, the Law, and Society, Department of Sociology, Kwantlen University College, Surrey, B.C.
- Beyerstein, B. L. (1994) UFOs: Visitors from inner space or outer space? Presented to the Department of Sociology, Simon Fraser University.
- Beyerstein, B. L. (1993) "Distinguishing science from pseudoscience." Invited address to conference, *Catalyst '93: Science as a Way of Learning*, sponsored by the SFU Faculty of Science and the B.C. Science Teachers' Assn. April 24, 1993.
- Beyerstein, B. L. (1993) "The esoteric brain." Seminar presented in *The Skeptic's Toolbox II*, University of Oregon, August 19-23, 1993.
- Beyerstein, B. L. (1993) "The case against Graphology." Seminar presented in *The Skeptic's Toolbox II*, University of Oregon, August 19-23, 1993.
- Beyerstein, B. L. (1993) "Smart drugs and dumb ideas." Presented in the Workshop on Smart Drugs in the scientific section of 7th International Conference on Drug Policy Reform, Washington, DC, November 17-20, 1993

- Beyerstein, B. L. Mechanisms of impaired spatial processing following early visual deprivation. Annual Mtg. of the Pacific Coast Oto-Ophthalmological Society: Seattle, WN.; May, 1976.

INVITED COLLOQUIA AND LECTURES AT UNIVERSITIES, ACADEMIC RESEARCH INSTITUTES, ETC.:

- B. L., Beyerstein (2006) "The case against complementary and alternative medicine." Lecture series sponsored by the BC Society for Alternative Medicine. Harbour Centre, Simon Fraser University, February 21, 2006.
- B. L. Beyerstein (2006) "If it ducks like a quack..." Invited lecture, Department of Healthcare and Epidemiology, Faculty of Medicine, The University of British Columbia, October 30, 2006.
- B. L. Beyerstein (2006) "The neurology of the weird: Brain states and anomalous experience." Invited Address to The Commonwealth Club of California, San Francisco, CA. July 19, 2006.
- B. L. Beyerstein (2005) "Why bogus therapies *seem* to work. Faculty of Medicine, The University of British Columbia, November 7, 2005.
- B. L. Beyerstein (2005) The role of genetics and the Brain Reward System in addiction. Invited lecture to the seminar on addictions, Psychology Department, Simon Fraser University. January 27, 2005.

Invited Travelling Lecturer: Sponsored by the China Association for Science and Technology –Multi-city Lecture Tour of China, April 15-May 1, 2005

1. Conference, Chinese Academy of Sciences, Beijing, P.R.C., April 16, 2005: Science confronts the Paranormal.
B. L. Beyerstein: "CSICOP: A world-wide movement for science, rationality, and critical thinking."
B. L. Beyerstein: "Distinguishing Science from Pseudoscience."
2. Colloquium: Dept. Of Physics, Beijing Normal University, April 17, 2005: B. L. Beyerstein: "Physical laws and the paranormal."
3. Colloquium: Research Center for Science and Humanism, Beijing Normal University. April 17, 2005: B. L. Beyerstein: "Science versus pseudoscience."
4. Colloquium: Center for Cognition and Neuroscience, Beijing Normal University, April 18, 2005: B. L. Beyerstein: "Brain mechanisms and paranormal experience."
5. Symposium/Discussion Panel: China Institute for the Popularization of Science, Beijing, P.R.C., April 20, 2005: Combating pseudoscience in the general population.
6. Colloquium: Center for Social Studies of Science, Beijing University. April 21, 2005. B. L. Beyerstein: "When scientists venture into pseudoscience."
7. Symposium: Sichuan Normal University, Chengdu, P.R.C. April 22, 2005. B. L. Beyerstein: "Science versus Pseudoscience."
8. Colloquium: Department of Psychiatry, Huaxi Medical University, Chengdu, P.R.C., April 22, 2005: B. L. Beyerstein: "Why worthless medical treatments seem to work."

9. Colloquium: Wuhan University, Wuhan City, P.R.C., April 25, 2005. B. L. Beyerstein: "Distinguishing science from pseudoscience."
10. Panelist/Discussant: Conference of the China Association for Science and Technology, (Sponsored by Hubei Association for Science and Technology, Wuhan, P.R.C.). April 26, 2005. Why are people attracted to superstitions?

