## NOW IN 7 STYLISH COLOURS

Close the deal, climb the ladder and bring in the numbers. With the new Proton Waja, get there even faster. Now equipped with the new Proton CamPro CPS engine. Plus features you would expect from a top-of-the-range vehicle, combining luxury with practicality. Wherever the destination, the Proton Waja is your partner all the way.

### Power that means business

Reach any goal ahead of time with the new Proton CamPro CPS engine. It features Cam Profile Switching and Variable Intake Manifold technology that adapts to driving conditions. Overtaking, accelerating and climbing hills are now a breeze, with 125hp and 150Nm of torque. All at a similar fuel consumption to our previous CamPro engine.

### Understated elegance

Smooth lines and graceful curves style the interior and exterior of the Waja. Fitted with leather seats and quality finishes, it'll make your arrival a lasting impression.

### Space for work and play

Whether you're transporting business partners or family, there's ample space for all in the Waja. And whether it's golfing or picnics, a generous boot space makes it all possible.

### Exceptionally safe

Equipped with dual airbags, ABS, side impact beams and a reinforced crumple zone, the Waja does not compromise on safety.

### Other new features

### Xenon lights

For an illumination similar to natural daylight that's easy on the eyes. That means a clearer view and a safer drive for you. Plus, it also has a longer lifespan.

### Gated gearshift

Change gears in style and peace of mind. New gearshift with anti-slip feature avoids accidental shifts. And it looks sleek too.

### Sports rims and dual tailpipe

Stylish diamond-cut sports rims and dual tailpipe add to the Waja's imposing presence.

### Drive a new Proton today
