PROVINCE OF NOVA SCOTIA

**RETURNS OF GENERAL ELECTION
FOR THE HOUSE OF ASSEMBLY**

Twenty-Ninth General Election

1978

**REPORT OF THE
CHIEF ELECTORAL OFFICER**

**Halifax, N. S.
Queen's Printer**

PREFACE

The Fifty-First General Assembly of the Province of Nova Scotia was dissolved on August 12, 1978 and election writs were issued the same day. Nomination day was September 5, 1978 and ordinary polling day was September 19, 1978. No candidate being returned by acclamation, a poll was held in all electoral districts.

At the time of dissolution, there were forty-three electoral districts, three of which elected two members. Standings in the House were 30 Liberals, 12 Progressive Conservatives, 3 New Democrats and there was 1 vacancy.

In July, 1978, the House of Assembly Act was amended to provide for six additional members in the House, 4 in Halifax County, 1 in Colchester County and 1 in Cape Breton County. Boundaries of electoral districts in those counties were altered accordingly.

The 1978 amendments to the House of Assembly Act respecting Colchester County divided the County, which was a dual member district, into three separate districts. Inverness and Yarmouth Counties remain as dual member districts. The Fifty-Second General Assembly is therefore composed of 52 members representing 50 electoral districts.

There were 162 candidates nominated as compared to 144 candidates nominated in the 1974 general election. Six candidates were independents and the remainder were affiliated with the Liberal, Progressive Conservative or New Democratic parties. Forty-five candidates failed to receive 15% of the valid votes cast in their electoral districts and lost their deposits.

Total reported election expenses, parties and candidates combined, amounted to \$2,085,632.65 as compared to \$1,204,077.22 in 1974. Reimbursement of candidates' election expenses from public funds amounted to \$552,848.16.

542,547 electors were registered to vote and 424,418 electors voted. The percentage of electors who voted is 78.23% as compared to 77.89% in 1974, 77.32% in 1970, 77.00% in 1967 and 77.87% in 1963.