- "The tell-tale signs of a quack." Department of Healthcare and Epidemiology, Faculty of Medicine, The University of British Columbia, September 20, 2004.
- "The sense of smell and its discontents." Grand Rounds: The Department of Otolaryngology, Faculty of Medicine, The University of British Columbia. June 9, 2004.
- "Head-candling the Quack: What motivates fringe practitioners?" Invited address. The Department of Health Care and Epidemiology. Faculty of Medicine, The University of British Columbia. September 15, 2003.
- "The psychology of belief." Ten-lecture series presented in the Summer Institute, The Center for Inquiry, Amherst, NY. July 6-20, 2003.
- "Frontal lobe mechanisms, serotonin levels, and the violent dyscontrol syndrome." Invited lecture. School of Criminology. Simon Fraser University. January 23, 2003.
- "Brain mechanisms of emotion and learning: Implications for false beliefs and irrational behaviour." Invited lecture. The Department of Healthcare and Epidemiology, Faculty of Medicine, The University of British Columbia. October 28, 2002.
- "Brain mechanisms, brain damage, and violent behaviour." Invited lecture to the School of Criminology, Simon Fraser University. January 21, 2002

SERVICE AS AN EXPERT WITNESS:

- 1986 B.C. Supreme Court (Drugs, the brain and behaviour.)
- 1987 B.C. Supreme Court (Addiction, effects of marijuana, amphetamines, substituted phenylethylamines)
- 1987 Industrial Relations Council of B.C.: Reliability and validity of urinalysis for detecting drug abuse in the workforce.
- 1991 B.C. Supreme Court, *R. v. Evans*: Benzodiazepines and memory loss.
- 1990 B.C. Supreme Court, *R. v. Canute*: Multiple drug interactions (opiates, alcohol, cannabis, ASA) and mental state.
- 1990 B.C. Supreme Court, *Gong v. ICBC*: Loss of sense of smell.
- 1993 B.C. Supreme Court, *R. v. Parsons*: Huntington's Chorea and violent behaviour.
- 1993 B.C. Supreme Court, *R. v. Learn*: Combined effects of alcohol and marijuana on mental state.
- 1994 B.C. Supreme Court, *Fieldhouse v. R*: Urine testing for drugs in federal penitentiaries.
- 1994 B.C. Supreme Court, *R. v. Murray*: Psychoactive drugs and dissociative states.
- 1994 Standing Committee on Health, Parliament of Canada, Ottawa. Testimony on psychoactive drug effects. Re: Debate on Bill C-7, "The Controlled Substances Act."
- 1995 B.C. Provincial Court, *R. v. Caine*. Biological and psychological effects of marijuana.
- 1996 B.C. Supreme Court, *R. v. Eggleston*. Marijuana, alcohol and mental states.
- 1996 B.C. Family Court, *Richardson v. Hart*. Ability to disguise substance abuse and addiction; Evidence of intoxication in speech and handwriting.
- 1996 B.C. Supreme Court, *R. v. Frechette*. Effects of crack cocaine, "magic mushrooms," and alcohol on dissociation and violence.
- 1996 B.C. Family Court, *DeYoung v. DeYoung*. Prognosis for successful abstinence in treated drug abusers.
- 1996 B.C. Provincial Court, *R. v. How*. Interactions between non-steroidal anti-inflammatory drugs and alcohol.
- 1997 B.C. Supreme Court, *Gadsby v. MacGillivray*. Effects of benzodiazepine abuse on mental functioning.

