

HUDSON-BERGEN LIGHT RAIL

Effective: July 1, 2005

Serving:
Bayonne, Jersey City, Hoboken & Weehawken

HAVE A SAFE TRIP

- Light rail cars are smooth and quiet. Look both ways before crossing tracks and only cross at designated crossings where there are signals or traffic lights.
- Overhead wires, which carry electricity to light rail cars, are dangerous. Stay away from them at all times.
- Do not lean on doors.
- Always stand three feet behind the tactile edge of the platform.
- Never walk near or stand on tracks, climb poles, or throw objects at a light rail car.
- In the event of an emergency, listen to announcements and follow instructions of light rail car personnel.

For the comfort of all, observe these simple rules while traveling on the Hudson-Bergen Light Rail Line.

- No smoking.
- No eating or drinking.
- No littering.
- Use headphones if you're listening to a radio or electronic device.
- No in-line skating or skateboarding.
- Small pets are allowed in carry-on travel cages.
- Service animals are permitted on-board at all times.
- When using cellphones speak softly.

HOLIDAYS

A Saturday/Sunday schedule will operate on New Year's Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Friday after Thanksgiving, and Christmas Day. A regular weekday schedule will operate on New Year's Eve.

Each station is marked by the Hudson-Bergen Light Rail Beacon designed by Charles Fahlen.

BICYCLE POLICY

Bicycles may be carried on-board Hudson-Bergen Light Rail vehicles during off-peak hours only (weekdays from 9:30 a.m. to 4:00 p.m. & 7:00 p.m. to 6:00 a.m., and all day Saturdays, Sundays, and state holidays).

Passengers with bicycles will be confined to the low-floor vestibule sections of the vehicle only. Bicycles may not be left unaccompanied, block aisles, be placed on empty seats, or cause inconvenience to other passengers. The passenger must hold or secure the bicycle so that it does not fall over or interfere with other passengers. The kickstand of the bicycle must remain up at all times. If the bicycle is considered by NJ TRANSIT employees or employees of 21st Century Rail Corporation to pose a hazard to the safety of other passengers, the employee may prohibit the bicycle from entering the vehicle. Bicycle accommodations are limited.

PROOF OF PAYMENT RULES

A valid proof of payment is required to ride Hudson-Bergen Light Rail. A monthly pass or validated ticket is considered proof of payment. Follow the easy steps below. Violators are subject to a fine of up to \$100.

BUY IT

You must have a valid ticket prior to boarding Hudson-Bergen Light Rail, and to enter Pre-Paid Fare Zones on platforms at Lincoln Harbor, 9th Street, 2nd Street, Hoboken and E. 22nd Street stations. Ticket Vending Machines (TVMs) are located near entrances or on platforms at each station. Information on purchasing and validating tickets is displayed on TVMs. For additional ticketing information, please refer to the Ticket Information poster located near TVMs.

VALIDATE IT

You must validate all one-way tickets purchased from TVMs in a Validator Machine before boarding light rail cars. Monthly passes do not require validation.

Validator Machines are located near TVMs at each station. To validate your ticket, insert it into the Validator with the print side up and NJ TRANSIT's logo facing to the left. The machine will place an expiration time stamp on the ticket. Your ticket will then be valid until the expiration time that appears on the ticket. (Tickets are valid for 90 minutes.)

RIDE IT

After you have validated your ticket, all that's left to do is get on board and enjoy the ride. NJ TRANSIT Fare Enforcement Officers will make random ticket inspections on vehicles and at stations. Remember to keep your ticket handy until exiting your station of destination, as you may be asked to show your ticket more than once during your trip. If you are a senior citizen or passenger with a disability and are traveling with a reduced fare ticket, you must provide a valid form of ID upon request.