- 1997 B.C. Supreme Court, *R. v. Seymour*. Effects of cocaine, psychedelics, and alcohol on consciousness and aggressive behaviour.
- 1998 Joint Committee on Custody and Access, The House of Commons and the Senate of Canada. Invited address on False Memory Syndrome, May 19, 1998.
- 1998 B.C. Supreme Court, *R. v. Grimsrud*. Psychedelic drugs, paranormal beliefs, and acute panic reactions.
- 1998 B.C. Supreme Court, *R. v. Berrigan*. Cocaine effects and cocaine (stimulant) psychosis.
- 1999 B.C. Supreme Court, *R. v. Denison*. Tobacco addiction, nicotine withdrawal syndrome, nicotine replacement therapies.
- 1999 B.C. Provincial Court, *R. v. Sum*. Olfaction: the ability of the sense of smell to localize distant sources of odours.
- 1999 Court of Queen's Bench, Calgary, Alberta. *R. v. Houlgrave*. Effects of cannabis (marijuana) on consciousness, motor control and driving.
- 1999 B.C. Supreme Court, *R. v. Seymour* (re-trial). Cocaine, LSD and alcohol and mental state--ability to form intent to commit murder.
- 2000 B.C. Provincial Court, *R. v. Zastowny*. Cocaine psychosis.
- 2000 Whatcom County Court, Bellingham, Washington. *US v. Fleck*. Effects of heroin on memory and consciousness.
- 2000 B.C. Supreme Court, *R. v. Stephens*. Memory for childhood sexual abuse, false memory syndrome.
- 2000 B.C. Supreme Court, *R. v. Macmillan*. Drinking and blood alcohol concentration; mental effects of alcohol/cocaine interactions, dissociation and automatism.
- 2000 B.C. Provincial Court, *R. v. Simpson*. Hypoglycemia and the brain--effects on perception, cognition, and movement.
- 2000 B.C. Supreme Court, *Poulton v. CanAta Holdings*. Head injury and loss of the sense of smell.
- 2000 B.C. Provincial Court, *R. v. Petroutsis*. Effects of *Amanita muscaria* ("Magic Mushrooms") -- effects on the brain, consciousness, dissociation and behaviour.
- 2000 B.C. Supreme Court, *R. v. van Osselear*. Effects of cocaine and alcohol; dissociation.
- 2000 Whatcom County Court, Bellingham, WA, USA. *People v. Kittila*. Effects of amphetamine and heroin overdoses.
- 2001 B.C. Supreme Court, *R. v. Sayed-Fatimi*. LSD (physical and mental effects, effects on pain and thermoregulation), post-injury shock and mental functioning.
- 2001 Court of Queen's Bench, Calgary, Alberta. *R. v. LaFay*. Cannabis (growing methods, mental effects of cannabis, consumption patterns and typical quantities of use).
- 2001 B.C. Supreme Court, *R. v. Baker*. Interaction of SSRI antidepressants and alcohol, bipolar disorder. Side effects of antidepressant medications. (expert opinion entered as a written document in trial)
- 2001 B.C. Supreme Court, *R. v. Robinson*. [voire dire, witness for defence] Psychology of consciousness: Effects of hypnosis on enhancement of memory.
- 2001 B.C. Supreme Court, *R. v. Robinson*. [main trial, witness for defence and prosecution] Psychology of consciousness: Effects of hypnosis on enhancement of memory.
- 2001 B.C. Supreme Court, *R. v. Patten*. Effects of LSD, hashish, alcohol, and cocaine; psychoactive drug interactions; effects of psychoactive drugs in persons with a history of epilepsy and head injury.
- 2001 B.C. Provincial Court, *R. v. Jones*, Adverse effects of antidepressants on consciousness; interactions with other legal and illegal drugs, cocaine withdrawal effects; severe alcoholism and consciousness.
- 2001 B.C. Supreme Court, *Hoskin v. ICBC*. Head injury and loss of smell acuity and odour discrimination.
- 2002 B.C. Supreme Court, *R. v. Jolliffe*. Cocaine effects on consciousness and cocaine psychosis.
- 2002 B.C. Supreme Court, *R. v. Wilson*. (Written report entered into evidence in lieu of testimony). Benzodiazepines and dissociation; effects on people with borderline personality disorder.
- 2002 B.C. Supreme Court, *R. v. David*. Effects of high blood alcohol levels and marijuana consumption on consciousness.
- 2002 B.C. Supreme Court, *R. v. Oster*. Effects of benzodiazepines and alcohol on consciousness and memory.
- 2002 B.C. Supreme Court, *R. v. Kent*. Effects of crack cocaine and heroin.
- 2003 B.C. Provincial Court, Victoria, B.C. *R. v. Yellowlees*. Effects of head trauma/concussion and severe alcohol intoxication on assaultive behaviour. (Report submitted prior to testimony at trial; resulted in staying of charges.)
- 2003 B.C. Provincial Court, Williams Lake, B.C. *R. v. McPhail*. Effects of chronic cocaine and opiate abuse. Mental and behavioural effects of Interferon. (Report submitted prior to testimony at trial; resulted in Crown Prosecutor agreeing to treatment diversion instead of criminal proceedings.)
